Section V - Notes / Explanations Disclosed by State	
Line 82	Note 1 - Line 35 does not equal Line 76 because repayments were received, by check or by EFT, into Florida Housing's operating account and not yet transferred to BNYM. During the quarter, \$1,669,513.43 in
Line 83	previous receipts were transferred to BNY. Additionally, \$2,456,450.36 of the repayments collected in the current quarter had not been transferred to BNYM by quarter end. Treasury's security interest in
Line 84	the repayments is mainly protected by approximately \$1.74 million in expenses advanced by Florida Housing during the quarter. The remaining amount due to BNYM (\$718,654.06) was transferred in
Line 85	August.
Line 86	
Line 87	Note 2 - Lines 7(d)-18(d) do not equal Line 39(g) because of \$350.00 returned by servicers to Florida Housing's operating account during the quarter. Because these are not yet in the BNY Mellon HHF
Line 88	account, they are not yet reflected on lines 7(d) - 18(d) or on line 79. The total is made up of one receipt from each of two servicers.
Line 89	
Line 90	Note 3 - Lines 7(d)-18(d) do not equal cumulative assistance on the QPR by at total difference of \$4,496.59 because of funds returned by the servicers that had not been entered into the CounselorDirect system by
Line 91	quarter-end, \$4,846.59 in addition to funds returned by servicers to Florida Housing's operating account (\$350.00).
Line 92	This also accounts for the individual program differences. The net differences for the individual programs are:
Line 93	Line 7(d) - UMAP \$0.00; Line 8(d) - MLRP \$0.00; Line 11(d) - Elmore (\$4,846.59); Line 12(d) - DPA \$350.00. These combine to make the total difference of \$4,496.59.
Line 94	
Line 95	Note 4 - Line 39 does not equal Line 79 because of funds returned by servicers to Florida Housing's operating account rather than the BNY Program account, net of funds transferred to the BNY Program account:
Line 96	[39(f) vs 79(j) - Quarter (\$46,406.75); Program to date \$350.00]
Line 97	
Line 98	Note 5 - Line 39 does not equal the QPR because of timing differences. These timing differences [\$4,846.59 for the quarter, and \$4,846.59 program to date] are funds returned by the servicers that had not
Line 99	been entered into the CounselorDirect system or reversed by quarter-end.
Line 100	
Line 101	Note 6 - Line 79 does not equal assistance on the QPR [Quarter \$51,253.34; Program to date \$4,496.59]. This is due to timing differences between the return of funds by the servicers and the entry to the
Line 102	CounselorDirect system or reversal [Quarter \$4,846.59; Program to date \$4,846.59] and by funds returned by servicers to Florida Housing's operating account rather than the BNY program
Line 103	account [Quarter, net \$46,406.75; Program to date (\$350.00)]. These timing differences clear in the next quarter. Florida Housing is working with servicers to correct the returned funds as they occur.
Line 104	
Line 105	Note 7 - Line 76(k) does not equal Line 20(c) because payments on loans (satisfactions) were sent to directly to Florida Housing's operating account or were checks. Florida Housing does
Line 106	not have a mechanism to deposit checks to BNYM. Funds received in the current quarter had not yet been transferred to BNYM as of the date of the report (quarter-end).
