A. Introductions

B. Purpose of the Strategic Plan

The purpose of this strategic plan is to provide a three-to-five-year framework for policy and operational decisions at Florida Housing Finance Corporation. This plan is Florida Housing's roadmap of how programs will be targeted, and operations will be administered in the coming years. It is not meant to be a comprehensive plan that includes every facet of what Florida Housing does but provides a big picture view of the Corporation's most important priorities. The strategic plan is used to respond to current housing conditions and opportunities, emerging issues and concerns and provides a framework to guide operations.

The draft 2026 Strategic Plan is available on the webpage <https://www.floridahousing.org/about-florida-housing/transparency/strategic-plan>.
