Number of Units: 108	Location: Leon County
Type: Garden Apartments (New)	Set Asides: 10% at 33% AMI 90% at 60% AMI
Demographics: Elderly non-ALF	SAIL: \$3,050,000 ELI Gap loan: \$750,000 MMRB: \$9,500,000 4% HC: \$653,647

1. Background

- a) Petitioner successfully applied for loan funding under the State Apartment Incentive Loan (“SAIL”) program, to be used in conjunction with Tax-Exempt Bonds and Non-Competitive Housing Credits, under RFA 2014-103 to assist in the construction of new garden apartments serving low-income elderly tenants in Tallahassee, Florida. On July 14, 2016, Florida Housing received a “Petition for Waiver of Rule 67-48.0072(4)(c) to Extend the Closing Deadline for a SAIL Loan” (the “Petition”). A copy of the Petition is attached as [Exhibit A](#).

2. Present Situation

- a) Rule 67-48.0072(4)(c), Fla. Admin. Code (2013), provides:
 - (c) For SAIL, EHCL, and HOME Applicants, the loan must close within 12 months of the date of the invitation to enter credit underwriting. Applicants may request one (1) extension of up to 12 months. All extension requests must be submitted in writing to the program administrator and contain the specific reasons for requesting an extension and shall detail the time frame to close the loan. The written request will then be submitted to the Corporation’s Board for consideration. The Board shall consider the facts and circumstances of each Applicant’s request and any credit underwriting report, if available, prior to determining whether to grant the requested extension. The Corporation shall charge a non-refundable extension fee of 1 percent of each loan amount if the Board approves the request to extend the commitment beyond the initial 12 month closing deadline. In the event the loan does not close by the end of the 12 month extension period, the preliminary commitment or firm commitment, as applicable, will be deemed void and the funds will be de-obligated.

LEGAL

Consent

- b) Petitioner was previously granted a twelve month extension to the closing deadline, extending such deadline to August 14, 2016. Petitioner now seeks a further extension from August 14, 2016 to December 31, 2016.
- c) On July 18, 2016, Notice of the Petition was published in the Florida Administrative Register in Volume 42, Number 138. To date, Florida Housing has received no comments concerning the Petition.
- d) Section 120.542(2), Florida Statutes provides in pertinent part:

Variances and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness.
- e) Granting the requested waiver would not have any impact on other participants in the SAIL program administered by Florida Housing, nor would it have a detrimental impact on Florida Housing. Petitioner has demonstrated that the waiver is needed because of circumstances beyond its control, and that it would suffer a substantial hardship if the waiver is not granted. Petitioner has also demonstrated that the purpose of the underlying statute, which is to “encourage development of low-income housing in the state” (§420.5099, Fla. Stat.), would still be achieved if the waiver is granted.

3. **Recommendation**

- a) Staff recommends the Board **GRANT** Petitioner’s request for a waiver of Rule 67-48.0072(4)(c), Fla. Admin. Code, to permit Petitioner to receive an extension on the closing deadline for SAIL funding from August 14, 2016 to December 31, 2016.

Number of Units: 160	Location: Miami-Dade County
Type: New mid-rise	Set Asides: 10% at 33% AMI 90% at 60% AMI
Demographics: Elderly non-ALF	SAIL: \$2,524,999 ELI Gap: \$1,200,000 MMRB: \$17,950,000 4% HC: \$1,388,788

1. Background

- a) Petitioner was selected to receive SAIL Financing of Affordable Multifamily Housing Developments under RFA 2014-103, to be used in conjunction with Multifamily Mortgage Revenue Bonds¹ (MMRB) and non-competitive Housing Credits to assist in the construction of a Development serving low-income elderly tenants in Miami, Florida. On July 21, 2016, Florida Housing received a Petition for Waiver of Rules 67-21.013 and 67-48.0072(4)(c) to allow the purchase of non-credit enhanced revenue bonds by an entity that does not meet the definition of a Qualified Institutional Buyer, and to extend the SAIL loan closing date. A copy of the amended Petition is attached as [Exhibit B](#).

2. Present Situation

- a) Rule 67-21.013, Fla. Admin. Code, allows a non-credit enhanced revenue bond to be sold only to a Qualified Institutional Buyer (QIB), as defined in Rule 67-21.002(88), F.A.C.² The rule also requires that the purchaser of such bonds provide an investment letter.

67-21.013 Non-Credit Enhanced Multifamily Mortgage Revenue Bonds.

Any issuance of non-Credit Enhanced revenue Bonds shall be sold only to a Qualified Institutional Buyer. . . . Unless such Bonds are rated in one of the four highest rating categories by a nationally recognized rating service, such Bonds shall not be held in a full book-entry system (but may be Depository Trust Company (DTC)-Eligible) and shall comply with at least one of the following criteria:

¹ The particular form of indebtedness here is a note. However, the rule to be waived uses the term “bonds,” which is defined in Section 420.503(4), F.S., to include any note issued by the Corporation.

² QIBs are sometimes referred to as sophisticated investors that are capable of understanding and managing the risks associated with a non-credit enhanced bond.

LEGAL

Consent

(2) The Bonds shall be issued in minimum denominations of \$250,000 (subject to reduction by means of redemption) and an investment letter satisfactory to the Corporation and its counsel shall be obtained from each initial purchaser of the Bonds (including any purchaser purchasing such Bonds in an immediate resale from an underwriter), but shall not be required of subsequent purchasers of the Bonds, to the effect that, among other things, such purchaser is a Qualified Institutional Buyer, is purchasing such Bonds for its own account and not for immediate resale to a purchaser other than a Qualified Institutional Buyer, and has made an independent investment decision as a sophisticated or institutional investor.

- b) Petitioner is funding its Development using, among other things, a Freddie Mac Tax Exempt Multifamily Revenue Note (Bond) under its Tax Exempt Loan (TEL) Program. Federal law requires Freddie Mac to purchase the bonds through an intermediary, which in this case is Walker & Dunlop, LLC (“W&D”). W&D, however, does not meet the definition of a Qualified Institutional Buyer in Rule 67-21.002(88), Fla. Admin. Code. Petitioner seeks a waiver that will allow it to use the services of W&D in order to facilitate the note/bond portion of the financing for this Development. The notes/bonds will ultimately be sold to Freddie Mac (which is a QIB) in accordance with an executed commitment letter between W&D and Freddie Mac. Unless the waiver is granted, Petitioner will be required to find alternate financing, and funding for the Development will be jeopardized.
- c) Rule 67-48.0072(4)(c), Fla. Admin. Code, provides:
- (c) For SAIL, EHCL, and HOME Applicants, the loan must close within 12 months of the date of the invitation to enter credit underwriting. Applicants may request one (1) extension of up to 12 months. All extension requests must be submitted in writing to the program administrator and contain the specific reasons for requesting an extension and shall detail the time frame to close the loan. . . . In the event the loan does not close by the end of the 12 month extension period, the preliminary commitment or firm commitment, as applicable, will be deemed void and the funds will be de-obligated.
- d) Petitioner was invited to credit underwriting on August 14, 2014, and received a 12-month extension until August 14, 2016. Petitioner has been unable to close the SAIL loan and does not anticipate being able to close it by August 14. Petitioner therefore seeks an extension of the SAIL loan closing date until December 31, 2016.
- e) On July 22, 2016, Notice of the Petition was published in the Florida Administrative Register in Volume 42, Number 142. To date, Florida Housing has received no comments concerning the Petition.

Consent

- f) Section 120.542(2), Florida Statutes provides in pertinent part:

Variations and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness.

- g) Granting the requested waivers would not have any impact on other participants in funding programs administered by Florida Housing, nor would it have a detrimental impact on Florida Housing. Petitioner has demonstrated that the waivers are needed because of circumstances beyond its control, and that it would suffer a substantial hardship if the waivers are not granted. Petitioner has also demonstrated that the purpose of the underlying statute, which is to “encourage development of low-income housing in the state” (§420.5099, Fla. Stat.), would still be achieved if the waivers are granted.

3. **Recommendation**

- a) Staff recommends the Board **GRANT** Petitioner’s request for a waiver of Rule 67-21.013, Fla. Admin. Code, so that W&D will be able to purchase the non-credit enhanced revenue bonds as part of the TEL Program and will not be required to submit an investment letter. Staff also recommends the Board **GRANT** Petitioner’s request for a waiver of Rule 67-48.0072(4)(c), Fla. Admin. Code, so that the SAIL loan closing deadline may be extended from August 14, 2016 until December 31, 2016.

B. Contract Renewal for Utility Energy Data Services for the Multifamily Energy Retrofit Program with the University of Florida

1. Background

- a) On September 16, 2013, Florida Housing entered into a grant agreement with the Florida Department of Agriculture and Consumer Services to capitalize and administer the Multifamily Energy Retrofit Program (MERP). MERP funds will be used to provide loans to older properties in Florida Housing's portfolio to upgrade old, inefficient building components, with the resulting savings on energy costs used to repay the loans. Federal energy funding includes reporting requirements to show the energy savings achieved from the retrofits. Florida Housing reports key measures to the State Energy Office, which will in turn report to the U.S. Department of Energy on a quarterly basis for the life of each loan.
