Subject: CAHP recommended change to road verification form

Steve,

I am transmitting the proposed changes to the road verification form that was reflected in my comments on behalf of CAHP during Friday's rule workshop. Thanks!

Tim Wheat

2008 2007 UNIVERSAL CYCLE - VERIFICATION OF AVAILABILITY OF INFRASTRUCTURE - ROADS

Name of Development: _____

Development Location: _____
(At a minimum, provide the address assigned by the United States Postal Service, including the address number, street name and city, or if the address has not yet been assigned, provide the street name, closest designated intersection and city)

The undersigned local government representative confirms that on or before _____:
Date (mm/dd/yyyy)

1. Existing paved roads provide access to the proposed Development or paved roads will be constructed as part of the proposed Development.
2. There are no impediments to the proposed Development using the roads other than payment of impact fees or providing curb cuts, turn lanes, or signalization, *
3. ~~To the best of our knowledge, no variance or local hearing is required for these roads to be available to the proposed Development.~~ * *
4. To the best of our knowledge, there are no moratoriums pertaining to road usage which are applicable to the proposed Development.

CERTIFICATION

I certify that the foregoing information is true and correct.

Signature Date (mm/dd/yyyy) Name of Local Government

Print or Type Name Address

Print or Type Title

Telephone Number (including area code)

This certification may not be signed by the Applicant, by any related parties of the Applicant, or by any Principals or Financial Beneficiaries of the Applicant. In addition, signatures from local elected officials are not acceptable. If the certification is applicable to this Development and it is inappropriately signed, the Application will fail threshold.

If this certification contains corrections or 'white-out', or if it is scanned, imaged, altered, or retyped, the Application will fail to meet threshold. The certification may be photocopied.

* or securing required final approvals and permits for the Development.

* * 3. The execution of this Verification is not a granting of traffic concurrency approval for the Development. Exhibit _____
