FHFC Case No. 2019-043VW

Application No. 2016-527C

FLORIDA HOUSING
FINANCE CORPORATION

PETITION FOR VARIANCE FROM FLORIDA ADMINISTRATIVE CODE
RULE 67-21.027(1), F.A.C. (2016)

Petitioner, VISTA PINES PARTNERS, LTD., (“Petitioner”), pursuant to Section 120.542, Florida Statutes, and Chapter 28-104, Florida Administrative Code, hereby petitions Florida Housing Finance Corporation (“Florida Housing”) for a Variance from the provisions of Rule 67-21.027(1), F.A.C. (2016) to allow it to utilize the Average Income Test to calculate its Minimum Set-Aside Commitment as allowed by the Internal Revenue Code section 42(g)(1)(C). In Support of this Petition, Petitioner states as follows:

Petitioner and the Development

1. Petitioner, Vista Pines Partners, Ltd., is a Florida limited partnership. Vista Pines proposed the construction of a 238 unit development in unincorporated Orange County, financed in part with tax-exempt bonds issued by the Orange County Housing Finance Authority.

2. The name, address, telephone, and facsimile numbers for Petitioner and its qualified representative are:

Jay P. Brock
Vista Pines Partners, Ltd.
335 N. Knowles Avenue, Suite 101
Winter Park, Florida 32789
Telephone: (407) 741-8682
Facsimile: (407) 643-2590

3. The name, address, telephone and facsimile numbers of Petitioner’s counsel is:

M. Christopher Bryant
Oertel, Fernandez, Bryant & Atkinson, P.A.
P.O. Box 1110
Tallahassee, Florida 32302

Telephone: (850) 521-0700
Facsimile: (850) 521-0720

4. On December 15, 2016, Petitioner submitted Application No. 2016-527C for an allocation on Non-Competitive Housing Credits. The financing was sought to assist in the construction of a 238 unit development located in unincorporated Orange County, Florida, to be known as Vista Pines. Petitioner received a Preliminary Determination Certificate for \$1,667,472 in Housing Credits dated September 29, 2017.

5. Petitioner initially proposed that all of the units in the development would be exclusively for tenants whose household income was at or below 60% Area Median Income (“AMI”).

6. In order to enhance the financial viability of the Development, Petitioner seeks to make a set-aside election to have an income mix of 71 units (29.832% of the total) at 40% AMI; 96 units (40.336%) at 60% AMI; and 71 units (29.832%) at 80% AMI. The average AMI level for the set-aside units would not exceed 60%.

Type of Waiver

7. The waiver being sought is permanent in nature.

Rule For Which a Variance Is Requested

8. Rule 67-21.027(1), F.A.C. (2016), in effect at the time of original application required that each Development comply with the minimum Housing Credit Set-Aside provisions as specified in the version of Section 42(g)(1) of the Internal Revenue Code (IRC) that was in effect at the time the rule was adopted. Prior to March 23, 2018, this Section of the IRC did not allow income averaging, instead requiring all affordable units to be for tenants at or below 60% AMI. Therefore Rule 67-21.027(1), F.A.C. (2016) also did not allow income averaging.

Statutes Implemented by the Rule(s)

9. The Rule(s) implement, among other sections of the Florida Housing Finance Corporation Act (the “Act”), the statutes relating to the allocation of Low-Income Housing Tax Credits contained in Section 420.5099 of the Florida Statutes.

Justification for Granting Waiver of the Rule(s)

10. During its 2018 session, the United States Congress passed the “Consolidated Appropriations Act, 2018” (“H.R. 1625”), which was signed into law on March 23, 2018. H.R. 1625 created a new subsection C within Section 42(g)(1) of the IRC, which states as follows:

“(C) AVERAGE INCOME TEST. –

(i) IN GENERAL. – The project meets the minimum requirements of this subparagraph if 40 percent or more (25 percent or more in the case of a project described in section 142(d)(6)) of the residential units in such project are both rent-restricted and occupied by individuals whose income does not exceed the imputed income limitation designated by the taxpayer with respect to the respective unit.

(ii) SPECIAL RULES RELATING TO INCOME LIMITATION. -

For Purposes of clause (i)

(I) DESIGNATION. - The taxpayer shall designate the imputed income limitation of each unit taken into account under such clause

(II) AVERAGE TEST.- The average of the imputed income limitations designated under subclause (I) shall not exceed 60 percent of area median gross income

(III) 10-PERCENT INCREMENTS. - The designated imputed income limitation of any unit under subclause (I) shall be 20 percent, 30 percent, 40 percent, 50 percent, 60 percent, 70 percent, or 80 percent of area median gross income.” Section 42(g)(1)(C), I.R.C. (2018)

11. Rules 67-21.027(1) and 67-48.023(2) F.A.C. were revised on July 8, 2018 to incorporate the new subsection 42(g)(1)(C) of the IRC. As a result, any applications for housing

tax credits submitted to Florida Housing after July 8, 2018 are allowed to use the income averaging provisions of the IRC.

12. Petitioner's application was submitted prior to the July 8, 2018 rule revisions and were therefore not allowed to take advantage of the average income test. It would violate principles of fairness and put Petitioner at a competitive disadvantage with other Developments if it was not allowed to use the average income test solely because of when its application was submitted.

13. Under Section 120.542(1), Florida Statutes, Florida Housing has the authority to grant waivers to or variances from its requirements when strict application of the requirements would lead to unreasonable, unfair, and unintended consequences in particular instances. Specifically, Section 120.542(2) states:

Variances and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness. For purposes of this section, "substantial hardship" means a demonstrated economic, technological, legal, or other type of hardship to the person requesting the variance or waiver. For purposes of this section, "principles of fairness" are violated when the literal application of a rule affects a particular person in a manner significantly different from the way it affects other similarly situated persons who are subject to the rule.

14. Granting the requested variance in this instance would allow Petitioner to utilize the average income test as allowed by the Internal Revenue Code. The controlling statutes and Florida Housing's Rules are designed to allow the flexibility necessary to provide relief when strict application, in particular circumstances, would lead to unreasonable, unfair, or unintended results.

15. Additionally, by granting this waiver, Florida Housing would recognize the goal of increasing the supply of affordable housing and recognize the economic realities and principles of

fundamental fairness in developing affordable rental housing. The purpose of the underlying statute, which is to “encourage development of low-income housing in the state” (§420.5099, Fla. Stat.), would still be achieved if the variance is granted.

16. In this instance, Florida Housing has jurisdiction to grant a waiver of the rule and Petitioner meets the standards for a waiver of the Rule.

Action Requested

WHEREFORE, Petitioner respectfully requests that Florida Housing:

Grant this Petition and all relief request therein;

Grant a variance from Rule 67-48.023(2), F.A.C. (2016) and allow for calculation of the minimum set aside percentage based on income averaging; and

Grant such further relief as may be deemed appropriate

Respectfully submitted this 9th day of May, 2019.
