

Tenant Based Rental Assistance Program (TBRA) Summary

Florida Housing has set aside \$19,000,000 from its federal HOME (HOME Investment Partnership) program toward temporary rental assistance for emergency housing. The HOME Tenant-Based Rental Assistance (TBRA) funds were granted to qualifying Public Housing Authorities (PHA) that currently administers the HUD Section 8 Housing Choice Voucher Program. TBRA will provide decent, safe and sanitary housing to eligible families with preference given to those that have been displaced by hurricanes.

The maximum amount of funding for each PHA is \$500,000, although they may request additional funding once the initial \$500,000 is committed or expended. The backup showing the need for the funds must be provided. Additionally, each PHA will receive an administrative fee (the "Fee") of 10% of the funds drawn. The fee will be paid on a monthly basis to the PHA based on the total disbursement request during that month. The fee may be used to pay for expenses associated with program operation. Each PHA received an initial \$5,000 advance for operating expenses. The funds may be used to pay for security deposits, utility deposits, the tenants' monthly pro-rated rent subsidy and the tenants' monthly pro-rated utility subsidy. Reimbursements will be given for the funds expended from the \$5,000 start-up fund.

Each PHA provided Florida Housing with copies of their most recent and ongoing Section Eight Management Assessment Program (SEMAP) scores and all documentation, corrective action plans and reports. After reviewing the SEMAP, Florida Housing prepared the contracts to be executed by the PHA. Each PHA will establish a system which ensures effective control over and accountability of all funds used in the HOME program.

Eligible households include those who have incomes at or below 80 percent of area median income, adjusted for family size, as established by HUD. For each fiscal year, at least 90 percent of the eligible households assisted through HOME TBRA must be at or below 60 percent of area median income. Rental assistance is limited to an initial twelve month period, but in no event will assistance be extended beyond an additional one year.

III. Description of Activities

Grantee agrees to perform the work specified in the Attachment A and in compliance with the requirements of 24 CFR Part 92 and all State and Corporation Tenant Based Rental Assistance program requirements and policies.

IV. Period of Performance & Commitment

- A. The period of performance for all activities assisted by this Agreement shall commence on the contract date of **July 24, 2016**, hereinafter called the "Commencement Date," and shall be complete on **July 23, 2017**, hereinafter called the "Completion Date," except those activities required for closeout.
- B. All **FFY 2015** funds must be committed to projects according to the HOME Rule by **July 1, 2017**, hereinafter called the "Commitment Date."
- C. The Corporation and the Grantee may renew the terms of this Agreement for a period of one year upon written mutual agreement by both parties.

V. **Compensation**

- A. In consideration of the Grantee's satisfactory performance of the work required under this Agreement and the Grantee's compliance with the terms of this Agreement, the Corporation shall provide the Grantee a total of **\$135,000** in HOME funds. In addition, an administrative fee of 10% of the funds drawn will be provided. Such HOME funds shall be used by the Grantee in accordance with the activities listed and budgeted on Attachment A. Administrative funds will be disbursed for actual costs incurred in the administration of this contract. Documentation that supports the utilization of administrative funds must be maintained.
- B. The Grantee understands that this Agreement is funded in whole or in part by federal funds. In the unlikely event the federal funds supporting this Agreement become unavailable or are reduced, the Corporation may terminate or amend this Agreement and will not be obligated to pay the Grantee.
- C. The Grantee shall not anticipate future funding from the Corporation beyond the duration of this Agreement and in no event shall this Agreement be construed as a commitment by the Corporation to expend funds beyond the termination of this Agreement.

VI. **Indemnification**

The Grantee shall indemnify, defend, and hold harmless the Corporation and its officers and employees from any liabilities, claims, suits, judgments, and damages arising as a result of the performance of the obligations under this Agreement by the Grantee or contractor. The liability of the Grantee under this Agreement shall continue after the termination of the Agreement with respect to any liabilities, claims, suits, judgments, and damages resulting from acts occurring prior to termination of this Agreement. Grantees liability to indemnify the Corporation and its officers and employees shall include liability arising from lead-based paint regulations found in 24 CFR 35.

VII. **Obligations of Grantee**

- A. All of the activities required by this Agreement shall be performed by personnel of the Grantee, except that those services provided by a certified HQS Inspector may be contracted to a third party under the direct supervision of the Grantee and in accordance with the terms of written contracts.
- B. A certified Housing Quality Standards, (HQS), inspector will perform all initial, annual, periodic and/or special unit inspections. Inspections shall be in accordance with guidelines provided in 24 CFR 982.401.
- C. The grantee will adhere to lead-based paint program requirements for all units. This requirement applies to tenants requesting security/utility deposits as well as to those applying for rental assistance coupons. During initial and periodic inspections, an inspector acting on the behalf of the Grantee and trained in visual assessment for deteriorated paint surfaces in accordance with procedures established by HUD shall conduct a visual assessment of all painted surfaces in order to identify any deteriorated paint (24 CFR Part 35.1215 (a)(1)). The visual assessment must take place as part of the initial and periodic inspections required by HUD (24 CFR Part 35, Sec. 92.209(i)). TBRA funding cannot be provided until the unit passes the lead-based paint visual inspection.
- D. If assisted occupancy has commenced prior to an annual or periodic inspection, and the visual inspection reveals deteriorated lead-based paint, the owner shall stabilize each deteriorated paint surface in accordance with 24 CFR Part 35.1330(a) and (b). Such paint stabilization must be completed within 30 days of notification to the owner of the results of the visual assessment. Depending upon the scope of the work undertaken to stabilize the paint, and if necessary, the owner at his/her expense, is responsible for relocating the tenants to a comparable, safe, and sanitary dwelling free of lead-based paint while the work is taking place. Paint stabilization is considered complete when clearance is achieved in accordance with 24 CFR Part 35.1340. The owner shall provide a notice to occupants in accordance with 24 CFR 35.125(b)(1) and (c) describing the results of the clearance examination.

- E. The Grantee will provide lead-based paint disclosure information to all tenants and landlords. Optional blood level verification forms will be provided to tenants with children under age 6 who have selected units that were constructed prior to 1978. Addresses of tenants with children under age 6 living in pre-1978 structures will be provided to the Local Health Department quarterly. (Refer to 24 CFR 35.1225)
- F. The Grantee shall remain fully obligated and liable under the provisions of this Agreement, notwithstanding its designation of any third party or parties for the undertaking of part or the entire program being assisted under this grant.
- G. The Grantee shall require any third party to comply with all lawful requirements necessary to insure that the program is carried out in accordance with this Agreement.
- H. The Grantee shall adhere to the uniform administrative requirements of 24 CFR 92.505.
- I. The Grantee shall provide the Corporation with copies of the most recent and ongoing Section Eight Management Assessment Program (SEMAP) scores and all follow-up documentation, corrective action plans and reports.

VIII. **Program Costs**

- A. The Grantee, if not environmentally exempt, shall not incur costs on any program activity until the Environmental Review required by 24 CFR 58 has been completed and the Corporation has issued the "Notice of Release of Funds."
- B. Any program activities performed by the Grantee in the period prior to the Agreement Commencement Date shall be performed at the sole risk of the Grantee. In the event this Agreement is not duly executed by the Grantee, the Corporation shall be under no obligation to pay the Grantee for any costs incurred or monies spent in conjunction with program activities, or to otherwise pay for any activities performed during such period.
- C. At any time during the period of performance under this Agreement, the Corporation may review all Program Costs incurred by the Grantee and all payments made to date. Upon such review the Corporation shall disallow any items of expense that are not determined to be allowable or are determined to be in excess of approved expenditures; and shall, by written notice specifying the disallowed expenditures, inform the Grantee of any such disallowance.

IX. **Drawdown of Grant Funds**

- A. The Grantee shall be entitled to drawdown funds at the time the funds are actually needed for payment. Funds are to be drawn for immediate cash needs only, as required in U.S. Department of Treasury Circular 1075. The Grantee shall not issue TBRA to a beneficiary until such time as all project set-up information has been received and entered into the Integrated Disbursement Information System (IDIS). Grantee shall use the Tenant Based Rental Assistance Activity Set-up Report, Attachment B, to collect such information.
- B. The Grantee shall establish procedures to insure that any funds set forth in (A) above shall be expended within fifteen (15) days of receipt of the funds in the electronic depository account.

X. **Depositories for Program Funds**

- A. The Grantee must establish a separate account in a local financial institution for the receipt, deposit, and disbursement of HOME TBRA Program funds from the Corporation.
- B. The local account will also be used for the deposit and disbursement of repayments of HOME funds. Program income must be disbursed prior to requesting HOME funds from the Corporation.

XI. **Financial Management**

- A. Grantees shall establish and maintain a system which assures effective control over and accountability for all funds used in the HOME Program, and follow the requirements of 24 CFR 85.20 and OMB Circular A-122 or A-87, respectively.
- B. Grantees shall certify to the Corporation, in writing, prior to making the first drawdown of funds that the system proposed for use shall meet the following standards:
 - 1. Maintenance of separate accounting records and source documentation for the HOME Program;
 - 2. Provision for accurate, current, and complete disclosure of the financial status of the Program;
 - 3. Establishment of records of budgets and expenditures for each approved activity;
 - 4. Demonstration of the sequence and status of receipts, obligations, disbursements and fund balance;
 - 5. Provision of financial status reports in the form acceptable to the Corporation;

XII. **Program Income**

The Grantee shall retain any repayment, interest, and any other return on the investment of HOME funds to be used for additional HOME eligible activities.

XIII. **Monitoring and Reporting**

- A. The Grantee shall monitor the activities of the HOME Program, including those of the contractors and subcontractors, to ensure that all program requirements are being met. The Grantee shall establish and maintain a standard procedure for internal monitoring.
- B. From time to time, as requested in writing by the Corporation, the Grantee shall submit such data and other information as the Corporation may require.
- C. Failure to report as required or respond to requests for data or information in a timely manner shall be grounds for suspension or termination of the Grant at the discretion of the Corporation.

XIV. **Procurement Procedures**

- A. The Grantee shall use established procurement procedures, which reflect applicable Federal, State and local law and regulations (24 CFR 84.40-84.48).
- B. These standards do not relieve the Grantee of any contractual responsibilities under its contracts. The Grantee is responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements entered into support of a grant. These include but are not limited to source evaluation, protests, disputes, and claims.

- C. The Grantee shall abide by the requirements of 24 CFR 24.200 concerning debarment and suspension on procurement procedures.

XV. **Program Closeout**

- A. Program Closeout is the process by which the Corporation determines that all applicable actions and all required work of the program including audit and resolution of audit findings have been completed or that there are no additional benefits likely to occur by continuation of program activities or costs. All findings from Corporation monitoring visits must be cleared prior to closeout.

XVI. **Termination for Convenience**

- A. The Corporation or Grantee may terminate the grant in whole, or in part, when both parties agree that the continuation of the program would not produce beneficial results commensurate with further expenditure of funds.
- B. The two parties shall agree upon the termination conditions, including the effective date and in the case of partial termination, the portion to be terminated.
- C. If a project is terminated before its completion, an amount equal to the HOME funds disbursed for the project must be paid by the HOME recipient to its HOME Investment Trust Fund. Such Funds are due to the Corporation within 30 days of the date of project cancellation. Such funds shall be returned to HUD by the Corporation in compliance with HUD Notice CPD 92-18, issued June 9, 1992.

XVII. **Suspension or Termination-for Cause**

- A. The Corporation may suspend the grant, in whole or in part, at any time during the Grant Period, and upon reasonable notice to the Grantee, withhold further payments or prohibit the Grantee from incurring additional obligations of grant funds when it is determined that the Grantee has failed to substantially comply with the conditions of this Agreement. This will be done pending corrective action by the Grantee or a decision by the Corporation to terminate the grant.
- B. The Corporation, after reasonable notice following procedures pursuant to Section XVIII (A) of this Agreement, may terminate the grant, in whole or in part, at any time during the Grant Period when it is determined that the Grantee has failed to substantially comply with the conditions of this Agreement. The Corporation shall promptly notify the Grantee in writing, of the determination and the reasons for the termination, together with the effective date.

XVIII. **Audit Requirements**

- A. The Grantee shall arrange for the performance of annual financial/compliance audits of the grant project. All audits must be performed by an independent qualified auditor. The audit period is identical with the Grantee's regular fiscal year. The audit(s) will be conducted in accordance with the requirements set forth in the U.S. Single Audit Act of 1984, as amended and Office of Management and Budget (OMB) Circular A-133, as amended.
- B. If the Grantee expends \$500,000 or more in a year in Federal awards, the Grantee shall have a single audit or program specific audit if so elected, conducted for that year in accordance with the provisions of OMB Circular A-133, as amended.
- C. Grantees are required to submit one copy of the fiscal year audit report covering the program. The audit reports shall be sent to the Corporation within 30 days after the completion of the audit, but no later than one-hundred eighty (180) days after the end of the audit period unless agreed to by the Corporation.

In all cases not governed by the provisions of said circular and regulation, the provisions of subsection (B) and 24 CFR 92.356 (b) shall apply.
- B. No member of the governing body, officers or employee of the Grantee, or its designees or agents, or any other person who exercises any functions or responsibilities with respect to the program assisted by this Agreement during his tenure or for one year thereafter, shall have any direct interest in any contract or subcontract, or the proceeds thereof, for the work to be performed in connection with the program.

SCOPE OF SERVICES

1. The Grantee agrees to work with the Corporation to locate and assist low income households of the State of Florida in accordance with the provisions contained in the Federal Act, the State Act, the HOME Program regulations (24 CFR Part 92) and this Agreement. Preference will be given those households who have been displaced from their primary residence as a result of natural disaster. Grantee responsibilities include but are not limited to:
 - a) Providing Tenant Based Rental Assistance (TBRA), security deposit and utility deposit assistance; and
 - b) Counseling of prospective tenants regarding landlord/tenant responsibilities, methods of locating suitable units and equal housing opportunity laws.
2. The Corporation and/or the Corporation's monitoring agents will monitor the performance of the Grantee as it relates to this Agreement on a periodic basis.
3. Eligible Households include those households who have incomes at or below 80 percent of area median income, adjusted for family size, as established by HUD. For each fiscal year, at least 90 percent of Eligible Households assisted through HOME TBRA must be at or below 60 percent of area median income, adjusted for family size.
 - a) Eligibility is determined by comparing the household's anticipated gross annual income for the next twelve months to the income limits for the appropriate household size. (The definition of annual income as defined in Section 8 of the United States Housing Act of 1937.) Verification of income should be completed in accordance with the rule of the Section 8 Housing Choice Voucher Program. A self-affidavit executed by the household is acceptable if third party verification cannot be obtained.
 - b) Written certification of income eligibility must be obtained prior to occupancy. If applicants or household members that are being assisted have given false information, the Grantee must notify the Corporation and rental assistance must be terminated.
 - c) Eligible Households who receive assistance under this Agreement and who are currently on a waiting list for a Section 8 Housing Choice Voucher Program cannot be removed from that waiting list and must be transitioned from the HOME TBRA program to the Section 8 program if a Housing Choice Voucher becomes available to them.
4. Rental assistance is limited to an initial twelve month period. No TBRA application shall be accepted by the Grantee after expiration of this contract unless otherwise extended in writing by the Corporation, but in no event will the contract be extended beyond an additional one year.
5. The Grantee is responsible for obtaining the following documentation for each Eligible Household applying to receive TBRA:
 - a) Applicant In-Take Form (Exhibit 1) and Tenant Income Certification (Exhibit 2), or HUD 50058 Form
 - b) Landlord Agreement to Participate Form (original), and (Exhibit 3)
 - c) Signed Lease and Lease Addendum (copy). (Exhibit 4)

If providing the HUD 50058 Form, Grantee must also provide the amount of security and utility deposit paid to the tenant (if applicable).
6. The Grantee must provide income verifications for each tenant.
7. Rental assistance under this program is portable and is available to Eligible Households to rent the unit of their choice provided it does not already receive any form of rental assistance. The assistance is conditioned upon the execution of a Lease Addendum between the landlord and the Eligible Household.
8. On the 18th of every month, the Grantee will transmit to the Corporation a Monthly Payment Authorization form (Attachment B), authorizing payment for all Eligible Households. Households that are subsequently determined to be ineligible or who have served notice they have vacated must be removed from the next monthly submittal.

9. The Grantee will apply its stated method of continued program participation, including annual income certification and unit inspections, as documented in their Section 8 Housing Choice Voucher Program plan.
10. Assisted units may be publicly or privately owned; however, units covered under a project-based rental assistance agreement or Public Housing Authority units are not eligible. Units in a project partially covered by a project-based rental assistance agreement are eligible, provided that there is not project-based assistance available for the unit in question.
11. The Grantee will be required to inspect units at initial occupancy and certify to the Corporation that the unit meets minimum HUD Housing Quality Standards (HQS).
12. Units in cooperative housing developments are ineligible for assistance under this Agreement.
13. The landlord shall execute a Landlord Agreement to Participate and a Lease Addendum with the tenant.
14. There is no requirement regarding the term of the lease, but subsidy payments to the landlord under the HOME TBRA program shall not exceed 12 months from the date of initial occupancy and in no event exceed the actual period of occupancy, if less than 12 months. The tenant shall be solely responsible for any damages caused by breaching the lease that exceed the security deposit.
15. Rental assistance calculations may be prorated during the initial month. Leases should begin on the first day of the actual tenant occupancy. If the lease is executed for any day other than the first of the month, the Grantee is responsible for paying the prorated subsidy portion of the rent for that month from proceeds provided by the Corporation.
16. Certain lease provisions are prohibited under the Regulations. These provisions are contained in the Lease Addendum which shall be executed by the landlord and tenant.
17. The amount of rental assistance paid on behalf of an Eligible Household is limited to the difference between the established rent for the unit and thirty percent (30%) of the Eligible Household's gross monthly income.

Example: \$500 rent and \$12,000 annual gross income would require a subsidy of: $(\$12,000/12 \text{ months}) \times .30 = \300 (tenant payment)
 $\$500$ rent minus $\$300$ tenant payment = $\$200$ monthly subsidy

Exclusions are permissible when calculating income, (e.g., dependents, disability, elderly, and child care).
Utility allowances are permissible when calculating rent.
18. Applicants whose subsidy calculations is less than \$50.00 per month is not eligible to receive TBRA.
19. Applicants whose tenant calculations is less than \$5.00 per month is not eligible to receive TBRA.
20. The Grantee shall receive an initial \$5,000.00 advance for operating expenses. These funds may be used to pay for security deposits, utility deposits and the tenants' initial month's pro-rated rent subsidy. The Grantee shall ensure that any security or utility deposit amount provided under this program must be refundable by the landlord to the Grantee not to the tenant. The Grantee may then elect to remit the recovered deposits to the tenant or use the funds to provide additional rental assistance in accordance with the Grantee's established operating procedures. Additional funds may be requested once the initial \$5,000.00 is committed or expended. Upon request of additional funds, the Grantee may be asked to submit proof to the Corporation of disbursement of the initial \$5,000.00. The Grantee shall return all unused funds to the Corporation upon termination of this Agreement.
21. In addition, the Grantee shall receive an administrative fee (the "Fee") of 10% of the funds drawn. Such HOME funds shall be used by the Grantee in accordance with the activities listed and budgeted herein. Administrative funds will be disbursed for actual costs incurred in the administration of this contract. Prior to payment of the Fee, the Grantee must submit to the Corporation the required documentation listed in Section 5 herein. Documentation that supports the utilization of administrative funds must be maintained.
22. Issues not covered in this agreement are to be handled in accordance with HUD 24 CFR Part 92.

PARTICIPATING AGENCY ("Grantee"):		

This lease addendum adds the following paragraphs to the lease between the Tenant and the Landlord referred to above ("Lease").

- A. *Purpose of the Addendum.* The Lease is hereby amended to include the provisions of this addendum because the Tenant has been approved to receive tenant based rental assistance under the Florida Housing Finance Corporation ("FHFC") Tenant-Based Rental Assistance Program ("Program").

- B. *Conflict with Other Provisions of the Lease.* In case of any conflict between the provisions of this Addendum and other sections of the Lease, the provisions of this Addendum shall prevail.

- C. *Rental Assistance Payment.*
 - (1) Each month the Tenant shall make a rental payment to the Landlord in the amount of \$ _____. The Tenant is responsible for this monthly payment for the entire term of the Lease unless otherwise agreed to in writing between the Landlord and the Tenant.

 - (2) Each month the Landlord shall collect from the Agency a rental assistance payment on behalf of the Tenant in the amount of \$ _____. The Agency shall make this rental assistance payment to the Landlord for each month the unit is Tenant occupied, but in no case shall payments exceed 12 months from the date of initial occupancy.

- D. *Housing Standards.* The Landlord shall maintain the unit, common areas, equipment, and facilities in decent, safe and sanitary condition in accordance with HUD's Housing Quality Standards (HQS) and federal, state and local laws.

- E. *Security Deposit.*
 - (1) The Landlord has received a deposit in the amount of \$ _____ as a Security Deposit. The Landlord will hold this security deposit during the period the Tenant occupies the unit under the Lease. The Landlord shall comply with state and local laws regarding interest payments on security deposits.

 - (2) After the Tenant moves out of the unit, the Landlord shall refund the full amount of the security deposit to the Agency. The Landlord may dispose of this personal property in accordance with State Law.
 - (3) *Excusing the Owner from Responsibility.* Agreement by the Tenant not to hold the Landlord or the Landlord's agents legally responsible for actions or failure to act, whether intentional or negligent.
 - (4) *Waiver of Notice.* Agreement by the Tenant that the Landlord may institute a lawsuit without notice to the Tenant.

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number.

The HOME statute imposes a significant number of data collection and reporting requirements. This includes information on assisted properties, on the owner or tenants of the properties, and on other programmatic areas. The information will be used: 1) to assist HOME participants in managing their programs; 2) to track performance of participants in meeting fund commitment and disbursement deadlines; 3) to permit HUD to determine whether each participant meets the HOME statutory income targeting and affordability requirements; and 4) to permit HUD to determine compliance with other statutory and regulatory program requirements. This data collection is authorized under Title II of the Cranston-Gonzalez National Affordable Housing Act or related authorities. Access to Federal grant funds is contingent on the reporting of certain activity-specific elements. Records of information collected will be maintained by the recipients of the assistance. Information on activities and disbursements of grant funds is public information and is generally available for disclosure. Recipients are responsible for ensuring confidentiality when public disclosure is not required.

Sensitive Information: Some of the information collected on this form is considered sensitive and is protected by the Privacy Act. The Privacy Act requires that these records be maintained with appropriate administrative, technical, and physical safeguards to ensure their security and confidentiality. In addition, these records should be protected against any anticipated threats or hazards to their security or integrity which could result in substantial harm, embarrassment, inconvenience, or unfairness to any individual on whom the information is maintained. Recipients are responsible for ensuring confidentiality when public disclosure is not required.

Instructions for Completing the Tenant-Based Rental Assistance Set-Up Report HOME Program

Read the instructions for each item carefully before completing the form. Use a typewriter or print carefully with a ballpoint pen. Prepare an original and one copy. Retain the copy.

Applicability. This report is to be completed for each rental activity assisted with HOME funds. A single set-up report form may include up to 99 tenants so long as the term of the contract is the same for all of the tenants in the report form. For centralized State projects, the tenants must be in the same country.

Timing. Data is to be entered into IDIS before funds may be drawn down for an activity. An amended set-up report form should be submitted to increase or decrease HOME funding for the activity.

Part A: Activity Information

1. **Name of Participant.** Enter the name of the jurisdiction.
2. **Project Number.** Enter the activity number assigned by IDIS.
3. **Participant's Tax ID Number.** Enter the Tax (Employer) Identification Number for the participant.
4. **Name & Phone Number of Person Completing Form.** Enter the name and phone number, including area code, of the person to contact for further information regarding this project.
5. **HOME Funds for Activity.**
 - a. Enter the total amount of HOME funds requested for the activity.
 - b. Enter the participant number (from item 2 of the HOME Investment Partnership Agreement for Project Areas) for each fiscal year source of HOME project funds committed for the activity.
 - c. Enter the amount of HOME funds from each fiscal year by participant number.

Part B: Activity Information

Items 1 and 2 must be the same for all tenants included in a single activity set-up.

1. **Term of Contract.** Enter the term in months of tenant-based rental assistance activity.
2. **County Code.** To be completed only by States that are being administered in a centralized State HOME Program. Enter the 3-digit county code for the county in which the project is located.

Monthly Rent (Including Utilities).

Tenant Payment. Enter the actual rent to the nearest dollar, including utilities, paid by the tenant at the time of activity completion. If the rent includes utilities, or if the rent includes partial utilities, e.g., heat, but not electricity, these utility costs must be added to the rent. Compute utility costs for the area (and in the case of partial utilities, compute costs for utilities excluded from the rent), by using the utility allowance schedule by the local Public Housing Authority (PHA) in accordance with form HUD-52667, Allowance for Tenant Furnished Utilities and Other Services.

HOME Subsidy Amount. Enter the amount from HOME funds that will be paid to the tenant or owner as a rent subsidy payment (including any utility allowances) to the nearest dollar.

(B) Acceptability criteria or HUD approved variations in the acceptability criteria.

(ii) This section states performance and acceptability criteria for these key aspects of housing quality:

(A) Sanitary facilities;

(B) Food preparation and refuse disposal;

(C) Space and security;

(D) Thermal environment;

(E) Illumination and electricity;

(F) Structure and materials;

(G) Interior air quality;

(H) Water supply;

(I) Lead-based paint;

(ii) HUD may approve acceptability criteria variations for the following purposes:

(A) Variations which apply standards in local housing codes or other codes adopted by the PHA; or

(B) Variations because of local climatic or geographic conditions.

(iii) Acceptability criteria variations may only be approved by HUD pursuant to paragraph (a)(4)(ii) of this section if such variations either:

(A) Meet or exceed the performance requirements; or

(B) Significantly expand affordable housing opportunities for families assisted under the program.
