WITNESSETH:

WHEREAS, Hurricane Michael made landfall in Florida on October 10, 2018, leaving a path of destruction that affected a major portion of Florida’s panhandle;

Hurricane recovery purposes may include, but are not limited to, repair and replacement of housing; assistance to homeowners to pay insurance deductibles; repair, replacement, and relocation assistance for manufactured homes; acquisition of building materials for home repair and construction; housing re-entry assistance, such as security deposits, utility deposits, and temporary storage of household furnishings; foreclosure eviction prevention, including monthly rental assistance for a limited period of time; or strategies in the approved local housing assistance plan;

Program Compliance

20. **File Management and Record Retention relating to HHRP Eligible Persons or Sponsors:**
   - Grantee must maintain a separate file for every applicant, Eligible Person, sub-recipient or Sponsor, regardless of whether the request was approved or denied.
   - **Contents of File:** Each file must contain sufficient and legible documentation. Documents must be secured within the file and must be organized systematically.
   - **Record and File Retention:** Per the Florida Department of State, local governments are required to retain records and other relevant documentation for each applicant, Eligible Person, sub-recipient or Sponsor for (5) five fiscal years after funds have been expended or (5) five years after the expiration of a use restriction agreement and accounted for and/or satisfaction of loans, whichever is later, provided applicable audits have been released.
     - **a.** For more information, see “The General Schedule for Local Governments GS1-L” located at the Florida Department of State’s website www.dos.state.fl.us Click on the link for “Library and Info. Services.”
     - **b.** The minimum requirements for documentation of award depend upon the type of assistance awarded and the funding sources. Every file should contain a section of notes and a file checklist, which tracks the efforts and progress of obtaining necessary documents. The checklist is a useful tool for all persons who must have access to the file. However, this checklist may be modified to accommodate a local government’s need for additional documentation.
     - **c.** Eligible Sponsors (developers) who are awarded funds have the responsibility for maintaining clear and accurate files on project recipients and activities. Grantee must monitor the Eligible Sponsors files on a regular basis to ensure that all information is collected that will be needed for reporting. Grantee’s housing administrator must also review the file documentation to ensure that assistance is awarded to Eligible Persons and that all project activities conform to program requirements.
     - **d.** In cases where a Sub-Recipient is used to administer HHRP, Grantee is ultimately responsible for program compliance.
     - **e.** All other records that document the award or expenditure of HHRP funds must be retained for 5 fiscal years after the funds have been expended or (5) five years after the expiration of a use restriction agreement and accounted for and/or satisfaction of loans, whichever is later, provided applicable audits have been released. This means that for cases that were assisted Grantee must retain all records no less than 5 years after the loan has been satisfied, provided audits have been released, whichever is later.      at a place accessible to the Corporation staff or its designated monitoring agent.

21. Files Management and Record Retention relating to Grantee and Administration of this
    Agreement:

   Agreement.

    end of the applicable fiscal year, except that, if any litigation, claim or audit is
    commenced with respect to the transactions documented by such files before the
    end of the aforementioned five-year period and extends beyond the expiration of
    the five-year period, these files must be retained until all litigation, claims, or audit
    findings involving the files have been resolved.

iii. Access to the Files: Upon reasonable notice, Grantee and its employees shall allow
     Florida Housing or its agent(s) access to its files during normal business hours, 9:00

Eligible housing includes single-family homes, townhomes, or condominiums.

b. Fiscal Years Covered: 2019-2020

c. Income Categories to be served: Very low-, low- and moderate-income. Applicants with 121% to 140% AMI income may be serviced with priority to very low and low incomes.

d. Maximum award: $40,000

e. Terms: 1. Repayment loan/deferred loan/grant: Loans will be a deferred payment loan secured by a promissory note and mortgage for the value of the award received. The mortgage encumbering the real property will promptly be recorded in the public records of the Clerk of Court.

If homeowner dies prior to expiration of the mortgage, payment of all sums secured by the security instrument will be satisfied.
