However, as the Advance Review Process is provided as a courtesy by the Corporation, the Corporation is under no obligation to respond within any specific timeframe. It is the Applicant's sole responsibility to submit the required information in response to an RFA by the applicable Application deadline.

Advance review of an Applicant's List of Principals is optional and is not required in order to submit an Application in response to RFA 2021-101.

To assist the Applicant in developing its List of Principals, the Corporation has developed a decision tree chart as well as samples designed to illustrate the acceptable form for listing Principals. The chart and samples are attached for reference.

If an Applicant received a Stamped List of Principals from the Corporation as a result of the RFA Advance Review process for a previous RFA, such Stamped List of Principals may be submitted in the Applicant's RFA 2021-101 Application provided the information on the Stamped List of Principals is correct.
