**Subject:** Affordable housing

Good morning Nancy,

I read the article in 941 CEO about public input on affordable housing and had a thought about this earlier this week. Not sure if this idea would apply, but thought it would be a great opportunity for writers, artists, and others who work in the creative fields to be able to qualify for lower housing/rental costs that would be applicable to low percentage of a higher cost condos and apartment buildings inside and near the downtown core.

If this is something that you'd like to discuss more I 'm happy to go into further detail about the idea.

Many thanks,
