Re: *Questions Re 2018 RFAs*

Dear Marisa:

1. Will SADDA or Geographic Areas of Opportunity be goals for the Miami-Dade 9% HC RFA like last year?
2. Will developments invited to underwriting in 2018 be on the Development Proximity List early enough to affect the upcoming 2018 RFAs?
3. Please confirm that two contiguous sites with the same financial beneficiary may respond to the same RFA as long as one is family and one is elderly.
4. If a site qualifies as the second phase of a multi-phase development, and the development lies within a RECAP area, is the second phase exempt from RECAP restrictions?
5. When do you anticipate posting updated Geographic Areas of Opportunity?

Sincerely,

Paul Bilton
