I. General Program Description:

A. Name of the participating local government and Interlocal if Applicable:

Putnam County

Interlocal: Yes _____ No X

B. Purpose of the program:

Creation of the Plan is for the purpose of meeting the housing needs of the very-low, low and moderate income households; to expand production of and preserve affordable housing; and to further the housing element of the local government comprehensive plan to affordable housing.

Very-low income persons are defined as households whose annual gross income does not exceed 50% of the Area Median Income (AMI). Low income persons are defined as household whose income does not exceed 80% of the AMI, and moderate income is defined as households whose incomes does not exceed 120 percent (120%) of the AMI.

At least 30% of these funds will be utilized to assist very low income households and at least 30% will be utilized to assist low income households. The remaining funds, if any, within all strategies will be used for income eligible families. SHIP funds in Putnam County cannot be used for the purchase or rehabilitation of trailers, and mobile or manufactured homes.

C. Fiscal years covered by the Plan: 2015-2016, 2016-2017 and 2017-2018

D. Governance:

The SHIP Program is established in accordance with Section 420.907-9079, Florida Statutes and Chapter 67-37, Florida Administrative Code. Cities and Counties must be in compliance with these applicable statutes, rules and any additional requirements as established through the Legislative process.

E. Local Housing Partnership:

The SHIP Program encourages building active partnerships between government, lenders, builders and developers, real estate professionals, advocates for low-income persons and community groups.

F. Leveraging:

The Plan is intended to increase the availability of affordable residential units by combining local resources and cost saving measures into a local housing partnership and using public and private funds to reduce the cost of housing. SHIP funds may be leveraged with or used to supplement other Florida Housing Finance Corporation programs and to provide local match to obtain federal housing grants or programs.

G. Public Input:

Public input was solicited through face to face meetings with housing providers, social service providers and local lenders and neighborhood associations. Public input was

solicited through the local newspaper in the advertising of the Local Housing Assistance Plan and the Notice of Funding Availability.

H. Advertising and Outreach:

SHIP funding availability shall be advertised in a newspaper of general circulation and periodicals serving ethnic and diverse neighborhoods, at least 30 days before the beginning of the application period. **If no funding is available due to a waiting list, no notice of funding availability is required.**

I. Discrimination:

In accordance with the provisions of ss.760.20-760.37, it is unlawful to discriminate on the basis of race, color, religion, sex, national origin, age, handicap, or marital status in the award application process for eligible housing.

J. Support Services and Counseling:

Support services are available from various sources. Available support services may include but are not limited to: Homeownership Counseling (Pre and Post), Credit Counseling, Tenant Counseling and Transportation.

K. Purchase Price Limits:

The sales price or value of new or existing eligible housing may not exceed 90% of the average area purchase price in the statistical area in which the eligible housing is located. Such average area purchase price may be that calculated for any 12-month period beginning not earlier than the fourth calendar year prior to the year in which the award occurs. The sales price of new and existing units, which can be lower but may not exceed 90% of the median area purchase price established by the U.S. Treasury Department or as described above.

The methodology used is:

U.S. Treasury Department
 Local HFA Numbers

The purchase price limit for new and existing homes is shown on the Housing Delivery Goals Charts.

L. Income Limits, Rent Limits and Affordability:

The Income and Rent Limits used in the SHIP Program are updated annually by the Department of Housing and Urban Development and posted at www.floridahousing.org.

Affordable means that monthly rents or mortgage payments including taxes and insurance do not exceed 30 percent of that amount which represents the percentage of the median annual gross income for the households as indicated in Sections 420.9071, F.S. However, it is not the intent to limit an individual household's ability to devote more than 30% of its income for housing, and housing for which a household devotes more than 30% of its income shall be deemed Affordable if the first institutional mortgage lender is satisfied that the household can afford mortgage payments in excess of the 30% benchmark and in the case of rental housing does not exceed those rental limits adjusted for bedroom size.

M. Welfare Transition Program:

Should an eligible sponsor be used, a qualification system and selection criteria for

applications for Awards to eligible sponsors shall be developed, which includes a description that demonstrates how eligible sponsors that employ personnel from the Welfare Transition Program will be given preference in the selection process.

N. Monitoring and First Right of Refusal:

In the case of rental housing, the staff and any entity that has administrative authority for implementing the local housing assistance plan assisting rental developments shall annually monitor and determine tenant eligibility or, to the extent another governmental entity provides the same monitoring and determination, a municipality, county or local housing financing authority may rely on such monitoring and determination of tenant eligibility. However, any loan or grant in the original amount of \$3,000 or less shall not be subject to these annual monitoring and determination of tenant eligibility requirements. Tenant eligibility will be monitored annually for no less than 15 years or the term of assistance whichever is longer unless as specified above.

Eligible sponsors that offer rental housing for sale before 15 years or that have remaining mortgages funded under this program must give a first right of refusal to eligible nonprofit organizations for purchase at the current market value for continued occupancy by eligible persons.

O. Administrative Budget:

A line-item budget of proposed Administrative Expenditures is attached as Exhibit A.

Putnam County finds that the moneys deposited in the local housing assistance trust fund shall be used to administer and implement the local housing assistance plan.

Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, states: “A county or an eligible municipality may not exceed the 5 percent limitation on administrative costs, unless its governing body finds, by resolution, that 5 percent of the local housing distribution plus 5 percent of program income is insufficient to adequately pay the necessary costs of administering the local housing assistance plan.”

Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, further states: “The cost of administering the program may not exceed 10 percent of the local housing distribution plus 5 percent of program income deposited into the trust fund, except that small counties, as defined in s. 120.52(17), and eligible municipalities receiving a local housing distribution of up to \$350,000 may use up to 10 percent of program income for administrative costs.”

The applicable local jurisdiction has adopted the above findings in the resolution attached as Exhibit E.

P. Program Administration:

A third party entity or consultant will be contracted for all or part of the administrative responsibilities of the program. The name of the current entity is the Northeast Florida Regional Council. The administrative duties they will provide are: program operation and implementation, application management, client assistance, qualification process; generally all aspects of the program excluding financial aspects and storing of original client files.

Q. Essential Service Personnel Definition and Special Needs Households:

Priority is given to Essential Service Personnel including teachers, educators, other school

district employees, community college employees, police, sheriff, fire personnel, health care personnel, skilled building trades personnel and government employees

Special need households (persons who have special housing needs, including, but not limited to, homeless people, the elderly (age 62+), migrant farm workers, persons with disabilities) as defined in F.A.C 67-37.002(13) and/or persons with special needs, as defined in 67-37.002(21) F.A.C. will have priority status for project funding.

R. Describe efforts to incorporate Green Building and Energy Saving products and processes:

Section 420.9075(3)(d), FS, provides in part that in effort to reduce utilities costs for SHIP clients and to preserve resources, all participating SHIP households will be required to take part in the Putnam County SHIP program's "Green Initiative". Requirements of the Green Initiative are:

- **Low flow plumbing fixtures** (these recommendations are from the St. Johns River Water Management District. Please refer to the link below for more information about water conservation): www.sjrwmd.com/waterconservation/
 - Toilet – a 1.6 gallon per flush or less toilet will be installed if toilet needs replacing
 - Showerheads – a 2.5 gallon per minute or less showerhead will be installed if it needs replacing
 - Bathroom faucets - a 1.5 gallon per minute or less bathroom faucet will be installed if it needs replacing.
 - Kitchen faucets- a 2.2 gallon per minute kitchen faucet will be installed if it needs replacing.
- **Home Heating and Air Conditioning**
 - i. HVAC – if HVAC unit needs replacement, an Energy Star unit will be installed.
 - ii. Thermostat – Programmable thermostats will be installed in all SHIP households that do not already have one in place.

Section II. LHAP Strategies:

A. <i>Name of Strategy: Disaster Relief</i>	<i>Code 5</i>
--	---------------

a. **Summary of the Strategy:** Putnam County realizes that at any moment a disaster can wreak havoc upon a community. Those that are usually affected to the greatest degree, households in the very-low, low, and moderate income categories, are those which are the least able to recover. For this reason, the County has chosen to stand ready to meet the repair needs of these families in times of crises. SHIP program funds may be used to provide disaster recovery assistance to homeowner-occupied dwelling units in the event of a Federal or State declared “disaster” or “state of emergency”. Generally, disaster recovery assistance may include but is not limited to weatherproofing damaged homes; interim repairs to avoid further damage; tree and debris removal required to make individual housing units habitable; building permits; payment of insurance deductibles once the need for repairs has been determined; and post-disaster assistance with non-insured repairs.

b. Fiscal Years Covered: 2015-2016, 2016-2017 and 2017-2018

c. Income Categories to be served: Very Low, Low and Moderate

d. Maximum award: \$15,000

e. Terms of the award:

The funds will be a grant or deferred 0% interest loan forgiven after 5 years. Participating household’s obligation will be held through the use of a recorded 2nd Mortgage and Promissory Note. These documents will be recorded with the Putnam County Clerk of the Courts.

Grants will be made to households in the very-low income category, elderly applicants (age 62+), and/or persons with special needs, as defined in 67-37.002 (21) F.A.C.

Deferred Loans will be made for households in the low and moderate income categories. These loans will be due in full if the home is sold or deed transfers ownership within 5 years of the loan. In the event of default (failure to make required payments on a loan secured by a first mortgage which leads to foreclosure and/or loss of property ownership) the loan will be due at the time of foreclosure.

In the event of the death of the applicant(s) within the lien period, the Deferred Loan will remain on the property. All heirs and successors will be held to the same rules and regulations as applicant(s). Heirs and successors that qualify as an Eligible Household may occupy the home. The property may also be sold; however, the lien shall be fully satisfied unless the new owners qualify under the eligibility criteria of the program.

If heirs do not qualify for the SHIP program then 180 days is provided to pay back the loan. A written request is needed if the heirs require an extension.

- f. Recipient Selection Criteria: Applicants are selected on a first qualified, first served basis with the following priorities:

There will be a one-time assistance limit for applicants. Under special circumstances, such as five years lapsed between assistance dates and the request seeking emergency or disaster assistance, can a SHIP applicant be served more than once with funds from the SHIP program. If there is a waiting list and a person on the waiting list has not received any previous funding, that person will take precedence over an applicant that has received previous funding. The Affordable Housing Advisory Committee and the Putnam County Board of County Commissioners will make the final determination on applicants requesting an exception.

Priority is given to special needs households and essential service personnel over other applicants. Special needs households will have priority status for project funding. Each group within the special needs category is given equal standing.

- g. Sponsor Selection Criteria and duties, if applicable: N/A
- h. Additional Information:

- SHIP funds must be used for eligible applicants and eligible housing. SHIP Disaster Relief funds may not be used for the purchase or rehabilitation of mobile or manufactured homes.
- Property taxes must be current to participate in the SHIP program.
- Applicants cannot possess more than \$10,000 in assets excluding real and personal property. Elderly applicants (age 62+) and/or persons with special needs, as defined in 67-37.002 (21) F.A.C. are exempt from this requirement.

<i>B. Strategy Name: Home Purchase Assistance</i>	<i>Code 1</i>
---	---------------

- a. **Summary of the Strategy:** Putnam County recognizes that one of the most significant barriers to the development of affordable housing is the lack of low cost funding available to stimulate affordable housing development. SHIP funds may be used to promote homeownership. Additionally, when used in conjunction with closing cost assistance for borrowers as a way of promoting homeownership, participating local lenders are encouraged to offer more favorable financing terms to those eligible for participation when a 20% down payment can be made.

Such a supposition is based on up to an 80% maximum financing exposure provided for financial institutions. **Applicant shall not receive cash back at closing.** In addition, the maximum amount of \$3,500 shall be included in the second mortgage and note for closing costs. Should the applicant purchase a home in foreclosure, an additional \$10,000 would be allowed for rehabilitation. The \$10,000 shall be included in the note and mortgage.

The maximum amount available to eligible applicants will be based on the household income level.

- b. Fiscal Years Covered: 2015-2016, 2016-2017 and 2017-2018
- c. Income Categories to be served: Very low, low, and moderate income
- d. Maximum award: (The home purchased **cannot exceed \$135,000**)
 - Very Low Income – up to 30% of the purchase price of the home.
 - Low Income – up to 25% of the purchase price of the home.
 - Moderate Income – up to 20% of the purchase price of the home

All income groups – up to an additional \$3,500 in closing costs

All income groups – up to an additional \$10,000 in rehabilitation if foreclosed home is purchased

- e. Terms of the award:

Because the down payment and closing costs assistance portion of the strategy is a 0% deferred loan for 20 years, no repayment of funds is necessary provided the house is not sold, transferred and remains as the primary residence until the deferral period has expired. In the event of default (failure to make required payments on a loan secured by a first mortgage which leads to foreclosure and/or loss of property ownership) the loan will be due at the time of foreclosure.

Participating household's obligation will be held through the use of a 2nd Mortgage (subordinate) and Promissory Note. These documents will be recorded with the Putnam County Clerk of the Courts.

The loan will not be forgiven for the first seven years. At the conclusion of the seventh year, 30% of the outstanding balance will be forgiven. At the end of year 8, the loan will begin to be forgiven on a prorated basis reducing the loan balance by 5% through year 19 with the remaining 10% forgiven at the conclusion of the 20 year loan term.

There will be a one-time assistance limit for applicants. Under special circumstances, such as five years lapsed between assistance dates and the request seeking emergency or disaster assistance, can a SHIP applicant be served more than once with funds from the SHIP program. If there is a waiting list and a person on the waiting list has not received any previous funding, that person will take precedence over an applicant that has received previous funding. The Affordable Housing Advisory Committee and the Putnam County Board of County Commissioners will make the final determination on applicants requesting an exception.

If heirs do not qualify for the SHIP program then 180 days is provided to pay back the loan. A written request is needed if the heirs require an extension.

- f. Recipient Selection Criteria:

Applicants are selected on a first qualified, first served basis with the following

priorities:

Priority is given to special needs households and essential service personnel over applicants not within either category.

Special needs households will have priority status for project funding. Each group within the special needs category is given equal standing.

g. Sponsor Selection Criteria and duties, if applicable: N/A

h. Additional Information:

Home purchase assistance is designed as a countywide activity limited to eligible families under SHIP income guidelines. The program requires that at least one member of each household to attend a homeownership counseling and training course, either taught by an established lending institution or this program, and graduate from that training program with a Certificate of Completion to be eligible to participate in this program. Income eligible heirs also have the ability to assume the loan. In the event of the death of the applicant(s) within the lien period, the Deferred Loan will remain on the property. All heirs and successors will be held to the same rules and regulations, as did the applicant(s). The property may be sold; however, the lien shall be fully satisfied unless the new owners qualify under the eligibility criteria of the program.

- SHIP Home Purchase funds may not be used for the purchase or rehabilitation of mobile or manufactured homes.
- The first mortgage obtained from a primary lender must be at a fixed rate; no ARM's, prepayment penalty, negative amortization, balloon loan, owner financing or other non-affordable loan terms are allowed.

C. Strategy Name: <i>Housing Rehabilitation</i>	Code 3
--	--------

a. **Summary of the Strategy:** Putnam County has many existing owner-occupied homes that may be rehabilitated under this strategy, where the homeowner qualifies as very-low, low, or moderate income under program guidelines. **Deferred loan funds of up to \$34,500 (\$30,000 plus 15% buffer) may be used for this strategy.** Repair projects are normally authorized near the maximum allowable dollar amount to provide the greatest assistance for each client's need.

b. Fiscal Years Covered: 2015-2016, 2016-2017 and 2017-2018

c. Income Categories to be served: Very-Low, Low and Moderate

d. Maximum award:

- \$34,500

e. Terms of the award: Interest Rate, Recapture and Default.

Because the housing rehabilitation strategy is a 0% deferred loan for 20 years, no

repayment of funds is necessary provided the house is not sold, transferred and remains as the primary residence, until the deferral period has expired. In the event of default (failure to make required payments on a loan secured by a first mortgage which leads to foreclosure and/or loss of property ownership) the loan will be due at the time of foreclosure.

Participating household's obligation will be held through the use of a 2nd Mortgage (subordinate) and Promissory Note. These documents will be recorded with the Putnam County Clerk of the Courts.

The funds will be a deferred loan and forgiven over a **20 year period**.

The loan will not be forgiven for the first seven years. At the conclusion of the seventh year, 30% of the outstanding balance will be forgiven. At the end of year 8, the loan will begin to be forgiven on a prorated basis reducing the loan balance by 5% through year 19 with the remaining 10% forgiven at the conclusion of the 20 year loan term.

Income eligible heirs also have the ability to assume the loan. In the event of the death of the applicant(s) within the lien period, the Deferred Loan will remain on the property. All heirs and successors will be held to the same rules and regulations, as did the applicant(s). Heirs and successors that qualify as an Eligible Household may occupy the home. The property may also be sold; however, the lien shall be fully satisfied unless the new owners qualify under the eligibility criteria of the program.

f. Recipient Selection Criteria: Applicants are selected on a First qualified, first served basis with the following priorities: Applicants in the very-low income group will be given the highest priority, followed by those households in the low income group, then the moderate income group. If heirs do not qualify for the SHIP program then 180 days is provided to pay back the loan. A written request is needed if the heirs require an extension.

Priority is given to special needs households and essential service personnel over applicants not within either category. Each category is given equal standing, except where state allocations dictate a percentage of the funds be used on a specific category.

There will be a one-time assistance limit for applicants. Under special circumstances, such as five years lapsed between assistance dates and the request seeking emergency or disaster assistance, can a SHIP applicant be served more than once with funds from the SHIP program. If there is a waiting list and a person on the waiting list has not received any previous funding, that person will take precedence over an applicant that has received previous funding. The Affordable Housing Advisory Committee and the Putnam County Board of County Commissioners will make the final determination on applicants requesting an exception.

- g. Sponsor Selection Criteria and duties, if applicable: N/A
- h. Additional Information:

- SHIP Housing Rehabilitation funds may not be used for the purchase or rehabilitation of mobile or manufactured homes.
- Property taxes must be current to participate in the SHIP program.
- Applicants cannot possess more than \$10,000 in assets excluding real and personal property. Elderly applicants (age 62+) and/or persons with special needs, as defined in 67-37.002 (21) F.A.C. are exempt from this requirement.
- The applicant must occupy the property as their primary residence.
- **Homeowners must have current homeowner’s insurance to participate in this strategy.** A copy of the policy will be required to remain on file with the SHIP program through the remainder of the 20-year obligation to the SHIP program.
- In an effort to reduce utilities costs for SHIP clients and to preserve resources, all participating SHIP households will be required to take part in the Putnam County SHIP programs “Green Initiative.”

<i>D. Strategy Name: Emergency Repair</i>	<i>Code 6</i>
--	---------------

- a. **Summary of the Strategy:** Funds of up to \$11,500 (\$10,000 plus 15% buffer) may be used to address emergency repairs or minor repairs to owner-occupied housing in Putnam County. Repairs can include minor work necessary to provide general renovation of the housing stock and to correct code violations. In an effort to mitigate for health and safety concerns, SHIP funds may be used but not limited to: construction of wheelchair ramps and handicap accessibility, septic tank repair, roof and structural repair, electrical repair, plumbing repair, and heating and air conditioning repair.
- b. Fiscal Years Covered: 2015-2016, 2016-2017 and 2017-2018
- c. Income Categories to be served: Very-low and Low Income
- d. Maximum award is noted on the Housing Delivery Goals Charts: \$11,500

In the event of default (failure to make required payments on a loan secured by a first mortgage which leads to foreclosure and/or loss of property ownership) the loan will be due at the time of foreclosure.

There will be a one-time assistance limit for applicants. Under special circumstances, such as five years lapsed between assistance dates and the request seeking emergency or disaster assistance, can a SHIP applicant be served more than once with funds from the SHIP program. If there is a waiting list and a person on the waiting list has not received any previous funding, that person will take precedence over an applicant that has received previous funding. The Affordable Housing Advisory Committee and the Putnam County Board of County Commissioners will make the final determination on applicants requesting an exception.

f. Recipient Selection Criteria:

III. LHAP Incentive Strategies

In addition to the **required Incentive Strategy A and Strategy B**, include all adopted incentives with the policies and procedures used for implementation as provided in Section 420.9076, F.S.:

- A. Name of the Strategy: **Expedited Permitting**
Permits as defined in s. 163.3177 (6) (f) (3) for affordable housing projects are expedited to a greater degree than other projects.

Provide a description of the procedures used to implement this strategy: In the case when an application backlog for development approval occurs resulting in delays in processing applications within the regularly scheduled time frames, affordable housing projects shall be assigned priority for review and processing. This policy was implemented through an Administrative Memorandum.

- B. Name of the Strategy: **Ongoing Review Process**
An ongoing process for review of local policies, ordinances, regulations and plan provisions that increase the cost of housing prior to their adoption.

Provide a description of the procedures used to implement this strategy: Putnam County recently updated their Comprehensive Plan which includes a Housing Element. The current goals, objectives and policies include supporting language to provide safe and sanitary housing using affordable housing programs, such as SHIP, as well as to pursue partnerships that address housing for very low, low and moderate income households. Specifically, Policy C.1.2.1 of the Housing Element, mandates Putnam County to continue to use SHIP to rehabilitate substandard housing and eliminate blighted neighborhoods.

- C. Name of the Strategy: Inventory of Locally Owned Public Lands

The Putnam County Comprehensive Plan currently encourages mixed use development. The Land Development Code also encourages mixed used by requiring specific land use techniques, and also has a Planned Unit Development (PUD) process for mixed use development near transportation and employment centers.

WHEREAS, the State Housing Initiatives Partnership (SHIP) Act, ss. 420.907-420.9079, Florida Statutes (1992), and Rule Chapter 67-37, Florida Administrative Code, requires local governments to develop a one- to three-year Local Housing Assistance Plan outlining how funds will be used; and

WHEREAS, the SHIP Act requires local governments to establish the maximum SHIP funds allowable for each strategy; and

WHEREAS, the Economic and Community Development Department has prepared a three-year Local Housing Assistance Plan for submission to the Florida Housing Finance Corporation; and

WHEREAS, the County Commission finds that it is in the best interest of the public for the Putnam County to submit the Local Housing Assistance Plan for review and approval so as to qualify for said documentary stamp tax funds; and
