In Re: Beacon at Creative Village Partners, LTD. FHFC Case No.: 2023-083VW

**ORDER GRANTING WAIVER OF
RULE 67-48.002(96), FLA. ADMIN. CODE (2021) AND SECTION II.J.
OF THE 2021 QUALIFIED ALLOCATION PLAN**

THIS CAUSE came for consideration and final action before the Board of Directors of the Florida Housing Finance Corporation (the "Board") on October 27, 2023. On October 6, 2023, Florida Housing Finance Corporation ("Florida Housing") received a Petition for Waiver of Rule 67-48.002(96), Fla. Admin. Code (2021) and the 2021 QAP (the "Petition") from Beacon at Creative Village Partners, Ltd. The Petition requests to allow Petitioner to exchange its present allocation of housing credits for an allocation of 2023 housing credits. Notice of the Petition was published October 9, 2023, in Volume 49, Number 196, of the Florida Administrative Register. Florida Housing received no comments regarding the Petition. After careful review of the record and being otherwise fully advised on the premises, the Board hereby finds:

1. The Board has jurisdiction over the subject matter of this case and the parties hereto.

FILED WITH THE CLERK OF THE FLORIDA
HOUSING FINANCE CORPORATION

Thomas Delamora / DATE: 10/30/23

2. Petitioner successfully applied for housing credits to assist in the construction of The Beacon at Creative Village, an 85-unit family housing development located in Orange County, Florida (the “Development”).

3. Rule 67-48.002(96), Fla. Admin. Code (2021), adopts and incorporates the 2021 Qualified Allocation Plan (“QAP”). Section II.J. of the 2021 QAP states:

Notwithstanding any other provision of this QAP, where a Development has not been placed in service by the date required pursuant to Section 42 of the IRC, or it is apparent that a Development will not be placed in service by the date required pursuant to Section 42 of the IRC, and the Applicant has returned its Housing Credit Allocation after the end of the second calendar quarter of the year in which it was otherwise required to be placed in service pursuant to Section 42 of the IRC, the Corporation will reserve allocation in an amount not to exceed the amount of Housing Credits returned, and will issue a Carryover Allocation Agreement allocating such Housing Credits to the Applicant for either the current year or the year after the year in which the Development was otherwise required to be placed in service pursuant to Section 42 of the IRC, provided the following conditions have been met: (i) The sponsor must have provided written notice to the Corporation, describing the circumstances, all remedial measures attempted by the Applicant to mitigate the delay, and any other pertinent information, prior to returning the allocation; and (ii) A site inspection reflecting the percentage of Development completion must be completed. If the Development is at least fifty (50) percent completed, as reflected in the site inspection, the approval may be made by Corporation staff. If the Development is less than fifty (50) percent completed, as reflected in the site inspection, the approval must be made by the Board. In making such determination, the Board must find and determine that the delay was caused by circumstances beyond the Applicant’s control, and that the sponsor exercised due diligence in seeking to resolve the circumstances causing delay; and (iii) The Corporation or Board, as applicable, must find that the Development in all respects, except time placed in service, still meets the conditions

upon which the Housing Credits were originally allocated, and that the Development is still desirable in terms of meeting affordable housing needs.

4. Petitioner successfully applied for an allocation of 2022 housing credits through RFA 2021-202 Housing Credit Financing for Affordable Housing Developments Located in Broward, Duval, Hillsborough, Orange, Palm Beach, and Pinellas Counties and was invited into credit underwriting on May 5, 2022. Florida Housing staff executed a 2022 CAA on November 18, 2022, which required Petitioner to incur at least ten percent of the reasonably expected basis of the Development (10% Test) on or before May 31, 2023 (the “CAA Deadline”). Petitioner was previously granted a CAA Deadline extension to November 18, 2023. Failure to comply with the CAA Deadline will cause the Housing Credits allocated within the CAA to be deemed returned to Florida Housing under Section 42(h)(3)(c), Internal Revenue Code.

5. Petitioner states that it commenced pre-development activities upon receipt of its invitation to credit underwriting and has been processing all pre-development and development approvals diligently; however, the Development has experienced delays so that is unable to meet the CAA deadline. The delays provided by Petitioner include a budgetary gap that required it to receive CHIRP funding in July 2022, and a decision to place

final construction plans, documents, and permitting on hold pending funding of a phase 2 of the Development, which was unsuccessful. The delay caused the permitting approval process for the Development with the City of Orlando to be extended to June 30, 2024, and the loan closing date has been extended to July 2024, which will prevent Petitioner from satisfying the 10% Test by the CAA Deadline.

6. The Board finds that granting the requested waiver will not impact other participants in funding programs administered by Florida Housing, nor will it detrimentally impact Florida Housing.

7. The Board also finds that Petitioner has demonstrated that the that it would suffer a substantial hardship if the waiver is not granted.

8. The Board further finds that Petitioner has also demonstrated that the purpose of the underlying statute, which is to “encourage development of low-income housing in the state,” would still be achieved if the waiver is granted. §420.5099, Fla. Stat.

IT IS THEREFORE ORDERED that Petitioner’s request for a waiver of Rule 67-48.002(96), Fla. Admin. Code (2021) and Section II.J. of the 2021 QAP is hereby **GRANTED** to allow Petitioner to exchange its present allocation of housing credits for an allocation of 2023 housing credits.

DONE and ORDERED this 27th day of October, 2023.
