

Notice of Meetings, Workshops and Public Hearings

Florida Housing Finance Corporation will hold a Workshop on Community Development Block Grant-Disaster Recovery (CDBG-DR) in Monroe County on November 2, 2018, beginning at 2:00 p.m., Eastern Time.

The workshop will be available by telephone or interested parties may attend in person at Florida Housing's offices located at 227 N. Bronough Street, Seltzer Room, Suite 6000, Tallahassee, Florida.

The state of Florida will receive funding to support long term hurricane recovery efforts in Monroe County through the Florida Department of Economic Opportunity (DEO's) CDBG-DR Program. Among other aspects of the funding, DEO has chosen to fund programs for the creation of workforce affordable rental new construction housing as well as to support the acquisition of land to build workforce affordable rental housing. FHFC will be DEO's partner to administer these programs. The programs are set forth in detail in DEO's State of Florida Action Plan for Disaster Recovery (Action Plan), which can be found at: <http://www.floridajobs.org/docs/default-source/2015-community-development/community-revitalization/dr/stateofflactionplanfordr.pdf?sfvrsn=2>

The workshop is intended to provide high-level preliminary information about the specific funding available for Monroe County, with the opportunity for the public to provide comments and suggestions.

There will be additional future detailed workshops scheduled for CDBG-DR funding available in other impacted areas of the state; however, this workshop will only address Monroe County.

The agenda for the workshop and call-in information will be posted to the website prior to the workshop. A Listserv will be issued when this information is available.
