FHFC CASE NO.____________________________
Application No. 2006-077CS

SEA GRAPE APARTMENTS, LTD.,

Petitioner,

vs.

FLORIDA HOUSING FINANCE CORPORATION,

Respondent.

PETITION FOR WAIVER OF RULE 67-48.004(14)(e) TO CHANGE THE SITE OF THE SEA GRAPE APARTMENTS DEVELOPMENT

1. Pursuant to Section 120.542, Fla. Stat. (2006), and Rules 28-104.001 through 28-104.006, F.A.C. (2006), SGA requests a waiver of the Rule to allow for a change of its development’s site.

E-mail: msall@swmwas.com

4. Pursuant to the 2006 Universal Cycle, SGA submitted a successful 2006 Universal Application ("Universal Application")\(^1\) for a $4 million loan under the State Apartment Incentive Loan ("SAIL") Program. The SAIL funds will be used to finance a portion of the costs for the development of Sea Grape Apartments, a new 56-unit multi-building apartment development (the "Development") intended to serve very-low and low income individuals and/or families in Marathon, Monroe County, Florida. See Application No. 2006-077CS.

5. In its Universal Application, SGA also applied for Housing Credits under the Low Income Housing Tax Credit program, with the equity raised from Housing Credits also being used for the Development.

6. Florida Housing has issued its Preliminary Allocation of Housing Credits reserved in the amount of $1,435,000, and it is anticipated that there will be a Final Housing Credit Allocation granted to SGA in accordance with Florida Housing’s final allocation procedures.

---

\(^1\)The Universal Application Package has been adopted and incorporated into Chapter 67-48 by Rule 67-48.004(1)(a), F.A.C. (2006).
7. The requested Rule waiver will not adversely affect the Development. However, a denial of this Petition (a) would result in substantial economic hardship to SGA; (b) could deprive Monroe County of essential, affordable housing units in a timely manner; and (c) would violate principles of fairness. § 120.542(2), Fla. Stat. (2006).

8. The waiver being sought is permanent in nature.

B. Rule from Which Relief is Requested and Statute Implemented by the Rule

9. SGA requests a waiver of Rule 67-48.004(14). As applied to applications for Housing Credits and SAIL loans, the Rule identifies non-curable matters as follows:

   Notwithstanding any other provision of these rules, there are certain items that must be included in the Application and cannot be revised, corrected or supplemented after the Application Deadline ...
   Those items are as follows:

   (e) Site for the Development;

10. The applicable Rule for which the waiver is requested is implementing Florida Housing Finance Corporation Act’s statute that created the Housing Credits Program. § 420.5099, Fla. Stat. (2006).² The Act designates Florida Housing as the State of Florida’s housing credit agency within the meaning of Section 42(h)(7)(A) of the Internal Revenue Code of 1986. As the designated agency, Florida Housing is responsible for and is authorized to establish procedures for the allocation and distribution of low-income housing tax credits. §§ 420.5099(1) and (2), Fla. Stat. (2006). Accordingly, the Rule that is the subject of SGA’s waiver request is implementing, among other sections of the Act, the statutory authorization for Florida

Housing’s establishment of Allocation Procedures for the HC Program. §§ 420.5099(1) and (2), Fla. Stat. (2006).

11. The requested waiver also implements Section 420.5087’s mandate empowering Florida Housing with “the power to underwrite and make state apartment incentive loans or loan guarantees to sponsors.” § 420.5087(2), Fla. Stat. (2006).

C. Justification for SGA’s Request to Change Its Development’s Site

12. SGA’s Development is the first phase of a two-phase project for the development of affordable housing in Monroe County, Florida.³

13. However, when SGA submitted its Universal Application, the legal description encompassed the site locations for both SGA’s Development, and the second phase of the development project.

14. The purpose of this Petition, therefore, is to change only the Development’s legal description by, in essence, separating and carving out its legal description from the entire two-phase project’s description. The location of the Development will not be changed, and its Tie-Breaker Measurement Point (“TBMP”), identified in Exhibit 25 to SGA’s Universal Application, remains within the Development’s modified legal description. See Affidavit and Certification of Surveyor Ken Jackson attached hereto as Exhibit A, and the revised legal description attached hereto as Exhibit B.

15. Additionally, because the Development’s TBMP remains the same, the 7.25 Proximity Tie-Breaker Points awarded to SGA would not have changed.

³ Sea Grape II, Ltd., the applicant for the second phase, submitted its request for SAIL funds and HCs during the 2007 Universal Application Cycle. See Application No. 2007-126CS.
16. The requested change to the Development’s legal description would not have impacted the scoring of SGA’s Universal Application, and would not have provided SGA with an unfair advantage over other applicants.⁴

17. The requested waiver will not prejudice the Development or the affordable housing market to be served by the Development, and may result in a savings of construction and development costs.

D. Conclusion

18. The requested waiver will not adversely impact the Development or Florida Housing, and will ensure that 56 affordable housing units will be available in Monroe County, Florida.

19. Controlling statutes and Florida Housing’s Rules are designed to allow the flexibility necessary to provide relief for changed circumstances that arise through no fault of an applicant. Florida Housing generally approves such waivers when it would not affect the scoring of an application or otherwise allow an applicant to obtain a possible unfair competitive advantage.

20. The requested waiver serves the purposes of Section 420.5099, Florida Statutes (2006), and the Act, as a whole, because one of their primary goals is to facilitate the availability of decent, safe and sanitary housing in the State of Florida to low-income persons and households by ensuring:

the maximum use of available tax credits in order to encourage development of low-income housing in the state, taking into consideration the timeliness of the application, the location of the proposed housing project, the relative need in the area for low-income housing and the availability of such housing, the economic feasibility of the project, and

⁴ SGA notes that it was the only Applicant seeking funding for affordable housing development in the Florida Keys.
the ability of the applicant to proceed to completion of the project in the
calendar year for which the credit is sought.

21. The requested waiver also serves the purposes of Section 420.5087, Florida Statutes (2006), and the Act, as a whole, because the purpose of the SAIL Program is to provide “first, second, or other subordinated mortgage loans or loan guarantees to sponsors, including for-profit, nonprofit, and public entities, to provide housing affordable to very-low-income persons,” including those persons residing in Monroe County, Florida.

22. Finally, by granting the requested waiver, Florida Housing would recognize the economic realities and principles of fundamental fairness in the development of affordable rental housing. This recognition would promote participation by experienced developer entities in meeting the purpose of the Act through new construction in an economical and efficient manner.

23. Should Florida Housing require additional information, SGA is available to answer questions and to provide all information necessary for consideration of its Petition for Waiver of Rule 67-48.004(14)(e) to Change the Site of the Sea Grape Apartments Development.

WHEREFORE, Petitioner Sea Grape Apartments, Ltd., respectfully requests that the Florida Housing Finance Corporation grant the Petition and provide the following relief:

A. Waive the prohibition on changing a development’s site location after submission of the Universal Application;

B. Allow the Sea Grape Apartments to be developed on the site identified in Exhibit B to this Petition; and
C. Award such further relief as may be deemed appropriate.

Respectfully submitted,
