FLORIDA HOUSING FINANCE CORPORATION**

In Re: AMC HTG 2, LTD.

FHFC Case No.: 2023-040VW

**ORDER GRANTING WAIVER OF RULE 67-48.0072(21)(b),
FLORIDA ADMINISTRATIVE CODE (2020)**

THIS CAUSE came for consideration and final action before the Board of Directors of the Florida Housing Finance Corporation (the “Board”) on June 9, 2023. On May 16, 2023, Florida Housing Finance Corporation (“Florida Housing”) received a Petition for Waiver of Rule 67-48.0072(21)(b), F.A.C. (6/23/20) (the “Petition”) from AMC HTG 2, Ltd. (“Petitioner”), to allow Petitioner to extend the firm loan commitment issuance deadline. Notice of the Petition was published on May 17, 2023, in Volume 49, Number 96, of the Florida Administrative Register. Florida Housing received no comments regarding the Petition. After careful review of the record and being otherwise fully advised on the premises, the Board hereby finds:

1. The Board has jurisdiction over the subject matter of this case and the parties hereto.
2. Petitioner successfully applied for State Apartment Incentive Loan (“SAIL”) and 4% housing credits in Request for Applications 2021-208

FILED WITH THE CLERK OF THE FLORIDA
HOUSING FINANCE CORPORATION

Tom R. Lamoreaux / DATE: 4/12/2023

SAIL And Housing Credit Financing for The Construction of Workforce Housing (the “RFA”), to assist in the construction of a 120-unit workforce housing development named Courtside Apartments, Phase II, in Miami-Dade County, Florida (the “Development”).

3. Rule 67-48.0072(21)(b), Florida Administrative Code (2020), in relevant part, provides:

(21) Information required by the Credit Underwriter shall be provided as follows:

...

(b) For SAIL, EHCL, and HOME, unless stated otherwise in a competitive solicitation, the firm loan commitment must be issued within twelve (12) months of the Applicant’s acceptance to enter credit underwriting. Unless an extension is approved by the Corporation in writing, failure to achieve issuance of a firm loan commitment by the specified deadline shall result in withdrawal of the preliminary commitment. Applicants may request one (1) extension of up to six (6) months to secure a firm loan commitment. All extension requests must be submitted in writing to the program administrator and contain the specific reasons for requesting the extension and shall detail the time frame to achieve a firm loan commitment. In determining whether to grant an extension, the Corporation shall consider the facts and circumstances of the Applicant’s request, inclusive of the responsiveness of the Development team and its ability to deliver the Development timely. The Corporation shall charge a non-refundable extension fee of one (1) percent of each loan amount if the request to extend the credit underwriting and firm loan commitment process beyond the initial twelve (12) month deadline is approved. If an approved extension is utilized, Applicants must pay the extension fee not later than seven (7) Calendar Days after the original twelve (12) month deadline. If, by the end of the extension period, the Applicant has not received

a firm loan commitment, then the preliminary commitment shall be withdrawn.

4. Petitioner requests a waiver of Rule 67-48.0072(21)(b) to allow Petitioner to extend the firm loan commitment issuance deadline from July 15, 2023, to January 15, 2024.

5. Petitioner accepted an invitation to enter credit underwriting on July 12, 2021. Although Rule 67-48.0072(21)(b) provides that the firm loan commitment must be issued within twelve months of acceptance to enter credit underwriting, it also provides that Petitioner may request one extension of up to six months. On June 17, 2022, the Board approved Petitioner's request to extend the deadline from July 15, 2022, to January 15, 2023, and Petitioner paid the required extension fee. On December 9, 2022, Petitioner's petition for an additional extension of the deadline for firm loan commitment issuance was granted to extend the deadline from January 15, 2023, to July 15, 2023.

6. Petitioner is requesting an additional extension of the firm loan commitment deadline from July 15, 2023, to January 15, 2024, to allow sufficient time to finalize underwriting. Petitioner is requesting a six-month extension in an abundance of caution.

7. Petitioner states that its need for the requested extension was created by circumstances beyond Petitioner's control including:

a. Per Petitioner, increases in construction costs, interest rates, insurance costs, and prevailing wages caused a significant delay. Also, the Development's financing gap has risen substantially. To address the financing gap, Petitioner has applied for additional funds from the City of Miami Housing and Community Development department and plans to apply for additional funding from Florida Housing when such funds are made available. Once these funds are obtained, Petitioner will be able to get the final underwriting approvals and close in early 2024.

b. The Development is located on a Miami-Dade County owned site with existing structures and is adjacent to a City of Miami owned site with shared parking and access. This has required Petitioner to solve an array of issues between the County and City. These legal issues have affected the Petitioner's ability to attain timely site plan approval from the City of Miami.

8. Due to these reasons, Petitioner does not anticipate the ability to meet the current firm loan commitment deadline of July 15, 2023. Petitioner anticipates that the Credit Underwriting Report will be finalized in November 2023.

9. Petitioner states that the requested waiver will not adversely affect Petitioner, the Development, any other party that applied in the RFA, or Florida Housing. A denial of the Petition, however, would: (a) result in substantial economic hardship to Petitioner, as it has incurred significant costs to date in an effort to ensure that the Development proceeds to completion; (b) deprive Miami-Dade County of essential affordable rental units set aside for Workforce individuals, who desperately need the housing, as well as other amenities and services which the Development will offer; and (c) violate principles of fairness.

10. Section 120.542(2), Florida Statutes, provides in pertinent part:

Variations and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness.

11. The Board finds that granting the requested waiver will not impact other participants in funding programs administered by Florida Housing, nor will it detrimentally impact Florida Housing.

12. The Board also finds that Petitioner has demonstrated that the waiver is needed because of circumstances beyond its control and that it would suffer a substantial hardship if the waiver is not granted.

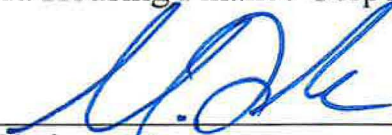

13. The Board further finds that Petitioner has also demonstrated that the purpose of the underlying statute, which is to “encourage development of low-income housing in the state,” would still be achieved if the waiver is granted. §420.5099, Fla. Stat.

IT IS THEREFORE ORDERED that Petitioner’s request for a waiver of Rule 67-48.0072(21)(b), Florida Administrative Code (2020), is hereby **GRANTED** to allow Petitioner to extend its firm loan commitment issuance deadline from July 15, 2023, to January 15, 2024.

DONE and ORDERED this 9th day of June 2023.
