FORMAL WRITTEN PROTEST AND
PETITION FOR ADMINISTRATIVE HEARING

Petitioner, TOWN CENTER PHASE TWO, LLC ("Town Center"), pursuant to sections 120.57(3), Florida Statutes ("F.S."), and Rules 28-110 and 67-60, Florida Administrative Code ("FAC") hereby files this Formal Written Protest and Petition for Administrative Hearing regarding the decision of Respondent, FLORIDA HOUSING FINANCE CORPORATION ("Florida Housing") to award funding to responsive applicants pursuant to RFA 2013-003 for Affordable Housing Developments located in Broward, Miami-Dade, and Palm Beach Counties. In support Town Center provides as follows:

1. Town Center is a Florida limited liability company in the business of providing affordable housing. Town Center is located at 315 South Biscayne Boulevard, Miami, FL 33131. For the purposes of this proceeding, Town Center's phone number is that of its undersigned attorneys.

2. Florida Housing is the allocating agency for the State of Florida that was granted the authority to issue RFA 2013-003 for the purpose of providing funding for much needed
affordable housing. Florida Housing's address is 227 North Bronough Street, Suite 500, Tallahassee, Florida 32301.

3. On September 19, 2013, Florida Housing issued the RFA to award an estimated $10,052,825 in competitive Low Income Housing Tax Credits ("Tax Credit") for proposed developments in Broward, Miami-Dade and Palm Beach Counties.

4. Through the issuance of the RFA Florida Housing sought to solicit proposals from qualified Applicants that would commit to construct and/or rehabilitate housing in accordance with the terms and conditions of the RFA, applicable laws, rules, and regulations.

5. On November 12, 2013, Town Center submitted its Application in response to the RFA which included information concerning a 65-unit high rise apartment complex in Miami-Dade County named Town Center Phase Two. Through the Application, Town Center requested $1,458,608 in Tax Credit funding assistance for the project which has an overall development cost of $15,401,246. Town Center believed that it had satisfied all requirements of the RFA.

6. Consistent with the primary mission and goal of the RFA, the Town Center Development will provide much needed affordable housing and services. The proposed Town Center Development will provide apartments for rent at reduced and affordable rents. Without the funds provided or to be provided by the RFA Town Center will be unable to proceed with the Development. Accordingly Town Center's substantial interests are affected by the decisions made by Florida Housing.

7. At Section Four the RFA lists those items which must be included in a response to the RFA as found in Exhibit A. Included in these items at Section Four Part 10 is the requirement that the applicant provide an executed Applicant Certification and
Acknowledgement. ("Certification"). In the Certification, the applicant must acknowledge the provisions and requirements of the RFA.

8. By signing the Certification an applicant among other things is agreeing that its project can be completed as proposed and that the requested information can and will be provided as scheduled in the Certification. Relevant to this challenge at Part 10(b)(2) the Certification schedule requires an Applicant to provide information confirming that certain infrastructure was in place and available as of the Application Deadline.

9. The RFA at Section Five describes the evaluation process as follows:

SECTION FIVE
EVALUATION PROCESS

Committee members shall independently evaluate and score their assigned portions of the submitted Applications, consulting with non-committee Corporation staff and legal counsel as necessary and appropriate.

The Corporation will reject any competitive Application submittal and no action will be taken to score the Application if any of the following submission requirements are not met; the Application is not submitted online by the Application Deadline, the required number of hard copies are not submitted by the Application Deadline, the Applicant’s hard copy submission is not contained in a sealed package, or the required Application fee is not submitted as the Application Deadline.

An Application will be deemed ineligible to be considered for funding if, as of close of business the day before the Committee meets to make a recommendation to the Board, there are any financial obligations for which an Applicant or Developer or Principal, Affiliate or Financial Beneficiary of the Applicant or Developer is an arrears to the Corporation or any agent or assignee of the Corporation as reflected on the most recently published Past Due Report posted to the Corporation’s Website http://www.floridahousing.org/PropertyOwnersAndManagers/PastDueReports/, but not more recently than five (5) business days prior to the date the Committee meets to make a recommendation to the Board.

The Committee shall conduct at least one public meeting during which the Committee members may discuss their evaluations, select Applicants to be considered for award, and make any adjustments deemed necessary to best serve the interests of the Corporation's mission. The Committee will list the Applications deemed eligible for funding in order from highest total score to lowest total score, applying the funding selection criteria outlined in Section Four B above, and develop a recommendation or series of recommendations to the Board.
The Board may use the Applications, the Committee's scoring, and any other information or recommendation provided by the Committee or staff, and any other information the Board deems relevant in its selection of Applicants to whom to award funding. Notwithstanding an award by the Board pursuant to this RFA, funding will be subject to a positive recommendation from the Credit Underwriter based on criteria outlined in the credit underwriting provisions in Rule Chapter 67-48, F.A.C.

10. On January 23, 2014, the designated Review Committee met and considered the Applications submitted in response to the RFA. The meeting was an organizational meeting where the Review Committee discussed the scoring process. At the meeting the Review Committee orally listed and manually input the scores for each section of each RFA Application and ultimately made recommendations to the Board of Directors for their consideration. The Review Committee consisted of Florida Housing staff.

11. In its consideration, the Review Committee determined that the Town Center's Application should be awarded a perfect score of 27 points. However, because of the scoring and ranking of other Applications Town Center was not recommended for funding.

12. On January 31, 2014, Florida Housing's Board of Directors accepted the Review Committee's scoring ranking and funding recommendation. (Exhibit 1)

13. The scoring issue being challenged by Town Center here relates to Application No. 2014-184C and in essence concerns the Applicant not having the required infrastructure in place as of the Application Deadline. Application 2014-183C, whose proposed Development Site is in the same area of Miami Dade County, has the same issue.

14. At Page 84 the RFA requires an Applicant to provide within 21 days of an invitation to credit underwriting information concerning the Ability to Proceed with the Development including the availability of infrastructure including water and sewer. Specifically
at Exhibit C Section 13(c)(3) an Applicant must provide evidence from the Local Government or service provider of the availability of infrastructure as of the Application Deadline as follows:

Sewer: Submission of the completed and executed 2013 Florida Housing Finance Corporation Verification of Availability of Infrastructure — Sewer Capacity, Package Treatment, or Septic Tank form or a letter from the service provider which is dated within 12 months of the Application Deadline, is Development specific, and specifically states that sewer service is available to the proposed Development as of the Application Deadline.

(emphasis added)

15. As indicated previously the RFA additionally at Section Four Part 10 requires each Applicant to agree to a schedule in which it provides information including at 10(b)(2)(b) Certification of the Availability of sewer to the entire Development Site as of the Application Deadline. That Section goes on to provide that if this information cannot be provided the application will not be allowed to complete underwriting. The application is therefore no longer eligible for funding.

16. Based on information available as of the Application Deadline (November 12, 2013) a moratorium existed as to the provision of sewer service to the Development Site for Application No. 2014-1084C. (See Exhibit 2) Specifically, the letter from the Regulatory and Economic Resources Environmental Plan Review Section of Miami-Dade County provides that County Pump Station 30-0054 which serves the proposed Development Site is under a Moratorium and no sewer capacity is available for connection. The letter further provides that the Moratorium will be in place through 2018. Also attached to the letter is an affidavit from a licensed supervisor and mapper verifying that location of the Development Site is encompassed by the area referenced in the moratorium letter.
17. The Regulatory and Economic Resources Environmental Plan Review Section is the office within Miami-Dade County Government that implements moratoriums as well as monitors and approves or denies connections to the Miami-Dade County Sewer System.

18. Historically, Florida Housing has found that if a moratorium is in place as of the Application Deadline for a required service, then infrastructure is not available for that service. The same is true here and sewer service was not available to the Development Site at the Application Deadline and Applicant cannot show otherwise or provide the information required by the RFA.

19. The same pump station services the Development Site for Application 2014-183C, which was found ineligible by the Review Committee. However assuming the Application was to successfully challenge that determination the Application could still not demonstrate that sewer service was available to the Development Site as of the Application Deadline (See Exhibit 3).

20. These statements from Miami-Dade County clearly demonstrate that infrastructure is not available to the Development Sites. Since there is a Moratorium for sewer service this required infrastructure is not available and was not available as of the Application Deadline. Moreover the Applicants cannot provide the necessary Certifications that sewer service was available as of the Application Deadline and accordingly cannot complete the underwriting process.

21. Additionally the Purchase and Sale Agreement ("Agreement") submitted by Applicant 2014-184C to demonstrate site control at Page 11(c) provides two conditions for closing which are now unattainable here. The conditions are as follows:

Each of the representations and warranties of Seller set forth in this Agreement shall be true, complete and correct at the date of the Closing as
if made at that time, and the Seller shall have delivered its certificate to such effect to Purchaser.

(See Exhibit 4)

Purchaser shall have received the Approvals described in Section 10(a) hereof and be awarded the LIHTC funds.

Adequate public utilities are available at or near the Property in sufficient capacity to service the Contemplated Improvements.

22. The Agreement goes on to specifically require "there shall not be a sewer, water, building or other moratorium in effect which would interfere with the immediate construction and occupancy of Purchaser's Contemplated Improvements ("Moratorium")."

23. Because a Moratorium on sewer service existed as of the Application Deadline, the Applicant cannot meet the schedule required by the Certification. Moreover, the Agreement submitted by the Applicant has a condition in it which cannot be met. Rendering the Agreement unacceptable for purposes of the RFA in that it is no longer a qualified contract.

24. On February 4, 2013, Town Center timely filed its Notice of Intent to Protest. This Formal Written Protest is being timely filed and Florida Housing has waived by rule the bid protest bond requirement for the RFA. As a Developer of affordable housing in need of supplemental funding, Town Center's substantial interests are affected by Florida Housing's decision not to award the necessary funding pursuant to the RFA. Had Application #2014-084C been correctly scored, Town Center's Application would be in the funding range.

25. Material issues to be resolved:

A. Whether sewer service was available to the Development Site for Application 2014-183C and 2014-184C as of the Application Deadline.

B. Whether Application 2014-184C has provided evidence of site control pursuant to the requirements of the RFA.
C. Whether Florida Housing's decision to score and recommend funding to Application 2014-184C was clearly erroneous, arbitrary and capricious, or contrary to competition.

WHEREFORE, Town Center requests a formal hearing involving any disputed issues of material fact and entry of an order determining that Florida Housing's scoring of responses to RFA 2013-003 was clearly erroneous, arbitrary and capricious and contrary to competition.

Interest earned, if any, shall be credited to the Purchaser upon Closing, or, in the event of Purchaser's default, paid to Seller.

3. Inspection Period. For the period beginning with the Effective Date and continuing until 11:59 PM Eastern Time on January 15, 2014 ("Inspection Period"), Seller hereby grants to Purchaser the right to make or obtain any and all investigations, tests, studies, evaluations, assessments and reports Purchaser deems necessary or desirable with respect to the Property.

a. During the Inspection Period, Seller hereby grants to Purchaser and its agents, employees, contractors and representatives, a right of entry upon every portion of the Property, and a right to examine all records, documents, data or information of any kind or nature relating to or concerning the Property in the possession or under the control of Seller or other matters pertaining to the Property (and Seller hereby agrees to make any and all records, documents, data or information of any kind or nature relating to or concerning the Property in the possession or under the control of Seller available to Purchaser) from time to time at all reasonable times for the purpose of making surveys, engineering studies, drainage studies, appraisals, zoning and land use studies, impact studies, surface and subsurface explorations, tests, excavations, borings and such other investigations, inspections, assessments or reports as Purchaser, in its sole and absolute discretion, may elect to make. Seller shall deliver to Purchaser, within three (3) business days after the Effective Date, copies of any and all surveys (in CADD format; if available), site plans or layouts, engineering, environmental, soil, wetlands determinations, zoning, land use, appraisal and feasibility studies, reports and assessments, concurrency evaluations, any plans and specifications for the Property approved by the local building department having jurisdiction over the Property, which Seller has in its possession or control (collectively, "Plans and Specifications"), and any correspondence concerning any such topics that Seller has in its possession or control, and all other governmental orders, approvals, exemptions, waivers, permits, licenses, special exceptions or variances relating to the Property or any proposed use thereof which are in Seller's possession or control. Seller shall also deliver to Purchaser, within three (3) business days after the Effective Date, legible copies of all leases, service contracts, operating agreements, management agreements and warranties relating to or concerning the Property.
b. Notwithstanding any provision in this Agreement to the contrary, at any
time on or before the end of the Inspection Period, Purchaser may, without liability to Seller and
for any reason or no reason whatsoever, terminate this Agreement by written notice to Seller and
Escrow Agent, following which Escrow Agent shall promptly return the First Deposit to
Purchaser; upon such termination, both parties shall be released from all further obligations or
liability under this Agreement except for those obligations which expressly survive termination.

c. If Purchaser has not terminated this Agreement, as provided herein, the
right of entry and investigation granted herein shall continue unabated through Closing.
Purchaser shall deliver to Seller a copy of the title insurance commitment, survey and
environmental phase I, to the extent obtained by Purchaser, without warranty or representation as
to the condition, correctness or completeness thereof.

4. Condemnation.

a. If the Property, or any part thereof, or any interest therein, shall be taken
by eminent domain or condemned prior to the Closing Date, or if Seller shall receive any notice
or knowledge that any agency or entity having the power of eminent domain is contemplating or
is seeking the taking or condemnation of the Property, or any part thereof, or any interest therein,
Seller shall promptly notify Purchaser thereof ("Condemnation Notice").

b. Subject to the provisions of subsections (c) and (d) of this Section 4,
Purchaser shall be entitled to the proceeds of any condemnation proceeding relating to any taking
prior to or after the Closing Date. If the payment of such proceeds is received by the Seller prior
to the Closing Date, the proceeds shall be delivered to Purchaser at Closing; if such proceeds are
not delivered to the Purchaser on the Closing Date, there shall be a Closing adjustment under
Section 2 in the amount of such proceeds.

c. If a condemnation, eminent domain or other taking proceeding shall have
been overtly threatened or commenced against the Property, or a portion thereof, or an interest
therein, then in any such event, Purchaser shall have the option within thirty (30) days after
receiving each Condemnation Notice, either for: (i) notify Seller and Escrow Agent of
Purchaser's election to terminate this Agreement in which case the Deposit, shall be returned to
Purchaser and the parties shall thereafter be relieved of any further obligation or liability
hereunder, or (ii) complete the sale without any adjustments to the Purchase Price, except that
any and all condemnation awards which relate to the Property, or any portion thereof, or any
interest therein, received by Seller before Closing in respect of such taking shall be paid to
Purchaser on the Closing Date as a Closing adjustment, and Seller shall transfer and assign to
Purchaser at Closing all of Seller's rights and interest in and to any such awards and any such
proceeds, and all such proceeds and all such awards received by or payable to the Seller after
Closing on account thereof shall be paid over to Purchaser as a post-closing adjustment under
Section 2. Seller's obligation to transfer to Purchaser all such proceeds and all such awards
received by or paid to the Seller after Closing shall survive the Closing hereunder.

d. Notwithstanding anything in this Agreement to the contrary, unless
Purchaser has elected to terminate this Agreement, as provided in subsection (c) above, the
Closing Date shall be thirty (30) days after receiving any Condemnation Notice, or the date set forth in Section 8, whichever is later.

5. Title Insurance/Survey.

a. Within three (3) business days following the Effective Date, Seller shall deliver to Purchaser and Escrow Agent a copy of Seller’s title insurance policy insuring Seller’s fee simple title to the Property, and a copy of Seller’s existing boundary survey of the Property. Purchaser, at its sole cost and expense, shall obtain an owner’s title insurance commitment (“Title Commitment”) from First American Title Insurance Company, through its agent Broad and Cassel (or from such other nationally recognized title insurance company acceptable to Purchaser). Marketable title shall be determined according to the Title Standards adopted by authority of The Florida Bar and in accordance with Florida law. Following the Effective Date, Purchaser shall promptly order an ALTA/ACSM survey or an update of Seller’s existing survey, prepared by a Florida licensed surveyor and depicting the Property and all of the plottable exceptions to the Title Commitment (“Survey”). Purchaser shall have until the expiration of the Inspection Period within which to examine the condition of Seller’s title to the Property. If the Title Commitment or the Survey reflects that title to the Property is subject to any exceptions or other survey matters unacceptable to Purchaser, Purchaser shall, prior to the expiration of the Inspection Period, notify Seller in writing of the specific title defects (“Title Objections”). Any exceptions listed in the Title Commitment to which Purchaser has not timely objected shall be deemed to be “Permitted Exceptions.” Seller, at Seller’s sole cost and expense, shall use commercially reasonable efforts to correct or remove such Title Objections within thirty (30) days after receipt of notice from Purchaser. If Seller is not successful in correcting or removing the Title Objection within such thirty (30) day period, Purchaser shall have the option of either accepting the title in its existing condition, or of terminating this Agreement by sending written notice of termination to Seller and Escrow Agent. In the event that Purchaser elects to terminate this Agreement, Escrow Agent shall return the Deposit to Purchaser, and, thereafter, neither Purchaser nor Seller shall have any further liabilities or obligations hereunder except with respect to those obligations which expressly survive termination.

b. Seller covenants and agrees that after the Effective Date it shall not enter into or record any document or instrument, or enter into any lease or other agreement, affecting or burdening the Property, unless Purchaser has consented in writing to the execution or recordation of such document, instrument, lease or agreement. If any updated endorsement to the Title Commitment or any update of the Survey obtained prior to Closing reveals any exception or survey defect not reflected on the Title Commitment or the Survey that was not consented to by Purchaser, Seller, at Seller’s sole cost and expense, shall have such exception deleted from the Title Commitment, or such survey defect removed or cured prior to Closing. If Seller is not successful in removing the same by the Closing Date, Purchaser shall have the option of either accepting the title in its existing condition, or of terminating this Agreement by sending written notice of termination to Seller and Escrow Agent. In the event that Purchaser elects to terminate this Agreement, Escrow Agent shall return the Deposit to Purchaser. Notwithstanding anything else to the contrary in this Agreement, in the event Seller fails to remove an exception revealed in the Title Commitment, or any update thereof (whether or not objected to by Purchaser), in the form of: (1) a mortgage or other security interest created into by Seller; (2) a lien or encumbrance of any kind or nature voluntarily created by Seller at any time

on or after the date of this Agreement; or (3) a mechanic's or materialman's lien or a judgment
docketed against the Property, in any case resulting from the non-payment by Seller of any sums
alleged to be due and owing by Seller to a contractor or materialman or otherwise voluntarily
causd or created by Seller, then in addition to the return of the Deposit, Purchaser shall be
titled to recover from Seller all third party costs incurred by Purchaser, including reasonable
attorneys' fees and costs, in connection with this Agreement and the Property.

6. Covenants of Seller; Operation of the Property. Seller hereby covenants and
agrees that from and after the Effective Date:

a. Seller will not, without the Purchaser's prior written consent, create by its
consent any encumbrances on the Property, other than unrecorded agreements and leases that
may be terminable upon written notice prior to Closing. For purposes of this provision the term
“encumbrances” shall include, but not be limited to, any liens, claims, options, or other
encumbrances, easements, rights-of-way, easements, covenants, conditions or restrictions.

b. Seller shall pay all assessments and taxes prior to becoming delinquent.

c. Seller will not create or cause to be created on the Property or make any change to the
condition of the Property without the prior written consent of the Purchaser.

d. Seller will not remove any fill or cause any change to be made to the
condition of the Property without the prior written consent of the Purchaser.

e. Seller shall take no action with respect to the Property that would alter or
affect any of the representations or warranties of Seller under this Agreement or which would in
any manner affect Purchaser's future use and development of the Property.

f. Seller shall maintain the Property in its current condition and shall not take
any action that could or will adversely affect the value of the Property or alter the condition of
the Property.

g. Prior to Closing, Seller will close all utility accounts servicing the
Property (including but not limited to electricity, cable, gas, telephone, and any other utilities)
and arrange for all tenant utility accounts to be closed, and shall obtain letters from each service
provider acknowledging that service has been disconnected to the Property.

7. Closing Documents. The Closing documents shall be provided by the parties as
set forth below:

a. At Closing Seller shall execute and/or deliver to Purchaser, in form
acceptable to Purchaser:

i. Warranty Deed. A warranty deed in recordable form, duly
executed by the Seller, conveying to the Buyer good, marketable and insurable fee simple title to
the Property subject only to the permitted exceptions as reflected in the Commitment which have
not been objected to by Buyer, with the legal description provided in the Commitment.
ii. Affidavit. An owner's and contractor's affidavit adequate for title insurance to be issued by the Title Company without exception for parties in possession, mechanics' or materialmen's liens and to permit the Title Company to delete the "gap" in the Title Commitment.

iii. FIRPTA Affidavit. In order to comply with the requirements of the Foreign Investment Real Property Tax Act of 1980 ("FIRPTA"), Seller will deliver to Buyer at Closing Seller's affidavit under penalty of perjury stating the Seller is not a "foreign person," as defined in Section 1445 of the Internal Revenue Code of 1986 and the U.S. Treasury Regulations thereunder, setting forth Seller's taxpayer identification number, and that Seller intends to file a United States income tax return with respect to the transfer. Seller represents and warrants to Buyer that it has not made nor does Seller have any knowledge of any transfer of the Property or any part thereof that is subject to any provisions of FIRPTA that has not been fully complied with by either transferor or transferee.

iv. A duly executed certification that every representation and warranty of Seller under this Agreement is true and correct as of the Closing as it made by Seller at such time;

v. Any and all documents reasonably requested by Purchaser or the Title Company in connection with Seller's authority to execute this Agreement, the deed and all other documents contemplated under this Agreement;

vi. A closing statement prepared by Escrow Agent setting forth all amounts paid, credited and otherwise due, payable and paid hereunder ("Closing Statement"); and

vii. Such additional documents or instruments as may be required to effectuate the terms, conditions and provisions hereof and to carry out the intent of the parties hereto, or as may be reasonably required by the title insurance company, so as to be able to delete at Closing all of the requirements of Schedule B-Section 1 of the Title Commitment and all of the standard printed exceptions (other than the exception for taxes and assessments for the current year not yet due and payable, and the survey exception, which shall be limited to the specific matters affecting the Property reflected on the Survey) from Schedule B-Section 2 of the Title Commitment, and to insure the gap between the effective date of the Title Commitment and the recording of the deed conveying title to the Property from Seller to Purchaser.

b. At Closing, Purchaser shall deliver to Seller:

(i) Closing Statement executed in counterpart;

(ii) The Assignment Agreement executed in counterpart;

(iii) The Purchase Price (as adjusted for all credits, adjustments and prorations set forth in this Agreement); and

(iv) Such additional documents or instruments as may be reasonably required or requested by Seller to effectuate the terms, conditions and provisions of this
8. **Closing Expenses.** Except as otherwise provided herein, the consummation of the transactions described in this Agreement ("Closing") shall take place at the offices of Purchaser's counsel or by mail on May 31, 2014 ("Closing Date"). Seller shall not be obligated to terminate the leases and vacate the tenants from the Property if Purchaser does not deliver the Closing Notice described below in Section 13(a) and the Fourth Deposit to Escrow Agent as described above in Section 2(a), and provided that the Closing Date may be extended by Seller if required and as necessary pursuant to Section 13(a) hereof. Purchaser shall have the right, in Purchaser's sole option, to extend the Closing Date for up to three (30) days, by delivering written notice to Seller at least five (5) days prior to the then-scheduled Closing Date, notifying Seller of such extension and paying to Escrow Agent an extension fee of Ten Thousand and No/100 Dollars ($10,000.00) (the "Extension Fee") for each of the three extensions, which shall be non-refundable except in the event that (i) the Seller fails, refuses or is unable to perform all of its obligations under this Agreement; (ii) one or more of the Closing Conditions in favor of the Purchaser set forth in Section 11 has not been satisfied; or (iii) as otherwise specifically provided in this Agreement. The Extension Fee paid by Purchaser shall be applicable to the Purchase Price at Closing. In the event the transaction does not close, for any reason other than in the event that (i) the Seller fails, refuses or is unable to perform all of its obligations under this Agreement; (ii) one or more of the Closing Conditions in favor of the Purchaser set forth in Section 11 has not been satisfied; or (iii) as otherwise specifically provided in this Agreement, Escrow Agent shall deliver to Seller any Extension Fee paid to Escrow Agent.

   a. At Closing, Seller shall pay for the cost of state documentary stamps and surtax on the warranty deed and for the recording of, and any and all other costs and expenses of obtaining, all title corrective instruments.

   b. At Closing, Purchaser shall pay the fee for recording the warranty deed, the costs of the Survey, and all title search fees and other costs pertaining to the Title Commitment and for the title insurance premium, at the Insurance Commissioner's Minimum Promulgated Rate, on the Owner's title insurance policy to be issued to Purchaser pursuant to the Title Commitment in an amount equal to the Purchase Price.

9. **Prorations.** The following items shall be adjusted, apportioned, and allowed as of the Closing Date:

   a. **Special Assessment Liens.** If, on the Closing Date, the Property or any part thereof, shall be or shall have been affected by any certified, confirmed, and ratified special assessment liens, the same shall be paid and discharged by Seller. Pending liens shall be assumed by Purchaser; provided, however, that once the amount of a pending special assessment lien has been finally determined, the amount of the special assessment lien shall be prorated and Seller shall reimburse Purchaser for any amounts paid by Purchaser which are allocable to the period of time Seller owned the Property within thirty (30) days of Purchaser's delivery to Seller of the proration statement.

   b. **Real Estate Taxes.** If the Closing shall occur before the tax rate is fixed, the apportionment of taxes shall be based upon the real estate taxes for the previous year. If the
Property is not assessed for real estate purposes as a separate parcel, but is part of a larger parcel, the taxes attributable to land shall be prorated on a per acre basis, however no taxes attributable to improvements shall be allocated to the Property which is vacant. If the tax rate is not fixed, or if the Property is not taxed as a separate parcel, as aforesaid, the parties agree to make an appropriate adjustment upon the issuance of the actual statement for the taxable year. Thus, if at the time of Closing, the taxes for the current year have not been finally determined, Seller or Purchaser, as the case may be, agree to pay any balance later found to be due on the reporportion of the actual taxes for the year in which the Closing occurred, within thirty (30) days of the determination thereof.

c. The provisions of this Section 9 shall survive the Closing.

10. Approvals.

a. Governmental Approvals. Purchaser shall have the right to pursue the final issuance of: (i) all zoning and other governmental approvals from applicable governmental authorities having jurisdiction over the Property, to permit the construction, completion and operation of the Contemplated Improvements; (ii) final site plan approval, for which all appeal periods have expired with no appeal having been filed, for the Contemplated Improvements from the applicable governmental and regulatory authority(ies); (iii) concurrency and utility approvals; (iv) storm water drainage permit issued by any applicable water management district; (v) building permits issued by Miami, Florida; and (v) any other governmental and regulatory approvals and/or permits required in connection with the construction of the Contemplated Improvements (collectively the “Government Approvals”). Seller agrees to apply for, or join in any and all applications, permits, consents, zoning, land use, concurrency, platting and other permitting, etc., that may be required to be filed in connection with the Government Approvals. Purchaser shall pay all reasonable and documented costs associated with obtaining the Government Approvals.

b. LIHTC Application. Purchaser shall submit an application to Florida Housing Finance Corporation (FHFC) for Low Income Housing Tax Credits (LIHTC) on or before the application deadline established by FHFC, subject to change based upon the FHFC determination. Purchaser shall have until the later of (i) February 15, 2014 or (ii) three (3) business days after the date upon which FHFC releases the final scores to determine if it will be successful in obtaining an allocation of LIHTC in an amount sufficient to construct the Contemplated Improvements (the “Final Scores Deadline”). If this condition precedent is not satisfied on or before the Final Scores Deadline, then Purchaser shall be entitled (but Purchaser shall not be obligated) to terminate this Agreement by providing written termination notice to Seller within five (5) business days after the Final Scores Deadline and upon such termination by Purchaser, the Deposit shall be refunded to Purchaser and the parties shall be relieved of all further liability under this Agreement, except for those obligations which expressly survive termination of this Agreement. If this condition precedent is satisfied on or before the Final Scores Deadline, the First Deposit shall become non-refundable to Purchaser except in the event that (i) the Seller fails, refuses or is unable to perform all of its obligations under this Agreement; (ii) one or more of the Closing Conditions in favor of the Purchaser set forth in Section 11 has not been satisfied; or (iii) as otherwise specifically provided in this Agreement.
c. **LIHTC Approval.** Purchaser shall have until the later of (i) May 15, 2014 or (ii) three (3) business days after the date upon which FHFC approves the final ranking of applications to determine if it will be successful in obtaining credit underwriting approval for an allocation of LIHTC in an amount sufficient to construct the Contemplated Improvements (the "LIHTC Approval Deadline"). If this condition precedent is not satisfied on or before the LIHTC Approval Deadline, then Purchaser shall be entitled (but Purchaser shall not be obligated) to terminate this Agreement by providing written termination notice to Seller and upon such termination by Purchaser, the Second Deposit shall be refunded to Purchaser and the parties shall be relieved of all further liability under this Agreement, except for those obligations which expressly survive termination of this Agreement. If this condition precedent is satisfied on or before the LIHTC Approval Deadline, the Second Deposit shall become non-refundable to Purchaser except in the event that (i) the Seller fails, refuses or is unable to perform all of its obligations under this Agreement; (ii) one or more of the Closing Conditions in favor of the Purchaser set forth in Section 11 has not been satisfied; or (iii) as otherwise specifically provided in this Agreement.

11. **Closing Conditions.** Purchaser's obligation to close this transaction shall be subject to the satisfaction of each of the following conditions on or before the Closing Date:

a. Seller shall not be in default under any term, covenant or conditions of this Agreement.

b. Each of the representations and warranties of Seller set forth in this Agreement shall be true, complete and correct at the date of the Closing as if made at that time, and the Seller shall have delivered its certificate to such effect to Purchaser.

c. Purchaser shall have received the Approvals described in Section 10(a) hereof and be awarded the LIHTC funds.

d. There shall not be a sewer, water, building or other moratorium in effect which would interfere with the immediate construction and occupancy of Purchaser's Contemplated Improvements ("Moratorium").

d. Adequate public utilities are available at or near the Property in sufficient capacity to service the Contemplated Improvements.

At the Closing, the First American Title Insurance Company, through its agent Broad and Cassel, shall irrevocably commit to issue to Purchaser an ALTA Owner's Policy of title insurance, dated as of the date and time of the recording of the deed, in the amount of the Purchase Price, insuring Purchaser as owner of good, marketable and indefeasible fee simple title to the Property, free and clear of liens, and subject only to the Permitted Exceptions ("Title Policy").

In the event that any of the foregoing conditions precedent to Closing have not been satisfied as of the Closing Date, Purchaser shall have the right to waive any or all of the foregoing conditions and close this transaction or Purchaser shall have the right to terminate the Agreement, and in such event the Deposit and all interest earned thereon shall be refunded to Purchaser and neither party shall have any further rights or obligations hereunder, except those
obligations which survive termination of the Agreement. If at the time of Closing, there is a Moratorium in effect with respect to the Property as described in Section 11(c), then at Purchaser's option (by written notice to Seller): (i) this Agreement shall be terminated and in such event the Deposit shall be refunded to Purchaser and neither party shall have any further rights or obligations hereunder, except those obligations which survive termination of the Agreement; or (ii) the Closing Date may be extended to the earlier of twenty (20) days after the date the Moratorium is lifted or six (6) months from the scheduled Closing. If the Closing Date is extended and if the Moratorium is still in effect six (6) months from the scheduled Closing, then unless Purchaser waives the existence of such Moratorium as a Closing condition and elects to close this transaction, this Agreement shall be terminated and neither party shall have any further rights or obligations hereunder, except those obligations which survive termination of the Agreement. If Purchaser waives such condition, the Closing shall take place within twenty (20) days after expiration of such six (6) month period.

12. **Broker.** Seller and Purchaser represent and warrant each to the other that they have not dealt with any real estate broker, salesperson or finder in connection with this transaction. In the event of any claim for a broker's or a finder's fee or commission in connection with the negotiation, execution or consummation of this Agreement or the transactions contemplated hereby, each party shall defend, indemnify and hold harmless the other party from and against any such claim based upon any statement, representation or agreement of such party. The mutual indemnities and representations and warranties of each of Seller and Purchaser in this Section 12 shall survive the Closing.

13. **Seller's Representations and Warranties.** Seller represents and warrants to Purchaser and covenants and agrees with Purchaser as follows:

   a. **Tenant Notice to Vacate.** Seller has provided copies of eight leases as listed on Exhibit B attached hereto, and hereby represents that all other leases in effect are month - to - month leases. Seller shall provide complete and accurate signed copies of all leases, amendments and terminations signed between the date hereof and the Closing Date, within five (5) days after the execution thereof. Seller agrees that all leases signed between the date hereof and the Closing Date shall either be month - to - month leases or shall include one of the two alternative paragraphs set forth on Exhibit C attached hereto. Purchaser agrees to provide written notice to vacate to Seller's tenants after Purchaser has deposited the Fourth Deposit into escrow and delivered to Seller the Closing Notice. Seller shall fully cooperate and assist Purchaser in preparing said notices with correct addresses and contact information for each tenant at that time. Seller shall fully cooperate and assist Purchaser with all matters associated with the actual vacation of the Property by the tenants prior to Closing as set forth in Section 13(b) of this Agreement, but the vacation of the Property by the tenants shall not be a condition to Closing and Purchaser shall close subject to the rights of any tenants still in possession at the time of the Closing, as may be extended as set forth herein. At Closing, all tenant deposits and rent for the period after the Closing Date for tenants still in possession on the Closing Date shall be credited to Purchaser by Seller.

   b. **Seller has not entered into any contracts, subcontracts, arrangements, licenses, concessions, easements or other agreements, either recorded or unrecorded, written or oral, affecting all, or any portion of, or any interest in the Property, which will not have been**
terminated or expired prior to Closing (other than leases as provided herein). Seller shall provide to Purchaser, within sixty (60) days prior to Closing, a rent roll of all leases, including security deposits held, and copies of all leases, amendments and modifications thereof, to Purchaser regarding the tenants in possession. Purchaser shall deliver to Seller a notice of Purchaser’s intended date to Close (“Closing Notice”) at least sixty-five (65) days in advance thereof and, at such time as Purchaser has deposited the Fourth Deposit as required herein, Purchaser agrees to give the tenants notice of termination of their leases, with Seller’s full cooperation and assistance. In the event a tenant does not vacate within the period required therefor in its lease, Purchaser may extend the Closing Date by up to sixty (60) additional days by delivering written notice of such extension to Seller prior to the scheduled Closing Date in order for Purchaser, with Seller’s cooperation and assistance, to evict such tenant from the Property.

c. To the best of Seller’s knowledge, there are no: (1) existing or pending improvement or special assessment liens affecting the Property; (2) violations of building codes and/or zoning ordinances or other governmental or regulatory laws, ordinances, regulations, orders or requirements affecting the Property; (3) existing, pending or threatened lawsuits, or appeals of prior lawsuits, affecting the Property; (4) existing, pending or threatened condemnation proceedings affecting the Property; (5) existing, pending or threatened zoning, building or other ministerial, downzoning petitions, proceedings, restrictive allocations or similar matters that could adversely affect the development of the Contemplated Improvements on the Property; or (6) unrecorded easements, restrictions or encumbrances affecting any or any part of the Property;

d. Seller has not used, manufactured, stored, or released any “Hazardous Materials” (as hereinafter defined) on, in or around the Property, and, to the best of Seller’s knowledge, no other person or entity has ever used, manufactured, stored or released any Hazardous Materials on, in or around the Property, and, to the best of Seller’s knowledge, no Hazardous Materials are present on, on, under or around the Property. As used herein, “Hazardous Materials” shall mean petroleum and petroleum based products and any other substance or material, the use, manufacture, storage, release or presence of which in land, water or elsewhere in the environment is limited, prohibited or in any other way regulated by any federal, state or local law, ordinance, rule or regulation. Seller further represents and warrants that, to the best of Seller’s knowledge, no portion of the Property has ever been used as a landfill or a dump;

e. There are no agreements currently in effect which prohibit or restrict the sale of the Property;

f. Seller has the right, power and authority to execute and deliver this Agreement, to perform each and every obligation of Seller hereunder, and to consummate the transactions contemplated by it; neither the execution and delivery of this Agreement, and, to the best of Seller’s knowledge, neither the performance or consummation of the obligations and transactions contemplated by it, nor the fulfillment of, nor the compliance with, the terms, conditions and provisions of this Agreement will conflict with, or result in a violation or breach of, any relevant law, or any other instrument or agreement of any nature to which Seller is a party or by which it is bound or may be affected, or constitute (with or without the giving of notice or the passage of time) a default under such an instrument or agreement; no consent,
approval, authorization or order of any person is required with respect to the execution or delivery of this Agreement or the performance and consummation of the transactions contemplated by this Agreement;

g. No commitments or agreements have been or will be made by Seller to any governmental authority, utility company, school board, church or other religious body, any homeowners or homeowners’ association, or any other organization, group or individual, relating to the Property which would impose an obligation upon Purchaser to make any contributions or dedications of money, land, or any interest in land, to construct, install or maintain any improvements of a public or private nature on or off the Property, or otherwise impose any obligations or liability on Purchaser or the Property;

h. All utilities, including without limitation, water, sewer, electricity, telephone, gas and cable television which are necessary or desirable and in the capacities or size required for development of the Property are available at or near the boundaries of the Property at the rates generally chargeable to developers in Miami-Dade County, Florida;

i. All agreements, documents, studies and other materials delivered to Purchaser pursuant to the provisions of Section 3(a) are true, correct and complete copies of all such items;

j. Seller has received no notice of and to its knowledge there is no violation of any law, regulation, ordinance, order or judgment affecting the Property;

k. Seller owns the Property in fee simple, subject only to those matters disclosed in the Title Commitment.

At all times during the term of this Agreement and as of the Closing Date, all of Seller’s representations, warranties and covenants in this Agreement shall be true and correct; no representation or warranty by Seller contained in this Agreement and no statement delivered or information supplied to Purchaser pursuant to this Agreement contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements or information contained in them or in this Agreement not misleading. In the event that any of the foregoing representations or warranties becomes untrue as a result of an act of a third party which is unrelated to and unaffiliated with Seller then such inaccuracy shall not be deemed to be a breach by the Seller, but such inaccuracy shall permit Purchaser to terminate this Agreement. The provisions of this Section 13 shall survive the Closing.

14. Default. In the event that Purchaser shall fail to perform its obligations hereunder and such failure is through no fault or failure of Seller to comply with its obligations hereunder, Seller may, as its sole, exclusive and absolute remedy, terminate this Agreement and retain, as full and complete agreed upon liquidated damages, the Deposit. If Seller shall refuse to close, despite its obligation to close hereunder, or if any of the representations, warranties and covenants of Seller shall at any time on or before Closing be found to be false or misleading in any material respect, or if Seller is otherwise in default under the terms and provisions of this Agreement, Purchaser may: (i) terminate this Agreement and obtain the return of its Deposit, or (ii) Purchaser may seek specific performance of Seller’s obligations hereunder, unless specific
performance is not available to Purchaser, in which case Purchaser may seek any other remedy available at law or equity.

15. Notice. All notices, consents, approvals, waivers and elections which any party shall be required or shall desire to make or give under this Agreement shall be in writing and shall be sufficiently made or given only when delivered in person, or sent by facsimile with the original simultaneously sent by nationwide overnight delivery service:

17. **Radon Gas Notice.** Pursuant to Florida Statutes Section 404.056(5), Seller hereby makes, and Purchaser hereby acknowledges, the following notification:

Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. 18. **Escrow Agent.**

   a. Escrow Agent undertakes to perform only such duties as are expressly set forth in this Agreement. Escrow Agent shall not be deemed to have any implied duties or obligations under or related to this Agreement.

   b. Escrow Agent may: (a) act in reliance upon any writing or instrument or signature which it, in good faith, believes to be genuine; (b) assume the validity and accuracy of any statement or assertion contained in such a writing or instrument; and (c) assume that any person purporting to give any writing, notice, advice or instructions in connection with the provisions of this Agreement has been duly authorized to do so. Escrow Agent shall not be liable in any manner for the sufficiency or correctness as to form, manner of execution, or validity of any instrument deposited in escrow, nor as to the identity, authority, or right of any person executing any instrument; Escrow Agent’s duties under this Agreement are and shall be limited to those duties specifically provided in this Agreement.

   c. The parties to this Agreement do and shall indemnify Escrow Agent and hold it harmless from any and all claims, liabilities, losses, actions, suits or proceedings at law or in equity, or other expenses, fees, or charges of any character or nature, including attorneys’ fees and costs, which it may incur or with which it may be threatened by reason of its action as Escrow Agent under this Agreement, except for such matters which are the result of Escrow Agent’s gross negligence or willful malfeasance.
d. If the parties (including Escrow Agent) shall be in disagreement about the interpretation of this Agreement, or about their respective rights and obligations, or about the propriety of any action contemplated by Escrow Agent, Escrow Agent may, but shall not be required to, file an action in interpleader to resolve the disagreement; upon filing such action, Escrow Agent shall be released from all obligations under this Agreement. Escrow Agent shall be indemnified for all costs and reasonable attorneys’ fees, including those for appellate matters and for paralegals and similar persons, incurred in its capacity as escrow agent in connection with any such interpleader action; Escrow Agent may represent itself in any such interpleader action and charge its usual and customary legal fees for such representation, and the court shall award such attorneys’ fees, including those for appellate matters and for paralegals and similar persons, to Escrow Agent from the losing party. Escrow Agent shall be fully protected in suspending all or part of its activities under this Agreement until a final judgment in the interpleader action is received.

e. Escrow Agent may resign upon five (5) calendar days’ written notice to Seller and Purchaser. If a successor escrow agent is not appointed jointly by Seller and Purchaser within the five (5) calendar-day period, Escrow Agent may petition a court of competent jurisdiction to name a successor.

f. Seller and Purchaser acknowledge and agree that Escrow Agent is the law firm representing Purchaser with regard to this Agreement and the transaction which is the subject hereof, and hereby waive any claim against Escrow Agent based upon a conflict of interest as a result of Escrow Agent serving in such dual capacities, excluding only actions by Escrow Agent constituting knowing and intentional misconduct. Seller further agrees that Escrow Agent shall be permitted to represent Purchaser in all aspects of this Agreement and the subject transaction, including, without limitation, any dispute with respect to the Deposit.

g. The provisions of this Section shall survive the Closing and also the cancellation of this Agreement.

19. General Provisions. The following general terms and conditions apply to this Agreement:

a. Singular/Plural – Masculine/Feminine. Words used herein in the singular shall include the plural and words in the masculine/feminine/neuter gender shall include words in the masculine/feminine/neuter where the text of this Agreement requires.

b. Titles. Headings in this Agreement are for convenience only.

c. Successors. The terms, covenants, and conditions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, successors, and assigns, except as herein limited.

d. Choice of Law. This Agreement shall be interpreted according to the laws of the State of Florida.

e. Time. Time is of the essence in the performance of each and every one of the obligation of the parties to this Agreement. Unless otherwise specified, in computing any
period of time described herein, the day of the act or event for which the designated period of
time begins to run is not to be included and the last day of the period so computed is to be
included, unless such last day is a Saturday, Sunday or legal holiday, in which event the period
shall run until the end of the next day which is neither a Saturday, Sunday or legal holiday.

f. **Effective Date.** The last date this Agreement is executed by Purchaser and
   Seller shall be deemed to be the "Effective Date" of this Agreement.

    supersedes all other agreements and understandings of every character of the parties and
    comprises the entire agreement between them. This Agreement may not be changed, except in
    writing signed by the parties. No waiver of any rights or obligations hereunder shall be deemed
to have occurred unless in writing signed by the party against whom such waiver is asserted and
no waiver shall be deemed a waiver of any other or subsequent right or obligations. The parties
acknowledge that the parties and their respective counsel have reviewed and revised this
Agreement and, therefore, the normal rule of construction of contracts that any ambiguities are to
be resolved against the drafting party shall not be employed in the interpretation of this
Agreement and any exhibits or amendments thereto. If any portion of this Agreement is held to
be invalid or inoperative, the remainder of it shall be deemed valid and operative, and effect shall
be given to the intent manifested by the portion held invalid or inoperative to the extent possible.

21. **Seller Cooperation.** So long as Seller is not required to incur any cost or expense
    with regard thereto, Seller shall cooperate with Purchaser in performing its due diligence with
    respect to the Property and in seeking any and all consents, permits or approvals regarding the
    Property as Purchaser may request, and Seller shall promptly join in all applications for building
    permits, certificates or other agreements, and permits for sewer, water, or other utility services,
    other instruments or other permits or approvals, the granting of or entry into which, by any
governmental or quasi-governmental authority having jurisdiction over the Property, is, in
Purchaser's reasonable opinion, necessary to permit the development, construction, use or
occupancy of the Contemplated Improvements.
