WHAT IS THE LOCK-IN DATE? For contracts entered into pursuant to competitive bidding procedures, the bid opening date "locks-in" the wage decision **provided** that the contract is awarded within 90 days. If the contract is awarded more than 90 days after bid opening, the contract award date 'locks-in' the wage decision. For contracts, purchase orders or other agreements for which there is no bid opening or award date, use the construction start date as the lock-in date. However, for projects receiving assistance under Section 8 of the U.S. Housing Act of 1937 or contracts involving a *project* wage determination, the lock-in rules may vary from above. See Department of Labor Regulations, 29 CFR, Part 1, Section 1.6 and/or HUD Handbook 1344.1, or consult the HUD Labor Relations staff.

WHAT IT ISN'T: Do not use the wage decision publication date, unless that happens to correspond to one of the trigger events described above. If you are not sure about any of this, please feel free to contact the Labor Relations staff in your state or region.
