Hi Bill,

It was great to speak with you today. As we discussed, the goals for the 2018 RFA cycle have already been established. From what I understood, the priority areas/goals rotate from year to year. I have noticed that a medium sized county in South Florida has not been awarded in the past 4 years. From meeting with the CoCs in Charlotte, Lee and Collier Counties, there is a great need for a permanent supportive housing project for the homeless. My hope is that for 2019 RFA cycle, a medium sized county in South Florida can be established as a goal. I greatly appreciate your assistance in working towards creating more opportunities removing people from homelessness.

Sincerely,

Scott
