**VOLUNTEERS OF AMERICA OF FLORIDA, INC.'S
AMENDED (as to Exhibit D) FORMAL WRITTEN PROTEST AND
PETITION FOR FORMAL ADMINISTRATIVE PROCEEDINGS**

Volunteers of America of Florida, Inc. (“Volunteers of America” or “VOAF”) petitions to protest a procurement decision made by the Florida Housing Finance Corporation (“Florida Housing” or “FHFC”). Florida Housing issued Request for Applications 2022-102 (“RFA”) to solicit proposals for financing smaller developments for persons with special needs. Volunteers of America submitted an application in response to the RFA but was not selected for award. Volunteers of America now files this Formal Written Protest and Petition for Formal Administrative Proceedings in order to contest Florida Housing’s preliminary decision not to award financing to Volunteers of America and, to the extent sufficient funds are not available, the decision to award financing to other applicants other than Volunteers of America. Support for this Petition follows.

The Parties and the RFA

1. The agency affected by this protest is the Florida Housing Finance Corporation.

Florida Housing's address is 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329.

2. Florida Housing is a public corporation created by section 420.504, Florida Statutes to administer the governmental function of financing or refinancing affordable housing. Florida Housing's statutory authority and mandates are found in Part V, Chapter 420, Florida Statutes. *See* §§ 420.501- 420.55, Fla. Stat.

3. Florida Housing administers competitive solicitations to provide financing for new construction or rehabilitation of affordable housing through several programs, including the State Apartment Incentive Loan (SAIL) Program. *See* ch. 67-60, Fla. Admin. Code.

4. Florida Housing published Request for Applications No. 2022-102 (the "RFA") to solicit proposals for the development of smaller developments for persons with special needs using funding from the SAIL program.

5. Through the RFA, Florida Housing announced that it expected to offer an estimated \$9,325,000 of SAIL funding.

6. VOAF is a Florida Not For Profit Corporation in the business of, among other activities, providing affordable housing. VOAF is located at 405 Central Avenue, Suite 100, St. Petersburg, FL 33701. For purposes of this proceeding, VOAF's address, telephone number and email address are those of its undersigned counsel.

7. VOAF submitted a proposal in response to the RFA, Application No. 2022-263S ("VOAF's Application"), as did two other applicants.

8. VOAF's Application was fully responsive to the requirements of the RFA except that VOAF was deemed ineligible due to its erroneous appearance on the past-due-report, an eligibility requirement that FHFC has waived in the past.

9. VOAF's Application was not selected for funding.
10. An application filed by Pinellas Affordable Living, Inc. ("Pinellas Affordable Living") was selected for funding.
11. There is sufficient SAIL financing available to fund both VOAF's proposal and Pinellas Affordable Living's proposal.
12. As set forth below, VOAF's Application should be funded because there are sufficient funds to do so, and, alternatively, if there are not sufficient funds, VOAF's application should have been determined as eligible and funded before Pinellas Affordable Living according to the Funding Selection Process.

Notice and Authority for Petition

13. On December 2, 2021, Florida Housing issued the RFA.
14. On December 22, 2021, Florida Housing modified the RFA.
15. Applications in response to the RFA were due March 24, 2022.
16. Florida Housing received three applications in response to the RFA: 1) Application No. 2022-262S submitted by Pinellas Affordable Living; 2) Application No. 2022-263S submitted by VOAF; and 3) Application No. 2022-264S submitted by H.O.M.E.S. Inc. Scholars Village, LLC ("H.O.M.E.S.'s Application").
17. VOAF timely filed Application No. 2022-263S.
18. VOAF received notice of Florida Housing's preliminary RFA scoring and ranking through electronic posting on April 29, 2022 at 9:00 a.m. A copy of the Notice posted on Florida Housing's web site is attached as **Exhibit A**.
19. VOAF's Application was deemed ineligible because VOAF erroneously appeared

on FHFC's past due report. However, even if VOAF's appearance on the past due report were not erroneous, the financial arrearages eligibility item is a waivable minor irregularity that FHFC has waived in the past.

20. H.O.M.E.S.'s Application was deemed ineligible because in its Development Cost Pro Forma, H.O.M.E.S. did not meet the Construction Financing Threshold and Permanent Financing Threshold for sources equaling or exceeding uses, which is not a waivable minor irregularity.

21. No applicant other than the approved applicant was deemed eligible.

22. On May 4, 2022, VOAF timely filed its Notice of Intent to Protest, attached as **Exhibit B**.

23. No other applicant in the RFA, other than VOAF, filed a notice of protest.

24. This Protest and Petition is timely filed on May 16, 2022, pursuant to Sections 120.569, 120.57(1) and 120.57(3), Florida Statutes, and Chapters 28-110, 28-106, 67-48, and 67-60 Florida Administrative Code.

RFA 2022-102 Goals

25. The RFA sought proposals to create new housing to provide Permanent Supportive Housing for Persons with Special Needs as defined in Section 420.0004(13), Florida Statutes.

VOAF's Application

26. VOAF submitted its application to meet the need for affordable housing in Brevard County for persons with disabilities. VOAF has worked with the Brevard Homeless Coalition and the Housing Authority of Brevard County for several years in the planning and development of this much-needed project. Housing is very limited in general in Brevard

County and rents have increased by 30% since 2020, making availability more scarce. There is a limited amount of affordable housing in Brevard County with only 29 units currently designated as supportive housing for persons with disabilities. VOAF's project has the full support of the City of Palm Bay, which has committed funds and is open to providing more funding moving forward.

**VOAF Submitted a Responsive Application And Should
Have Been Deemed an Eligible Applicant**

27. The RFA contained instructions regarding what must be provided in each responsive application. In order to be selected for funding, applications were required to meet Eligibility Requirements. See §5, A. 1.

28. One of the eligibility requirements is the Financial Arrearage Requirement and Insurance Deficiency Requirement. See §5, A.1. The RFA describes this requirement as follows:

Financial Arrearage Requirement and Insurance Deficiency Requirement
An Application will be deemed ineligible for funding if, as of close of business *two days** before the Committee meets to make a recommendation to the Board, either of the following occur: (1) there remains any financial obligations for which an Applicant or Developer or Principal, Affiliate or Financial Beneficiary of the Applicant or Developer is in arrears to the Corporation or any agent or assignee of the Corporation as reflected on the most recently published Past Due Report; or (2) an Applicant or Developer or Principal, Affiliate or Financial Beneficiary of the Applicant or Developer has an insurance deficiency for any Development awarded Corporation resources, which are in first lien position, issued during or after September 2016 that is governed by the Insurance Guide posted to the Corporation's Website under the link <https://www.floridahousing.org/data-docs-reports/insurance-guide> (also accessible by clicking here).

The Past Due Report contains the financial arrearages to the Corporation as well as the Insurance Deficiency Report. The most recently published Past Due Report is posted to the Corporation's Website under the link <https://www.floridahousing.org/data-docs-reports/past-duc-reports> (also accessible by clicking here), but not more recently than seven business days prior to the date the Committee meets to make a recommendation to the Board.

§5.A.1., p. 57 of 117.

29. Upon information and belief, VOAF's application was deemed ineligible because three VOAF developments appeared on the Past Due Report (attached as **Exhibit C**). VOAF, however, is not in arrears.

VOAF's Three Projects Appearing on the Past Due Report Are Not in Arrears

30. Florida Housing's determination of ineligibility is erroneous because the listed developments on the Past Due Report are no longer in arrears, as all outstanding obligations have been satisfied.

31. The three projects for which VOAF was deemed to be in arrears on the past due report were Lake City Cabins for Veterans, Pensacola Veterans Housing, and Ritz Reserve Phase II. *See* Ex. C. However, as provided in more detail below, the arrearages for Lake City Cabins and Pensacola Veterans were both cured on April 4, 2022. This arrearage would have been cured sooner but for changes in communication methods related to remote working during COVID-19. Similarly, regarding Ritz Reserve Phase II, the arrearage was caused by changes in communication methods and the loan servicer's failure to send invoices to VOAF's finance department, despite VOAF's written instruction to the loan servicer to include VOAF's finance department in all such communications. Additionally, the loan servicer's mislabeling of a SAIL loan invoice as an ELI loan invoice caused VOAF to believe that it was not in arrears for either its SAIL loan or its ELI loan for Ritz Reserve Phase II. These issues are explained in greater detail below.

32. All arrearages appearing on the past-due report have been cured.

Lake City Cabins and Pensacola Veteran Housing

33. Lake City Cabins and Pensacola Veteran Housing were deemed to be in arrears for a SAIL Loan tax and insurance payment of \$820.96. *See* **Ex. C**. Although this amount was

noted on the Past Due Report, it was timely paid on April 4, 2022, sixteen days before the review committee met, and should not affect the eligibility of VOAF in this RFA. This timely payment and explanation of the circumstances is confirmed by the emails attached as **Exhibit D**. *See* Ex. D (Relevant sections highlighted in yellow).

Ritz Reserve Phase II

34. Ritz Reserve Phase II was deemed to be in arrears for an “Annual Compliance Monitoring Fee in the amount of \$938.00” and an “Annual Loan Servicing Fee in the amount of \$2,719.82.” *See* Exhibit C. Unlike the other developments on the Past Due Report subject to an ELI loan, the Past Due Report does not note which loans (ELI or SAIL) are in arrears for Ritz Reserve Phase II. As discussed in more detail below, the arrearages were the result of the loan servicer’s failure to provide invoices at issue to the correct individuals at VOAF and to the loan servicer’s mislabeling of an invoice as “ELI” that should have been labeled “SAIL.” Additionally, in a February 2, 2022 email (attached as **Exhibit E**), VOAF instructed the loan servicer to include VOAF’s finance department in all emails related to new loans. The loan servicer was sending those emails only to four VOAF staff members outside of the finance department, who do not as a matter of course handle day-to-day accounting matters. The loan servicer acknowledged VOAF’s request. *See* Ex. E. The inclusion of the finance department in such emails was particularly important because some of the involved VOAF employees were working remotely due to COVID-19. Despite the instruction, the loan servicer did not include VOAF’s finance department in future emails related to these loans. *See* Ex. F (April 4, 2022 email confirming loan servicer continued to omit VOAF’s finance department from emails containing invoices). Because VOAF’s finance department was not included in future emails, and because the loan servicer sent an inaccurate invoice (mislabeling a SAIL loan as an ELI loan), VOAF understood that certain payments were made when they were not. Had it been copied on the emails, VOAF’s

finance department would have recognized and resolved the servicer's error.

35. VOAF has a history of making timely payments. VOAF is currently in the first year of payment after completion of construction on Ritz Reserve Phase II.

36. The loan servicer made errors from the beginning regarding which payments were for ELI loans and which were for SAIL. VOAF first received the invoices at issue on December 23, 2021, in an email providing, "Attached are the servicer fee invoices for the above referenced property," referring to Ritz Reserve Phase II. *See Ex. G* (transmission email), **Ex. G.1** (Invoice No. 504156) and **Ex. G.2** (Invoice No. 303435). These invoices both reflect they are associated with the ELI Loan. *See Exs. G.1 and G.2*, line items for "Client Program Type," which both reflect the notation "ELI Loan."

37. Five days later, on December 28, 2021, the loan servicer sent VOAF a second set of invoices in an email providing the same text as the December 23, 2021 email, "Attached are the servicer fee invoices for the above referenced property," also referring to Ritz Reserve Phase II. *See Ex. H* (transmission email), **Ex. H.1** (Invoice No. 504327) and **Ex. H.2** (Invoice No. 305516). Invoice No. 504327 reflects it is associated with the SAIL loan. *See Ex. H.1*, line item for "Client Program Type" which reflects the notation "sail." Invoice No. 305516 reflects it is associated with the ELI loan. *See Ex. H.2*, line item for "Client Program Type" which reflects the notation "ELI Loan." Both Invoices 504327 (identified as "SAIL") and Invoice No. 305516 (identified as "ELI Loan") were timely paid. *See Ex. H.3* (canceled checks for invoices 504327 and 305516). Because these invoices were satisfied, one labeled "SAIL" and the other labeled "ELI," VOAF understood it was not in arrears for either the SAIL loan or the ELI loan. *See Ex. H.3.*

38. On or about January 24, 2022, VOAF mailed checks to pay Invoice 504327 (Labeled as "SAIL")(Ex. H.1) and Invoice 305516 (labeled as "ELI Loan")(Ex. H.2). *See Ex.*

H.3. The check submitted for Invoice 504327 (Labeled as “SAIL”)(**Ex. H.1**) cleared on February 4, 2022, and the check submitted for and Invoice 305516 (labeled as “ELI Loan”)(**Ex. H.2**) cleared on February 10, 2022. *See Ex. H.3.*

39. On February 2, 2022, after VOF had mailed the checks to satisfy Invoice 504327 (Labeled as “SAIL”)(**Ex. H.1**) and Invoice 305516 (labeled as “ELI”)(**Ex. H.2**), but before those checks had cleared, the loan servicer in two separate emails (**Exs. E** and **E.1**) re-sent to VOF the December 27, 2021 invoices and the December 23 invoices at issue, but sent them to the incorrect persons at VOF. *See Ex. E.* In response to this email, VOF wrote back to the loan servicer, “For all invoices, please include our finance department and Suli Klingler.” **Ex. E.** VOF made this request because some of the relevant VOF employees were working remotely due to COVID-19. The loan servicer then wrote back to VOF confirming “I’ve added her to the list of people.” Despite this assurance, the loan servicer did not send future communications to Ms. Klingler or VOF’s finance department.

40. Additionally, in the loan servicer’s February 2, 2022 email re-sending Invoice 305516 (originally labeled “ELI Loan”), and unbeknownst to VOF at the time, the loan servicer removed the label “ELI Loan” from invoice 305516 and replaced it with the label “SAIL” without otherwise alerting VOF that a change to the invoice had been made, such as by labeling the invoice “revised” or by including some other equivalent language in the body of the transmittal email. *See Ex. E* (The corrected re-labeled Invoice is the last page of **Ex. E**).

41. On April 4, 2022, the loan servicer re-sent the December 23 invoices again to VOF but did not include Ms. Klingler or VOF’s finance department as requested. *See Ex. F.*

42. For the life of the loans through the committee meeting on April 20, 2022, VOF believed it was not in arrears for either the SAIL or the ELI loans, because both Invoices 504327 (identified as “SAIL”) and Invoice No. 305516 (identified as “ELI Loan”) were timely paid.

However, at the April 20, 2022 review committee meeting, VOAF discovered that the review committee had deemed it ineligible for appearing on the past due report. Although the past due report implies that both the ELI loan and SAIL loan were past due, after reviewing and analyzing the past due report findings, VOAF discovered that the two payments for the December 27, 2022 invoices, Invoice No. 504327 (identified as “SAIL”)(**Ex. H.1**) and Invoice No. 305516 (identified as “ELI Loan”)(**Ex. H.2**), were in fact only applicable to the SAIL loan, despite Invoice No. 305516 (**Ex. H.2**) being identified by the servicer as applying to the ELI loan. Upon further investigation on April 20, 2022, VOAF discovered that the loan servicer erroneously labeled Invoice No. 305516 (**Ex. H.2**) as “ELI” on the “Client Program Type” line item, when it should have been labeled “SAIL.” A comparison of the line items “ACS Loan #” reflects that both invoices (**Exs. H.1** and **H.2**) were identified as for loan # 1000104118, which is for the SAIL Loan. Although it was not possible on the face of the document to determine which of the “ACS Loan Number” or the “Client Program Type” line item was incorrect, after further investigation on April 20, 2022, VOAF concluded that the label “ELI” on Invoice No. 305516 (**Ex. H.2**) was incorrect, and the payment for that invoice applied only to the SAIL loan even though it was labeled as “ELI Loan.” It is now understood that the description “ELI Loan” on invoice #303516 (**Ex. H.2**) was a typo by the loan servicer.

43. The loan servicer’s labeling error resulted in VOAF’s having incorrect accounting information causing it to believe that neither the SAIL loan nor the ELI loan was in arrears. Furthermore, the loan servicer’s failure to send invoices to VOAF’s finance department and Ms. Klingler, as instructed and acknowledged, caused the persons at VOAF best situated to identify the errors not to become aware of the mislabeled invoices until after the past due report was generated.

44. Even the Past Due Report itself appears unclear as to which loans the arrearages

apply. For every other development on the past due report subject to an ELI loan, other than for Volunteers of America of Florida, Inc. (Ritz Reserve Phase II), the comments section identifies to which loan the arrearages apply with the notation “SAIL . . .” or “SAIL ELI . . .” See **Ex. C.**, line items for Cornerstone Group Development, L.L.C.; Creative Choice Homes; Orlando Leased Housing Associates I, Limited Partnership; Southport Financial Services, Inc; Sreit Leigh Meadows Apartments, L.L.C. However, in the comments section for Volunteers of American of Florida Inc., Ritz Reserve Phase II, there is no such notation (no “SAIL” nor “SAIL ELI”) identifying which loans are in arrears.

45. In short, the loan servicer mislabeled an invoice, which caused VOAF to believe that payments for both the SAIL loan and ELI loan were up-to-date. Additionally, throughout the process, the loan servicer failed to send invoices to VOAF’s finance department and Ms. Klingler, who would have discovered the mislabeled invoice sooner. Finally, the resulting confusion made its way into the Past Due Report itself, resulting in the Ritz Reserve Phase II development to be the only development on the report subject to an ELI loan for which it is not identified which loans (SAIL or ELI) are in arrears.

46. VOAF immediately cured by wire transfer its Ritz Reserve arrearage upon discovering the error during the April 20, 2022 meeting.

Conclusion Regarding Eligibility and Alleged Arrearages

47. Florida Housing’s eligibility determination for VOAF’s application is erroneous in that the listed developments on the Past Due Report are no longer in arrears, as all outstanding obligations have been satisfied. Additionally, to the extent that Florida Housing asserts that these applications were satisfied untimely, it was the actions or inactions of third parties that in fact caused any alleged untimely satisfaction

48. Even if Florida Housing considers the satisfaction untimely, any delay in payment

based on these facts should be deemed a minor irregularity because such alleged untimeliness was caused by the actions or inactions of a third party and not by VOAF.

49. In January of 2021, under similar alleged circumstances where non-applicant persons were alleged to have caused delay, Florida Housing waived the review committee's finding of ineligibility based on arrearages for five applicants. *See Sherwood Oaks Preservation, LP et al. v. Florida Housing Finance* (Final Order January 21, 2021). (Attached as **Ex. I**). In *Sherwood Oaks*, Florida Housing's review committee deemed five applicants ineligible because three developments associated with a principal of those five applicants were deemed in arrears according to the Past Due Report. In the consent order adopted in the Final Order, Florida Housing stipulated to the finding of fact that "[c]hanges to the parties respective internal procedures related to COVID-19 had an impact on the processing of Florida Housing arrearages." **Ex. I**, Consent Order at ¶19. Although Florida Housing did not adopt the petitioner's factual allegations from the petition in *Sherwood Oaks* in its Final Order, *Sherwood Oaks* alleged facts in its petition similar to VOAF's. Specifically, similar to VOAF's allegation that the loan servicer did not send invoices to the correct person at VOAF, the petitioner in *Sherwood Oaks* also alleged delay caused by a non-applicant person's sending a late notice to an incorrect person. *See Sherwood Oaks Petition* (attached as **Exhibit J**). Just as Florida Housing waived the ineligibility determination for the applicants in *Sherwood Oaks* because of changes to the parties' respective internal procedures related to COVID-19 and because of an alleged delay caused by a non-applicant party, Florida Housing should waive the ineligibility determination for VOAF because any alleged delay was caused by a non-applicant party during a period of COVID-19 remote working.

Funding Selection Process

50. The RFA provided the following funding selection process:

- a. Youth Aging Out of Foster Care Goal
 - (1) The first Application selected for funding will be the highest-ranking eligible Tier 1 Application that qualifies for the Youth Aging Out of Foster Care Goal.
 - (2) If there are no eligible Applications that meet the criteria in (1) above, then the first Application selected for funding will be the highest-ranking Tier 2 Application that qualifies for the Youth Aging Out of Foster Care Goal.
- b. The second Application selected for funding will be the highest ranking eligible Small or Medium County Tier 1 Application, subject to the County Award Tally and Funding Test. If there are no eligible Small or Medium County Tier 1 Applications, the second Application selected for funding will be the highest ranking eligible Small or Medium County Tier 2 Application, subject to the County Award Tally and Funding Test.
- c. The third Application selected for funding will be the highest ranking eligible Large County Tier 1 Application, subject to the County Award Tally and Funding Test. If there are no eligible Large County Tier 1 Applications, the third Application selected for funding will be the highest ranking eligible Large County Tier 2 Application, subject to the County Award Tally and Funding Test.
- d. The next Application(s) selected for funding will be the highest ranking unfunded Tier 1 Application(s) that (i) can meet the Funding Test and (ii) has a County Award Tally that is less than or equal to any other eligible unfunded Tier 1 Applications that also meet the Funding Test. If funding remains and none of the eligible unfunded Tier 1 Applications can meet the Funding Test, the highest ranking eligible Tier 2 Applications(s) that (i) can meet the Funding Test and (ii) has a County Award Tally that is less than or equal to any other eligible unfunded Tier 2 Applications that also meet the Funding Test will be selected for funding. If funding remains and none of the eligible unfunded Applications can meet the Funding Test, no further Applications will be considered for funding. Any remaining funding will be distributed as approved by the Board.

See RFA §5, B.6.

Review Committee Scoring and Selections

- 51. Appointed committee members from Florida Housing independently evaluated

and scored their assigned portions of the submitted applications based on mandatory and scored items. The Selection Process was carried out by the members of the Review Committee at a public meeting held April 20, 2022.

52. Pinellas Affordable Living's application was approved under criterion c. of the funding selection process as a "Large County Application, with a preference for Tier 1 Application." See Board decision (Ex. A).

Recalibration and Substantial Effect

53. Pursuant to the RFA's sorting order and funding selection process, if VOAF's Application were deemed eligible, then VOAF would be awarded funding pursuant to criteria b. of the funding selection process ("The second Application selected for funding will be the highest ranking eligible Small or Medium County Tier 1 Application"). Because VOAF's application would qualify under criteria b. and Pinellas Affordable Living's application qualified only under category c., VOAF's application would be funded before Pinellas Affordable Living's, causing only VOAF's application to be funded in the event there were insufficient funding to fund both projects. However, upon information and belief, there is sufficient funding to fund both projects, and, but for VOAF's erroneous appearance on the past-due report, VOAF would have been deemed eligible and its application and should have been funded along with Pinellas Affordable Living's.

54. Thus, VOAF's substantial interests are affected by the evaluation and scoring of the responses to the RFA. The results of the evaluation and scoring have affected VOAF's ability to obtain funding through the RFA. Consequently, VOAF has standing to participate in this proceeding.

Disputed Issues of Material Fact and Law

55. Disputed issues of material fact and law entitle VOAF to formal administrative proceedings pursuant to section 120.57(1), Florida Statutes. Disputed facts include, but are not limited to:

a. Whether Florida Housing's actions in determining that VOAF was ineligible was arbitrary and capricious;

b. Whether Florida Housing's actions in determining that VOAF was ineligible was contrary to competition;

c. Whether Florida Housing's actions in determining that VOAF was ineligible was clearly erroneous;

d. Whether Florida Housing's actions in determining that Pinellas Affordable Living was eligible was arbitrary and capricious;

e. Whether Florida Housing's actions in determining that Pinellas Affordable Living was eligible was contrary to competition;

f. Whether Florida Housing's actions in determining that Pinellas Affordable Living was eligible was clearly erroneous;

g. Such other disputed issues as are raised in this proceeding or identified during discovery.

Statutes and Rules Entitling Relief

56. VOAF is entitled to relief pursuant to sections 120.569, 120.57(1), and 120.57(3), Florida Statutes, and Florida Administrative Code Chapters 28-106, 28-110 and 67-60.

Ultimate Statement of Facts and Law

57. VOAF's application was eligible for funding because VOAF's alleged arrearages were timely cured or are waivable minor irregularities.

58. A correct application of the RFA's specifications, as provided above, would have resulted in funding of VOAF's Application.

59. VOAF reserves the right to amend this Petition if additional disputed issues of material fact arise during discovery.

Request for Relief

VOAF requests the following relief:

- a. That the Application funding process be halted until this protest is resolved by final agency action;
- b. That Florida Housing provide an opportunity to resolve this Protest by mutual agreement within seven days of the filing of this Petition, as provided in section 120.57(3)(d)J., Florida Statutes;
- c. If this protest cannot be resolved by agreement, that the matter be referred to the Division of Administrative Hearings for formal administrative proceedings involving disputed issues of material fact pursuant to section 120.57(1) and (3), Florida Statutes;
- d. That the assigned administrative law judge determine as a matter of fact and law that the application of VOAF was eligible for funding, and that VOAF's Application should be funded;
- e. That Florida Housing adopt the administrative law judge's recommendation to fund VOAF's Application by final order; and

f. Such other relief as is just and equitable.

This is the trail of e-mails, and this last one was never sent as Travis had spoken to JoAnn, and we were waiting for her letter.

Good afternoon JoAnn: Thank you for your prompt reply. I understand that we did not pay the escrow payments for February until April 6. I have also attached a copy of our Accounts payable vendor listing for Pensacola and Lake city payments since January 2021. As shown, we have never been late, and the communication between Mary and Loretta confused Loretta not to make the February payments.

Mercy,

The first two invoices attached here were emailed to VOA on January 25th and were due on February 28th. They were not paid until April 4th, 10 days after the past due report was completed.

The invoices that were pending the escrow analysis and were discussed in Mary's February 23rd email below were in regard to the payments due March 31. Attached here are additional copies of the Reserve invoices that were attached to that email showing they were for the March 31 payments. They were paid timely. We sent the March escrow invoices on the 11th of March and our system shows they were paid on the 8th of this month. Copies of those invoices are also attached here for your reference.

Both escrow accounts are now current but unfortunately, they were past due for the February escrow payments at the time the PDR was done. The Reserve accounts were current and were not

reported as delinquent on the PDR.

Let me know if there is anything else I can assist with.

Thank you

Joann

If I may add,

They were on the PDR for both properties because they did not pay their 2/28 escrows until 4/4. The 2/28 escrow invoices were sent to them 1/25. It was only March that was slightly delayed.

Please see below and attached and advise Mercy. VOA needs a letter from First Housing because they were denied a grant because they were on the past due. Stephanie emailed the new escrow analysis on 3/11 & 3/14, I have attached the emails she sent.

Thanks,

Mary

Mary, thank you for taking my call. We request that First Housing take us off the Florida Housing Finance Corp's past due report as of 3/25/2022. Per correspondence between Mary Crawford and Loretta Bray (see e-mail on 2/23/22 at 2:03 pm below), we should have never been on the list. Your agency did an escrow analysis on both properties, and the bills were delayed. These amounts were paid on April 6, 2022.

This adverse information is preventing us from a grant award.

We appreciate your help. Please call me if you have any additional information.

2. Sherwood submitted Application No. 2021-046C (the “Sherwood Application”) in response to the RFA. Sherwood requested an allocation of \$1,125,000 in competitive housing

credits for its proposed one hundred twenty-four (124) unit affordable housing development in Alachua County, Florida.

3. Century Woods submitted Application No. 2021-048C (the “Century Woods Application”) in response to the RFA. Century Woods requested an allocation of \$418,000 in competitive housing credits for its proposed thirty-six (36) unit affordable housing development in Escambia County, Florida.

4. College submitted Application No. 2021-049C (the “College Application”) in response to the RFA. College requested an allocation of \$1,425,000 in competitive housing credits for its proposed one hundred and eight (108) unit affordable housing development in Putnam County, Florida.

5. Crystalwood submitted Application No. 2021-050C (the “Crystalwood Application”) in response to the RFA. Crystalwood requested an allocation of \$853,000 in competitive housing credits for its proposed sixty-four (64) unit affordable housing development in Polk County, Florida.

6. Briarwood submitted Application No. 2021-053C (the “Briarwood Application”) in response to the RFA. Briarwood requested an allocation of \$738,350 in competitive housing credits for its proposed sixty-three (63) unit affordable housing development in Leon County, Florida.

7. Florida Housing received eighteen (18) applications in response to the RFA.

8. The designated Review Committee recommended that Florida Housing’s Board of Directors (the “Board”) find seven applications including Sherwood, Century Woods, College, Crystalwood, and Briarwood ineligible for funding.

9. The Review Committee recommended that the Board select six applications for funding.

10. At the December 13, 2019 Board meeting, the Board approved the preliminarily funding recommendations from the Review Committee.

11. Sherwood, Century Woods, College, Crystalwood, and Briarwood timely filed Notices of Intent to Protest followed by a consolidated Formal Written Protest and Petition for Administrative Hearing (the “Petition”) challenging the ineligibility determination of their applications.

12. Florida Housing issued a Notice to All Bidders on the RFA, including those bidders who had been preliminarily selected for funding. The Notice informed all bidders that their substantial interests might be affected by the disposition of Petitioners’ Petition and advised the bidders of their opportunity to intervene.

13. No party sought to intervene in this matter.

STIPULATED FINDINGS OF FACT

14. Florida Housing is a public corporation that is organized to provide and promote the public welfare by administering the governmental function of financing and refinancing housing and related facilities in the State of Florida.

15. Chapter 67-60, Florida Administrative Code, establishes the procedures by which Florida Housing administers the competitive solicitation funding process for the RRLP funding appropriated by the 2019 Florida Legislature.

16. The RFA was issued pursuant to and in accordance with Rule 67-60.003, Florida Administrative Code, and is adopted and incorporated herein by reference.

17. As an eligibility requirement in the RFA, applications must meet the financial arrearage requirement which is stated on page 63 of the RFA as follows:

An Application will be deemed ineligible for funding if, as of close of business the day before the Committee meets to make a recommendation to the Board, there remains any financial obligations for which an Applicant or Developer or Principal, Affiliate or Financial Beneficiary of the Applicant or Developer is in arrears to the Corporation or any agent or assignee of the Corporation as reflected on the most recently published Past Due Report posted to the Corporation's Website under the link Property Owners & Managers/Past Due Reports (also accessible by clicking here), but not more recently than five business days prior to the date the Committee meets to make a recommendation to the Board.

18. Based on the notes from the Review Committee meeting, Sherwood Oaks, Century Woods, College, Crystalwood, and Briarwood were deemed ineligible as there were outstanding arrearages on the October 28, 2020 Past Due Report.

19. Changes to the parties' respective internal procedures related to COVID-19 had an impact on the processing of Florida Housing arrearages.

20. In reviewing the Application, the Petition, the requirements of the RFA, and these stipulated facts, Florida Housing determined that Century Wood should be an eligible application.

STIPULATED CONCLUSIONS OF LAW

21. In light of the foregoing stipulated facts and in order to avoid the time, expense, and uncertainty of litigation, the parties agree that Century Wood is eligible for funding in RFA 2020-204.

22. The undersigned attorneys represent that they have the authority to execute this Consent Agreement on behalf of their respective clients.

23. Pursuant to Sections 120.569 and 120.57(3), Florida Statutes, and Chapter 67-60, Florida Administrative Code, the Florida Housing Board has jurisdiction over the parties to this proceeding.

24. Upon issuance of a Final Order adopting the terms of this Consent Agreement, Sherwood Oaks, College, Crystalwood, and Briarwood agree to timely dismiss its Petition with prejudice.

25. The Century Wood Application is eligible and is selected for funding.

26. The parties waive all rights to appeal this Consent Agreement and the Final Order to be issued in this case. Each party shall bear its own costs and attorney's fees.

27. This Consent Agreement is subject to approval of Florida Housing's Board. If the Board does not approve this Consent Agreement, no Final Order will be issued, and this Consent Agreement shall be null and void as if it were never executed.

STIPULATED DISPOSITION

28. Century Wood is eligible and is selected for funding.

29. The Board's decision on December 4, 2020, with respect to the other applications, remains unaffected.

Respectfully signed this 13th day of January, 2021.

**FORMAL WRITTEN PROTEST AND
PETITION FOR ADMINISTRATIVE HEARING**

Petitioners, Sherwood Oaks Preservation, LP (“Sherwood”), Century Woods Preservation, LP (“Century”), College Preservation, LP (“College”), Crystalwood Preservation, LP (“Crystalwood”), Briarwood Preservation, LP (“Briarwood”), (collectively “Petitioners”), pursuant to sections 120.57(3), Florida Statutes (“F.S.”), and Rules 28-110 and 67-60, Florida Administrative Code (“FAC”) hereby file this Formal Written Protest and Petition for Administrative Hearing regarding the review, ranking, scoring and eligibility decisions of Respondent, FLORIDA HOUSING FINANCE CORPORATION (“Florida Housing”) in awarding funding pursuant to Request for Application 2020-204 Housing Credit Financing for the Preservation of Existing Affordable Multifamily Housing Developments (the “RFA”). In support of their challenge Petitioners provide as follows:

1. Petitioners are all Florida limited partnerships in the business of providing affordable housing. Petitioners, for purposes of this proceeding are all located at 1022 West 23d Street, Suite 300, Panama City, Florida 32405.

2. Petitioner, Sherwood submitted an Application in response to the RFA requesting \$1,125,000 in tax credits to preserve a 124 unit complex in Alachua County, Florida.

3. Petitioner, Century submitted an Application in response to the RFA requesting \$418,000 in tax credits to preserve a 36 unit complex in Escambia County, Florida.

4. Petitioner, College submitted an Application in response to the RFA requesting \$1,425,000 in tax credits to preserve a 108 unit complex in Putnam County, Florida.

5. Petitioner, Crystalwood submitted an Application in response to the RFA requesting \$853,000 in tax credits to preserve a 64 unit complex in Polk County, Florida.

6. Petitioner, Briarwood submitted an Application in response to the RFA requesting \$783,350 in tax credits to preserve a 63 unit complex in Leon County, Florida.

7. Florida Housing is the allocating agency for the State of Florida that was granted the authority to issue the RFA for the purpose of incentivizing construction, redevelopment, rehabilitation or preservation of much needed affordable housing. Florida Housing's address is 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301.

8. On September 3, 2020, Florida Housing issued the RFA which offered funding as follows:

SECTION ONE INTRODUCTION

Under this RFA, Florida Housing Finance Corporation (the Corporation) expects to offer an estimated \$8,275,500 of Housing Credits to qualified Applicants that commit to preserve existing affordable multifamily housing developments for the demographic categories of Families, the Elderly, and Persons with a Disability in accordance with the terms and conditions of this RFA inclusive of the Exhibits, applicable laws, rules and regulations.

and the Corporation's generally applicable construction and financial standards.

9. Through the issuance of the RFA, Florida Housing sought to solicit proposals from qualified applicants that would agree to preserve existing affordable housing consistent with the terms and conditions of the RFA, applicable laws, rules, and regulations.

10. On October 22, 2020, Petitioners submitted Applications in response to the RFA. Florida Housing received 18 Applications in response to the RFA.

11. On November 17, 2020, the designated Review Committee met and considered the Applications submitted in response to the RFA. The Review Committee was made up of Florida Housing staff. At the meeting the Review Committee members read into the record individual scores for each Application and determined if each Application satisfied all threshold requirements.

12. The Review Committee also made eligibility determinations concerning each submitted Application. Based on the threshold and eligibility determinations and scores, the Review Committee, following the selection criteria of the RFA, recommended allocating funding to selected Applicants. The Review Committee recommended that Petitioners' Applications be deemed ineligible. It is believed that had Petitioners' Applications been deemed eligible at least one Application, Petitioner Sherwood, would be in the funding range. It is further believed that the inclusion of all 5 of Petitioners' Applications as eligible could affect other aspects of the scoring and review process including the leveraging calculation.

13. On December 4, 2020, Florida Housing's Board of Directors considered and accepted the Review Committee's ranking, scoring and eligibility determination.

14. As the owner or developer of proposed preservation projects seeking funding through the RFA, Petitioners are substantially affected by Florida Housing's review, scoring,

ranking and eligibility determination of the responses to the RFA. The results of this proceeding affects Petitioners' ability to obtain the requested funding through the RFA and could affect the ranking of other applications. Consistent with the primary mission and goal of the RFA, Petitioners seeks to preserve much needed affordable housing. Without the funds provided by the RFA, Petitioners will be unable to preserve and provide this much needed housing. Accordingly, Petitioners' substantial interests are affected by the decisions made by Florida Housing.

15. As unsuccessful Applicants, Petitioners on December 9, 2020, timely filed their respective Notices of Intent to Protest. This combined Written Protest is being timely filed to challenge the eligibility determinations made by Florida Housing as it relates to Petitioners.

16. As disclosed in the notes of the Review Committee and as discussed orally during the Review Committee meeting, Petitioners were all deemed ineligible based solely on an alleged failure to comply with the Financial Arrearage Requirements of the RFA.

17. Specifically at Section Five, the RFA provides as follows:

An Application will be deemed ineligible for funding if, as of close of business the day before the Committee meets to make a recommendation to the Board, there remains any financial obligations for which an Applicant or Developer or Principal, Affiliate or Financial Beneficiary of the Applicant or Developer is in arrears to the Corporation or any agent or assignee of the Corporation as reflected on the most recently published Past Due Report posted to the Corporation's Website under the link Property Owners & Managers/Past Due Reports (also accessible by clicking here), but not more recently than five business days prior to the date the Committee meets to make a recommendation to the Board.

(Emphasis added)

18. At the November 17, 2020, Review Committee Meeting, Mr. Kenny Derrickson, Assistant Comptroller for Florida Housing, announced that pursuant to this RFA language Petitioners as of the date of the Review Committee Meeting had outstanding financial obligations

presumably attributable to a Principal, Affiliate, or Financial Beneficiary of the Petitioners. (See Attachment A at page 4 of 6)

19. The most recently published Florida Housing Finance Corporation Past Due Report posted to the website dated October 28, 2020 ("Past Due Report"), indicated that payments remained outstanding for several Developments associated with Royal American Development, Inc. and Joseph F. Chapman IV. Mr. Chapman is an identified Principal of each Petitioner in the instant case. Mr. Chapman is also the identified Authorized Principal Representative in each of the Developments listed on the Past Due Report. It is presumed this is the basis for the ineligibility determination as to all Petitioners. (See Attachment A at page 1, 6 of 6)

20. As specifically reflected in the Past Due Report, the financial arrears conclusion is based on the failure to pay, prior to the scheduled Review Committee Meeting held on November 17, 2020, the annual HOME payments for the following 3 identified projects:

1. Cottondale Village
2. Graceland Manor
3. Pana Villa

(See Attachment A at page 6 of 6)

21. Florida Housing's eligibility determination is erroneous in that the listed Developments on the Past Due Report are no longer in arrears as all outstanding obligations have been satisfied. Additionally, to the extent Florida Housing asserts that these obligations were satisfied untimely, it was Florida Housing's own actions or inactions that in fact resulted in any alleged untimely satisfaction.

22. Based on knowledge and belief the required payments for these Developments listed on the Past Due Report have in the past been made timely. Indeed Applications submitted where Royal American Development, Inc. was the Applicant or Developer or Mr. Chapman was an identified Principal have been deemed eligible and indeed funded. However, this year in

conjunction with the current RFA, it is alleged that payments were not made or not timely made before the scheduled Review Committee Meeting. All payments however have been made and to the extent any payments were allegedly untimely, Florida Housing's failure to properly send notice to a valid email address or to the proper contact person is the reason for this failure.

23. In prior years Florida Housing practice has been to forward invoices by mail when required payments are due and in cases where payments are not timely made "Late Notices" to the entities obligated to make the required payments as was the case here. As indicated on the Past Due Report, the identified Developer/Contact was Royal America Development, Inc. and/or Joseph F. Chapman IV. (See Late Notices at Attachment B)

24. A review of the communications between Florida Housing and Petitioners in existence and discovered to date concerning payments indicates that on October 27, 2020, Florida Housing forwarded via email Late Notices for 5 listed Developments. (See Attachment A page 6 of 6). Attachment D page 1-5)

25. Based on emails, the timeline for communications concerning the Late Notices is as follows:

- On October 27, 2020, Mr. Chapman received Late Notices for Little Oaks and apparently Oakdale via email.
- On October 29, 2020, a representative of Royal America informs Florida Housing that the contact person information included in the Late Notices should be changed and provided email addresses accordingly.
- On November 5, 2020, Florida Housing published the Past Due Report which listed all 5 Developments.
- On November 5, 2020, payments for Little Oaks and Oakdale were received by Florida Housing.
- On November 9, 2020, a representative of Royal American communicates with Florida Housing regarding the published Past Due Report and specifically explains that no invoices had been received for 3 of the listed Developments.
- On November 10, 2020, Florida Housing acknowledges payment for Little Oaks and Oakdale and emails the Late Notices for Cottondale; Graceland, and Pana Villa to Amy Seal at Royal American. In that email, Florida Housing indicates that these same Late Notices had already been sent to Royal American at Kerri.Aub@royal-america.com.

(See Attachment D)

26. Based on the Late Notices, communications and actual payments, 4 out of the 5 Late Notices identify Kimberly Murphy as the person the Late Notices were directed to. The Late Notice for Little Oaks was correctly forwarded Attn: Joseph P. Chapman, IV which is consistent with the identified contact person on the Past Due Report. The Little Oaks Late Notice was immediately responded to and payment made on October 29, 2020. The Late Notice was emailed to Mr. Chapman directly. (See Attachment B at page 1, 4, 6, 8, 10)

27. As reflected in the attached email however Kimberly Murphy retired from Royal American in 2017. In fact Mrs. Murphy notified numerous individuals including employees of Florida Housing that as of July 31, 2017, she was retired and no longer worked at Royal American. Nonetheless 4 out of 5 Florida Housing invoices and Late Notices still reflect Mrs. Murphy as the contact person more than 3 years after her retirement. (See Attachment C)

28. In addition to still identifying a contact person other than Mr. Chapman, Florida Housing used an incorrect email address when it prior to November 10, 2020, forwarded Late Notices to what it apparently presumed was Royal American Development, Inc.

29. As confirmed by Ms. Misty Smith, Senior Program Accountant, in an email, the Late Notices for Cottondale, Graceland and Pana Villa had been forwarded to Kerri.toth@royal-american.com. That email address however is not an active or live email address. Accordingly those particular Late Notices were not received by Mr. Chapman on October 27, 2020, as was the case with the Little Oaks Late Notice. As indicated previously The Little Oak Oaks Late Notice was timely responded to and satisfied prior to the Review Committee Meeting. It appears as though the Oakdale Late Notice was also forwarded to Mr. Chapman timely and not sent to the

inactive email address. The Oakdale Late Notice was also responded to and satisfied prior to the Review Committee Meeting. (See Attachment D at page 1, 4 of 5)

30. Had Florida Housing forwarded the Late Notices for Cottondale, Graceland, and Pana Villa to a valid email address or to Mr. Chapman like it did for Little Oaks and apparently Oakdale, then all respective payments would have been made timely as was the case with Little Oaks and Oakdale. Moreover on November 10, 2020, Petitioners made clear that they would pay the invoices as required, the same as had been done for Little Oaks and Oakdale. In fact all required payments were made prior to the November 17, 2020, Review Committee Meeting. (See Attachment C of 7, 9 and 11 of 11, D at page 1 of 5)

31. To find Petitioners Applications ineligible for failing to timely resolve arrearage obligations when Florida Housing's own actions caused any delay is arbitrary and capricious. At best any delay here based on the facts should be deemed a minor irregularity.

32. Petitioners reserve the right to amend this Petition as necessary.

33. Material Issues in Dispute

- a. Whether Florida Housing's review and actions taken concerning the Petitioners' Applications in response to the RFA was arbitrary or capricious, clearly erroneous or contrary to competition.
- b. Whether Petitioners' Applications have been appropriately reviewed, ranked, and scored.

WHEREFORE, Petitioners requests that a settlement meeting be scheduled and to the extent no settlement is reached a hearing scheduled and ultimately the entry of a Recommended and Final Order determining that Florida Housing's review and scoring of the Applications was contrary to the RFA specifications and to Florida Housing's governing statutes, rules and policies to such an extent as to be arbitrary, capricious, contrary to competition, and clearly erroneous and finding Petitioners' Applications eligible for funding.

Respectfully submitted,

Hi Mary

If you could change it to Attn: Accounting, that would be great.
