**RFA 2019-112 HOUSING CREDIT FINANCING FOR AFFORDABLE HOUSING DEVELOPMENTS LOCATED IN
MIAMI-DADE COUNTY**

Issued By:

FLORIDA HOUSING FINANCE CORPORATION

Issued: August 20, 2019

Due: October 15, 2019

SECTION ONE INTRODUCTION

This Request for Applications (RFA) is open to Applicants proposing the development of affordable, multifamily housing located in Miami-Dade County.

Under this RFA, Florida Housing Finance Corporation (the Corporation) expects to have up to an estimated \$7,195,917 of Housing Credits available for award to proposed Developments located in Miami-Dade County. The Corporation is soliciting applications from qualified Applicants that commit to provide housing in accordance with the terms and conditions of this RFA, inclusive of all Exhibits, applicable laws, rules and regulations, and the Corporation's generally applicable construction and financial standards.

SECTION TWO DEFINITIONS

Unless otherwise defined in Exhibit B, capitalized terms within this RFA shall have the meaning as set forth in Rule Chapters 67-48 and 67-60, F.A.C., or in applicable federal regulations.

SECTION THREE PROCEDURES AND PROVISIONS

A. Submission Requirements

Unless otherwise stated within the RFA, the Application package, forms and other information related to this RFA may be found on the RFA Website at <https://www.floridahousing.org/programs/developers-multifamily-programs/competitive/2019/2019-112> (also available by clicking [here](#)).

1. Application Deadline

The Application Deadline is **3:00 p.m., Eastern Time, on October 15, 2019.**

2. Completing the Application Package

a. Downloading and completing the documents provided by the Corporation

The Applicant must download and complete the following documents found on the Corporation Website at <http://www.floridahousing.org/programs/developers-multifamily-programs/competitive/2019/2019-112> (also available by clicking [here](#)):

- (1) The Application (Exhibit A of the RFA);
- (2) The Development Cost Pro Forma; and
- (3) The Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019) ("Principals Disclosure Form"). A Principals Disclosure Form that was approved during the Advance Review Process, which is

described in Section Four A.3.d. of the RFA, may be used to satisfy this requirement.

The download process may take several minutes. Applicants should save these three documents with a file name that is unique to the specific Application.

b. Creating the All Attachments Document

In addition to the three documents described in a. above, the Application Package also includes one copy consisting of all of the applicable completed Attachments described in the RFA (“All Attachments Document”).

The Applicant must compile all of the Attachments described in the RFA into one pdf file separated by pages labeling each Attachment to create the All Attachments Document. This may be accomplished by merging the documents using a computer program such as Adobe Acrobat Pro or by scanning all of the attachments together.

Note: The Corporation has provided sample pages that may be used to separate the attachments on the [RFA](#) Website. If any of the attachments are not applicable, the Applicant should insert a page stating “Not Applicable” behind the separation page.

3. Uploading the Application Package

The Application Package consists of Exhibit A, the Development Cost Pro Forma, the Principal Disclosure Form, and the All Attachments Document. To upload the Application Package:

- a. Go to the RFA Website.
- b. Click the link to login and upload the Application Package. Note: A username and password must be entered. If the Applicant has not previously created a username and password, the Applicant will need to create one prior to the upload process.
- c. After successfully logging in, the Applicant must click “Upload Application Package.” The Applicant must also enter the Development Name and click “Browse” to locate the following completed documents saved on the Applicant’s computer:
 - (1) The Application (Exhibit A) in Word format;
 - (2) The Development Cost Pro Forma in Excel format;
 - (3) The Principals Disclosure form in Excel format. (If the Applicant received an approved Principals Disclosure Form through the Advance Review Process, the approved form is what should be uploaded);

- (4) The All Attachments Document in a pdf format.

The average file size is 1.0 MB and should take a moment or two to upload. Larger files may take longer to upload. There is a file size limit of 15 MB, but this may be able to be reduced without reducing the number of pages submitted. Examples of factors that affect file size include the resolution of the scanner or scanning the documents in color or as a graphic/picture.

- d. After the four documents are displayed in the Upload webpage, the Applicant must click "Upload Selected Files" to electronically submit the documents to the Corporation by the Application Deadline. Then the Uploaded Application (consisting of all four documents comprising the Application Package), and its assigned Response Number will be visible in the first column.

Note: If the Applicant clicks "Delete" prior to the Application Deadline, the Application will no longer be considered a Submitted Application and the Applicant will be required to upload the Application Package again in order for these documents to be considered an Uploaded Application. This will generate a new Response Number.

4. Submission to the Corporation

By the Application Deadline, the Applicant must provide to the Corporation the following:

- a. A sealed package containing a printed copy of the final Application Package housed in a 3-ring-binder with numbered divider tabs for each attachment. The final assigned Response Number should be reflected on each page of the printed copy of the Application Package; and
- b. The required non-refundable \$3,000 Application fee, payable to Florida Housing Finance Corporation (check or money order only).

The Applicant should label the outside of the shipping box with the applicable RFA number. The Corporation will not consider faxed or e-mailed Applications.

After 3:00 p.m., Eastern Time, on the Application Deadline, each Application for which a hard copy, an electronically submitted copy, and the Application Fee are received by the Application Deadline will be assigned an Application number. In addition, these Applications will be assigned a lottery number by having the Corporation's internal auditors run the total number of Applications received through a random number generator program.

The printed copy of the Application Package must be addressed to:

Marisa Button
 Director of Multifamily Allocations
 Florida Housing Finance Corporation
 227 N. Bronough Street, Suite 5000, Tallahassee, FL 32301

If the hard copy of the Application Package is not identical to the electronically submitted Application Package, the electronically submitted Application Package will be utilized for scoring purposes.

Pursuant to subsection 67-60.004(2), F.A.C., any Applicant may request withdrawal of its Application from a competitive solicitation by filing a written notice of withdrawal with the Corporation Clerk. For purposes of the funding selection process, the Corporation shall not accept any Application withdrawal request that is submitted between 5:00 p.m., Eastern Time, on the last business day before the date the Review Committee meets to make its recommendations until after the Board has taken action on the Review Committee's recommendations, and such Application shall be included in the funding selection process as if no withdrawal request had been submitted. Any funding or allocation that becomes available after such withdrawal is accepted shall be treated as Returned Funding and disposed of according to Section Five B. of the RFA.

- B. This RFA does not commit the Corporation to award any funding to any Applicant or to pay any costs incurred in the preparation or delivery of an Application.
- C. Florida Housing reserves the right to:
 - 1. Waive Minor Irregularities; and
 - 2. Accept or reject any or all Applications received as a result of this RFA.
- D. Any interested party may submit any inquiry regarding this RFA in writing to the Director of Multifamily Allocations via e-mail at [RFA 2019-112 Questions@floridahousing.org](mailto:RFA_2019-112_Questions@floridahousing.org) (also accessible by clicking [here](#)) with "Questions regarding RFA 2019-112" as the subject of the email. All inquiries are due by 5:00 p.m., Eastern Time, on September 26, 2019. Phone calls or written inquiries other than at the above e-mail address will not be accepted. The Corporation expects to respond to all inquiries by 5:00 p.m., Eastern Time, on October 3, 2019, and will post a copy of all inquiries received, and their answers, on the RFA Website. The Corporation will also send a copy of those inquiries and answers in writing to any interested party that requests a copy. The Corporation will determine the method of sending its answers, which may include regular United States mail, overnight delivery, fax, e-mail, or any combination of the above. No other means of communication, whether oral or written, shall be construed as an official response or statement from the Corporation.
- E. Any person who wishes to protest the specifications of this RFA must file a protest in compliance with Section 120.57(3), Fla. Stat., and Rule Chapter 28-110, F.A.C. Failure to file a protest within the time prescribed in Section 120.57(3), Fla. Stat., shall constitute a waiver of proceedings under Chapter 120, Fla. Stat.
- F. By submitting this Application, including all applicable attachments thereto, each Applicant agrees to the terms and conditions outlined in the RFA and certifies that:
 - 1. Public Records. Any material submitted in response to this RFA is a public record pursuant to Chapter 119, Fla. Stat. Per Section 119.071(1)(b)2., the sealed Applications received by the Corporation are exempt from disclosure until such time as the Board

provides notice of an intended decision or until 30 Calendar Days after the opening of the sealed Applications, whichever is earlier.

2. **Noninterference.** At no time during the review and evaluation process, commencing with the Application Deadline and continuing until the Board renders a final decision on the RFA, may Applicants or their representatives contact Board members or Corporation staff, except Corporation legal staff, concerning their own or any other Applicant's Application. If an Applicant or its representative does contact a Board or staff member in violation of this section, the Board shall, upon a determination that such contact was made in an attempt to influence the selection process, disqualify the Application.
 3. **Requirements.** Proposed Developments funded under this RFA will be subject to the requirements of the RFA, inclusive of all Exhibits, the Application requirements outlined in Rule Chapter 67-60, F.A.C., the requirements outlined in Rule Chapter 67-48, F.A.C., and the Compliance requirements of Rule Chapter 67-53, F.A.C.
 4. **Modifications.** Any modifications that occur to the Request for Application will be posted on the web site and may result in an extension of the deadline. It is the responsibility of the Applicant to check the website for any modifications prior to the Application Deadline.
- G. The Corporation expects to select one or more Applications to award the funding contemplated by this RFA. Any such Applications will be selected through the Corporation's review of each Application, considering the factors identified in this RFA.

SECTION FOUR INFORMATION TO BE PROVIDED IN APPLICATION

Provided below are the instructions to be used in completing Exhibit A of this RFA.

A. Exhibit A Items

Priority Designation of Applications

Applicants may submit no more than three (3) Priority I Applications. There is no limit to the number of Priority II Applications that can be submitted; however, no Principal can be a Principal of more than three Priority 1 Applications.

Florida Housing will rely on the Principal of the Applicant and Developer(s) Disclosure Form (Rev. 05-2019) outlined below in order to determine if a Principal is a Principal on more than three Priority I Applications. If, during scoring, it is determined that a Principal is disclosed as a Principal on more than three Priority I applications, all such Priority I Applications will be deemed Priority II.

If it later determined that a Principal was not disclosed as a Principal and the undisclosed Principal causes the maximum set forth above to be exceeded, the award(s) for the affected Application(s) will be rescinded and all Principals of the affected Applications may be subject to

material misrepresentation, even if the Applications were not selected for funding, were deemed ineligible, or were withdrawn.

1. Submission Requirements

Applicant Certification and Acknowledgement

The Applicant must include an Applicant Certification and Acknowledgement form, executed by the Authorized Principal Representative, as **Attachment 1** to Exhibit A to indicate the Applicant's certification and acknowledgement of the provisions and requirements of the RFA. The Applicant Certification and Acknowledgement form is provided on the RFA Website. Note: If the Applicant provides any version of the Applicant Certification and Acknowledgement form other than the version included in this RFA, the form will not be considered.

2. Demographic Commitment

The Applicant must select one of the following Demographic Commitments:

- a. Family – The proposed Development will serve the general population.
- b. Elderly – The Applicant must indicate whether the proposed Development will be an Elderly Assisted Living Facility (ALF) or an Elderly Non-ALF.

If the Elderly demographic commitment is selected, the Applicant understands, acknowledges and agrees that it will comply with the Federal Fair Housing Act requirements for housing for older persons and rent at least 80 percent of the total units to residents that qualify as older persons pursuant to that Act or as provided under any state or federal program that the Secretary of HUD determines is specifically designed and operated to assist elderly persons (as defined in the state or federal program). Further, the Applicant understands, acknowledges and agrees that all such units are subject to the income restrictions committed to in the Set-Aside Commitment section of this Application.

3. Applicant/Developer/Management Company/Contact Person

- a. Applicant Information
 - (1) The Applicant must state the name of the Applicant.
 - (2) The Applicant must be a legally formed entity [i.e., limited partnership, limited liability company, etc.] qualified to do business in the state of Florida as of the Application Deadline. The Applicant must include, as **Attachment 2** to Exhibit A, evidence from the Florida Department of State, Division of Corporations, that the Applicant satisfies the foregoing requirements; such evidence may be in the form of a certificate of status or other reasonably reliable information or documentation issued, published or made available by the Florida Department of State, Division of Corporations.

- (3) An Applicant that indicates that it is applying as a Non-Profit will only be considered a Non-Profit, for purposes of this RFA, if the Applicant (i) answers the question demonstrating that it meets the definition of Non-Profit as set out in Rule Chapter 67-48, F.A.C.; and (ii) provides the required information stated below. Any Applicant that applies as a Non-Profit but is not considered a Non-Profit will still be eligible for funding as a for profit entity.

The Applicant's Non-Profit status will be verified during credit underwriting. If this cannot be verified, the Applicant will no longer be considered a Non-Profit Applicant and, if the proposed Development was funded to meet the Non-Profit Goal, funding awarded under this RFA may be rescinded.

Provide the following information for the Non-Profit entity that meets the definition stated in Rule Chapter 67-48, F.A.C. as **Attachment 3**:

- (a) The IRS determination letter;
- (b) A description/explanation of how the Non-Profit entity is substantially and materially participating in the management and operation of the Development (i.e., the role of the Non-Profit);
- (c) The names and addresses of the members of the governing board of the Non-Profit entity; and
- (d) The articles of incorporation demonstrating that one of the purposes of the Non-Profit entity is to foster low-income housing.

If the Applicant applies as a Non-Profit entity and meets the requirements outlined above to be considered a Non-Profit for purposes of this RFA, it must remain a Non-Profit entity and the Non-Profit entity must (i) receive at least 25 percent of the Developer's fee; and (ii) contractually ensure that it substantially and materially participates in the management and operation of the Development throughout the Compliance Period.

b. General Developer Information

- (1) The Applicant must state the name of each Developer, including all co-Developers.
- (2) Each Developer entity identified (that is not a natural person) must be a legally formed entity qualified to do business in the state of Florida as of the Application Deadline. For each stated Developer entity that is not a natural person, provide, as **Attachment 4** to Exhibit A, evidence from the Florida Department of State, Division of Corporations, that the Developer satisfies the foregoing requirements. Such evidence may be in the form of a certificate of status or other reasonably reliable information or documentation issued, published or made available by the Florida Department of State, Division of Corporations.

(3) General Development Experience

To be eligible for funding, at least one natural person Principal of the Developer entity, or if more than one Developer entity, at least one natural person Principal of at least one of the Developer entities, must meet the General Development Experience requirements in (a) and (b) below. The individual meeting the General Development Experience requirements must be disclosed on the Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 08-16) outlined in d. below and must remain with the Development until the release of the operating deficit guarantee set forth in Rule 67-48.0072(18). To receive five points, the requirements outlined in (c) below must be met.

(a) General Development Experience

A natural person Principal of at least one experienced Developer entity, which must be disclosed on the Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019) described in d. below, must have, since January 1, 1990, completed at least three affordable rental housing developments, at least one of which was a Housing Credit development completed since January 1, 2009. At least one of the three completed developments must consist of a total number of units no less than 50 percent of the total number of units in the proposed Development. For purposes of this provision, completed for each of the three developments means (i) that the temporary or final certificate of occupancy has been issued for at least one unit in one of the residential apartment buildings within the development, or (ii) that at least one IRS Form 8609 has been issued for one of the residential apartment buildings within the development. As used in this section, a Housing Credit development that contains multiple buildings is a single development regardless of the number of buildings within the development for which an IRS Form 8609 has been issued.

If the experience of a natural person Principal for a Developer entity listed in this Application was acquired from a previous affordable housing Developer entity, the natural person Principal must have also been a Principal of that previous Developer entity as the term Principal was defined by the Corporation at that time.

(b) Prior General Development Experience Chart

The Applicant must provide, as **Attachment 4** to Exhibit A, a prior experience chart for each natural person Principal intending to meet the minimum general development experience reflecting the required information for the three completed affordable rental housing developments, one of which must be a Housing Credit development.

Each prior experience chart must include the following information:

Prior General Development Experience Chart				
Name of natural person Principal with the required experience:				
Name of Developer Entity (for the proposed Development) for which the above individual is a Principal:				
Name of Development	Location (City & State)	Affordable Housing Program that Provided Financing (e.g., Housing Credits, Tax-Exempt Bonds, HOME, SAIL, etc.)	Total Number of Units	Year Completed

(c) Development Experience Withdrawal Disincentive (5 points)

In an effort to encourage the submission of quality Applications, the Corporation will award points for Development experience in certain future RFAs. Applicants and Developers are on notice that any Application submitted in this RFA that is withdrawn any time subsequent to the Application Deadline but on or before the execution of the Carryover Allocation Agreement and payment of the Administrative fee will (if the future RFA so provides) result in a point reduction in the scoring of Development experience in future Applications in which the Developer, Co-Developer or any Principal of the Developer(s) named in the Developer section of the Principals of the Applicant and Developer(s) Disclosure Form of the withdrawn Application is named for purposes of satisfying the Development experience requirement in the future Application. As used herein, an Application withdrawal includes a withdrawal of an Application (or the funding under such Application) initiated or made by the Corporation itself where such withdrawal by the Corporation is the result of the Applicant’s failure to act or pay fees in a timely manner as required by the RFA.

No Principal named in this RFA, for purposes of satisfying the Development experience requirement outlined above, is also listed as a Developer, co-Developer or Principal of the Developer named on the Principals Disclosure Form included in RFA 2017-103, RFA 2017-111, RFA 2017-112, RFA 2017-113, RFA 2017-114, RFA 2018-103, RFA 2018-108, 2018-110, 2018-111, 2018-112, 2018-113, 2019-103, and/or RFA 2019-106, where an Application has been withdrawn any time subsequent to the applicable RFA’s Application Deadline, but on or before the execution of the Carryover Allocation Agreement(s) and payment of the Administrative Fee(s) for such Application(s).

For purposes of scoring this RFA, the Committee shall consider all such withdrawals that are made available to the Committee prior to the date that the Committee meets to make a recommendation to the Board.

To receive five points, the Applicant must meet the above requirements.

c. Principals Disclosure for the Applicant and for each Developer (5 points)

(1) Eligibility Requirements

To meet the submission requirements, the Applicant must upload the Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019) (“Principals Disclosure Form”) with the Application and Development Cost Pro Forma, as outlined in Section Three above. Prior versions of the Principals Disclosure Form will not be accepted.

The Principals Disclosure Form must identify the Principals of the Applicant and Developer(s) as of the Application Deadline and should include, for each applicable organizational structure, only the types of Principals required by Subsection 67-48.002, F.A.C. A Principals Disclosure Form should not include, for any organizational structure, any type of entity that is not specifically included in the Rule definition of Principals. For Housing Credits, the investor limited partner of an Applicant limited partnership or the investor member of an Applicant limited liability company must be identified.

(2) Point Item

Applicants will receive 5 points if the uploaded Principal Disclosure Form was stamped “Approved” during the Advance Review Process. The Advance Review Process for Disclosure of Applicant and Developer Principals is available on the RFA Website and also includes samples which may assist the Applicant in completing the required Principals Disclosure Form.

Note: It is the sole responsibility of the Applicant to review the Advance Review Process procedures and to submit any Principals Disclosure Form for review in a timely manner in order to meet the Application Deadline.

(3) For purposes of the following, a material change shall mean 33.3 percent or more of the Applicant, a general partner of the Applicant, or a non-investor member of the Applicant, and a non-material change shall mean less than 33.3 percent of the Applicant, a general partner of the Applicant, or a non-investor member of the Applicant.

The name of the Applicant entity stated in the Application may be changed only by written request of an Applicant to Corporation staff and approval of the Board after the Applicant has been invited to enter credit underwriting.

The Applicant entity shall be the recipient of the Housing Credits and cannot be changed in any way (materially or non-materially) until after the Carryover Allocation Agreement is in effect. Once the Carryover Allocation Agreement has been executed by all parties, (a) replacement of the Applicant or a material change in the ownership structure of the named Applicant will require Board approval prior to the change, and (b) any non-material change in the ownership structure of the named Applicant will require Corporation approval prior to the change. The Applicant entity may be changed without Board approval after a Final Cost Certification Package has been approved by the Corporation and the IRS Forms 8609 have been issued; however, the Corporation must still be

notified in writing of the change. Changes to the Applicant entity (material or non-material) prior to the execution of a Carryover Allocation Agreement or without Board approval or Corporation approval, as applicable, prior to the approval of the Final Housing Credit Allocation and issuance of the IRS Forms 8609 may result in a disqualification from receiving funding and may be deemed a material misrepresentation. Changes to the officers or directors of a Public Housing Authority or the investor limited partner of an Applicant limited partnership or the investor-member of an Applicant limited liability company owning the syndicating interest therein will not result in disqualification.

- (4) The Principals of each Developer identified in the Application, including all co-Developers, may be changed only by written request of an Applicant to Corporation staff and approval of the Board after the Applicant has been invited to enter credit underwriting. In addition, any allowable replacement of an experienced Principal of a Developer entity must meet the experience requirements that were met by the original Principal.

d. General Management Company Information

The Applicant must identify the Management Company and provide, as **Attachment 5** to Exhibit A, a prior experience chart for the Management Company or a principal of Management Company demonstrating experience in the management of at least two affordable rental housing properties (i.e., properties funded through an affordable housing program such as Housing Credits, Tax-Exempt Bonds, HOME, SAIL, etc.), at least one of which consists of a total number of units no less than 50 percent of the total number of units in the proposed Development, for at least two years each.

The prior experience chart must include the following information:

Prior General Management Experience Chart				
Name of Management Company or a Principal of the Management Company with the Required Experience: _____				
Name of Development	Location (City & State)	Currently Managing or Formerly Managed	Length of Time (Number of Years)	Total Number of Units

e. Contact Person

- (1) Enter the information for the required Authorized Principal Representative. The Authorized Principal Representative (a) must be a natural person Principal of the Applicant listed on the Principal Disclosure Form; (b) must have signature authority to bind the Applicant entity; (c) must sign the Applicant Certification and Acknowledgement form submitted in this Application; (d) must sign the Site Control Certification form submitted in this Application; and (e) if funded, will be the recipient of all future documentation that requires a signature.
- (2) A separate Operational Contact Person may be included, if desired. If provided, the Operational Contact Person will be the recipient of any general correspondence associated with the Development activities that does not

require a signature. If an Operational Contact Person is not provided, the Authorized Principal Representative will be the recipient of any such documentation.

4. General Proposed Development Information

Unless stated otherwise, all information requested in the RFA pertains to the Development proposed in this Application.

- a. The Applicant must state the name of the proposed Development.
- b. Development Category/ Rental Assistance (RA) Level
 - (1) The Applicant must select one of the following Development Categories:
 - New Construction
 - Rehabilitation
 - Acquisition and Rehabilitation
 - Redevelopment
 - Acquisition and Redevelopment

If the proposed Development consists of acquisition and Rehabilitation, with or without new construction (where the applicable new construction is for the building of units which will total less than 50 percent of the proposed Development's total unit count), and the Applicant is not requesting Corporation funding related to the acquisition, the Applicant should select Rehabilitation as the Development Category. However, the acquisition costs and sources must still be reflected on the Development Cost Pro Forma.

- (2) The proposed Development must meet the Development Category requirements for the applicable Development Category as listed below:
 - (a) New Construction

At least 50 percent of the total units must be new construction
 - (b) Rehabilitation (with or without Acquisition)
 - (i) Less than 50 percent of the total units must be new construction;
 - (ii) The proposed Development must meet the definition of Rehabilitation in Rule 67-48.002, F.A.C.; and
 - (iii) The estimated qualified basis in Rehabilitation expenses per set aside unit within one 24-month period for the building(s) being

rehabilitated must be at least \$25,000 per set-aside unit. This is calculated using the greater of the two following criteria:

- 20 percent of the eligible Total Acquisition Costs of Existing Development reflected in Column 1 of Item B. of the Development Cost Pro Forma, multiplied by the Total Set-Aside Percentage, with the resulting amount divided by the number of total set-aside units; or
- The eligible Total Development Cost reflected in Column 1 of Item G of the Development Cost Pro Forma, minus the eligible Acquisition Costs of Existing Development reflected in Column 1 of Item B. of the Development Cost Pro Forma, minus Developer Fee on Acquisition Costs reflected in Column 1 of the Development Cost Pro Forma. If the proposed Development qualifies for a basis boost, take this calculated amount and multiply it by 1.3. Take the resulting amount and multiply by the Total Set-Aside Percentage and then divide by the number of set-aside units.

(c) Redevelopment (with or without Acquisition)

- (i) At least 50 percent of the total units must be new construction;
- (ii) The Development must meet the definition of Redevelopment in Rule Chapter 67-48.002, F.A.C.; and
- (iii) The Applicant must provide, as **Attachment 6** to Exhibit A, a Development Category Qualification Letter from HUD or RD, dated within 12 months of the Application Deadline, which includes the following information:

- Name of the Development*;
- Address of the Development;
- Year built**;
- Total number of units that will receive PBRA and/or ACC if the proposed Development is funded;
- Total number of units that currently have or are receiving PBRA and/or ACC. If none, the total number of units that originally received PBRA; and
- The HUD or RD program currently associated with the existing development. If none, the HUD or RD program originally associated with the existing development.

*For purposes of this provision, the Name of the Development may be the name at the time of the PBRA and/or ACC award.

** The Development must be built in 1986 or earlier to meet the definition of Redevelopment.

(3) Rental Assistance (RA) Level Classification

(a) Development Category Qualification Letter

(i) Development Category of Redevelopment (with or without Acquisition)

The Development Category Qualification Letter is required of all Developments with the Development Category of Redevelopment (with or without Acquisition) as stated in the Development Category requirements above.

(ii) Development Category of New Construction or Rehabilitation, with or without Acquisition

The Development Category Qualification Letter is not an eligibility requirement for proposed Developments with the Development Category of New Construction or Rehabilitation, with or without Acquisition; however, in order to be classified as an RA Level other than RA Level 6, the Development Category Qualification Letter must be provided as **Attachment 6**, and must meet the following requirements:

The Development Category Qualification Letter must be a letter from a designated administrator of a federal program that provides long-term rental assistance. The rental assistance provided must be tied to the proposed Development and its units and be for a minimum of 20 years from the date the Development's units are placed in service*. The letter must include the following information and be dated within 12 months of the Application Deadline:

- Name of the proposed Development;
- Address of the proposed Development;
- Total number of units that will receive PBRA, ACC, and/or other form of federal long-term rental assistance if the proposed Development is funded;
- The federal program associated with the rental assistance; and
- A statement that the committed rental assistance will be reserved and available for use by the proposed Development by the time the units are placed in service and committed for a minimum of 20 years upon the units being placed in service*.

*This may be subject to congressional appropriation and continuation of the rental assistance program. For developments documenting the commitment of RD rental assistance, the minimum 20-year commitment term from the date the Development's units are placed in service is not applicable.

All funded Applications will be held to the number of RA units stated in the Development Category qualification letter provided by the Applicant. This requirement will apply throughout the compliance period, subject to congressional appropriation and continuation of the rental assistance program.

(b) Calculating the Rental Assistance (RA) Level

The total number of units that will receive rental assistance (i.e., PBRA and/or ACC and, in the case of New Construction and Rehabilitation, other forms of federal long-term rental assistance), as stated in the Development Category Qualification Letter provided as **Attachment 6**, will be considered to be the proposed Development’s RA units and will be the basis of the Applicant’s RA Level Classification. The Corporation will divide the RA units stated in the Development Category Qualification Letter by the total units stated by the Applicant in Exhibit A, resulting in a Percentage of Total Units that are RA units. Using the Rental Assistance Level Classification Chart below, the Corporation will determine the RA Level associated with both the Percentage of Total Units and the number of RA units. The best rating of these two levels will be assigned as the Application’s RA Level Classification.

Rental Assistance Level Classification Chart			
Rental Assistance Level	Percentage of Total Units that will receive Rental Assistance		Number of RA Units that will receive Rental Assistance
Level 1	All units (with the exception of up to 2 units)	or	At least 100 RA units and greater than 50% of the total units
Level 2	Greater than 90.00%	or	Greater than 90 RA units but less than 100 RA units and greater than 50% of the total units
Level 3	Greater than 75.00%, equal to or less than 90.00%	or	Greater than 75 RA units but less than 90 RA units and greater than 50% of the total units
Level 4	Greater than 50.00%, equal to or less than 75.00%		N/A
Level 5	Greater than 10.00%, equal to or less than 50.00%		N/A
Level 6*	10.00% or less of the total units receive rental assistance		N/A

*Applications will be classified RA Level 6 if 10.00% or less of the total units will receive rental assistance or if the Applicant fails to meet the criteria outlined above.

(4) Development Category Funding Preference

- (a) Applicants that selected the Development Category of New Construction or Redevelopment, with or without Acquisition, will automatically qualify for the Development Category Funding Preference.
- (b) Qualifications for Applicants that selected the Development Category of Rehabilitation, with or without Acquisition

Applicants that selected the Development Category of Rehabilitation, with or without Acquisition, will qualify for the Development Category Funding Preference outlined in Section Five of the RFA by indicating at

question 4.b.(4) of Exhibit A that the proposed Development does NOT meet the definition of Preservation as defined in Rule Chapter 67-48.002, F.A.C.

If Applicants that selected the Development Category of Rehabilitation, with or without Acquisition do not answer question 4.b.(4) of Exhibit A, or if the Application reflects an answer of “Yes”, the Application will NOT qualify for the Development Category Funding Preference.

c. Development Type

Select the Development Type for the proposed Development. For mixed-type Developments, indicate the type that will comprise the majority of the units in the Development.

- Garden Apartments (a building comprised of 1, 2 or 3 stories, with or without an elevator)
- Townhouses
- Duplexes
- Quadraplexes
- Mid-Rise, 4-stories (a building comprised of 4 stories and each residential building must have at least one elevator)
- Mid-Rise, 5 to 6-stories (a building comprised of 5 or 6 stories and each residential building must have at least one elevator)
- High Rise (a building comprised of 7 or more stories and each residential building must have at least one elevator)

For purposes of determining the number of stories, each floor in the building(s) should be counted regardless of whether it will consist of retail, parking, or residential.

Note: Any dwelling unit that consists of more than one story, (e.g. Townhouse), is prohibited for Elderly set-aside units. A residential building that consists of more than one story is not prohibited for Elderly set-aside units if there is a minimum of one elevator per residential building provided for all Elderly set-aside units that are located on a floor higher than the first floor.

*For purposes of the HC Leveraging Classification described in Item 3 of Exhibit C, if the Applicant selects the Development Category of New Construction and the Development Type of Mid-Rise, 5 to 6 stories, the Applicant must indicate whether at least 90% of the proposed Development’s total units will be contained in the Mid-Rise building(s). If “No”, or if the question is not answered, the Application will not qualify for the Mid-Rise multiplier.

d. Enhanced Structural Systems (“ESS”) Construction Qualifications

To qualify as “Enhanced Structural Systems Construction” or “ESS Construction” for purposes of the Total Development Cost Limitation calculation and the A/B Leveraging

calculation, the proposed Development must meet at least one of the specifications listed below.

- (1) For all new construction buildings, and as of the Application Deadline for all existing buildings proposed for rehabilitation, as applicable, all of the following structural elements must consist of 100 percent poured concrete/masonry, 100 percent steel, or a combination adding up to 100 percent of concrete/masonry and steel, as verified during credit underwriting: all exterior walls and other external load-bearing elements, as well as the floor of the lowest story of the building that contains residential, commercial or storage space (other than parking), and any under-floor/under-ground supports for that lowest story's floor.

Additionally, if the proposed work includes rehabilitation of any structural elements listed above, the structural elements must also meet the above requirements after completion of the rehabilitation work.

- (2) Any new construction buildings with the Development Type of Mid-Rise (4, 5 or 6 story) that utilize a ESS Podium Structure shall qualify as "ESS Construction." New construction buildings of other Development Types that utilize a ESS Podium Structure must meet the requirements in (1) above in order to qualify as "ESS Construction." In this event, the top surface of the podium itself shall be considered to be the floor of the lowest story of the building that contains residential, commercial or storage space (other than parking).

For the purposes of determining "ESS Construction," there is no requirement regarding the materials to be used in the roof of the building.

The term "ESS Podium Structure" shall mean a non-residential support structure underneath the rental units constructed solely of concrete/masonry, steel, or some combination of concrete/masonry and steel together, and where said structure under the rental units must utilize at least 85 percent of the square footage for parking or non-commercial utility/ancillary building uses only. Up to 15 percent of the square footage can be used for other non-residential purposes.

These qualifying criteria specifically exclude face brick or brick veneer from qualifying as ESS Construction for purposes of this RFA unless the proposed Development otherwise meets the requirements in (1) or (2) above.

For purposes of this RFA, the Corporation will consider an Application to be ESS Construction if the answer to question 4.d. of Exhibit A is "Yes." This will be verified during the credit underwriting process. If this cannot be verified the Development will no longer be considered ESS Construction, and funding awarded under this RFA may be rescinded.

5. Location of Proposed Development

- a. This RFA is open only to proposed Developments located in Miami-Dade County.
- b. The Applicant must provide the Address of the Development site

Indicate (1) the address number, street name, and name of city, and/or (2) the street name, closest designated intersection, and either name of city or unincorporated area of county. If the proposed Development consists of Scattered Sites, this information must be provided for each of the Scattered Sites.

- c. The Applicant must state whether the Development consists of Scattered Sites.

If the proposed Development consists of Scattered Sites, the following conditions must be met:

- (1) A part of the boundary of each Scattered Site must be located within ½ mile of a part of the boundary of the Scattered Site with the most units;
- (2) Site control and Ability to Proceed must be demonstrated in the Application for all Scattered Sites; and
- (3) All Scattered Sites must be located within the same county.

- d. Latitude/Longitude Coordinates

- (1) All Applicants must provide a Development Location Point stated in decimal degrees, rounded to at least the sixth decimal place. If the proposed Development consists of Scattered Sites, as of Application Deadline the Development Location Point must affirmatively be established on the site with the most units, as outlined in subsection 67-48.002(34), F.A.C., and latitude and longitude coordinates for each Scattered Site must also be provided.
- (2) If the proposed Development consists of Scattered Sites, for each Scattered Site the Applicant must provide the latitude and longitude coordinates of one point located anywhere on the Scattered Site. The coordinates must be stated in decimal degrees and rounded to at least the sixth decimal place.

Note: 30.443900, -84.283960 is an example of decimal degrees format, represented to six decimal places.

- e. Proximity

The Application may earn proximity points based on the distance between the Development Location Point and the Bus or Rail Transit Service (if Private Transportation is not selected at question 5.e.(2)(a) of Exhibit A) and the Community Services stated in Exhibit A. Proximity points will not be applied towards the total score. Proximity points will only be used to determine whether the Applicant meets the required minimum proximity eligibility requirements and the Proximity Funding Preference, as outlined in the chart below.

Requirements and Funding Preference Qualifications

All Applications must achieve a minimum number of Transit Service Points and achieve a minimum number of total proximity points to be eligible for funding. All Applications that achieve a higher number of total proximity points may also qualify for the Proximity Funding Preference as outlined below. Applications for proposed Developments that elect to compete for the Geographic Areas of Opportunity / SADDA Goal outlined in Section Four A.11 of the RFA that are located entirely in a SADDA will automatically qualify for the Proximity Funding Preference without the requirement to provide services outline below, provided the Applicant provides the Development Location Point as outlined in d. above. If any portion of the proposed Development is located in a Geographic Areas of Opportunity census tract, the proximity requirements must be met.

Required Minimum Transit Service Points if Eligible for the PHA or RD Proximity Point Boost	Required Minimum Transit Service Points if NOT Eligible for the PHA or RD Proximity Point Boost	Required Minimum Total Proximity Points that Must be Achieved to be eligible for funding	Total Proximity Points that Must be Achieved to Receive the Proximity Funding Preference
1.5	2	10.5	12.5 or more

The Application may earn proximity points through the following:

- Qualifying for the PHA Proximity Point Boost or the RD 515 Proximity Point Boost;
- Providing private transportation or based on the distance between the Development Location Point and the Bus or Rail Transit Service; and
- Based on the distance between the Development Location Point and the Community Services.

(1) PHA or RD 515 Proximity Point Boost

(a) PHA Proximity Point Boost

An Application that involves a site(s) with an existing Declaration of Trust between a Public Housing Authority (PHA) and HUD will qualify to receive a 3-point boost toward its proximity score if the Applicant provides a letter from the PHA dated within 12 months of the Application Deadline certifying that the site(s) where all of the units in the proposed Development will be located has an existing Declaration of Trust between the PHA and HUD. The letter must be signed by the appropriate person authorized to make such a certification and must be provided as **Attachment 7** to Exhibit A. Note: This 3-point boost will not count toward meeting the mandatory Minimum Transit Services score.

or

(b) RD 515 Proximity Point Boost

An Application that involves property that is currently assisted with RD 515 funding will qualify to receive a 3 point boost toward its proximity score if the Applicant demonstrates RD 515 funding as outlined in Section Four A.10.c.(1) of the RFA and the Applicant selected the Development Category of Rehabilitation or Redevelopment, with or without Acquisition. Note: This 3-point boost will not count toward meeting the mandatory Minimum Transit Services score.

(c) All Applications that qualify for either the PHA Proximity Point Boost or the RD 515 Proximity Point Boost will be required to achieve at least 1.5 Transit Service Points. All other Applications will be required to achieve at least 2.0 Transit Service Points.

(2) Transit Services (Maximum of 6 points)

Applicants may select Private Transportation or provide the location information and distance for one of the remaining four Transit Services on which to base the Application's Transit Score. The Transit Service Scoring Charts, reflecting the methodology for calculating the points awarded based on the distances, are outlined Exhibit C.

Location of coordinates for Transit Services

For Public Bus Stop, Public Bus Rapid Transit Stop, Public Bus Transfer Stop, MetroRail, Station, TriRail Station, and SunRail Station, coordinates must represent the location where passengers may embark and disembark the bus or train.

(a) Private Transportation (2 Points)

This service is defined in Exhibit B and may be selected only if the Applicant selected the Elderly (ALF or Non-ALF) Demographic Commitment.

or

(b) Public Bus Stop (Maximum 6 Points)

(i) This service is defined in Exhibit B and may be selected by all Applicants.

(ii) Up to three Public Bus Stops may be selected. Each Public Bus Stop must meet the definition of Public Bus Stop, as defined in Exhibit B, using at least one unique bus route. Up to two of the

selected Public Bus Stops may be Sister Stops that serves the same route, as defined in Exhibit B.

or

- (c) Public Bus Transfer Stop (Maximum 6 Points)

This service is defined in Exhibit B and may be selected by all Applicants.

or

- (d) Public Bus Rapid Transit Stop (Maximum 6 Points)

This service is defined in Exhibit B and may be selected by all Applicants.

or

- (e) Public Rail Station (Maximum 6 Points)

This service is defined in Exhibit B and may be selected by all Applicants.

- (3) Community Services (Maximum 4 Points for each service, up to 3 services)

Applicants may provide the location information and distances for three of the following four Community Services on which to base the Application's Community Services Score. The Community Service Scoring Charts, which reflect the methodology for calculating the points awarded based on the distances, are outlined in Exhibit C.

Location of coordinates for Community Services

Coordinates must represent a point that is on the doorway threshold of an exterior entrance that provides direct public access to the building where the service is located. If there is no exterior public entrance to the Community Service, then a point should be used that is at the exterior entrance doorway threshold that is the closest walking distance to the doorway threshold of the interior public entrance to the service. For example, for a Pharmacy located within an enclosed shopping mall structure that does not have a direct public exterior entrance, the latitude and longitude coordinates at the doorway threshold of the exterior public entrance to the enclosed shopping mall that provide the shortest walking distance to the doorway threshold of the interior entrance to the Pharmacy would be used.

Applicants may use the same latitude and longitude coordinates for the Grocery Store, Medical Facility and/or Pharmacy if the Grocery Store, Medical Facility and/or Pharmacy is housed at the same location.

Eligible Community Services

- (a) Grocery Store - This service is defined in Exhibit B and may be selected by all Applicants.
- (b) Public School - This service is defined in Exhibit B and may be selected only if the Applicant selected the Family Demographic Commitment.
- (c) Medical Facility - This service is defined in Exhibit B and may be selected by all Applicants.
- (d) Pharmacy - This service is defined in Exhibit B and may be selected by all Applicants.

(4) Scoring Proximity to Services (Transit and Community)

(a) Private Transportation

Applicants that selected the Elderly (ALF or Non-ALF) Demographic Commitment and wish to provide Private Transportation as the Transit Service must select “Yes” at question 5.e.(2)(a) of Exhibit A to be eligible to receive 2 points.

(b) Bus and Rail Transit Services and Community Services

Applicants that wish to receive proximity points for Transit Services other than Private Transportation or points for any community service must provide latitude and longitude coordinates for that service, stated in decimal degrees, rounded to at least the sixth decimal place, and the distance between the Development Location point and the coordinates for the service. The distances between the Development Location Point and the latitude and longitude coordinates for each service will be the basis for awarding proximity points. Failure to provide the distance for any service will result in zero points for that service. The Transit and Community Service Scoring Charts reflecting the methodology for calculating the points awarded based on the distances are in Exhibit C.

f. Mandatory Distance Requirement

To be eligible for funding, Applications must qualify for the Mandatory Distance Requirement. Applications may qualify automatically (as outlined below). Applications that are not eligible for the automatic qualification will only qualify if the distance between the latitude and longitude coordinates provided for the Development Location Point, and any Scattered Sites, if applicable, to the coordinates for the other properties identified on the _____ FHFC Development Proximity List (the List) that serve the same demographic group as the proposed Development meets the Mandatory Distance Requirement as outlined in (2) below. The List is available on the RFA Website. Applications that do not qualify for the Mandatory Distance Requirement under (1) or (2) below will not be eligible for funding.

- (1) Applications Eligible for the Automatic qualification for the Mandatory Distance Requirement
- (a) The Applicant selected the Rehabilitation Development Category (with or without Acquisition), the proposed Development involves the Rehabilitation of an existing, occupied residential rental property in operation as of the Application Deadline, and the proposed Development meets all of the following criteria: (i) the Applicant commits to set aside 30 percent of the total units as ELI Set-Aside units on the Total Set-Aside Breakdown Chart, and (ii) the proposed Development is classified as RA Level 1 or RA Level 2;
 - (b) The Applicant selected the Redevelopment Development Category (with or without Acquisition) and the proposed Development meets all of the following criteria: (i) the Applicant commits to set aside 30 percent of the total units as ELI Set-Aside units on the Total Set-Aside Breakdown Chart, (ii) the proposed Development is classified as RA Level 1 or RA Level 2, and (iii) the Percentage of Total Units that will have Rental Assistance is greater than 75 percent; or
 - (c) The proposed Development elects to be considered for the Geographic Areas of Opportunity / SADDA Funding Goal outlined in Section Four A.11. of the RFA and is located entirely in a HUD-designated SADDA. If any portion of the proposed Development is located in a Geographic Areas of Opportunity census tract, the Mandatory Distance requirements must be met.
- (2) Applications not eligible for the Automatic qualification for the Mandatory Distance Requirement will qualify for the Mandatory Distance Requirement if the distance between the latitude and longitude coordinates provided for the Development Location Point, and any Scattered Sites, if applicable, to the coordinates for the other properties identified on the _____ FHFC Development Proximity List (the List) that serve the same demographic group as the proposed Development is at least 0.5 miles.

The _____ FHFC Development Proximity List and mapping software to display both the Proximity List properties on the list and the Mandatory Distance Requirement buffers described in the chart above are available on the Corporation's Website at [http://www.floridahousing.org/programs/developers-multifamily-programs/multifamily-mapping-application-\(beta\)](http://www.floridahousing.org/programs/developers-multifamily-programs/multifamily-mapping-application-(beta)) (also accessible by clicking [here](#)).

An Applicant may disregard any Development(s) on the List if the proposed Development and any Development(s) on the List have one or more of the same Financial Beneficiaries and meet at least one of the following criteria: (i) they are contiguous or are divided by a street, and/or (ii) they are divided by a prior phase of the proposed Development. If this provision applies to the proposed

Development, the Applicant must identify the Development(s) on the List that it wishes to disregard.

g. Racially and Ethnically Concentrated Areas of Poverty (RECAP)

The Applicant must indicate whether any part of the proposed Development is located in a RECAP designated area. The Racially and Ethnically Concentrated Areas of Poverty, effective 4-24-19 are available on the Corporation's Website at [https://www.floridahousing.org/programs/developers-multifamily-programs/competitive/racially-and-ethnically-concentrated-areas-of-poverty-\(recap\)/2019-racially-and-ethnically-concentrated-areas-of-poverty-\(recap\)-information](https://www.floridahousing.org/programs/developers-multifamily-programs/competitive/racially-and-ethnically-concentrated-areas-of-poverty-(recap)/2019-racially-and-ethnically-concentrated-areas-of-poverty-(recap)-information) (also accessible by clicking [here](#)). If the question is not answered, the Corporation will consider the proposed Development to be located in a RECAP designated area.

With one exception, proposed Developments that select the Development Category of New Construction or Rehabilitation, with or without Acquisition, are not eligible to receive funding under this RFA if any part of the proposed Development is located in a RECAP designated area. The one exception to the above prohibition is for a proposed Development where the Applicant elects to be considered for the Geographic Areas of Opportunity Funding Goal outlined in Section Four A.11. of the RFA and the entire Development is located in a HUD-designated SADDA. If any portion of the proposed Development is located in a Geographic Areas of Opportunity census tract, the RECAP conditions must be met. Proposed Developments that are located in a RECAP designated area that select the Development Category of Redevelopment, with or without Acquisition, are eligible for funding under this RFA.

If any part of the proposed Development is located in a RECAP designated area, the entire proposed Development will be considered to be located in a RECAP designated area and the Application will only be eligible for funding under this RFA if it qualifies for the Redevelopment (with or without Acquisition) Development Category.

6. Number of Units and Buildings

- a. The Applicant must state the total number of units in the proposed Development.
- (1) Proposed Developments must meet the following applicable minimum total unit requirement:
 - (a) Minimum of 75 total units for proposed Developments located in all areas of Miami-Dade County north of SW 224th Street; or
 - (b) Minimum of 110 total units for proposed Developments located in all areas of Miami-Dade County south of SW 224th Street.
 - (2) Elderly Non-ALF Developments
 - (a) There is no total unit limitation for proposed Developments with the Development Category of Rehabilitation, with or without Acquisition, of an existing, occupied housing facility that is operating as housing for

older persons as set forth in the Federal Fair Housing Act as of the Application Deadline.

(b) Proposed Developments that do not meet the conditions in (a) above may consist of up to 200 total units.

(3) Elderly ALF Developments may not consist of more than 125 total units.

As outlined in d. below, for Family and Elderly Non-ALF Developments, if the Applicant commits to set aside less than 80 percent of the total units at or below an average of 60 percent AMI, the Development must have a minimum of **75 Set-Aside Units**.

Note: The total number of units stated in the Application may be increased, up to any applicable allowable limit, after the Applicant has been invited to enter into credit underwriting, subject to written request of an Applicant to Corporation staff and approval of the Corporation.

b. The Applicant must indicate whether the proposed Development consists of (1) 100 percent new construction units (2) 100 percent rehabilitation units or (3) a combination of new construction units and rehabilitation units and state the quantity of each type.

c. If there are existing occupied units and if the Development is funded, the Applicant will be required to provide to the Credit Underwriter a plan for relocation of existing tenants, as outlined in Exhibit D.

Note: The total number of units stated in the Application may be increased, up to any applicable allowable limit, after the Applicant has been invited to enter into credit underwriting, subject to written request of an Applicant to Corporation staff and approval of the Corporation.

d. Set-Aside Commitments

(1) Minimum Set-Aside Commitments per Section 42 of the IRC

Per Section 42 of the IRC, the Applicant must elect one of the following minimum set-aside commitments:

- 20% of the units at 50% or less of the Area Median Income (AMI)
- 40% of the units at 60% or less of the AMI
- Average Income Test

Note: Choosing the 20 percent at 50 percent AMI or less minimum set-aside will restrict ALL set-aside units at 50 percent or less of the AMI. Applicants may choose the 40 percent at 60 percent AMI or less minimum set-aside without committing to set aside any of the units at the 60 percent AMI level. For example, an Applicant may commit to set aside 40 percent at 50 percent AMI and this would also be considered 40 percent at 60 percent AMI or less.

The Average Income Test requires that (a) forty percent or more of the residential units in the Development be both rent-restricted and occupied by individuals whose income does not exceed the imputed income limitation designated by the Applicant with respect to the respective unit, subject to the special rules relating to income limitation which (b) require the Applicant to designate the imputed income limitation of each unit taken into account under (a) above, such that the average of the imputed income limitations of all units designated by the Applicant shall not exceed 60 percent of the area median income. The designated imputed income limitation of any such unit shall be in 10-percent increments as follows: 20 percent, 30 percent, 40 percent, 50 percent, 60 percent, 70 percent, or 80 percent of the area median income.

(2) Set-Aside Commitments per Corporation Requirements

The Corporation has additional set-aside requirements beyond those required by Section 42 of the IRC which must be reflected on the Total Set-Aside Breakdown Chart, as outlined below:

(a) Total Income Set-Aside Commitment

For Applications that do not qualify as Non-Profit Applications:

- (i) For proposed Developments with a Demographic Commitment of Family or Elderly Non-ALF, in addition to the set-aside requirements per Section 42 of the IRC, if the Applicant commits to set aside less than 80 percent of the total units at or below an average of 60 percent AMI, the proposed Development must have a minimum of 75 Set-Aside Units. If the Applicant commits to the Average Income Test, these required Set-Aside Units may be set aside at or below 80 percent AMI, but the average AMI of all of the Set-Aside Units cannot exceed 60 percent; or
- (ii) For proposed Developments with a Demographic Commitment of Elderly ALF, if the Applicant does not commit to the Average Income Test, the Applicant must set aside a total of at least 50 percent of the Development's total units at 60 percent AMI or less. If the Applicant commits to the Average Income Test, the Applicant must set aside at least 50 percent of the total units at 80 percent AMI or less, but the average AMI of all of the Set-Aside Units cannot exceed 60 percent.

For Applications that qualify as Non-Profit Applications:

- (iii) With the exception of Elderly-ALF Developments, if the Applicant does not commit to the Average Income Test, Qualifying Non-Profit Applicants must commit to set aside at least 80 percent of the total units at or below 60 percent AMI. If the Applicant commits to the Average Income Test, the Applicant must set aside at least 80 percent of the total units at

or below 80 percent AMI, but the average AMI of all of the Set-Aside Units cannot exceed 60 percent.

-(b) Extremely Low Income (ELI) Set-Aside Requirements

- (i) The proposed Development must set aside 10 percent of total units for ELI Households at 28 percent of the AMI. However, if the Applicant chooses the Average Income Test at d.(1) above, the proposed Development must set aside 15 percent of the total units for ELI Households at 30% of the AMI.

If the Set-Aside Breakdown Chart reflects more than the applicable required percentage of the total units at or below the applicable percent of the AMI, during the credit underwriting process the Credit Underwriter will determine whether the Applicant's ELI Set-Aside unit commitment will need to be reduced by increasing the set aside units at AMI level(s) above the applicable ELI level. Any such reduction in the ELI Set-Aside units would be no lower than the required ELI set-aside percentage (10 percent or 15 percent).

- (ii) All Applicants with the Demographic Commitment of Family and Elderly Non-ALF are required to commit a Portion of ELI Set-Aside Units as Link Units for Persons with Special Needs as follows:

With the exception of Developments financed with HUD Section 811, a United States Department of Agriculture RD program, and Applicants that select the Elderly ALF Demographic Commitment, all Developments must commit to set-aside 50 percent of the ELI Set-Aside units, rounded up, as Link Units for Persons with Special Needs.

For example, Application A consists of 107 total units. 11 units, (10 percent of the total units, rounded up), must be set-aside as ELI Set-Aside units. Six (6) of the ELI Set-Aside units (50 percent of the ELI Set-Aside units, rounded up), must be set-aside as Link Units for Persons with Special Needs.

In another example, an Applicant submits Application B, which consists of 106 total units, and commits to the Average Income Test. 16 units, (15 percent of the total units, rounded up), must be set-aside as ELI Set-Aside units. Eight of the ELI Set-Aside units (50 percent of the ELI Set-Aside units, rounded up), must be set-aside as Link Units for Persons with Special Needs.

At least one member of each Link unit's household shall be referred by a Special Needs Household Referral Agency (Referral

Agency) with which the owner executes a Link Memorandum of Understanding (MOU) approved by the Corporation. The current list of designated Special Needs Household Referral Agencies for each county is published on the Corporation's Website at <http://apps.floridahousing.org/StandAlone/SpecialNeeds/ContentPage.aspx?PAGE=Link> Initiative Page (also accessible by clicking [here](#)). The Applicant must execute a Link Memorandum of Understanding (MOU) with at least one of the Special Needs Household Referral Agencies serving the Development's county. The deadline for the Corporation's approval of the fully executed Link MOU will be stated in the invitation to enter credit underwriting.

Additional requirements for the Link Units for Persons with Special Needs are described in Exhibit E of the RFA.

(c) Tenant Selection Plan

With the exception of Developments financed with HUD Section 811 or United States Department of Agriculture RD program, and Applicants that selected the Elderly ALF Demographic Commitment, for Developments with a Housing Assistance Payment contract and/or an Annual Contributions Contract with HUD: The waiting list section of the Tenant Selection Plan shall establish selection preferences or a section for special admissions specifically for individuals or families who are referred by a designated Referral Agency. The Tenant Selection Plan shall be submitted by the owner to the Corporation for review and preliminary approval before sending to HUD. HUD approval may take several months. HUD approval shall be demonstrated to the Corporation prior to the completion of the final credit underwriting report.

(3) Total Set-Aside Breakdown Chart

The Applicant must complete the applicable Total Set-Aside Breakdown Chart provided in question 6.d.(2) of Exhibit A.

(a) Completing the Total Set-Aside Breakdown Chart if not committing to the Average Income Test

The Total Set-Aside Breakdown Chart must reflect all income set-aside commitments (required set-asides and additional set-asides, including all required ELI Set-Asides) and the required total set-aside percentage (as further outlined below).

The Applicant must indicate on the chart at 6.d.(2)(a) of Exhibit A the percentage of residential units, stated in whole numbers, to be set aside at each selected AMI level. If the Total Set-Aside Breakdown Chart

reflects that either the Total Set-Aside Percentage or the ELI commitment does not meet the Set-Aside requirements, the Application will not be eligible for funding. Where reasonably possible, Applicants will be required to keep the unit mix consistent across each committed AMI level.

Methodology Used by the Corporation to Convert the Percentage of Set-Aside Units and, if applicable, Market Rate Units

- (i) First, calculate of the number of set-aside units for the lowest AMI level commitment.

The percentage associated with the lowest AMI level that the Applicant commits to will be multiplied by the total units, rounded up to the next whole unit. The result will be the number of set-aside units at the lowest AMI level commitment.

- (ii) Then, calculate the number of set-aside units for the second lowest AMI level.

The number of units calculated in (i) above will be subtracted from the results of the following to calculate the number of set-aside units at the second lowest AMI level commitment:

The percentage associated with the second lowest AMI level that the Applicant commits to will be first added to the percentage associated with the lowest AMI level commitment. These percentages, added together, will be multiplied by the total units, rounded up to the next whole unit.

- (iii) Then, calculate the number of set-aside units for each remaining AMI level, if applicable.

Starting with the third lowest AMI level remaining, the number of set-aside units for each of the remaining AMI levels will be calculated using the same methodology described in (ii) above.

- (iv) Finally, calculate market-rate units, if applicable

To calculate the number of market-rate units, the total number of set-aside units will be subtracted from the total number of units.

- (b) Completing the Total Set-Aside Breakdown Chart if committing to the Average Income Test

If committing to the Average Income Test, Applicants must indicate on the chart at 6.d.(2)(b) of Exhibit A the number of Set-Aside Units, stated in whole numbers, to be set aside at each selected AMI level.

The Corporation will verify that the number of units set aside at the ELI level meets the ELI minimum requirements by dividing the number of units that are set-aside at 30 percent AMI or less, by the total number of units. The Corporation will also verify the overall Set-Aside Commitment by adding all Set-Aside Units and then dividing this sum by the total number of units. The Corporation will calculate the average AMI of all of the Set-Aside Units using the methodology below.

If the Total Set-Aside Breakdown Chart reflects that the Average AMI of all Set-Aside Units exceeds 60 percent, and/or if the number of Set-Aside Units set aside at 30 percent AMI or less is not equal to or greater than the required ELI commitment, and/or the overall required Set-Aside Commitment is not met, the Application will not be eligible for funding.

- (e) Calculation of the average AMI of all of the Set-Aside Units for the Average Income Test
- (i) First, state the number of Set-Aside Units at each AMI commitment .
 - (ii) Then, at each AMI commitment, multiply the number of Set-Aside Units by the AMI percentage (e.g., a commitment of 13 Set-Aside Units at 30 percent AMI would be calculated as follows: $13 \times 0.30 = 3.9$).
 - (iii) Repeat this calculations at each AMI level. Then add the results together.
 - (iv) Divide the number calculated in (iii) by the total number of Set-Aside Units stated in the Total Set-Aside Breakdown Chart in question 6.d.(2)(b) of Exhibit A.
 - (v) This number must be equal to or less than 60 percent to meet the eligibility requirement.

Note: The Development Cost Pro Forma includes an Average Income Test worksheet to assist Applicants in this calculation, which may display the percentage of total units with numbers represented with decimal places instead of whole numbers. This is acceptable for the Average Income Test. If the Average AMI of the Qualifying Housing Credit Units exceeds 60 percent, this Application will not be eligible for funding.

Where reasonably possible, Applicants will be required to keep the unit mix consistent across each committed AMI level.

The Applicant must take the above ELI and all other set-aside commitments into account during any pre-leasing and leasing activities.

- e. Unit Mix
- (1) Completing the Unit Mix Chart

The Applicant must complete the Unit Mix Chart listing the total number of bedrooms per unit, the total number of bathrooms per unit (including half-baths, if applicable), the total number of units per bedroom type, and the number of units that are ELI Set-Aside units. All units in the proposed Development must be listed, including all manager/employee units and all market rate units, if applicable.

If additional space is required, enter the information in the Addenda.

During credit underwriting, the credit underwriter will verify that the ELI Set-Aside units are distributed across the unit mix on a pro rata basis.

(2) Unit Mix requirements for Elderly Developments

(a) If the Elderly Non-ALF Demographic Commitment is selected and the Development Category of Rehabilitation, with or without Acquisition, is selected, at least 40 percent of the total units must be comprised of one bedroom or Zero Bedroom Units, and no more than 20 percent of the total units can be larger than two bedroom units.

If the Applicant intends to declare the proposed Development as the first phase of a multiphase Development, it must answer “Yes” to the question in Exhibit A. To declare this proposed Development as the first phase of a multiphase Development, at least one building must be located within the HUD-designated DDA or HUD-designated QCT stated in Exhibit A. Note: Developments located only in a Geographic Areas of Opportunity (outlined in (4)(d) below) do not qualify as a multiphase Development.

During the credit underwriting process the Applicant will be required to submit to the Corporation an opinion letter by a licensed attorney that the Development meets the definition of a “multiphase project” as defined in the Federal Register. The letter must also include: (a) the name of the declared first phase Development and the Corporation-assigned Application number, (b) the total number of phases and the projected Development name for each phase, (c) the total number of buildings in each phase, (d) the expected completion date for each phase, and (e) any other information as determined by the Corporation and stated in the invitation to enter credit underwriting.

To qualify for the basis boost, subsequent phases must meet the requirements in (4)(a) below.

(4) Basis Boost Qualifications

With regard to Housing Credits, HUD provides regulatory guidance on the effective date of Difficult Development Area (DDA) and Qualified Census Tract (QCT) lists for the purpose of determining whether a Development qualifies for an increase in eligible basis in accordance with Section 42 (d)(5)(B) of the IRC. HUD’s notice published in the October 22, 2018 edition of the Federal Register (https://www.huduser.gov/portal/Datasets/QCT/QCTDDA2019_Notice.pdf) governs the eligibility for a basis boost for the Development proposed in this RFA.

(a) Subsequent Phase of a Multiphase Development

For purposes of this RFA, a subsequent phase of a multiphase Development is one where the first phase was appropriately identified as such and received an award of Housing Credits (“initial award”) in one of the following: (i) the 2011 Universal Application Cycle, (ii) a Request for Proposal or Request for Application (“RFP” or “RFA”) issued in calendar year 2013, 2014, 2015, 2016, 2017, 2018, or 2019 or (iii) a Non-Competitive Housing Credit Application (awarded through a Corporation competitive RFA process or a Non-Corporation Bond issuer’s competitive application).

For the subsequent phase to be eligible for the basis boost, after the initial award, (A) the Applicant must have submitted an

Application for Housing Credits in immediately consecutive years, per the HUD requirements, (B) the 730-day period following the initial award must not end prior to the submission deadline for the Corporation's competitive RFA or a Non-Corporation Bond issuer's competitive application, per HUD's requirements, and (C) the subsequent phase must have at least one building located within the boundary of the declared HUD-designated DDA or HUD-designated QCT which applied to the Development declared as the first phase by the first phase Applicant. Note: Developments located only in a Geographic Areas of Opportunity (outlined in (4)(e) below) do not qualify as a multiphase Development.

If the proposed Development qualifies as a subsequent phase of a multiphase Development, the Applicant must indicate as such in Exhibit A and provide the Corporation-assigned Application number for the Development where the first phase was declared and awarded an allocation of Housing Credits.

The proposed Development's subsequent phase status will be confirmed during the credit underwriting process. If it is determined that the proposed Development does not meet the criteria to be designated a subsequent phase of a multiphase Development and the Housing Credit request was based on such contention, it will no longer be considered a subsequent phase of a multiphase Development and the Applicant's Competitive Housing Credit award may be rescinded.

(b) HUD-designated Small Area DDA (SADDA)

A proposed Development will be eligible for the basis boost if located within a HUD-designated Small Area DDA (SADDA), as defined in Section 42(d)(5)(B)(iii), IRC. The SADDA designation will only apply to the building(s) located within the applicable SADDA Zip Code Tabulation Area (ZCTA) and only those building(s) will be eligible for the basis boost.

HUD has assigned a ZCTA number to each SADDA, available at <https://www.huduser.gov/portal/Datasets/qct/DDA2019M.PDF>. The applicable HUD mapping software is available at https://www.huduser.gov/portal/sadda/sadda_qct.html.

To qualify, the Applicant must identify, in Exhibit A, the ZCTA number(s) for the proposed Development.

During credit underwriting and at the time of Final Cost Certification, if it is determined that there are buildings located outside of the applicable SADDA ZCTA, the Corporation reserves the right to reduce the Housing Credit Allocation if the eligible

basis for the building(s) located in the applicable SADDA ZCTA is not sufficient to support the request amount.

(c) HUD-designated QCT

The proposed Development will be eligible for the basis boost if the entire Development is located, as of Application Deadline, within a HUD-designated QCT, as defined in Section 42(d)(5)(B)(ii), IRC, as amended and based on the current census, as determined by HUD.

The HUD-designated QCTs are available here:
<https://www.huduser.gov/portal/Datasets/qct/QCT2019M.PDF>.

To qualify, the Applicant must indicate the HUD designated QCT census tract number.

(d) Geographic Areas of Opportunity

A proposed Development will be eligible for the basis boost for any buildings located within a Geographic Areas of Opportunity.

The Applicant must identify the Geographic Areas of Opportunity census tracts in Exhibit A.

The FHFC-assigned Geographic Areas of Opportunity census tracts are available on the Corporation Website at <https://www.floridahousing.org/programs/developers-multifamily-programs/competitive/areas-of-opportunity/2019> (also available by clicking [here](#)).

The Geographic Areas of Opportunity census tract(s) will only apply to the building(s) located within the applicable census tract(s) and only those building(s) will be eligible for the basis boost. During credit underwriting and at the time of Final Cost Certification, if it is determined that there are buildings located outside of the applicable census tract(s), the Corporation reserves the right to reduce the Housing Credit Allocation if the eligible basis for the building(s) located in the applicable census tract(s) is not sufficient to support the request amount.

(5) Housing Credit Equity Proposal

A HC equity proposal must be provided as **Attachment 14**. For purposes of this RFA, to be counted as a source, an equity proposal, regardless of whether the documentation is in the form of a commitment, proposal, term sheet or letter of intent, must meet the requirements outlined below:

- (i) If the Eligible HC Request Amount is less than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing and, for scoring purposes, the maximum amount of HC equity to be permitted in the Development Cost Pro Forma will be adjusted downward from the amount stated in the equity proposal. This adjusted maximum HC equity will be calculated by taking the total amount of equity to be provided to the proposed Development as stated in the equity proposal letter, dividing it by the credit allocation stated in the equity proposal and multiplying that quotient by the Applicant's Eligible HC Request Amount. If the Eligible HC Request Amount is greater than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing and the maximum amount of HC equity to be permitted for scoring in the Development Cost Pro Forma will be the amount stated in the equity proposal.
- (ii) If syndicating/selling the Housing Credits
- (A) The Housing Credit equity proposal must also meet the following criteria:
- Be executed by the equity provider;
 - Include specific reference to the Applicant as the beneficiary of the equity proceeds;
 - State the proposed amount of equity to be paid prior to construction completion;
 - State the anticipated Eligible Housing Credit Request Amount;
 - State the anticipated dollar amount of Housing Credit allocation to be purchased; and
 - State the anticipated total amount of equity to be provided.
- (B) If the limited partnership agreement or limited liability company operating agreement has closed, the closed agreement must be provided. To be counted as a source of financing, the partnership agreement or operating agreement must meet the requirements of (A) above or the Applicant must submit separate documentation, signed by the equity provider, expressly stating any required criteria not provided in the agreement.
- (iii) If not syndicating/selling the Housing Credits, the owner's commitment to provide equity must be provided as Attachment 14.
- (A) The commitment must include the following:

- The proposed amount of equity to be paid prior to construction completion;
- The anticipated Eligible Housing Credit Request Amount;
- The anticipated dollar amount of Housing Credit allocation to be purchased; and
- The anticipated total amount of equity to be provided.

(B) Evidence of ability to fund must be provided with Attachment 14 to the Application.

Note: Exhibit D to the RFA requires documentation during credit underwriting that the equity amount to be paid prior to or simultaneous with the closing of construction financing is at least 15 percent of the total proposed equity to be provided (the 15 percent criteria).

b. Other Corporation Funding

- (1) If the Development has received funding from the Predevelopment Loan Program (PLP), the Corporation file number and amount of funding must be listed. Note: PLP funding cannot be used as a source of financing on the Construction/Rehab Analysis or the Permanent Analysis.
- (2) The Applicant must list any other Corporation funding that is intended to be utilized as a source of financing for the proposed Development.

c. Non-Corporation Funding

- (1) If the proposed Development will be assisted with funding under the United States Department of Agriculture RD 515 Program and/or RD 538 Program, the following information must be provided:
 - (a) Indicate the applicable RD Program(s) in Exhibit A.
 - (b) For a proposed Development that is assisted with funding from RD 515, the Applicant must:
 - (i) Include the funding amount at the USDA RD 515 Financing line item on the Development Cost Pro Forma (Construction/Rehab Analysis and/or Permanent Analysis), and
 - (ii) Provide a letter from RD, dated within six months of the Application Deadline, as **Attachment 15** to Exhibit A, confirming the funding source as outlined below:
 - (A) For proposed Developments with the Development Category of Rehabilitation or Redevelopment (either

one with or without Acquisition), the RD letter must include the following information:

- Name of existing development;
- Name of proposed Development;
- Current RD Loan balance;
- Acknowledgment that property is applying for Housing Credits; and
- Acknowledgment that property will remain in the USDA/RD 515 loan portfolio.

or

(B) For proposed Developments with the Development Category of New Construction, the RD letter must include the following information:

- Name of Proposed Development;
- Name of Applicant as borrower or direct recipient;
- RD Loan amount; and
- Acknowledgment that property is applying for Housing Credits.

(c) If the proposed Development will be assisted with funding under the RD 538 Program, the Applicant must:

- (i) Include the funding amount at the USDA RD 538 Financing line item on the Development Cost Pro Forma (Construction/Rehab Analysis and/or Permanent Analysis); and
- (ii) Provide the letter sent to the Applicant by an RD 538 approved lender certifying that the lender is prepared to make a loan consistent with the program requirements through the Section 538 Guaranteed Rural Rental Housing (“538”) Loan Program as **Attachment 15** to Exhibit A. The U.S. Department of Agriculture, Rural Development (RD), list of Section 538 Guaranteed Rural Rental Housing approved lenders is available on the RFA Website.

As outlined in Exhibit D, the Section 538 Selection letter from RD must be provided during credit underwriting.

(2) Non-Corporation Funding Proposals

Unless stated otherwise within this RFA, for funding, other than deferred Developer fee, to be counted as a source on the Development Cost Pro Forma, the Applicant must provide documentation of all financing proposals from both the construction and the permanent lender(s), equity

proposals from the syndicator, and other sources of funding. The financing proposals must state whether they are for construction financing, permanent financing, or both, and all attachments and/or exhibits referenced in the proposal must be included. Insert documentation for each source as **Attachment 16** to Exhibit A.

For purposes of the Application, the following will not be considered a source of financing: net operating income, capital contributions not documented in accordance with financing proposals that are not from a Regulated Mortgage Lender, fee waivers or any portion of any fees that are reimbursed by the local government. Additionally, fee waivers or any portion of any fees that are reimbursed by the local government cannot be considered as Development costs

(a) Financing Proposal

Financing proposal documentation, regardless of whether the documentation is in the form of a commitment, proposal, term sheet, or letter of intent, must meet the following criteria. Evidence for each funding source must be behind its own numbered attachment.

Each financing proposal shall contain:

- (i) Amount of the construction loan, if applicable;
- (ii) Amount of the permanent loan, if applicable;
- (iii) Specific reference to the Applicant as the borrower or direct recipient; and
- (iv) Signature of lender.

Note: Eligible Local Government financial commitments (i.e., grants and loans) can be considered a source of financing without meeting the requirements of (i) through (iv) above if the Applicant provides the properly completed and executed Local Government Verification of Contribution – Grant Form (Form 07-2019) and/or the Local Government Verification of Contribution – Loan Form (Form 07-2019) and such grant and/or loan is effective at least through June 30, 2020. A loan with a forgiveness provision (and no accrued interest charges) requiring approval of the Local Government can be treated as a loan or a grant, for scoring purposes. Either the "Loan" or the "Grant" verification forms can be used. The grant and loan forms (Form 07-2019) are available on the RFA Website. If the loan form is used for a loan with forgiveness provision (and no accrued interest charges), the space for entering the net present value of the loan is not applicable to this RFA and will not be considered.

(b) Financing that has closed:

- (i) If the financing has closed in the Applicant's name, provide a letter from the lender acknowledging that the loan has closed. The letter must also include the following information:
- Amount of the construction loan, if applicable;
 - Amount of the permanent loan, if applicable; and
 - Specific reference to the Applicant as the borrower/direct recipient/mortgagee.
- (ii) Except for HUD and RD funding, if the financing involves an assumption of debt not currently in the Applicant's name, as evidence that the lender approves of the proposal of assumption, the Applicant must provide a letter from the lender, dated within six months of the Application Deadline, that includes the following information:
- ◆ Specifically references the Applicant as the assuming party;
 - ◆ If a permanent loan, states the amount to be assumed; and
 - ◆ If a construction loan, states the maximum amount of funding capacity.
- (iii) If the debt being assumed is provided by HUD, the Applicant must provide a letter from HUD, dated within six months of the Application Deadline, confirming the funding source. The letter must include the following information:
- Name of existing development;
 - Name of proposed Development;
 - Loan balance;
 - Acknowledgment that property is applying for Housing Credits; and
 - Applicable HUD program.
- (iv) If the debt being assumed is provided by RD, the Applicant is only required to provide the information described in Item 10.c.(1) above.
- (c) If the financing proposal is not from a Regulated Mortgage Lender in the business of making loans or a governmental entity, evidence of ability to fund must be provided. Evidence of ability to fund includes: (i) a copy of the lender's most current audited financial statements no more than 17 months old; or (ii) if the loan has already been funded, a copy of the note and recorded mortgage. The age of all financial statements is as of the Application Deadline. In evaluating ability to fund, the Corporation will consider the entity's unrestricted current assets typically used in the normal course of business. Assets considered restricted include, but are not limited to, pension funds, rental security deposits, and sinking funds.

Financing proposals from lenders who cannot demonstrate ability to fund will not count as a source of financing. Financial statements must be included in the Application. Note: This provision does not apply to deferred Developer fee.

In the case where the seller of the Development's property is providing a seller's note (purchase money mortgage) to help finance the Applicant's acquisition of the property, evidence of its ability to fund the amount of the seller's note is not needed so long as the Application includes a letter from the seller that meets the financing proposal criteria outlined in (2)(a) above and the amount of the seller's note is equal to or less than the purchase price of the property.

- (d) If a financing proposal shows an amount less than the corresponding line item on the Development Cost Pro Forma, only the financing proposal amount will be considered as a funding source. However, if a financing proposal shows an amount greater than the corresponding line item on the Development Cost Pro Forma, up to the total amount of the financing proposal amount may be utilized as a funding source, if needed.
- (e) The loan amount may be conditioned upon an appraisal or debt service coverage ratio or any other typical due diligence required during credit underwriting.
- (f) Financing proposals may be conditioned upon the Applicant receiving the funding from the Corporation for which it is applying.
- (g) If a financing proposal has a provision for holding back funds until certain conditions are met, the amount of the hold-back will not be counted as a source of construction financing unless it can be determined that the conditions for the release of the hold-back can be met prior to or simultaneous with the closing of the Development's permanent financing.
- (h) Grant funds are contributions to the Development, other than equity, which carry no repayment provision or interest rate. A commitment for grant funds will be considered a commitment for scoring purposes if the commitment is properly executed and, if applicable, evidence of ability to fund is provided.

(3) Local Government Contributions (5 points)

a. Applicants Eligible for Automatic Points

Applicants that selected and qualified for the Development Category of Rehabilitation, with or without Acquisition, will automatically receive the maximum of five (5) points without any requirement to demonstrate a Local Government contribution.

b. Applicants Not Eligible for Automatic Points

In order for Applicants that selected the Development Category of New Construction or Redevelopment, with or without Acquisition, to receive the maximum of five (5) points, the Applicant must provide evidence of a Local Government grant, loan, fee waiver and/or fee deferral that is effective as of the Application Deadline, is in effect at least through June 30, 2020, and has a value whose dollar amount is equal to or greater than \$100,000. Those Applications that do not have the necessary contribution values to achieve maximum points will be scored on a pro-rata basis.

The only Local Government contributions that will be considered for the purpose of scoring are:

- Monetary grants
- Loans with the exception of USDA RD funds
- A one-year or more deferral of a fee beyond the date that it is routinely due
- Waiver of fees

c. Evidence of the Local Government Contribution for the RFA

As evidence of the Local Government contribution, the Applicant must provide the properly completed and executed Local Government Verification of Contribution Form(s) (Form Rev. 07-2019) as **Attachment 17** to Exhibit A. The Local Government Contribution forms (Form Rev. 07-2019) are available at the RFA Website. Note: If the Applicant provides any other version of a Florida Housing Local Government Verification of Contribution form(s), the form(s) will not be considered.

To qualify for points, the face amount and/or the contribution value of amount of the Local Government contribution stated on the applicable form(s) must be a precise dollar amount and cannot include words such as estimated, up to, maximum of, not to exceed, etc.

A loan with a forgiveness provision (and no accrued interest charges) requiring approval of the Local Government can be treated as a loan or a grant, for scoring purposes. Either the "Loan" or the "Grant" verification forms can be used. If the loan form is used for a loan with forgiveness provision (and no accrued interest charges), the space for entering the net present value of the loan is not applicable to this RFA and will not be considered.

Funds administered by the Local Government, including federal funds and SHIP funds, may be included in the contribution as long as the appropriate verification form is provided. For purposes of this RFA, USDA-RD funds will NOT count as a Local Government contribution.

The contribution may not be included as an expense on the Development Cost Pro Forma nor may it be considered part of Development Cost for purposes of calculating HC basis or Developer's fee. The exception to the previous sentence is deferred Local Government fees, which may be shown on the Development Cost Pro Forma.

For a contribution consisting of a loan or deferred fee to be considered complete and eligible for points, the Local Government Verification form must reflect both the total amount of the loan or deferred fee and the value (difference between the face amount and the net present value of the payment streams) of the loan or deferred fee. Calculate the net present value of the payments using the discount rate of 5.50 percent.

NOTE: Neither the payment stream for the present value calculations (if contribution consists of a loan or deferred fee) nor the calculations by which the total amount of each waiver is determined (if contribution consists of a fee waiver) are required to be attached to the certification form or otherwise included in the Application in order for the certification form to be considered for points.

In order to be eligible to be considered for points as a Local Government contribution, the contribution must:

- Be in effect as of Application Deadline;
- Be effective at least through June 30, 2020;
- Be dedicated solely for the proposed Development;
- Provide a tangible economic benefit that results in a quantifiable cost reduction and must be given specifically to the proposed Development because the Development will provide affordable housing; and
- State, federal, or Local Government funds initially obtained by or derived from a Local Government qualify as a Local Governmental contribution even though the funds are directly administered by an intermediary such as a housing finance authority, a community reinvestment corporation, or a state-certified Community Housing Development Organization, provided that they otherwise meet the requirements set forth in this RFA, including those relating to the executed verification form.

Local Government contributions that are ineligible to be considered for points include:

- Contributions that are not specifically made for the benefit of affordable housing but are instead of general benefit to the area in which the Development is located;

- The fact that no impact fees or other such fees are levied by a local jurisdiction for ANY type of development does not constitute a Local Government contribution. If such fees are levied by the local jurisdiction but the nature of the proposed Development exempts it (e.g., typically, a Rehabilitation Development is not subject to impact fees), for purposes of this RFA, no Local Government contribution exists and no points will be awarded;
- The absence of interest on a loan or the absence of interest payments until a specific date does not constitute a deferral or waiver of fees;
- Local Government contributions that have not received final approval;
- A contribution from an Applicant or Developer or Principal, Affiliate or Financial Beneficiary of an Applicant or a Developer;
- A contribution from a PHA;
- HOPE VI funds; and
- A contribution of any portion of the Applicant's site below market value.

To calculate the value of a Local Government contribution below market interest rate loan or fee deferral:

- Calculate the net present value of the payments due to the Local Government. For a loan, this includes any balloon payment of principal due on a non-amortizing or non-fully amortizing loan. For a fee deferral, this includes the amount of the fee due at the end of the deferral period.
- Calculate the net present value of the loan payments using the discount rate.
- Subtract the net present value of the loan payments from the original loan principal amount. The remaining amount is the value of the Local Government contribution.

Example: If the discount rate is assumed to be 5.50 percent and the Local Government will provide a fully-amortizing \$50,000 loan with payments due monthly based on a 1.0 percent interest rate for the entire 15-year term, the contribution is calculated as follows:

- Calculate the monthly principal and interest payments of the \$50,000 loan at 1.0 percent (\$299.25).
- Calculate the net present value of the stream of the monthly payments over 15 years (180 months) using a 5.50 percent discount rate (\$36,623.93).

- Subtract the net present value amount from the original principal loan amount to arrive at the value of the contribution ($\$50,000 - \$36,623.93 = \$13,376.07$ value).

Example: If the discount rate is assumed to be 5.50 percent and the Local Government will provide a \$50,000 loan with interest-only payments due monthly based on a 1.0 percent interest rate for entire 15-year term and principal due at maturity, the contribution is calculated as follows:

- Calculate the monthly interest-only payment of the \$50,000 loan at 1.0 percent (\$41.67).
- Calculate the net present value of the stream of the monthly payments over 15 years (180 months) and principal due at maturity, using a 5.50 percent discount rate (\$27,052.53).
- Subtract the net present value amount from the original principal loan amount to arrive at the value of the contribution ($\$50,000.00 - \$27,052.53 = \$22,947.47$ value).

NOTE: Points will be rounded to two decimal places (3.345 rounded up to 3.35 and 3.3449 rounded down to 3.34).

d. Development Cost Pro Forma

All Applicants must complete the Development Cost Pro Forma listing the anticipated expenses or uses, the Detail/Explanation Sheet, if applicable, and the Construction or Rehab Analysis and Permanent Analysis listing the anticipated sources (both Corporation and non-Corporation funding). The sources must equal or exceed the uses. During the scoring process, if a funding source is not considered and/or if the Applicant's funding Request Amount is adjusted downward, this may result in a funding shortfall. If the Applicant has a funding shortfall, it will be ineligible for funding.

The Development Cost Pro Forma must include all anticipated costs of the Development construction, rehabilitation and, if applicable, acquisition, including the Developer fee and General Contractor fee, as outlined below. Waived or reimbursed fees or charges are not considered costs to the Development and therefore, should not be included on the Development Cost Pro Forma. Note: deferred Developer fees are not considered "waived fees."

Developer fee and General Contractor fee must be disclosed. In the event the Developer fee and/or General Contractor fee are/is not disclosed on the Development Cost Pro Forma, the Corporation will assume that these fees will be the maximum allowable and will add the maximum amount(s) to Total Development Cost. If an Applicant lists a Developer fee, General Contractor fee, or contingency reserve that exceeds the stated Application limits, the Corporation will

adjust the fee to the maximum allowable. As stated below, Applicants may not enter any amounts pertaining to operating deficit reserves. The Corporation will not consider any operating deficit reserves listed on the Development Cost Pro Forma.

Unless stated otherwise in this RFA, except for deferred Developer fee, the Application requires complete information on all sources of Development funding and the proposed uses of those funds. All loans, grants, donations, syndication proceeds, etc., should be detailed in the Application as outlined above. The total of monetary funds determined to be in funding proposals must equal or exceed uses.

(1) Developer Fee

Each Developer fee component listed in (i) and (ii) below shall not exceed the respective amounts described below:

(i) Developer Fee on Acquisition Costs, is limited to 16 percent of the Total Acquisition Cost of Existing Development (excluding land) stated on the Development Cost Pro Forma in Column 3 of Item B, rounded down to the nearest dollar; and

(ii) Developer Fee on Non-Acquisition Costs, is limited to 16 percent of the net amount after deducting Total Acquisition Cost of Existing Development (excluding land) (Column 3 of Item B) from the Development Cost stated on the Development Cost Pro Forma in Column 3 of Item C, rounded down to the nearest dollar.

If the maximums stated in (i) or (ii) are exceeded, the Corporation will adjust the amount down to the maximum allowed. Additionally, the Corporation may further adjust the Developer Fee on Acquisition Costs, and/or Developer Fee on Non-Acquisition Costs stated on the Development Cost Pro Forma and used to calculate the Developer Fee in Item D of the Development Cost Pro Forma. The conditions for such adjustments are stated below:

- If the amount of Developer fee on Acquisition Costs is more than the amount allowed in (i) above, AND if the amount of Developer fee on Non-Acquisition Costs is less than the amount allowed in (ii) above, the Corporation will reduce the amount of Developer fee on Acquisition Costs to the maximum allowed amount, and increase the amount of Developer fee on Non-Acquisition Costs by the amount reduced in the Developer fee on Acquisition Costs, up to the maximum allowed amount.
- If the amount of Developer fee on Non-Acquisition Costs is more than the amount allowed in (ii) above, AND if the amount of Developer fee on Acquisition Costs is less than the amount allowed in (i) above, the Corporation will reduce the amount of Developer

fee on Non-Acquisition Costs to the maximum allowed amount, and increase the amount of Developer fee on Acquisition Costs by the amount reduced in the Developer fee on Non-Acquisition Costs, up to the maximum allowed amount.

The Corporation will allow up to 100 percent of the eligible Developer fee to be deferred and used as a source on the Development Cost Pro Forma without the requirement to show evidence of ability to fund.

Consulting fees, if any, and any financial or other guarantees required for the financing must be paid out of the Developer fee. Consulting fees include, but are not limited to, payments for Application consultants, construction management or supervision consultants, or local government consultants.

(2) General Contractor Fee

General Contractor fee shall be limited to 14 percent of actual construction cost. The maximum allowable General Contractor fee will be tested during the scoring of the Application by multiplying the actual construction cost by 14 percent, rounded down to the nearest dollar.

(3) Contingency Reserves

For Application purposes, the maximum hard and soft cost contingencies allowed cannot exceed (a) 5 percent of hard and soft costs for Development Categories of New Construction or Redevelopment, with or without Acquisition; or (b) 15 percent of hard costs and 5 percent of soft costs for Development Categories of Rehabilitation, with or without Acquisition, as further described in Rule Chapter 67-48, F.A.C. The determination of the contingency reserve is limited to the maximum stated percentage of total actual construction costs (hard costs) and general development costs (soft costs), as applicable.

(4) Operating Deficit Reserves

An operating deficit reserve is not to be included as part of Development Costs and cannot be used in determining the maximum Developer fee. Applicants may not enter any amounts pertaining to any type of reserve other than the contingency reserve mentioned above on the Development Cost Pro Forma as part of the Application process. A reserve, including an operating deficit reserve, if necessary as determined by an equity provider, first mortgage lender, and/or the Credit Underwriter engaged by the Corporation in its reasonable discretion, will be required and sized in credit underwriting. The inclusion of any reserve is not permitted in the Application (other than the permitted contingency reserve) which may include, but is not limited to, operating deficit reserve, debt service shortfalls, lease-up, rent-re-stabilization, working capital, lender or syndicator required reserve(s), and any pre-funded capital (replacement)

reserves. If any reserve other than the permitted contingency reserve can be identified and is included in the Development Cost Pro Forma, the Corporation will remove it during Application scoring.

In exchange for receiving funding from the Corporation, the Corporation reserves the authority to restrict the disposition of any funds remaining in any operating deficit reserve(s) after the term of the reserve's original purpose has terminated or is near termination. Authorized disposition uses are limited to payments towards any outstanding loan balances of the Development funded from the Corporation, any outstanding Corporation fees, any unpaid costs incurred in the completion of the Development (i.e., deferred Developer fee), the Development's capital replacement reserve account (provided, however, that any operating deficit reserve funds deposited to the replacement reserve account will not replace, negate, or otherwise be considered an advance payment or pre-funding of the Applicant's obligation to periodically fund the replacement reserve account), the reimbursement of any loan(s) provided by a partner, member or guarantor as set forth in the Applicant's organizational agreement (i.e., operating or limited partnership agreement) and, in the case of a Development with a Homeless or Persons with Special Needs Demographic Commitment, another operating deficit reserve whereby its final disposition remains under this same restriction. The actual direction of the disposition is at the Applicant's discretion so long as it is an option permitted by the Corporation. In no event, shall the payment of amounts to the Applicant or the Developer from any operating deficit reserve established for the Development cause the Developer fee or General Contractor fee to exceed the applicable percentage limitations provided for in this RFA.

e. Per Unit Construction Funding Preference

- (1) The following Applications will qualify for this funding preference, as outlined in Section Five of the RFA:
 - (a) Applications with a Development Category of New Construction or Redevelopment, with or without Acquisition, and
 - (b) Applications with a Development Category of Rehabilitation, with or without Acquisition, that reflect an amount of at least \$32,500 per unit when the amount listed in the Total column of the Development Cost Pro Forma for the Development Cost line item A1.1 (Actual Construction Cost) is divided by the number of total units in the Development.
- (2) The following Applications will not qualify for this funding preference:

Applications with a Development Category of Rehabilitation, with or without Acquisition, that reflect an amount less than \$32,500 per unit, when the amount listed in the Total column of the Development Cost Pro

Forma for the Development Cost line item A1.1 (Actual Construction Cost) is divided by the number of total units in the Development.

Indicate whether the proposed development qualifies for this funding preference in Exhibit A.

- f. Principal of the Applicant is a Public Housing Authority/instrumentality of a Public Housing Authority

The Applicant should state whether any Principals of the Applicant entity are a Public Housing Authority and/or an instrumentality of a Public Housing Authority. To qualify for the "Add On Bonus" described in Section Five, A.1. of the RFA and Item 1 of Exhibit C, the Public Housing Authority and/or an instrumentality of a Public Housing Authority must be reflected on the Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019). For purposes of the "Add On Bonus", the Public Housing Authority and/or an instrumentality of a Public Housing authority must not be disclosed as only the Investor Limited Partner of the Applicant or Investor Member of the Applicant.

11. Funding Goals

- a. Geographic Areas of Opportunity / SADDA Funding Goal

Applicants located in a Geographic Areas of Opportunity as outlined in Section Four A.10.a.(4)(d) of the RFA, and/or in a Small Area Difficult Development Area (SADDA) outlined in Section Four A.10.a.(4)(b) of the RFA, are eligible to be considered for the Geographic Areas of Opportunity / SADDA Funding Goal.

To be considered for the goal, indicate whether the proposed Development is (i) located entirely (including all Scattered Sites, if applicable) within a Geographic Areas of Opportunity; (ii) is located entirely (included all Scattered Sites, if applicable) within a HUD-designated SADDA; or (iii) is located entirely (including all Scattered Sites, if applicable) in a combination of (i) and (ii). For a Development that qualifies and is selected for the Goal, the Applicant's answers in Exhibit A will be confirmed during credit underwriting. If it is determined that the entire proposed Development site is not located in a SADDA ZCTA and/or a Geographic Areas of Opportunity, the Housing Credit award may be rescinded.

Proposed Developments that elect to compete for this goal that are located entirely in a HUD-designated SADDA will automatically qualify for the Proximity, Mandatory Distance, and RECAP requirements outlined in the RFA. If any part of the Proposed Development is located in a Geographic Areas of Opportunity, the proposed Development must meet all Proximity, Mandatory Distance, and RECAP requirements, regardless of whether the proposed Development also qualifies as a Local Government Areas of Opportunity outlined in Section Four A.10.c.(3)(b) of the RFA.

b. Elderly (Non-ALF) Funding Goal

Applicants that select and qualify for the Demographic commitment of Elderly (Non-ALF), as selected at question 2.a. of Exhibit A, are eligible to be considered for the Elderly (Non-ALF) Goal.

B. Addenda

The Applicant may use the Addenda section of Exhibit A to provide any additional information or explanatory addendum for items in the Application. Please specify the particular item to which the additional information or explanatory addendum applies.

**** Total Development Cost Per Unit Limitation

By submitting its Application, the Applicant agrees and acknowledges that the Application will be subject to the Total Development Cost Per Unit Limitation during the scoring, credit underwriting, and final Housing Credit allocation process.

The Corporation shall limit the Total Development Cost (TDC) per unit for all Developments categorized by the construction type of the units as indicated below and this limit is referred to as the TDC Per Unit Limitation. It is a limit based on TDC, but exclusive of land costs and exclusive of any operating deficit reserves that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee, applying any applicable TDC multiplier and/or TDC add-on. The proposed Development's TDC will be tested against the TDC Per Unit Limitation during the scoring of the RFA, utilizing the Development Type, Development Category and ESS Construction determination made by the Applicant in the RFA and it will apply to all units in the proposed Development. During the credit underwriting process, and during the final allocation process, the maximum TDC per unit will be recalculated for each unit type as described in Item 1 of Exhibit C, with consideration given to whether the Development consists one or more Development Types, a mix of both new construction and rehabilitation units, or a mix of wood and ESS Construction units.

Any Application that has an amount that exceeds these limitations during scoring will not be eligible for funding. These TDC Per Unit Base Limitation amounts, inclusive of any applicable TDC multiplier and/or TDC add-on, are effective during the scoring process. Item 1 of Exhibit C provides the TDC Per Unit Base Limitation amounts that account for an escalation factor to be incorporated for the credit underwriting process and final allocation process, as explained in the exhibit.

Total Development Cost Per Unit Base Limitations to be used during the scoring process

Measure	New Construction Units					Rehabilitation Units	
	Garden Wood*	Garden ESS*	Mid-Rise-Wood*	Mid-Rise-ESS*	High-Rise*	Garden*	Non-Garden*
Maximum TDC Per Unit Limitation	\$223,500	\$267,800	\$267,800	\$295,600	\$337,000	\$186,400	\$262,700
Applicable TDC Multipliers (to be applied against the Development’s TDC) and TDC Add-Ons (to be added to the Maximum TDC Per Unit Limitation)							
TDC Multiplier for Elderly-ALF Developments					95%		
TDC Add-On for Applicants that have a PHA/ <u>instrumentality of a PHA</u> as a Principal					\$5,000 of additional per unit costs will be added to the above Maximum TDC Per Unit Limitation		

* Garden includes all Development Types other than Mid-Rise and High-Rise; Non-Garden includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories) and High-Rise (7 or more stories); Mid-Rise includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories); and High-Rise includes Development Type of High Rise (7 or more stories). ESS means Enhanced Structural Systems Construction.

** Exclusive of land costs and exclusive of any approved operating deficit reserves that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee. When the term of operating deficit reserves (ODR) is mentioned in this TDC Per Unit Limitation section, the term shall refer to these particular operating deficit reserves. Examples of reserves which can be considered part of the operating deficit reserve for this calculation are provided in the Operating Deficit Reserve portion of the Funding section in the RFA. For purposes of land valuation, the Corporation uses the lesser of the appraised value, or the actual land cost. When land costs are referenced in this TDC Per Unit Limitation section, the reference shall be limited to the amount of the land cost approved by the Corporation to be provided in the final cost certification under the land owned cost line item. For Applicants that have a public housing authority/instrumentality of a PHA listed as a Principal on the Applicant’s Principal Disclosure Form may also exclude demolition costs and tenant relocation costs from TDC PU Limitation calculations. The total amount of costs that are to be excluded from the TDC Per Unit Limitation process are the applicable land costs, operating deficit reserves and certain PHA costs described herein are referred to in Exhibit C in the congregate as applicable qualifying costs.

2. Awarding Points

Point Items	Maximum Points
Submission of Principal Disclosure Form stamped by Corporation as “Pre-Approved”	5
Development Experience Withdrawal Disincentive	5
Local Government Contribution Points	5
Total Possible Points	15

B. Selection Process

1. Goals

- a. The Corporation has a goal to fund one (1) proposed Development that (a) selected the Demographic Commitment of Family at question 2.a. of Exhibit A and (b) qualifies for the Geographic Areas of Opportunity/SADDA Goal as outlined in Section Four A.10.
- b. The Corporation has a goal to fund one (1) proposed Development that selected the Demographic Commitment of Elderly (Non-ALF) at question 2.a. of Exhibit A.

*Note: During the Funding Selection Process outlined below, Developments selected for these goals will only count toward one goal.

2. Application Sorting Order

The highest scoring Applications will be determined by first sorting together all eligible Applications from highest score to lowest score, with any scores that are tied separated as follows:

- a. First, by the Application's eligibility for the Proximity Funding Preference (which is outlined in Section Four A.5.e. of the RFA) with Applications that qualify for the preference listed above Applications that do not qualify for the preference;
- b. Next, by the Application's eligibility for the Per Unit Construction Funding Preference which is outlined in Section Four A.11.e. of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- c. Next, by the Application's eligibility for the Development Category Funding Preference which is outlined in Section Four A.4.(b)(4) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- d. Next, by the Application's Leveraging Classification, applying the multipliers outlined in Item 3 of Exhibit C of the RFA (with Applications having the Classification of A listed above Applications having the Classification of B);
- e. Next, by the Application's eligibility for the Florida Job Creation Funding Preference which is outlined in Item 4 of Exhibit C of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference); and
- f. And finally, by lottery number, resulting in the lowest lottery number receiving preference.

2. The Funding Selection Process

- a. The first Application selected for funding will be the highest ranking eligible Family Application that qualifies for the Geographic Areas of Opportunity / SADDA Goal.
- b. The next Application selected for funding will be the highest ranking eligible Application that qualifies as an Elderly (Non-ALF) Development.

- c. The next Application(s) selected for funding will be the highest ranking unfunded Application(s), regardless of Demographic Category until no more than three (3) total Applications are selected for funding. If the third Application cannot be fully funded, it will be entitled to receive a Binding Commitment for the unfunded balance.
- d. If funding remains after selecting the three (3) highest ranking eligible unfunded Applications as outlined above, or if funding remains because there are not three (3) eligible Applications that can be funded as outlined above, then no further Applications will be considered for funding and any remaining funding will be distributed as approved by the Board.

3. Returned Funding:

Funding that becomes available after the Board takes action on the Committee's recommendation(s), due to an Applicant withdrawing its Application, an Applicant declining its invitation to enter credit underwriting or the Applicant's inability to satisfy a requirement outlined in this RFA, and/or Rule Chapter 67-48, F.A.C., will be distributed as approved by the Board.

SECTION SIX AWARD PROCESS

Committee members shall independently evaluate and score their assigned portions of the submitted Applications, consulting with non-committee Corporation staff and legal counsel as necessary and appropriate.

The Committee shall conduct at least one public meeting during which the Committee members may discuss their evaluations, select Applicants to be considered for award, and make any adjustments deemed necessary to best serve the interests of the Corporation's mission. The Committee will list the Applications deemed eligible for funding in order applying the funding selection criteria outlined in Section Five above, and develop a recommendation or series of recommendations to the Board.

The Board may use the Applications, the Committee's scoring, any other information or recommendation provided by the Committee or staff, and any other information the Board deems relevant in its selection of Applicants to whom to award funding. Notwithstanding an award by the Board pursuant to this RFA, funding will be subject to a positive recommendation from the Credit Underwriter based on criteria outlined in the credit underwriting provisions in Rule Chapter 67-48, F.A.C.

The Corporation shall provide notice of its decision, or intended decision, for this RFA on the Corporation's Website the day of the applicable Board vote. Failure to file a protest within the time prescribed in Section 120.57(3), Fla. Stat., et. al. shall constitute a waiver of proceedings under Chapter 120, Fla. Stat.

After the Board's decision to select Applicants for funding in this RFA has become final action, the Corporation shall offer all Applicants within the funding range an invitation to enter credit underwriting. The Corporation shall select the Credit Underwriter for each Development.

Exhibit C – Additional Information

1. Total Development Cost Per Unit Limitation
 - a. The Total Development Cost Per Unit Limitation was reviewed during the scoring process as outlined in Section Five, A. During credit underwriting and final cost certification, the Total Development Cost Per Unit Limitation will be reviewed again using the values in the chart below.

Total Development Cost Per Unit Base Limitations

Measure	New Construction Units					Rehabilitation Units	
	Garden Wood*	Garden ESS*	Mid-Rise-Wood*	Mid-Rise-ESS*	High-Rise*	Garden*	Non-Garden*
Maximum TDC Per Unit Limitation	\$223,500	\$267,800	\$267,800	\$295,600	\$337,000	\$186,400	\$262,700
Applicable TDC Multipliers (to be applied against the Development's TDC) and TDC Add-Ons (to be added to the Maximum TDC Per Unit Limitation)							
TDC Multiplier for Elderly-ALF Developments					95%		
TDC Add-On for Applicants that have a PHA/instrumentality of a PHA as a Principal					\$5,000 of additional per unit costs will be added to the above Maximum TDC Per Unit Limitation		

* Garden includes all Development Types other than Mid-Rise and High-Rise; Non-Garden includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories) and High-Rise (7 or more stories); Mid-Rise includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories); and High-Rise includes Development Type of High Rise (7 or more stories). ESS means Enhanced Structural Systems Construction.

** Exclusive of land costs and exclusive of any approved operating deficit reserves that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee. When the term of operating deficit reserves (ODR) is mentioned in this TDC Per Unit Limitation section, the term shall refer to these particular operating deficit reserves. Examples of reserves which can be considered part of the operating deficit reserve for this calculation are provided in the Operating Deficit Reserve portion of the Funding section in the RFA. For purposes of land valuation, the Corporation uses the lesser of the appraised value, or the actual land cost. When land costs are referenced in this TDC Per Unit Limitation section, the reference shall be limited to the amount of the land cost approved by the Corporation to be provided in the final cost certification under the land owned cost line item. For Applicants that have a public housing authority/instrumentality of a PHA listed as a Principal on the Applicant's Principal Disclosure Form may also exclude demolition costs and tenant relocation costs from TDC PU Limitation calculations. The total amount of costs that are to be excluded from the TDC Per Unit Limitation process are the applicable land costs, operating deficit reserves and certain PHA costs described herein are referred to below in the congregate as applicable qualifying costs.

- b. Any Applicant that has the Credit Underwriter present a credit underwriting report with an amount that exceeds these limitations by more than 5 percent, after taking into consideration an escalation factor for development costs rising after the Application Deadline of either (i) 3.0 percent for any Development with the Development Category of New Construction, Redevelopment, or Acquisition and Redevelopment, or (ii) 2.3 percent for any Development with the Development Category of Rehabilitation or Acquisition and Rehabilitation, and incorporating any applicable TDC reduction and adjustments processes provided below will receive a negative recommendation by the Credit Underwriter.

Any Applicant that has the Credit Underwriter present a credit underwriting report with an amount that exceeds these limitations will require staff to review the credit underwriting report for compliance to the TDC reduction and adjustment procedure provided below:

- (1) A TDC Per Unit Limitation is the maximum allowable and is determined by adding the applicable TDC Per Unit Base Limitation from the table above with respect to the Development as provided in this RFA to any applicable TDC add-on and multiplying that sum by the appropriate escalation rate, and then dividing by any applicable TDC multiplier and finally taking the resulting amount and multiplying it by the number of total units in the Development. If there are multiple unit types, this process is done for each unique unit type and then they are all added together.

The Developer fee will be limited to the maximum allowable within the TDC Per Unit Limitation, in all instances. A Developer fee can be earned on Development Cost as defined by Rule Chapter 67-48, F.A.C., up to the maximum allowed within the TDC Per Unit Limitation, but it cannot be earned on costs in excess of said limitation. If the Development costs exceed the amount allowed by the TDC Per Unit Limitation, then the maximum allowable Developer fee will be adjusted as outlined below. The maximum allowable Developer fee limit can be determined by taking the TDC Per Unit Limitation amount and dividing by 1.16* and then multiply the result by 16 percent*. This will yield the maximum allowable Developer fee within the TDC Per Unit Limitation.

Prior to determining any necessary adjustment, if the Developer fee initially stated by the Applicant or Credit Underwriter is in excess of the maximum allowable Developer fee as provided in 1.b.(1) above, the stated Developer fee will be reduced to said maximum allowable Developer fee, and the TDC will be equally reduced to incorporate the cost reduction.

- (2) Subsequent to reducing the stated Developer fee to the maximum allowable amount provided above, additional adjustments may be necessary if the TDC Per Unit Limitation remains exceeded. An adjustment to the maximum allowable Developer fee limit shall be determined by reducing the maximum allowable Developer fee, as determined in 1.b.(1) above, dollar-for-dollar, for any costs in excess of the amount allowed by the TDC Per Unit Limitation, up to the lesser of (a) the actual amount of costs in excess of the amount allowed by the TDC Per Unit Limitation, (b) \$500,000, or (c) 25 percent of the initial maximum allowable Developer fee limit. If the stated Developer fee, inclusive of any necessary adjustments incorporated above, exceeds the maximum allowable Developer fee limit as adjusted herein, the stated Developer fee, inclusive of any necessary adjustments incorporated above shall be further adjusted to not exceed the new maximum allowable Developer fee limit, and the Applicant's TDC will be equally reduced to incorporate the cost reduction. If after following this Developer fee limitation process, the Applicant's TDC exclusive of the applicable qualifying costs is reduced to be within the amount allowed by the TDC Per Unit Limitation, then the Developer fee adjustment calculation is complete. If the Applicant's TDC exclusive of the applicable

qualifying costs remains above the amount allowed by the TDC Per Unit Limitation, then there is an additional Developer fee adjustment process, as outlined in (3) below.

- (3) An additional Developer fee limitation adjustment will be initiated to further reduce the allowable maximum Developer fee limit in the event the Applicant's TDC exclusive of the applicable qualifying costs (as adjusted above) exceeds the TDC Per Unit Limitation. The reduction will be determined by deriving a percentage amount that the Applicant's TDC exclusive of the applicable qualifying costs (as adjusted above) exceeds the TDC Per Unit Limitation, and multiplying this excess percentage by the amount of the adjusted Developer fee, resulting in a product that is the additional adjustment to the Developer fee. For instance, if the Applicant's adjusted TDC exclusive of the applicable qualifying costs exceeds the limitation by 4 percent, then the maximum allowable Developer fee limit is further reduced by 4 percent. If the stated Developer fee is greater than this limit, it must be reduced to be equal to the new limit. Once this step is complete, there is no further Developer fee adjustment or corresponding cost savings mandated to be incorporated into the Applicant's TDC for this process.

It is at this point that the Applicant's adjusted TDC exclusive of the applicable qualifying costs are compared to the TDC Per Unit Limitation, and if the TDC Per Unit Limitation is exceeded by more than 5 percent (as presented in the opening paragraph of 1.b above), the credit underwriting report shall be presented with a negative recommendation by the Credit Underwriter.

As a note, if the Developer fee in the credit underwriting report is already at or below the maximum allowable Developer fee limit, then there is no additional adjustment mandated to be incorporated into the Developer fee. This also means there are no corresponding cost savings to reduce the Applicant's TDC since all TDC cost reductions stemming from this process are coming from reducing the Developer fee. If the Developer fee in the credit underwriting report needs to be reduced to incorporate any adjustment as provided above, then as the Developer fee is reduced, so is the Applicant's TDC in order to incorporate the reduced Developer fee cost.

For example:

A 110-unit Family demographic Development located in Miami-Dade County had a Development Category of Acquisition and Redevelopment and Development Types comprised of Mid-Rise-ESSC (4 Stories) (NC) with 70 units and Garden-ESSC (NC) with 40 units. The credit underwriter initially reports the Applicant's TDC of \$33,130,000, inclusive of the Applicant's stated Developer fee of \$4,570,000, but exclusive of applicable qualifying costs at time of credit underwriting, and also prior to any adjustment. The Applicant does not have a PHA/instrumentality of a PHA as a Principal.

Calculate TDC Limitation for the Development and Maximum Allowable Developer fee

- 1.(a) TDC Per Unit Base Limitation (blended for two unique Unit types), inclusive of any applicable TDC Multiplier (100%), any applicable TDC Add-On (\$0) and the escalation rate (3.0%): [(\$287,000.00 Per Unit + \$0 TDC Add-On) x 70 Mid-Rise-

ESSC (4 Stories) (NC) Units + (\$260,000.00 Per Unit + \$0 TDC Add-On) x 40 Garden-ESSC (NC) Units] x (1 + 3.0%) / 100% TDC Multiplier = \$31,404,700. (To determine the blended final TDC PU Limitation, divide by total units: \$31,404,700 / 110 Total Units = \$285,497.27 Per Unit.)

- 1.(b) Implied maximum Development Cost per the limitation: $\$31,404,700 \div 1.16 = \$27,073,018$.
- 1.(c) Determine maximum allowable Developer fee limit within the TDC limitation (prior to any applicable Developer fee adjustment): $\$27,073,018 \times 16\% = \$4,331,682$.

(Note: The calculations in both 1.(b) and 1.(c) incorporates the requirement to round down the Developer fee to the next lower whole dollar.)

First Developer fee/TDC adjustment Calculation Methodology (If necessary)

- 2.(a)(i) Is the Applicant's initial Developer fee (\$4,570,000) greater than the maximum allowable of \$4,331,682? $\$4,570,000 > \$4,331,682$; Yes.
- 2.(a)(ii) If the response to 2.(a)(i) is "Yes", then determine the excess: $\$4,570,000 - \$4,331,682 = \$238,318$ (initial excess Developer fee and initial excess TDC of Applicant).
- 2.(b) Reduce the Applicant's initial Developer fee to the lesser of either the maximum allowable (\$4,331,682) or the Applicant's initial fee (\$4,570,000) and reduce the Applicant's initial TDC by an equal amount: $\$4,570,000 - \$238,318 = \$4,331,682$ (Applicant's initial adjusted fee); $\$33,130,000 - \$238,318 = \$32,891,682$ (Applicant's initial adjusted TDC).
- 2.(c) If the response to 2.(a)(i) is "No" or once the adjustment of 2.(b) has been completed, then determine if the Applicant's (adjusted) TDC remains in excess of the limitation and if so, the amount of the excess: $\$32,891,682$ (initial adjusted TDC) $> \$31,404,700$ (TDC limitation); $\$32,891,682 - \$31,404,700 = \$1,486,982$ (excess).
- 2.(d) Determine the components used to calculate an adjusted maximum allowable Developer fee. Any adjustment will be the lesser of either (i) 100% of the excess TDC (\$1,486,982), (ii) \$500,000, or (iii) 25 percent of the maximum allowable Developer fee limit ($25\% \times \$4,331,682 = \$1,082,921$): $\$500,000 < \$1,082,921 < \$1,486,982$.
- 2.(e) Apply the least amount of the three components in 2(d) above (\$500,000) to determine the maximum allowable Developer fee limit, subject to this adjustment: $\$4,331,682 - \$500,000 = \$3,831,682$ (maximum fee limit at this stage).
- 2.(f) Determine if the Applicant's initial adjusted Developer fee (as provided in 2.(b) above) is greater than the new maximum allowable Developer fee limit (from 2.(e) above) and, if so, reduce the Applicant's initial adjusted fee appropriately: $\$4,331,682$ (Applicant's initial adjusted fee) $> \$3,831,682$ (maximum fee limit at

this stage); Adjust the fee appropriately: Applicant's interim adjusted fee = \$3,831,682.

- 2.(g) Determine the Applicant's TDC reduction due to the Developer fee adjustment in 2.(f) above and apply the adjustment accordingly: $\$4,331,682$ (Applicant's initial adjusted fee) - $\$3,831,682$ = $\$500,000$ (Applicant's TDC reduction); $\$32,891,682$ - $\$500,000$ = $\$32,391,682$ (Applicant's interim adjusted TDC).

(As a note, this TDC is still greater than the TDC Per Unit Limitation so an additional adjustment to the maximum allowable Developer fee will need to be calculated.)

Second Developer fee/TDC adjustment Calculation Methodology (If necessary)

- 3.(a) Determine the percentage the Applicant's (adjusted) TDC without the applicable qualifying costs (as adjusted above in 2.(g)) that exceeds the amount allowed by the TDC Per Unit Limitation: Amount of excess TDC: $\$32,391,682$ (Applicant's interim adjusted TDC) - $\$31,404,700$ (TDC limitation) = $\$986,982$ (excess TDC); Excess TDC as a percentage of TDC Limitation: $\$986,982 \div \$31,404,700 = 3.14\%$. (Note: This number is only rounded here for illustrative purposes. The actual calculation will not be rounded.)
- 3.(b) Determine the final maximum Developer fee limit: $3.14\% \times \$3,831,682$ (maximum fee limit from 2.(e) above) = $\$120,421$; $\$3,831,682$ - $\$120,421$ = $\$3,711,261$ (final maximum allowable Developer fee limit).
- 3.(c) Determine if the Applicant's interim adjusted Developer fee (from 2.(f) above) is greater than the final maximum allowable Developer fee limit (from 3.(b) above) and, if so, reduce the Applicant's interim adjusted Developer fee appropriately: $\$3,831,682$ (Applicant's interim adjusted fee) > $\$3,711,261$ (final fee limitation); $\$3,831,682$ - $\$120,421$ = $\$3,711,261$ (Applicant's final adjusted Developer fee).
- 3.(d) Determine the Applicant's final adjusted TDC at time of credit underwriting by taking the Applicant's interim adjusted TDC (as provided in 2.(g) above) and subtracting any adjustment to the Applicant's final adjusted Developer fee (from 3.(c) above): $\$32,391,682$ - $\$120,421$ = $\$32,271,261$ (Applicant's final adjusted TDC).
- 3.(e) Verify the status of the 5% variance test: $(\$32,271,261 - \$31,404,700) / \$31,404,700 = 2.76\%$, which falls within the criteria of being less than or equal to 5% above of the amount allowed by the TDC Per Unit Limitation.
- c. Any Applicant that presents a Final Cost Certification Application Package (FCCAP) **that has applicable TDC amounts that exceed the TDC Per Unit Limitation** will require staff to review the FCCAP for compliance to the procedure provided in (1), (2) and (3) below **if the Applicant did not have its Developer fee adjusted at credit underwriting as provided in 1.b. above**, either voluntarily or by the credit underwriter in order to get the Applicant's TDC exclusive of the applicable qualifying costs to be in compliance with the TDC Per Unit Limitation requirements.
- (1) A TDC Per Unit Limitation is the maximum allowable and is determined by adding the applicable TDC Per Unit Base Limitation from the table above with

respect to the Development as provided in this RFA to any applicable TDC add-on and multiplying that sum by the appropriate escalation rate, and then dividing by any applicable TDC multiplier and finally taking the resulting amount and multiplying it by the number of total units in the Development. If there are multiple unit types, this process is done for each unique unit type and then they are all added together.

The Developer fee will be limited to the maximum allowable within the TDC Per Unit Limitation, in all instances. A Developer fee can be earned on Development Cost as defined by Rule Chapter 67-48, F.A.C., up to the maximum allowed within the TDC Per Unit Limitation, but it cannot be earned on costs in excess of said limitation. If the Development costs exceed the amount allowed by the TDC Per Unit Limitation, then the maximum allowable Developer fee will be adjusted as outlined below. The maximum allowable Developer fee limit can be determined by taking the TDC Per Unit Limitation amount and dividing by 1.16* and then multiply the result by 16 percent*. This will yield the maximum allowable Developer fee within the TDC Per Unit Limitation.

Prior to determining any necessary adjustment, if the Developer fee initially stated by the FCCAP is in excess of the maximum allowable Developer fee as provided in 1.c.(1) above, the Developer fee will be reduced to said maximum allowable Developer fee, and the Applicant's TDC will be equally reduced to incorporate the cost reduction.

- (2) Subsequent to reducing the Developer fee to the maximum allowable amount, additional adjustments may be necessary if the TDC Per Unit Limitation remains exceeded. An adjustment to the maximum allowable Developer fee limit shall be determined by reducing the maximum allowable Developer fee limit as determined in 1.c.(1) above, dollar-for-dollar, for any costs in excess of the amount allowed by the TDC Per Unit Limitation, up to the lesser of (a) the actual amount of costs in excess of the amount allowed by the TDC Per Unit Limitation, (b) \$250,000, or (c) 10 percent of the initial maximum allowable Developer fee limit. If the stated Developer fee, inclusive of any necessary adjustments incorporated above, exceeds the maximum allowable Developer fee limit as adjusted herein, the stated Developer fee, inclusive of any necessary adjustments incorporated above, shall be further adjusted to not exceed the new maximum allowable Developer fee limit, and the Applicant's TDC will be equally reduced to incorporate the cost reduction. If, after following this Developer fee limitation process, the Applicant's TDC exclusive of the applicable qualifying costs is reduced to be within the amount allowed by the TDC Per Unit Limitation, then the Developer fee adjustment calculation is complete. If the Applicant's TDC exclusive of the applicable qualifying costs remains above the amount allowed by the TDC Per Unit Limitation, then there is an additional Developer fee adjustment process, as outlined in (3) below.
- (3) An additional Developer fee limitation adjustment will be initiated to further reduce the maximum allowable Developer fee limit in the event the Applicant's TDC exclusive of the applicable qualifying costs (as adjusted above) exceeds the TDC Per Unit Limitation. The reduction will be determined by deriving a percentage amount that the Applicant's TDC exclusive of the applicable qualifying costs (as adjusted above) exceeds the amount allowed by the TDC

Per Unit Limitation, and multiplying this excess percentage by the amount of the adjusted Developer fee, resulting in a product that is the additional adjustment to the Developer fee. For instance, if the Applicant's adjusted TDC exclusive of the applicable qualifying costs exceeds the limitation, by 4 percent, then the maximum allowable Developer fee limit is further reduced by 4 percent. If the stated Developer fee is greater than this limit, it must be reduced to be equal the new limit. Once this step is complete, there is no further Developer fee adjustment or corresponding cost savings to be incorporated into the Applicant's TDC as a result of this process.

If the Applicant already had its Developer fee adjusted at credit underwriting as provided in 1.b. above, either voluntarily or by the credit underwriter in order to get the Applicant's TDC exclusive of the applicable qualifying costs to be in compliance with the TDC Per Unit Limitation requirements, **but the Applicant's TDC without the applicable qualifying costs in the FCCAP is now less than the Applicant's TDC without the applicable qualifying costs provided in the credit underwriting report**, then the Developer fee will be re-evaluated based on the procedure provided in 1.b. above, just as if it were going through the credit underwriting report process again.

If the Applicant already had its Developer fee adjusted at credit underwriting as provided in 1.b. above, either voluntarily or by the credit underwriter in order to get the Applicant's TDC exclusive of the applicable qualifying costs to be in compliance with the TDC Per Unit Limitation requirements, **and the Applicant's TDC the applicable qualifying costs in the FCCAP exceeds the Applicant's TDC without the applicable qualifying costs provided in the credit underwriting report**, then the Developer fee will have an additional adjustment to be incorporated as provided in (4) below. For the adjustment process below, the maximum initial Developer fee (i.e., prior to any adjustments provided in (4) below) cannot exceed the final Developer's fee as stated in the credit underwriting report.

- (4) For an Applicant that already had its Developer fee adjusted at credit underwriting as provided in 1.b. above and whose TDC without the applicable qualifying costs in the FCCAP exceeds the Applicant's TDC without the applicable qualifying costs provided in the credit underwriting report, the maximum allowable Developer fee limit will incorporate an additional adjustment. This additional Developer fee adjustment will be the lesser of (a) the difference between the amount of the Applicant's TDC exclusive of the applicable qualifying costs as reported in the FCCAP that is in excess of the Applicant's TDC exclusive of the applicable qualifying costs provided in the credit underwriting report, (b) \$250,000, or (c) 10 percent of the allowable Developer fee reported in the credit underwriting report. If the Developer fee in the FCCAP is already equal to or less than the maximum allowable Developer fee limit as determined with the incorporation of this additional Developer fee adjustment, then neither the Developer fee nor the Applicant's TDC is further reduced.

For example:

Assuming the Development in the example provided in 1.b. above provides an FCCAP with the Applicant's TDC, exclusive of applicable qualifying costs, which is \$275,000 higher than the Applicant's TDC, exclusive of the applicable qualifying costs, provided in

the credit underwriting report, but the Developer fee is the same as provided in the credit underwriting report of \$3,711,261. The additional Developer fee adjustment will be the lesser of (a) \$275,000 (the new excess costs), (b) \$250,000 (the maximum dollar limit of this additional Developer fee adjustment), or (c) \$371,126 (10% of the allowable Developer fee reported in the credit underwriting report).

Since option (b) is the least amount of the three options, the allowable Developer fee will be lowered by \$250,000. Since the Applicant’s Developer fee initially reported in the FCCAP is equal to the allowable Developer fee reported in the credit underwriting report, the Applicant’s Developer fee will be adjusted in the same manner as the allowable Developer fee. The allowable Developer fee and the Applicant’s Developer fee will be \$3,461,261 (the allowable Developer fee reported in the credit underwriting report of \$3,711,261, less the adjustment of \$250,000). The Applicant’s TDC, exclusive of applicable qualifying costs, in the FCCAP would be adjusted to \$32,296,261 (\$32,291,261 from the credit underwriting report plus \$275,000 of new additional costs less \$250,000 for the reduction in allowable Developer fee).

As a note, if the Developer fee in the FCCAP is already at or below this allowable Developer fee, then there is no additional adjustment to be incorporated into the Developer fee. This also means there are no corresponding costs savings to reduce the Applicant’s TDC since all TDC cost reductions stemming from this process are coming from reducing the Developer fee. If the Developer fee in the FCCAP needs to be reduced to incorporate any adjustments provided above, then as the Developer fee is reduced, so is the Applicant’s TDC in order to incorporate the reduced Developer fee cost.

* These figures represent the applicable Developer fee percentage for the Development of 16% and one plus the applicable Developer fee percentage for the Development (1+16%).

3. Leveraging Classification

All Eligible Applications will be classified as either Group A or Group B based on the amount of total Corporation funding per set-aside unit, as outlined below.

The Corporation will calculate the total Corporation funding per set-aside unit for each Application as follows:

- a. If the Development does not qualify for the basis boost, the Eligible Housing Credit Request Amount will be multiplied by 9.5. If the Development qualifies for the basis boost, the Eligible Housing Credit Request Amount will be multiplied by 9.5 and that product will be divided by 1.10.
- b. If the Applicant has a PHA as a Principal (disclosed in the Principal Disclosure form), a multiplier of 0.92 will be applied.
- c. If the proposed Development met the requirements to be considered ESS Construction, a multiplier of 0.88 will be applied.
- d. If the proposed Development does not meet the requirements to be considered ESS Construction, a multiplier of 0.98 will be applied.

Note: More than one of the above may apply. For instance, if a. and b. and c. apply and the Development qualifies for the basis boost, the Eligible Housing Credit Request will be multiplied by 9.5. divided by 1.10 and then multiplied by 0.92 and then by 0.88. A proposed Development will qualify for either c. or d., above, but not both. All Applicants that selected the High-Rise

Development Type will be considered to meet the requirements to be considered ESS Construction.

- f. The total Corporation Housing Credit funding amount will be adjusted further as follows:
- (1) If the proposed Development meets all of the following requirements, the total Corporation funding amount will be multiplied by 0.80:
 - Applicant selected the High-Rise Development Type, and
 - Applicant selected the Development Category of New Construction or selected and qualified for the Development Category of Redevelopment or Acquisition and Redevelopment.

or
 - (2) If the proposed Development meets all of the following requirements, the total Corporation funding amount will be multiplied by 0.84:
 - Applicant selected the Mid-Rise with Elevator (a building comprised of 5 or 6 stories) Development Type and at least 90 percent of the total units are in these Mid-Rise building(s), and
 - Applicant selected the Development Category of New Construction or selected and qualified for the Development Category of Redevelopment or Acquisition and Redevelopment;

or
 - (3) If the proposed Development meets all of the following requirements, the total Corporation funding amount will be multiplied by 0.90:
 - Applicant selected the Mid-Rise with Elevator (a building comprised of 4 stories) Development Type and at least 90 percent of the total units are in these Mid-Rise building(s), and
 - Applicant selected the Development Category of New Construction or selected and qualified for the Development Category of Redevelopment or Acquisition and Redevelopment.

All Applications will be divided into two lists: the “New Construction List” consisting of the Applications with the Development Category of New Construction, Redevelopment, and Acquisition and Redevelopment, and the “Rehabilitation List” consisting of the Applications with the Development Category of Rehabilitation and Acquisition and Rehabilitation.

The New Construction List will be compiled as follows:

The Applications will be listed in ascending order beginning with the Application that has the lowest amount of total Corporation funding per set-aside unit and ending with the Application that has the highest amount of total Corporation funding per set-aside unit.

The total number of Applications on the New Construction List will be multiplied by 80 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the “New Construction A/B Cut-Off”). A line will be drawn below the Application whose

place on the list is equal to the New Construction A/B Cut-Off. If any Application(s) below the line has the same total Corporation funding request per set-aside unit as the Application immediately above the line, the line will be moved to a place immediately below that Application(s). Applications above the New Construction A/B Cut-Off will be classified as Group A and Applications below the New Construction A/B Cut-Off will be classified as Group B.

(b) The Rehabilitation List will be compiled as follows:

The Applications will be listed in ascending order beginning with the Application that has the lowest amount of total Corporation funding per set-aside unit and ending with the Application that has the highest amount of total Corporation funding per set-aside unit.

The total number of Applications on the Rehabilitation List will be multiplied by 80 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the "Rehabilitation A/B Cut-Off"). A line will be drawn below the Application whose place on the list is equal to the Rehabilitation A/B Cut-Off. If any Application(s) below the line has the same total Corporation funding request per set-aside unit as the Application immediately above the line, the line will be moved to a place immediately below that Application(s). Applications above the Rehabilitation A/B Cut-Off will be classified as Group A and Applications below the Rehabilitation A/B Cut-Off will be classified as Group B.

The New Construction List and the Rehabilitation List will then be merged to form one list.

4. Florida Job Creation Funding Preference

Each Application will be measured to determine whether it qualifies for the Florida Job Creation Funding Preference. To determine eligibility for the preference, the Corporation will calculate the Application's Florida Job Creation score, which will reflect the number of Florida jobs per \$1 million of implied eligible housing credit equity. To qualify for the Florida Job Creation Funding Preference in Section Five of the RFA, all Applications must earn a Florida Job Creation score equal to or greater than 2.1.

Determination of the Florida Job Creation score will be based on the following information:

- The number of new construction and rehabilitation units committed to by the Applicant (as stated by the Applicant in Exhibit A);
- The applicable Florida job creation rate for the type of units:
 - Rate of 3.974 Florida Jobs per unit for proposed new construction units;
 - Rate of 1.910 Florida Jobs per unit for proposed rehabilitation units; and
- The Eligible Housing Credit Request Amount.

The score for the Florida Rate of Job Creation per \$1 million of implied eligible housing credit equity will be measured using one of the following calculations:

- a. Developments consisting of only new construction units

Number of new construction units x 3.974 Florida Jobs per unit x 1,000,000 / (the Eligible Housing Credit Request Amount x 9.5) = Florida Jobs per \$1 million of Housing Credit Allocation.

For example:

Application A consists of 80 new construction units and has an Eligible Housing Credit Request Amount of \$2,300,000.

$80 \times 3.974 \times 1,000,000 / (2,300,000 \times 9.5) =$ Florida Job Creation score of 14.55.

b. Developments consisting of only rehabilitation units

Number of rehabilitation units x 1.910 Florida Jobs per unit x 1,000,000 / (the Eligible Housing Credit Request Amount x 9.5) = Florida Jobs per \$1 million of Housing Credit Allocation.

For example:

Application A consists of 140 rehabilitation units, and has an Eligible Housing Credit Request Amount of \$1,660,000.

$140 \times 1.910 \times 1,000,000 / (1,660,000 \times 9.5) =$ Florida Job Creation score of 16.96.

c. Developments consisting of both new construction units and rehabilitation units

(Number of new construction units x 3.974 Florida Jobs per unit + number of rehabilitation units x 1.910 Florida Jobs per unit) x 1,000,000 / (the Eligible Housing Credit Request Amount x 9.5) = Florida Jobs per \$1 million of Housing Credit Allocation.

For example:

Application B consists of 20 new construction units and 64 rehabilitation units and has an Eligible Housing Credit Request Amount of \$1,500,000.

$[(20 \times 3.974) + (64 \times 1.910)] \times 1,000,000 / (1,500,000 \times 9.5) =$ Florida Job Creation score of 14.16.

In above examples, all Applications will qualify for the Job Creation Funding Preference because each has a Florida Job Creation score that is at least 2.1.

5. Fees

The Corporation and, if applicable, the Credit Underwriter shall collect via check or money order from the Applicant the following fees and charges in conjunction with this RFA. Failure to pay any fee shall cause the funding awarded to be withdrawn as outlined in the credit underwriting and program requirements outlined in Rule Chapter 67-48, F.A.C.

a. Application Fee

All Applicants requesting funding in this RFA shall submit to the Corporation as a part of the Application submission a non-refundable Application fee of \$3,000.

b. Credit Underwriting Fees

The following fees are not the fees that will be charged, but are listed below for estimation purposes of completing the Development Cost Pro-Forma in the Application. The actual fees will be determined based on the current contract, including any addendum, for services between the Corporation and the Credit Underwriter(s) in effect at the time underwriting begins.

- (1) Initial fee: \$12,705
- (2) Preliminary Recommendation Letter fee: \$1,612
- (3) Re-underwriting fee: \$181 per hour, not to exceed \$7,990.

If a Housing Credit Development involves Scattered Sites of units within a single market area, a single credit underwriting fee shall be charged. Any Housing Credit Development requiring further analysis by the Credit Underwriter pursuant to Section 42(m)(2) of the IRC will be subject to an hourly fee of \$181. All credit underwriting fees shall be paid by the Applicant prior to the performance of the analysis by the Credit Underwriter.

- (4) Extraordinary Services fee: \$181 per hour.
- (5) Credit Underwriting Extension Fees

Credit underwriting extension fees will be outlined in the Carryover Allocation Agreement.

c. Administrative Fees

With respect to the HC Program, each for-profit Applicant shall submit to the Corporation a non-refundable administrative fee in the amount of 9 percent of the annual Housing Credit Allocation amount stated in the Preliminary Allocation. The administrative fee shall be 5.5 percent of the stated annual Housing Credit Allocation for Non-Profit Applicants. The administrative fee must be received by the Corporation as stated in the Preliminary Allocation.

d. Compliance Monitoring Fees

The following fees are not the fees that will be charged, but are listed below for estimation purposes of completing the Development Cost Pro-Forma in the Application. The actual fees and percentage increases will be determined based on the current contract, including any addendum, for services between the Corporation and the Compliance Monitor(s).

- (1) Pre-Final Allocation Fee –

Pre-final allocation compliance monitoring fee comprised of a base fee of \$2,016 + an additional fee per set-aside unit of \$10.30, subject to a minimum of \$3,156, to be collected as stated in the Preliminary Housing Credit Allocation or Carryover Allocation Agreement.

(2) Compliance Monitoring Fee –

- (a) All Developments other than RD – The annual fee to be comprised of a base fee of \$168 per month + an additional fee per set-aside unit of \$10.30 per year, subject to a minimum of \$263 per month, and includes an automatic annual increase of 3 percent of the prior year’s fee. Since fees for the full Housing Credit Extended Use Period will be collected at final allocation, the fee amount is discounted at a rate of 2 percent and based upon the payment stream from the Corporation to the monitoring agent.

Note: Upon prepayment or repayment of the RD loan, the previously identified RD Development will be identified as a non-RD Development and the annual compliance monitoring fee will be adjusted accordingly. The compliance monitoring fee as described in (a) above for the remaining Housing Credit Extended Use Period will be due and payable in full upon billing sent directly to the Development.

(3) Follow-up Review - \$181 per hour.

e. Construction Inspection Fees

The following fees are not the fees that will be charged, but are listed below for estimation purposes of completing the Development Cost Pro Forma in the Application. If the Applicant indicates that the proposed Development does not consist of Scattered Sites, but it is determined during credit underwriting that the proposed Development does meet the definition of Scattered Sites, all of the Scattered Sites requirements must have been met as of Application Deadline and, if all Scattered Sites requirements were not in place as of the Application Deadline, the Applicant's funding award will be rescinded;

First, if there is a bridge loan proposal within the equity proposal that provides for bridge loan proceeds that equal at least 15 percent of the amount of total proposed equity to be provided to be made available prior to or simultaneous with closing of construction financing, the 15 percent criteria will be met. Second, if there is a separate bridge loan proposal from either the equity provider, any entity that is controlled directly or indirectly by the equity provider, or a subsidiary of the equity provider's parent holding company, and the proposal explicitly proposes an amount to be made available prior to or simultaneous with the closing of construction financing that equals at least 15 percent of the total proposed equity to be paid stated in the equity proposal, the 15 percent criteria is met. Bridge loan proposals that are not within the equity proposal, though, must meet the criteria previously stated for debt financing with the exception that evidence of ability to fund does not have to be provided. The Applicant may include the proposed amount of the bridge loan as equity proceeds on the Construction or Rehabilitation Analysis and on the Permanent Analysis (Note: this 15 percent criteria must be reflected in the limited partnership agreement or limited liability company operating agreement); or
 - (2) If not syndicating/selling the Housing Credits, proceeds from a bridge loan will not count toward meeting the 15 percent criteria;
- g. If the Applicant selected the Development Category of New Construction or Redevelopment, with or without Acquisition, the Applicant must advise the Corporation of the specific Green Building Certification Program that it commits to achieve: Leadership in Energy and Environmental Design (LEED); Florida Green Building Coalition (FGBC); ICC 700 National Green Building Standard (NGBS); or Enterprise Green Communities;
- h. If there are existing occupied units as of Application Deadline, the Applicant must provide to the Credit Underwriter a plan for relocation of existing tenants. The plan shall provide information regarding the relocation site; accommodations relevant to the needs of the residents and length of time residents will be displaced; moving and storage of the contents of a resident's dwelling units; as well as the approach to inform and prepare the residents for the rehabilitation activities;
- i. If the Applicant indicated that the proposed Development is the first phase of a multiphase Development, the Applicant must submit to the Corporation an opinion letter by a licensed attorney that the Development meets the definition of a "multiphase project" as defined in the Federal Register. The letter must also include: (a)

the name of the declared first phase Development and the Corporation-assigned Application number, (b) the total number of phases and the projected Development name for each phase, (c) the total number of buildings in each phase, (d) the expected completion date for each phase, and (e) any other information as determined by the Corporation and stated in the invitation to enter credit underwriting.

- j. If the Applicant indicated that the proposed Development is a subsequent phase of a multiphase Development, the Development's status as a subsequent phase will be verified in credit underwriting. If the Development does not qualify and the Applicant's Housing Credit request is based on such contention and, during the credit underwriting process it is determined that the proposed Development does not meet the criteria for such distinction, the Applicant's Competitive Housing Credit award will be rescinded.
4. The Preliminary Recommendation Letter (PRL) for this Development will be due to the Corporation no later than 12 weeks from the date of the invitation to enter credit underwriting. Pursuant to paragraph 67-48.0072(21)(c), F.A.C., the Applicant is responsible for providing the Credit Underwriter with the information necessary to complete the PRL. If the 12 week deadline cannot be met due to any delay caused by the Applicant, the Applicant must request an extension by submitting a written request and payment of the applicable processing fee to the Corporation;
 5. By Certificate of Occupancy, the Applicant commits to participate in the statewide housing locator system, as required by the Corporation.
 6. The Credit Underwriter will provide an itemized list for additional documentation including, but not limited to the following:
 - a. Information outlined in Rule Chapter 67-48.0072, F.A.C.;
 - b. If the Applicant indicated that the proposed Development will be assisted with funding under the RD 538 Program and expects to use such funding as a source of financing, the Section 538 Selection Letter sent to the Applicant by RD must be provided;
 - c. The Construction Consultant engaged by the Corporation's credit underwriter must provide the properly completed and executed Americans with Disabilities Act Certification forms certifying that the design of the proposed Development and the completed Development includes the applicable accessibility, adaptability, Visitability and universal design features required by the Corporation and proposed by the Applicant (Forms Rev. 10-14) which are available on the RFA Website.
 - d. With the exception of Developments financed with HUD Section 811 or United States Department of Agriculture RD program, and Applicants that select the Elderly ALF Demographic Commitment, for Developments with a Housing Assistance Payment Contract and/or an Annual Contributions Contract with HUD: Submission to the Corporation of the waiting list section of the Tenant Selection Plan for review and preliminary approval before sending to HUD. Such waiting list section shall establish selection preferences or a section for special admissions specifically for individuals or families that are referred by a designated Referral Agency serving the county where the Development is located; HUD approval of the Tenant Selection Plan shall be

demonstrated to the Corporation prior to the completion of the final credit underwriting report.

7. The Applicant will submit the fully executed Link MOU for the Corporation's approval, as described in Exhibit E;
8. The Credit Underwriter will also verify information submitted by the Applicant, including, but not limited to the following:
 - a. The Applicant's Non-Profit status, if applicable;
 - b. Each Scattered Site meets the requirements of this RFA and Section 42 of the IRC, if applicable;
 - c. The proposed Development's ability to meet the ESS Construction qualifications;
 - d. Calculation of eligible basis which may cause a reduction in the Housing Credit Allocation. This may include review of the location of buildings and whether all buildings are eligible for the eligible basis boost, if applicable;
 - e. The proposed Development's first phase or subsequent phase's status;
 - f. Review of the Total Development Cost and its effect on the Total Development Cost Per Unit Limitation; and

If any of these cannot be verified, all funding awarded under this RFA may be reduced or may be rescinded if the award or the Application's eligibility status was based on such information, and/or the Applicant may be determined to have made a material misrepresentation.
9. For 9% HC, the Carryover Allocation Agreement will provide deadlines for additional documentation.

Exhibit E – Additional requirements for the Link Units for Persons with Special Needs

The Link to Permanent Housing Strategy (Link) enhances the ability of extremely low-income (ELI) households with special needs to access and retain affordable rental housing in their communities. The Corporation requires Developers to provide a specified percentage of a Development’s ELI Set-Aside units for special needs households receiving community based supportive services who are referred by a designated supportive services agency in the community where the Development is located. All Link units must do the following:

I. Link Set-Aside Requirements

With the exception of Developments financed with HUD Section 811 or a United States Department of Agriculture RD program, and Applicants that select the Elderly ALF Demographic Commitment, for the entire Compliance Period as specified in both the regulatory agreement and as stated in the RFA, the Development shall set aside the required percentage of the ELI Set-Aside units as Link Units for Persons with Special Needs. At least one member of each Link unit’s household shall be referred by a Special Needs Household Referral Agency (Referral Agency) with which the owner executes a Link Memorandum of Understanding (MOU) approved by the Corporation.

II. Link Memorandum of Understanding (MOU)

The Corporation has established and maintains a list of supportive service agencies or organizations serving each county, each of which is designated as a Referral Agency. The Referral Agency list is available on the Corporation’s Website at <http://apps.floridahousing.org/StandAlone/SpecialNeeds/ContentPage.aspx?PAGE=Link%20Initiative%20Page> (also accessible by clicking [here](#)). These agencies are statewide, regional or local organizations that administer community-based supportive services to the populations served by Link.

The MOU is a formal agreement between the owner and a Referral Agency that specifies the intent of the Link Strategy and describes the roles and responsibilities of each party to the MOU. The MOU form to be executed shall be the version most recently provided on the RFA Website.

- A. The owner shall execute an MOU with at least one designated Referral Agency serving the county and intended population where the Development will be located and rent units to households referred by the Referral Agency with which the MOU is executed.
- B. The deadline for receipt of the fully-executed MOU by the Corporation shall be established in the invitation to enter into credit underwriting but shall be within nine months from the date of the invitation to enter into credit underwriting but no later than the date the first building is placed in service. If the owner is unable to meet the deadline, an extension may be requested from the Corporation, and a non-refundable processing fee of \$5,000 shall be charged to the owner.
- C. Prior to execution of the MOU, but not later than 10 Calendar Days before the deadline by which the fully-executed MOU shall be received by the Corporation, the MOU form stipulated in the applicable RFA shall be completed and reviewed by the owner and

Referral Agency, and then submitted by the owner to the Corporation for review and preliminary approval.

- D. For Developments with a Housing Assistance Payment contract and/or an Annual Contributions Contract with HUD: The waiting list section of the Tenant Selection Plan shall establish selection preferences or a section for special admissions specifically for individuals or families who are referred by a designated Referral Agency. The Tenant Selection Plan shall be submitted by the owner to the Corporation for review and preliminary approval before sending to HUD. HUD approval may take several months. HUD approval shall be demonstrated to the Corporation prior to the completion of the final credit underwriting report.
- E. Owners that have a Housing Assistance Payment Contract and/or an Annual Contributions Contract with HUD shall maintain a separate waiting list for referred applicants and prioritize these individuals for any available Link units. During and after lease-up, Referral Agency referrals must be moved in first, regardless of chronological order of the general waiting list, until all Link units are occupied with Referral Agency referrals.
- F. After review and preliminary approval of the MOU by the Corporation, and no later than the deadline established in the invitation to enter into credit underwriting, the owner shall provide one original fully-executed hard copy of the MOU to the Corporation. Once approved by the Corporation, the owner shall arrange for a copy of the approved MOU to be maintained on file at the site of the Development's records for compliance monitoring purposes.
- G. When the owner is noncompliant because no Referral Agency that serves the county where the Development is located is available to execute an MOU, the noncompliance shall be held in a correction period status until the earlier of (i) approval by the Corporation of an MOU executed with a new Referral Agency, or (ii) the passage of 45 Calendar Days following placement of a Referral Agency that serves the Development's county onto the Corporation's Referral Agency list.
- H. When a Referral Agency notifies the owner of its intent to terminate an MOU, the owner shall notify the Corporation of the MOU termination by email, at Link@floridahousing.org, within five (5) Calendar Days of receiving the notification from the Referral Agency. The owner shall then select another Referral Agency for the Development's county and obtain approval from the Corporation for the MOU executed with the new Referral Agency no later than 45 Calendar Days after receipt of notification from the prior Referral Agency of its intent to terminate the MOU.
- I. When an owner intends to terminate an MOU, the owner shall repeat the process outlined in all of the steps above to obtain approval from the Corporation for a new MOU executed with another Referral Agency before termination of the prior MOU may become effective.
- J. The Corporation may require the owner to terminate an MOU with a Referral Agency if that partnership is not effective in meeting the intent of the Link Set-Aside Requirement. The owner shall execute another MOU with a new Referral Agency before

terminating the MOU. The owner shall follow the process outlined in all of the steps above to obtain approval from the Corporation.

III. Notification of the Availability of Units for Referral of Intended Link Households

- A. The owner shall meet with the chosen Referral Agency to review the Link roles and responsibilities of each party, the household income limitation and other eligibility criteria for tenancy, household move-in expenses and on-going monthly rental payments. The meeting shall be held no less than 45 Calendar Days before the anticipated commencement of any activities related to the leasing of any unit in the Development. The owner shall maintain documentation of the meeting with the Referral Agency and shall provide a copy for review by the Corporation upon its request.
- B. Leasing Activity (Lease-up and Pre-leasing): During leasing activities, the owner shall make all units available for the intended Link households referred by the Referral Agency, until the Development's Link Set-Aside Requirement has been met. If the Development has not met its Link Set-Aside Requirement by the passing of 30 Calendar Days after the last unit is actually available for occupancy, the owner may lease the units to any eligible household. To the extent that an ELI-unit requirement coincides with a Link Set-Aside Requirement, for a period not to exceed nine months, a failure to meet the ELI-unit requirement shall not cause noncompliance during the lease-up or 30 Calendar Day hold period.
- C. Once the Development's leasing activity is completed, a vacant unit formerly occupied by a Link household shall be held open for intended households referred by the Referral Agency for a period of 30 Calendar Days starting from the date the vacated unit is suitable for occupancy and ready to lease. The owner shall notify the Referral Agency that a unit is available on or before the date that the vacated unit becomes suitable for occupancy and ready to lease, but no more than 30 Calendar Days before the unit is anticipated to be ready to lease. The vacated unit shall retain the Link classification until next occupied, at which time the classification of the new household shall be applied to the unit.
- D. When the Development is an Acquisition/Rehabilitation Development that is occupied at the earlier of the site acquisition or the date of the Carryover Allocation Agreement, all units (at any AMI set-aside level) that become available and are suitable for occupancy and ready to lease shall be prioritized for intended households referred by the Referral Agency until the Link requirement has been met.
- E. Communication between the owner and the Referral Agency's designated contact person related to activities in this section shall be conducted via email. Activities that must be conducted by email are as follows:
 1. Requests to develop MOU with Referral Agency;
 2. Draft reviews of MOUs between the parties;
 3. Final version of executed MOU;

4. Current contact information for the contact staff designated by the owner and Referral Agency and listed in the MOU;
 5. Notifications of unit availability;
 6. Number of Calendar Days unit will be held open for referrals;
 7. Information about rental policies and eligibility criteria;
 8. Outcome of referrals;
 9. Notifications of issues or concerns that may adversely affect the tenancy of the household; and
 10. Requests for termination of MOU.
- F. The owner shall maintain a Link communication tracking log that documents: (i) the unit number of each offered unit; (ii) the date each unit was suitable for occupancy; (iii) the date of the email notice to the Referral Agency that each unit was available for rent to a Link household, including the dates of required follow up; (iv) date of response from Referral Agency, (v) Referral Agency response, (vi) outcome of referral, and (vii) number of days the unit was held open.
- G. If an owner notifies a Referral Agency that a unit is available and the Referral Agency does not respond, the owner shall contact the Referral Agency at least three times, at intervals of no less than seven Calendar Days, during the 30-day period after the initial notice of unit availability was sent to the Referral Agency. The owner shall document all notification activity on its Link communication tracking log.
- H. The owner shall notify the Referral Agency regarding the outcome of each referral within one business day after a determination is made regarding the household's eligibility to occupy the available unit.
- I. If a referral does not result in occupancy by the referred household, the 30-day holding period shall continue to allow the Referral Agency the opportunity to refer another household. The owner shall follow up with the Referral Agency at intervals of no less than seven Calendar Days during the remainder of the 30-day holding period. The owner shall document all notification activity on its Link communication tracking log.

IV. Link Compliance Monitoring Documentation

- A. The owner shall cause the following documentation to be maintained on file for compliance monitoring purposes. Such documents shall be made available for inspection by Corporation personnel or its monitoring agents at any reasonable time. The owner shall provide copies of such documents, either electronic or paper, to the Corporation within three business days of any request by the Corporation for such copies.
1. A copy of all active MOUs approved by the Corporation;

2. A copy of all terminated MOUs. Terminated MOUs shall be retained for seven years beyond the period of tenancy for any household referred under the particular MOU;
 3. A copy of any current correction period extensions granted by the Corporation; and
 4. Email communication with the Referral Agency demonstrating timely notification regarding the availability of units for the intended Link household, outcome of each referral, and, when an available unit was not rented to a Link household, the number of days the available unit was held open for intended Link household.
- B. The monthly Program Report submitted to the Corporation by the Development shall reflect the number of Link households residing in an ELI Set-Aside unit.
- C. The Compliance Period committed to in the RFA also includes the units set aside for the Demographic Commitments, which includes the commitments for Link and ELI Households. The affordability period committed to in the RFA includes the units set aside for ELI Households. Although the percentage of units committed to must remain in effect for the entire Compliance Period, the units designated for the Demographic Commitment and AMI commitment must not be limited to the same units throughout the Compliance Period. Doing so may cause the Development to be in non-compliance with Section 42.

Exhibit F - Rehabilitation Scoping Process with a Capital Needs Assessment

The following is the procedure by which the scope of the rehabilitation will be determined for Applicants rehabilitating units as part of the proposed Application. This may include those with the Development Category of New Construction or Redevelopment (with or without acquisition), if the plan includes rehabilitation of at least one existing unit.

The Flowchart attached to this Exhibit has been designed to graphically illustrate the steps described below.

1. The Pre-Application Stage (Steps 1-2)

Prior to submitting an Application, Applicants should conduct appropriate due diligence to determine whether it is physically and financially feasible to comply with the minimum requirements contained in Section Four A.8., for proposed Developments choosing Rehabilitation or Acquisition and Rehabilitation. Applicants receiving a preliminary award who are found (through the Capital Needs Assessment and Rehabilitation scoping process further described below) to be unable to meet all of the requirements of Section Four A.8.a. and c. with the sources available for the Rehabilitation, will have their preliminary award of funding rescinded.

At the time of Application, Applicants proposing any rehabilitation of units will be required to certify that the contemplated budget and available sources are adequate to meet all requirements outlined in Section Four A.8. of this RFA.

2. The Capital Needs Assessment (CNA) Stage (Steps 3-7)

- a. Once the invitation to Credit Underwriting has been accepted, all Rehabilitation Developments (with or without acquisition) shall have a CNA prepared. Due to closing deadlines outlined in Rule Chapters 67-48 and 67-21, F.A.C., the CNA process will run concurrently with the Credit Underwriting process (which includes the market study and PRL, if applicable).
- b. The CNA shall be ordered by the Credit Underwriter, no later than 7 Calendar Days after receiving the credit underwriting fee(s) and CNA fee. The choice of the CNA provider will be left solely up to the Credit Underwriter, and shall be chosen from the Corporation's approved list of qualified providers.
- c. Once the CNA has been ordered, the CNA provider will contact the Applicant to obtain basic information regarding the current physical condition of the property. The Applicant (or designee) shall answer the CNA provider's request for information within 7 Calendar Days of receipt. Further, a physical inspection of the property shall be scheduled to take place between the CNA provider, the Applicant (or designee), the Corporation (if desired) and the Credit Underwriter (if desired), no later than 30 Calendar Days from the ordering of the CNA. No less than 7 Calendar Days prior to the physical inspection, the Applicant shall ensure that original construction plans, if available, and a history of major repair expenditures covering at least the most recent 5 years, have been delivered to the CNA provider.

- d. At a minimum, the CNA provider will:
- (1) Review available documentation from the original construction and previous rehabilitations and current or planned improvements to the greatest extent possible:
 - Site survey;
 - Appraisals;
 - As-built drawings or record drawings;
 - Previous accessibility surveys;
 - Planned Capital Improvements;
 - Planned maintenance or replacement;
 - Previous reports on Property condition;
 - Existing Physical Deficiencies and pending work;
 - Warranties for construction products, appliances and equipment;
 - Preventative maintenance requirements;
 - Operations and maintenance plans;
 - Maintenance reports and contracts; and
 - Previous repairs, improvements or replacements.
 - (2) Make all appropriate inquiries to obtain and review any relevant information relating to the Property from the local governmental agencies and departments having jurisdiction over the Property. Documentation should include, to the greatest extent possible:
 - Certificates of Occupancy;
 - Inspection records and certificates;
 - Reports of existing building / fire code violations;
 - Reports of existing regulatory, health or zoning violations; and
 - Documentation of ongoing or pending litigation on Physical Conditions of the Property.
 - (3) Interview Applicant's point of contact and/or maintenance staff via a Pre-Site Visit questionnaire (Appendix E of the CNA Guide) to acquire information about preceding or pending repairs, replacements and their costs, level of preventive maintenance exercised;
 - (4) Conduct a review of the expected useful life of all equipment and building components using the Corporation's Estimated Useful Life Tables (Appendix F of the CNA Guide);
 - (5) Physically inspect the property via visual observation unless specified otherwise;

- (6) Develop a 15-year replacement reserve table to be used in credit underwriting and post-rehabilitation asset management in the prescribed format indicated in Appendix K of the CNA Guide;
 - (7) Review the Corporation requirements in Section Four A.8. of the RFA; and
 - (8) Consider the Applicant's scope of work preferences. (Note: The CNA provider will use his/her professional judgement in the appropriateness of items included in the Applicant's scope.)
- e. At a minimum, the physical inspection will include:
- (1) All vacant and out-of-service units;
 - (2) At least 25% of all occupied units;
 - (3) All units set aside to meet Section 504 of the Rehabilitation Act of 1973, as outlined in Section Four, A.8.a. of the RFA;
 - (4) At least one unit in each building;
 - (5) At least one unit of each bedroom-size configuration;
 - (6) All common areas; and
 - (7) For scattered sites, at least one unit from each site, but no less than the percentages specified above.
- f. The CNA provider will independently evaluate every aspect of the property including basic development information, evaluation of the Corporation's required construction features (if present), site conditions, building components and systems, amenities and program features and hazardous materials and conditions as indicated in Appendix A of the CNA Guide. The CNA provider should document representative conditions with photographs as prescribed in the CNA Guide and use reasonable efforts to document typical conditions present including material physical deficiencies, if any.
- g. The CNA provider shall also identify any known or observed deficiencies with the property, considering both individual units and common areas. The CNA provider should separately list in the CNA any existing conditions which threaten the life and safety of residents. Exigent needs of this nature should be brought to the attention of the property management, the Credit Underwriter, and the Corporation through the CNA report.
- h. The CNA Provider shall conduct an accessibility survey using the format prescribed in Appendix B of the CNA Guide and the FHFC Accessibility requirements outlined in Section Four A.8.a. and c. of the RFA. i. After the inspection and evaluation is complete, the CNA provider will deliver a CNA report to the Credit Underwriter and the Corporation.  - f. Upon the close of the Applicant's 14 Calendar Day review and comment period, the Credit Underwriter shall have a 7 Calendar Day review period in which the Credit Underwriter may craft opinions and recommendations to the Corporation regarding the Applicant's comments on the Draft Scope of Work. No later than the end of this 7 Calendar Day period, the Credit Underwriter shall submit the CNA report, the draft Scope of Work, the Applicant's comments (on the draft scope) and the Credit Underwriter's opinions and recommendations to the Corporation.
 - g. The Corporation shall review the material provided by the Credit Underwriter to first determine that all of the requirements of Section Four A.8.a.and c. have been met within available sources for the proposed Rehabilitation of the Development. If the Corporation determines the above requirements cannot be met with available sources, the preliminary award will be rescinded.
4. Credit Underwriting and Beyond (Steps 12–15)
- a. If the Corporation determines that all of the requirements of Section Four A.8.a. and c. can be met, and that there are no other issues that would disqualify the Applicant, then the Credit Underwriting process may proceed.
 - b. During the Credit Underwriting process, the Corporation will review and approve the final Scope of Work for the project.
 - c. Once the Corporation has approved the final Scope of Work for the Development, the Applicant must develop construction plans and the schedule of values for the Development. These construction plans shall be submitted to the Corporation for review and approval during the credit underwriting process.
