**Subject:** Comments to Rule

Remove the Exclusions to the GC Cost Certification form for *Blinds, Appliances and Carpet*.

However, IF FHFC maintains the current GC fee restrictions as currently written within the GC Cost Certification, I recommend the exclusions only of the 6% contractor fee and not the total 14% fee as overhead and requirements are necessary for each and every item of construction.

General Contractor Fee:	6%
General Requirements:	6%
General Overhead:	2%

Thank you,
