In Re: Parramore Oaks, LLC

FHFC CASE NO.: 2018-012VW

THIS CAUSE came on for consideration and final action before the Board of Directors of
the Florida Housing Finance Corporation on May 4, 2018, pursuant to a “Petition for Waiver”
(“Petition”). Florida Housing Finance Corporation (“Florida Housing”) received the Petition on
March 28, 2018, from Parramore Oaks, LLC (“Petitioner”). Notice of the Petition was published
on March 29, 2018, in Volume 44, Number 62, of the Florida Administrative Register. Florida
Housing received no comments regarding the Petition. After careful review of the record and
being otherwise fully advised in the premises, the Board of Directors (the “Board”) of Florida
Housing hereby finds:

1. The Board has jurisdiction over the subject matter of this case and the parties hereto.

2. Petitioner was selected to receive 9% housing tax credit funding under Request for
Applications (RFA) 2016-113, to assist in the construction of a Development serving low-income
families in Orange County, Florida.

(3) For the SAIL, HOME and Housing Credit Programs, notwithstanding any other
provision of these rules, the following items as identified by the Applicant in the
Application must be maintained and cannot be changed by the Applicant after the
applicable submission, unless provided otherwise below:

* * *

(g) Development Type. . . .

4. In Petitioner’s response to the RFA (“Application”), Petitioner selected the
Development Type of “Mid-Rise, 4-stories.” The Application also indicated that 19 out of the 120
units in the Development would be Townhouses. Petitioner alleges that due to a combination of economic factors some parts of the Development had to be redesigned, and it is no longer feasible to construct the Townhouses. Instead, the Development will include a number of garden apartments along with the mid-rise apartments. However, the total number of units in the Development will not change, nor will the designation as Mid-Rise, 4 stories.

5. The Board finds that granting the waiver will not have any impact on other participants in funding programs administered by Florida Housing, nor would it have a detrimental impact on Florida Housing or the Development.

6. Section 120.542(2), Florida Statutes provides in pertinent part:

Variance and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness.

7. Petitioner has demonstrated that the waiver is needed in order to efficiently serve low-income families and that, if the waiver were not granted, Petitioner would suffer a substantial hardship. Petitioner has also demonstrated that the purpose of the underlying statute, which is to “encourage development of low-income housing in the state” (§420.5099, Fla. Stat.), would still be achieved if the waiver is granted.

8. The Board finds that strict application of the above Rules under these circumstances would cause substantial hardship to Petitioner, and that granting this request furthers Florida Housing's statutory mandate to provide safe, sanitary and affordable housing to the citizens of Florida.
IT IS THEREFORE ORDERED:

Petitioner’s request for a waiver of Rule 67-48.004(3)(g), Fla. Admin. Code (2016) is hereby GRANTED so that the Development Type will continue to be designated as Mid-Rise, 4 stories, but that it will not include any units designated as Townhouses.

DONE and ORDERED this 4th day of May, 2018.
