L. Income Limits, Rent Limits and Affordability:

The Income and Rent Limits used in the SHIP Program are updated annually from the Department of Housing and Urban Development (HUD) and distributed by Florida Housing Finance Corporation. Affordable is defined as: Monthly rents or mortgage payments including taxes and insurance do not exceed 30 percent of that amount which represents the percentage of the median annual gross income for the households as indicated in Sections 420.9071 (19), (20) and (28), F.S. However it is not the intent to limit an individual household's ability to devote more than 30% of its income for housing, and housing for which a household devotes more than 30% of its income shall be deemed Affordable if the first institutional mortgage lender is satisfied that the

household can afford mortgage payments in excess of the 30% benchmark. In the case of rental housing does not exceed those rental limits adjusted for bedroom size.

M. Welfare Transition Program: *Chapter 67-37.005 (6)(b)(7), F.A.C.*

N. Monitoring and First Right of Refusal: *Section 420.9075(3)(e) and (4) (f), F.S.*

In the case of rental housing, the staff or entity that has administrative authority for implementing the local housing assistance plan assisting rental developments shall annually monitor and determine tenant eligibility or, to the extent another governmental entity provides the same monitoring and determination, a municipality, county or local housing financing authority may rely on such monitoring and determination of tenant eligibility. However, any loan or grant in the original amount of \$3,000 or less shall not be subject to these annual monitoring and determination of tenant eligibility requirements. Tenant eligibility will be monitored for at least annually for 15 years or the term of assistance which ever is longer unless as specified above.

Eligible sponsors that offer rental housing for sale before 15 years or that have remaining mortgages funded under this program must give a first right of refusal to eligible nonprofit organizations for purchase at the current market value for continued occupancy by eligible persons.

O. Administrative Budget: *Chapter 67-37.005(6)(f)(3), F.A.C.*

A detailed listing including line-item budget of proposed Administrative Expenditures is attached as **Exhibit A**. These are presented on an annual basis for each State fiscal year submitted.

Wakulla County has determined that the moneys deposited in the local housing assistance trust fund shall be used to administer and implement the LHAP. The SHIP Administrator is responsible for administration of the SHIP program for fiscal year(s) 2009/10, 2010/2011 and 2011/2012. In accordance with Chapter 67-37, Florida Administrative Code, the cost of administering the plan does not exceed 10% percent of the total SHIP allocation will be authorized for administrative expenses each year, as approved by the Board of County Commissioners-attached resolution. **Exhibit E** Should the amount of funding increase or decrease administration will remain at 10% of total funds allocated.

A county or an eligible municipality may not exceed the 5 percent limitation on administrative costs, **unless** its governing body finds, by resolution, that 5 percent of the local housing distribution plus 5 percent of program income is insufficient to adequately pay the necessary costs of administering the local housing assistance plan. The cost of administering the program may not exceed 10 percent of the local housing distribution plus 5% of program income deposited into the trust fund, except that small counties, as defined in s. 120.52(17), and eligible municipalities receiving a local housing distribution of up to \$350,000 may use up to 10 percent of program income for administrative costs.

Wakulla County has adopted the above findings in the attached resolution,
Exhibit E.

P. PROGRAM ADMINISTRATION:

Administration of the local housing assistance plan is the responsibility of the *Wakulla County Board of County Commissioners*.
