Subject: Florida Housing Approval of Hurricane Housing Recovery Program Expenditure Extension Request

Dear Mr. Paul,

Florida Housing is in receipt of Gulf County's expenditure extension request for the 2019/2020 fiscal year allocation of Hurricane Housing Recovery Program (HHRP) funds dated January 31, 2022. Based on the information and reasons provided within your request, we find that the extension through June 30, 2024 is reasonable and will allow the county to complete all HHRP activities to the benefit of the county's residents. Therefore, the new expenditure deadline for the county's 2019/2020 HHRP allocation is June 30, 2024.

Please contact Robert Dearduff at Robert.Dearduff@floridahousing.org if you have any questions. I have also copied Ms. Herring and Mr. Hammond. Thank you.

Sincerely,
Bill Aldinger

This expense may include salaries and benefits of staff, office supplies and equipment, required travel, advertising, recording costs. Other costs counted towards this expenditure must be reasonable and pertain to the management of HHRP.
 - ii. "Affordable" means that monthly rents or monthly mortgage payments including taxes and insurance do not exceed 30 percent of that amount which represents the percentage of the median annual gross income for Eligible Persons or Households. However, it is not the intent to limit an individual household's ability to devote more than 30 percent of its income for housing, and housing for which a household devotes more than 30 percent of its income shall be deemed affordable if the first institutional mortgage lender is satisfied that the household can afford mortgage payments in excess of the 30 percent benchmark.
 - iii. "Eligible Housing" means any real and personal property located within the county or eligible municipality which is designed and intended for the primary purpose of providing decent, safe, and sanitary residential units that are designed to meet the standards of the Florida Building Code or previous building codes adopted under Chapter 553, Fla. Stat., and program rule, including any supplements or amendments thereto as allowed by this Agreement and reflected in Exhibit "A," HHRP Description and Certification of Program Activities, Exhibit "B," Non-LHAP Strategy Description, and Exhibit "C," Housing Delivery Goals Chart, all attached to and incorporated in this Agreement, and approved by Florida Housing.
 - viii. "Program Income" means proceeds derived from interest earned on or investment of the funds, proceeds from loan repayments, recycled funds, and all other income derived from use of HHRP funds.
 - ix. "Project Delivery Costs" means those costs related to the delivery of housing related services to an eligible applicant that are not included as part of Administrative Expenditures.
 - x. "Recaptured Funds" means funds that are recouped by Grantee from Eligible Persons or Eligible Sponsors which were not used for assistance to an Eligible Household for an eligible activity, when there is a default on the terms of a grant

award or loan award.

4. Disbursement of Funds to Eligible Grantees: HHRP funds will be disbursed to all Eligible Grantees as the funds become available to Florida Housing through the collection of Documentary Stamp Tax Funds that are deposited into the Local Government Housing Trust Fund. When funds are available to fund a portion of the total program, Florida Housing will disburse funds in an equitable manner to Eligible Grantees.
5. Establishment of HHRP Trust Fund: Grantee must establish and maintain a HHRP trust fund. All HHRP moneys Grantee receives from its share of the HHRP distribution, program income, recaptured funds, and other funds received or budgeted to implement HHRP must be deposited into the HHRP trust fund. Expenditures other than for the administration and implementation of HHRP may not be made from the fund. Grantee must invest amounts on deposit in its HHRP trust fund as permitted by any applicable law or regulation. Grantee must retain all investment earnings in its HHRP trust fund and such earnings must only be used for HHRP purposes. HHRP trust funds for all local governments including interlocal entities must be separately stated as a special revenue fund in a Grantee's audited financial statements. In cases where costs are shared amongst multiple programs, only a prorated amount should be charged to HHRP.

- iii. The amount of funds not encumbered or been recaptured; and

Please email terry.auringer@floridahousing.org, or her successor, when you are ready to submit the annual report.

19. Closeout Annual Report Requirements: Grantee will submit a report of program activities completed in accordance with the expenditure deadline as outlined in Paragraph 18 above. Reports will be submitted electronically using web portal system maintained by Florida Housing at: <https://apps.floridahousing.org/StandAlone/Extranet/>.

Program Compliance

20. File Management and Record Retention relating to HHRP Eligible Persons or Sponsors: Grantee must maintain a separate file for every applicant, Eligible Person, sub-recipient or Sponsor, regardless of whether the request was approved or denied.
- i. Contents of File: Each file must contain sufficient and legible documentation. Documents must be secured within the file and must be organized systematically.
 - ii. Record and File Retention: Per the Florida Department of State, local governments are required to retain records and other relevant documentation for each applicant, Eligible Person, sub-recipient or Sponsor for (5) five fiscal years after funds have been expended or (5) five years after the expiration of a use restriction agreement, and accounted for and/or satisfaction of loans, whichever is later, provided applicable audits have been released.
 - a. For more information, see "The General Schedule for Local Governments GS1-L" located at the Florida Department of State's web site www.dos.state.fl.us Click on the link for "Library and Info. Services."
 - b. The minimum requirements for documentation of award depend upon the type of assistance awarded and the funding sources. Every file should contain a section of notes and a file checklist, which tracks the efforts and progress of obtaining necessary documents. The checklist is a useful tool for all persons who must have access to the file. However, this checklist may be modified to accommodate a local government's need for additional documentation.
 - c. Eligible Sponsors(developers) who are awarded funds have the responsibility for maintaining clear and accurate files on project recipients and activities. Grantee must monitor the Eligible Sponsors files on a regular basis to ensure that all information is collected that will be needed for reporting. Grantee's housing administrator must also review the file documentation to ensure that assistance is awarded to Eligible Persons and that all project activities conform to program requirements.
 - d. In cases where a Sub-Recipient is used to administer HHRP, Grantee is ultimately responsible for program compliance.
 - e. All other records that document the award or expenditure of HHRP funds must be retained for 5 fiscal years after the funds have been

expended or (5) five years after the expiration of a use restriction agreement and accounted for and/or satisfaction of loans, whichever is later, provided applicable audits have been released. This means that for cases that were assisted Grantee must retain all records no less than 5 years after the loan has been satisfied, provided audits have been released, whichever is later. Housing records of this type include, but are not limited to:

1. applications;
2. program and set-aside records;
3. housing agreements;
4. income verifications and
5. other records as required by Florida Housing or federal, state and local law or regulations.

- f. Records must be retained in electronic form. The standards used must comply with the Florida Administrative Code. Local record retention requirements may be stricter than the State.
- iii. Access to Files: Florida Housing or any duly authorized representative shall be permitted to inspect any files relating to HHRP Eligible Person or Sponsors including but not limited to the LHAP, any supplement or amendments thereto, advertisements, applications, income verifications and certifications, plan participation contracts, financial records, tracking system records, construction cost verification including receipts and contracts, rental development annual reviews, Eligible Sponsor reviews, Eligible Sponsor award lists, HHRP fund recipient lists, and any other applicable documents at any reasonable time with or without notice. Such records shall be maintained within the participating county or eligible municipality at a place accessible to the Corporation staff or its designated monitoring agent.

21. Files Management and Record Retention relating to Grantee and Administration of this Agreement:

Contents of the Files: Grantee must maintain files containing documentation to verify all compensation to Grantee in connection with this Agreement, as well as reports, records, documents, papers, letters, computer files, or other material received, generated, maintained or filed by Grantee in connection with this Agreement. Grantee must also keep files, records, computer files, and reports that reflect any compensation it receives or will receive in connection with this Agreement.
- ii. Record and File Retention: Grantee must maintain these files for five years after the end of the applicable fiscal year, except that, if any litigation, claim or audit is commenced with respect to the transactions documented by such files before the end of the aforementioned five-year period and extends beyond the expiration of the five-year period, these files must be retained until all litigation, claims, or audit findings involving the files have been resolved.
- iii. Access to the Files: Upon reasonable notice, Grantee and its employees shall allow Florida Housing or its agent(s) access to its files during normal business hours, 9:00 a.m. to 5:00 p.m., Monday through Friday, provided such day is not a holiday.
- iv. 22. Compliance Monitoring: Grantee must be subject to compliance monitoring during the years in which funds are Expended and up to three years following the closeout of all

funds. In order to assure that the program can be adequately monitored, the following is required of Grantee:

Florida Housing will have 30 days to review and approve or recommend changes to the CAP. Upon written approval of the CAP, any undisbursed funds due to Grantee will be distributed.
25. Rental Development Monitoring: Grantee is responsible for income compliance on all rental units funded with HHRP for a minimum of 15 years. If the rental development is receiving funds from other local, state, or Federal programs and those programs are requiring compliance with income guidelines that are sufficient to derive necessary confirmation of compliance for HHRP, then Grantee may rely on these reports. Grantee must have a written agreement with the developer/owner of the property to assure the reports will be made available.
