In Re: Harbour Place Preservation, LP FHFC Case No.: 2024-064VW

_____/

ORDER GRANTING WAIVER OF RULE 67-48.002(96), FLA. ADMIN. CODE (2021) AND A PORTION OF THE 2021 QUALIFIED ALLOCATION PLAN

THIS CAUSE came for consideration and final action before the Board of Directors of the Florida Housing Finance Corporation (the "Board") on October 22, 2024. On October 4, 2024, Florida Housing Finance Corporation ("Florida Housing") received a Petition for Waiver of Rule 67-48.002(96) (2021) and 2021 Qualified Allocation Plan (the "Petition") from Harbour Place Preservation, LP ("Petitioner") to allow Petitioner to make a tax credit exchange. Notice of the Petition was published October 7, 2024, in Volume 50, Number 196, of the Florida Administrative Register. Florida Housing received no comments regarding the Petition. After careful review of the record and being otherwise fully advised on the premises, the Board hereby finds:

1. The Board has jurisdiction over the subject matter of this case and the parties hereto.

FILED WITH THE CLERK OF THE FLORIDA HOUSING FINANCE CORPORATION
/s/ Ashley McGlamory 10/22/2024

2. Petitioner successfully applied for funding to assist in the acquisition and preservation of Harbour Place Apartments, a 68-unit development located in Escambia County, Florida (the "Development").

3. Rule 67-48.002(96), Fla. Admin. Code (2021), incorporates by reference the 2021 Qualified Allocation Plan ("QAP"), which, at Subsection II.J, provides in relevant part:

> J. Notwithstanding any other provision of this QAP, where a Development has not been placed in service by the date required pursuant to Section 42 of the IRC, or it is apparent that a Development will not be placed in service by the date required pursuant to Section 42 of the IRC, and the Applicant has returned its Housing Credit Allocation after the end of the second calendar quarter of the year in which it was otherwise required to be placed in service pursuant to Section 42 of the IRC, the Corporation will reserve allocation in an amount not to exceed the amount of Housing Credits returned, and will issue a Carryover Allocation Agreement allocating such Housing Credits to the Applicant for either the current year or the year after the year in which the Development was otherwise required to be placed in service pursuant to Section 42 of the IRC, provided the following conditions have been met:
>
> (i) The sponsor must have provided written notice to the Corporation, describing the circumstances, all remedial measures attempted by the Applicant to mitigate the delay, and any other pertinent information, prior to returning the allocation; and
>
> (ii) A site inspection reflecting the percentage of Development completed must be completed. If the Development is at least (50) percent completed, as reflected in the site inspection, the approval may be made by Corporation staff. If the Development is less than fifty (50) percent completed, as reflected in the site inspection, the approval must be made by the Board. In making

such determination, the Board must find and determine that the delay was caused by circumstances beyond the Applicant's control, and that the sponsor exercised due diligence in seeking to resolve the circumstances causing delay; and

(iii) The Corporation or Board, as applicable, must find that the Development in all respects, except time placed in service, still meets the conditions upon which the Housing Credits were originally allocated, and that the Development is still desirable in terms of meeting affordable housing needs.

A Development located in a HUD designated DDA or QCT at the time of original allocation may retain its designation as such.

4. Petitioner requests a waiver of the above rule and QAP to exchange its current tax credits for a later allocation (not to exceed the amount of the credits returned) and the issuance of a new Carryover Agreement allocating the credits to Petitioner with a new placed-in-service deadline of December 31, 2026. As justification for its request, Petitioner states that it is unable to comply with the current deadlines because of the cumulative effects of the following:

a. The Petitioner applied in RFA 2021-204, which required that the Development Category consist of Preservation or Acquisition and Preservation; the Petitioner met this requirement and provided a Development Category Qualification Letter from HUD reflecting that 68 units were receiving and would continue to receive rental assistance through a HAP Contract. Petitioner must receive approval for the

assignment of the HAP Contract from the U.S. Department of Housing and Urban Development ("HUD"). Petitioner states that the current HAP Contract was set to expire in November of 2024. Petitioner anticipated a budget-based increase of rents based on a HUD program; however, the program was not funded as anticipated. Petitioner instead requested an extension of the current HAP Contract for an additional ten years, which was finalized on July 17, 2024.

b. Under the extension, Petitioner states rents will be less than anticipated at the time of the application, creating an unexpected financial shortfall requiring Petitioner to negotiate new financing.

c. Due to the unexpected financial shortfalls, Petitioner states that it has worked diligently to renegotiate its financing and that all financing parties have come to terms on financing and are ready to proceed.

5. Petitioner states that it anticipates closing on the construction financing and the partnership no later than March 15, 2025. However, closing cannot occur unless the placed-in-service deadline and other deadlines are extended.

6. The Board finds that granting the requested waiver will not impact other participants in funding programs administered by Florida Housing, nor will it detrimentally impact Florida Housing.

7. The Board also finds that Petitioner has demonstrated that the waiver is needed because it would suffer a substantial hardship if the waiver is not granted.

8. The Board further finds that Petitioner has also demonstrated that the purpose of the underlying statute, which is to "encourage development of low-income housing in the state," would still be achieved if the waiver is granted. §420.5099, Fla. Stat.

IT IS THEREFORE ORDERED that Petitioner's request for waiver of Rule 67-48.002(96), Fla. Admin. Code (2021), and the referenced portion of the 2021 Qualified Allocation Plan is hereby **GRANTED** to allow Petitioner to return its current housing credit allocation and receive an allocation of 2024 housing credits on the condition that the Principals of the Petitioner's Applicant and Developer entities, or their Affiliates, will not be awarded any competitive funding from the Corporation until the Petitioner closes on the limited partnership agreement or limited liability company operating agreement, as applicable and provides a copy of the recorded Notice of Commencement from the Official Records of the applicable

jurisdiction(s) for the Development. If Petitioner does not close on the limited partnership agreement or limited liability company operating agreement, as applicable, or provide a copy of the recorded Notice of Commencement but instead returns the housing credits to the Corporation, the Principals of the Petitioner's Applicant and Developer entities would be permitted to participate in the next year's competitive RFA cycle.

DONE and ORDERED this 22nd day of October, 2024.
