**D. STATUTES IMPLEMENTED BY THE RULES**

9. The Rule implements, among other sections of the Florida Housing Finance Corporation Act (the "Act"), the statutes relating to the State Apartment Incentive Loan Program and National Housing Trust Fund Program are contained in Sections 420.5087 and 420.9089 of the Florida Statutes.

10. Florida Housing has the authority pursuant to Section 120.542(1), Fla. Stat., and Chapter 28-104, F.A.C., to grant waivers to its rule requirements when strict application of such rules would lead to unreasonable, unfair and unintended results in particular instances. Waivers shall be granted when the person subject to the rule demonstrates that the application of the rule would (1) create a substantial hardship[1] or violate principals of fairness, and (2) the purpose of the

[1] "Substantial hardship" means a demonstrated economic, technological, legal or other type of hardship to the person requesting the variance or waiver. Further, "principles of fairness" are violated when the literal application of a rule affects a particular person in a manner significantly different from the way it affects other similarly situated persons who are subject to the rule. *See* Section 120.542, *Fla. Stat.*

underlying statute has been or will be achieved by other means by the person. § 120.542(2), Fla. Stat.

## E. JUSTIFICATION FOR GRANTING WAIVER OF THE RULES

11. Petitioner is requesting the Board's approval for waiver of, or variance from, the Rule to allow Petitioner an additional extension of its closing deadline for an additional 90 calendar day period (which may be automatically extended to the next scheduled Board meeting that is after the 90 calendar day extension) as Petitioner has experienced timing delays outside of its control in receiving its last permit and financing approvals needed for Petitioner to successfully close on the Loan.

12. After the Petitioner entered into the Preliminary Commitment, Petitioner began to work diligently and efficiently to finalize its credit underwriting report and to obtain its building permits so that the Development's financing would close in timely manner. After receiving the Firm Commitment, the Petitioner again did not waste any time and continued to diligently work on its site plan application, its utility plans, and other items needed from third parties to close the Loans on or before the original loan deadline. However, for reasons set forth in the Request Letter, the Petitioner was required to make significant design changes to comply with permitting comments from multiple agencies, which required additional time to secure building permits for the Development. As such, in order to obtain such financing, the loan deadline was extended to September 12, 2025.

13. At this time, the Petitioner is working to obtain its last permit needed to close on the Loans. The Petitioner is diligently and efficiently working with the City of Miami (the "City") and Miami-Dade County (the "County") to obtain this permit in order for the Petitioner to timely close on the Loans on or before the September 30, 2025.

14. The Petitioner recently met with City in order to work through the remaining items needed by the City to finalize the permit. Petitioner still expects to close on the Loan financing on or before the September 30, 2025; however, in the abundance of precaution is requesting this waiver should there be any unforeseen delay to occur while obtaining the last permit.

15. The Petitioner respectfully requests waiver of the Rule to extend its loan closing deadline as this request was not necessitated through any fault of the Petitioner. If Petitioner is not granted a waiver of the Rule, Petitioner will suffer substantial hardship as such denial to extend the loan closing date would otherwise cause the deal to fail by voiding the Florida Housing's commitment to fund Loan, when the Petitioner's only outstanding item needed for the parties to close on the Loans is Petitioner's receipt of its final permit. Therefore, by granting the requested waiver, the Florida Housing will prevent Petitioner from suffering substantial hardship that may occur should the additional extension not be granted.

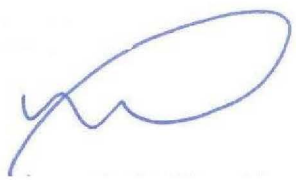

16. Petitioner believes that a waiver of this Rule will serve the purposes of Section 420.5089, Fla. Stat. and the Act that are implemented by Chapter 67-48 F.A.C., as one of the goals is for the proceeds of Florida Housing financing to be used to facilitate the availability of decent, safe and sanitary housing in the State of Florida to low-income persons and households. The Act was passed in order to create inducements and opportunities for private and public investment in rental housing to increase the supply of affordable housing for low-income persons and households. By granting this Petition, Florida Housing would recognize the goal of increasing the supply of affordable housing units via the construction of new developments throughout Florida.

17. In this instance, Petitioner meets the standards for a waiver of the Rule. The requested waiver will not adversely affect Petitioner, the Development, any other party that applied to receive funding in the RFA or Florida Housing and will ensure that 135 affordable units will be made available for individuals and families in Miami-Dade County, Florida.

**F. ACTION REQUESTED**

18. For the reasons set forth herein, the Petitioner respectfully requests the Florida Housing (*i*) grant a waiver of Rule 67-48.0072(26) F.A.C. (June 28, 2023) for an additional extension of 90 calendar days to December 11, 2025; (*ii*) grant this Petition and all the relief requested herein; and (*iii*) grant such further relief as it may deem appropriate.

Respectfully submitted this 3rd day of September, 2025.
