FLORIDA HOUSING FINANCE CORPORATION**

In Re: Redding Development Partners, LLC

FHFC CASE NO.: 2017-074VW

---

**ORDER GRANTING WAIVER OF RULE 67-48.002(95)**

THIS CAUSE came on for consideration and final action before the Board of Directors of the Florida Housing Finance Corporation on October 27, 2017, pursuant to a “Petition for Waiver” (“Petition”). Florida Housing Finance Corporation (“Florida Housing”) received the Petition on October 11, 2017, from Redding Development Partners, LLC (“Petitioner”). On October 13, 2017, Petitioner filed an Amended Petition. Notice of the Petition was published on October 12, 2017, in Volume 43, Number 198, of the Florida Administrative Register. Florida Housing received no comments regarding the Petition. After careful review of the record and being otherwise fully advised in the premises, the Board of Directors (the “Board”) of Florida Housing hereby finds:

1. The Board has jurisdiction over the subject matter of this case and the parties hereto.
2. Petitioner was selected to receive competitive housing credits under Request for Application (“RFA”) 2015-106 to assist in financing the development known as Redding Redevelopment, a 90-unit elderly housing development in

Seminole County, Florida. Petitioner's Application Number was 2016-042C (the "Application").

3. Petitioner seeks a waiver from Rule 67-48.002(95), Fla. Admin. Code.

4. Rule 67-48.002(95), Fla. Admin. Code which defines and incorporates

by reference the following provision of the 2016 QAP provides the following:

K. Notwithstanding any other provision of this QAP, where a Development has not been placed in service by the date required or it is apparent that a Development will not be placed in service by the date required, and such failure is due to circumstances beyond the Applicant's control, **and the Applicant has returned its Housing Credit Allocation in the last calendar quarter of the year in which it was otherwise required to be placed in service**, the Corporation may reserve allocation in an amount not to exceed the amount of Housing Credits returned, and may allocate such Housing Credits to the Application for the year after the year in which the Development was otherwise required to be placed in service, provided the following conditions have been met: (i) the sponsor must have provided written notice to the Corporation, describing the circumstances, all remedial measures attempted by the Applicant to mitigate the delay, and any other pertinent information, prior to returning the allocation; and (ii) the Executive Director must find and determine that the delay was caused by circumstances beyond the Applicant's control, that the sponsor exercised due diligence in seeking to resolve the circumstances causing delay, that the Development in all respects, except time placed in service, still meets the conditions upon which the Housing Credits were originally allocated, and that the Development is still desirable in terms of meeting affordable housing needs.

5. Petitioner requests a waiver of the above Rule and bolded selection of the QAP provision above to permit it to exchange its tax credits now rather than in the last calendar quarter of 2018. According to Petitioner, the equity markets suffered a significant pull back resulting in significant downward pressure on tax credit pricing, which significantly impacted the financial feasibility of the Development. Petitioner was preliminarily awarded additional funding for the Development under RFA 2017-109: Development Viability Loan Funding. Due to these changes, the transaction will need to be restructured in order to move forward. Given these circumstances, Petitioner asserts that achievement of the scheduled placed in-service deadline is not possible. Petitioner therefore requests that it be permitted to swap the allocated tax credits now instead of the last quarter of 2018.

6. The Board finds that granting the waiver will not have any impact on other participants in funding programs administered by Florida Housing, nor would it have a detrimental impact on Florida Housing or the Development.

7. Section 120.542(2), Florida Statutes, provides in pertinent part:

Variations and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness.

8. Petitioner has demonstrated that strict application of the above Rule under these circumstances would constitute a substantial hardship and violate the

principals of fairness. Petitioner has also demonstrated that the purpose of the underlying statute, which is to “encourage development of low-income housing in the state” (§420.5099, Fla. Stat.), would still be achieved if the waiver is granted.

9. The Board finds that strict application of the above Rule under these circumstances would cause substantial hardship to Petitioner, and that granting this request furthers Florida Housing's statutory mandate to provide safe, sanitary and affordable housing to the citizens of Florida.

**IT IS THEREFORE ORDERED:** Petitioner’s request for a waiver of Rule 67-48.002(95), Florida Administrative Code, and 2016 QAP provision is hereby **GRANTED** to allow Petitioner to exchange its 2016 credits for a subsequent year’s allocation now rather than in the last calendar quarter of 2018.

DONE and ORDERED this 27th day of October, 2017.
