In Re: Oasis at Renaissance Preserve I, LP

FHFC CASE NO.: 2021-022VW

ORDER GRANTING WAIVER OF RULE 67-48.002(96)

THIS CAUSE came on for consideration and final action before the Board of Directors of the Florida Housing Finance Corporation on April 30, 2021, pursuant to a “Petition for Waiver” (“Petition”). Florida Housing Finance Corporation (“Florida Housing”) received the Petition on March 16, 2021, from Oasis at Renaissance Preserve I, LP (“Petitioner”). Notice of the Petition was published on March 17, 2021, in Volume 47, Number 52, of the Florida Administrative Register. Florida Housing has received no comments concerning the Petition. After careful review of the record and being otherwise fully advised in the premises, the Board of Directors (the “Board”) of Florida Housing hereby finds:

1. The Board has jurisdiction over the subject matter of this case and the parties hereto.
2. Petitioner has applied for an award of competitive Housing Credits under Request for Applications 2018-110 (the “RFA”) to assist in the construction of a 124-unit elderly assisted living facility in Lee County.

3. Rule 67-48.002(96), Fla. Admin. Code (2018), defines and incorporates by reference the following provision of the 2018 QAP at Section II.2:

K. ...where a Development has not been placed in service by the date required pursuant to Section 42 of the IRC, or it is apparent that a Development will not be placed in service by the date required pursuant to Section 42 of the IRC, and such failure is due to circumstances beyond the Applicant's control, and the Applicant has returned its Housing Credit Allocation in the last calendar quarter of the year in which it was otherwise required to be placed in service pursuant to Section 42 of the IRC, the Corporation may reserve allocation in an amount not to exceed the amount of Housing Credits returned, and may issue a Carryover Allocation Agreement allocating such Housing Credits to the Application for either the current year or the year after the year in which the Development was otherwise required to be placed in service...

4. Petitioner received an award of 2019 tax credits and the carryover agreement was fully executed on December 20, 2019. Under the terms of the agreement and federal regulations, Petitioner was required to place the development in service by December 31, 2021. Florida Housing granted an extension of the 10% Test deadline to June 20, 2021 and an extension of the placed-in-service date to December 31, 2022 via Revenue Procedure 2014-49, due to COVID-related impacts on the Development.

5. Petitioner requests a waiver of the above Rule and the QAP provision above to permit it to exchange its tax credits now rather than in the last calendar quarter of 2021. Petitioner asserts that because of unforeseen delays in obtaining required approvals and commitments from the Agency for Healthcare

Administration, its managed care operator, and the Department of Housing and Urban Development, which were at least partly a result of COVID-related impacts, it will not be able to place the development in service by December 31, 2022. Petitioner therefore requests a waiver of the timing requirements found in the 2018 QAP to permit Florida Housing to approve a tax credit exchange now and to allow the allocation of 2021 tax credits pursuant to that exchange. Petitioner notes that it expects the Development to be placed in service in the second quarter of 2023.

6. The Board finds that granting the waiver will not have any impact on other participants in funding programs administered by Florida Housing, nor would it have a detrimental impact on Florida Housing or the Development.

7. Section 120.542(2), Florida Statutes provides in pertinent part:

Variations and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness.

8. Petitioner has demonstrated that the waiver is needed in order to efficiently serve elderly persons. Petitioner has also demonstrated that the purpose of the underlying statute, which is to “encourage development of low-income housing in the state” (§420.5099, Fla. Stat.), would still be achieved if the waiver is granted.

9. The Board finds that strict application of the above Rule under these circumstances would cause substantial hardship to Petitioner, and that granting this request furthers Florida Housing's statutory mandate to provide safe, sanitary and affordable housing to the citizens of Florida.

IT IS THEREFORE ORDERED:

Petitioner's request for a waiver of Rule 67-48.002(96), Fla. Admin. Code (2018), and the 2018 QAP is hereby **GRANTED** to permit Petitioner to exchange its 2019 credits for an allocation of 2021 credits.

DONE and ORDERED this 30th day of April, 2021.
