Borrowers are required to complete a homebuyer education course, through an approved education provider, and must meet Florida Housing's minimum FICO requirement.

FIRST MORTGAGE PROGRAMS

▶ **Florida First** - This 30-year, fixed-rate first mortgage is available to all borrowers who satisfy credit requirements and First Time Homebuyer Program income and purchase price requirements. Borrowers who qualify for this first mortgage program will automatically qualify for one of Florida Housing's down payment assistance programs.

▶ **Military Heroes** - This 30-year, fixed-rate first mortgage is available to veterans and active duty military personnel who satisfy credit requirements and First Time Homebuyer Program income and purchase price requirements. Additionally, this first mortgage offers a lower rate than the Florida First. Borrowers who qualify for this first mortgage program will automatically qualify for one of Florida Housing's down payment assistance programs. Veterans need not be first time homebuyers to qualify.

DOWN PAYMENT ASSISTANCE PROGRAMS

▶ **Florida Assist** - This down payment and closing costs assistance program is a deferred, non-amortizing, 0% interest, second mortgage that is repayable when borrowers sell or refinance the property, satisfy the first mortgage or no longer occupy the property as a primary residence.

▶ **Homeownership Assistance for Moderate Income Loan (HAMI)** - This down payment and closing costs assistance program is a fixed-rate, 10-year amortizing, second mortgage that is repaid on a monthly basis, for the 10-year term of the loan.
