(2) All of the following Preservation Qualifying Conditions must be met in order for the Application to be eligible to be considered for funding:

(a) The proposed Development must meet the definition of Preservation in Rule 67-48.002, F.A.C.;

(b) The proposed Development must meet the definition of Rehabilitation in Rules 67-48.002 and 67-48.0075, F.A.C., including that the estimated qualified basis in Rehabilitation expenses per set aside unit within one 24-month period for the building(s) being rehabilitated must be at least $25,000 per set-aside unit (as indicated by the Applicant at question 5.c.(2)(a) of Exhibit A);

(c) The existing affordable development must be at least 75 percent occupied as of the Application Deadline. To meet this qualification, the Applicant’s answer to question 5.c.(2)(b) of Exhibit A must be “Yes;” and

(d) The Applicant must provide a letter from HUD or RD, as Attachment 7 to Exhibit A, which includes the following information:

(i) Name of the Development *

(ii) Address of the Development;

(iii) Year built;

(iv) Total number of units that currently receive PBRA and/or ACC;

(v) Total number of units that will receive PBRA and/or ACC if the proposed Development is funded;

(vi) All HUD or RD financing program(s) originally and/or currently associated with the existing development; and

(vii) Confirmation that the Development has not received financing from HUD or RD after 1995 where the rehabilitation budget was at least $10,000 per unit in any year.

*For purposes of this provision, the Name of the Development may be the name at the time of the PBRA and/or ACC award.

The information provided in the HUD or RD letter will also be used to determine the Application’s Rental Assistance (RA) Level Classification, as outlined in (3) below.

If the proposed Development consists of acquisition and Preservation with or without new construction (where the applicable new construction is for the building of units
which will total less than 50 percent of the proposed Development’s total unit count), but the Applicant is not requesting Corporation funding related to the acquisition, the Applicant should select the Development Category of Preservation. However, the acquisition costs and sources must still be reflected on the Development Cost pro forma.

Developments that are tentatively funded will be required to provide to the Credit Underwriter a plan for relocation of existing tenants, as outlined in Item 2.b.(6) of the Applicant Certification and Acknowledgement form. The plan shall provide information regarding the relocation site; accommodations relevant to the needs of the residents and length of time residents will be displaced; moving and storage of the contents of a resident’s dwelling units; as well as the approach to inform and prepare the residents for the rehabilitation activities.

(3) Rental Assistance (RA) Level Classification:

Part of the criteria for a proposed Development that qualifies as a Limited Development Area (LDA) Development to be eligible for funding is based on meeting a minimum RA Level, as outlined at Section Four A.7.c. of the RFA.

The total number of units that will receive rental assistance (i.e., PBRA and/or ACC), as stated in the Development Category qualification letter provided as Attachment 7, will be considered to be the proposed Development’s RA units and will be the basis of the Applicant’s RA Level Classification. The Corporation will divide the RA units by the total units stated by the Applicant at question 5.e. of Exhibit A, resulting in a Percentage of Total Units that are RA units. Using the Rental Assistance Level Classification Chart below, the Corporation will determine the RA Level associated with both the Percentage of Total Units and the RA units. The best rating of these two (2) levels will be assigned as the Application’s RA Level Classification.

*Applications will be classified RA Level 6 if 10.00% or less of the total units receive rental assistance or if the Applicant fails to meet the criteria outlined above.

(4) Concrete Construction Funding Preference for All Applications:

Applications that meet the criteria described in (a) and/or (b) below will qualify for the Concrete Construction Funding Preference:

(a) For purposes of this RFA, in order for a proposed Development to be considered to be concrete construction the proposed Development must meet the following
specifications: (i) new construction buildings must have the following poured concrete, concrete masonry or load-bearing masonry elements, as verified by a capital needs assessment: all exterior walls and structural elements, not to include roofs; and structural elements at and under the ground floor, as well as the ground floor itself; (ii) existing buildings proposed for rehabilitation must have, as of Application Deadline, the elements outlined in (i) above and the rehabilitation work must include these elements; or (iii) new construction buildings with the Mid-Rise Development Type (4, 5 or 6 story, as selected by the Applicant at question 5.d. of Exhibit A) that utilize a concrete podium structure under the rental living units. These qualifying criteria specifically exclude face brick or brick veneer from qualifying as concrete construction for purposes of this RFA without the benefit of the qualifying material in (i) being utilized in the manner prescribed in (i).

(b) Proposed Developments that are located in the following counties, as stated by the Applicant at question 5.b.(1) of Exhibit A:

Proposed Developments that are not located in one of the counties listed in (b) above will only be eligible for this funding preference if (i) the criteria outlined in (a) above is met and (ii) the answer to question 5.c.(3) of Exhibit A is “Yes.” This will be verified during the credit underwriting process, as outlined in Item 3.t. of the Applicant Certification and Acknowledgement form.

d. State the Development Type for the proposed Development. For purposes of determining the number of stories, each floor in the building should be counted regardless of whether it will consist of retail, parking or residential. The Transit and Community Services are further outlined in Item 6.c. below.

c. Proximity to Transit and Community Services:

(1) Transit Services
Applicants may select one (1) of the following five (5) Transit Services on which to base the Application’s Transit Score. If the Applicant selects Private Transportation at question 6.b. of Exhibit A and also provides information on the Surveyor Certification form for a Bus or Rail Transit Service, or if the Applicant provides information on the Surveyor Certification form for more than one (1) Bus or Rail Transit Service or more than one (1) of any type of Bus or Rail Transit Service, the Applicant will not receive any proximity points for the Transit Service Score. (For example, Applicants are limited to selecting one Public Bus Transfer Stop, even though there may be another Public Bus Transfer Stop nearby. If the Applicant provides information for two Public Bus Transfer Stops, the Applicant will not receive any proximity points for either of the Public Bus Transfer Stops.)

The eligible Transit Services are defined below:

(a) Private Transportation (2 Points)

This service may be selected only if the Applicant selected the Elderly (ALF or Non-ALF) or Person with a Disability Demographic Commitment at question 2.b. or 2.c. of Exhibit A. For purposes of proximity points, the Applicant or its Management Company must provide, at no cost to the residents, transportation to non-emergency medical appointments such as therapy, chemotherapy, dentistry, hearing, dialysis, prescription pick-ups, testing and x-rays, as well as shopping, public service facilities, and/or educational or social activities. For purposes of proximity points, a Public Bus Stop means a fixed location at which passengers may access one or two routes of public transportation via buses. The Public Bus Stop must service at least one bus route with scheduled stops at least hourly during the times of 7am to 9am and also during the times of 4pm to 6pm Monday through Friday, excluding holidays, on a year-round basis. Bus routes must be established or approved by a Local Government department that manages public transportation. Buses that travel between states will not be considered.

or

(c) Public Bus Transfer Stop (Maximum 6 Points)

This service may be selected by all Applicants, regardless of whether the Applicant selected the Family, Elderly (ALF or Non-ALF), or Person with a Disability Demographic Commitment at question 2 of Exhibit A. For purposes of proximity points, a Public Bus Transfer Stop means a fixed location at which passengers may access at least three routes of public transportation via buses. Each qualifying route must have a scheduled stop at the Public Bus Transfer Stop at least hourly during the times of 7am to 9am and also during the times of 4pm to 6pm Monday through Friday, excluding holidays, on a year-round basis. This would include both bus
stations (i.e., hubs) and bus stops with multiple routes. Bus routes must be established or approved by a Local Government department that manages public transportation. Buses that travel between states will not be considered.

or

(d) Public Bus Rapid Transit Stop (Maximum 6 Points)

This service may be selected by all Applicants, regardless of whether the Applicant selected the Family, Elderly (ALF or Non-ALF), or Person with a Disability Demographic Commitment at question 2 of Exhibit A. For purposes of proximity points, a Public Bus Rapid Transit Stop means a fixed location at which passengers may access public transportation via bus. The Public Bus Rapid Transit Stop must service at least one bus that travels at some point during the route in either a lane or corridor that is exclusively used by buses, and the Public Bus Rapid Transit Stop must service at least one route that has scheduled stops at the Public Bus Rapid Transit Stop at least every 20 minutes during the times of 7am to 9am and also during the times of 4pm to 6pm Monday through Friday, excluding holidays, on a year-round basis.

or

(e) Public Rail Station (Maximum 6 Points)

This service may be selected by all Applicants, regardless of whether the Applicant selected the Family, Elderly (ALF or Non-ALF), or Person with a Disability Demographic Commitment at question 2 of Exhibit A. For purposes of proximity points, a Public Rail Station means a fixed location at which passengers may access the scheduled public rail transportation on a year-round basis at a MetroRail Station located in Miami-Dade County, a TriRail Station located in Broward County, Miami-Dade County or Palm Beach County, or a SunRail Station located in the following Counties:

(2) Community Services (Maximum 4 Points for each service with a Maximum of 3 Services)

The Community Services that may be selected are based on the Applicant’s Demographic Commitment selection at question 2 of Exhibit A of the RFA, as outlined below.

Applicants are limited to one (1) of each type of Community Service. If the Applicant provides information for more than one (1) of any type of Community Service, that Community Service will not be scored and the Applicant will not receive any proximity
points for that Community Service. (For example, Applicants are limited to selecting one Grocery Store, even though there may be another Grocery Store nearby. If the Applicant provides information for two Grocery Stores, the Applicant will not receive any proximity points for either of the Grocery Stores.)

The eligible Community Services are defined below:

(a) Grocery Store - This service may be selected by all Applicants, regardless of whether the Applicant selected the Family, Elderly (ALF or Non-ALF), or Person with a Disability Demographic Commitment at question 2 of Exhibit A. For purposes of proximity points, a Grocery Store means a retail food store consisting of 4,500 square feet or more of contiguous air-conditioned space available to the public, that has been issued a food permit, current and in force as of the dates outlined in the In-Service Time Frames chart in Item 6.c.(3) below, issued by the Florida Department of Agriculture and Consumer Service (FDACS) which designates the store as a Grocery Store or Supermarket within the meaning of those terms for purposes of FDACS-issued food permits.

(b) Public School - This service may be selected only if the Applicant selected the Family or Person with a Disability Demographic Commitment at question 2.a. or 2.c. of Exhibit A. For purposes of proximity points, a Public School means a public elementary, middle, junior and/or high school, where the principal admission criterion is the geographic proximity to the school. This may include a charter school, if the charter school is open to appropriately aged children in the radius area who apply, without additional requirements for admissions such as passing an entrance exam or audition, payment of fees or tuition, or demographic diversity considerations.

(c) Medical Facility - This service may be selected by all Applicants, regardless of whether the Applicant selected the Family, Elderly (ALF or Non-ALF) or Person with a Disability Demographic Commitment at question 2 of Exhibit A. For purposes of proximity points, a Medical Facility means a medically licensed facility that (i) employs or has under contractual obligation at least one physician licensed under Chapter 458 or 459, F.S. available to treat patients by walk-in or by appointment; and (ii) provides general medical treatment to any physically sick or injured person. Facilities that specialize in treating specific classes of medical conditions or specific classes of patients, including emergency rooms affiliated with specialty or Class II hospitals and clinics affiliated with specialty or Class II hospitals, will not be accepted.

(d) Pharmacy - This service may be selected only if the Applicant selected the Elderly Demographic Commitment (ALF or Non-ALF) at question 2.b. of Exhibit A. For purposes of proximity points, a Pharmacy means a community pharmacy operating under a valid permit issued pursuant to s. 465.018, F.S., current and in force as of the dates outlined in the In-Service Time Frames chart in Item 6.c.(3) below and open to the general public at least five (5) days per week without the requirement of a membership fee.

(3) In-Service Time Frames:

In addition to meeting the definitions outlined above, in order to be considered for proximity points in this RFA, the Bus and Rail Transit Services and the Community
Services must be in existence and available for use by the general public as of the following time frames:

<table>

(4) Required Information for the Surveyor Certification Form:

The latitude and longitude coordinates for all Bus and Rail Transit Services and all Community Services must represent a point as outlined below. The coordinates for each service must be stated in degrees, minutes and seconds, with the degrees and minutes stated as whole numbers and the seconds represented to 2 decimal places. If the degrees and minutes are not stated as whole numbers and the seconds are not represented to 2 decimal places, the Applicant will not be eligible for points for that service.

The following chart describes the location where the latitude and longitude coordinates must be obtained:

RFA 2015-111
If there is no exterior public entrance to the Community Service, then a point should be used that is at the exterior entrance doorway threshold that is the closest walking distance to the doorway threshold of the interior public entrance to the service. For example, for a Pharmacy located within an enclosed shopping mall structure that does not have a direct public exterior entrance, the latitude and longitude coordinates at the doorway threshold of the exterior public entrance to the enclosed shopping mall that provide the shortest walking distance to the doorway threshold of the interior entrance to the Pharmacy would be used.

Applicants may use the same latitude and longitude coordinates for the Grocery Store, Medical Facility and/or Pharmacy if the Grocery Store, Medical Facility and/or Pharmacy is housed at the same location.

(5) Scoring Proximity to Services (Transit and Community):

(a) Private Transportation

Applicants that selected the Elderly (ALF or Non-ALF) or Person with a Disability Demographic Commitment at question 2.b. or 2.c. of Exhibit A and wish to provide Private Transportation as the Transit Service must select “Yes” at question 6.b. of Exhibit A to be eligible to receive 2 points.

(b) Bus and Rail Transit Services and Community Services

The distances between the Development Location Point and each service, as certified by the Surveyor on the Surveyor Certification form, will be the basis for awarding proximity points. Failure to provide the distance for any Community Service will result in zero points for that Community Service. Failure to provide the distance for any Bus or Rail Transit Service will result in zero points for that Transit Service.

(i) Transit Service Distance Scoring Charts:

Note: Section Four A.6.b.(2) above outlines the Minimum Transit Service Score requirements.

7. Set-Aside Commitments:

a. Minimum Income Set-Aside per Section 42 of the IRC for ALL Applicants:

All Applicants must elect one (1) of the following minimum income set-aside commitments:

- 20% of the units at 50% or less of the Area Median Income (AMI)
- 40% of the units at 60% or less of the AMI
- Deep rent skewing option as defined in Section 42 of the IRC, as amended

Note: Choosing the 20 percent at 50 percent AMI or less minimum income set-aside will restrict ALL income set-aside units at 50 percent or less of the AMI. Applicants may choose the 40 percent at 60 percent AMI or less minimum income set-aside without committing to set aside any of the units at the 60 percent AMI level. For example, an Applicant may
commit to set aside 40 percent at 50 percent AMI and this would also be considered 40 percent at 60 percent AMI or less.

b. Set-Aside Commitments per Corporation Requirements:

The Corporation has income set-aside requirements beyond those required by Section 42 of the IRC which must be reflected on the Total Set-Aside Breakdown Chart at question 7.b. of Exhibit A, as outlined below:

(1) Total Income Set-Aside Commitment:

(a) If the proposed Development has a Demographic Commitment of Family, Elderly Non-ALF, or Person with a Disability (at question 2.a., 2.b.(2), or 2.c. of Exhibit A), the Applicant must set aside a total of at least 80 percent of the Development’s total units at 60 percent AMI or less; or

(b) If the proposed Development has a Demographic Commitment of Elderly ALF (at question 2.b.(1) of Exhibit A), the Applicant must set aside a total of at least 50 percent of the Development’s total units at 60 percent AMI or less.

(2) ELI Set-Aside Commitments:

The proposed Development must set aside the following required percentage of total units for ELI Households. For purposes of this provision, the requirement to set aside units for ELI Households refers to the ELI Area Median Income (AMI) level for the county where the proposed Development is located, as outlined on the chart at Item 5 of Exhibit C of the RFA.

The LDA Development Criteria is outlined in Section Four A.7.c. below.

(a) Required Minimum ELI Set-Aside Commitments:

(i) Non-LDA Developments:

If the proposed Development does not qualify as an LDA Development, the Applicant must set aside 20 percent of the total units as ELI Set-Aside units; or

(ii) LDA Developments:

If the proposed Development qualifies as an LDA Development, the Applicant must set aside 30 percent of the total units as ELI Set-Aside units.

If the Set-Aside Breakdown Chart reflects more than the applicable required percentage of the total units at the ELI AMI level for the county where the proposed Development is located, during the credit underwriting process the Credit Underwriter will determine whether the Applicant’s ELI Set-Aside unit commitment will need to be reduced by increasing the set aside units at AMI level(s) above the ELI level. Any such reduction in the ELI Set-Aside units would be no lower than the applicable required percentage.

(b) Required ELI Units for Persons with a Disabling Condition:

For proposed Developments with the Demographic Commitment of Family or Elderly Non-ALF (at question 2.a. or 2.b.(2) of Exhibit A), a portion of the ELI Set-
Aside units must be set aside for Persons with a Disabling Condition, as outlined below:

(i) Non-LDA Developments:

If the proposed Development does not qualify as an LDA Development, the Applicant must set aside 25 percent of the ELI Set-Aside units for Persons with a Disabling Condition; or

(ii) LDA Developments:

If the proposed Development qualifies as an LDA Development, (as outlined in Item c.(1) below) and meets all of the applicable LDA Development Conditions outlined in Item c.(2) below, the Applicant must set aside 30 percent of the ELI Set-Aside units for Persons with a Disabling Condition.

To meet this commitment to set aside ELI units for Persons with a Disabling Condition, the Applicant must develop and execute a Memorandum of Understanding (MOU) with at least one designated Special Needs Household Referral Agency that provides supportive services for Persons with a Disabling Condition for the county where the proposed Development will be located (the deadline for the MOU will be established in the Carryover Allocation Agreement). Developments financed with HUD Section 202 or HUD Section 811 are exempt from this requirement.

In addition, for properties that have a Housing Assistance Payment Contract and/or an Annual Contributions Contract with HUD, but are not HUD Section 202 or HUD Section 811, the Applicant shall establish an owner-adopted preference in the admission policies for the Development, allowing the Applicant to create a preference or limited preference specifically for individuals or families who are referred by a partnering service agency. The partnering service agency must be a designated Special Needs Household Referral Agency in the county where the Development is located. Following Chapter 4 of the HUD Handbook 4350.3, the Applicant is required by HUD to submit a written request to their local HUD Field Office specifying this type of preference with a full description of the preference and how it will be implemented. Such HUD approval must be demonstrated to the Corporation by the deadline established in the Carryover Allocation Agreement.

The purpose of the MOU is to establish the roles and responsibilities of the Development and Special Needs Referral Agency(ies). These include roles and responsibilities regarding the Applicant notifying the Special Needs Household Referral Agency (Agency) that a unit is available; the Agency referring Persons with a Disabling Condition to apply for the set-aside unit; and the Special Needs Household Referral Agency and its network of supportive services providers addressing the needs of the residents in the set-aside unit. At least biennially, Florida Housing shall review and evaluate the effectiveness of each party in carrying out their MOU roles and responsibilities in meeting this set-aside commitment. The Corporation may require the Applicant to terminate a MOU with a Special Needs Household Referral Agency if that partnership is not effective in meeting the intent of this set-aside commitment; and execute another MOU with a new designated Special Needs Households Referral Agency. A current list of Special Needs Household Referral Agencies for each county is published on the Corporation’s Website at
Limited Development Area (LDA):

(1) A proposed Development will be designated as an LDA Development if:

(a) It is located in a County or an area of a County that has been designated by the Corporation as an LDA area, and

(b) The Applicant selected the applicable Demographic Commitment (Elderly or Family) that is associated with the LDA area.

Applicants should use the LDA Chart set out at Item 6 of Exhibit C of the RFA to determine whether the proposed Development qualifies as an LDA Development.

(2) For an LDA Development to be deemed eligible to be considered for funding under this RFA, it must meet all of the following LDA Development Conditions. An LDA Development that does not meet all of the following LDA Development Conditions will be ineligible to be considered for funding. The Conditions are:

(a) The Applicant demonstrated its commitment to set aside 30 percent of the total units as ELI Set-Aside units on the Total Set-Aside Breakdown Chart at question 7.b. of Exhibit A;

(b) The proposed Development is classified as RA Level 1 or RA Level 2; and

(c) The Percentage of Total Units that will have Rental Assistance is greater than 75 percent.

(3) If the proposed Development is located in a county where only a portion(s) of the county is included on the LDA Chart and the proposed Development’s Demographic Commitment is one of the applicable Demographic Categories on the LDA Chart, the Corporation will verify whether the Development Location Point stated on the Surveyor Certification form described in Section Four A.6. of the RFA is within the boundaries of the area designated as an LDA in order to determine whether the proposed Development qualifies as an LDA Development. To make such determination, Street Atlas USA 2015, published by DeLorme, will be used. If Street Atlas USA 2015 does not recognize the Development Location Point, then the proposed Development will be deemed to be an LDA Development and must meet all of the applicable LDA Development Conditions outlined in (2) above to be eligible to be considered for funding.

d. Total Set-Aside Breakdown Chart:

The Total Set-Aside Breakdown Chart must reflect all income set-aside commitments (required set-asides and additional set-asides, including all required ELI Set-Asides) and the required total set-aside percentage (as further outlined below).

The Applicant must complete the Total Set-Aside Breakdown Chart at question 7.b. of Exhibit A. The Applicant must indicate on the chart the percentage of residential units,
in whole numbers, to be set aside at each selected AMI level. Where reasonably possible, Applicants will be required to keep the unit mix consistent across each committed AMI level.

e. Affordability Period:

The Applicant must set aside the units for a minimum length of 50 years, as further outlined in Item 3.m of the Applicant Certification and Acknowledgement form. The affordability period includes the units set aside for Persons with a Disabling Condition and for ELI Households.

8. Site Control:

The Applicant must demonstrate site control by providing, as Attachment 15 to Exhibit A, the documentation required in Items a., b., and/or c., as indicated below. If the proposed Development consists of Scattered Sites, site control must be demonstrated for all of the Scattered Sites.

a. Eligible Contract – For purposes of this RFA, an eligible contract is one that has a term that does not expire before June 30, 2016 or that contains extension options exercisable by the purchaser and conditioned solely upon payment of additional monies which, if exercised, would extend the term to a date that is not earlier than June 30, 2016; specifically states that the buyer’s remedy for default on the part of the seller includes or is specific performance; and the buyer MUST be the Applicant unless an assignment of the eligible contract which assigns all of the buyer's rights, title and interests in the eligible contract to the Applicant, is provided. Any assignment must be signed by the assignor and the assignee. If the owner of the subject property is not a party to the eligible contract, all documents evidencing intermediate contracts, agreements, assignments, options, or conveyances of any kind between or among the owner, the Applicant, or other parties, must be provided, and, if a contract, must contain the following elements of an eligible contract: (i) have a term that does not expire before June 30, 2016 or contain extension options exercisable by the purchaser and conditioned solely upon payment of additional monies which, if exercised, would extend the term to a date that is not earlier than June 30, 2016, and (ii) specifically state that the buyer’s remedy for default on the part of the seller includes or is specific performance.

b. Deed or Certificate of Title – The deed or certificate of title (in the event the property was acquired through foreclosure) must be recorded in the county in which the property is located and show the Applicant as the sole Grantee.

c. Lease – The lease must have an unexpired term of at least 50 years after the Application Deadline and the lessee must be the Applicant. If the owner of the subject property is not a party to the lease, all documents evidencing intermediate leases, subleases, assignments, or agreements of any kind between or among the owner, the lessor, or any sublessee, assignor, assignee, and the Applicant, or other parties, must be provided, and if a lease, must have an unexpired term of at least 50 years after the Application Deadline. Any assignment must be signed by the assignor and the assignee.
9. **Construction Features:**

The following construction features commitments apply to all units in the proposed Development and are in addition to the required construction features outlined in Item 4 of Exhibit C of the RFA.

All Applicants must select enough of the following additional Green Building Features at question 9 of Exhibit A so that the total point value of the features selected equals at least 10 points. Failure of the Applicant to select at least 10 points worth of the features at question 9 of Exhibit A will result in the Application failing to meet this Mandatory requirement.

11. Funding:

a. Housing Credits:

(1) Eligible Housing Credit Request Amount:

The Applicant must state the amount of Housing Credits it is requesting.

The Eligible Housing Credit Request Amount will be the amount of Housing Credit Allocation the Applicant will tentatively be awarded should the Application be selected for funding. Such Eligible Housing Credit Request Amount will be based on the lesser of (i) the Applicant’s Housing Credit Request Amount (as provided by the Applicant at question 11.a.(1) of Exhibit A) and (ii) the County Category Maximum Housing Credit Request Limit (as outlined in (3) below). Any Housing Credit equity proposal provided as an attachment to the RFA must reflect the Eligible Housing Credit Request Amount, as further described in Item 11.d.(2) below.

In order for the Applicant’s Housing Credit Request Amount to be eligible to be greater than the limits indicated in Column A of the chart set out at (3) below, the proposed Development must qualify for the HUD High Cost Area (HCA) 30 percent boost via one of the three options outlined in Items (2)(a), (2)(b), or (2)(c) below. If the Applicant intends to qualify for this higher Housing Credit Request Amount limit, it must complete the applicable questions at 11.a.(2) of Exhibit A.

(2) Difficult Development Area (DDA) / Qualified Census Tract (QCT) / Multiphase Development:

With regard to Housing Credits, HUD provides regulatory guidance on the effective date of DDA and QCT lists for the purpose of determining whether a Development qualifies for an increase in eligible basis in accordance with Section 42(d)(5)(B) of the IRC.
(a) DDA – In order to be classified as a Development located in a DDA for purposes of this RFA, as of the Application Deadline the proposed Development must be located in a HUD-designated DDA. If located in a HUD-designated DDA, provide the requested information at question 11.a.(2)(a) of Exhibit A.

(b) QCT – If the proposed Development is not located in a HUD-designated DDA (as indicated by the Applicant at question 11.a.(2)(a) of Exhibit A), in order to be classified as a Development located in a QCT for purposes of this RFA, the proposed Development must be located in one of the QCTs based on the current census, as determined by HUD as of the Application Deadline, and the Applicant must provide a copy of a letter from the local planning office or census bureau verifying the Development’s location in the referenced QCT as Attachment 16 to Exhibit A.

(c) Multiphase Development –

If the multiphase provision applies to the proposed Development, the Applicant must:

(i) Select question 11.a.(2)(c)(i) of Exhibit A if the proposed Development is the first phase of a multiphase Development. As outlined in Item 2.b.(8) of the Applicant Certification and Acknowledgement form, during the credit underwriting process the Applicant will be required to submit to the Corporation an attorney opinion letter describing the subsequent phases, as required by the Federal Register.

or

(ii) Select question 11.a.(2)(c)(ii) of Exhibit A if the proposed Development is a subsequent phase of a multiphase Development. As outlined in Item 2.b.(8) of the Applicant Certification and Acknowledgement form, during the credit underwriting process the Applicant will be required to submit to the Corporation an attorney opinion letter which, among other things, identifies the Application in which the first phase was declared, and includes information on the subsequent phase(s) illustrating that the proposed Development is eligible for the HC boost.

For purposes of this RFA, a subsequent phase of a multiphase Development is one where the initial phase was appropriately identified as such in an Application awarded funding under one (1) of the following: (A) the 2011 Universal Application Cycle, (B) a 2013 Housing Credit Request for Proposal or RFA, (C) a 2014 Housing Credit RFA, or (D) a Non-Competitive Housing Credit Application (i.e., a Non-Competitive Housing Credit allocation awarded within the 365 day period following the date the competitive Bond application was deemed complete by the Bond-issuing agency for which the Non-Competitive Housing Credit allocation was awarded, provided the 365 day period did not end prior to the Application Deadline for this RFA). After the initial award, the Applicant must have submitted an Application for Housing Credits in immediately consecutive years, per the HUD requirements.
During credit underwriting, if it is determined that the proposed Development does not meet the criteria to be a subsequent phase of a multiphase Development, the Applicant’s Competitive Housing Credit award will be rescinded.

(3) Maximum Housing Credit Request Amount:

The Applicant must state the amount of Housing Credits it is requesting at question 11.a.(1) of Exhibit A (“Applicant’s Housing Credit Request Amount”). The Applicant’s Housing Credit Request Amount cannot exceed the applicable County Category amount stated in the following chart:

<table>
<thead>
<tr>
<th>County Category* in which the Development is to be Located</th>
<th>Column A</th>
<th>Column B</th>
</tr>
</thead>
<tbody>
<tr>
<td>If Development is not located in a DDA or if the Application does not meet the RFA requirements to qualify as a QCT</td>
<td>If Development is located in a DDA; and/or if the Application meets the RFA requirements to qualify as a QCT</td>
<td></td>
</tr>
<tr>
<td>Large County</td>
<td>$1,276,000</td>
<td>$1,660,000</td>
</tr>
<tr>
<td>Medium County</td>
<td>$1,155,000</td>
<td>$1,510,000</td>
</tr>
<tr>
<td>Small County</td>
<td>$825,000</td>
<td>$1,070,000</td>
</tr>
</tbody>
</table>

*County categories are described in Section Four A.5.b.(1) of the RFA.

If the Applicant states an amount that is greater than the amount the Applicant is eligible to request relative to the above applicable chart, the Corporation will reduce the amount down to the maximum amount the Applicant is eligible to request as provided in the chart above.

The amount resulting from the lesser of the Applicant’s Housing Credit Request Amount (as stated at question 11.a.(1) of Exhibit A) and the adjustment described above, if any, will be deemed to be the Applicant’s Eligible Housing Credit Request Amount.

b. Other Funding:

(1) If the Development has received funding from the Predevelopment Loan Program (PLP), the Corporation file number and amount of funding must be listed at question 11.b.(1) of Exhibit A. Note: PLP funding cannot be used as a source of financing on the Construction/Rehab Analysis or the Permanent Analysis.

(2) If the proposed Development will be assisted with funding under the United States Department of Agriculture RD 515 Program and/or RD 538 Program, the following information must be provided:

(a) Indicate the applicable RD Program(s) at question 11.b.(2) of Exhibit A.

(b) For a proposed Development that is assisted with funding from RD 515 and to qualify for the RD 515 Proximity Point Boost (outlined in Section Four A.6.b.(1)(b) of the RFA), the Applicant must:

(i) Include the funding amount at the USDA RD Financing line item on the Development Funding Pro Forma (Construction/Rehab Analysis and/or Permanent Analysis); and
(ii) Provide a letter from RD, dated within six (6) months of the Application Deadline, as Attachment 17 to Exhibit A, which includes the following information for the proposed Preservation Development:

- Name of existing development;
- Name of proposed Development;
- Current RD 515 Loan balance;
- Acknowledgment that property is applying for Housing Credits; and
- Acknowledgment that the property will remain in the USDA RD 515 loan portfolio.

(c) If the proposed Development will be assisted with funding under the RD 538 Program, the Applicant must:

(i) Include the funding amount at the USDA RD Financing line item on the Development Funding Pro Forma (Construction/Rehab Analysis and/or Permanent Analysis); and

(ii) Provide the letter sent to the Applicant by an RD 538 approved lender certifying that the lender is prepared to make a loan consistent with the program requirements through the Section 538 Guaranteed Rural Rental Housing (“538”) Loan Program as Attachment 17 to Exhibit A. The U.S. Department of Agriculture, Rural Development (RD), list of Section 538 Guaranteed Rural Rental Housing approved lenders is available by clicking here.

As outlined in Item 3.v. of the Applicant Certification and Acknowledgement form, the Section 538 Selection letter must be provided during credit underwriting.

c. Finance Documents:

All Applicants must complete the Development Cost Pro Forma listing the anticipated expenses or uses, the Detail/Explanation Sheet, if applicable, and the Construction or Rehab Analysis and Permanent Analysis listing the anticipated sources. The sources must equal or exceed the uses. During the scoring process, if a funding source is not considered and/or if the Applicant’s HC Request Amount is adjusted downward, as outlined in Item 11.a. above, this may result in a funding shortfall. If the Applicant has a funding shortfall, it will be ineligible to be considered for funding.

The Development Cost Pro Forma must include all anticipated costs of the Development construction, rehabilitation and, if applicable, acquisition, including the Developer fee and General Contractor fee, as outlined below. Any amounts that are not an anticipated cost to the Development, such as waived or reimbursed fees or charges, cannot be included in the Development Cost Pro Forma. Note: deferred Developer fees are not considered “waived fees.”

In addition, the Development Cost Pro Forma must include all anticipated sources of funding, as well as any Non-Corporation Funding as outlined in d. below.

(1) Developer Fee:
Developer fee shall be limited to 16 percent of Development Cost. The maximum allowable Developer fee will be tested during the scoring of the Application by multiplying the Development Cost by 16 percent, rounded down to the nearest dollar.

The Corporation will allow up to 100 percent of the eligible Developer fee to be deferred and used as a source on the Development Cost Pro Forma without the requirement to show evidence of ability to fund.

(2) General Contractor Fee:

General Contractor fee shall be limited to 14 percent of actual construction cost. The maximum allowable General Contractor fee will be tested during the scoring of the Application by multiplying the actual construction cost by 14 percent, rounded down to the nearest dollar.

(3) Contingency Reserves:

For Application purposes, the maximum hard and soft cost contingencies allowed cannot exceed 15 percent of hard costs and 5 percent of soft costs, respectively. In credit underwriting, the maximum will be as described in Rule Chapter 67-48, F.A.C., to account for any new construction units, if applicable. The determination of the contingency reserve is limited to the maximum stated percentage of total actual construction costs (hard costs) and general development costs (soft costs), as applicable.

(4) Operating Deficit Reserves:

An operating deficit reserve is not to be included as part of Development Costs and cannot be used in determining the maximum Developer fee. Applicants may not enter any amounts pertaining to operating deficit reserves on the Development Cost Pro Forma as part of the Application process. An operating deficit reserve, if necessary as determined by an equity provider, first mortgage lender, and/or the Credit Underwriter engaged by the Corporation in its reasonable discretion, will be required and sized in credit underwriting. The use of operating deficit reserves may include, but is not limited to, reserves to cover operating deficits, debt service shortfalls, lease-up, rent-stabilization, and any pre-funded capital (replacement) reserves.

Developer fee and General Contractor fee must be disclosed. In the event the Developer fee and/or General Contractor fee are/is not disclosed on the Development Cost Pro Forma, the Corporation will assume that these fees will be the maximum allowable and will add the maximum amount(s) to Total Development Cost. If an Applicant lists a Developer fee, General Contractor fee, contingency reserve or operating deficit reserve that exceeds the stated Application limits, the Corporation will adjust it/them to the maximum allowable.

d. Non-Corporation Funding Proposals:

In order for funding, other than deferred Developer fee, to be counted as a source on the Construction/Rehab and/or Permanent Analysis, the Applicant must provide documentation of all financing proposals from both the construction and the permanent lender(s), equity proposals from the syndicator, and other sources of funding. The financing proposals must state whether they are for construction financing, permanent financing, or both, and all attachments and/or exhibits referenced in the proposal must be included.
documentation for each source as a separate attachment to Exhibit A beginning with Attachment 18 and continuing with sequentially numbered attachments for each additional funding source. Evidence for each funding source must be behind its own sequentially numbered attachment.

For purposes of the Application, neither of the following will be considered a source of financing: net operating income or capital contributions.

(1) Financing Proposal

Financing proposal documentation, regardless of whether the documentation is in the form of a commitment, proposal, term sheet, or letter of intent, must meet the following criteria. Evidence for each funding source must be behind its own numbered attachment.

(a) Each financing proposal shall contain:

(i) Amount of the construction loan, if applicable;
(ii) Amount of the permanent loan, if applicable;
(iii) Specific reference to the Applicant as the borrower or direct recipient; and
(iv) Signature of all parties, including acceptance by the Applicant.

Note: Although Local Government Contributions is not included in this RFA as a point item, eligible Local Government financial commitments (i.e., grants and loans) can be considered a source of financing without meeting the requirements of (i) through (iv) above if the Applicant provides the properly completed and executed Local Government Verification of Contribution – Grant Form (Form 01-14) and/or the Local Government Verification of Contribution – Loan Form (Form 01-14) and such grant and/or loan is effective at least through June 30, 2016. The grant and loan forms (Form 01-14) are available on the Corporation Website at: http://www.floridahousing.org/Developers/MultiFamilyPrograms/Competitive/2015-111/RelatedForms/ (also accessible by clicking here). If the loan form is used, the space for entering the net present value of the loan is not applicable to this RFA and will not be considered.

(b) Financing that has closed:

(i) If the financing has closed in the Applicant’s name, provide a letter from the lender acknowledging that the loan has closed. The letter must also include the following information:

- Amount of the construction loan, if applicable;
- Amount of the permanent loan, if applicable; and
- Specific reference to the Applicant as the borrower/direct recipient/mortgagee.

(ii) Except for HUD and RD, if the financing involves an assumption of debt not currently in the Applicant’s name, as evidence that the lender approves of the proposal of assumption, the Applicant must provide a letter from the lender, dated within six (6) months of the Application Deadline, that includes the following information:

- Specifically references the Applicant as the assuming party;
If a permanent loan, states the amount to be assumed; and
If a construction loan, states the maximum amount of funding capacity.

If the debt being assumed is provided by HUD, the Applicant must provide a letter from HUD, dated within six (6) months of the Application Deadline, confirming the funding source. The letter must include the following information:

- Name of existing development;
- Name of proposed Development;
- Loan balance;
- Acknowledgment that property is applying for Housing Credits; and
- Applicable HUD program.

If the debt being assumed is provided by RD, the Applicant is only required to provide the information described in Item 11.b.(2) above.

(c) If the financing proposal is not from a Regulated Mortgage Lender in the business of making loans, a governmental entity, or the seller of the Development’s property (see below for qualifying criteria), evidence of ability to fund must be provided. Evidence of ability to fund includes: (i) a copy of the lender's most current audited financial statements no more than 17 months old; or (ii) if the loan has already been funded, a copy of the note and recorded mortgage. The age of all financial statements is as of the Application Deadline. In evaluating ability to fund, the Corporation will consider the entity's unrestricted current assets typically used in the normal course of business. Assets considered restricted include, but are not limited to, pension funds, rental security deposits, and sinking funds. Financing proposals from lenders who cannot demonstrate ability to fund will not count as a source of financing. Financial statements must be included in the Application. Note: This provision does not apply to deferred Developer fee.

In the case where the seller of the Development’s property is providing a seller’s note (purchase money mortgage) to help finance the Applicant’s acquisition of the property, evidence of its ability to fund the amount of the seller’s note is not needed so long as the Application includes a letter from the seller that meets the financing proposal criteria outlined in 11.d.(1)(a) above and the amount of the seller’s note is equal to or less than the purchase price of the property.

(d) If a financing proposal shows an amount less than the corresponding line item on the Development Cost Pro Forma, only the financing proposal amount will be considered as a funding source. However, if a financing proposal shows an amount in excess of the corresponding line item on the Development Cost Pro Forma, up to the total amount of the financing proposal amount may be utilized as a funding source, if needed.

(e) The loan amount may be conditioned upon an appraisal or debt service coverage ratio or any other typical due diligence required during credit underwriting.

(f) Financing proposals may be conditioned upon the Applicant receiving the funding from the Corporation for which it is applying.

RFA 2015-111
(g) If a financing proposal has a provision for holding back funds until certain conditions are met, the amount of the hold-back will not be counted as a source of construction financing unless it can be determined that the conditions for the release of the hold-back can be met prior to or simultaneous with the closing of the Development’s permanent financing.

(h) Grant funds are contributions to the Development, other than equity, which carry no repayment provision or interest rate. A commitment for grant funds will be considered a commitment for scoring purposes if the commitment is properly executed and, if applicable, evidence of ability to fund is provided.

(2) Housing Credit Equity Proposal

For the purpose of this RFA, to be counted as a source an equity proposal, regardless of whether the documentation is in the form of a commitment, proposal, term sheet or letter of intent, must: (i) if syndicating/selling the Housing Credits, meet the requirements outlined in (a) below and include the information outlined in (b) below, or (ii) if not syndicating/selling the Housing Credits, meet the requirements outlined in (a) below and include the information outlined in (c) below:

(a) If the Eligible Housing Credit Request Amount is less than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will not be considered a source of financing. However, if the Eligible Housing Credit Request Amount is greater than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing.

(b) If syndicating/selling the Housing Credits:

(i) A Housing Credit equity proposal must also meet the following criteria:

- Be executed by all parties, including the Applicant;
- Include specific reference to the Applicant as the beneficiary of the equity proceeds;
- State the proposed amount of equity to be paid prior to construction completion;
- State the anticipated Eligible Housing Credit Request Amount;
- State the anticipated dollar amount of Housing Credit allocation to be purchased; and
- State the anticipated total amount of equity to be provided.

(ii) If the limited partnership agreement or limited liability company operating agreement has closed, the closed agreement must be provided. To be counted as a source of financing, the partnership agreement or operating agreement must meet the requirements of (i) above or the Applicant must submit separate documentation, signed by the equity provider, expressly stating any required criteria not provided in the agreement.

Note: Item 1.b.(2) of the Applicant Certification and Acknowledgement form outlines the requirement and deadline for the Applicant’s confirmation that the documented equity amount to be paid prior to or simultaneous with the closing of construction financing is at least 15 percent of the total proposed equity to be provided (the 15 percent criteria).
(c) If not syndicating/selling the Housing Credits, the owner’s commitment to provide equity must be provided.

(i) The commitment must include the following:

- The proposed amount of equity to be paid prior to construction completion;
- The anticipated Eligible Housing Credit Request Amount;
- The anticipated dollar amount of Housing Credit allocation to be purchased; and
- The anticipated total amount of equity to be provided.

(ii) Evidence of ability to fund must be provided as an Attachment to the Application.

e. Per Unit Construction Funding Preference:

(1) The following Applications will qualify for this funding preference, as outlined in Section Four B of the RFA:

Applications with the above-referenced Demographics that reflect an amount of at least $32,500 per unit when the amount listed in the Total column of the Development Cost Pro Forma for the Development Cost line item A1.1 Actual Construction Cost is divided by the number of total units in the Development.

(2) The following Applications will not qualify for this funding preference:

Applications with the above-referenced Demographics that reflect an amount less than $32,500 per unit, when the amount listed in the Total column of the Development Cost Pro Forma for the Development Cost line item A1.1 Actual Construction Cost is divided by the number of total units in the Development.

Indicate whether the proposed development qualifies for this funding preference at question 11.e. of Exhibit A.

Except for deferred Developer fee, the Application requires complete information on all sources of Development funding and the proposed uses of those funds. All loans, grants, donations, syndication proceeds, etc., should be detailed in the Application as outlined above. The total amount of funding sources determined to be in funding proposals must equal or exceed uses.

Addenda:

The Applicant may use the Addenda section of Exhibit A to provide any additional information or explanatory addendum for items in the Application. Please specify the particular Item to which the additional information or explanatory addendum applies.

B. Funding Selection:

For purposes of the following provisions:

- An RD 515 Development shall mean that the Application demonstrated RD 515 funding at Attachment 17, as outlined in Section Four A.11.b.(2)(b) of the RFA;
A Non-RD 515 Development shall mean that the Applicant either did not demonstrate RD 515 funding at Attachment 17, or that the letter provided at Attachment 17 was not satisfactory;

A Family Demographic Development shall mean that the Applicant selected the Family Demographic at question 2.a. of Exhibit A;

An Elderly Demographic Development shall mean that the Applicant selected the Elderly Demographic (ALF or Non-ALF) at question 2.b. of Exhibit A; and

A Person with a Disability Demographic Development shall mean that the Applicant selected the Person with a Disability Demographic at question 2.c. of Exhibit A.

1. **Eligibility:** Only Applications that are eligible for funding will be considered for funding selection. Eligibility requirements include the following:

2. **Funding Goals:**

The Corporation has the following funding goals:

a. **RD 515 Development in Medium or Small County Goal** –

   A goal to fund one (1) eligible RD 515 Development located in a Medium or Small County, regardless of whether the Application’s Demographic Commitment is Family or Elderly.

b. **Non-RD 515 Development Family Demographic Goal** –

   A goal to fund one (1) Non-RD 515 Development with the Family Demographic Commitment.

3. **Application Sorting Order:**

The highest scoring Applications will be determined by first sorting together all eligible Applications from highest score to lowest score, with any scores that are tied separated as follows:

a. First, by the Age of Development (with preference given to Applications that demonstrate within the documentation provided at question 5.c.(2)(c) of Exhibit A that the proposed Development was originally built in the year 1985 or earlier);

b. Next, by RA Level 1, 2 or 3 (with preference given to Applications that achieve an RA Level Classification of RA Level 1, 2 or 3, as outlined in Section Four A.5.c. of the RFA);
c. Next, by the Application’s eligibility for the Concrete Construction Funding Preference, as outlined at Section Four A.5.c.(4) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

d. Next, by the Application’s eligibility for the Per Unit Construction Funding Preference which is outlined in Section Four A.11.e. of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

e. Next, by the Application’s Leveraging Classification which is outlined in Item 8 of Exhibit C of the RFA (with Applications that receive the Classification of A listed above Applications that receive the Classification of B);

f. Next, by the Application’s RA Level (with preference given to Applications with the lowest RA Level Classification so that RA Level 1 Applications receive the most preference and RA Level 6 Applications receive the least preference);

g. Next, by the Application’s eligibility for the Florida Job Creation Funding Preference which is outlined in Item 9 of Exhibit C of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

h. And finally, by lottery number, resulting in the lowest lottery number receiving preference.

4. **Funding Test**: Applications will be selected for funding only if there is enough funding available to fully fund the Eligible Housing Credit Request Amount.

5. **County’s Award Tally**: Throughout the entire Selection Process and Returned Allocation Process, outlined in Items 6 and 7 below, as each Application is selected for tentative funding, the county where the proposed Development is located will have one (1) Application credited towards the County’s Award Tally. The Corporation will prioritize eligible unfunded Applications that meet the Funding Test and are located in counties that have the lowest County Award Tally above other eligible unfunded Applications with a higher County Award Tally that also meet the Funding Test, even if the Applications with a higher County Award Tally are higher ranked.

6. **Selection Process**:

   a. The first Application that will be selected for funding will be the highest ranked eligible Application that is eligible for the RD 515 Development in Medium or Small County Goal, as outlined in 2.a. above.

   b. If the RD 515 Development in Medium or Small County Goal is met, or if there are no eligible Applications that meet this goal, then the next Application that will be considered for funding will be the highest ranked eligible Application that is eligible for the Non-RD 515 Development Family Demographic Goal, as outlined in 2.b. above, subject to the Funding Test and the County Award Tally.

   c. If the Non-RD 515 Development Family Demographic Goal is met, or if there are no eligible Applications that meet this goal, then the next Applications that will be considered for funding will be the highest ranked eligible unfunded Non-RD 515 Development Application(s) with the Demographic of Elderly or Person with a Disability, subject to the Funding Test and the County Award Tally.
d. If funding remains and there are no eligible unfunded Non-RD 515 Development Applications with the Elderly or Person with a Disability Demographic that can be fully funded, then:

(1) The next Application that will be considered for funding will be the highest ranked eligible unfunded RD 515 Development (regardless of county size) with the Elderly Demographic, subject to the Funding Test and the County Award Tally.

(2) However, if there is no eligible unfunded RD 515 Development (regardless of county size) with the Elderly Demographic that can be fully funded (as described in (1) above), then the next Application that will be considered for funding will be the highest ranked eligible unfunded RD 515 Development (regardless of county size) with the Family Demographic, subject to the Funding Test and the County Award Tally.

(3) If funding remains after funding an eligible unfunded RD 515 Development under (1) or (2) above or because there is no eligible unfunded RD 515 Development that can be funded under (1) or (2) above, then no further Applications will be selected for funding and the remaining funding will be distributed as approved by the Board.

7. Returned Allocation Process:

Funding that becomes available after the Board takes action on the Committee’s recommendation(s), due to an Applicant withdrawing its Application, an Applicant declining its invitation to enter credit underwriting, or the Applicant’s inability to satisfy a requirement outlined in this RFA and/or Rule Chapter 67-48, F.A.C., will be distributed in the following manner:

a. If the funding was originally awarded to an Application selected to meet the RD 515 Development in Medium or Small County Goal, as outlined in Item 6.a. above:

(1) The returned funding will be distributed to the highest ranked eligible unfunded Application, subject to the Funding Test and the County Award Tally, that (i) can meet the goal and (ii) has the same Demographic Commitment as the Application that returned the funding.

(2) However, if there is no eligible unfunded Application that meets the criteria outlined in (1) above, then the funding will be distributed to the highest ranked eligible unfunded Application, subject to the Funding Test and the County Award Tally, that can meet the goal, regardless of its Demographic Commitment.

(3) If funding remains after funding an eligible unfunded RD 515 Development that met the criteria outlined in (1) or (2) above or because there is no eligible unfunded Application that meets the criteria outlined in (1) or (2) above, then the remaining funding will be distributed as approved by the Board.

b. If the funding was originally awarded to an Application selected to meet the Non-RD 515 Development Family Demographic goal, as outlined in Item 6.b. above, the returned funding will be distributed to the highest ranked eligible unfunded Application that can meet the goal, subject to the Funding Test and the County Award Tally. If funding remains (i) after funding an eligible unfunded Non-RD 515 Development that meets this criteria or (ii) because there is
no eligible unfunded Application that meets this criteria that can be fully funded, then the remaining funding will be distributed as approved by the Board.

c. If the funding was originally awarded to a Non-RD 515 Development Application with the Elderly or Person with a Disability Demographic Commitment, as outlined in Item 6.c. above, the returned funding will be distributed to the highest ranked eligible unfunded Non-RD 515 Development Application(s) with the Elderly or Person with a Disability Demographic Commitment, subject to the Funding Test and the County Award Tally. If funding remains (i) after funding an eligible unfunded Non-RD 515 Development that meets this criteria or (ii) because there is no eligible unfunded Application that meets this criteria that can be fully funded, then the remaining funding will be distributed as approved by the Board.

d. If the funding was originally awarded to an RD 515 Development, as outlined in Item 6.d. above, the returned funding will be distributed to the highest ranked eligible unfunded RD 515 Development (regardless of county size or Demographic Commitment), subject to the Funding Test and the County Award Tally. If funding remains (i) after funding an eligible unfunded RD Development that meets this criteria or (ii) because there is no eligible unfunded Application that meets this criteria that can be fully funded, then the remaining funding will be distributed as approved by the Board.

SECTION FIVE
EVALUATION PROCESS

Committee members shall independently evaluate and score their assigned portions of the submitted Applications, consulting with non-committee Corporation staff and legal counsel as necessary and appropriate.

The Corporation will reject any competitive Application submittal and no action will be taken to score the Application if any of the following submission requirements are not met: (i) the Application is submitted online by the Application Deadline, (ii) the required number of hard copies are submitted by the Application Deadline, (iii) the Applicant’s hard copy submission is contained in a sealed package, (iv) the required Application fee is submitted as of the Application Deadline, (v) the Application Withdrawal Cash Deposit or the Letter of Credit, as selected by the Applicant, is submitted as of Application Deadline, (vi) the Applicant Certification and Acknowledgement form, containing an original signature, is included in the Application labeled “Original Hard Copy” as of the Application Deadline, or (vii) the proposed Development is not eligible to apply for funding under this RFA because it meets the criteria outlined in subsection 67-48.023(1), F.A.C., and does not meet one of the stated exceptions.

An Application will be deemed ineligible to be considered for funding if, as of close of business the day before the Committee meets to make a recommendation to the Board, there remains any financial obligations for which an Applicant or Developer or Principal, Affiliate or Financial Beneficiary of the Applicant or Developer is in arrears to the Corporation or any agent or assignee of the Corporation as reflected on the most recently published Past Due Report posted to the Corporation’s Website under the link Property Owners & Managers/Past Due Reports (also accessible by clicking here), but not more recently than five (5) business days prior to the date the Committee meets to make a recommendation to the Board.

Addenda

The Applicant may use the space below to provide any additional information or explanatory addendum for items in the Application. Please specify the particular Item to which the additional information or explanatory addendum applies.

NOTES:
(1) Developer fee may not exceed the limits established in Rule Chapter 67-48, F.A.C. Any portion of the fee that has been deferred must be included in Total Development Cost.
(2) Because Housing Credit equity is being used as a source of financing, complete Columns 1 and 2.
(3) General Contractor’s fee is limited to 14% of actual construction cost (for Application purposes, this is represented by A1.1. Column 3). The General Contractor’s fee must be disclosed. The General Contractor’s fee includes General Conditions, Overhead, and Profit.
(4) In reference to impact fees, a tax professional’s advice should be sought regarding eligibility of these fees.
(5) For Application purposes, the maximum hard cost contingency allowed cannot exceed (i) 15%, unless the Development qualifies for the 20% option, or (ii) 20% in the event financing is obtained through a federal government rehabilitation program and is required by that program. In any case, the maximum soft cost contingency allowed cannot exceed 5%. For Application purposes, hard costs are represented by the total of A1.3. TOTAL ACTUAL CONSTRUCTION COSTS and soft costs are represented by the total of A2. TOTAL GENERAL DEVELOPMENT COST. Limitations on these cost line items post-Application are provided in Rule Chapter 67-48, F.A.C. Operating Deficit Reserves (ODR) are not to be included in C. DEVELOPMENT COST and cannot be used in determining the maximum Developer fee. An ODR is not permitted in the Application, but one is permitted in credit underwriting where, if necessary, it will be sized.
(6) Because Housing Credit equity is being used as a source of financing, an estimated compliance fee should be included in column 2.
(7) Although the Corporation acknowledges that the costs listed on the Development Cost Pro Forma, Detail/Explanation Sheet, Construction or Rehab Analysis and Permanent Analysis are subject to change during credit underwriting, such costs are subject to the Total Development Cost Per Unit Limitation as provided in the RFA as well as the other cost limitations provided in Rule Chapter 67-48, F.A.C., as applicable.

USE THE DETAIL/EXPLANATION SHEET FOR EXPLANATION OF * ITEMS. IF ADDITIONAL SPACE IS REQUIRED, ENTER THE INFORMATION ON THE ADDENDA LOCATED AT THE END OF THE APPLICATION.

1. The Applicant certifies that the proposed Development can be completed and operating within the development schedule and budget submitted to the Corporation.

2. The Applicant acknowledges and certifies that the following information will be provided by the due date outlined below, or as otherwise outlined in the invitation to enter credit underwriting. Failure to provide the required information by the stated deadline shall result in the withdrawal of the invitation to enter credit underwriting:

   a. Within 7 Calendar Days of the date of the invitation to enter credit underwriting:
      
      (1) Name and address of the chief elected official of the local jurisdiction where the proposed Development is located;
      
      (2) The unit mix for the proposed Development (number of bedrooms per unit, number of baths per unit, and number of units per bedroom type);

First, if there is a bridge loan proposal within the equity proposal that provides for bridge loan proceeds that equal at least 15 percent of the amount of total proposed equity to be provided to be made available prior to or simultaneous with closing of construction financing, the 15 percent criteria will be met. Second, if there is a separate bridge loan proposal from either the equity provider, any entity that is controlled directly or indirectly by the equity provider, or a subsidiary of the equity provider’s parent holding company, and the proposal explicitly proposes an amount to be made available prior to or simultaneous with the closing of construction financing that equals at least 15 percent of the total proposed equity to be paid stated in the equity proposal, the 15 percent criteria is met. Bridge loan proposals that are not within the equity proposal, though, must meet the criteria previously stated for debt financing with the exception that evidence of ability to fund does not have to be provided. The Applicant may include the proposed amount of the bridge loan as equity proceeds on the Construction or Rehabilitation Analysis and on the Permanent Analysis (Note: this 15 percent criteria must be reflected in the limited partnership agreement or limited liability company operating agreement); or

(4) Confirmation that, if the proposed Development meets the definition of Scattered Sites, all Scattered Sites requirements that were not required to be met in the Application will be met, including that all features and amenities committed to and proposed by the Applicant that are not unit-specific shall be located on each of the Scattered Sites, or no more than 1/16 mile from the Scattered Site with the most units, or a combination of both;

(5) Notification of the percentage of ownership of the Principals of the Applicant;

(6) The Applicant must provide to the Credit Underwriter a plan for relocation of existing tenants, as outlined in Section Four A.5.c.(2) of the RFA;

The team members so identified, and any future replacement thereof, must be acceptable to the Corporation and the Credit Underwriter; and

Applicant Certification and Acknowledgement Form

d. If the Applicant applies as a Non-Profit entity and meets the requirements outlined in Section Four A.3.c. of the RFA to be considered to be a Non-Profit for purposes of this RFA, it must remain a Non-Profit entity and the Non-Profit entity must (i) receive at least 25 percent of the Developer’s fee; and (ii) understand that it is the Non-Profit entity’s responsibility to contractually ensure that it substantially and materially participates in the management and operation of the Development throughout the Compliance Period.

e. The success of an Applicant in being selected for funding is not an indication that the Applicant will receive a positive recommendation from the Credit Underwriter or that the Development Team’s experience, past performance or financial capacity is satisfactory. The past performance record, financial capacity, and any and all other matters relating to the Development Team, which consists of Developer, Management Company, General Contractor, Architect, Attorney, Accountant and, if Elderly ALF, Service Provider, will be reviewed during credit underwriting. The Credit Underwriter may require additional information from any member of the Development Team including, without limitation, documentation on other past projects and financials. Development Teams with an unsatisfactory past performance record, inadequate financial capacity or any other unsatisfactory matters relating to their suitability may result in a negative recommendation from the Credit Underwriter.

f. The Principals of each Developer identified in the Application, including all co-Developers, may be changed only by written request of an Applicant to Corporation staff and approval of the Board after the Applicant has been invited to enter credit underwriting. In addition, any allowable replacement of an experienced Principal of a Developer entity must meet the experience requirements that were met by the original Principal.

g. During credit underwriting, all funded Applications will be held to the number of RA units stated in the letter provided by the Applicant as Attachment 7 to Exhibit A. This requirement will apply throughout the entire Compliance Period, subject to Congressional appropriation and continuation of the rental assistance program.

h. The total number of units stated in the Application may be increased after the Applicant has been invited to enter credit underwriting, subject to written request of an Applicant to Corporation staff and approval of the Corporation. Any such increase is limited to the maximum total number of units permitted, as outlined in Section Four A.5.e. of the RFA.

i. The invitation to enter credit underwriting will be rescinded if it is determined that the proposed Development was placed in service prior to the year in which it received its Housing Credit allocation.

j. The proposed Development will include (i) all construction features commitments made by the Applicant at question 9 of Exhibit A, and (ii) all required construction features applicable to the proposed Development, as outlined in Item 4 of Exhibit C of the RFA. The quality of the features committed to by the Applicant is subject to approval of the Board of Directors.

k. The proposed Development will include all resident programs commitments made by the Applicant at question 10 of Exhibit A. The quality of the resident programs committed to by the Applicant is subject to approval of the Board of Directors.
Applicant Certification and Acknowledgement Form

1. The proposed Development will include the required income set-aside units committed to in the Application. The Total Set-Aside Percentage stated in the Application may be increased after the Applicant has been invited to enter credit underwriting, subject to written request of an Applicant to Corporation staff and approval of the Corporation.

m. The Applicant irrevocably commits to set aside units in the proposed Development for a total of 50 years. Note: in submitting its Application, the Applicant knowingly, voluntarily and irrevocably commits to waive, and does hereby waive, for the duration of the 50-year set aside period the option to convert to market, including any option or right to submit a request for a qualified contract, after year fourteen (14), and any other option, right or process available to the Applicant to terminate (or that would result in the termination of) the 50-year set aside period at any time prior to the expiration of its full term.

n. The Applicant’s commitments will be included in an Extended Use Agreement and must be maintained in order for the Development to remain in compliance, unless the Board approves a change.

o. The applicable fees outlined in Item 10 of Exhibit C of the RFA will be due as outlined in this RFA, Rule Chapter 67-48, F.A.C., and/or as otherwise prescribed by the Corporation and/or the Credit Underwriter.

p. The Applicant agrees and acknowledges that the Application will be subject to the Total Development Cost Per Unit Limitation during the scoring, credit underwriting, and final allocation process, as outlined in Item 7 of Exhibit C of the RFA.

q. The Applicant agrees and acknowledges that the following information and documentation will be provided as outlined in Item 12 of Exhibit C of the RFA: Progress Report (Form Q/M Report); Final Cost Certification Application Package (Form FCCAP); and Financial Reporting Form SR-1.

r. The Applicant agrees and acknowledges that it will conform to the requirements regarding the use of replacement reserve funds, as outlined in Item 12 of Exhibit C of the RFA.

s. The Preliminary Recommendation Letter (PRL) for this Development will be due to the Corporation no later than 12 weeks after the invitation to enter credit underwriting has been accepted. Pursuant to paragraph 67-48.0072(21)(b), F.A.C., the Applicant is responsible for providing the Credit Underwriter with the information necessary to complete the PRL. If the 12 week deadline cannot be met due to any delay caused by the Applicant, the Applicant must request an extension by submitting a written request and payment of the applicable processing fee to the Corporation.

t. If the proposed Development is not located in one of the counties identified at Section Four A.5.c.(4)(b) of the RFA and the Applicant indicated at question 5.c.(3) of Exhibit A that the proposed Development qualified for the Concrete Construction Funding Preference, during the credit underwriting process the Credit Underwriter will verify that the proposed Development meets the concrete criteria outlined in Section Four A.5.c.(4)(a) of the RFA. If this cannot be verified, all funding awarded under this RFA will be rescinded.
Applicant Certification and Acknowledgement Form

u. If the Family or Elderly Non-ALF Demographic Commitment is selected at question 2 of Exhibit A, by the deadline established in the Carryover Allocation Agreement, the Applicant shall (i) develop and execute the required Memorandum of Understanding with a designated Special Needs Household Referral Agency that provides supportive services for Persons with a Disabling Condition for the county where the proposed Development will be located and (ii) demonstrate HUD’s approval of the owner-adopted preference in admission policies for the Development, as outlined in Section Four A.7.b.(2)(b) of the RFA.

v. If the Applicant indicated that the proposed Development will be assisted with funding under the RD 538 Program and expects to use such funding as a source of financing, the Section 538 Selection letter sent to the Applicant by RD must be provided to the Credit Underwriter, as outlined in Section Four A.11.b.(2)(c) of the RFA.

w. If the Applicant’s Housing Credit request is based on the Applicant’s contention that the proposed Development is a subsequent phase of a multiphase Development and, during the credit underwriting process, it is determine that the proposed Development does not meet the criteria for such distinction, the Applicant’s Competitive Housing Credit award will be rescinded.

x. In exchange for receiving funding from Florida Housing, Florida Housing reserves the authority to restrict the disposition of any funds remaining in any operating deficit reserve(s) after the term of the reserve’s original purpose has terminated or is near termination. Authorized disposition uses are limited to payments towards any outstanding loan balances of the Development funded from Florida Housing, any outstanding Florida Housing fees, any unpaid costs incurred in the completion of the Development (i.e., deferred Developer fee), the Development’s capital replacement reserve account (provided however, that any operating deficit reserve funds deposited to the replacement reserve account will not replace, negate, or otherwise be considered an advance payment or pre-funding of the Applicant’s obligation to periodically fund the replacement reserve account), the reimbursement of any loan(s) provided by a partner, member or guarantor as set forth in the Applicant’s organizational agreement (i.e., operating or limited partnership agreement), and, in the case of a Development with a Homeless or Persons with Special Needs Demographic Commitment, another operating deficit reserve whereby its final disposition remains under this same restriction. The actual direction of the disposition is at the Applicant’s discretion so long as it is an option permitted by Florida Housing. In no event shall the payment of amounts to the Applicant or the Developer from any operating deficit reserve established for the Development cause the Developer fee or General Contractor fee to exceed the applicable percentage limitations provided for in this RFA.

4. The Applicant acknowledges that any funding preliminarily secured by the Applicant is expressly conditioned upon any independent review, analysis and verification of all information contained in this Application that may be conducted by the Corporation, the successful completion of credit underwriting, and all necessary approvals by the Board of Directors, Corporation or other legal counsel, the Credit Underwriter, and Corporation staff.

5. If preliminary funding is approved, the Applicant will promptly furnish such other supporting information, documents, and fees as may be requested or required. The Applicant understands and agrees that the Corporation is not responsible for actions taken by the undersigned in reliance on a preliminary commitment by the Corporation. The Applicant commits that no qualified residents will be refused occupancy because they have Section 8 vouchers or certificates. The Applicant further

commits to actively seek tenants from public housing waiting lists and tenants who are participating in and/or have successfully completed the training provided by welfare to work or self-sufficiency type programs.

6. By Certificate of Occupancy, the Applicant commits to participate in the statewide housing locator system, as required by the Corporation.

7. The Applicant and all Financial Beneficiaries have read all applicable Corporation rules governing this RFA and have read the instructions for completing this RFA and will abide by the applicable Florida Statutes and the credit underwriting and program provisions outlined in Rule Chapter 67-48, F.A.C. The Applicant and all Financial Beneficiaries have read, understand and will comply with Section 42 of the Internal Revenue Code, as amended, and all related federal regulations.

8. In eliciting information from third parties required by and/or included in this Application, the Applicant has provided such parties information that accurately describes the Development as proposed in this Application. The Applicant has reviewed the third party information included in this Application and/or provided during the credit underwriting process and the information provided by any such party is based upon, and accurate with respect to, the Development as proposed in this Application.

9. The undersigned understands and agrees that in the event that the Applicant is invited into credit underwriting, the Applicant must submit IRS Form 8821 for all Financial Beneficiaries in order to obtain a recommendation for a Housing Credit Allocation.

11. The undersigned is authorized to bind all Financial Beneficiaries to this certification and warranty of truthfulness and completeness of the Application.

Under the penalties of perjury, I declare and certify that I have read the foregoing and that the information is true, correct and complete.

1.“Scattered Sites,” as applied to a single Development, means a Development site that, when taken as a whole, is comprised of real property that is not contiguous (each such non-contiguous site within a Scattered Site Development, a “Scattered Site”). For purposes of this definition “contiguous” means touching at a point or along a boundary. Real property is contiguous if the only intervening real property interest is an easement provided the easement is not a roadway or street.

2. “Development Location Point” means a single point selected by the Applicant on the proposed Development site that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development. For a Development which consists of Scattered Sites, this means a single point on the site with the most units that is located within 100 feet of a residential building existing or to be constructed as part of the proposed Development.

3. The latitude and longitude coordinates for all Proximity Services must represent a point as outlined on the Coordinates Location Chart set out below. The coordinates for each service must be stated in degrees, minutes and seconds, with the degrees and minutes stated as whole numbers and the seconds represented to 2 decimal places. If the degrees and minutes are not stated as whole numbers and the seconds are not represented to 2 decimal places, the Applicant will not be eligible for proximity points for that service.

If there is no exterior public entrance to the Community Service, then a point should be used that is at the exterior entrance doorway threshold that is the closest walking distance to the doorway threshold of the interior public entrance to the service. For example, for a Pharmacy located within an enclosed shopping mall structure that does not have a direct public exterior entrance, the latitude and longitude coordinates at the doorway threshold of the exterior public entrance to the enclosed shopping mall that provide the shortest walking distance to the doorway threshold of the interior entrance to the Pharmacy would be used.

Applicants may use the same latitude and longitude coordinates for the Grocery Store, Medical Facility and/or Pharmacy if the Grocery Store, Medical Facility and/or Pharmacy is housed at the same location.

Exhibit C to RFA 2015-111 – Housing Credit Financing for the Preservation of Existing Affordable Multifamily Housing Developments

1. Additional Elderly Demographic Commitment Requirements:

In order for a proposed Development to qualify for the Elderly (ALF or Non-ALF) Demographic, the following applicable requirement must be met:

a. If the Elderly Non-ALF Demographic Commitment is selected at question 2.b.(2) of Exhibit A, at least 50 percent of the total units must be comprised of one-bedroom or less (i.e., one-bedroom units or efficiency/studio/zero bedroom units or a combination these types of units), and no more than 15 percent of the total units can be larger than 2 bedroom units.

b. If the Elderly ALF Demographic Commitment is selected at question 2.b.(1) of Exhibit A, at least 90 percent of the total units must be comprised of units no larger than one-bedroom and the sharing of a unit by two or more unaffiliated residents cannot be a condition of occupancy.

2. Applicant Requirements:

The Applicant entity shall be the recipient of the Housing Credits and may not change until after the Carryover Allocation Agreement is in effect. Once the Carryover Allocation Agreement has been executed by all parties, replacement of the Applicant or a material change (33.3 percent or more of the Applicant, a General Partner of the Applicant, or a member of the Applicant) in the ownership structure of the named Applicant will require Board approval prior to the change. Changes to the Applicant entity prior to the execution of a Carryover Allocation Agreement or without Board approval prior to the approval of the Final Housing Credit Allocation and issuance of the IRS Forms 8609 will result in a disqualification from receiving funding and shall be deemed a material misrepresentation. Changes to the limited partner of a limited partnership or member of a limited liability company owning the syndicating interest therein will not result in disqualification.

4. Required Construction Features:

a. The Applicant will be required to provide the following General Features and Accessibility, Universal Design and Visitability Features. These required construction features are in addition to the Green Building Features selected by the Applicant at question 9 of Exhibit A.

(1) The following General Features must be provided for all proposed Developments:

- Termite prevention;
- Pest control;
- Window covering for each window and glass door inside each unit;
- Cable or satellite TV hook-up in each unit and, if the Development offers cable or satellite TV service to the residents, the price cannot exceed the market rate for service of similar quality available to the Development’s residents from a primary provider of cable or satellite TV; and
- Number of full bathrooms in each unit of the proposed Development must be equal to or greater than the number of existing full bathrooms.

(2) Accessibility, Universal Design and Visitability Features:

(a) All units of the proposed Development must meet all federal requirements and state building code requirements, including the following:
2012 Florida Accessibility Code for Building Construction as adopted pursuant to Section 553.503, Florida Statutes;
The Fair Housing Act as implemented by 24 CFR 100;
Section 504 of the Rehabilitation Act of 1973; and
Titles II and III of the Americans with Disabilities Act of 1990 as implemented by 28 CFR 35, incorporating the most recent amendments, regulations and rules.

All Housing Credit Developments must comply with Section 504 of the Rehabilitation Act of 1973, as implemented by 24 CFR Part 8 ("Section 504 and its related regulations"). To the extent that a Housing Credit Development is not otherwise subject to Section 504 and its related regulations, the Housing Credit Development shall nevertheless comply with Section 504 and its related regulations as requirements of the Housing Credit Program to the same extent as if the Housing Credit Development were subject to Section 504 and its related regulations in all respects. To that end, for purposes of the Housing Credit Program, a Housing Credit Allocation shall be deemed “Federal financial assistance” within the meaning of that term as used in Section 504 and its related regulations for all Housing Credit Developments. Section 504 of the Rehabilitation Act of 1973, as implemented by 24 CFR Part 8, is available by clicking here.

All units must meet accessibility standards of Section 504. Section 504 accessibility standards require a minimum of 5 percent of the total dwelling units, but not fewer than one unit, to be accessible for individuals with mobility impairments. An additional 2 percent of the total units, but not fewer than one unit, must be accessible for persons with hearing or vision impairments.

(b) All new construction units that are located on an accessible route must have the features listed in (d) below.

(c) All rehabilitation units that are located on an accessible route must include features listed in (d) below. The features in (d) must be incorporated to the maximum extent feasible within the scope of the rehabilitation work planned by the Applicant. The maximum extent feasible shall be determined by the scope of work, the capital needs assessment, the accessibility review, and the construction features that are affected by the rehabilitation work. Any major change affecting the features such as remodeling, renovation, rearrangement of structural parts or walls or full-height partitions requires compliance with accessibility requirements below. For the purposes of this RFA, normal maintenance, re-roofing, painting or wallpapering, or changes to mechanical and electrical systems are not considered alterations. Where an alteration affects a construction feature, accessibility is required to the maximum extent feasible.

(d) Accessible Features:

- Primary entrance door shall have a threshold with no more than a ½-inch rise;
- All door handles on primary entrance door and interior doors must have lever handles;
- Lever handles on all bathroom faucets and kitchen sink faucets;
- Mid-point on light switches and thermostats shall not be more than 48 inches above finished floor level; and
- Cabinet drawer handles and cabinet door handles in bathroom and kitchen shall be lever or D-pull type that operate easily using a single closed fist.
The capital needs assessment and accessibility review will serve as the basis for the accessibility features that are required for the scope of work for the project.

b. All new construction units must include the following General Features and Green Building Features:

(1) General Features in all Family Demographic Developments:

- Full-size range and oven in all units; and

At the request of and at no charge to a resident household, the Development shall purchase and install grab bars around each tub/shower unit in the dwelling unit. The product specifications and installation must meet or exceed 2010 ADA Standards for Accessible Design. The Development shall inform a prospective resident that the Development, upon a resident household’s request and at no charge to the household, will install grab bars around a dwelling unit’s tub/shower unit, pursuant to the 2010 ADA Standards. At a minimum, the Development shall inform each prospective lessee by including language in the Development’s written materials listing and describing the unit’s features, as well as including the language in each household’s lease.

(2) Green Building Features in all Family, Elderly, and Person with a Disability Demographic Developments:

- Low or No-VOC paint for all interior walls (Low-VOC means 50 grams per liter or less for flat; 150 grams per liter or less for non-flat paint);
- Low-flow water fixtures in bathrooms—WaterSense labeled products or the following specifications:

7. Total Development Cost Per Unit Limitation:

The Corporation shall limit the Total Development Cost (TDC) per unit for all Developments categorized by the construction type of the units as indicated by the Applicant in the RFA. The maximum amounts are provided on the TDC Per Unit Limitation chart set out below (the maximum TDC per unit exclusive of land costs and exclusive of any operating deficit reserves that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee, applying any applicable TDC multiplier and/or TDC add-on) and will be tested during the scoring of the RFA, during the credit underwriting process, and during the final allocation process, as outlined below.

These TDC limitation amounts are effective from the Application Deadline through Final Cost Certification.

Applicable TDC Multipliers (to be applied against the Development’s TDC) and TDC Add-Ons (to be added to the Maximum TDC Per Unit Limitation)

- **TDC Multiplier for Monroe County (Florida Keys Area)**: 65%

- **TDC Add-On for Applicants that have a PHA as a Principal**: $5,000 of additional per unit costs will be added to the above Maximum TDC Per Unit Limitation

* Garden includes all Development Types other than Mid-Rise and High-Rise; Non-Garden includes Development Types of Mid-Rise (4 stories, 5 stories, or 6 stories) and High-Rise (7 or more stories); Mid-Rise includes Development Types of Mid-Rise (4 stories, 5 stories, or 6 stories); and High-Rise includes Development Type of High Rise (7 or more stories)

** Exclusive of land costs and exclusive of any approved operating deficit reserves that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee. When the term of operating deficit reserves (ODR) is mentioned in this TDC Per Unit Limitation section, the term shall refer to these particular operating deficit reserves. For purposes of land valuation, the Corporation uses the lesser of the appraised value, or the actual land cost. When land costs are referenced in this TDC Per Unit Limitation section, the reference shall be limited to the amount of the land cost approved by the Corporation to be provided in the final cost certification under the land owned cost line item. When the term of TDC Per Unit Base Limitation is mentioned below in the compliance determination sections, it is implied to be inclusive of any applicable escalation factor, TDC Multiplier, and/or TDC Add-On.

a. Any Application that has an amount that exceeds these limitations will not be eligible to be considered for funding.

RFA 2015-111

92
b. Any Applicant that has the Credit Underwriter present a credit underwriting report with an amount that exceeds these limitations by more than 5 percent, after taking into consideration an escalation factor for construction costs rising after the Application Deadline of 2.0 percent that is not located within Broward or Miami-Dade County, or 2.9% for any Development that is located within Broward or Miami-Dade County, and incorporating any applicable TDC reduction and adjustments processes provided below will receive a negative recommendation by the Credit Underwriter.

Any Applicant that has the Credit Underwriter present a credit underwriting report with an amount that exceeds these limitations, after taking into consideration the applicable escalation factor outlined above, will require staff to review the credit underwriting report for compliance to the TDC reduction and adjustment procedure provided below:

(1) The Developer fee will be limited to the maximum allowable within the TDC Per Unit Base Limitation, in all instances. A Developer fee can be earned on qualifying TDC exclusive of land and any operating deficit reserves up to the TDC Per Unit Base Limitation, but it cannot be earned on costs in excess of said limitation. If the Development costs exceed the amount allowed by the TDC Per Unit Base Limitation, then the maximum allowable Developer fee will be adjusted as outlined below. The maximum allowable Developer fee can be determined by multiplying the applicable TDC Per Unit Base Limitation with respect to the Development as provided in this RFA, by the number of total units in the Development. Second, divide this product by 1.16* and then multiply the result by 16 percent*. This will yield the maximum allowable Developer fee within the TDC Per Unit Base Limitation.

Prior to determining any necessary adjustment, if the Developer fee initially stated by the Applicant or Credit Underwriter is in excess of the maximum allowable Developer fee as provided in (a) above, the Developer fee will be reduced to said maximum allowable Developer fee and the Development’s TDC will be equally reduced to incorporate the cost reduction.

(2) Subsequent to reducing the Developer fee to the maximum allowable amount provided above, additional adjustments may be necessary if the TDC Per Unit Base Limitation remains exceeded. An adjustment to the maximum allowable Developer fee shall be determined by reducing the maximum allowable Developer fee as determined in (1) above dollar-for-dollar for any costs in excess of the amount allowed by the TDC Per Unit Base Limitation, up to the lesser of (i) the actual amount of costs in excess of the amount allowed by the TDC Per Unit Base Limitation, (ii) $500,000, or (iii) 25 percent of the maximum allowable Developer fee. If the stated Developer fee, inclusive of any necessary adjustments incorporated above, exceeds the maximum allowable Developer fee as adjusted herein, the stated Developer fee, inclusive of any necessary adjustments incorporated above shall be further adjusted to not exceed the new maximum allowable Developer fee and the Development’s TDC will be equally reduced to incorporate the cost reduction. If after following this Developer fee limitation process, the Development’s TDC exclusive of land costs and any operating deficit reserves is reduced to be within the amount allowed by the TDC Per Unit Base Limitation, then the Developer fee adjustment calculation is complete. If the Development’s TDC exclusive of land costs and any operating deficit reserves remains above the amount allowed by the TDC Per Unit Base Limitation, then there is an additional Developer fee adjustment, as outlined in (3) below.

(3) An additional Developer fee adjustment will be initiated to further reduce the allowable Developer fee in the event the Development’s TDC exclusive of land costs and any operating
deficit reserves (as adjusted above) exceeds the TDC Per Unit Base Limitation. The reduction will be determined by deriving a percentage amount that the Development’s TDC exclusive of land costs and any operating deficit reserves (as adjusted above) exceeds the amount allowed by the TDC Per Unit Base Limitation, and multiplying this excess percentage by the amount of the adjusted Developer fee, resulting in a product that is the additional adjustment to the Developer fee. For instance, if the Development’s adjusted TDC exclusive of land costs and any operating deficit reserves exceeds the limitation by 4 percent, then the allowable Developer fee is further reduced by 4 percent. Once this step is complete, there is no further Developer fee adjustment or corresponding cost savings to be incorporated into the Development’s TDC for this process.

It is at this point that the Development’s adjusted TDC exclusive of land costs and operating deficit reserves are compared to the TDC Per Unit Base Limitation, and if the TDC Per Unit Base Limitation is exceeded by more than 5% (as presented in the opening paragraph of 7.b. above), the credit underwriting report shall be presented with a negative recommendation by the Credit Underwriter.

As a note, if the Developer fee in the credit underwriting report is already at or below this allowable Developer fee, then there is no additional adjustment to be incorporated into the Developer fee. This also means there are no corresponding cost savings to reduce the Development’s TDC since all TDC cost reductions stemming from this process are coming from reducing the Developer fee. If the Developer fee in the credit underwriting report needs to be reduced to incorporate any adjustment provided above, then as the Developer fee is reduced, so is the Development’s TDC in order to incorporate the reduced Developer fee cost.

For example:

An 120-unit development not located in Broward County, Miami-Dade County, or Monroe County with a Development Type of Garden reports a TDC of $19,200,000, inclusive of a stated Developer fee of $2,640,000, and exclusive of land and all operating deficit reserves at time of credit underwriting, and also prior to any adjustment:

**Calculate TDC Limitation for the Development and Maximum Allowable Developer fee**

1.(a) TDC Per Unit Base Limitation, inclusive of any applicable escalation factor (2.0%), any applicable TDC Multiplier (100%), and any applicable TDC Add-On ($0): ($149,600 Per Unit + $0 TDC Add-On) x (1 + 2.0%) / 100% TDC Multiplier = $152,592 Per Unit.

1.(b) Determine TDC Limitation for the Development: $152,592 Per Unit x 120 units = $18,311,040.

1.(c) Implied maximum Development Cost per the limitation: $18,311,040 ÷ 1.16 = $15,785,380.

1.(d) Determine maximum allowable Developer fee within the limitation (prior to any Developer fee adjustment): $15,785,380 x 16% = $2,525,660.

**First Developer fee/TDC adjustment Calculation Methodology (If necessary)**

2.(a)(i) Is the stated Developer fee of $2,640,000 greater than the maximum allowable of $2,525,660? $2,640,000 > $2,525,660.

2.(a)(ii) If the response to 2.(a)(i) is yes, then determine the excess: $2,640,000 - $2,525,660 = $114,340 (excess Developer fee and excess TDC).

2.(b) Reduce the stated Developer fee to the lesser of either the maximum allowable ($2,525,660) or the stated fee ($2,640,000) and reduce the stated TDC by an equal amount: $2,640,000 - $114,340 = $2,525,660; $19,200,000 - $114,340 = $19,085,660.
2.(c) If the response to 2.(a)(i) is no or once the adjustment of 2.(b) has been completed, then
determine if the TDC remains in excess of the limitation and if so, the amount of the excess:
$19,085,660 - $18,311,040 = $774,620.

2.(d) Determine the lesser of either (i) $500,000, (ii) 25 percent of the maximum allowable
Developer fee (25% x $2,525,660 = $631,415), or (iii) 100% of the excess TDC ($774,620):
$500,000 < $631,415 < $774,620.

2.(e) Apply the least amount of the three options in 2(d) above to determine the maximum
allowable Developer fee, subject to this adjustment: $2,525,660 - $500,000 = $2,025,660.

2.(f) TDC reduction due to Developer fee adjustment: $19,085,660 - $500,000 = $18,585,660.

(As a note, this TDC is still greater than the TDC Per Unit Base Limitation and, therefore, an
additional Developer fee adjustment will need to be calculated.)

**Second Developer fee/TDC adjustment Calculation Methodology (If necessary)**

3.(a) Determine the percentage the TDC without land costs and operating deficit reserves (as
adjusted above for first adjustment) that exceeds the amount allowed by the TDC Per Unit
Base Limitation: Amount of excess TDC = $18,585,660 - $18,311,040 = $274,620; Excess
TDC as a percentage of TDC Limitation = $274,620 ÷ $18,311,040 = 1.50%.

3.(b) Determine the additional adjustment: 1.50% x $2,025,660 = $30,380.

3.(c) Determine the final maximum Developer fee, after adjustments, at time of credit
underwriting: $2,025,660 - $30,380 = $1,995,280.

3.(d) Determine the final adjusted TDC at time of credit underwriting: $18,585,660 - $30,380 =
$18,555,280.

3.(e) Verify the status of the 5% variance test: ($18,555,280 - $18,311,040) / $18,311,040 =
1.33%, which falls within the criteria of being less than or equal to 5% above of the amount
allowed by the TDC Per Unit Base Limitation.

c. Any Applicant that presents a Final Cost Certification Application Package (FCCAP) that has
amounts that exceed the TDC Per Unit Base Limitation, subject to an escalation factor of either
2.0 percent for any Development that is not located within Broward or Miami-Dade County, or
2.9% for any Development that is located within Broward or Miami-Dade County, will require
staff to review the FCCAP for compliance to the procedure provided in (1), (2) and (3) below if
the Development did not have its Developer fee adjusted at credit underwriting as provided in
7.b. above, either voluntarily or by the credit underwriter in order to get the Development’s TDC
exclusive of land and operating deficit reserves to be in compliance with the TDC Per Unit Base
Limitation requirements.

(1) The Developer fee will be limited to the maximum allowable within the TDC Per Unit Base
Limitation, in all instances. A Developer fee can be earned on qualifying TDC exclusive of
land costs and operating deficit reserves up to the TDC Per Unit Base Limitation, but it
cannot be earned on costs in excess of said limitation. If the Development costs exceed the
amount allowed by the TDC Per Unit Base Limitation, then the maximum allowable
Developer fee will be adjusted as outlined below. The maximum allowable Developer fee
can be determined by multiplying the applicable TDC Per Unit Base Limitation with respect
to the Development as provided in this RFA, by the number of total units in the
Development. Second, divide this product by 1.16* and then multiply the result by 16
percent*. This will yield the maximum allowable Developer fee within the TDC Per Unit
Base Limitation.
Prior to determining any necessary adjustment, if the Developer fee initially stated by the FCCAP is in excess of the maximum allowable Developer fee as provided in c.(1) above, the Developer fee will be reduced to said maximum allowable Developer fee and the Development’s TDC will be equally reduced to incorporate the cost reduction.

(2) Subsequent to reducing the Developer fee to the maximum allowable amount, additional adjustments may be necessary if the TDC Per Unit Base Limitation remains exceeded. An adjustment shall be determined by reducing the maximum allowable Developer fee as determined in c.(1) above dollar-for-dollar for any costs in excess of the amount allowed by the TDC Per Unit Base Limitation, up to the lesser of (a) the actual amount of costs in excess of the amount allowed by the TDC Per Unit Base Limitation, (b) $250,000, or (c) 10 percent of the maximum allowable Developer fee. If the stated Developer fee, inclusive of any necessary adjustments incorporated above, exceeds the maximum allowable Developer fee as adjusted herein, the stated Developer fee, inclusive of any necessary adjustments incorporated above shall be further adjusted to not exceed the new maximum allowable Developer fee and the Development’s TDC will be equally reduced to incorporate the cost reduction. If after following this Developer fee limitation process, the Development’s TDC exclusive of land costs and any operating deficit reserves is reduced to be within the amount allowed by the TDC Per Unit Base Limitation, then the Developer fee adjustment calculation is complete. If the Development’s TDC exclusive of land costs and any operating deficit reserves remains above the amount allowed by the TDC Per Unit Base Limitation, then there is an additional Developer fee adjustment, as outlined in (3) below.

(3) An additional Developer fee adjustment will be initiated to further reduce the allowable Developer fee in the event the Development’s TDC exclusive of land costs and any operating deficit reserves (as adjusted above) exceeds the TDC Per Unit Base Limitation. The reduction will be determined by deriving a percentage amount that the Development’s TDC exclusive of land costs and any operating deficit reserves (as adjusted above) exceeds the amount allowed by the TDC Per Unit Base Limitation, and multiplying this excess percentage by the amount of the adjusted Developer fee, resulting in a product that is the additional adjustment to the Developer fee. For instance, if the Development’s adjusted TDC exclusive of land costs and any operating deficit reserves exceeds the limitation by 4 percent, then the allowable Developer fee is further reduced by 4 percent. Once this step is complete, there is no further Developer fee adjustment or corresponding cost savings to be incorporated into the Development’s TDC as a result of this process.

If the Development already had its Developer fee adjusted at credit underwriting as provided in 7.b. above, either voluntarily or by the credit underwriter in order to get the Development’s TDC exclusive of land and operating deficit reserves to be in compliance with the TDC Per Unit Base Limitation requirements, but the Development’s TDC without land and operating deficit reserves in the FCCAP is now less than the Development’s TDC without land costs and operating deficit reserves provided in the credit underwriting report, then the Developer fee will be re-evaluated based on the procedure provided in 7.b. above, just as if it were going through the credit underwriting report process again.

If the Development already had its Developer fee adjusted at credit underwriting as provided in 7.b. above, either voluntarily or by the credit underwriter in order to get the Development’s TDC exclusive of land and operating deficit reserves to be in compliance with the TDC Per Unit Base Limitation requirements, and the Development’s TDC without land and operating deficit reserves in the FCCAP exceeds the Development’s TDC without land costs and operating deficit reserves...
provided in the credit underwriting report, then the Developer fee will have an additional adjustment to be incorporated as provided in (4) below.

(4) For those Developments that have already had its Developer fee adjusted at credit underwriting as provided in 7.b. above and whose TDC without land cost and operating deficit reserves in the FCCAP exceeds the Development’s TDC without land costs and operating deficit reserves provided in the credit underwriting report, the allowable Developer fee will incorporate an additional adjustment. This additional Developer fee adjustment will be the lesser of (a) the difference between the amount of the Development’s TDC exclusive of land costs and operating deficit reserves as reported in the FCCAP that is in excess of the Development’s TDC exclusive of land costs and operating deficit reserves provided in the credit underwriting report, (b) $250,000, or (c) 10 percent of the allowable Developer fee reported in the credit underwriting report. If the Developer fee in the FCCAP is already equal to or less than the allowable Developer fee as determined with the incorporation of this additional Developer fee adjustment, then neither the Developer fee nor the Development’s TDC is further reduced.

For example:

Assuming the Development in the example provided in 7.b. above provides a FCCAP with the Development's TDC exclusive of land costs and operating deficit reserves of $300,000 higher than the Development’s TDC exclusive of land costs and operating deficit reserves provided in the credit underwriting report, but the Developer fee is the same as provided in the credit underwriting report of $1,995,280. The additional Developer fee adjustment will be the lesser of (a) $300,000 (the new excess costs), (b) $250,000 (the maximum dollar limit of this additional Developer fee adjustment), or (c) $199,528 (10% of the allowable Developer fee reported in the credit underwriting report).

Since option (c) is the least amount of the three options, the allowable Developer fee and the Development's TDC will both be lowered by $199,528. The allowable Developer fee will be $1,795,752 (the allowable Developer fee reported in the credit underwriting report of $1,995,280, less the adjustment of $199,528). The Development's TDC exclusive of land costs and operating deficit reserves in the FCCAP would be adjusted to $18,655,752 ($18,555,280 from the credit underwriting report plus $300,000 of new additional costs less $199,528 for the reduction in allowable Developer fee).

As a note, if the Developer fee in the FCCAP is already at or below this allowable Developer fee, then there is no additional adjustment to be incorporated into the Developer fee. This also means there are no corresponding costs savings to reduce the Development’s TDC since all TDC cost reductions stemming from this process are coming from reducing the Developer fee. If the Developer fee in the FCCAP needs to be reduced to incorporate any adjustments provided above, then as the Developer fee is reduced, so is the Development’s TDC in order to incorporate the reduced Developer fee cost.

*These figures represent the applicable Developer fee percentage for the Development (16%) and one plus the applicable Developer fee percentage for the Development (1+16%).

8. **Leveraging Classification:**

All eligible Applications will be classified as either Group A or Group B based on the amount of total Corporation funding per set-aside unit, as outlined below:
(1) Calculating the Set-Aside Units:

The total number of set-aside units for each Application will be computed by multiplying the total number of units within the proposed Development by the Total Set-Aside Percentage the Applicant committed to as stated in the last row of the set-aside breakdown chart in the Set-Aside Commitment section of the Application. Results that are not a whole number will be rounded up to the next whole number.

(2) The Corporation will calculate the total Corporation funding per set-aside unit for each Application in the following manner:

(a) If the Development is not located in a HUD designated HCA, the Eligible Housing Credit Request Amount will be multiplied by 9.0; or

(b) If the Development is located in a HUD designated HCA, the Eligible Housing Credit Request Amount will be multiplied by 9.0 and that product will be divided by 1.3.

(3) Each eligible Application’s Leveraging Classification will be determined as follows:

All eligible Applications will be listed together in ascending order beginning with the Application that has the lowest amount of total Corporation funding per set-aside unit and ending with the Application that has the highest amount of total Corporation funding per set-aside unit.

The total number of eligible Applications will be multiplied by 80 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the “A/B Cut-Off”). A line will be drawn below the Application whose place on the list is equal to the A/B Cut-Off. If any Application(s) below the line has the same total Corporation funding request per set-aside unit as the Application immediately above the line, the line will be moved to a place immediately below that Application(s). Applications above the A/B Cut-Off will be classified as Group A and Applications below the A/B Cut-Off will be classified as Group B.

9. Florida Job Creation Funding Preference:

Each Application will be measured to determine whether it qualifies for the Florida Job Creation Funding Preference. To determine eligibility for the preference, the Corporation will calculate the Application’s Florida Job Creation score, which will reflect the number of Florida jobs per $1 million of implied eligible Housing Credit equity. Only Applications with a score equal to or greater than 4.0 will qualify for the Florida Job Creation Funding Preference in Section Four B of the RFA.

Determination of the Florida Job Creation score will be based on the following information:

- The number of new construction and rehabilitation units committed to by the Applicant (as stated by the Applicant at question 5.e. of Exhibit A of the RFA);
- The applicable Florida job creation rate for the type of units:
  - Rate of 3.811 Florida Jobs per unit for proposed new construction units;
  - Rate of 1.916 Florida Jobs per unit for proposed rehabilitation units; and
- The Eligible Housing Credit Request Amount.
The score for the Florida Rate of Job Creation per $1 million of implied eligible Housing Credit equity will be measured using one of the following calculations:

(1) Developments consisting of only rehabilitation units:

Number of rehabilitation units x 1.916 Florida Jobs per Unit x 1,000,000 / (the Eligible Housing Credit Request Amount x 9.0) = Florida Jobs per $1 million of Housing Credit Allocation.

For example:

Application A consists of 140 rehabilitation units, has an Eligible Housing Credit Request Amount of $1,660,000.

\[140 \times 1.916 \times 1,000,000 / (1,660,000 \times 9.0) = \text{Florida Job Creation score of 17.95.}\]

(2) Developments consisting of both new construction units and rehabilitation units:

\[(\text{Number of new construction units} \times 3.811 \text{ Florida Jobs per Unit} + \text{number of rehabilitation units} \times 1.916 \text{ Florida Jobs per Unit}) \times 1,000,000 / (\text{the Eligible Housing Credit Request Amount} \times 9.0) = \text{Florida Jobs per $1 million of Housing Credit Allocation.}\]

For example:

Application B consists of 10 new construction units and 74 rehabilitation units and has an Eligible Housing Credit Request Amount of $1,500,000.

\[[(10 \times 3.811) + (74 \times 1.916)] \times 1,000,000 / (1,500,000 \times 9.0) = \text{Florida Job Creation score of 13.33.}\]

In above examples, both Applications will qualify for the Florida Job Creation Funding Preference because they each have a Florida Job Creation score that is at least 4.0.

10. Fees:

The Corporation and, if applicable, the Credit Underwriter shall collect via check or money order from the Applicant the following fees and charges in conjunction with this RFA. Failure to pay any fee shall cause the Housing Credit allocation to be withdrawn as outlined in the Carryover Allocation Agreement and the credit underwriting and program requirements outlined in Rule Chapter 67-48, F.A.C.

a. Application Fee:

All Applicants requesting funding under this RFA shall submit to the Corporation as a part of the Application submission a non-refundable Application fee of $3,000.

b. Credit Underwriting Fees:

The following fees are not the fees that will be charged, but are listed below for estimation purposes of completing your pro-forma in the Application. The actual fees will be determined based on the current contract, including any addendum, for services between the Corporation and the Credit Underwriter(s) in effect at the time underwriting begins.

(1) Initial fee: $11,661
(2) Re-underwriting fee: $169 per hour, not to exceed $7,513.

If a Housing Credit Development involves Scattered Sites of units within a single market area, a single credit underwriting fee shall be charged. Any Housing Credit Development requiring further analysis by the Credit Underwriter pursuant to Section 42(m)(2) of the IRC will be subject to an hourly fee of $169.

(3) Extraordinary Services fee: $169 per hour.

c. Administrative Fees:

With respect to the HC Program, each for-profit Applicant shall submit to the Corporation a non-refundable administrative fee in the amount of 9 percent of the annual Housing Credit Allocation amount stated in the Preliminary Allocation. The administrative fee shall be 5.5 percent of the stated annual Housing Credit Allocation for Non-Profit Applicants. The administrative fee must be received by the Corporation as stated in the Preliminary Allocation.

Note: If the Applicant elects to submit the $25,000 Application Withdrawal Cash Deposit, as outlined in Sections Three A.3. and Four A.1.a. of the RFA, the deposit shall not be credited toward the Applicant’s Administrative Fee payment.

d. Compliance Monitoring Fees:

The following fees are not the fees that will be charged, but are listed below for estimation purposes of completing your pro-forma in the Application. The actual fees will be determined based on the current contract, including any addendum, for services between the Corporation and the Compliance Monitor(s).

(1) Pre-final allocation compliance monitoring fee comprised of a base fee of $1,896 + an additional fee per set-aside unit of $9.68, subject to a minimum of $2,964, to be collected as stated in the Preliminary Housing Credit Allocation or Carryover Allocation Agreement.

(2) HC Compliance Monitoring Fee –

(a) All Developments other than RD – The annual fee to be comprised of a base fee of $158 per month + an additional fee per set-aside unit of $9.68 per year, subject to a minimum of $247 per month, and includes an automatic annual increase which shall not exceed 3 percent of the prior year’s fee. Since fees for the full Housing Credit Extended Use Period will be collected at final allocation, the fee amount is discounted at a rate of 2 percent and based upon the payment stream from the Corporation to the monitoring agent.

(b) RD Developments - The annual fee is $450 per year. Since fees for the full Housing Credit Extended Use Period will be collected at final allocation, the fee amount is discounted at a rate of 2 percent and based upon the payment stream from the Corporation to the monitoring agent.

Note: Upon prepayment or repayment of the RD loan, the previously identified RD Development will be identified as a non-RD Development and the annual compliance monitoring fee will be adjusted accordingly. The compliance monitoring fee as described
in (a) above for the remaining Housing Credit Extended Use Period will be due and payable in full upon billing sent directly to the Development.

(3) Follow-up Review/Extraordinary Services fee: $169 per hour.

e. Construction Inspection Fees:

The following fees are not the fees that will be charged, but are listed below for estimation purposes of completing your pro-forma in the Application. The actual fees will be based on the current contract, including any addendum, for services between the Corporation and the Servicer(s).

On-site construction inspection - $169 per hour, not to exceed $1,686 per inspection.

f. Additional HC Fees:

(1) If the Applicant requests permission to return its HC allocation and receive a new HC allocation and such request is approved, whether by the Executive Director in accordance with the QAP or as approved by the Board, the Applicant will be charged a nonrefundable processing fee of $15,000 per request.

(2) HC Applicants shall be responsible for all processing fees related to the HC Program.

11. Identity of Remaining Members of Development Team and Environmental Site Assessment:

Within 21 Calendar Days of the date of the invitation to enter credit underwriting, the following information must be provided to the Corporation.

(1) Identity of the Remaining Members of the Development Team:
