

REQUEST FOR APPLICATIONS 2020-208

**SAIL AND HOUSING CREDIT FINANCING FOR THE CONSTRUCTION
OF WORKFORCE HOUSING**

Issued By:

FLORIDA HOUSING FINANCE CORPORATION

Issued: February 24, 2020

Due: March 30, 2020

SECTION ONE INTRODUCTION

This Request for Applications (RFA) is open to Applicants proposing the construction of workforce housing.

Florida Housing Finance Corporation (the Corporation) expects to have up to \$15,434,000 in State Apartment Incentive Loan (SAIL) Program funding to serve primarily low-income persons (i.e., households with incomes that do not exceed 80 percent of the Area Median Income (AMI) as defined in Section 420.0004, F.S.) and moderate-income persons (i.e., households with incomes that do not exceed 120 percent of the AMI as defined in Section 420.0004, F.S.). The Corporation also expects to have up to an estimated \$2,980,000 of Competitive Housing Credits available for award to proposed Developments located in Monroe County serving low-income households at or below 60 percent of the AMI.

For all counties other than Monroe County, the SAIL funding must be paired with Tax-Exempt Bonds and Non-Competitive Housing Credits (“4% HC”). In its response to this Application, the Applicant must also request either Corporation-issued Multifamily Mortgage Revenue Bonds (MMRB) and 4% HC or 4% HC to be used with Tax-Exempt Bonds obtained through the appropriate County (County HFA-issued Bonds). Proposed Developments are not eligible to apply for any funding offered in this RFA if the Applicant has already closed on the Tax-Exempt Bond financing prior to the Application Deadline for this RFA. In addition, proposed Developments are not eligible to receive any funding awarded through this RFA if the Applicant closes on the Tax-Exempt Bond financing prior to the issuance of the preliminary commitment for the SAIL funding. If the Bonds are closed between the Application Deadline and issuance of the SAIL preliminary commitment, the Applicant’s awards under this RFA will be rescinded.

The Corporation is soliciting applications from qualified Applicants that commit to provide workforce housing in accordance with the terms and conditions of this RFA, inclusive of all Exhibits, applicable laws, rules and regulations, and the Corporation’s generally applicable construction and financial standards.

SECTION TWO DEFINITIONS

Capitalized terms within this RFA shall have the meaning as set forth in Exhibit B, Rule Chapters 67-21 and 67-48, F.A.C. (effective July 11, 2019), and 67-60, F.A.C., (effective July 8, 2018), or in applicable federal regulations.

SECTION THREE PROCEDURES AND PROVISIONS

Unless otherwise stated within the RFA, the Application package, forms, and other information related to this RFA may be found on the RFA Website at <https://www.floridahousing.org/programs/developers-multifamily-programs/competitive/2020/2020-208> (also available by clicking [here](#)).

- A. Submission Requirements
 - 1. Application Deadline

The Application Deadline is **3:00 p.m., Eastern Time, on March 30, 2020.**

2. Completing the Application Package

a. Downloading and completing the documents provided by the Corporation

Download and complete the following documents found on the RFA Website:

- (1) The Application (Exhibit A of the RFA);
- (2) The Development Cost Pro Forma; and
- (3) The Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019) (“Principals Disclosure Form”). A Principals Disclosure Form that was approved during the Advance Review Process, which is described in Section Four A.3.c. of the RFA, may be used to satisfy this requirement.

The download process may take several minutes. Applicants should save these three documents with a file name that is unique to the specific Application.

b. Creating the All Attachments Document

In addition to the three documents described in a. above, the Application Package also includes one copy consisting of all of the applicable completed Attachments described in the RFA (“All Attachments Document”).

Compile all of the attachments described in the RFA into one pdf file separated by pages labeling each Attachment to create the All Attachments Document. This may be accomplished by merging the documents using a computer program such as Adobe Acrobat Pro or by scanning all of the attachments together.

Note: The Corporation has provided sample pages that may be used to separate the attachments on the RFA Website. If any of the attachments are not applicable, the Applicant should insert a page stating “Not Applicable” behind the separation page.

3. Uploading the Application Package

The Application Package consists of Exhibit A, the Development Cost Pro Forma, the Principal Disclosure Form, and the All Attachments Document. To upload the Application Package:

- a. Go to the webpage RFA Website.
- b. Click the link to login and upload the Application Package. Note: A username and password must be entered. If the Applicant has not previously created a username and password, the Applicant will need to create one prior to the upload process.
- c. After successfully logging in, click “Upload Application Package.” Enter the Development Name and click “Browse” to locate the following completed documents saved on the Applicant’s computer:
 - (1) The Application (Exhibit A) in Word format;

- (2) The Development Cost Pro Forma in Excel format;
- (3) The Principals Disclosure form in Excel format. (If the Applicant received an approved Principals Disclosure Form through the Advance Review Process, the approved form is what should be uploaded);
- (4) The All Attachments Document in a pdf format.

The average file size is 1.0 MB and should take a moment or two to upload. Larger files may take longer to upload. There is a file size limit of 15 MB, but this may be able to be reduced without reducing the number of pages submitted. Examples of factors that affect file size include the resolution of the scanner or scanning the documents in color or as a graphic/picture.

- d. After the four documents are displayed in the Upload webpage, click "Upload Selected Files" to electronically submit the documents to the Corporation by the Application Deadline. Then the Uploaded Application (consisting of all four documents comprising the Application Package), and its assigned Response Number will be visible in the first column.

Note: If the Applicant clicks "Delete" prior to the Application Deadline, the Application will no longer be considered a Submitted Application and the Applicant will be required to upload the Application Package again in order for these documents to be considered an Uploaded Application. This will generate a new Response Number.

4. Submission to the Corporation

By the Application Deadline, provide to the Corporation the following:

- a. A sealed package containing a printed copy of the final Application Package housed in a 3-ring-binder with numbered divider tabs for each attachment. The final assigned Response Number should be reflected on each page of the printed copy of the Application Package; and
- b. The required non-refundable \$3,000 Application fee, payable to Florida Housing Finance Corporation (check or money order only).

The Applicant should label the outside of the shipping box with the applicable RFA number. The Corporation will not consider faxed or e-mailed Applications.

After 3:00 p.m., Eastern Time, on the Application Deadline, each Application for which a hard copy, an electronically submitted copy, and the Application Fee are received by the Application Deadline will be assigned an Application number. In addition, these Applications will be assigned a lottery number by having the Corporation's internal auditors run the total number of Applications received through a random number generator program.

The printed copy of the Application Package must be addressed to:

Marisa Button
 Director of Multifamily Programs
 Florida Housing Finance Corporation
 227 N. Bronough Street, Suite 5000, Tallahassee, FL 32301

If the hard copy of the Application Package is not identical to the electronically submitted Application Package, the electronically submitted Application Package will be utilized for scoring purposes.

Pursuant to subsection 67-60.004(2), F.A.C., any Applicant may request withdrawal of its Application from a competitive solicitation by filing a written notice of withdrawal with the Corporation Clerk. For purposes of the funding selection process, the Corporation shall not accept any Application withdrawal request that is submitted between 5:00 p.m., Eastern Time, on the last business day before the date the Review Committee meets to make its recommendations until after the Board has taken action on the Review Committee's recommendations, and such Application shall be included in the funding selection process as if no withdrawal request had been submitted. Any funding or allocation that becomes available after such withdrawal is accepted shall be treated as Returned Funding and disposed of according to Section Five B. of the RFA.

To be eligible for funding, at least one natural person Principal of the Developer entity, or if more than one Developer entity, at least one natural person Principal of at least one of the Developer entities, must meet the General Development Experience requirements in (a) and (b) below. The individual meeting the General Development Experience requirements must be disclosed on the Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019) and must remain with the Development until the release of the operating deficit guarantee set forth in Rule 67-48.0072(18).

At least one of the three completed developments must consist of a total number of units no less than 50 percent of the total number of units in the proposed Development. For purposes of this provision, completed for each of the three developments means (i) that the temporary or final certificate of occupancy has been issued for at least one unit in one of the residential apartment buildings within the development, or (ii) that at least one IRS Form 8609 has been issued for one

of the residential apartment buildings within the development. As used in this section, a Housing Credit development that contains multiple buildings is a single development regardless of the number of buildings within the development for which an IRS Form 8609 has been issued.

If the experience of a natural person Principal for a Developer entity listed in this Application was acquired from a previous affordable housing Developer entity, the natural person Principal must have also been a Principal of that previous Developer entity as the term Principal was defined by the Corporation at that time.

(b) Prior General Development Experience Chart

| Name of Developer Entity (for the proposed Development) for which the above individual is a Principal: | | | | |
| Name of Development | Location (City & State) | Affordable Housing Program that Provided Financing (e.g., Housing Credits, Tax-Exempt Bonds, HOME, SAIL, etc.) | Total Number of Units | Year Completed |

c. Principals Disclosure for the Applicant and for each Developer (5 points)

(1) Eligibility Requirements

To meet the submission requirements, upload the Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019) (“Principals Disclosure Form”) as outlined in Section Three above. Prior versions of the Principal Disclosure Form will not be accepted.

To meet eligibility requirements, the Principals Disclosure Form must identify, pursuant to Subsections 67-48.002(94), 67-48.0075(8) and 67-48.0075(9), F.A.C., the Principals of the Applicant and Developer(s) as of the Application Deadline. A Principals Disclosure Form should not include, for any organizational structure, any type of entity that is not specifically included in the Rule definition of Principals.

For Housing Credits, the investor limited partner of an Applicant limited partnership or the investor member of an Applicant limited liability company must be identified.

(2) Point Item

Applicants will receive 5 points if the uploaded Principal Disclosure Form was stamped “Approved” during the Advance Review Process. The Advance Review Process for Disclosure of Applicant and Developer Principals is available on the RFA Website and also includes samples which may assist the Applicant in completing the required Principals Disclosure Form.

Note: It is the sole responsibility of the Applicant to review the Advance Review Process procedures and to submit any Principals Disclosure Form for review in a timely manner in order to meet the Application Deadline.

- (3) For purposes of the following, a material change shall mean 33.3 percent or more of the Applicant, a general partner of the Applicant, or a non-investor member of the Applicant, and a non-material change shall mean less than 33.3 percent of the Applicant, a general partner of the Applicant, or a non-investor member of the Applicant.

The name of the Applicant entity or Developer entity stated in the Application may be changed only by written request of an Applicant to Corporation staff and approval of the Board after the Applicant has been invited to enter credit underwriting.

The Applicant entity shall be the recipient of the Housing Credits, as applicable, and the borrowing entity for the SAIL loan(s) and, if applicable, the MMRB loan, and cannot be changed in any way (materially or non-materially) until after the closing of the loan(s). After loan closing, (a) any material change will require review and approval of the Credit Underwriter, as well as approval of the Board prior to the change, and (b) any non-material change will require review and approval of the Corporation, as well as approval of the Board prior to the change. Changes to the Applicant entity (material or non-material) prior to the loan closing or without Board approval after the loan closing may result in disqualification from receiving funding and may be deemed a material misrepresentation. Changes to the officers or directors of a Public Housing Authority, officers or directors of a non-profit entity, or the investor-limited partner of an Applicant limited partnership or the investor-member of an Applicant limited liability company owning the syndicating interest therein will not result in disqualification, however, the change must be approved by the Corporation.

- (4) The Principals of each Developer identified in the Application, including all co-Developers, may be changed only by written request of an Applicant to Corporation staff and approval of the Board after the Applicant has been invited to enter credit underwriting. In addition, any allowable replacement of an experienced Principal of a Developer entity must meet the experience requirements that were met by the original Principal.

properties (i.e., properties funded through an affordable housing program such as Housing Credits, Tax-Exempt Bonds, HOME, SAIL, etc.), at least one of which consists of a total number of units no less than 50 percent of the total number of units in the proposed Development, for at least two years each.

The prior experience chart must include the following information:

| Prior General Management Experience Chart | | | | |
|---|-------------------------|--|----------------------------------|-----------------------|
| Name of Management Company or a Principal of the Management Company with the Required Experience: | | | | |

- (2) A separate Operational Contact Person may be included, if desired. If provided, the Operational Contact Person will be the recipient of any general correspondence associated with the Development activities that does not require a signature. If an Operational Contact Person is not provided, the Authorized Principal Representative will be the recipient of any such documentation.

4. General Proposed Development Information

- a. State the name of the proposed Development.
- b. Development Category

The proposed Development must consist entirely of new construction. Rehabilitation of existing units is not allowed.

c. Development Type

Select the Development Type for the proposed Development. For mixed-type Developments, indicate the type that will comprise the majority of the units in the Development.

- Garden Apartments (a building comprised of 1, 2 or 3 stories, with or without an elevator)
- Townhouses
- Duplexes

- Quadraplexes
- Mid-Rise, 4-stories (a building comprised of 4 stories and each residential building must have at least one elevator)
- Mid-Rise, 5 to 6-stories (a building comprised of 5 or 6 stories and each residential building must have at least one elevator)
- High Rise (a building comprised of 7 or more stories and each residential building must have at least one elevator)

For purposes of determining the number of stories, each floor in the building(s) should be counted regardless of whether it will consist of retail, parking, or residential.

d. Enhanced Structural Systems (“ESS”) Construction Qualifications

To qualify as “Enhanced Structural Systems Construction” or “ESS Construction” for purposes of the Total Development Cost Limitation calculation, the proposed Development must meet at least one of the specifications listed below.

- (1) For all new construction buildings, all of the following structural elements must consist of 100 percent poured concrete/masonry, 100 percent steel, or a combination adding up to 100 percent of concrete/masonry and steel, as verified during credit underwriting: all exterior walls and other external load-bearing elements, as well as the floor of the lowest story of the building that contains residential, commercial or storage space (other than parking), and any under-floor/under-ground supports for that lowest story’s floor.
- (2) Any new construction buildings with the Development Type of Mid-Rise (4, 5 or 6 story) that utilize a ESS Podium Structure shall qualify as “ESS Construction.” New construction buildings of other Development Types that utilize a ESS Podium Structure must meet the requirements in (1) above in order to qualify as “ESS Construction.” In this event, the top surface of the podium itself shall be considered to be the floor of the lowest story of the building that contains residential, commercial or storage space (other than parking).

For the purposes of determining “ESS Construction,” there is no requirement regarding the materials to be used in the roof of the building.

The term “ESS Podium Structure” shall mean a non-residential support structure underneath the rental units constructed solely of concrete/masonry, steel, or some combination of concrete/masonry and steel together, and where said structure under the rental units must utilize at least 85 percent of the square footage for parking or non-commercial utility/ancillary building uses only. Up to 15 percent of the square footage can be used for other non-residential purposes.

These qualifying criteria specifically exclude face brick or brick veneer from qualifying as ESS Construction for purposes of this RFA unless the proposed Development otherwise meets the requirements in (1) or (2) above.

For purposes of this RFA, the Corporation will consider an Application to be ESS Construction if the answer to question 4.d. of Exhibit A is “Yes.” This will be verified during the credit underwriting process. If this cannot be verified the Development will no longer be considered ESS Construction, and funding awarded under this RFA may be rescinded.

Note: 30.443900, -84.283960 is an example of decimal degrees format, represented to six decimal places.

e. Proximity

Monroe County: Applications for a proposed Development located in Monroe County will automatically receive the maximum proximity score and qualify for the Proximity Funding Preference without the requirement to provide services information outlined below.

For all counties, other than Monroe County: The Application may earn proximity points based on the distance between the Development Location Point and the Bus or Rail Transit Service (if Private Transportation is not selected at question 5.e.(2)(a) of Exhibit A) and the Community Services stated in Exhibit A. Proximity points are awarded according to the Transit and Community Service Scoring Charts outlined in Item 2 of Exhibit C. Proximity points will not be applied towards the total score. Proximity points will only be used to determine whether the Applicant meets the required minimum proximity eligibility requirements and the Proximity Funding Preference, as outlined in the chart below.

Requirements and Funding Preference Qualifications

All Large County Applications must achieve a minimum number of Transit Service Points and achieve a minimum number of total proximity points to be eligible for funding. Small and Medium County Applications are not required to achieve a minimum number of Transit Service Points, but must achieve a minimum number of total proximity points to be eligible for funding. All Applications that achieve a higher number of total proximity points may also qualify for the Proximity Funding Preference as outlined below.

| Location of Proposed Development | Required Minimum Transit Service Points if Eligible for PHA Proximity Point Boost | Required Minimum Transit Service Points if NOT Eligible for PHA Proximity Point Boost | Required Minimum Total Proximity Points that Must be Achieved to be eligible for funding | Total Proximity Points that Must be Achieved to Receive the Proximity Funding Preference |
|----------------------------------|---|---|--|--|
| Large County | 1.5 | 2 | 10.5 | 12.5 or more |

| | | | | |
|---|-----|-----|---|-----------|
| Medium County | N/A | N/A | 7 | 9 or more |
| Small County (other than Monroe County) | N/A | N/A | 4 | 6 or more |

The Application may earn proximity points through the following:

- Qualifying for the PHA Proximity Point Boost;
- Providing private transportation or based on the distance between the Development Location Point and the Bus or Rail Transit Service; and
- Based on the distance between the Development Location Point and the Community Services.

(1) PHA Proximity Point Boost

(a) PHA Proximity Point Boost

An Application that involves a site(s) with an existing Declaration of Trust between a Public Housing Authority (PHA) and HUD will qualify to receive a 3-point boost toward its proximity score if the Applicant provides a letter from the PHA dated within 12 months of the Application Deadline certifying that the site(s) where all of the units in the proposed Development will be located has an existing Declaration of Trust between the PHA and HUD. The letter must be signed by the appropriate person authorized to make such a certification and must be provided as **Attachment 7*** to Exhibit A. Note: This 3-point boost will not count toward meeting the Minimum Transit Services score.

Note: Attachment 6 was intentionally omitted.

- (b) All Large County Applications that qualify for the PHA Proximity Point Boost will be required to achieve at least 1.5 Transit Service Points. All other Large County Applications will be required to achieve at least 2.0 Transit Service Points.

(2) Transit Services (Maximum of 6 points)

Applicants may select Private Transportation or provide the location information and distance for one of the remaining four Transit Services on which to base the Application’s Transit Score. The Transit Service Scoring Charts, reflecting the methodology for calculating the points awarded based on the distances, are outlined Exhibit C.

Location of coordinates for Transit Services

For Public Bus Stop, Public Bus Rapid Transit Stop, Public Bus Transfer Stop, and Rail Station, coordinates must represent the location where passengers may embark and disembark the bus or train.

(a) Public Bus Stop (Maximum 6 Points)

- (i) This service is defined in Exhibit B and may be selected by all Applicants.
- (ii) Up to three Public Bus Stops may be selected. Each Public Bus Stop must meet the definition of Public Bus Stop as defined in Exhibit B, using at least one unique bus route. Up to two of the selected Public Bus Stops may be Sister Stops that serves the same route, as defined in Exhibit B.

or

(b) Public Bus Transfer Stop (Maximum 6 Points)

This service is defined in Exhibit B and may be selected by all Applicants.

or

(c) Public Bus Rapid Transit Stop (Maximum 6 Points)

This service is defined in Exhibit B and may be selected by all Applicants.

or

(d) Public Rail Station (Maximum 6 Points)

This service is defined in Exhibit B and may be selected by all Applicants.

(3) Community Services (Maximum 4 Points for each service, up to 3 services)

Applicants may provide the location information and distances for three of the following four Community Services on which to base the Application's Community Services Score. The Community Service Scoring Charts, which reflect the methodology for calculating the points awarded based on the distances, are outlined in Exhibit C.

Location of coordinates for Community Services

Coordinates must represent a point that is on the doorway threshold of an exterior entrance that provides direct public access to the building where the service is located. If there is no exterior public entrance to the Community Service, then a point should be used that is at the exterior entrance doorway threshold that is the closest walking distance to the doorway threshold of the interior public entrance to the service. For example, for a Pharmacy located within an enclosed shopping mall

structure that does not have a direct public exterior entrance, the latitude and longitude coordinates at the doorway threshold of the exterior public entrance to the enclosed shopping mall that provide the shortest walking distance to the doorway threshold of the interior entrance to the Pharmacy would be used.

Applicants may use the same latitude and longitude coordinates for the Grocery Store, Medical Facility and/or Pharmacy if the Grocery Store, Medical Facility and/or Pharmacy is housed at the same location.

Eligible Community Services

These are defined in Exhibit B. Up to three Community Services may be selected.

- (a) Grocery Store
 - (b) Public School
 - (c) Medical Facility
 - (d) Pharmacy
- (4) Scoring Proximity to Services (Transit and Community)

Applicants that wish to receive proximity points for Transit Services other than Private Transportation or points for any community service must provide latitude and longitude coordinates for that service, stated in decimal degrees, rounded to at least the sixth decimal place, and the distance between the Development Location point and the coordinates for the service. The distances between the Development Location Point and the latitude and longitude coordinates for each service will be the basis for awarding proximity points. Failure to provide the distance for any service will result in zero points for that service. The Transit and Community Service Scoring Charts reflecting the methodology for calculating the points awarded based on the distances are in Exhibit C.

f. Mandatory Distance Requirement

Monroe County: Applications for a proposed Development located in Monroe County will automatically qualify for the Mandatory Distance Requirement without the requirement to provide any information outlined below.

Applications that are not eligible for the automatic qualification will only qualify if the distance between the Development Location Point, and the latitude and longitude coordinates provided for any Scattered Sites, if applicable, to the coordinates for the other properties identified on the August 16, 2019 FHFC Development Proximity List (the List) that serve the Workforce demographic group meet the following distance requirements:

| | | |
|--|---|---|
| | Distance between the proposed Development and | Distance between the proposed Development and |
|--|---|---|

| | Developments on the List if the Development on the Proximity List has <u>at least</u> 31 Total Units | Developments on the List if the Development on the Proximity List has <u>less than</u> 31 Total Units |
|---|--|---|
| All Small Counties (other than Monroe County) | 2.0 miles | 1.0 miles |
| All Medium Counties | 1.0 miles | N/A |
| All Large Counties | 0.5 miles | N/A |

The August 16, 2019 FHFC Development Proximity List and mapping software to display both the Proximity List properties on the list and the Mandatory Distance Requirement buffers described in the chart above are available on the RFA Webpage.

An Applicant may disregard any Development(s) on the List if the proposed Development and any Development(s) on the List have one or more of the same Financial Beneficiaries and meet at least one of the following criteria: (i) they are contiguous or are divided by a street, and/or (ii) they are divided by a prior phase of the proposed Development. If this provision applies to the proposed Development, Identify the Development(s) on the List that it wishes to disregard.

6. Units and Buildings

- a. The Applicant must state the total number of units in the proposed Development.

Proposed Developments located in Monroe County must consist of a minimum of 20 total units. All other Developments must consist of a minimum of 85 total units and, if the Applicant is requesting Corporation-issued MMRB, cannot exceed a maximum of 300 total units.

Note: The total number of units stated in the Application may be increased, up to any applicable allowable limit, after the Applicant has been invited to enter credit underwriting, subject to written request of an Applicant to Corporation staff and approval of the Corporation.

- b. The proposed Development must consist entirely of new construction. Rehabilitation of existing units is not allowed.
- c. If there are existing occupied units and if the Development is funded, a plan for relocation of existing tenants will be required to be provided to the Credit Underwriter, as outlined in Exhibit D.
- d. Set-Aside Commitments
 - (1) Minimum Set-Aside Commitments per Section 42 of the IRC

Per Section 42 of the IRC, elect one of the following minimum set-aside commitments:

- 20% of the units at 50% or less of the Area Median Income (AMI)
- 40% of the units at 60% or less of the AMI
- Average Income Test

Note: Choosing the 20 percent at 50 percent AMI or less minimum set-aside will restrict ALL Set-Aside Units at 50 percent or less of the AMI. Applicants may select the 40 percent at 60 percent AMI or less minimum set-aside without committing to set aside any of the units at the 60 percent AMI level. For example, an Applicant may commit to set aside 40 percent at 50 percent AMI and this would also be considered 40 percent at 60 percent AMI or less.

The Average Income Test requires that (a) forty percent or more of the residential units in the Development be both rent-restricted and occupied by individuals whose income does not exceed the imputed income limitation designated by the Applicant with respect to the respective unit, subject to the special rules relating to income limitation which (b) require the Applicant to designate the imputed income limitation of each unit taken into account under (a) above, such that the average of the imputed income limitations of all units designated by the Applicant shall not exceed 60 percent of the area median income. The designated imputed income limitation of any such unit shall be in 10-percent increments as follows: 20 percent, 30 percent, 40 percent, 50 percent, 60 percent, 70 percent, or 80 percent of the area median income. If the Average Income Test is selected, the set-aside commitment for the Tax-Exempt Bonds will be 40 percent of the units at 60 percent or less of the AMI.

(2) Extremely Low Income (ELI) Set-Aside Requirements

The proposed Development must set aside a required percentage of total units for ELI Households. For purposes of this provision, the requirement to set aside units for ELI Households refers to the ELI Area Median Income (AMI) level for the county where the proposed Development is located, as outlined on the chart below.

If the Average Income Test is not selected, the proposed Development must set aside at least 10 percent of total units for ELI Households. If the Average Income Test is selected, the proposed Development must set aside at least 15 percent of total units for ELI Households and the ELI AMI level will be 30%, regardless of county.

If the Set-Aside Breakdown Chart reflects more than the applicable required percentage of the total units at the ELI AMI level for the county where the proposed Development is located, during the credit underwriting process the Credit Underwriter will determine whether the Applicant's ELI Set-Aside unit commitment will need to be reduced by increasing the set aside units at AMI level(s) above the ELI level. Any such reduction in the ELI Set-Aside units would be no lower than the applicable required ELI Set-Aside percentage.

| 2019 ELI County Chart | | | | | |

(3) Link Units for Persons with Special Needs

With the exception of Developments financed with HUD Section 811, a United States Department of Agriculture RD program, all Developments must commit to set-aside 50 percent of the ELI Set-Aside units as Link Units for Persons with Special Needs.

At least one member of each Link unit’s household shall be referred by a Special Needs Household Referral Agency (Referral Agency) with which the owner executes a Link Memorandum of Understanding (MOU) approved by the Corporation. The current list of designated Special Needs Household Referral Agencies for each county is published on the Corporation’s Website at <http://apps.floridahousing.org/StandAlone/SpecialNeeds/ContentPage.aspx?PAGE=Link%20Initiative%20Page> (also accessible by clicking [here](#)). Execute a Link Memorandum of Understanding (MOU) with at least one of the Special Needs Household Referral Agencies serving the Development’s county. The deadline for the

Corporation's approval of the fully executed Link MOU will be stated in the invitation to enter credit underwriting.

Additional requirements for the Link Units for Persons with Special Needs are described in Exhibit E of the RFA.

(4) Workforce Housing Commitment

For proposed Developments in counties other than Monroe County, all of the units must be general occupancy, set aside at 80 percent AMI or less. For proposed Developments in Monroe County, all of the units must be general occupancy, set aside at 120 percent AMI or less.

(5) Total Set-Aside Requirements

(a) Completing the Total Set-Aside Breakdown Chart if not committing to the Average Income Test

(i) If the minimum HC set-aside commitment of 20% at 50% AMI is selected, the total set-aside commitments will be as outlined below:

- At least 25 percent of the total units but not more than 30 percent of the total units, rounded up to the next whole unit, must be set aside at or below 50 percent of the AMI and entered in the rows labeled "Housing Credit Units" on the Total Set-Aside Breakdown Chart. This is the Applicant's minimum IRC HC Set-Aside. This must include the ELI Set-Aside Unit requirement that at least 10 percent of the total units, rounded up to the next whole unit, be set aside at the ELI AMI level for the appropriate county.
- The remaining units will be considered the proposed Development's Workforce Housing Units and must be entered on the Total Set-Aside Breakdown Chart in the row labeled "Workforce Housing Units". For proposed Developments in counties other than Monroe County, the maximum AMI for these units is 80 percent AMI. For proposed Developments in Monroe County, the maximum AMI for these units is 120 percent AMI.

(ii) If the minimum HC set-aside commitment of 40% at 60% AMI is selected, the total set-aside commitments will be as outlined below:

- At least 45 percent of the total units but not more than 50 percent of the total units, rounded up to the next whole unit, must be set aside at or below 60 percent of the AMI and entered in the rows labeled "Housing Credit Units" on the Total Set-Aside Breakdown Chart. This is the Applicant's minimum IRC HC Set-Aside. This must include the ELI Set-Aside Unit requirement that at least 10 percent of the total units, rounded up to the next

whole unit, be set aside at the ELI AMI level for the appropriate county.

- The remaining units will be considered the proposed Development's Workforce Housing Units and must be entered on the Total Set-Aside Breakdown Chart in the row labeled "Workforce Housing Units". For proposed Developments in counties other than Monroe County, the maximum AMI for these units is 80 percent AMI. For proposed Developments in Monroe County, the maximum AMI for these units is 120 percent AMI.

(b) Completing the Total Set-Aside Breakdown Chart if committing to the Average Income Test

- At least 45 percent of the total units but not more than 50 percent of the total units, rounded up to the next whole unit*, must be set aside at or below 60 percent of the AMI and entered in the rows labeled "Housing Credit Units" on the Total Set-Aside Breakdown Chart. This is the Applicant's minimum IRC HC Set-Aside. This must include the ELI Set-Aside Unit requirement that at least 15 percent of the total units, rounded up to the next whole unit, be set aside at or below 30 percent AMI level.

*Joint Housing Credit/Workforce Housing Units are not included in this calculation.

- Additional units may be entered as "Joint Housing Credit/Workforce Housing Units". Joint Housing Credit/Workforce Housing Units are included in the Average Income Test calculation and when calculating the maximum per unit Housing Credit Request Amount and Workforce Housing Unit Request Amount.
- The remaining units will be considered the proposed Development's Workforce Housing Units and must be entered on the Total Set-Aside Breakdown Chart in the row labeled "Workforce Housing Units". For proposed Developments in counties other than Monroe County, the maximum AMI for these units is 80 percent AMI. For proposed Developments in Monroe County, the maximum AMI for these units is 120 percent AMI.

Example: A proposed Development consists of 125 total units and selects the Average Income Test.

- To meet the ELI Set-Aside Unit requirement, the Applicant sets aside 15 percent of the total units, rounded up to the next whole unit, (19 units) at 30 percent AMI.
- To meet the requirement that between 45 and 50 percent of the total units are Housing Credit Units at 60 percent AMI and below, the

Applicant may choose to commit 7 units at 40 percent AMI and 34 units at 60 percent AMI, in addition to the 19 ELI Set-Aside Units.

- To meet the requirement that the average AMI of all of the Housing Credit Units plus Joint Housing Credit Units/Workforce Housing Units does not exceed 60 percent, the Applicant may choose to 23 Joint Housing Credit Units/Workforce Housing Units at 80 percent AMI in addition to the 60 Housing Credit Units.
- The remaining units (42) must be set-aside as Workforce Housing Units.

Note: If Average Income Test is selected, credit underwriting and final cost certification activities as required by Rule Chapter 67-48 or 67-21, F.A.C., as applicable, shall also include a minimum first mortgage amount when sizing the Applicant's Workforce SAIL Request Amount. The minimum first mortgage test will follow the same procedure as outlined for competitive housing credit allocations in Rule Chapter 67-48.0072(28)(g) except "Housing Credit Allocation" will be substituted with "Workforce SAIL Loan Amount" and the proposed amount of the net syndication/investor proceeds will assume to be an established known funding amount.

(6) Total Set-Aside Breakdown Chart

The Total Set-Aside Breakdown Chart must reflect all income set-aside commitments (required set-asides and additional set-asides, including all required ELI Set-Asides) and the required total set-aside percentage (as further outlined below).

- (a) Completing the Total Set-Aside Breakdown Chart if committing to the HC minimum set-aside requirement of 20 percent of the total units at or below 50 percent AMI or 40 percent of the total units at or below 60 percent AMI.

Indicate on the chart at 6.d.(2)(a) of Exhibit A the percentage of residential units, stated in whole numbers, to be set aside at each selected AMI level. If the Total Set-Aside Breakdown Chart reflects that either the Total Set-Aside Percentage or the ELI commitment does not meet the Set-Aside requirements, this Application will not be eligible for funding.

To calculate the Housing Credit Set-Aside Units and Workforce Housing units:

- (i) First, calculate of the number of set-aside units for the lowest AMI level commitment.

The percentage associated with the lowest AMI level that the Applicant commits to will be multiplied by the total units, rounded up to the next whole unit. The result will be the number of set-aside units at the lowest AMI level commitment.

- (ii) Then, calculate the number of set-aside units for the second lowest AMI level.

The percentage associated with the second lowest AMI level that the Applicant commits to will be first added to the percentage associated with the lowest AMI level commitment. These percentages, added together, will be multiplied by the total units, rounded up to the next whole unit.

The number of units calculated in (i) above will be subtracted from the result to calculate the number of set-aside units at the second lowest AMI level commitment.

- (iii) Then, calculate the number of set-aside units for each remaining AMI level, if applicable.

Starting with the third lowest AMI level remaining, the number of set-aside units for each of the remaining AMI levels will be calculated using the same methodology described in (ii) above.

- (iv) Finally, calculate Workforce Housing Units

To calculate the number of Workforce Housing Units, the total number of set-aside units will be subtracted from the total number of units.

- (b) Completing the Total Set-Aside Breakdown Chart if committing to the Average Income Test

If committing to the Average Income Test, Applicants must indicate on the chart at 6.d.(2)(b) of Exhibit A the number of Set-Aside Units, stated in whole numbers, to be set aside at each selected AMI level.

The Corporation will verify that the number of units set aside at the ELI level meets the ELI minimum requirements by dividing the number of units that are set-aside at 30 percent AMI, or less, by the total number of units. The Corporation will also verify the overall Set-Aside Commitment of all units by adding all Set-Aside Units and then dividing this sum by the total number of units. The Corporation will calculate the average AMI of all of the Set-Aside Units using the methodology below.

If the Total Set-Aside Breakdown Chart reflects that the Average AMI of all Housing Credit Set-Aside Units and Joint Housing Credit/Workforce Housing Units exceeds 60 percent, and/or if the number of Housing Credit Set-Aside Units set aside at 30 percent AMI or less is not equal to or greater than the required ELI commitment, and/or the overall required Set-Aside Commitment is not met, this Application will not be eligible for funding.

The Development Cost Pro Forma includes an Average Income Test worksheet to assist Applicants in this calculation, which may display the percentage of total units with numbers represented with decimal places

instead of whole numbers. This is acceptable for the Average Income Test calculation.

Calculation of the average AMI of all of the Housing Credit Set-Aside Units and Joint Housing Credit/Workforce Housing Units for the Average Income Test:

- (i) First, state the total number of Housing Credit Set-Aside Units and Joint Housing Credit/Workforce Housing Units to be set aside at each selected AMI level.
- (ii) Then, at each AMI commitment, multiply the number of Set-Aside Units by the AMI percentage (e.g., a commitment of 13 Set-Aside Units at 30 percent AMI would be calculated as follows: $13 \times 0.30 = 3.9$).
- (iii) Repeat this calculations at each AMI level. Then add the results together.
- (iv) Divide the number calculated in (iii) by the total number of Housing Credit Set-Aside Units and Joint Housing Credit/Workforce Housing Units calculated in (i).
- (v) This number must be equal to or less than 60 percent to meet the eligibility requirement.

Where reasonably possible, Applicants will be required to keep the unit mix consistent across each committed AMI level.

The above ELI and all other set-aside commitments must be taken into account during any pre-leasing and leasing activities.

e. Unit Mix

Complete the Unit Mix Chart listing the total number of bedrooms per unit, the total number of bathrooms per unit (including half-baths, if applicable), the total number of units per bedroom type, and the number of units that are ELI Set-Aside units. All units in the proposed Development must be listed, including all manager/employee units and all market rate units, if applicable.

No more than 25 percent of the total units may be comprised of Zero Bedroom units.

If additional space is required, enter the information in the Addenda. Note: During credit underwriting, the credit underwriter will verify that the ELI Set-Aside units are distributed across the unit mix on a pro-rata basis.

f. Number of Buildings

State the anticipated number of residential buildings.

The number of residential buildings stated in the Application may be changed only by written request of an Applicant to Corporation staff after the Applicant has been invited to enter credit underwriting.

g. Compliance Period

All Applicants are required to set aside the units for 50 years.

In submitting its Application, the Applicant knowingly, voluntarily and irrevocably commits to waive, and does hereby waive, for the duration of the 50-year set aside period the option to convert to market, including any option or right to submit a request for a qualified contract, after year fourteen (14), and any other option, right or process available to the Applicant to terminate (or that would result in the termination of) the 50-year set aside period at any time prior to the expiration of its full term.

Note: The Compliance Period committed to in this section includes the units set aside for the Demographic Commitments made in this RFA, which includes the commitments for Link Units and ELI Households. Although the percentage of units committed to must remain in effect for the entire Compliance Period, the particular units designated for the Demographic Commitment and AMI commitment must not be limited to the same units throughout the Compliance Period. Doing so may cause the Development to be in noncompliance.

7. Readiness to Proceed

a. Site Control

Demonstrate site control by providing, as **Attachment 8** to Exhibit A, the properly completed and executed Florida Housing Finance Corporation Site Control Certification form (Form Rev. 08-18), which is provided on the RFA Website.

For the Site Control Certification form to be considered complete, as an attachment to the form, include the documentation required in Items (1), (2), and/or (3), as indicated below, demonstrating that it is a party to an eligible contract or lease, or is the owner of the subject property. Such documentation must include all relevant intermediate contracts, agreements, assignments, options, conveyances, intermediate leases, and subleases. If the proposed Development consists of Scattered Sites, site control must be demonstrated for all of the Scattered Sites.

- (1) An eligible contract must meet all of the following conditions:
 - (a) It must have a term that does not expire before September 30, 2020 or that contains extension options exercisable by the purchaser and conditioned solely upon payment of additional monies which, if exercised, would extend the term to a date that is not earlier than September 30, 2020;
 - (b) It must specifically state that the buyer's remedy for default on the part of the seller includes or is specific performance;

- (c) The Applicant must be the buyer unless there is an assignment of the eligible contract, signed by the assignor and the assignee, which assigns all of the buyer's rights, title and interests in the eligible contract to the Applicant; and
 - (d) The owner of the subject property must be the seller, or is a party to one or more intermediate contracts, agreements, assignments, options, or conveyances between or among the owner, the Applicant, or other parties, that have the effect of assigning the owner's right to sell the property to the seller. Any intermediate contract must meet the criteria for an eligible contract in (a) and (b) above.
- (2) Deed or Certificate of Title – The deed or certificate of title (in the event the property was acquired through foreclosure) must be recorded in the county in which the property is located and show the Applicant as the sole Grantee.
 - (3) Lease - The lease must have an unexpired term of at least 50 years after the Application Deadline and the lessee must be the Applicant. The owner of the subject property must be a party to the lease, or a party to one or more intermediate leases, subleases, agreements, or assignments, between or among the owner, the Applicant, or other parties, that have the effect of assigning the owner's right to lease the property for at least 50 years to the lessee.

Note: The Corporation will not review the site control documentation that is submitted with the Site Control Certification form during the scoring process unless there is a reason to believe that the form has been improperly executed, nor will it in any case evaluate the validity or enforceability of any such documentation. During scoring, the Corporation will rely on the properly executed Site Control Certification form to determine whether an Applicant has met the requirement of this RFA to demonstrate site control. The Corporation has no authority to, and will not, evaluate the validity or enforceability of any eligible site control documentation that is attached to the Site Control Certification form during the scoring process. During credit underwriting, if it is determined that the site control documents do not meet the above requirements, the Corporation may rescind the award.

b. Ability to Proceed

Demonstrate the following Ability to Proceed elements as of Application Deadline, for the entire proposed Development site, including all Scattered Sites, if applicable, as outlined below. The Florida Housing Ability to Proceed Verification forms are provided on the RFA Website. Note: The Applicant may include the Florida Housing Ability to Proceed Verification forms that were included in a previous RFA submission for the same proposed Development, provided (i) the form(s) used for this RFA are labeled Form Rev. 08-18, (ii) the forms are dated within 12 months of the Application Deadline, (iii) none of the information entered on the form and certified to by the signatory has changed in any way, and (iv) the requirements outlined in this RFA are met. If the Applicant provides any prior version of the Florida Housing Ability to Proceed Verification form(s), the form(s) will not be considered.

- (1) Appropriate Zoning. Demonstrate that as of the Application Deadline the entire proposed Development site is appropriately zoned and consistent with local land use

regulations regarding density and intended use or that the proposed Development site is legally non-conforming by providing, as **Attachment 9** to Exhibit A, the applicable properly completed and executed verification form:

- (b) The Florida Housing Finance Corporation Local Government Verification that Permits are Not Required for this Development form (Form Rev. 08-18).

Note: With regard to the terms “Rate of Growth Ordinance (ROGO)” and “Building Permit Allocation System (BPAS),” as used by different jurisdictions within the Florida Keys Area of Critical State Concern, for purposes of the verification forms outlined in (a) and (b) above, all references on these forms to “Rate of Growth Ordinance (ROGO)” shall be considered by the Corporation to have the same meaning as “Building Permit Allocation System (BPAS).”

- (2) Availability of Electricity. Demonstrate that as of the Application Deadline electricity is available to the entire proposed Development site by providing as **Attachment 10** to Exhibit A:
 - (a) The properly completed and executed Florida Housing Finance Corporation Verification of Availability of Infrastructure – Electricity form (Form Rev. 08-18); or
 - (b) Documentation from the electricity service provider that contains the Development location and is dated within 12 months of the Application Deadline. The documentation may not be signed by the Applicant, by any related parties of the Applicant, by any Principals or Financial Beneficiaries of the Applicant, or by any local elected officials.
- (3) Availability of Water. Demonstrate that as of the Application Deadline water is available to the entire proposed Development site by providing as **Attachment 11** to Exhibit A:
 - (a) The properly completed and executed Florida Housing Finance Corporation Verification of Availability of Infrastructure – Water form (Form Rev. 08-18); or

The documentation may not be signed by the Applicant, by any related parties of the Applicant, by any Principals or Financial Beneficiaries of the Applicant, or by any local elected officials.

8. Construction Features

All units are expected to meet all requirements as outlined below. The quality of the construction features committed to by the Applicant is subject to approval of the Board of Directors.

All features and amenities committed to and proposed by the Applicant that are not unit-specific shall be located on each of the Scattered Sites, or no more than 1/16 mile from the Scattered Site with the most units, or a combination of both.

a. Federal Requirements and State Building Code Requirements for all Developments

All proposed Developments must meet all federal requirements and state building code requirements, including the following, incorporating the most recent amendments, regulations and rules:

- Florida Accessibility Code for Building Construction as adopted pursuant to Section 553.503, Florida Statutes;
- The Fair Housing Act as implemented by 24 CFR 100;
- Section 504 of the Rehabilitation Act of 1973*; and

- Titles II and III of the Americans with Disabilities Act of 1990 as implemented by 28 CFR 35.

* All Developments must comply with Section 504 of the Rehabilitation Act of 1973, as implemented by 24 CFR Part 8 ("Section 504 and its related regulations"). All Developments must meet accessibility standards of Section 504. Section 504 accessibility standards require a minimum of 5 percent of the total dwelling units, but not fewer than one unit, to be accessible for individuals with mobility impairments. An additional 2 percent of the total units, but not fewer than one unit, must be accessible for persons with hearing or vision impairments.

To the extent that a Development is not otherwise subject to Section 504 and its related regulations, the Development shall nevertheless comply with Section 504 and its related regulations as requirements of the Corporation funding program(s) to the same extent as if the Development were subject to Section 504 and its related regulations in all respects. To that end, all Corporation funding shall be deemed "Federal financial assistance" within the meaning of that term as used in Section 504 and its related regulations for all Developments.

The above documents are available on the RFA Website.

b. General Features

(1) The following General Features must be provided for all proposed Developments:

- Termite prevention;

a. Corporation Funding

(1) Workforce SAIL Funding

The Applicant must state the amount of Workforce SAIL funding.

Monroe County: The Applicant's Workforce SAIL Request Amount is limited to the maximum of \$100,000 per Workforce Housing Unit (all Workforce Housing Units plus Joint Housing Credit/Workforce Housing Units) or \$2,000,000 per Development.

All counties except Monroe County: The Applicant's Workforce SAIL Request Amount is limited to the maximum of \$100,000 per Workforce Housing Unit (all Workforce Housing Units plus Joint Housing Credit/Workforce Housing Units) or \$3,000,000 per Development.

If the Applicant states an amount that is greater than the amount the Applicant is eligible to request, the Corporation will reduce the amount down to the maximum amount the Applicant is eligible to request ("Eligible Workforce SAIL Request Amount"). In addition, if the Applicant states an amount that is not a whole dollar amount, the Corporation will round the amount down to a whole dollar amount.

(2) Housing Credits

(a) Housing Credit Request Amount

(1) For proposed Developments located in Monroe County

If the proposed Development is located in Monroe County, state the amount of Competitive 9% Housing Credits being requested. The Applicant's Competitive Housing Credit Request Amount is limited to the maximum of \$36,000 per Housing Credit Unit (all Housing Credit Units plus Joint Housing Credit/Workforce Housing Units) or \$1,100,000 per Development.

If the Applicant states an amount that is greater than the amount the Applicant is eligible to request, the Corporation will reduce the amount down to the maximum amount the Applicant is eligible to request ("Eligible Housing Credit Request Amount"). In addition, if the Applicant states an amount that is not a whole dollar amount, the Corporation will round the amount down to a whole dollar amount.

(2) For proposed Developments that are not located in Monroe County

If the proposed Development is not located in Monroe County, state the anticipated amount of Housing Credits being requested ("Applicant's Housing Credit Request Amount"). The 4% HC Request Amount is not subject to a request limit; however, if the request amount is not a whole dollar amount, the Corporation will round the amount down to a whole dollar amount.

(b) Declaration as First Phase of a Multiphase Development

To declare this proposed Development as the first phase of a multiphase Development, the question in Exhibit A must be answered "Yes" and at least

one building must be located within the HUD-designated DDA or HUD-designated QCT stated in Exhibit A.

During the credit underwriting process, an opinion letter must be submitted to the Corporation by a licensed attorney that the Development meets the definition of a “multiphase project” as defined in the Federal Register. The letter must also include: (i) the name of the declared first phase Development and the Corporation-assigned Application number, (ii) the total number of phases and the projected Development name for each phase, (iii) the total number of buildings in each phase, (iv) the expected completion date for each phase, and (v) any other information as determined by the Corporation and stated in the invitation to enter credit underwriting.

To qualify for the basis boost, subsequent phases must meet the requirements in (c)(i) below.

(c) Basis Boost Qualifications

With regard to Housing Credits, HUD provides regulatory guidance on the effective date of Difficult Development Area (DDA) and Qualified Census Tract (QCT) lists for the purpose of determining whether a Development qualifies for an increase in eligible basis in accordance with Section 42(d)(5)(B) of the IRC. HUD’s notice published in the September 25, 2019 edition of the Federal Register https://www.huduser.gov/portal/Datasets/QCT/QCTDDA2020_Notice.pdf (also available by clicking [here](#)) governs the eligibility for a basis boost for the Development proposed in this RFA.

If the Applicant is requesting 4% HC that will be used with County HFA-issued Tax-Exempt Bonds and the Applicant indicates that the proposed Development is eligible for the basis boost, during the credit underwriting process the Applicant will be required to provide a letter certifying the date the bond application was deemed complete, as outlined in Exhibit D.

(i) Subsequent Phase of a Multiphase Development

For purposes of this RFA, a subsequent phase of a multiphase Development is one where the first phase was appropriately identified as such and received an award of Housing Credits (“initial award”) in one of the following: (i) the 2011 Universal Application Cycle, (ii) a Request for Proposal or Request for Application (“RFP” or “RFA”) issued in calendar year 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020 or (iii) a Non-Competitive Housing Credit Application (awarded through a Corporation competitive RFA process or a Non-Corporation Bond issuer’s competitive application).

For the subsequent phase to be eligible for the basis boost, after the initial award, (A) the Applicant must have submitted an Application for Housing Credits in immediately consecutive years, per the HUD requirements, (B) the 730-day period following the initial award must not end prior to the submission deadline for the Corporation's competitive RFA or a Non-Corporation Bond issuer's competitive application, per HUD's requirements, and (C) the subsequent phase must have at least one building located within the boundary of the declared HUD-designated DDA or HUD-designated QCT which applied to the Development declared as the first phase by the first phase Applicant. Note: Developments located only in a Geographic Areas of Opportunity (outlined in (4)(e) below) do not qualify as a multiphase Development.

If the proposed Development qualifies as a subsequent phase of a multiphase Development, indicate as such in Exhibit A and provide the Corporation-assigned Application number for the Development where the first phase was declared and awarded an allocation of Housing Credits.

The proposed Development's subsequent phase status will be confirmed during the credit underwriting process. If it is determined that the proposed Development does not meet the criteria to be designated a subsequent phase of a multiphase Development and the Housing Credit request was based on such contention, it will no longer be considered a subsequent phase of a multiphase Development and the Applicant's Competitive Housing Credit award may be rescinded.

(ii) HUD-designated Small Area DDA (SADDA)

A proposed Development will be eligible for the basis boost if located within a HUD-designated Small Area DDA (SADDA), as defined in Section 42(d)(5)(B)(iii), IRC. The SADDA designation will only apply to the building(s) located within the applicable SADDA Zip Code Tabulation Area (ZCTA) and only those building(s) will be eligible for the basis boost.

HUD has assigned a ZCTA number to each SADDA, available at <https://www.huduser.gov/portal/Datasets/qct/DDA2020M.PDF> and <http://qct.huduser.gov/tables/saddatables.odb> (also available by clicking [here](#) and [here](#)). The applicable HUD mapping software is available at https://www.huduser.gov/portal/sadda/sadda_qct.html (also available by clicking [here](#)).

To qualify, identify, in Exhibit A, the ZCTA number(s) for the proposed Development.

During credit underwriting and at the time of Final Cost Certification, if it is determined that there are buildings located outside of the applicable SADDA ZCTA, the Corporation reserves the right to reduce the Housing Credit Allocation if the eligible basis for the building(s) located in the applicable SADDA ZCTA is not sufficient to support the request amount.

(iii) HUD-designated Non-Metropolitan DDA

The proposed Development will be eligible for the basis boost if the Development county, as stated in Exhibit A, is located within a HUD-designated non-metropolitan DDA as defined in Section 42(d)(5)(B)(iii), IRC. The 2020 HUD-designated non-metropolitan DDAs are available here:

<https://www.huduser.gov/portal/Datasets/qct/DDA2020NM.PDF>.

(iv) HUD-designated QCT

The proposed Development will be eligible for the basis boost if the entire Development is located, as of Application Deadline, within a HUD-designated QCT, as defined in Section 42(d)(5)(B)(ii), IRC, as amended and based on the current census, as determined by HUD.

The HUD-designated QCTs are available here:

<https://www.huduser.gov/portal/Datasets/qct/QCT2020M.PDF> and <https://www.huduser.gov/portal/Datasets/qct/QCT2020NM.PDF>.

To qualify, indicate the HUD-designated QCT census tract number.

(d) Housing Credit Equity Proposal

A HC equity proposal must be provided as **Attachment 14**. For purposes of this RFA, to be counted as a source, an equity proposal, regardless of whether the documentation is in the form of a commitment, proposal, term sheet or letter of intent, it must meet the requirements set out below:

- (i) If the Eligible HC Request Amount is less than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing and, for scoring purposes, the maximum amount of HC equity to be permitted in the Development Cost Pro Forma will be adjusted downward from the amount stated in the equity proposal. This adjusted maximum HC equity will be calculated by taking the total amount of equity to be

provided to the proposed Development as stated in the equity proposal letter, dividing it by the credit allocation stated in the equity proposal and multiplying that quotient by the Applicant's Eligible HC Request Amount. If the Eligible HC Request Amount is greater than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing and the maximum amount of HC equity to be permitted for scoring in the Development Cost Pro Forma will be the amount stated in the equity proposal.

(ii) If syndicating/selling the Housing Credits, the Housing Credit equity proposal must meet the following criteria:

- Be executed by the equity provider;
- Include specific reference to the Applicant as the beneficiary of the equity proceeds;
- State the proposed amount of equity to be paid prior to construction completion;
- State the anticipated Eligible Housing Credit Request Amount;
- State the anticipated dollar amount of Housing Credit allocation to be purchased; and
- State the anticipated total amount of equity to be provided.

If the limited partnership agreement or limited liability company operating agreement has closed, the closed agreement must be provided. To be counted as a source of financing, the partnership agreement or operating agreement must meet the requirements of (a) above or submit separate documentation, signed by the equity provider, expressly stating any required criteria not provided in the agreement.

(iii) If not syndicating/selling the Housing Credits, the owner's commitment to provide equity must be provided. The commitment must include the following information and evidence of ability to fund must be provided as **Attachment 14** to the Application:

- The proposed amount of equity to be paid prior to construction completion;
- The anticipated Eligible Housing Credit Request Amount;
- The anticipated dollar amount of Housing Credit allocation to be purchased; and
- The anticipated total amount of equity to be provided.

Note: Exhibit D to the RFA outlines the documentation required to be submitted during credit underwriting demonstrating that the equity amount to be paid prior to or simultaneous with the closing of construction financing is at least 15 percent of the total proposed equity to be provided (the 15 percent criteria).

(iii) 4% HC

The equity proposal will be considered a source of financing so long as it meets all of the criteria provided in (i) or (ii) above. The maximum amount of 4% HC equity to be permitted in the Development Cost Pro Forma for scoring will be the amount stated in the equity proposal.

(3) Tax-Exempt Bonds, if the proposed Development is not located in Monroe County

- (a) If the Applicant intends to utilize Corporation-issued MMRB for the proposed Development, the requested MMRB Loan amount must be stated in Exhibit A. Note: MMRB Loans are issued in increments of \$5,000 and any necessary adjustment will be made during credit underwriting.

There is no requirement to include any documentation regarding the MMRB in the Application. The necessary documentation that will be required after the Applicant is invited to enter credit underwriting is outlined in Exhibit D.

(b) County HFA-issued Tax-Exempt Bonds

- (i) Provide, as **Attachment 15** to Exhibit A, a letter, executed by the chair or vice chair of the governing body, mayor, or deputy mayor, city manager or assistant city manager, county manager/administrator/coordinator or assistant county manager/administrator/coordinator, executive director or assistant executive director, or by an individual occupying a position reasonably equivalent to any of the foregoing, as applicable, of the entity issuing the Tax-Exempt Bonds, that (a) confirms that the Applicant has submitted an application for Tax-Exempt Bonds for the Development proposed in this RFA, (b) states the amount of the Applicant's Bond request, and (c) confirms that the closing on the Bonds has not occurred and will not occur prior to the Application Deadline for this RFA; and
- (ii) The Applicant must include the anticipated amount of such Bond financing on the Construction/Rehab Analysis and the Permanent Analysis.

There is no requirement to include any other documentation regarding the County HFA-issued Tax-Exempt Bonds in the Application beyond what is required at Attachment 15. The necessary documentation will be required after the Applicant is invited to enter credit underwriting, as outlined in Exhibit D to the RFA.

Applicants are not eligible to apply for any funding offered in this RFA if the Applicant has already closed on the Tax-Exempt Bond financing

prior to the Application Deadline for this RFA. In addition, proposed Developments are not eligible to receive any funding awarded through this RFA if the Applicant closes on the Tax-Exempt Bond financing prior to the issuance of the preliminary commitment for the Workforce SAIL funding. As part of the Applicant's acceptance of the invitation to enter credit underwriting (i.e., the preliminary commitment), the Applicant will be required to confirm that the Bonds have not closed. If the Bonds are closed between the Application Deadline and issuance of the SAIL preliminary commitment, the Applicant's award will be rescinded.

(3) Other Corporation Funding

- (a) If the Development has received funding from the Predevelopment Loan Program (PLP), the Corporation file number and amount of funding must be listed. Note: PLP funding cannot be used as a source of financing on the Construction/Rehab Analysis or the Permanent Analysis.
- (b) List any other Corporation funding that is intended to be utilized as a source of financing for the proposed Development.

b. Non-Corporation Funding

Unless stated otherwise within this RFA, for funding, other than Corporation funding and deferred Developer Fee, to be counted as a source on the Development Cost Pro Forma, provide documentation of all financing proposals from both the construction and the permanent lender(s), equity proposals from the syndicator, and other sources of funding. The financing proposals must state whether they are for construction financing, permanent financing, or both, and all attachments and/or exhibits referenced in the proposal must be provided as **Attachment 16** to Exhibit A.

For purposes of the Application, the following will not be considered a source of financing: net operating income, capital contributions not documented in accordance with financing proposals that are not from a Regulated Mortgage Lender, fee waivers or any portion of any fees that are reimbursed by the local government. Additionally, fee waivers or any portion of any fees that are reimbursed by the local government cannot be considered as Development costs.

(1) Financing Proposal documentation requirements

Financing proposal documentation, regardless of whether the documentation is in the form of a commitment, proposal, term sheet, or letter of intent, must meet the following criteria. Evidence for each funding source must be behind its own numbered attachment.

Each financing proposal shall contain:

- Amount of the construction loan, if applicable;

- Amount of the permanent loan, if applicable;
- Specific reference to the Applicant as the borrower or direct recipient; and
- Signature of lender.

Note: Eligible Local Government financial commitments (i.e., grants and loans) can be considered a source of financing without meeting the requirements above if the Applicant provides the properly completed and executed Local Government Verification of Contribution – Grant Form (Form 07-2019) and/or the Local Government Verification of Contribution – Loan Form (Form 07-2019) and such grant and/or loan is effective at least through December 31, 2020. A loan with a forgiveness provision (and no accrued interest charges) requiring approval of the Local Government can be treated as a loan or a grant, for scoring purposes. Either the "Loan" or the "Grant" verification forms can be used. The grant and loan forms (Form 07-2019) are available on the RFA Website. If the loan form is used for a loan with forgiveness provision (and no accrued interest charges), the space for entering the net present value of the loan is not applicable to this RFA and will not be considered.

(2) Financing that has closed:

- (a) For any financing other than Tax-Exempt Bond financing*, if the financing has closed in the Applicant's name, provide a letter from the lender acknowledging that the loan has closed. The letter must also include the following information:

- Amount of the construction loan, if applicable;
- Amount of the permanent loan, if applicable; and
- Specific reference to the Applicant as the borrower/direct recipient/mortgagee.

*As stated in Section One, Section Four A.10.a. and Section Four A.10.c. of the RFA, proposed Developments are not eligible to apply for any funding offered in this RFA if the Applicant has already closed on the Tax-Exempt Bond financing prior to the Application Deadline for this RFA. In addition, proposed Developments are not eligible to receive any funding awarded through this RFA if the Applicant closes on the Tax-Exempt Bond financing prior to the issuance of the preliminary commitment for the SAIL funding. As part of the Applicant's acceptance of the invitation to enter credit underwriting (i.e., the preliminary commitment), the Applicant will be required to confirm that the Bonds have not closed. If the Bonds are closed between the Application Deadline and issuance of the preliminary commitment, the Applicant's award will be rescinded.

- (b) Except for HUD and RD funding, if the financing involves an assumption of debt not currently in the Applicant's name, as evidence that the lender approves of the proposal of assumption, provide a letter from the lender, dated within six months of the Application Deadline, that includes the following information:

- Specifically references the Applicant as the assuming party;
- If a permanent loan, states the amount to be assumed; and
- If a construction loan, states the maximum amount of funding capacity.

If the debt being assumed is provided by HUD, provide a letter from HUD, dated within six months of the Application Deadline, confirming the funding source. The letter must include the following information:

- Name of existing development;
- Name of proposed Development;
- Loan balance;
- Acknowledgment that property is applying for Housing Credits; and
- Applicable HUD program.

If the debt being assumed is provided by RD, the Applicant is only required to provide the information described in Item 10.b.(1)(b) above.

- (3) If the financing proposal is not from a Regulated Mortgage Lender in the business of making loans or a governmental entity, evidence of ability to fund must be provided. Evidence of ability to fund includes: (i) a copy of the lender's most current audited financial statements no more than 17 months old; or (ii) if the loan has already been funded, a copy of the note and recorded mortgage. The age of all financial statements is as of the Application Deadline. In evaluating ability to fund, the Corporation will consider the entity's unrestricted current assets typically used in the normal course of business. Assets considered restricted include, but are not limited to, pension funds, rental security deposits, and sinking funds. Financing proposals from lenders who cannot demonstrate ability to fund will not count as a source of financing. Financial statements must be included in the Application. Note: This provision does not apply to deferred Developer Fee.

In the case where the seller of the Development's property is providing a seller's note (purchase money mortgage) to help finance the Applicant's acquisition of the property, evidence of its ability to fund the amount of the seller's note is not needed so long as the Application includes a letter from the seller that meets the financing proposal criteria outlined in (4)(a) above and the amount of the seller's note is equal to or less than the purchase price of the property.

- (4) If a financing proposal shows an amount less than the corresponding line item on the Development Cost Pro Forma, only the financing proposal amount will be considered as a funding source. However, if a financing proposal shows an amount greater than the corresponding line item on the Development Cost Pro Forma, up to the total amount of the financing proposal amount may be utilized as a funding source, if needed.
- (5) The loan amount may be conditioned upon an appraisal or debt service coverage ratio or any other typical due diligence required during credit underwriting.
- (6) Financing proposals may be conditioned upon the Applicant receiving the funding from the Corporation for which it is applying.

- (7) If a financing proposal has a provision for holding back funds until certain conditions are met, the amount of the hold-back will not be counted as a source of construction financing unless it can be determined that the conditions for the release of the hold-back can be met prior to or simultaneous with the closing of the Development's permanent financing.
- (8) Grant funds are contributions to the Development, other than equity, which carry no repayment provision or interest rate. A commitment for grant funds will be considered a commitment for scoring purposes if the commitment is properly executed and, if applicable, evidence of ability to fund is provided.

Failure to provide the required information and any required applicable documentation, as outlined above, shall result in the funding not being counted as a source of financing, which may result in a financing shortfall.

d. Development Cost Pro Forma

All Applicants must complete the Development Cost Pro Forma listing the anticipated expenses or uses, the Detail/Explanation Sheet, if applicable, and the Construction or Rehab Analysis and Permanent Analysis listing the anticipated sources (both Corporation and non-Corporation funding). The sources must equal or exceed the uses. During the scoring process, if a funding source is not considered and/or if the Applicant's funding Request Amount is adjusted downward, this may result in a funding shortfall. If the Applicant has a funding shortfall, it will be ineligible for funding.

The Development Cost Pro Forma must include all anticipated costs of the Development construction, and, if applicable, acquisition, including the Developer Fee and General Contractor fee, as outlined below. Waived or reimbursed fees or charges are not considered costs to the Development and therefore, should not be included on the Development Cost Pro Forma. Note: deferred Developer fees are not considered "waived fees."

Developer Fee and General Contractor fee must be disclosed. In the event the Developer Fee and/or General Contractor fee are/is not disclosed on the Development Cost Pro Forma, the Corporation will assume that these fees will be the maximum allowable and will add the maximum amount(s) to Total Development Cost. If an Applicant lists a Developer Fee, General Contractor fee, or contingency reserve that exceeds the stated Application limits, the Corporation will adjust the fee to the maximum allowable. As stated below, Applicants may not enter any amounts pertaining to operating deficit reserves. The Corporation will not consider any operating deficit reserves listed on the Development Cost Pro Forma.

Unless stated otherwise in this RFA, except for deferred Developer Fee, the Application requires complete information on all sources of Development funding and the proposed uses of those funds. All loans, grants, donations, syndication proceeds, etc., should be detailed in the Application as outlined above. The total of monetary funds determined to be in funding proposals must equal or exceed uses.

(1) Developer Fee

Each Developer Fee component listed in (a) and (b) below shall not exceed the respective amounts described below:

- (a) For proposed Developments located in Monroe County, for Acquisition Costs, the Developer Fee is limited to 16 percent of the Total Acquisition Cost of Existing Development (excluding land) stated on the Development Cost Pro Forma in Column 3 of Item B, rounded down to the nearest dollar. For proposed Developments located in a county other than Monroe County, for Acquisition Costs, the Developer Fee is limited to 18 percent of the Total Acquisition Cost of Existing Development (excluding land) stated on the Development Cost Pro Forma in Column 3 of Item B, rounded down to the nearest dollar; and
- (b) For proposed Developments located in Monroe County, for Non-Acquisition Costs, the Developer Fee is limited to 16 percent of the net amount after deducting Total Acquisition Cost of Existing Development (excluding land) (Column 3 of Item B) from the Development Cost stated on the Development Cost Pro Forma in Column 3 of Item C, rounded down to the nearest dollar. For proposed Developments located in a county other than Monroe County, for Non-Acquisition Costs, the Developer Fee is limited to 18 percent of the net amount after deducting Total Acquisition Cost of Existing Development (excluding land) (Column 3 of Item B) from the Development Cost stated on the Development Cost Pro Forma in Column 3 of Item C, rounded down to the nearest dollar.

If the maximums stated in (a) or (b) are exceeded, the Corporation will adjust the amount down to the maximum allowed. Additionally, the Corporation may further adjust the Developer Fee on Acquisition Costs, and/or Developer Fee on Non-Acquisition Costs stated on the Development Cost Pro Forma and used to calculate the Developer Fee in Item D of the Development Cost Pro Forma. The conditions for such adjustments are stated below:

- If the amount of Developer Fee on Acquisition Costs is more than the amount allowed in (a) above, AND if the amount of Developer Fee on Non-Acquisition Costs is less than the amount allowed in (b) above, the Corporation will reduce the amount of Developer Fee on Acquisition Costs to the maximum allowed amount, and increase the amount of Developer Fee on Non-Acquisition Costs by the amount reduced in the Developer Fee on Acquisition Costs, up to the maximum allowed amount.
- If the amount of Developer Fee on Non-Acquisition Costs is more than the amount allowed in (b) above, AND if the amount of Developer Fee on Acquisition Costs is less than the amount allowed in (i) above, the Corporation will reduce the amount of Developer Fee on Non-Acquisition Costs to the maximum allowed amount, and increase the

amount of Developer Fee on Acquisition Costs by the amount reduced in the Developer Fee on Non-Acquisition Costs, up to the maximum allowed amount.

The Corporation will allow up to 100 percent of the eligible Developer Fee to be deferred and used as a source on the Development Cost Pro Forma without the requirement to show evidence of ability to fund.

Consulting fees, if any, and any financial or other guarantees required for the financing must be paid out of the Developer Fee. Consulting fees include, but are not limited to, payments for Application consultants, construction management or supervision consultants, or local government consultants.

(2) General Contractor Fee

General Contractor fee shall be limited to 14 percent of actual construction cost. The maximum allowable General Contractor fee will be tested during the scoring of the Application by multiplying the actual construction cost by 14 percent, rounded down to the nearest dollar.

(3) Contingency Reserves

For Application purposes, the maximum hard and soft cost contingencies allowed cannot exceed 5 percent of hard and soft costs, as further described in Rule Chapter 67-48, F.A.C. The determination of the contingency reserve is limited to the maximum stated percentage of total actual construction costs (hard costs) and general development costs (soft costs), as applicable.

(4) Operating Deficit Reserves

An operating deficit reserve is not to be included as part of Development Costs and cannot be used in determining the maximum Developer fee. Applicants may not enter any amounts pertaining to any type of reserve other than the contingency reserve mentioned above on the Development Cost Pro Forma as part of the Application process. A reserve, including an operating deficit reserve, if necessary as determined by an equity provider, first mortgage lender, and/or the Credit Underwriter engaged by the Corporation in its reasonable discretion, will be required and sized in credit underwriting. The inclusion of any reserve is not permitted in the Application (other than the permitted contingency reserve) which may include, but is not limited to, operating deficit reserve, debt service shortfalls, lease-up, rent-re-stabilization, working capital, lender or syndicator required reserve(s), and any pre-funded capital (replacement) reserves. If any reserve other than the permitted contingency reserve can be identified and is included in the Development Cost Pro Forma, the Corporation will remove it during Application scoring.

In exchange for receiving funding from the Corporation, the Corporation reserves the authority to restrict the disposition of any funds remaining in any

operating deficit reserve(s) after the term of the reserve's original purpose has terminated or is near termination. Authorized disposition uses are limited to payments towards any outstanding loan balances of the Development funded from the Corporation, any outstanding Corporation fees, any unpaid costs incurred in the completion of the Development (i.e., deferred Developer fee), the Development's capital replacement reserve account (provided, however, that any operating deficit reserve funds deposited to the replacement reserve account will not replace, negate, or otherwise be considered an advance payment or pre-funding of the Applicant's obligation to periodically fund the replacement reserve account), the reimbursement of any loan(s) provided by a partner, member or guarantor as set forth in the Applicant's organizational agreement (i.e., operating or limited partnership agreement). The actual direction of the disposition is at the Applicant's discretion so long as it is an option permitted by the Corporation. In no event, shall the payment of amounts to the Applicant or the Developer from any operating deficit reserve established for the Development cause the Developer fee or General Contractor fee to exceed the applicable percentage limitations provided for in this RFA.

- (5) With respect to the SAIL loan amount(s), all fees set forth in Exhibit C to the RFA are part of Development Cost and can be included in the Development Cost Pro Forma and paid with loan proceeds.
- e. Principal of the Applicant is a Public Housing Authority and/or an instrumentality of a Public Housing Authority

The Applicant should state whether any Principals of the Applicant entity are a Public Housing Authority and/or an instrumentality of a Public Housing Authority. To qualify for the "Add-On Bonus" described Section Five, A.1 of the RFA and in Item 1 of Exhibit C, the Public Housing Authority and/or instrumentality of a Public Housing Authority must be reflected on the Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019). For purposes of the "Add-On Bonus", the Public Housing Authority and/or instrumentality of a Public Housing Authority must not be disclosed as only the Investor Limited Partner of the Applicant or Investor Member of the Applicant.

If the Principal of the Applicant is an instrumentality of a Public Housing Authority, state the name of the Public Housing Authority.

11. Local Government Contributions (Maximum 5 Points)

For an Applicant to receive points, the Applicant must provide evidence of a Local Government grant, loan, fee waiver and/or fee deferral that is effective as of the Application Deadline, is in effect at least through December 31, 2020, and has a value whose dollar amount is equal to or greater than the amount listed on the County Contribution List (set out below) for the county in which the proposed Development will be located. Those Applications that do not have the necessary contribution values to achieve maximum points will be scored on a pro-rata basis.

As evidence of the Local Government Contribution, provide the properly completed and executed Local Government Verification of Contribution Form(s) (Form Rev. 07-2019) as **Attachment 17** to

Exhibit A. The Local Government Contribution forms (Form Rev. 07-2019) are available on the RFA Website.

To qualify for points, the amount of the contribution stated on the applicable form(s) must be a precise dollar amount and cannot include words such as estimated, up to, maximum of, not to exceed, etc.

The only Local Government contributions that will be considered for the purpose of scoring are:

- Monetary grants
- Loans with the exception of USDA RD funds
- A one-year or more deferral of a fee beyond the date that it is routinely due
- Waiver of fees

A loan with a forgiveness provision (and no accrued interest charges) requiring approval of the Local Government can be treated as a loan or a grant for scoring purposes. Either the "Loan" or "Grant" verification forms can be used. If the loan form is used for a loan with a forgiveness provision (and no accrued interest charges), the space for entering the net present value of the loan is not applicable to this RFA and will not be considered.

Funds administered by the Local Government, including federal funds and SHIP funds, may be included in the contribution as long as the appropriate verification form is provided. For purposes of this RFA, USDA-RD funds will NOT count as a Local Government contribution.

The contribution may not be included as an expense on the Development Cost Pro Forma nor may it be considered part of Development Cost for purposes of calculating HC basis or Developer's fee. The exception to the previous sentence is deferred Local Government fees, which may be shown on the Development Cost Pro Forma.

For a contribution consisting of a loan or deferred fee to be considered complete and eligible for points, the Local Government Verification form must reflect both the total amount of the loan or deferred fee and the value (difference between the face amount and the net present value of the payment streams) of the loan or deferred fee. Calculate the net present value of the payments using the discount rate of 5.50 percent.

NOTE: Neither the payment stream for the present value calculations (if contribution consists of a loan or deferred fee) nor the calculations by which the total amount of each waiver is determined (if contribution consists of a fee waiver) are required to be attached to the certification form or otherwise included in the Application in order for the certification form to be considered for points.

In order to be eligible to be considered for points as a Local Government contribution, the contribution must:

- Be in effect as of Application Deadline;
- Be effective at least through December 31, 2020;
- Be dedicated solely for the proposed Development;

- Provide a tangible economic benefit that results in a quantifiable cost reduction and must be given specifically to the proposed Development because the Development will provide affordable housing; and
- State, federal, or Local Government funds initially obtained by or derived from a Local Government qualify as a Local Governmental contribution even though the funds are directly administered by an intermediary such as a housing finance authority, a community reinvestment corporation, or a state-certified Community Housing Development Organization, provided that they otherwise meet the requirements set forth in this RFA, including those relating to the executed verification form.

Local Government contributions that are ineligible to be considered for points include:

- Contributions that are not specifically made for the benefit of affordable housing but are instead of general benefit to the area in which the Development is located;
- The fact that no impact fees or other such fees are levied by a local jurisdiction for ANY type of development does not constitute a Local Government contribution. If such fees are levied by the local jurisdiction but the nature of the proposed Development exempts it (e.g., typically, a Rehabilitation Development is not subject to impact fees), for purposes of this RFA, no Local Government contribution exists and no points will be awarded;
- The absence of interest on a loan or the absence of interest payments until a specific date does not constitute a deferral or waiver of fees;
- Local Government contributions that have not received final approval;
- A contribution from an Applicant or Developer or Principal, Affiliate or Financial Beneficiary of an Applicant or a Developer;
- A contribution from a PHA;
- HOPE VI funds; and
- A contribution of any portion of the Applicant's site below market value.

To calculate the value of a Local Government contribution below market interest rate loan or fee deferral:

- Calculate the net present value of the payments due to the Local Government. For a loan, this includes any balloon payment of principal due on a non-amortizing or non-fully amortizing loan. For a fee deferral, this includes the amount of the fee due at the end of the deferral period.
- Calculate the net present value of the loan payments using the discount rate.
- Subtract the net present value of the loan payments from the original loan principal amount. The remaining amount is the value of the Local Government contribution.

Example: If the discount rate is assumed to be 5.50 percent and the Local Government will provide a fully-amortizing \$50,000 loan with payments due monthly based on a 1.0 percent interest rate for the entire 15-year term, the contribution is calculated as follows:

- Calculate the monthly principal and interest payments of the \$50,000 loan at 1.0 percent (\$299.25).
- Calculate the net present value of the stream of the monthly payments over 15 years (180 months) using a 5.50 percent discount rate (\$36,623.93).
- Subtract the net present value amount from the original principal loan amount to arrive at the value of the contribution (\$50,000 - \$36,623.93 = \$13,376.07 value).

Example: If the discount rate is assumed to be 5.50 percent and the Local Government will provide a \$50,000 loan with interest-only payments due monthly based on a 1.0 percent interest rate for entire 15-year term and principal due at maturity, the contribution is calculated as follows:

Calculate the monthly interest-only payment of the \$50,000 loan at 1.0 percent (\$41.67).

Calculate the net present value of the stream of the monthly payments over 15 years (180 months) and principal due at maturity, using a 5.50 percent discount rate (\$27,052.53).

Subtract the net present value amount from the original principal loan amount to arrive at the value of the contribution (\$50,000.00 - \$27,052.53 = \$22,947.47 value).. A Development is to be located in Sarasota County and has achieved a Local Government contribution valued at \$37,500. The County Contribution List states that a Development to be located in Sarasota County must obtain contributions valued at \$50,000 to achieve 5 points. Therefore, in this example, the Development would receive 3.75 points (($\$37,500 / \$50,000$) X 5).

NOTE: Points will be rounded to two decimal places (3.345 rounded up to 3.35 and 3.3449 rounded down to 3.34).

To be eligible for funding, the following submission requirements must be met: (i) the Application must be submitted online by the Application Deadline, (ii) the required hard copy must be submitted by the Application Deadline, (iii) the Applicant's hard copy submission

must be contained in a sealed package, and (iv) the required Application fee must be submitted as of the Application Deadline.

**** Financial Arrearage Requirement**

An Application will be deemed ineligible for funding if, as of close of business the day before the Committee meets to make a recommendation to the Board, there remains any financial obligations for which an Applicant or Developer or Principal, Affiliate or Financial Beneficiary of the Applicant or Developer is in arrears to the Corporation or any agent or assignee of the Corporation as reflected on the most recently published Past Due Report posted to the Corporation's Website under the link Property Owners & Managers/Past Due Reports (also accessible by clicking [here](#)), but not more recently than five business days prior to the date the Committee meets to make a recommendation to the Board.

***** Previous Funding Requirements**

An Application will be deemed ineligible to be considered for funding if, as of the close of business the day before the Committee meets to make a recommendation to the Board, an Applicant or Developer or Principal, Affiliate or Financial Beneficiary of the Applicant or Developer has received an award of any funding from any RFA issued by Florida Housing Finance Corporation but such funding has been de-obligated by the Florida Housing Finance Corporation Board of Directors within the 36 months prior to this RFA Application Deadline, with the exception of de-obligations that resulted from the termination of the Multifamily Energy Retrofit Program (MERP) funding awarded through RFA 2015-115, or de-obligation of National Housing Trust Fund (NHTF) funding.

An Application will be deemed ineligible for funding if the Applicant has accepted an invitation to enter credit underwriting for the same Development in a previous RFA (with the exception of funding awarded under the Predevelopment Loan Program (PLP) and/or the Elderly Housing Community Loan (EHCL) program) and, as of Application Deadline for this RFA, the funding has not been returned to the Corporation. If the acceptance to an invitation to enter credit underwriting in a previous RFA occurs after the Application Deadline and before the Review Committee Meeting for this RFA, the proposed Development will be considered ineligible for funding in this RFA. If the acceptance to an invitation to enter credit underwriting in a previous RFA occurs after the Review Committee Meeting for this RFA, the proposed Development will be considered ineligible for funding in this RFA and any funding awarded in this RFA will be rescinded and considered Returned Funding.

****** Total Development Cost Per Unit Limitation**

By submitting its Application, the Applicant agrees and acknowledges that the Application will be subject to the Total Development Cost Per Unit Limitation during the scoring, credit underwriting, and final Housing Credit allocation process.

The Corporation shall limit the Total Development Cost (TDC) per unit for all Developments categorized by the construction type of the units as indicated below and this limit is referred to as the TDC Per Unit Limitation. It is a limit based on TDC, but exclusive of land costs and exclusive of any operating deficit reserves that are part of the permanent phase (i.e., non-

construction) financing for the Development which have not been included within the Developer fee, applying any applicable TDC multiplier and/or TDC add-on. The proposed Development’s TDC will be tested against the TDC Per Unit Limitation during the scoring of the RFA, utilizing the Development Type, Development Category and ESS Construction determination made by the Applicant in the RFA and it will apply to all units in the proposed Development. During the credit underwriting process, and during the final allocation process, the maximum TDC per unit will be recalculated for each unit type as described in Item 1 of Exhibit C, with consideration given to whether the Development consists one or more Development Types, or a mix of wood and ESS Construction units.

Any Application that has an amount that exceeds these limitations during scoring will not be eligible for funding. These TDC Per Unit Base Limitation amounts, inclusive of any applicable TDC multiplier and/or TDC add-on, are effective during the scoring process. Item 1 of Exhibit C provides the TDC Per Unit Base Limitation amounts that account for an escalation factor to be incorporated for the credit underwriting process and final allocation process, as explained in the exhibit.

Total Development Cost Per Unit Base Limitations to be used during the scoring process

| Measure | New Construction Units | | | | |
|---|------------------------|-------------|----------------|---------------|---|
| | Garden Wood* | Garden ESS* | Mid-Rise-Wood* | Mid-Rise-ESS* | High-Rise* |
| Maximum TDC Per Unit Limitation ** for all counties except Broward and Miami-Dade | \$212,200 | \$255,400 | \$255,400 | \$282,200 | \$322,000 |
| Maximum TDC Per Unit Limitation ** for Broward and Miami-Dade counties | \$223,500 | \$267,800 | \$267,800 | \$295,600 | \$337,000 |
| Applicable TDC Multipliers (to be applied against the Development’s TDC) and TDC Add-Ons (to be added to the Maximum TDC Per Unit Limitation) | | | | | |

| TDC Multiplier for Florida Keys Area for all areas located on or south of Plantation Key (i.e., south of Tavernier Creek) | | | | | 50%*** |
| TDC Add-On for Applications utilizing tax-exempt bonds (either FHFC’s MMRB or another source) | | | | | \$5,000 of additional per unit costs will be added to the above Maximum TDC Per Unit Limitation |
| TDC Add-On for Applicants that have a PHA/instrumentality of a PHA as a Principal | | | | | \$5,000 of additional per unit costs will be added to the above Maximum TDC Per Unit Limitation |

* Garden includes all Development Types other than Mid-Rise and High-Rise; Non-Garden includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories) and High-Rise (7 or more stories); Mid-Rise includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories); and High-Rise includes Development Type of High Rise (7 or more stories). ESS means Enhanced Structural Systems Construction.

** Exclusive of land costs and exclusive of any approved operating deficit reserves that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee. When the term of operating deficit reserves (ODR) is mentioned in this TDC Per Unit Limitation section, the term shall refer to these particular operating deficit reserves. Examples of reserves which can be considered part of the operating deficit reserve for this calculation are provided in the Operating Deficit Reserve portion of the Funding section in the RFA. For purposes of property acquisition valuation (land with or without building improvements), the Corporation uses the lesser of the appraised value, or the actual cost of acquisition. The appraised value will be determined during credit underwriting. When land costs are referenced in this TDC Per Unit Limitation section, the reference shall be limited to the amount of the land cost approved by the Corporation to be provided in the final cost certification under the land owned cost line item. For Applicants that have a public housing authority/instrumentality of a public housing authority

listed as a Principal on the Applicant’s Principal Disclosure Form may also exclude demolition costs and tenant relocation costs from TDC PU Limitation calculations. The total amount of costs that are to be excluded from the TDC Per Unit Limitation process are the applicable land costs, operating deficit reserves and certain PHA costs described herein are referred to in Exhibit C in the congregate as applicable qualifying costs.

*** If the proposed Development consists of Scattered Sites, the 50% TDC Multiplier applies only if all of the sites are located south of Tavernier Creek.

2. Awarding Points

| Point Items | Maximum Points |
|---|----------------|
| “Approved” Principals of the Applicant and Developer(s) Disclosure form (Rev. 05-2019) provided | 5 |
| Route 301 Bonus Points (Miami-Dade County only) | 5 |
| Local Government Contribution | 5 |
| Total Possible Points | 15 |

B. Selection Process

1. The Corporation has the following funding goals:

- a. One Application in Monroe County; and
- b. One Application in a Large County.

2. Application Sorting Order

The highest scoring Applications will be determined by first sorting together all eligible Applications from highest score to lowest score, with any scores that are tied separated in the following order:

- a. First, by the Application’s eligibility for the Proximity Funding Preference (which is outlined in Section Four A.5.e. of the RFA) with Applications that qualify for the preference listed above Applications that do not qualify for the preference;
- b. Next, by the Application’s Total Eligible SAIL Request Amount per set-aside unit (which is outlined in Item 3 of Exhibit C) with Applications that have a lower amount of total SAIL funds per set-aside unit listed above Applications that have a higher amount of total SAIL funds per set-aside unit;
- c. Next, by the Application’s eligibility for the Florida Job Creation Funding Preference (which is outlined in Item 4 of Exhibit C) with Applications that qualify for the preference listed above Applications that do not qualify for the preference; and
- d. By lottery number, resulting in the lowest lottery number receiving preference.

3. Funding Test

An estimated \$15,434,000 in Workforce SAIL will be made available. An estimated \$2,980,000 in Competitive Housing Credits will be made available. Applications will only be selected for funding if there is enough Workforce SAIL funding available to fully fund the Applicant's Workforce SAIL Request Amount, and if applicable, there is enough Competitive 9% Housing Credit funding available to fully fund the Applicant's Competitive 9% Housing Credit Request Amount.

4. County Award Tally

As each Application is selected for tentative funding, the county where the proposed Development is located will have one Application credited towards the County Award Tally. The Corporation will prioritize eligible unfunded Applications that meet the Funding Test and are located within counties that have the lowest County Award Tally above other eligible unfunded Applications with a higher County Award Tally that also meet the Funding Test, even if the Applications with a higher County Award Tally are higher ranked.

5. Funding Selection Order

- a. The first Application selected for funding will be the highest ranking eligible Application that is eligible for Monroe County Goal.
- b. The first Application selected for funding will be the highest ranking eligible Application that is eligible for the Large County Goal. Funding Test.
- c. Once the goal are met or if there isare no eligible Applications that can meet the goals, then the Corporation will select the highest ranking eligible unfunded Application(s) subject to the Funding Test and County Award Tally.
- d. If funding remains after funding all eligible Application(s) that can meet the Funding Test or because there is no eligible unfunded Application that can be fully funded, then no further Applications will be selected for funding and any remaining Total Remaining SAIL funding, as well as any unallocated 9% HC funding, will be distributed as approved by the Board.

6. Returned Funding

Funding that becomes available after the Board takes action on the Committee's recommendation(s), due to an Applicant withdrawing, an Applicant declining its invitation to enter credit underwriting or the Applicant's inability to satisfy a requirement outlined in this RFA, and/or provisions outlined in Rule Chapter 67-48, F.A.C., will be distributed as approved by the Board.

**SECTION SIX
AWARD PROCESS**

Committee members shall independently evaluate and score their assigned portions of the submitted Applications, consulting with non-committee Corporation staff and legal counsel as necessary and appropriate.

The Committee shall conduct at least one public meeting during which the Committee members may discuss their evaluations, select Applicants to be considered for award, and make any adjustments deemed necessary to best serve the interests of the Corporation's mission. The Committee will list the Applications deemed eligible for funding in order applying the funding selection criteria outlined in Section Five above and develop a recommendation or series of recommendations to the Board.

The Board may use the Applications, the Committee's scoring, any other information or recommendation provided by the Committee or staff, and any other information the Board deems relevant in its selection of Applicants to whom to award funding. Notwithstanding an award by the Board pursuant to this RFA, funding will be subject to a positive recommendation from the Credit Underwriter based on criteria outlined in the credit underwriting provisions in Rule Chapter 67-21, F.A.C., and Rule Chapter 67-48, F.A.C.

The Corporation shall provide notice of its decision, or intended decision, for this RFA on the Corporation's Website the day of the applicable Board vote. After posting, an unsuccessful Applicant may file a notice of protest and a formal written protest in accordance with Section 120.57(3), Fla. Stat., et. al. Failure to file a protest within the time prescribed in Section 120.57(3), Fla. Stat., et. al. shall constitute a waiver of proceedings under Chapter 120, Fla. Stat.

After the Board's decision to select Applicants for funding in this RFA has become final action, the Corporation shall offer all Applicants within the funding range an invitation to enter credit underwriting. The Corporation shall select the Credit Underwriter for each Development.

ESS means Enhanced Structural Systems Construction.

** Exclusive of land costs and exclusive of any approved operating deficit reserves that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee. When the term of operating deficit reserves (ODR) is mentioned in this TDC Per Unit Limitation section, the term shall refer to these particular operating deficit reserves. Examples of reserves which can be considered part of the operating deficit reserve for this calculation are provided in the Operating Deficit Reserve portion of the Funding section in the RFA. For purposes of property acquisition valuation (land with or without building improvements), the Corporation uses the lesser of the appraised value, or the actual cost of acquisition. The appraised value will be determined during credit underwriting. When land costs are referenced in this TDC Per Unit Limitation section, the reference shall be limited to the amount of the land cost approved by the Corporation to be provided in the final cost certification under the land owned cost line item. For Applicants that have a public housing authority/instrumentality of a public housing authority listed as a Principal on the Applicant’s Principal Disclosure Form may also exclude demolition costs and tenant relocation costs from TDC PU Limitation calculations. The total amount of costs that are to be excluded from the TDC Per Unit Limitation process are the applicable land costs, operating deficit reserves and certain PHA costs described herein are referred to in Exhibit C in the congregate as applicable qualifying costs.

*** If the proposed Development consists of Scattered Sites, the 50% TDC Multiplier applies only if all of the sites are located south of Tavernier Creek.

- b. Any Applicant that has the Credit Underwriter present a credit underwriting report with an amount that exceeds these limitations by more than 5 percent, after taking into consideration an escalation factor for development costs rising after the Application Deadline of either (i) 3.0 percent for any Development with the Development Category of New Construction, Redevelopment, or Acquisition and Redevelopment, or (ii) 2.3 percent for any Development with the Development Category of Rehabilitation or Acquisition and Rehabilitation, and incorporating any applicable TDC reduction and adjustments processes provided below will receive a negative recommendation by the Credit Underwriter.

Any Applicant that has the Credit Underwriter present a credit underwriting report with an amount that exceeds these limitations will require staff to review the credit underwriting report for compliance to the TDC reduction and adjustment procedure provided below:

- (1) A TDC Per Unit Limitation is the maximum allowable and is determined by adding the applicable TDC Per Unit Base Limitation from the table above with respect to the Development as provided in this RFA to any applicable TDC add-on and multiplying that sum by the appropriate escalation rate, and then dividing by any applicable TDC multiplier and finally taking the resulting amount and multiplying it by the number of total units in the Development. If there are multiple unit types, this process is done for each unique unit type and then they are all added together.

The Developer fee will be limited to the maximum allowable within the TDC Per Unit Limitation, in all instances. A Developer fee can be earned on Development Cost as defined by Rule Chapter 67-48, F.A.C., up to the maximum allowed within the TDC Per Unit Limitation, but it cannot be earned on costs in excess of said limitation. If the Development costs exceed the amount allowed by the TDC Per Unit Limitation, then the maximum allowable Developer fee will be adjusted as outlined below. The maximum allowable Developer fee limit can be determined by taking the TDC Per Unit Limitation amount and dividing by 1.16* and then multiply the result by 16 percent*. This will yield the maximum allowable Developer fee within the TDC Per Unit Limitation.

Prior to determining any necessary adjustment, if the Developer fee initially stated by the Applicant or Credit Underwriter is in excess of the maximum allowable Developer fee as provided in 1.b.(1) above, the stated Developer fee will be reduced to said maximum allowable Developer fee, and the TDC will be equally reduced to incorporate the cost reduction.

- (2) Subsequent to reducing the stated Developer fee to the maximum allowable amount provided above, additional adjustments may be necessary if the TDC Per Unit Limitation remains exceeded. An adjustment to the maximum allowable Developer fee limit shall be determined by reducing the maximum allowable Developer fee, as determined in 1.b.(1) above, dollar-for-dollar, for any costs in excess of the amount allowed by the TDC Per Unit Limitation, up to the lesser of (a) the actual amount of costs in excess of the amount allowed by the TDC Per Unit Limitation, (b) \$500,000, or (c) 25 percent of the initial maximum allowable Developer fee limit. If the stated Developer fee, inclusive of any necessary adjustments incorporated above, exceeds the maximum allowable Developer fee limit as adjusted herein, the stated Developer fee, inclusive of any necessary adjustments incorporated above shall be further

adjusted to not exceed the new maximum allowable Developer fee limit, and the Applicant's TDC will be equally reduced to incorporate the cost reduction. If after following this Developer fee limitation process, the Applicant's TDC exclusive of the applicable qualifying costs is reduced to be within the amount allowed by the TDC Per Unit Limitation, then the Developer fee adjustment calculation is complete. If the Applicant's TDC exclusive of the applicable qualifying costs remains above the amount allowed by the TDC Per Unit Limitation, then there is an additional Developer fee adjustment process, as outlined in (3) below.

- (3) An additional Developer fee limitation adjustment will be initiated to further reduce the allowable maximum Developer fee limit in the event the Applicant's TDC exclusive of the applicable qualifying costs (as adjusted above) exceeds the TDC Per Unit Limitation. The reduction will be determined by deriving a percentage amount that the Applicant's TDC exclusive of the applicable qualifying costs (as adjusted above) exceeds the TDC Per Unit Limitation, and multiplying this excess percentage by the amount of the adjusted Developer fee, resulting in a product that is the additional adjustment to the Developer fee. For instance, if the Applicant's adjusted TDC exclusive of the applicable qualifying costs exceeds the limitation by 4 percent, then the maximum allowable Developer fee limit is further reduced by 4 percent. If the stated Developer fee is greater than this limit, it must be reduced to be equal to the new limit. Once this step is complete, there is no further Developer fee adjustment or corresponding cost savings mandated to be incorporated into the Applicant's TDC for this process.

It is at this point that the Applicant's adjusted TDC exclusive of the applicable qualifying costs are compared to the TDC Per Unit Limitation, and if the TDC Per Unit Limitation is exceeded by more than 5 percent (as presented in the opening paragraph of 1.b above), the credit underwriting report shall be presented with a negative recommendation by the Credit Underwriter.

As a note, if the Developer fee in the credit underwriting report is already at or below the maximum allowable Developer fee limit, then there is no additional adjustment mandated to be incorporated into the Developer fee. This also means there are no corresponding cost savings to reduce the Applicant's TDC since all TDC cost reductions stemming from this process are coming from reducing the Developer fee. If the Developer fee in the credit underwriting report needs to be reduced to incorporate any adjustment as provided above, then as the Developer fee is reduced, so is the Applicant's TDC in order to incorporate the reduced Developer fee cost.

For example:

A 110-unit Development located in Sarasota County had a Development Category of Acquisition and Redevelopment and Development Types comprised of Mid-Rise-ESSC (4 Stories) (NC) with 70 units and Garden-ESSC (NC) with 40 units. The credit underwriter initially reports the Applicant's TDC of \$32,220,000, inclusive of the Applicant's stated Developer fee of \$4,440,000, but exclusive of applicable qualifying costs at time of credit underwriting, and also prior to any adjustment. The Applicant does have a PHA/instrumentality of a PHA as a Principal and qualifies for the TDC Add-On.

Calculate TDC Limitation for the Development and Maximum Allowable Developer fee

- 1.(a) TDC Per Unit Base Limitation (blended for two unique Unit types), inclusive of any applicable TDC Multiplier (100%), any applicable TDC Add-On (\$5,000) and the escalation rate (3.0%): [(\$274,000.00 Per Unit + \$5,000 TDC Add-On) x 70 Mid-Rise-ESSC (4 Stories) (NC) Units + (\$248,000.00 Per Unit + \$5,000 TDC Add-On) x 40 Garden-ESSC (NC) Units] x (1 + 3.0%) / 100% TDC Multiplier = \$30,539,500. (To determine the blended final TDC PU Limitation, divide by total units: \$30,539,500 / 110 Total Units = \$277,631.82 Per Unit.)
- 1.(b) Implied maximum Development Cost per the limitation: $\$30,539,500 \div 1.16 = \$26,327,156$.
- 1.(c) Determine maximum allowable Developer fee limit within the TDC limitation (prior to any applicable Developer fee adjustment): $\$26,327,156 \times 16\% = \$4,212,344$.

(Note: The calculations in both 1.(b) and 1.(c) incorporates the requirement to round down the Developer fee to the next lower whole dollar.)

First Developer fee/TDC adjustment Calculation Methodology (If necessary)

- 2.(a)(i) Is the Applicant's initial Developer fee (\$4,440,000) greater than the maximum allowable of \$4,212,344? $\$4,440,000 > \$4,212,344$; Yes.
- 2.(a)(ii) If the response to 2.(a)(i) is "Yes", then determine the excess: $\$4,440,000 - \$4,212,344 = \$227,656$ (initial excess Developer fee and initial excess TDC of Applicant).
- 2.(b) Reduce the Applicant's initial Developer fee to the lesser of either the maximum allowable (\$4,210,068) or the Applicant's initial fee (\$4,440,000) and reduce the Applicant's initial TDC by an equal amount: $\$4,440,000 - \$227,659 = \$4,212,344$ (Applicant's initial adjusted fee); $\$32,200,000 - \$227,659 = \$31,992,344$ (Applicant's initial adjusted TDC).
- 2.(c) If the response to 2.(a)(i) is "No" or once the adjustment of 2.(b) has been completed, then determine if the Applicant's (adjusted) TDC remains in excess of the limitation and if so, the amount of the excess: $\$31,992,344$ (initial adjusted TDC) $>$ $\$30,539,500$ (TDC limitation); $\$31,992,344 - \$30,539,500 = \$1,452,844$ (excess).
- 2.(d) Determine the components used to calculate an adjusted maximum allowable Developer fee. Any adjustment will be the lesser of either (i) 100% of the excess TDC (\$1,452,844), (ii) \$500,000, or (iii) 25 percent of the maximum allowable Developer fee limit ($25\% \times \$4,212,344 = \$1,053,086$): $\$500,000 < \$1,053,086 < \$1,452,844$.
- 2.(e) Apply the least amount of the three components in 2(d) above (\$500,000) to determine the maximum allowable Developer fee limit, subject to this adjustment: $\$4,212,344 - \$500,000 = \$3,712,344$ (maximum fee limit at this stage).
- 2.(f) Determine if the Applicant's initial adjusted Developer fee (as provided in 2.(b) above) is greater than the new maximum allowable Developer fee limit (from 2.(e) above) and, if so, reduce the Applicant's initial adjusted fee appropriately:

\$4,212,344 (Applicant's initial adjusted fee) > \$3,712,344 (maximum fee limit at this stage); Adjust the fee appropriately: Applicant's interim adjusted fee = \$3,712,344.

- 2.(g) Determine the Applicant's TDC reduction due to the Developer fee adjustment in 2.(f) above and apply the adjustment accordingly: \$4,212,344 (Applicant's initial adjusted fee) - \$3,712,344 = \$500,000 (Applicant's TDC reduction); \$31,992,344 - \$500,000 = \$31,492,344 (Applicant's interim adjusted TDC).

(As a note, this TDC is still greater than the TDC Per Unit Limitation so an additional adjustment to the maximum allowable Developer fee will need to be calculated.)

Second Developer fee/TDC adjustment Calculation Methodology (If necessary)

- 3.(a) Determine the percentage the Applicant's (adjusted) TDC without the applicable qualifying costs (as adjusted above in 2.(g)) that exceeds the amount allowed by the TDC Per Unit Base Limitation: Amount of excess TDC: \$31,492,344 (Applicant's interim adjusted TDC) - \$30,539,500 (TDC limitation) = \$953,844 (excess TDC); Excess TDC as a percentage of TDC Limitation: \$953,844 ÷ \$30,539,500 = 3.12%. (Note: This number is only rounded here for illustrative purposes. The actual calculation will not be rounded.)
- 3.(b) Determine the final maximum Developer fee limit: 3.12% x \$3,712,344 (maximum fee limit from 2.(e) above) = \$115,826; \$3,712,344 - \$115,826 = \$3,596,518 (final maximum allowable Developer fee limit).
- 3.(c) Determine if the Applicant's interim adjusted Developer fee (from 2.(f) above) is greater than the final maximum allowable Developer fee limit (from 3.(b) above) and, if so, reduce the Applicant's interim adjusted Developer fee appropriately: \$3,712,344 (Applicant's interim adjusted fee) > \$3,596,518 (final fee limitation); \$3,712,344 - \$115,826 = \$3,596,518 (Applicant's final adjusted Developer fee).
- 3.(d) Determine the Applicant's final adjusted TDC at time of credit underwriting by taking the Applicant's interim adjusted TDC (as provided in 2.(g) above) and subtracting any adjustment to the Applicant's final adjusted Developer fee (from 3.(c) above): \$31,492,344 - \$115,826 = \$31,376,518 (Applicant's final adjusted TDC).
- 3.(e) Verify the status of the 5% variance test: $(\$31,376,518 - \$30,539,500) / \$30,539,500 = 2.74\%$, which falls within the criteria of being less than or equal to 5% above of the amount allowed by the TDC Per Unit Limitation.
- c. Any Applicant that presents a Final Cost Certification Application Package (FCCAP) **that has applicable TDC amounts that exceed the TDC Per Unit Limitation** will require staff to review the FCCAP for compliance to the procedure provided in (1), (2) and (3) below **if the Applicant did not have its Developer fee adjusted at credit underwriting as provided in 1.b. above**, either voluntarily or by the credit underwriter in order to get the Applicant's TDC exclusive of the applicable qualifying costs to be in compliance with the TDC Per Unit Limitation requirements.
- (1) A TDC Per Unit Limitation is the maximum allowable and is determined by adding the applicable TDC Per Unit Base Limitation from the table above with respect to the

Development as provided in this RFA to any applicable TDC add-on and multiplying that sum by the appropriate escalation rate, and then dividing by any applicable TDC multiplier and finally taking the resulting amount and multiplying it by the number of total units in the Development. If there are multiple unit types, this process is done for each unique unit type and then they are all added together.

The Developer fee will be limited to the maximum allowable within the TDC Per Unit Limitation, in all instances. A Developer fee can be earned on Development Cost as defined by Rule Chapter 67-48, F.A.C., up to the maximum allowed within the TDC Per Unit Limitation, but it cannot be earned on costs in excess of said limitation. If the Development costs exceed the amount allowed by the TDC Per Unit Limitation, then the maximum allowable Developer fee will be adjusted as outlined below. The maximum allowable Developer fee limit can be determined by taking the TDC Per Unit Limitation amount and dividing by 1.16* and then multiply the result by 16 percent*. This will yield the maximum allowable Developer fee within the TDC Per Unit Limitation.

Prior to determining any necessary adjustment, if the Developer fee initially stated by the FCCAP is in excess of the maximum allowable Developer fee as provided in 1.c.(1) above, the Developer fee will be reduced to said maximum allowable Developer fee, and the Applicant's TDC will be equally reduced to incorporate the cost reduction.

- (2) Subsequent to reducing the Developer fee to the maximum allowable amount, additional adjustments may be necessary if the TDC Per Unit Limitation remains exceeded. An adjustment to the maximum allowable Developer fee limit shall be determined by reducing the maximum allowable Developer fee limit as determined in 1.c.(1) above, dollar-for-dollar, for any costs in excess of the amount allowed by the TDC Per Unit Limitation, up to the lesser of (a) the actual amount of costs in excess of the amount allowed by the TDC Per Unit Limitation, (b) \$250,000, or (c) 10 percent of the initial maximum allowable Developer fee limit. If the stated Developer fee, inclusive of any necessary adjustments incorporated above, exceeds the maximum allowable Developer fee limit as adjusted herein, the stated Developer fee, inclusive of any necessary adjustments incorporated above, shall be further adjusted to not exceed the new maximum allowable Developer fee limit, and the Applicant's TDC will be equally reduced to incorporate the cost reduction. If, after following this Developer fee limitation process, the Applicant's TDC exclusive of the applicable qualifying costs is reduced to be within the amount allowed by the TDC Per Unit Limitation, then the Developer fee adjustment calculation is complete. If the Applicant's TDC exclusive of the applicable qualifying costs remains above the amount allowed by the TDC Per Unit Limitation, then there is an additional Developer fee adjustment process, as outlined in (3) below.
- (3) An additional Developer fee limitation adjustment will be initiated to further reduce the maximum allowable Developer fee limit in the event the Applicant's TDC exclusive of the applicable qualifying costs (as adjusted above) exceeds the TDC Per Unit Limitation. The reduction will be determined by deriving a percentage amount that the Applicant's TDC exclusive of the applicable qualifying costs (as adjusted above) exceeds the amount allowed by the TDC Per Unit Limitation, and multiplying this excess percentage by the amount of the adjusted Developer fee, resulting in a

product that is the additional adjustment to the Developer fee. For instance, if the Applicant's adjusted TDC exclusive of the applicable qualifying costs exceeds the limitation, by 4 percent, then the maximum allowable Developer fee limit is further reduced by 4 percent. If the stated Developer fee is greater than this limit, it must be reduced to be equal the new limit. Once this step is complete, there is no further Developer fee adjustment or corresponding cost savings to be incorporated into the Applicant's TDC as a result of this process.

If the Applicant already had its Developer fee adjusted at credit underwriting as provided in 1.b. above, either voluntarily or by the credit underwriter in order to get the Applicant's TDC exclusive of the applicable qualifying costs to be in compliance with the TDC Per Unit Limitation requirements, **but the Applicant's TDC without the applicable qualifying costs in the FCCAP is now less than the Applicant's TDC without the applicable qualifying costs provided in the credit underwriting report**, then the Developer fee will be re-evaluated based on the procedure provided in 1.b. above, just as if it were going through the credit underwriting report process again.

If the Applicant already had its Developer fee adjusted at credit underwriting as provided in 1.b. above, either voluntarily or by the credit underwriter in order to get the Applicant's TDC exclusive of the applicable qualifying costs to be in compliance with the TDC Per Unit Limitation requirements, **and the Applicant's TDC the applicable qualifying costs in the FCCAP exceeds the Applicant's TDC without the applicable qualifying costs provided in the credit underwriting report**, then the Developer fee will have an additional adjustment to be incorporated as provided in (4) below. For the adjustment process below, the maximum initial Developer fee (i.e., prior to any adjustments provided in (4) below) cannot exceed the final Developer's fee as stated in the credit underwriting report.

- (4) For an Applicant that already had its Developer fee adjusted at credit underwriting as provided in 1.b. above and whose TDC without the applicable qualifying costs in the FCCAP exceeds the Applicant's TDC without the applicable qualifying costs provided in the credit underwriting report, the maximum allowable Developer fee limit will incorporate an additional adjustment. This additional Developer fee adjustment will be the lesser of (a) the difference between the amount of the Applicant's TDC exclusive of the applicable qualifying costs as reported in the FCCAP that is in excess of the Applicant's TDC exclusive of the applicable qualifying costs provided in the credit underwriting report, (b) \$250,000, or (c) 10 percent of the allowable Developer fee reported in the credit underwriting report. If the Developer fee in the FCCAP is already equal to or less than the maximum allowable Developer fee limit as determined with the incorporation of this additional Developer fee adjustment, then neither the Developer fee nor the Applicant's TDC is further reduced.

For example:

Assuming the Development in the example provided in 1.b. above provides an FCCAP with the Applicant's TDC, exclusive of applicable qualifying costs, which is \$275,000 higher than the Applicant's TDC, exclusive of the applicable qualifying costs, provided in the credit underwriting report, but the Developer fee is the same as provided in the credit underwriting report of \$3,596,518. The additional Developer fee adjustment will be the lesser of (a) \$275,000 (the new excess costs), (b) \$250,000 (the maximum dollar limit of this additional

Developer fee adjustment), or (c) \$359,652 (10% of the allowable Developer fee reported in the credit underwriting report).

Since option (b) is the least amount of the three options, the allowable Developer fee will be lowered by \$250,000. Since the Applicant’s Developer fee initially reported in the FCCAP is equal to the allowable Developer fee reported in the credit underwriting report, the Applicant’s Developer fee will be adjusted in the same manner as the allowable Developer fee. The allowable Developer fee and the Applicant’s Developer fee will be \$3,346,518 (the allowable Developer fee reported in the credit underwriting report of \$3,596,518, less the adjustment of \$250,000). The Applicant’s TDC, exclusive of applicable qualifying costs, in the FCCAP would be adjusted to \$31,401,518 (\$31,376,518 from the credit underwriting report plus \$275,000 of new additional costs less \$250,000 for the reduction in allowable Developer fee).

As a note, if the Developer fee in the FCCAP is already at or below this allowable Developer fee, then there is no additional adjustment to be incorporated into the Developer fee. This also means there are no corresponding costs savings to reduce the Applicant’s TDC since all TDC cost reductions stemming from this process are coming from reducing the Developer fee. If the Developer fee in the FCCAP needs to be reduced to incorporate any adjustments provided above, then as the Developer fee is reduced, so is the Applicant’s TDC in order to incorporate the reduced Developer fee cost.

* These figures represent the applicable Developer fee percentage for the Development of 16% and one plus the applicable Developer fee percentage for the Development (1+16%).

3. SAIL Leveraging

Total Eligible SAIL Request Amount Per Set-Aside Unit:

For this RFA, 100 percent of the units are considered to be Set-Aside units. The Application with the lower amount of total SAIL funds per Set-Aside unit will receive preference. This amount will be calculated by dividing the Applicant’s Total Eligible SAIL Request Amount by the total number of set-aside units (i.e., the total number of units in the proposed Development). If the Applicant’s SAIL Request Amount stated in Exhibit A is adjusted by the Corporation during the scoring process, the adjusted amount will be used for this calculation.

The following will be excluded from the above leveraging calculation: the Applicant’s request amount(s) for HC (9% HC or 4% HC) and MMRB, if applicable.

3. Florida Job Creation Funding Preference

Each Application will be measured to determine whether it qualifies for the Florida Job Creation Funding Preference. To determine eligibility for the preference, the Corporation will calculate the Application's Florida Job Creation score, which will reflect the number of Florida jobs per \$1 million of implied eligible housing credit equity. To qualify for the Florida Job Creation Funding Preference in Section Five of the RFA, all Applications must earn a Florida Job Creation score equal to or greater than 10.0.

Determination of the Florida Job Creation score will be based on the following information:

- The number of units committed to by the Applicant (as stated by the Applicant in Exhibit A);
 - The applicable Florida job creation rate for the type of units, which is a rate of 3.635 Florida Jobs per unit for proposed new construction units;
- The Eligible Housing Credit Request Amount.

The score for the Florida Rate of Job Creation per \$1 million of implied eligible housing credit equity will be measured using one of the following calculations:

Developments consisting of only new construction units

Number of new construction units x 3.635 Florida Jobs per unit x 1,000,000 / (the Eligible Housing Credit Request Amount x 9.5) = Florida Jobs per \$1 million of Housing Credit Allocation.

For example:

Application A consists of 80 new construction units and has an Eligible Housing Credit Request Amount of \$2,300,000.

$80 \times 3.635 \times 1,000,000 / (2,300,000 \times 9.5) = \text{Florida Job Creation score of } 13.31.$

In above example, all Applications will qualify for the Job Creation Funding Preference because each has a Florida Job Creation score that is at least 10.

4. Fees

The Corporation and, if applicable, the Credit Underwriter shall collect via check or money order from the Applicant the following fees and charges in conjunction with this RFA. Failure to pay any fee shall cause the funding awarded to be withdrawn as outlined in the credit underwriting and program requirements outlined in Rule Chapter 67-48, F.A.C.

a. Application Fee

All Applicants requesting funding in this RFA shall submit to the Corporation as a part of the Application submission a non-refundable Application fee of \$3,000.

b. Credit Underwriting Fees

The following fees are not the fees that will be charged, but are listed below for estimation purposes of completing the Development Cost Pro-Forma in the Application. The actual fees will be determined based on the current contract, including any addendum, for services between the Corporation and the Credit Underwriter(s) in effect at the time underwriting begins.

(1) Initial fee

Any Housing Credit Development requiring further analysis by the Credit Underwriter pursuant to Section 42(m)(2) of the IRC will be subject to an hourly fee of \$184. All credit underwriting fees shall be paid by the Applicant prior to the performance of the analysis by the Credit Underwriter.

Any SAIL Development requiring further analysis by the Credit Underwriter will be subject to a fee based on an hourly rate determined pursuant to contract between the Corporation and the Credit Underwriter. All credit underwriting fees shall be paid by the Applicant prior to the performance of the analysis by the Credit Underwriter. If the Development involves Scattered Sites of units within a single market area, a single credit underwriting fee shall be charged.

(3) Extraordinary Services fee: \$184 per hour.

(4) Capital Needs Assessment fee: \$2,174.

(5) Credit Underwriting Extension Fees

For 9 percent HC, credit underwriting extension fees will be outlined in the Carryover Allocation Agreement.

(6) Housing Credit Preliminary Recommendation Letter fee: \$1,638

c. Administrative Fees

With respect to the HC Program, each for-profit Applicant shall submit to the Corporation a non-refundable administrative fee in the amount of 9 percent of the annual Housing Credit Allocation amount stated in the Preliminary Allocation. The administrative fee shall be 5.5 percent of the stated annual Housing Credit Allocation for Non-Profit Applicants. The administrative fee must be received by the Corporation as stated in the Preliminary Allocation.

d. Compliance Monitoring Fees

The following fees are not the fees that will be charged, but are listed below for estimation purposes of completing the Development Cost Pro-Forma in the Application. | Competitive HC and SAIL | | | |

(2) Follow-up Reviews/Extraordinary Services fee: \$184 per hour

(3) Follow-up Review/Extraordinary Services fee: \$184 per hour.

e. Commitment Fees

With respect to the SAIL Program, each Applicant to which a firm commitment is granted shall submit to the Corporation a non-refundable commitment fee of 1 percent of the SAIL loan amount upon acceptance of the firm commitment.

(1) Non-Profit sponsors who provide a certification indicating that funds will not be available prior to closing shall be permitted to pay the commitment fee at closing.

(2) All Applicants shall remit the commitment fee payable to the Florida Housing Finance Corporation.

f. Construction Inspection Fees

The following fees are not the fees that will be charged, but are listed below for estimation purposes of completing the Development Cost Pro Forma in the Application. The actual fees will be based on the current contract, including any addendum, for services between the Corporation and the Servicer(s).

On-site construction inspection - \$184 per hour, not to exceed \$1,822 per inspection.

g. Credit Underwriting and Loan Closing Extension Fees

In the event the SAIL loan(s) does not close within the prescribed timeframes, extension fees will be assessed. SAIL loans must close within the timeframes outlined in subsections 67-48.072(21) and 67-48.072(26), F.A.C. For all SAIL loans, a request for an extension of the deadline for closing the loan(s) may be considered by the Board for an extension term of up to 90 Calendar Days. The Corporation shall charge an extension fee of 1 percent of each Corporation loan amount if the Board approves the request to extend the loan closing(s).

During and after lease-up, Referral Agency referrals must be moved in first, regardless of chronological order of the general waiting list, until all Link units are occupied with Referral Agency referrals.
- F. After review and preliminary approval of the MOU by the Corporation, and no later than the deadline established in the invitation to enter into credit underwriting, the owner shall provide one original fully-executed hard copy of the MOU to the Corporation. Once approved by the Corporation, the owner shall arrange for a copy of the approved MOU to be maintained on file at the site of the Development's records for compliance monitoring purposes.
- G. When the owner is noncompliant because no Referral Agency that serves the county where the Development is located is available to execute an MOU, the noncompliance shall be held in a correction period status until the earlier of (i) approval by the Corporation of an MOU executed with a new Referral Agency, or (ii) the passage of 45 Calendar Days following placement of a Referral Agency that serves the Development's county onto the Corporation's Referral Agency list.
- H. When a Referral Agency notifies the owner of its intent to terminate an MOU, the owner shall notify the Corporation of the MOU termination by email, at Link@floridahousing.org, within five Calendar Days of receiving the notification from the Referral Agency. The owner shall then select another Referral Agency for the Development's county and obtain approval from the Corporation for the MOU executed with the new Referral Agency no later than 45 Calendar Days after receipt of notification from the prior Referral Agency of its intent to terminate the MOU.
- I. When an owner intends to terminate an MOU, the owner shall repeat the process outlined in all of the steps above to obtain approval from the Corporation for a new MOU executed with another Referral Agency before termination of the prior MOU may become effective.
- J. The Corporation may require the owner to terminate an MOU with a Referral Agency if that partnership is not effective in meeting the intent of the Link Set-Aside Requirement. The owner shall execute another MOU with a new Referral Agency before terminating the MOU.

The owner shall follow the process outlined in all of the steps above to obtain approval from the Corporation.

III. Notification of the Availability of Units for Referral of Intended Link Households

- A. The owner shall meet with the chosen Referral Agency to review the Link roles and responsibilities of each party, the household income limitation and other eligibility criteria for tenancy, household move-in expenses and on-going monthly rental payments. The meeting shall be held no less than 45 Calendar Days before the anticipated commencement of any activities related to the leasing of any unit in the Development. The owner shall maintain documentation of the meeting with the Referral Agency and shall provide a copy for review by the Corporation upon its request.
- B. Leasing Activity (Lease-up and Pre-leasing): During leasing activities, the owner shall make all units available for the intended Link households referred by the Referral Agency, until the Development's Link Set-Aside Requirement has been met. If the Development has not met its Link Set-Aside Requirement by the passing of 30 Calendar Days after the last unit is actually available for occupancy, the owner may lease the units to any eligible household. To the extent that an ELI-unit requirement coincides with a Link Set-Aside Requirement, for a period not to exceed nine months, a failure to meet the ELI-unit requirement shall not cause noncompliance during the lease-up or 30 Calendar Day hold period.
- C. Once the Development's leasing activity is completed, a vacant unit formerly occupied by a Link household shall be held open for intended households referred by the Referral Agency for a period of 30 Calendar Days starting from the date the vacated unit is suitable for occupancy and ready to lease. The owner shall notify the Referral Agency that a unit is available on or before the date that the vacated unit becomes suitable for occupancy and ready to lease, but no more than 30 Calendar Days before the unit is anticipated to be ready to lease. The vacated unit shall retain the Link classification until next occupied, at which time the classification of the new household shall be applied to the unit.
- D. When the Development is an Acquisition/Rehabilitation Development that is occupied at the earlier of either the loan closing or the site acquisition or the date of the Carryover Allocation Agreement, all units (at any AMI set-aside level) that become available and are suitable for occupancy and ready to lease shall be prioritized for intended households referred by the Referral Agency until the Link requirement has been met.
- E. Communication between the owner and the Referral Agency's designated contact person related to activities in this section shall be conducted via email. Activities that must be conducted by email are as follows:
 1. Requests to develop MOU with Referral Agency;
 2. Draft reviews of MOUs between the parties;
 3. Final version of executed MOU;
 4. Current contact information for the contact staff designated by the owner and Referral Agency and listed in the MOU;

5. Notifications of unit availability;
 6. Number of Calendar Days unit will be held open for referrals;
 7. Information about rental policies and eligibility criteria;
 8. Outcome of referrals;
 9. Notifications of issues or concerns that may adversely affect the tenancy of the household; and
 10. Requests for termination of MOU.
- F. The owner shall maintain a Link communication tracking log that documents: (i) the unit number of each offered unit; (ii) the date each unit was suitable for occupancy; (iii) the date of the email notice to the Referral Agency that each unit was available for rent to a Link household, including the dates of required follow up; (iv) date of response from Referral Agency, (v) Referral Agency response, (vi) outcome of referral, and (vii) number of days the unit was held open.
- G. If an owner notifies a Referral Agency that a unit is available and the Referral Agency does not respond, the owner shall contact the Referral Agency at least three times, at intervals of no less than seven Calendar Days, during the 30-day period after the initial notice of unit availability was sent to the Referral Agency. The owner shall document all notification activity on its Link communication tracking log.
- H. The owner shall notify the Referral Agency regarding the outcome of each referral within one business day after a determination is made regarding the household's eligibility to occupy the available unit.
- I. If a referral does not result in occupancy by the referred household, the 30-day holding period shall continue to allow the Referral Agency the opportunity to refer another household. The owner shall follow up with the Referral Agency at intervals of no less than seven Calendar Days during the remainder of the 30-day holding period. The owner shall document all notification activity on its Link communication tracking log.

IV. Link Compliance Monitoring Documentation

- A. The owner shall cause the following documentation to be maintained on file for compliance monitoring purposes. Such documents shall be made available for inspection by Corporation personnel or its monitoring agents at any reasonable time. The owner shall provide copies of such documents, either electronic or paper, to the Corporation within three business days of any request by the Corporation for such copies.
1. A copy of all active MOUs approved by the Corporation;
 2. A copy of all terminated MOUs. Terminated MOUs shall be retained for seven years beyond the period of tenancy for any household referred under the particular MOU;

3. A copy of any current correction period extensions granted by the Corporation; and
 4. Email communication with the Referral Agency demonstrating timely notification regarding the availability of units for the intended Link household, outcome of each referral, and, when an available unit was not rented to a Link household, the number of days the available unit was held open for intended Link household.
- B. The monthly Program Report submitted to the Corporation by the Development shall reflect the number of Link households residing in an ELI Set-Aside unit.
- C. The Compliance Period committed to in the RFA also includes the units set aside for the Demographic Commitments, which includes the commitments for Link and ELI Households. The affordability period committed to in the RFA includes the units set aside for ELI Households. Although the percentage of units committed to must remain in effect for the entire Compliance Period, the units designated for the Demographic Commitment and AMI commitment must not be limited to the same units throughout the Compliance Period. Doing so may cause the Development to be in non-compliance with Section 42.
