3. Rule 67-48.0072(21)(b), F.A.C. (2024), provides in relevant part:

(21) Information required by the Credit Underwriter shall be provided as follows:

(b) For SAIL and HOME, unless stated otherwise in a competitive solicitation, the firm loan commitment must be issued by the date of the Board of Directors meeting immediately following twelve (12) months after the Applicant is invited to enter credit underwriting. Unless an extension is approved by the Board, failure to achieve issuance of a firm loan commitment by the specified deadline shall result in withdrawal of the preliminary commitment. Applicants may request one (1) extension of up to six (6) months to secure a firm loan commitment. All extension requests must be submitted in writing to the program administrator and contain the specific reasons for requesting the extension and shall detail the time frame to achieve a firm loan commitment. In determining whether to grant an extension, the Board shall consider the facts and circumstances of the Applicant's request, inclusive of the responsiveness of the Development team and its ability to deliver the Development timely. The Corporation shall charge a non-refundable extension fee of one (1) percent of each loan amount if the request to extend the credit underwriting and firm loan commitment process beyond the initial deadline is approved. If an approved extension is utilized, Applicants must pay the extension fee not later than seven (7) Calendar Days after the Board approves the extension of the original deadline. If, by the end of the extension period, the Applicant has not received a firm loan commitment, then the preliminary commitment shall be withdrawn.

4. Petitioner accepted Florida Housing staff's invitation to enter credit underwriting on September 4, 2024, with a firm loan commitment deadline of September 4, 2025. On September 19, 2025, the Board approved

an extension of the firm loan commitment deadline from September 4, 2025, to March 4, 2026.

5. As justification for its request, Petitioner states that it has encountered delays related to its awarded HUD Choice Neighborhoods Implementation ("CNI") grant, which represents a significant portion of the capital stack for the Development. The signed agreement for the HUD CNI grant was not received until April 11, 2025, preventing Petitioner from starting certain predevelopment activities until that time. Thereafter, Petitioner submitted a housing plan revision to HUD to reflect Florida Housing award details, including unit mix and set-asides, which HUD approved August 5, 2025. However, Petitioner was unable to receive HUD approvals or responses during the federal government shutdown from October 1, 2025, to November 12, 2025, and Petitioner represents it still has not received approval of its budget from HUD.

6. The Board finds that granting the requested waiver will not adversely impact other participants in funding programs administered by Florida Housing, nor will it detrimentally affect Florida Housing.

7. The Board also finds that Petitioner has demonstrated that strict application of the rule would impose a substantial hardship if the waiver is not granted.

8. The Board further finds that Petitioner has also demonstrated that the purpose of the underlying statute, which is to “encourage development of low-income housing in the state,” would still be achieved if the waiver is granted. §420.5099, F.S.

IT IS THEREFORE ORDERED that Petitioner’s request for waiver of Rule 67-48.0072(21)(b), F.A.C. (2024), is hereby **GRANTED** allowing Petitioner to extend its firm loan commitment deadline to September 4, 2026, subject to payment of the required 1% extension fee on each Corporation loan amount, consistent with Rule 67-48.0072(21)(b), F.A.C. (2024).

DONE and ORDERED this 20th day of March, 2026.
