**9.e. Number of Units and Buildings:**

a.~~(1)~~ State the total number of units in the proposed Development.

Note: The following unit limit applies only to Applications requesting Corporation-issued MMRB, with or without 4 percent HC:

b.~~(2)~~ State the total number of new construction and rehabilitation units in the proposed Development.

Note: Applications requesting Corporation-issued MMRB, with or without 4 percent HC, must be for a proposed Development consisting of two (2) or more dwelling units in each residential building.

**10. Set-Aside Commitment and Compliance Period**

~~a.(4)~~ Indicate the minimum set-aside (20% of units at 50% Area Median Income (AMI) or less, 40% of units at 60% AMI or less, or Average Income Test, as defined in Section 42, IRC, as amended).

Note: Choosing the 20 percent at 50 percent AMI or less minimum set-aside will restrict ALL set-aside units at 50 percent or less of the AMI. Applicants may choose the 40 percent at 60 percent AMI or less minimum set-aside without committing to setting aside any of the units at the 60 percent AMI level. For example, an Applicant may commit to setting aside 40 percent at 50 percent AMI and this would also be considered 40 percent at 60 percent AMI or less. The Average Income Test requires that (a) forty percent or more of the residential units in the Development be both rent-restricted and occupied by individuals whose income does not exceed the imputed income limitation designated by the Owner with respect to the respective unit, subject to the special rules relating to income limitation which (b) require the Owner to designate the imputed income limitation of each unit taken into account under (a) above, such that the average of the imputed income limitations as designated by the Owner shall not exceed 60 percent of the area median income. The designated imputed income limitation of any such unit shall be in 10-percent increments as follows: 20 percent, 30 percent, 40 percent, 50 percent, 60 percent, 70 percent, or 80 percent of the area median income. Applicants that select the Average Income Test must also satisfy the set-aside elections applicable to the tax-exempt bond financing.

~~b.(2)~~ Set-Aside Breakdown Chart

(1) For Applicants NOT committing to the Average Income Test

Complete the applicable column(s) of the Set-Aside Breakdown Chart ~~at question 6.i.(2)(3) of the Application~~ by listing the percentage of residential units, stated in whole numbers, to be set aside at each selected AMI level. Where reasonably possible, Applicants will be required to keep the unit mix consistent across each committed AMI level.

Note: If the MMRB Development has a previous award of Housing Credits with an existing EUA, the Applicant should consider the income levels of the occupied units when selecting the MMRB set-aside commitments. Section 42 IRC allows residents whose income levels have risen above AMI subsequent to initial occupancy to remain in their units even though they would no longer qualify if applying for residency today. The income of these existing occupants may currently exceed 60 percent AMI and thus, these units cannot be counted toward meeting the committed MMRB Total Set-Aside Percentage. In the event an MMRB Applicant commits to a total set-aside percentage which is higher than

a percentage that can be actually met due to the “grandfathering” of occupants associated with an existing EUA, the MMRB set-aside percentage can be adjusted by the Corporation during the scoring of the Application.

(2) For Applicants committing to the Average Income Test

Complete the Set-Aside Breakdown Chart by listing the number of Set-Aside Units, stated in whole numbers, to be set aside at each selected AMI level.

The Average AMI of all Set-Aside units may not exceed 60 percent.

The Development Cost Pro Forma includes an Average Income Test worksheet to assist Applicants in this calculation, which may display the percentage of total units with numbers represented with decimal places instead of whole numbers. This is acceptable for the Average Income Test Calculation.

Calculation of the average AMI of all Set-Aside Units for the Average Income Test:

- (i) First, calculate the total number of Set-Aside Units.
- (ii) Then, at each AMI commitment, multiply the number of Set-Aside Units by the AMI percentage (e.g., a commitment of 13 Set-Aside Units at 30 percent AMI would be calculated as 3.9).
- (iii) Repeat this calculations at each AMI level. Then add the results together.
- (iv) Divide the number calculated in (iii) by the total number of Set-Aside Units calculated in (i).
- (v) This number must be equal to or less than 60 percent to meet the requirement.

For MMRB Developments, the Set-Aside commitment will be 40 percent of the total units at or below 60 percent AMI.

- c.(3) Indicate the total affordability period (the total length of time the units will be set-aside – minimum length is 30 years). Before making a commitment, the Applicant should refer to Item 9.i. of the Applicant Certification section of the Non-Competitive Application form.

The applicable HUD mapping software is available at [https://www.huduser.gov/portal/sadda/sadda\\_qct.html](https://www.huduser.gov/portal/sadda/sadda_qct.html). (1) DDA –

If the proposed Development is located in a HUD-designated DDA, identify the Small Area Zip Code Tabulation Area(s) (ZCTA) or County (if in a non-metropolitan area), as applicable.

~~The applicable Surveyor Certification form(s), required at question 5.b.(4) of the Application form, must confirm the ZCTA(s) stated at question 5.e.(1)(a) of the Application form. If any ZCTA stated at question 5.e.(1)(a) differs from the information stated on the Surveyor Certification form(s), the information stated on the Surveyor Certification form(s) will be used for purposes of determining the proposed Development’s eligibility for the basis boost.~~

~~Note: The assigned Small Area DDA ZCTA number(s) is available at <https://www.huduser.gov/portal/Datasets/qct/DDA2018M.PDF> and the applicable HUD mapping software is available at [https://www.huduser.gov/portal/sadda/sadda\\_qct.html](https://www.huduser.gov/portal/sadda/sadda_qct.html). ~~f. Indicate one applicable Development Category:~~

- ~~• New Construction (where 50% or more of the units are new construction)~~
- ~~• Rehabilitation (where less than 50% of the units are new construction)~~
- ~~• Acquisition and Rehabilitation (acquisition and less than 50% of the units are new construction)~~
- ~~• Redevelopment (where 50% or more of the units are new construction)\*~~
- ~~• Acquisition and Redevelopment (acquisition and 50% or more of the units are new construction)\*~~
- ~~• Preservation (where less than 50% of the units are new construction)\*~~

- ~~Acquisition and Preservation (acquisition and less than 50% of the units are new construction)\*~~

~~\* If the Development Category of Redevelopment or Preservation (either category with or without a Acquisition) is selected, in order to determine the proposed Development's eligibility for the selected Development Category and its Rental Assistance (RA) Level classification, the applicable documentation outlined in f.(1) or (2) below must be provided. The criteria for RA Level classifications is also outlined below.~~

~~(1) If Redevelopment or a Acquisition and Redevelopment is selected, in order to qualify for the selected Development Category the following criteria must be met:~~

- ~~(a) The Development must meet the definition of Redevelopment stated in Rule 67-21.002, F.A.C.;~~
- ~~(b) The Applicant must provide, as "**Exhibit 5**" to the Application form, a letter from HUD or RD, dated within 12 months of the date the Application is submitted, which includes the following information:
 
  - ~~i. Name of the Development\*;~~
  - ~~ii. Address of the Development;~~
  - ~~iii. Year built;~~
  - ~~iv. Total number of units that will receive PBRA and/or ACC if the proposed Development is funded; and~~
  - ~~v. The HUD or RD program currently associated with the existing development.~~~~

~~\*For purposes of this provision, the n Name of the Development may be the name at the time of the PBRA and/or ACC award.~~

~~If the Application does not qualify for the Development Category of Redevelopment or a Acquisition and Redevelopment, the Application will fail threshold and the proposed Development will automatically be deemed to be RA Level 6.~~

~~(2) If Preservation or a Acquisition and Preservation is selected, in order to qualify for the selected Development Category the following criteria must be met:~~

- ~~(a) The proposed Development must consist of 250 total units or less;~~
- ~~(b) The Development must meet the definition of Preservation stated in Rule 67-21.002, F.A.C.;~~
- ~~(c) The Development must also meet the definition of Rehabilitation stated in Rule 67-21.002, F.A.C.;~~
- ~~(d) The Applicant must provide, as "**Exhibit 5**" to the Application form, a letter from HUD or RD, dated within 12 months of the date the Application is submitted, which includes the following information:
 
  - ~~i. Name of the Development\*;~~
  - ~~ii. Address of the Development;~~
  - ~~iii. Year built;~~
  - ~~iv. Total number of units that currently receive PBRA and/or ACC;~~~~

- v. ~~Total number of units that will receive PBRA and/or ACC if the proposed Development is funded (this must equal or exceed the number of units that currently receive PBRA and/or ACC); —~~
- vi. ~~The type of HUD or RD rental assistance that will be associated with the proposed Development; and~~
- vii. ~~Confirmation that the Development either (A) has not received any financing from HUD or RD for rehabilitation work since 1996, or (B) has received financing from HUD or RD for rehabilitation work since 1996, but the budget for the rehabilitation work did not exceed \$10,000 per unit in any single year.~~

~~\*For purposes of this provision, the nName of the Development may be the name at the time of the PBRA and/or ACC award.~~

~~If the Application does not qualify for the Development Category of Preservation or aAcquisition and Preservation, the Application will fail threshold and the proposed Development will automatically be deemed to be RA Level 6.~~

~~Redevelopment and Preservation Developments that are tentatively funded will be required to provide to the Credit Underwriter a plan for relocation of existing tenants.~~

~~A proposed Development’s Development Category and RA Level will affect its eligibility to be exempted from the LDA restrictions outlined in Section A.6.1. below, as applicable.~~

The total number of units that will receive rental assistance as stated in the required letter will be considered to be the proposed Development’s RA units and will be the basis of the Applicant’s RA Level Classification. The Corporation will divide the RA units by the total units stated by the Applicant at question 6.c.(1) of the Application form, resulting in a Percentage of Total Units that are RA units. Using the Rental Assistance Level Classification Chart below, the Corporation will determine the RA Level associated with both the Percentage of Total Units and the RA Units. The best rating of these two (2) levels will be assigned as the Application’s RA Level Classification.

Rental Assistance Level Classification Chart			
Rental Assistance Level	Percentage of Total Units with Rental Assistance		Number of RA Units
Level 1	All units receive rental assistance (with the exception of up to 2 units)	or	At least 100 units and greater than 50% of the total units
Level 2	Greater than 90.00%	or	Greater than 90 units but less than 100 units and greater than 50% of the total units
Level 3	Greater than 75.00%, equal to or less than 90.00%	or	Greater than 75 units but less than 90 units and greater than 50% of the total units
Level 4	Greater than 50.00%, equal to or less than 75.00%		N/A
Level 5	Greater than 10.00%, equal to or less than 50.00%		N/A
Level 6*	10.00% or less of the total units receive rental assistance		N/A

~~\*Applications will be classified RA Level 6 if 10.00% or less of the total units receive rental assistance or if the Applicant fails to meet the criteria outlined above.~~

~~During Credit Underwriting, all funded Applications will be held to the number of rental~~

~~assistance units stated in the applicable letter provided by the Applicant as Exhibit 5 to the Application form. This requirement will apply throughout the entire Compliance Period, subject to Congressional appropriation and continuation of the rental assistance program.~~

~~g. The Applicant must select the Development Type for the proposed Development. For purposes of determining the number of stories, each floor in the building(s) should be counted regardless of whether it will consist of retail, parking, or residential. For mixed type Developments, indicate the type that will comprise the majority of the units in the Development.~~

- ~~• Garden Apartments (a building comprised of 1, 2, or 3 stories, with or without an elevator)~~
- ~~• Townhouses~~
- ~~• Duplexes~~
- ~~• Quadraplexes~~
- ~~• Mid Rise 4 stories (a building comprised of 4 stories and each residential building must have at least one elevator)~~
- ~~• Mid Rise 5 to 6 stories (a building comprised of 5 or 6 stories and each residential building must have at least one elevator)~~
- ~~• High Rise (a building comprised of 7 or more stories and each residential building must have at least one elevator)~~

~~h. Demographic Commitment~~

~~Indicate the Demographic Commitment (Elderly (Non ALF or ALF), Homeless, Family, or Persons with Special Needs). Note: if Elderly is selected, the Applicant must indicate the type of Elderly Development (Non ALF or ALF).~~

~~i. Set Aside Commitment:~~

~~(1) Indicate the minimum set aside (20% of units at 50% Area Median Income (AMI) or less, 40% of units at 60% AMI or less, or Average Income Test, as defined in Section 42, IRC, as amended).~~

~~Note: Choosing the 20 percent at 50 percent AMI or less minimum set aside will restrict ALL set aside units at 50 percent or less of the AMI. Applicants may choose the 40 percent at 60 percent AMI or less minimum set aside without committing to setting aside any of the units at the 60 percent AMI level. For example, an Applicant may commit to setting aside 40 percent at 50 percent AMI and this would also be considered 40 percent at 60 percent AMI or less. The Average Income Test requires that (a) forty percent or more of the residential units in the Development be both rent restricted and occupied by individuals whose income does not exceed the imputed income limitation designated by the Owner with respect to the respective unit, subject to the special rules relating to income limitation which (b) require the Owner to designate the imputed income limitation of each unit taken into account under (a) above, such that the average of the imputed income limitations as designated by the Owner shall not exceed 60 percent of the area median income. The designated imputed income limitation of any such unit shall be in 10 percent increments as follows: 20 percent, 30 percent, 40 percent, 50 percent, 60 percent, 70 percent, or 80 percent of the area median income. Applicants that select the Average Income Test must also satisfy the set aside elections applicable to the tax exempt bond financing.~~

- ~~(2) Complete the applicable column(s) of the Set Aside Breakdown Chart at question 6.i.(2)(3) of the Application by listing the percentage of residential units, stated in whole numbers, to be set aside at each selected AMI level. Where reasonably possible, Applicants will be required to keep the unit mix consistent across each committed AMI level.~~

~~Note: If the MMRB Development has a previous award of Housing Credits with an existing EUA, the Applicant should consider the income levels of the occupied units when selecting the MMRB set aside commitments. Section 42 IRC allows residents whose income levels have risen above AMI subsequent to initial occupancy to remain in their units even though they would no longer qualify if applying for residency today. The income of these existing occupants may currently exceed 60 percent AMI and thus, these units cannot be counted toward meeting the committed MMRB Total Set Aside Percentage. In the event an MMRB Applicant commits to a total set aside percentage which is higher than a percentage that can be actually met due to the “grandfathering” of occupants associated with an existing EUA, the MMRB set aside percentage can be adjusted by the Corporation during the scoring of the Application.~~

- ~~(3) Indicate the total affordability period (the total length of time the units will be set aside—minimum length is 30 years). Before making a commitment, the Applicant should refer to Item 9.i. of the Applicant Certification section of the Non-Competitive Application form.~~

~~j. If the work proposed in this Application is not yet complete, indicate the anticipated placed-in-service date.~~

~~k. Previous Underwriting:~~

- ~~(1) Indicate whether the proposed Development is currently being underwritten or has been underwritten previously by any Credit Underwriter under contract with the Corporation and, if known, identify the name of the Credit Underwriter.~~
- ~~(2) Indicate whether there is an existing Corporation issued LURA and/or EUA on any portion of the Development site.~~

~~l. Limited Development Area (LDA) Restrictions:~~

~~For (i) Applications for Corporation issued MMRB, with or without 4 percent HC, and (ii) Applications for 4 percent HC only to be used with bonds issued by an entity other than the Corporation or a County HFA:~~

~~Any proposed Development that is located in a county listed on the following Limited Development Areas (LDA) Chart that has one of the listed Demographic Categories will be subject to the LDA restrictions outlined in (2) below unless it meets the exemption criteria outlined in (1)(a) or (1)(b) below:~~

~~Redevelopment, or Acquisition and Redevelopment, and meets all of the following criteria:~~

- ~~• The Applicant selected the Family, Elderly, or Homeless Demographic Category at question 5.h. of the Application form; and~~
- ~~• The proposed Development is classified as RA Level 1 or RA Level 2\*<sup>2</sup>; and~~
- ~~• The Percentage of Total Units that have Rental Assistance calculated at Section A.6.f. above is greater than 75 percent; and~~
- ~~• The proposed Development consists of 250 total units or less.~~

~~or~~

- ~~(b) The Applicant selected the Persons with Special Needs Demographic Commitment at question 6.h. of the Application form, regardless of the Development Category selected at question 6.f. of the Application form.~~

~~\* RA Levels are described in section 6.f. above.~~

~~(2) Any proposed Development that meets the following criteria will, if the Application meets threshold, be invited to enter Credit Underwriting at its own risk and be subjected to additional Credit Underwriting review to determine the effect of the proposed Development on existing Developments within the applicable LDA area:~~

- ~~(a) If it is located within a county or an area of a county that is included on the LDA chart set out below and the Applicant selected one of the listed Demographic Categories, and~~
- ~~(b) If it does not meet one of the exemption requirements outlined in item (1) above.~~
