SECTION ONE INTRODUCTION

This Request for Applications (RFA) is open to Applicants proposing the rehabilitation of affordable, multifamily housing utilizing Elderly Housing Community Loan (EHCL) funding established under Section 420.5087(3)(e), F.S. Funding under this RFA must be used to provide for life-safety, building preservation, health, sanitation, or security-related repairs or improvements to Developments currently serving Elderly residents as defined in 420.503(15), F.S.

Florida Housing Finance Corporation (the Corporation) expects to have up to an estimated \$2,524,476 of EHCL funding comprised of a portion of the State Apartment Incentive Loan (SAIL) funding appropriated by the 2019 Florida Legislature. Preference will be given first to proposed Developments located in Small Counties, then Medium Counties and, finally, in Large Counties.

The county geographic categories are outlined in Section Four A.5.a. of the RFA.

The Applicant must compile all of the attachments described in the RFA into one pdf file separated by pages labeling each Attachment to create the All Attachments Document. This may be accomplished by merging the documents using a computer program such as Adobe Acrobat Pro or by scanning all of the attachments together.

Note: The Corporation has provided sample pages that may be used to separate the attachments on the RFA Website. If any of the attachments are not applicable, the Applicant should insert a page stating “N/A” behind the separation page.

3. Uploading the Application Package

The Application Package consists of Exhibit A, the Development Cost Pro Forma, and the All Attachments Document. To upload the Application Package:

Then the Uploaded Application (consisting of both documents comprising the Application Package), and its assigned Response Number will be visible in the first column.

Note: If the Applicant clicks "Delete" prior to the Application Deadline, the Application will no longer be considered a Submitted Application and the Applicant will be required to upload the Application Package again in order for these documents to be considered an Uploaded Application. This will generate a new Response Number.

4. Submission to the Corporation

By the Application Deadline, the Applicant must provide to the Corporation the following:

- a. A sealed package containing a printed copy of the final Application Package housed in a 3-ring-binder with numbered divider tabs for each attachment. The final assigned Response Number should be reflected on each page of the printed copy of the Application Package; and

For purposes of the funding selection process, the Corporation shall not accept any Application withdrawal request that is submitted between 5:00 p.m., Eastern Time, on the last business day before the date the scoring committee meets to make its recommendations until after the Board has taken action on the scoring committee's recommendations, and such Application shall be included in the funding selection process as if no withdrawal request had been submitted. 8. Funding:

a. Corporation Funding:

The Maximum eligible EHCL Request Amount is limited to \$750,000 per Development.

The EHCL loan shall be non-amortizing and shall have an interest rate of 1 percent.

The Applicant must state the amount of EHCL funding it is requesting. In the event of a discrepancy between the amount shown in this section and that shown elsewhere within the Application, the amount shown in this section shall be deemed to be the Applicant's EHCL Request Amount. During the scoring process, if the Applicant states an EHCL Request Amount that is greater than the amount the Applicant is eligible to request, the Corporation will reduce the amount down to the maximum amount the Applicant is eligible to request and such adjusted amount will be deemed to be the Applicant's Eligible EHCL Request Amount.

b. Applicant Match Funding:

To be eligible for funding, the Applicant must commit to match at least five (5) percent of the Applicant's Eligible EHCL Request Amount. Match funds must be from cash loans, cash grants and/or cash on hand (Match Funding) from local or other non-Corporation sources. For each source of Match Funding the Applicant must provide, as **Attachment 7** to Exhibit A, a copy of the executed commitments or approvals. Match funds for which approvals or commitments are not provided will not be counted as a source of funding or counted as Match Funding. c. Previous FHFC Funding – If applicable, the Applicant must list previous FHFC funding sources in the Application:

- (1) The Applicant must indicate whether the Development has received previous EHCL funding and/or other Corporation funding. During ranking, preference will be given to Applications for Developments that have not been previously funded through the EHCL program.

d. Development Cost Pro Forma:

All Applicants must complete the Development Cost Pro Forma and the Detail/Explanation Sheet, if applicable, listing the anticipated sources of funding and Development Costs. The sources must equal or exceed the uses. During the scoring process, if any portion of a Match Funding source is not considered and/or if the Applicant's EHCL Request Amount is adjusted downward, as outlined in Section Four A.8.a. above, this may result in a funding shortfall. If the Application has a funding shortfall, it will be ineligible to be considered for funding.

The Development Cost Pro Forma must include all anticipated costs of the Development rehabilitation and, if applicable, acquisition. Any amounts that are not an anticipated cost to the Development, such as waived fees or charges, cannot be included in the Development Cost Pro Forma. Fees associated with the EHCL loan such as first mortgage review fees, credit underwriting fees, etc., may be included and are eligible to be paid out of loan proceeds.

Eligible activities are limited to life-safety, health, sanitation, or security-related repairs or improvements which result in making the Development safe and secure, and meeting the requirements of state, federal, or local regulations. These activities may include, but are not limited to, the following:

B. Selection Process

1. Application Sorting Order

All eligible Applications will be sorted from highest score to lowest score, with any scores that are tied separated in the following order:

- (1) First, Applications that have not been previously funded through the EHCL Program will be listed above Applications that have previously received funding through the EHCL Program;

- (2) Next, Applications for Developments that were completed prior to January 1, 1999 will be listed above Applications for Developments completed since January 1, 1999;
- (3) Next, Applications for Developments with existing financing through a HUD program will be listed above Applications for Developments that do not have existing HUD financing;
- (4) Next by the Application's eligibility for the Florida Job Creation preference which is outlined in Exhibit C (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- (5) Finally, by lottery number, with Applications that have a lower lottery number listed above Applications with a higher lottery number.

2. Funding Test

Unless stated otherwise below, for purposes of this RFA Funding Test means that Applications will be selected for funding only if there is enough funding available to fund at least 90 percent the Eligible EHCL Request Amount. If an Application is selected for funding with at least 90 percent of the Application's Request Amount, the Applicant will be required to provide for the unfunded balance during credit underwriting.

3. County Award Tally

As each Application is selected for tentative funding, the county where the proposed Development is located will have one (1) Application credited toward the County's Award Tally. The Corporation will prioritize eligible unfunded Applications that meet the Funding Test and are located in counties that have the lowest County Award Tally above other eligible unfunded Applications with a higher County Award Tally that also meet the Funding Test, even if the Applications with a higher County Award Tally are higher ranked.

4. The Funding Selection Process

The selection process will begin first with Applications in Small Counties, followed by those in Medium Counties, and then followed by those in Large Counties, as outlined below.

- (1) The first Application(s) tentatively selected for funding will be the highest ranking eligible Small County Application(s), provided the Application(s) (a) can meet the Funding Test, and (b) has a County Award Tally that is less than or equal to any other eligible unfunded Small County Applications that also meet the Funding Test.

- (2) If funding remains and none of the eligible unfunded Small County Applications can meet the Funding Test, the next Application(s) tentatively selected for funding will be the highest scoring eligible Medium County Application(s), provided the Application(s) (a) can meet the Funding Test, and (b) has a County Award Tally that is less than or equal to any other eligible unfunded Medium County Applications that also meet the Funding Test.
- (3) If funding remains and none of the eligible unfunded Medium County Applications can meet the Funding Test, the next Application(s) tentatively selected for funding will be the highest scoring eligible Large County Application(s), provided the Application(s) (a) can meet the Funding Test, and (b) has a County Award Tally that is less than or equal to any other eligible unfunded Large County Applications that also meet the Funding Test.
- (4) If funding remains and no eligible unfunded Large County Applications can meet the Funding Test then no further Applications will be selected for funding and the remaining funding will be distributed as approved by the Board.

5. Returned Allocation

Funding that becomes available after the Board takes action on the Committee's recommendations, due to an Applicant withdrawing its Application, an Applicant declining its invitation to enter credit underwriting, or an Applicant's inability to satisfy a requirement outlined in this RFA and/or provisions outlined in Rule Chapter 67-48, F.A.C. will be distributed as approved by the Board.

**SECTION SIX
AWARD PROCESS**

Committee members shall independently evaluate and score their assigned portions of the submitted Applications, consulting with non-committee Corporation staff and legal counsel as necessary and appropriate.

The Committee will list the Applications deemed eligible for funding in order applying the funding selection criteria outlined in Section Five above and develop a recommendation or series of recommendations to the Board.

The Board may use the Applications, the Committee's scoring, any other information or recommendation provided by the Committee or staff, and any other information the Board deems relevant in its selection of Applicants to whom to award funding. Notwithstanding an award by the

Board pursuant to this RFA, funding will be subject to a positive recommendation from the Credit Underwriter based on criteria outlined in the credit underwriting provisions in Rule Chapter 67-48, F.A.C.

The Corporation shall provide notice of its decision, or intended decision, for this RFA on the Corporation's Website the day of the applicable Board vote. 2. Florida Job Creation Funding Preference:

Each Application will be measured to determine whether it qualifies for the Florida Job Creation Preference. To determine eligibility for the preference, the Corporation will calculate the Application's Florida Job Creation score, which will reflect the number of Florida jobs per \$1,000,000 in EHCL funding. Only Applications with a score equal to or greater than 125 will qualify for the Florida Job Creation Preference in Section Five B of the RFA.

Determination of the Florida Job Creation score will be based on the following information:

- The number of units in the Development;
- The applicable Florida job creation rate 1.247 Florida Jobs per unit; and
- The Eligible EHCL Request Amount.

The score for the Florida Rate of Job Creation per \$1,000,000 of EHCL funding will be measured using the following calculation:

Number of units x 1.247 Florida Jobs per unit x \$1,000,000 / Eligible EHCL Request Amount = Florida Jobs per \$1,000,000 of EHCL funding.

For example:

Application A consists of 98 units and has an Eligible EHCL Request Amount of \$750,000.

$$98 \times 1.247 \times \$1,000,000 / \$750,000 = \text{Florida Job Creation score of } 162.94$$

In the above example, Application A will qualify for the Job Creation Preference because it has a Florida Job Creation score that is at least 125.

3. Fees:

The Corporation and, if applicable, the Credit Underwriter shall collect via check or money order from the Applicant the following fees and charges in conjunction with the EHCL Program. Failure to pay any fee shall cause the funding to be withdrawn as outlined in the credit underwriting and program requirements outlined in Rule Chapter 67-48, F.A.C.

- a. Application Fee:

All Applicants requesting EHCL funding shall submit to the Corporation as a part of the Application submission a non-refundable Application fee of \$500.

b. Credit Underwriting Fees:

The following fees are not the fees that will be charged but are listed below for estimation purposes of completing your pro-forma in the Application. The actual fees will be determined based on the current contract, including any addendum for services between the Corporation and the Credit Underwriter(s) in effect at the time underwriting begins.

- (1) Initial fee: \$3,912
- (2) Re-underwriting fee: \$181 per hour, not to exceed \$2,135

Any EHCL Development requiring further analysis by the Credit Underwriter pursuant to this RFA will be subject to a fee based on an hourly rate determined pursuant to contract between the Corporation and the Credit Underwriter. All credit underwriting fees shall be paid by the Applicant prior to the performance of the analysis by the Credit Underwriter.

- (3) Extraordinary Services fee: \$181 per hour.

c. Commitment Fees:

With respect to the EHCL Program funding, each Applicant to which a firm commitment is granted shall submit to the Corporation a non-refundable commitment fee of \$1,000 upon acceptance of the firm commitment.

- (2) All Applicants shall remit the commitment fee payable to the Florida Housing Finance Corporation.

e. Loan Servicing Fees:

will be based on the current contract and any addendum for services between the Corporation and the Servicer(s).

(1) Construction Loan Servicing Fees:

EHCL loans each have a Construction Loan Servicing Fee to be paid as indicated. The following fees are listed for estimation purposes whereby the actual fees will be determined based on the current contract, including any addendum for services between the Corporation and Servicer(s).

- \$181 per hour for an in-house review of a draw request
- \$181 per hour for on-site inspection fees, up to a maximum of \$1,793 per draw.
- \$181 per hour for extraordinary services

(2) Permanent Loan Servicing Fees:

EHCL loans each have a Permanent Loan Servicing Fee to be paid annually. The following fee is listed for estimation purposes whereby the actual fees will be determined based on the current contract, including any addendum for services between the Corporation and Servicer(s).

Annual fee of 25 bps of the outstanding loan amount, with a minimum monthly fee of \$216 and a maximum monthly fee of \$859, and an hourly fee of \$181 for extraordinary services.

f. Additional EHCL Fees:

EHCL Applicants will be responsible for all fees associated with the Corporation's legal counsel related to the EHCL Program based on the current contract for services between the Corporation and the legal counsel.

g. Development Cost Pro Forma:

All fees set forth above with respect to the EHCL Program are part of Development Cost and can be included in the Development Cost Pro Forma and paid with loan proceeds.

4. Additional Program Requirements

- a. The firm loan commitment must be issued within twelve (12) months of the Applicant's acceptance to enter credit underwriting. Unless an extension is approved by the Corporation in writing, failure to achieve credit underwriting report approval and issuance of a firm loan commitment by the specified deadline shall result in withdrawal of the preliminary commitment. Applicants may request one (1) extension of up to six (6)

months to secure a firm loan commitment. All extension requests must be submitted in writing to the program administrator and contain the specific reasons for requesting the extension and shall detail the time frame to achieve a firm loan commitment. In determining whether to grant an extension, the Corporation shall consider the facts and circumstances of the Applicant's request, inclusive of the responsiveness of the Development team and its ability to deliver the Development timely. The Corporation shall charge a non-refundable extension fee of one-half of one percent of each loan amount if the request to extend the credit underwriting and firm loan commitment process beyond the initial twelve (12) month deadline is approved. If an approved extension is utilized, Applicants must pay the extension fee not later than seven (7) Calendar Days after the original deadline. Any such request must be made in writing to the Corporation. If, by the end of the extension period, the Applicant has not received a firm loan commitment, then the preliminary commitment shall be withdrawn.

- b. The loan must close within 180 Calendar Days of the date of the firm loan commitment(s). Unless an extension is approved by the Board, failure to close the loan by the specified deadline outlined above shall result in the firm loan commitment being deemed void and the funds shall be de-obligated. Applicants may request one (1) extension of the loan closing deadline outlined above for a term of up to 90 Calendar Days. All extension requests must be submitted in writing to the program administrator and contain the specific reasons for requesting an extension and shall detail the time frame to close the loan. The Board shall consider the facts and circumstances of each Applicant's request, inclusive of the Applicant's ability to close within the extension term and any credit underwriting report, prior to determining whether to grant the requested extension. The Corporation shall charge an extension fee of one half of one percent of each Corporation loan amount if the Board approves the request to extend the loan closing deadline beyond the 180 Calendar Day period outlined above. If an approved extension is utilized, Applicants must pay the extension fee not later than seven (7) Calendar Days after the original loan closing deadline. Any such request must be made in writing to the Corporation. In the event the Corporation loan(s) does not close by the end of the extension period, the firm loan commitment(s) shall be deemed void and the funds shall be de-obligated.
