This Section 16 shall in no way limit the right of either party to make any claim against third parties for any damages suffered due to said causes. If any performance date by a party under this Agreement is postponed or extended pursuant to this Section 16 for longer than ninety (90) calendar days, the other party, by written notice given during the postponement or extension, and at least thirty (30) days prior to the effective date of termination, may terminate this Agreement.
