H. BUDGET DETAIL:

Using the definitions provided below, the detailed, line-item budget clarifies the Budget Summary shown in Section G. Budget Category Sub-Totals have been rounded to the nearest whole dollar value. Up to 10% of grant funds may be used for administrative costs, excluding the cost of meeting reporting requirements of the program.

Administrative costs are defined as: allowable, reasonable, and allocable Direct and Indirect costs related to overall management of the awarded grant (including travel). For each budget line-item, the appropriate column identifies if the cost is: 1) Grant or Match, 2) a Direct cost used to calculate Indirect Costs (if approved) and 3) whether the cost is Administrative in nature. A description of what is required for each budget category is as follows:

1. Salaries - Identify the persons to be compensated for work on this project by name (if known), position, and title. Show the hourly cost and total hours to be charged for each person or position. Divide annual salaries by 2080 hours and nine month academic salaries by 1560 hours, to find the hourly rate.
2. Fringe Benefits - Multiply the rate by the total salaries to which fringe benefits apply. If the rate is variable, explain and show calculations.
3. Travel - List trips by their purpose and/or destination. Indicate the number of days for each trip. The Department will only reimburse for travel at the appropriate State of Florida rate (Section 112.061, Florida Statutes), using the forms referenced in Attachment B, Payment Request Summary Form. Be prepared to provide the Department with details on costs utilized to calculate the "Amount Budgeted" for each trip.
4. Supplies & Other Expenses - List expendable supplies by category description, unit costs and quantity. List other expenses not included in any of the above categories. Examples would be printing, copying, postage, communications, etc. Non-expendable equipment valued at less than \$1,000 may be listed also. Include only expenses directly related to the project, not expenses of a general nature. For Match only, list costs related to donated real property such as land (not to exceed the fair market value of the property).
5. Equipment - List non-expendable personal property/equipment valued at \$1,000 or more by description, unit cost, and quantity. Computers and data-processing equipment should be described in detail.
6. Contractual Services - Subcontractors should provide the same information required by this budget table, with the following exceptions: (a) when professional services are provided at a pre-existing approved rate or fee shown on the budget; or (b) the subcontract is to be obtained competitively. For either (a) or (b), show an estimated maximum amount.
7. Indirect Costs/Rate - Indirect Costs are not authorized.

THIS AGREEMENT is entered into between the FLORIDA DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES whose address is 407 South Calhoun Street, Tallahassee, Florida 32399-0800 (hereinafter referred to as the "Department") and the FLORIDA HOUSING FINANCE CORPORATION, whose address is 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329 (hereinafter referred to as "Grantee" or "Recipient"), public corporation of the State, to provide financial assistance for the Multifamily Energy Efficiency Retrofit Program.

In consideration of the promises and mutual agreements contained herein, the Department and the Grantee acknowledge and agree as follows:

1. The United States Department of Energy (USDOE) awarded funding to the Department pursuant to USDOE through American Recovery and Reinvestment Act (ARRA) Grant Agreement No. State Energy Program (SEP) Grant Agreement No. DE-EE0000241. The Grantee shall be a sub-grantee of federal financial assistance from USDOE. The Grantee is responsible for complying with the appropriate state and federal guidelines in the performance of its activities pursuant to this Agreement.
2. The Grantee agrees to perform in accordance with the terms and conditions set forth in this Agreement, its attachments and exhibits named and incorporated by reference.
3. This Agreement shall begin upon execution by both parties and end no later than June 30, 2023, inclusive. The Department shall have the option to renew on the same terms and conditions for additional terms as determined by the parties. If the term is not renewed, and the Grantee has not liquidated the investments portfolio, the Parties will proceed under paragraph 12. Profit to the Grantee, or any of its subgrantees, is prohibited by 10 Code of Federal Regulations (CFR) Part 600. This Agreement may be amended to revise Attachment A, if additional funding is made available by the USDOE and/or the Florida Legislature.
4.
 - A. The total amount of the Department's sub-award of initial federal financial assistance to the Grantee as the "Program Funding" is not to exceed \$6,297,600. The initial amount not to exceed \$5,686,987 is designated as "Program Capital" for the Grantee to commit in accordance with the Program requirements and Attachment A, Grant Work Plan. The term Program Funding shall also include Additional Capital. The initial amount not to exceed \$610,613 is designated as "Allowable Grantee Expenses" for the Grantee to commit in accordance with the Program requirements and Attachment A, Grant Work Plan. "Allowable Grantee Expenses" shall be advanced to the Grantee. The term Program Capital shall include Additional Capital and loan repayments, net of administration costs. The Department shall make all payments consistent with Attachment A, Grant Work Plan. Any additional funds as may be allocated by the Department and added to this Agreement by written amendment to Attachment A, Grant Work Plan shall hereinafter be referred to as "Additional Capital". The parties understand and agree that this Agreement does not require a cost sharing or match on the part of the Grantee.
 - B. Subject to 4.C, overall "Allowable Grantee Expenses" as defined below and in Attachment A, Grant Work Plan, may not exceed 10% of Program Funding.

The Grantee shall be eligible for reimbursement of "Allowable Grantee Expenses" resulting from obligations resulting from and incurred during the term of this Agreement. The Allowable Grantee Expenses reimbursed by the Department may not exceed 10% of the Program Funding. The Department shall reimburse the Grantee on a quarterly basis after receipt and approval by the Department's Grant Manager of satisfactory reports and documentation as required in this

Agreement. Allowable Grantee Administrative Expenses include, but are not limited to, Program operational expenses such as legal, accounting or other professional services, insurance, necessary travel expenses, the Grantee's board meetings, etc.

- C. The Parties agree that the Grantee shall utilize the Program Capital to make distributions consistent with Attachment A, Grant Work Plan as the performance of this Agreement. All distributions shall be consistent with and limited to activities described in Attachment A, Grant Work Plan. The term "commit" or "commitment" when used herein shall mean actual loans. In addition to the foregoing, any Loan Repayments received by the Grantee, may be used by the Grantee only for additional commitments, and Allowable Grantee Expenses above the parameters established in paragraph 4.B.
- D. All reimbursement requests under this Agreement shall be submitted using the Attachment B, format in detail sufficient for a proper pre-audit and post-audit thereof. The Grantee shall submit a properly completed Attachment B, with supporting documentation of allowable costs, including for the final reimbursement request.
- E. All reimbursements under this Agreement shall be in compliance with the laws, rules and regulations applicable to the expenditure of State and federal funds. The State of Florida guidelines for allowable costs include, but are not limited, to the Florida Department of Financial Services' Reference Guide for State Expenditures located at <http://www.myfloridacfso.com>. - F. In addition to the requirements contained in paragraphs 4.D & E above, the Department may periodically request additional proof of a transaction to evaluate the appropriateness of costs to the Agreement pursuant to State of Florida guidelines. When requested, this information must be provided within 30 calendar days of such request.
- G. The Grantee agrees that the Program Funding shall be segregated from existing monies provided by the State of Florida or other existing or future contributors not directly affiliated with the Department through the use of maintaining separate accounting records. All Loan Repayments received by the Grantee, net of Allowable Grantee Expenses, shall be utilized pursuant to the terms of this Agreement, including Section 4 until the termination of this Agreement or the term ends consistent with paragraph 12, at which time all remaining Program Funding monies shall be returned to the Department in accordance with Section 12.
- H. Upon receipt, the Grantee shall deposit all Program Funding payments by the Department in an interest bearing account, until the Program Funding payments have been totally expended in accordance with this Agreement. Any interest earned on Program Funding shall be considered program income. Each Attachment C, Quarterly Progress Report, shall reflect the interest earned on the Department's Program Funding for the associated period. The Program Funding identified in Paragraph 4.A shall be increased by the amount of interest earned by the Grantee. The Grantee's interest reporting shall be accompanied by (i) documentation of the amount of interest earned by the deposits, the name of the depository(ies), and interest rate(s); (ii) copies of all bank or investment statements and computational worksheets applicable to the Program Funding; and (iii) any other applicable information requested by the Department.
- I. Prior written approval from the Department's Grant Manager shall be required for changes between approved, funded budget categories up to 10% of the total, approved Grant funds. Approval of such changes will be contingent upon submission of a revised Project Budget. Budget category changes greater than 10%, the addition of previously unapproved or unfunded budget categories or the addition of previously unapproved or unfunded budget line-items, will require a formal written amendment to the Agreement. The Department agrees to review a request by the Grantee to modify Attachment A, should the Grantee find, after receipt of competitive bids, that

the project described in Attachment A, cannot be accomplished for the current estimated project cost. If the Department agrees to a modification of Attachment A, it may be modified not to exceed the awarded funding identified above. Any such modification would be by formal written amendment, in accordance with Section 37. Nothing in this Section or Agreement is intended nor implies to guarantee approval of a request to modify or adjust Attachment A, or the available project funding.

5. The Department's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature of the State of Florida and the availability of federal funding for the specific purpose of funding the Department's obligations under this Agreement. In the event of a State revenue shortfall, withdrawal of State budget authorization and/or rescission of federal funding, the total funding may be reduced accordingly. The Department, in accordance with direction from the Governor and/or the Florida Legislature, shall have final determination of the availability of any funds.
6. The Grantee shall submit, using Attachment C, quarterly updates to describe the project progress, work performed, problems encountered, problem resolution, schedule updates and proposed work for the next reporting period. Attachment B may not be submitted more frequently than on a quarterly basis and must be accompanied by an Attachment C, corresponding to the last month of the quarter for which payment is requested. It is understood and agreed by the parties that the term "quarterly" shall reflect the calendar quarters ending March 31, June 30, September 30 and December 31. The Grantee shall submit Attachment C no later than 30 calendar days after the end of each quarter. The Department's Grant Manager may request additional information if the Department's Grant Manager determines it is necessary. The Department's Grant Manager shall have ten calendar days to review deliverables and payment requests submitted by the Grantee.
7. The Grantee shall submit an Annual Report not later than December 15th of each calendar year, if the term of the project exceeds one year. The Annual Report shall provide a narrative detailing and evaluating the accomplishments and impact of the project in the prior twelve months. The Annual Report shall follow the format described in Attachment K.
8. The Grantee shall also submit a Final Report no later than 45 calendar days prior to the expiration date of the Agreement. The Final Report will provide a final narrative detailing and evaluating the accomplishments and impact of the project. The Final Report will include an evaluation of the energy savings directly attributable to the project, projections of estimated energy savings expected to accrue from the project and policy recommendations, which may be helpful in implementing other projects of a similar nature.
9. Each party agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, Florida Statutes.
10.
 - A. Department staff will perform compliance monitoring during the term of the Agreement, in addition to the review of Attachment C., Quarterly Progress Reports, but not less than once a year, to ensure Agreement compliance. Monitoring shall include, but not be limited to, periodic review of compliance with Agreement service delivery, as described in Attachment A, Grant Work Plan as documented in Attachment C, Quarterly Progress Reports and also which includes a review of all Agreement requirements including the Attachments. The Department reserves the right for any Department staff to make scheduled or unscheduled, announced or unannounced compliance monitoring visits at any site where services are delivered pursuant to this Agreement. However, the Department shall give reasonable notice of at least five days that an inspection of a building and units or files will occur so that Grantee may notify loan recipients to notify tenants of the inspection or assemble tenant files for review.
 - B. For each on-site compliance monitoring visit, Department staff will provide an oral exit interview and a written monitoring report to the Grantee.
 - C. If issues of non-compliance are identified in the monitoring report, a written Corrective Action Plan (CAP) may be required of the Grantee. If required, the CAP shall be submitted to the Department's Grant Manager within ten calendar days of receipt of the monitoring report. If a

CAP is required of the Grantee, failure to correct deficiencies after thirty calendar days from the date-of-receipt of a written monitoring report notating the deficiencies may result in a determination of breach of Agreement and termination of services. If a CAP is not required of the Grantee, the Department may proceed under Section 11 and/or Section 14.

11. The Department may terminate this Agreement at any time in the event of the failure of the Grantee to fulfill any of its obligations under this Agreement. Prior to termination, the Department shall provide 30 calendar days written notice of its intent to terminate and shall provide the Grantee an opportunity to consult with the Department regarding the reason(s) for termination. Unless otherwise specified in the notice, the Grantee shall have thirty (30) days from the date of the notice to cure the default. If the Grantee believes that the default is of such a nature that it cannot be cured within the time set forth in the notice, then the Grantee may, within five (5) days of the date of the notice, request, in writing, additional time to cure the default. If this Agreement is terminated, the Department shall only pay for those acts satisfactorily completed under this Agreement prior to the date of termination. The Department shall not pay the Grantee for any work performed after such termination, except as described in Section 14.F.
12. The Department or Grantee may terminate this Agreement for convenience by providing the other party with 30 calendar days written notice. If this Agreement is terminated, the Department shall only pay for those acts satisfactorily completed under this Agreement prior to the date of termination. The Department shall not pay the Grantee for any work performed after such termination, except as described in Section 14.F.
13. This Agreement may be unilaterally terminated by the Department for refusal by the Grantee to allow public access to all documents, papers, letters or other material made or received by the Grantee in conjunction with this Agreement, unless the records are exempt from Section 24(a), Article I of the Florida Constitution and Chapter 119, Florida Statutes. If this Agreement is terminated, the Department shall only pay for those acts satisfactorily completed under this Agreement prior to the date of termination. The Department shall not pay the Grantee for any work performed after such termination, except as described in Section 14.F.

GRANT AGREEMENT NO. ARS138
GRANT WORK PLAN**

A. PROJECT TITLE:

Multifamily Energy Retrofit Program (Revolving Loan Fund)

B. PROJECT LOCATION:

Statewide; administered from Grantee's offices in Tallahassee.

C. PROJECT BACKGROUND:

The Grantee shall establish a revolving loan fund and administer loans to owners of older, affordable eligible multifamily rental properties for the purpose of energy retrofits. The Grantee shall determine eligibility through a Request for Proposals process; eligible properties shall undergo an energy audit completed by a qualified energy auditor to inspect the property and develop a report recommending improvements that will result in energy savings to the property. The Grantee and Grantee's servicer sub-contractors shall review the energy audit reports and approve a scope of work for each property. Based on the energy audit reports, the Grantee shall determine the amount of the loan, not to exceed \$5,000/residential unit (excluding soft costs/program fees), and the term of each loan. The Grantee shall report quarterly on the status of the project, and once retrofits are complete, the Grantee shall report quarterly on energy savings to the property based on data provided by utility companies.

D. PROJECT OBJECTIVES:

- **Objective 1: Reduce energy use at aging multifamily properties in Florida Housing's portfolio through targeted retrofits.**
- **Objective 2: Provide residents with a higher quality living experience and reduced utility costs.**
- **Objective 3: As a result of lower energy costs at properties, assist owners to have operating income available for other property purposes.**

E. PROJECT DESCRIPTION:

- **Task 1: Program development and capitalization.**
- **Task 2: Establish a pool of qualified energy auditors through a Request for Qualifications process.**
- **Task 3: Establish a contract with the University of Florida for utility data collection and analysis.**
- **Task 4: Develop Request for Proposals to determine interested and eligible loan recipients.**
- **Task 5: Select eligible loan recipients to proceed with energy audits.**
- **Task 6: Carry out energy audits and review energy reports and recommended scopes of work.**
- **Task 7: Develop final scope of work and loan terms for each property awarded funding, and seek Board of Directors' approval for each loan.**
- **Task 8: Report quarterly program performance to the Department.**

- **Task 9:** As contractors carry out retrofit work, inspect work to ensure quality and compliance with regulations, and disburse construction loan draws.
- **Task 10:** Once retrofits are complete, perform ongoing loan servicing and monitoring activities.
- **Task 11:** Collect quarterly reports on utility data to track performance over time and include information in quarterly reports to the Department.
- **Task 12:** As loans are repaid, continue the RLF Program.

H. BUDGET DETAIL:

Using the definitions provided below, the detailed, line-item budget clarifies the Budget Summary shown in Section G. Budget Category Sub-Totals have been rounded to the nearest whole dollar value. Up to 10% of grant funds may be used for administrative costs, excluding the cost of meeting reporting requirements of the program.

Administrative costs are defined as: allowable, reasonable, and allocable Direct and Indirect costs related to overall management of the awarded grant (including travel). For each budget line-item, the appropriate column identifies if the cost is: 1) Grant or Match, 2) a Direct cost used to calculate Indirect Costs (if approved) and 3) whether the cost is Administrative in nature. A description of what is required for each budget category is as follows:

1. Salaries - Identify the persons to be compensated for work on this project by name (if known), position, and title. Show the hourly cost and total hours to be charged for each person or position. Divide annual salaries by 2080 hours and nine month academic salaries by 1560 hours, to find the hourly rate.
2. Fringe Benefits - Multiply the rate by the total salaries to which fringe benefits apply. If the rate is variable, explain and show calculations.
3. Travel - List trips by their purpose and/or destination. Indicate the number of days for each trip. The Department will only reimburse for travel at the appropriate State of Florida rate (Section 112.061, Florida Statutes), using the forms referenced in Attachment B, Payment Request Summary Form. Be prepared to provide the Department with details on costs utilized to calculate the "Amount Budgeted" for each trip.
4. Supplies & Other Expenses - List expendable supplies by category description, unit costs and quantity. List other expenses not included in any of the above categories. Examples would be printing, copying, postage, communications, etc. Non-expendable equipment valued at less than \$1,000 may be listed also. Include only expenses directly related to the project, not expenses of a general nature. For Match only, list costs related to donated real property such as land (not to exceed the fair market value of the property).
5. Equipment - List non-expendable personal property/equipment valued at \$1,000 or more by description, unit cost, and quantity. Computers and data-processing equipment should be described in detail.
6. Contractual Services - Subcontractors should provide the same information required by this budget table, with the following exceptions: (a) when professional services are provided at a pre-existing approved rate or fee shown on the budget; or (b) the subcontract is to be obtained competitively. For either (a) or (b), show an estimated maximum amount.
7. Indirect Costs/Rate - Indirect Costs are not authorized.
8. Total Budget Category - Show the total of all line-items within a Budget Category.
9. Total Budget - Show the total of all categories.

INSTRUCTIONS FOR COMPLETING GRANT REIMBURSEMENT DOCUMENTATION DETAIL AND MATCH DOCUMENTATION DETAIL

Provide a detailed, line-item description using the worksheet provided for each Budget Category of funds Grantee is requesting for reimbursement or documentation of Match. Costs listed on the Grant Reimbursement Documentation Detail must reflect information on supporting documentation, must correspond with the approved Project Budget, the Payment Request Summary Form – Project Expenditures Summary Section and accompanying supporting documentation. The description of each line-item must include the month and year that the item was received; this month and year must fall within the Reimbursement Period. Any line-item with a corresponding month and year prior to the Reimbursement Period must be accompanied by a statement that this cost was not included in a prior Reimbursement Request. For each budget line-item, identify if the cost is: 1) Grant or Match, 2) a Direct cost used to calculate Indirect Costs (if approved), and 3) whether the cost is Administrative in nature. Provide accurate costs and do not round the amounts to the nearest whole dollar value.

Supporting documentation for each amount for which reimbursement is being requested must: 1) list the item that has been paid for, 2) be submitted in the order in which items are shown on the Grant Reimbursement Documentation Detail and the Match Documentation Detail and 3) be either highlighted or circled. Check numbers may be provided in lieu of copies of the actual checks. If an item was purchased with a credit card, reflect “paid by credit card” on Grant Reimbursement Documentation Detail or the Match Documentation Detail, in lieu of a check number and provide vendor receipt reflecting that the item was paid by credit card (this can be hand written) along with a copy of related credit card statement (credit card number and other confidential information may be blacked out). Each piece of documentation must clearly reflect the dates of service. Only expenditures for budget categories and budget line-items in the approved Project Budget will be reimbursed or documented as Match. Listed below are the types of documentation and examples of minimum requirements.

- (1) **Salaries:** A payroll register or similar documentation should be maintained. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.
- (2) **Fringe Benefits:** Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee, e.g., insurance premiums paid. If the Grant Agreement specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.

- (3) **Travel:** Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, including submission of the claim on the approved state travel form that has been signed and dated by the traveler and the traveler’s supervisor and copies of all travel receipts must also be attached. For additional information on documentation of travel costs, contact the assigned Department Grant Manager.
- (4) **Supplies - Other Expenses:** Reimbursement will be made based on paid invoices/receipts.
- (5) **Equipment:** Reimbursement will be made based on paid invoices/receipts. Attachment J, Property Reporting Form, must be properly completed, signed and attached to the Attachment B, Payment Request Summary Form for each item of equipment requested for reimbursement or match documentation.
- (6) **Contractual Services:** Reimbursement will be made based on paid invoices/receipts. Subcontractors must be listed on Attachment C, Monthly Progress Report, for the corresponding reimbursement period.
- (7) **Indirect Costs:** If the Grant Agreement allows recovery of Indirect Costs, the calculation of these costs must be based upon direct costs reflected in the corresponding reimbursement period, utilizing the Indirect Cost rate in the approved Project Budget.
