**Enterprise Enrollment
Sub 250 Program
Amendment ID W29**

002-shancock-s-309

This amendment ("Amendment") is entered into between the parties identified on the attached program signature form. It amends the Enrollment or Agreement identified above. All terms used but not defined in this Amendment will have the same meanings provided in that Enrollment or Agreement.

The parties agree that the Enrollment is amended as follows:

1. On the first page of the Enrollment, the following is added after the second paragraph:

By entering into this Enrollment, the Enrolled Affiliate agrees that (1) it also has 250 or more Qualified Devices or Qualified Users; or (2) as a condition of entering into this Enrollment with 25-249 Qualified Devices or Qualified Users, Enrolled Affiliate has elected not to receive CD ROMs as part of the Enrollment and therefore no CD ROMs will automatically be shipped. If Enrolled Affiliate is enrolling with 25-249 Qualified Devices or Qualified Users and it would like to receive CD ROM Kits and updates, Enrolled Affiliate may order these through its Reseller for a fee.

The submission of this Amendment can only be placed against a 2011 Enterprise Agreement or an Enrollment that has the Updated EA Amendment terms and conditions applied. The submittal of this Amendment may not be contingent on submittal of a new Enterprise Agreement.

2. Section 2a of the Enrollment titled "Order Requirements", is hereby amended and restated in its entirety with the following:

- a. **Minimum Order Requirements.** Enrolled Affiliate's Enterprise must have a minimum of 25 Qualified Users or Qualified Devices.
 - (i) **Initial Order.** Initial order must include at least 25 Licenses from one of the four groups outlined in the Product Selection Form.
 - (ii) **If choosing Enterprise Products.** If choosing Enterprise Products in a specific group outlined in the Product Selection Form, Enrolled Affiliate's initial order must include an Enterprise-wide selection of one or more Enterprise Products or a mix of Enterprise Products and corresponding Enterprise Online Services for that group.
 - (iii) **Additional Products.** Upon satisfying the minimum order requirements above, Enrolled Affiliate may order Additional Products.
 - (iv) **Country of Usage.** Enrolled Affiliate must specify the countries where Licenses will be used on its initial order and on any additional orders.

3. Software Assurance renewal.

<p>Renewing Software Assurance: If Enrolled Affiliate will be renewing Products Software Assurance coverage from a separate agreement, check this box.</p>	<input type="checkbox"/>
---	--------------------------

By checking the above box, a new section is added to the Enrollment entitled "Software Assurance addition."

Enrolled Affiliate is permitted to and will include in its initial order under this Enrollment Software Assurance quantities from eligible Program's identified in the table below, even though Enrolled Affiliate is not otherwise eligible to order such Software Assurance without simultaneously ordering a License.

Enrolled Affiliate agrees that any perpetual Licenses received through the New Software Assurance shall supersede and replace the underlying Licenses, and the underlying Licenses are not to be transferred separately from any Licenses received through the New Software Assurance. Any remaining payment obligations with respect to the underlying Licenses shall continue in effect.

Except for changes made by this Amendment, the Enrollment or Agreement identified above remains unchanged and in full force and effect. If there is any conflict between any provision in this Amendment and any provision in the Enrollment or Agreement identified above, this Amendment shall control.

Terms and Conditions

1. Definitions.

Terms used but not defined in this Enrollment will have the definition in the Enterprise Agreement. The following definitions are used in this Enrollment:

"Additional Product" means any Product identified as such in the Product List and chosen by Enrolled Affiliate under this Enrollment.

"Enterprise Online Service" means any Online Service designated as an Enterprise Online Service in the Product List and chosen by Enrolled Affiliate under this Enrollment. Enterprise Online Services are treated as Online Services, except as noted.

"Enterprise Product" means any Desktop Platform Product that Microsoft designates as an Enterprise Product in the Product List and chosen by Enrolled Affiliate under this Enrollment. Enterprise Products may only be licensed for all Qualified Devices and Qualified Users on an Enterprise-wide basis under this program.

"Expiration Date" means the date upon which the Enrollment expires.

"Industry Device" (also known as line of business device) means any device that: (1) is not useable in its deployed configuration as a general purpose personal computing device (such as a personal computer), a multi-function server, or a commercially viable substitute for one of these systems; and (2) only employs an industry or task-specific software program (e.g. a computer-aided design program used by an architect or a point of sale program) ("Industry Program"). The device may include features and functions derived from Microsoft software or third-party software. If the device performs desktop functions (such as email, word processing, spreadsheets, database, network or Internet browsing, or scheduling, or personal finance), then the desktop functions: (1) may only be used for the purpose of supporting the Industry Program functionality; and (2) must be technically integrated with the Industry Program or employ technically enforced policies or architecture to operate only when used with the Industry Program functionality.

"Qualified Device" means any personal desktop computer, portable computer, workstation, or similar device that is used by or for the benefit of Enrolled Affiliate's Enterprise. It does not include: (1) any computer that is designated as a server and not used as a personal computer; (2) any Industry Device, (3) any device running an embedded operating system (e.g., Windows Phone 7) that does not access a virtual desktop infrastructure, or (4) any device that is not managed and/or controlled either directly or indirectly by Enrolled Affiliate's Enterprise. Enrolled Affiliate may include as a Qualified Device any device which would be excluded above (e.g., Industry Device).

"Qualified User" means a person (e.g., employee, consultant, contingent staff) who: (1) is a user of a Qualified Device, or (2) accesses any server software requiring an Enterprise Product Client Access License or any Enterprise Online Service. It does not include a person who accesses server software or an Online Service solely under a License identified in the Qualified User exemptions in the Product List.

"Reserved License" means for an Online Service identified as eligible for true-ups in the Product List, the License reserved by Enrolled Affiliate prior to use and for which Microsoft will make the Online Service available for activation.

"Transition" means the conversion of one or more License to or from another License(s). Products eligible for Transition and permitted Transitions are identified in the Product List.

"Transition Period" means the time between the Transition and the next Enrollment anniversary date for which the Transition is reported.

2. Purpose.

This Enrollment enables Enrolled Affiliate's Enterprise to obtain, or subscribe to, Licenses for Enterprise Products, Enterprise Online Services, and Additional Products. Enrolled Affiliate may choose between on-premise software and Online Services as well as the ability to transition Licenses to Online Services while maintaining Enterprise-wide coverage. Additionally, Enterprise Online Services may be purchased without Enterprise-wide coverage.

3. Product Use Rights, Qualifying Systems Licenses and Transitions.

In addition to applicable terms of the Enterprise Agreement, the following terms apply to this Enrollment:

Microsoft | Volume Licensing

- a. **Product Use Rights.** For Enterprise Products, if a new Product version has more restrictive use rights than the version that is current at the start of the applicable initial or renewal term of the Enrollment, those more restrictive use rights will not apply to the Enrolled Affiliate's use of that Product during the term.
- b. **Qualifying systems Licenses.** The operating system Licenses granted under this program is upgrade Licenses only. Full operating system Licenses are not available under this program. If Enrolled Affiliate selects any Desktop Platform, Windows Desktop Operating System Upgrade, or Windows Intune, all Qualified Devices on which Enrolled Affiliate expects to run the Windows Desktop Operating System Upgrade must be licensed to run, and have installed on them, one of the qualifying operating systems identified in the Product List. Note that the list of operating systems that qualify for the Windows Desktop Operating System Upgrade varies with the circumstances of the order. That list is more extensive at the time of the initial order than it is for some subsequent orders and system refreshes during the term of this Enrollment. Exclusions are subject to change when new versions of Windows are released.

For example: The following are not considered qualifying operating systems: (1) ANY Windows Home or Starter edition; (2) Embedded Systems; and (3) Linux. These are examples of exclusions only and may change. Please see Product List for all current qualifying operating systems.
- c. **Transitions.** The following requirements apply to Transitions:
 - (i) Licenses with active Software Assurance or Subscription Licenses may be Transitioned at any time if permitted in the Product List. While Enrolled Affiliate may Transition any time, it will not be able to reduce Licenses or associated Software Assurance prior to the end of the Transition Period.
 - (ii) If a Transition is made back to a License that had active Software Assurance as of the date of Transition, then Software Assurance will need to be re-ordered for all such Licenses on a prospective basis following the Transition Period. Software Assurance coverage may not exceed the quantity of perpetual Licenses for which Software Assurance was current at the time of any prior Transition. Software Assurance may not be applied to Licenses transferred by Enrolled Affiliate.
 - (iii) If a device-based License is Transitioned to a user-based License, all users of the device must be licensed as part of the Transition.
 - (iv) If a user-based License is Transitioned to a device-based License, all devices accessed by the user must be licensed as part of the Transition.
- d. **Effect of Transition on Licenses.** Transition will not affect Enrolled Affiliate's rights in perpetual Licenses paid in full.
 - (i) New version rights will be granted for perpetual Licenses covered by Software Assurance up to the end of the Transition Period.
 - (ii) For L&SA not paid in full at the end of the Transition Period, Enrolled Affiliate will have perpetual Licenses for a proportional amount equal to the total of installments paid versus total amounts due (paid and payable) for the Transitioned Product.
 - (iii) For L&SA not paid in full or granted a perpetual License in accordance with the above or Subscription Licenses, all rights to Transitioned Licenses cease at the end of the Transition Period.

4. Pricing.

- a. **Price Levels.** For both the initial and any renewal term Enrolled Affiliate's Price Level for all Products ordered under this Enrollment are subject to Section 2(e)(i) of the Enterprise

Agreement, as amended, throughout the term of the Enrollment. Price Level's will be captured in the Product Selection Form.

- b. **Setting Prices.** Enrolled Affiliate's prices for each Product will be established by its Reseller. Microsoft's prices for Resellers are fixed throughout the Enrollment term based upon current prices at the time of the initial order for the Product. This includes the following:
 - (i) Any future pricing (if applicable); and
 - (ii) Prices for Transitions, including any prices related to the use of a Product during the Transition Period (if applicable).

5. **Order requirements.**

- a. **Minimum Order Requirements.** Except as may be otherwise agreed to in writing, Enrolled Affiliate's Enterprise must have a minimum of 250 Qualified Users or Qualified Devices.
 - (i) **Initial Order.** Initial order must include at least 250 Licenses from one of the four groups outlined in the Product Selection Form.
 - (ii) **If choosing Enterprise Products.** If choosing Enterprise Products in a specific group outlined in the Product Selection Form, Enrolled Affiliate's initial order must include an Enterprise-wide selection of one or more Enterprise Products or a mix of Enterprise Products and corresponding Enterprise Online Services for that group.
 - (iii) **Additional Products.** Upon satisfying the minimum order requirements above, Enrolled Affiliate may order Additional Products.
 - (iv) **Country of Usage.** Enrolled Affiliate must specify the countries where Licenses will be used on its initial order and on any additional orders.
- b. **Adding Products.**
 - (i) **Adding new Products not previously ordered.** Enrolled Affiliate may add new Enterprise Products by entering into a new Enrollment or as part of a renewal. New Enterprise Online Services may be added by contacting a Reseller. New Additional Products, other than Online Services, may be used if an order is placed in the month the Product is first used. For Additional Products that are Online Services, an initial order for the Online Service is required prior to use.
 - (ii) **Adding Licenses for previously ordered Products.** Additional Licenses for previously ordered Products must be included in the next true-up order. Enrolled Affiliate must Licenses for Online Services prior to use, unless the Online Services are (1) identified as eligible for true-up in the Product List or (2) included as part of other Licenses (e.g., Enterprise CAL).
- c. **True-up orders.** Enrolled Affiliate must submit an annual true-up order that accounts for changes since the initial order or last true-up order, including: (1) any increase in Licenses, including any increase in Qualified Devices or Qualified Users and Reserved Licenses; (2) Transitions (if permitted); or (3) Subscription License quantity reductions (if permitted). Microsoft, at its discretion and as permitted by applicable law, may validate the customer true-up data submitted through a formal product deployment assessment, using an approved Software Asset Management ('SAM') Partner.

The true-up order must be received by Microsoft between 60 and 30 days prior to the Enrollment anniversary date. The third-year anniversary true-up order is due within 30 days prior to the Expiration Date. Enrolled Affiliate may true-up more often than at each Enrollment anniversary date except for Subscription License reductions.

 - (i) **Enterprise Products.** Enrolled Affiliate must determine the current number of Qualified Devices and Qualified Users (if ordering user-based Licenses) and order the License difference (if any), including any Enterprise Online Services.

- (ii) **Additional Products.** For Products which have been previously ordered, Enrolled Affiliate must determine the Additional Products used and order the License difference (if any).
 - (iii) **Online Services.** For Online Services identified as eligible for true-up orders in the Product List, Enrolled Affiliate must first reserve the additional Licenses prior to use. Microsoft will provide a report of Reserved Licenses in excess of existing orders to Enrolled Affiliate and its Reseller. Reserved Licenses will be invoiced retroactively for the prior year based upon the month in which they were reserved.
 - (iv) **Late true-up order.** If the true-up order is not received when due:
 - 1) Microsoft will invoice Reseller for all Reserved Licenses not previously ordered.
 - 2) Transitions and Subscription License reductions cannot be reported until the following Enrollment anniversary date (or at Enrollment renewal, as applicable).
 - (v) **Transitions.** Enrolled Affiliate must report all Transitions. Transitions may result in an increase in Licenses to be included on the true-up order and a reduction of Licenses for prior orders. Reductions in Licenses will be effective at end of the Transition Period. Associated invoices will also reflect this change.
 - (vi) **Subscription License Reductions.** Enrolled Affiliate may reduce the quantity of Subscription Licenses on a prospective basis if permitted in the Product List as follows:
 - 1) For Subscription Licenses part of an Enterprise-wide commitment, Licenses may be reduced if the total quantity of Licenses and Software Assurance for an applicable group meets or exceeds the quantity of Qualified Devices identified on the Product Selection Form. Step-up Licenses do not count towards this total count.
 - 2) For Enterprise Online Services not a part of an Enterprise-wide commitment, Licenses can be reduced as long as the initial order minimum requirements are maintained.
 - 3) For Additional Products available as Subscription Licenses, Enrolled Affiliate may reduce the Licenses. If the License count is reduced to zero, then Enrolled Affiliate's use of the applicable Subscription License will be cancelled.

Invoices will be adjusted to reflect any reductions in Subscription Licenses at the true-up order Enrollment anniversary date and effective as of such date.
 - (vii) **Update statement.** An update statement must be submitted instead of a true-up order if, as of the initial order or last true-up order, Enrolled Affiliate's Enterprise has not: (1) changed the number of Qualified Devices and Qualified Users licensed with Enterprise Products or Enterprise Online Services; and (2) increased its usage of Additional Products. This update statement must be signed by Enrolled Affiliate's authorized representative. The update statement must be received by Microsoft between 60 and 30 days prior to the Enrollment anniversary date. The last update statement is due at least 30 days prior to the Expiration Date.
- d. **Step-up Licenses.** For Licenses eligible for a step-up under this Enrollment, Enrolled Affiliate may step-up to a higher edition or suite as follows:
- (i) For step-up Licenses included on an initial order, Enrolled Affiliate may order according to the true-up process.
 - (ii) If step-up Licenses are not included on an initial order, Enrolled Affiliate may step-up initially by following the process described in the Section titled "Adding new Products not previously ordered," then for additional step-up Licenses, by following the true-up order process.

- (iii) If Enrolled Affiliate has previously ordered an Online Service as an Additional Product and wants to step-up to an Enterprise Online Service eligible for a Transition, the step-up may be reported as a Transition.
- (iv) If Enrolled Affiliate Transitions a License, it may be able to further step-up the Transitioned License. If Enrolled Affiliate chooses to step-up and the step-up License is separately eligible to be Transitioned, such step-up Licenses may result in a License reduction at the Enrollment anniversary date following the step-up.

6. **Payment terms.**

For the initial or renewal order, Enrolled Affiliate may pay upfront or elect to spread its payments over the applicable Enrollment term. If spread payments are elected, unless indicated otherwise, Microsoft will invoice Enrolled Affiliate's Reseller in three equal annual installments. The first installment will be invoiced upon Microsoft's acceptance of this Enrollment and on each Enrollment anniversary date. Subsequent orders are invoiced upon acceptance of the order and Enrolled Affiliate may elect to pay annually or upfront for Online Services and upfront for all other Licenses.

7. **End of Enrollment term and termination.**

- a. **General.** At the Expiration Date, Enrolled Affiliate must immediately order and pay for Licenses for Products it has used but has not previously submitted an order, except as otherwise provided in this Enrollment.
- b. **Renewal Option.** At the Expiration Date, Enrolled Affiliate can renew Products by renewing the Enrollment for one additional 36 full calendar month term or signing a new Enrollment. Microsoft must receive a Product Selection Form and renewal order prior to or at the Expiration Date. The renewal term will start on the day following the Expiration Date. Microsoft will not unreasonably reject any renewal. Microsoft may make a change to this program that will make it necessary for Customer and its Enrolled Affiliates to enter into new Agreements and Enrollments.
- c. **If Enrolled Affiliate elects not to renew.**
 - (i) **Software Assurance.** If Enrolled Affiliate elects not to renew Software Assurance for any Product under its Enrollment, then Enrolled Affiliate will not be permitted to order Software Assurance later without first acquiring L&SA.
 - (ii) **Online Services eligible for an Extended Term.** For Online Services identified as eligible for an Extended Term in the Product List, the following options are available at the end of the Enrollment initial or renewal term.
 - 1) **Extended Term.** Licenses for Online Services will automatically expire in accordance with the terms of the Enrollment. An extended term feature that allows Online Services to continue month-to-month ("Extended Term") is available. During the Extended Term, Online Services will be invoiced monthly at the then-current published price for Enrolled Affiliate's price level as of the Expiration Date plus a 3% administrative fee for up to one year. If Enrolled Affiliate does want an Extended Term, Government Partner must submit a request to Microsoft. Microsoft must receive the request not less than 30 days prior to the Expiration Date.
 - 2) **Cancellation during Extended Term.** If Enrolled Affiliate has opted for the Extended Term and later determines not to continue with the Extended Term, Government Partner must submit a notice of cancellation for each Online Service. Cancellation will be effective at the end of the month following 30 days after Microsoft has received the notice.
 - (iii) **Online Services not eligible for an Extended Term.** If Online Services are not identified as eligible for an Extended Term in the Product List, the Licenses will be

cancelled and will terminate as of the Expiration Date. Any associated media must be uninstalled and destroyed and Enrolled Affiliate's Enterprise must discontinue use. Microsoft may request written certification to verify compliance.

(iv) **Customer Data.** Upon expiration or termination of a License for Online Services, Enrolled Affiliate must tell Microsoft whether to:

- 1) disable its account and then delete its Customer Data ("Data Deletion"); or
- 2) retain its Customer Data in a limited function account for at least 90 days after expiration or termination of the License for such Online Service (the "Retention Period") so that Enrolled Affiliate may extract its Customer Data.
- 3) If Enrolled Affiliate indicates Data Deletion, Enrolled Affiliate will not be able to extract its Customer Data. If Enrolled Affiliate indicates it wants a Retention Period, Enrolled Affiliate will be able to extract its Customer Data through Microsoft's standard processes and tools, and Enrolled Affiliate will reimburse Microsoft if there are any applicable costs to the extent allowed by applicable law. If Enrolled Affiliate does not indicate either Data Deletion or a Retention Period, Microsoft will retain Enrolled Affiliate's Customer Data in accordance with the Retention Period.
- 4) Following the expiration of the Retention Period, Microsoft will disable Enrolled Affiliate's account and then delete its Customer Data.
- 5) Enrolled Affiliate agrees that, other than as described above, Microsoft has no obligation to continue to hold, export or return Enrolled Affiliate's Customer Data. Enrolled Affiliate agrees Microsoft has no liability whatsoever for deletion of Enrolled Affiliate's Customer Data pursuant to these terms.

d. **Termination.**

- (i) **Termination for cause.** Either party to an Enrollment may terminate it if the other party materially breaches its obligations under this agreement, including any obligation to submit orders or pay invoices (even if such non-payment is caused by non-appropriation of funds). Except where the breach is by its nature not curable within 30 days, the terminating party must give the other party 30 days notice and opportunity to cure.
- (ii) The parties acknowledge and agree that the State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. In the event funds are not appropriated by the Legislature, the State of Florida will provide 30 days written notice to Microsoft of such non-appropriation and intent to terminate any applicable Enrollments. (iii)
- (iii) **Early termination.**

If (1) an Enrolled Affiliate terminates its Enrollment as a result of a breach by Microsoft, or (2) if Microsoft terminates an Enrollment because the Enrolled Affiliate has ceased to be an Affiliate of Customer, or (3) Enrolled Affiliate terminates an Enrollment for non-appropriation of funds, or (4) Microsoft terminate an Enrollment for non-payment due to non-appropriation of funds, then the Enrolled Affiliate will have the following options:

- * It may immediately pay the total remaining amount due, including all installments, in which case, the Enrolled Affiliate will have perpetual rights for all Licenses it has ordered; or
- * It may pay only amounts due as of the termination date, in which case the Enrolled Affiliate will have perpetual Licenses for:
 - 1) all copies of Products (including the latest version of Products ordered under SA coverage in the current term) for which payment has been made in full, and
 - 2) the number of copies of Products it has ordered (including the latest version of Products ordered under Software Assurance coverage in current term) that is proportional to the total of

Microsoft | Volume Licensing

installment payments paid versus total amounts due (paid and payable) if the early termination had not occurred.

Nothing in this section shall affect perpetual License rights acquired either in a separate agreement or in a prior term of the terminated Enrollment.

- (iv) **Effect of termination or expiration.** When an Enrollment expires or is terminated,
 - Enrolled Affiliate must order Licenses for all copies of Products it has run for which it has not previously submitted an order. Any and all unpaid payments or any order of any kind, including subscription services, remain due and payable. Except as provided in the subsection titled "Early termination," all unpaid payments for Licenses immediately become due and payable.
 - Enrolled Affiliate's right to Software Assurance benefits under this agreement ends if it does not renew Software Assurance.
- (v) **Modification or termination of an Online Service for regulatory reasons.** Microsoft may modify or terminate an Online Service where there is any current or future government requirement or obligation that: (1) subjects Microsoft to any regulation or requirement not generally applicable to businesses operating there; (2) presents a hardship for Microsoft to continue operating the Online Service without modification; and/or (3) causes Microsoft to believe these terms or the Online Service may be in conflict with any such requirement or obligation. For example, Microsoft may modify or terminate an Online Service in connection with a government requirement that would cause Microsoft to be regulated as a telecommunications provider.
- (vi) **Enterprise Agreement Program updates.** Microsoft may make a change to this program that will make it necessary for Customer and its Enrolled Affiliates to enter into new agreements and Enrollments. For Subscription Licenses, in the event of a breach by Microsoft, Microsoft will issue Reseller a credit for any amount paid in advance that would apply after the date of termination.

Enterprise and Enterprise Subscription Enrollment Product Selection Form – Amendment ID CTM -SplitCC

The following Amendment *replaces* the standard Enterprise and Enterprise Subscription Enrollment Product Selection Form and Amends the "Order Requirements" Section of the Enrollment.

This Amendment enables the Enrolled Affiliate the ability to meet the initial Enrollment Order requirements with Products other than Enterprise Products and Enterprise Online Services Products. These Products are captured under the Platform Option of "Enterprise Product Components" specified in Step 1 below. Enrolled Affiliate may select "Enterprise Product Components" for all Qualified Users/Devices without the requirement of also having Enterprise Products or Enterprise Online Services specified on this Amendment.
