Due: August 3, 2023

**SECTION ONE
INTRODUCTION**

This Request for Applications (RFA) is open to Applicants proposing the development of affordable, multifamily housing for Families and the Elderly utilizing State Apartment Incentive Loan (SAIL) funding as gap funding in conjunction with (i) Tax-Exempt Bond financing (i.e., Corporation-issued Multifamily Mortgage Revenue Bonds (MMRB) or Non-Corporation-issued Tax-Exempt Bonds obtained through a Public Housing Authority (established under Chapter 421, F.S.), a County Housing Finance Authority (established pursuant to Section 159.604, F.S.), or a Local Government), (ii) Non-Competitive Housing Credits (Housing Credit) and, if applicable, (iii) National Housing Trust Fund (NHTF).

A. SAIL

Florida Housing Finance Corporation (the Corporation) expects to offer an estimated \$108,344,702 comprised of a part of the Family and Elderly Demographic portion of the SAIL funding appropriated by the 2022 Florida Legislature. The amounts listed below include ELI funding to cover the units that are set aside for Extremely Low Income (ELI) Households, including the commitment for a portion of ELI Set-Aside units as Link Units for Persons with Special Needs, as defined in Section 420.0004(13) F.S. and as further outlined in Sections Four A.6.d.(2)(c) of the RFA. The total SAIL Request Amount is the Base Loan Amount plus the ELI Amount.

The portion of the SAIL loan that is attributable to the ELI Funding is a forgivable loan.

1. Demographic Categories

- a. \$ 40,802,745 of Elderly funding for proposed Developments with the Elderly Demographic Commitment (ALF and Non-ALF), and
- b. \$ 67,541,958 of Family funding for proposed Developments with the Family Demographic Commitment.

Up to a maximum of \$33,770,979 of the Family funding shall be reserved for Applicants that demonstrate self-financed sources and meet additional Application criteria set forth in Section Four, A.3.a.(1)(b) below (“Self-Sourced Applicants”).

\$ 33,770,979 of the Family funding shall be reserved for Applicants that select the Family Demographic Commitment but do not qualify as Self-Sourced Applicants.

2. County Geographic Categories

The following information is based on the most recent statewide low-income rental housing market study.

County Geographic Category	Amount of Funding Allocated to Each County Geographic Category
-----------------------------------	---

Small Counties	\$10,834,470
Medium Counties	\$40,845,953
Large Counties	\$56,664,280

B. Tax-Exempt Bonds and Non-Competitive Housing Credits (Housing Credit)

The SAIL funding offered in this RFA must be used in conjunction with Tax-Exempt Bonds and Non-Competitive Housing Credits. For purposes of this requirement, the Applicant will NOT utilize the Non-Competitive Application Package to apply for (i) Corporation-issued MMRB and the Non-Competitive Housing Credits or (ii) Non-Competitive Housing Credits to be used with Non-Corporation-issued Tax-Exempt Bonds (i.e. issued by a Public Housing Authority (established under Chapter 421, F.S.), a County Housing Finance Authority (established pursuant to Section 159.604, F.S.), or a Local Government). Instead, the Applicant is required to apply for the MMRB and/or Housing Credits as a part of its Application for the SAIL funding.

If, prior to the submission of the Applicant's Application in response to this RFA, the Applicant submits or has already submitted a Non-Competitive Application for the Development proposed in its SAIL Application, such previous Non-Competitive Application will not be considered and the Applicant will be required to request the Corporation-issued MMRB and/or Non-Competitive Housing Credits as a part of its SAIL Application request, as outlined above.

If the proposed Development is not selected for funding or if the Applicant's funding award is rescinded, and the Applicant still wishes to receive the MMRB and/or Non-Competitive Housing Credits, the Applicant will be required to submit a new Application for such funding using the Non-Competitive Application Package that is in effect at that time.

Proposed Developments are not eligible for any funding offered in this RFA if the Applicant has already closed on the Tax-Exempt Bond financing prior to the Application Deadline for this RFA. In addition, proposed Developments are not eligible to receive any funding awarded through this RFA if the Applicant closes on the Tax-Exempt Bond financing prior to the issuance of the preliminary commitment for the SAIL funding. If the Bonds are closed between the Application Deadline and issuance of the preliminary commitment, the Applicant's award will be rescinded.

C. National Housing Trust Funds (NHTF) or Home Investment Partnerships Program (HOME) From The American Rescue Plan Act (HOME-ARP)

All non-Self-Sourced Applicants proposing the Development Category of New Construction must commit to a certain number of 22% Units as described in Section Four, A.6.c.(2)(e) of this RFA. All Self-Sourced Applicants have the option commit to 22% Units. _____ in forgivable NHTF or HOME-ARP funding will be made available for the 22% Units.

The requirements for 22% Units are outlined in the RFA and are similar to HOME funding, such as the requirement to comply with the HUD environmental requirements as provided in 24 CFR 93.301(f)(1) and (2). However, Non-Profit Applicants will not be charged a fee for the environmental review.

Applicants will be awarded NHTF Funding unless the Applicant is not eligible for NHTF Funding, whether due to requirements such as the HUD environmental requirements as provided in 24

CFR 93.301(f)(1) and (2), or due to a depletion of NHTF Funding available. Such Applicants may instead be awarded an equivalent amount of funding through HOME-ARP. Although the HUD environmental requirements provided in 24 CFR 93.301(f)(1) and (2) do not apply; however, all HOME-ARP requirements would apply such as how the units must be used for Qualifying Populations, the HUD environmental requirements provided in 24 CFR Part 92 and 24 CFR Part 58, AND Davis-Bacon requirements apply, if there are at least twelve 22% Units.

The terms and conditions of NHTF are further outlined in Exhibit I of the RFA and the terms and conditions of HOME-ARP are further described in Exhibit J of the RFA.

- D. The Corporation is soliciting applications from qualified Applicants that commit to provide housing in accordance with the terms and conditions of this RFA, inclusive of all Exhibits, applicable laws, rules and regulations, and the Corporation's generally applicable construction and financial standards.

SECTION TWO DEFINITIONS

Capitalized terms within this RFA shall have the meaning as set forth in this RFA, in Exhibit B, Rule Chapters 67-48, F.A.C. and 67-60, F.A.C., (effective July 6, 2022) or in applicable federal regulations.

SECTION THREE PROCEDURES AND PROVISIONS

Unless otherwise stated within the RFA, the Application package, forms and other information related to this RFA may be found on the RFA Webpage at <https://www.floridahousing.org/programs/developers-multifamily-programs/competitive/2023/2023-205> (also available by clicking [here](#)).

A. Submission Requirements

1. Application Deadline

The Application Deadline is **3:00 p.m., Eastern Time, on August 3, 2023.**

2. Completing the Application Package

a. Downloading and completing the documents provided by the Corporation

Download and complete the following documents found on the RFA Webpage:

(1) The Application/Development Cost Pro Forma (Exhibit A of the RFA);
and

(2) The Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019) ("Principals Disclosure Form"). A Principals Disclosure Form that was approved during the Advance Review Process, which is described in Section Four A.3.c. of the RFA, may be used to satisfy this requirement.

The download process may take several minutes. Applicants should save these documents with a file name that is unique to the specific Application.

b. Creating the All Attachments Document

In addition to the documents described in a. above, the Application Package also includes one copy consisting of all of the applicable completed Attachments described in the RFA (“All Attachments Document”).

Compile all of the attachments described in the RFA into one pdf file separated by pages labeling each Attachment to create the All Attachments Document. This may be accomplished by merging the documents using a computer program such as Adobe Acrobat Pro or by scanning all of the attachments together.

As described in Section Four, B.2., to be awarded 5 points, bookmark the pdf of the All Attachments Document before uploading. It is not necessary to bookmark the individual documents within the Application Package (e.g. the Exhibit A document or the Principal Disclosure Form). Acrobat Standard DC or Acrobat Pro DC are the programs required to create bookmarks. Note: The Corporation has provided instructions on how to bookmark the Attachments as well as sample pages that may be used to separate the attachments on the RFA Webpage. If any of the attachments are not applicable, the Applicant should insert a page stating “Not Applicable” behind the separation page.

3. Uploading the Application Package

To upload the Application Package described in 2.a. above:

- a. Go to the RFA Webpage.
- b. Click the link to login and upload the Application Package. Note: A username and password must be entered. If the Applicant has not previously created a username and password, the Applicant will need to create one prior to the upload process.
- c. After successfully logging in, click “Upload Application Package.” Enter the Development Name and click “Browse” to locate the following completed saved documents:
 - (1) The Application (Exhibit A) in Excel format;
 - (2) The Principals Disclosure form in Excel format. (If the Applicant received an approved Principals Disclosure Form through the Advance Review Process, the approved form is what should be uploaded);
 - (3) The All Attachments Document in a pdf format.

The average file size is 1.0 MB and may take a few minutes to upload. Larger files may take longer to upload. There is a file size limit of 15 MB, but this may be reduced without reducing the number of pages submitted. Examples of factors that affect file size include the resolution of the scanner or scanning the documents in color or as a graphic/picture.

- d. After the documents are displayed in the Upload webpage, click “Upload Selected Files” to electronically submit the documents to the Corporation by the Application Deadline. Then the Uploaded Application (consisting of all four documents comprising the Application Package), and its assigned Response Number will be visible in the first column.

For scoring purposes, the Corporation will not consider any documentation beyond the Application Package that is uploaded as described above.

Note: If the Applicant clicks “Delete” prior to the Application Deadline, the Application will no longer be considered a Submitted Application and the Applicant will be required to upload the Application Package again in order for these documents to be considered an Uploaded Application. This will generate a new Response Number.

4. Submitting the Application Fee

a. Application Fee

By the Application Deadline, provide to the Corporation the required non-refundable \$3,000 Application fee, payable to Florida Housing Finance Corporation via check, money order, ACH, or wire transfer.

To ensure that the Application Fee is processed for the correct online Application, the following is ***strongly recommended***: (i) whether paying by check, money order, ACH or wire transfer, include the Development Name, RFA number with the payment; and (ii) if paying by wire, include the Federal Reference Number, or if paying by ACH, include the Trace Number at question B.1 of Exhibit A.

To ensure that the Application Fee is received prior to the Application Deadline, the following is ***strongly recommended***: (i) provide the Application Fee at least 48 hours prior to the Application Deadline; (ii) if paying by check or money order, provide the payment in person or via method requiring signature upon delivery, (iii) if paying by wire or ACH, ensure with banking institution that funding has been received by Florida Housing.

At least 24 hours prior to the Application Deadline, the Corporation expects to post a list of the check numbers and wire/ACH reference numbers for all Applications that follow the above recommendation at least 24 hours prior to the Application Deadline. If the online submission is not received by the Application Deadline, the payment will be refunded.

Pursuant to subsection 67-60.004(2), F.A.C., any Applicant may request withdrawal of its Application from a competitive solicitation by filing a written notice of withdrawal with the Corporation Clerk. For purposes of the funding selection process, the Corporation

shall not accept any Application withdrawal request that is submitted between 5:00 p.m., Eastern Time, on the last business day before the date the Review Committee meets to make its recommendations until after the Board has taken action on the Review Committee’s recommendations, and such Application shall be included in the funding selection process as if no withdrawal request had been submitted. Any funding or allocation that becomes available after such withdrawal is accepted shall be treated as Returned Funding and disposed of according to Section Five B. of the RFA.

- B. This RFA does not commit the Corporation to award any funding to any Applicant or to pay any costs incurred in the preparation or delivery of an Application.
- C. The Corporation reserves the right to:
1. Waive Minor Irregularities; and
 2. Accept or reject any or all Applications received as a result of this RFA.

No other means of communication, whether oral or written, shall be construed as an official response or statement from the Corporation.
- E. Any person who wishes to protest the specifications of this RFA must file a protest in compliance with Section 120.57(3), Fla. Stat., and Rule Chapter 28-110, F.A.C. Failure to file a protest within the time prescribed in Section 120.57(3), Fla. Stat., shall constitute a waiver of proceedings under Chapter 120, Fla. Stat.
- F. By submitting this Application, including all applicable attachments thereto, each Applicant agrees to the terms and conditions outlined in the RFA and certifies that:
1. **Public Records.** Any material submitted in response to this RFA is a public record. Section 119.071(1)(b)2, Fla. Stat. authorizes the Corporation to exempt this material from disclosure requirements; however, the Corporation intends to post the Applications to the RFA Webpage sooner than 30 days after the Application Deadline.
 2. **Noninterference.** At no time during the review and evaluation process, commencing with the Application Deadline and continuing until the Board renders a final decision on the RFA, may Applicants or their representatives contact Board members or Corporation staff, except Corporation legal staff, concerning their own or any other Applicant’s Application. If an Applicant or its representative does contact a Board or staff member in violation of this section, the Board shall, upon a determination that such contact was made in an attempt to influence the selection process, disqualify the Application.

3. Requirements. Proposed Developments funded under this RFA will be subject to the requirements of the RFA, inclusive of all Exhibits and all provisions of Rule Chapters 67-21, F.A.C., 67-48, F.A.C., 67-60, F.A.C., and the Compliance requirements of Rule Chapter 67-53, F.A.C.
4. Modifications. Any modifications that occur to the Request for Application will be posted on the web site and may result in an extension of the deadline. It is the responsibility of the Applicant to check the website for any modifications prior to the Application Deadline.

To the extent that a modification gives rise to a protest, failure to file a protest within the time prescribed in Section 120.57(3), Florida Statutes, shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.

- G. The Corporation expects to select one or more Applications to award the funding contemplated by this RFA. Any such Applications will be selected through the Corporation's review of each Application, considering the factors identified in this RFA.

SECTION FOUR INFORMATION TO BE PROVIDED IN APPLICATION

Provided below are the instructions to be used in completing Exhibit A of this RFA. Unless stated otherwise, all information requested in the RFA pertains to the Development proposed in this Application upon completion of the construction or rehabilitation work.

A. Exhibit A Items

1. Review of Application

During the Review Committee scoring process, the Corporation (i) may rely on the answers submitted by the Applicant in Exhibit A, the Development Cost Pro Forma, and the Principal Disclosure Form; and (ii) may, but is not obligated to, review the substance of the documentation that is submitted as Attachments to the Application.

If it is determined that the Attachments do not meet the RFA requirements or the Applicant submitted materially incorrect information in the Application, the Corporation may take any or all of the following actions, even if the Application was not selected for funding, was deemed ineligible, or was withdrawn: deem the Application ineligible, rescind the award, and consider all Principals of the Applicant to have made a material misrepresentation subject to Section 420.518, F.S.

- a. Family – The proposed Development will serve the general population. Note: Self-Sourced Applicants must select the Family Demographic Commitment.

Veteran Households that meet the Link Units or other AMI Set-Aside requirements will also count towards the goal of at least five percent of the units in the Development being occupied by one or more Veterans.

During the credit underwriting process, Self-Sourced Applicants must demonstrate self-sourced permanent financing in an amount that is at least half of the Applicant's eligible SAIL Request Amount or \$1,000,000, whichever is greater. (3) Developer Experience

(a) Required Developer Experience

A natural person Principal of at least one experienced Developer entity, which must be disclosed as a Principal of the Developer on the Principals of the Applicant and Developer(s) Disclosure Form, Rev. 05-2019, ("Principal Disclosure Form"), must have, since January 1, 2003, completed at least one multifamily rental housing development that consists of a total number of units no less than 50 percent of the total number of units in the proposed Development.

The individual meeting the Developer Experience requirements must be disclosed as a Principal of the Developer on the Principal Disclosure Form and must remain with the Development until the release of the operating deficit guarantee set forth in subsection 67-48.0072(18), F.A.C.

For purposes of this provision, completed development means (i) that the temporary or final certificate of occupancy has been issued for at least one unit in one of the residential apartment buildings within the development, or (ii) that at least one IRS Form 8609 has been issued for one of the residential apartment buildings within the development. As used in this section, a Housing Credit development that contains multiple buildings is a single development regardless of the number of buildings within the development for which an IRS Form 8609 has been issued.

If the experience of a natural person Principal for a Developer entity listed in this Application was acquired from a previous affordable housing Developer entity, the natural person Principal must have also been a Principal of that previous Developer entity as the term Principal was defined by the Corporation at that time.

Required Developer Prior Experience Chart

Complete the prior experience chart for each natural person Principal intending to meet the required Developer experience reflecting the information for the three completed affordable rental housing development(s), one of which must be a Housing Credit development.

(b) Developer Experience with Corporation funded Developments (5 points)

(i) To be awarded five points in this RFA

Applications will be awarded five points if no Principal named in this RFA is also listed as a Developer, co-Developer or Principal of the Developer named on the Principals Disclosure Form included in a Self-Sourced Application submitted in RFA 2022-205 that has been withdrawn any time subsequent to the applicable RFA's Application Deadline, but on or before the execution of the Carryover Allocation Agreement(s) and payment of the Administrative Fee(s) for such Application(s).

For purposes of scoring this RFA, the Committee shall consider all such withdrawals that are made available to the Committee prior to the date that the Committee meets to make a recommendation to the Board.

(ii) The Developer Experience with Corporation funded Developments

In an effort to encourage the submission of quality Applications, the Corporation will award points in certain future RFAs if neither of the following apply:

(A) Withdrawals prior to a certain period of time

Applicants and Developers are on notice that any Application submitted in this RFA that is withdrawn any time subsequent to the Application Deadline but on or before the execution of the Carryover Allocation Agreement and payment of the Administrative fee will (if the future RFA so provides) result in a point reduction in the scoring of Developer experience in future Applications in which the Developer, Co-

Developer or any Principal of the Developer(s) named in the Developer section of the Principals of the Applicant and Developer(s) Disclosure Form of the withdrawn Application is named for purposes of satisfying the Developer experience requirement in the future Application.

Note: As used herein, an Application withdrawal includes a withdrawal of an Application (or the funding under such Application) initiated or made by the Applicant or by the Corporation itself where such withdrawal by the Corporation is the result of the Applicant's failure to act in accordance with the terms of the RFA or to pay fees in a timely manner as required by the RFA. If an Applicant rejects or declines an invitation to enter credit underwriting within the deadline set forth in this RFA, this will be considered a withdrawal for the purposes of the withdrawal disincentive, unless an invitation to enter credit underwriting has also been accepted for the same Development in a different RFA.

(B) Requests for additional Corporation Funding for a recently funded Development

Applications that request additional Corporation funding due to sizing (e.g., Viability Loan Funding or similar), regardless of whether the request is via approval of the Board of Directors or application of funds through a competitive process will, if the future RFA so provides, result in a point reduction in the scoring of Developer experience in future Applications in which the Developer, Co-Developer or any Principal of the Developer(s) named in the Developer section of the Principals of the Applicant and Developer(s) Disclosure Form of the withdrawn Application is named for purposes of satisfying the Developer experience requirement in the future Application. Request for additional Corporation issued MMRB allocation in order to meet the 50% test is excluded from this point reduction.

(c) Reduction in number of Priority 1 Application submissions allowed in the Future Corresponding 2025/2026 RFA cycle

Applicants must close on the SAIL funding by the closing deadlines as set forth in Rule Chapter 67-48, F.A.C. If the Application fails to meet these requirements and either requires a closing extension or withdraws from

funding, the Principals of the Application will be prohibited from submitting Priority 1 Applications in the Future Corresponding 2025/2026 RFA cycle, (i.e. RFA 2024 SAIL Financing Of Affordable Multifamily Housing Developments To Be Used In Conjunction With Tax-Exempt Bonds And Non-Competitive Housing Credits).

c. Principals Disclosure for the Applicant and for each Developer (**5 points**)

(1) Eligibility Requirements

To meet the submission requirements, upload the Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019) (“Principals Disclosure Form”) as outlined in Section Three above. Prior versions of the Principal Disclosure Form will not be accepted.

To meet eligibility requirements, the Principals Disclosure Form must identify, pursuant to subsections 67-48.002(94), 67-48.0075(8) and 67-48.0075(9), F.A.C., the Principals of the Applicant and Developer(s) as of the Application Deadline. A Principals Disclosure Form should not include, for any organizational structure, any type of entity that is not specifically included in the Rule definition of Principals. Per subsection 67-48.002(94), F.A.C., any Principal other than a natural person must be a legally formed entity as of the Application deadline.

The investor limited partner of an Applicant limited partnership or the investor member of an Applicant limited liability company (or a placeholder for the investor) must be identified on the Principal Disclosure Form.

(2) Approval during Advance Review Process (5 Points)

Applicants will receive 5 points if the uploaded Principal Disclosure Form is either (a) stamped “Approved” at least 14 Calendar Days prior to the Application Deadline; or (b) stamped “Received” by the Corporation at least 14 Calendar Days prior to the Application Deadline AND stamped “Approved” prior to the Application Deadline.

To document these dates, the Corporation will stamp the Principal Disclosure Form on the date it is received and the date it is approved. If a Principal Disclosure Form has been approved, but the Applicant must change the form for any reason, the form may be edited and resubmitted for approval, but the form will receive a new stamp reflecting the date the Corporation received the revised form. Likewise, if a form is returned to the Applicant for correction, the Applicant may make corrections and resubmit the form, but the date of the resubmission will be reflected as the date received. If a Principal Disclosure Form is submitted for an RFA with a “Received” date that is within 14 Calendar Days of the Application Deadline, the Applicant will not be eligible for the 5 Advance Review points.

The Advance Review Process for Disclosure of Applicant and Developer Principals is available on the RFA Webpage and also includes samples which may assist the Applicant in completing the required Principals Disclosure Form.

Note: It is the sole responsibility of the Applicant to review the Advance Review Process procedures and to submit any Principals Disclosure Form for review in a timely manner in order to meet the Application Deadline.

(3) Designation of Priority 1 and 2 Applications

Principals of Applications in this RFA are limited to three Priority 1 Related Application submissions in this RFA.

Note: In the context of a joint venture between a Public Housing Authority (“PHA”) (or an instrumentality of a PHA) and a Developer(s), separate Applicants do not affect one another’s total Related Applications if the only connection is a joint venture between the Developer and a PHA or instrumentality of a PHA. In this situation, the Applicants’ total number of Applications remain independent/autonomous of one another’s Related Applications tally.

The Corporation will review the entire Application submission to determine whether the Applicant has submitted more than the maximum number of Priority 1 Related Applications.

However, in all circumstances, PHAs, Applicants, and Developers are still limited to only three Related Applications per entity.

If, during scoring, it is determined that the maximum set forth above was exceeded, all Applications affiliated with the Principals of the affected Applications will be deemed Priority 2. If, after awards are made, it is determined that the maximum set forth above was exceeded, the award(s) for the affected Applications will be rescinded and all Principals of the affected Applications may be subject to material misrepresentation, even if the Related Applications were not selected for funding, were deemed ineligible, or were withdrawn.

If no designation is made in Exhibit A, the Application will be considered a Priority 2 Application. There is no limit to the number of Priority 2 Applications that can be submitted.

(4) Material and non-material changes to the Applicant entity or Developer entity

(a) The name of the Applicant entity or Developer entity stated in the Application may be changed only by written request of an Applicant to Corporation staff and approval of the Corporation after the Applicant has been invited to enter credit underwriting.

(b) Prior to loan closing, any change (materially or non-materially*) in the ownership structure of the named Applicant will require review and

recommendation of the Corporation, as well as Board approval prior to the change. After loan closing, (i) any material* change will require review and approval of the Credit Underwriter, as well as approval of the Board prior to the change, and (ii) any non-material* change will require review and approval of the Corporation prior to the change. Changes to the Applicant entity (material or non-material*) prior to the loan closing or without Board or Corporation approval, as applicable, after the loan closing may result in disqualification from receiving funding and may be deemed a material misrepresentation. The Applicant must comply with Principal disclosure requirements outlined in Rule Chapter 67-48, F.A.C. for the duration of the Compliance Period. Changes to the limited partner of an investor limited partnership or an investor member of a limited liability company owning the syndicating interest therein will not result in disqualification; however, if a change to the investor limited partner or investor member is made after the closing of the partnership agreement, the amended agreement reflecting the change must be provided to the Corporation. Changes to the officers or directors of a Public Housing Authority or a Non-Profit entity, regardless of when they occur, shall require Corporation approval. Any allowable replacement to the natural person Principals of a Public Housing Authority or officers and/or directors of a non-profit entity will apply to all preliminarily awarded Applications and Applications pending final Board action that include the Public Housing Authority or non-profit entity.*A material change shall mean 33.3 percent or more of the Applicant, a general partner of the Applicant, or a non-investor member of the Applicant, and a non-material change shall mean less than 33.3 percent of the Applicant, a general partner of the Applicant, or a non-investor member of the Applicant.

- (c) The Principals of each Developer identified in the Application, including all co-Developers, may be changed only by written request of an Applicant to Corporation staff and approval of the Corporation after the Applicant has been invited to enter credit underwriting as outlined in Rule Chapter 67-48, F.A.C.

d. General Management Company Information

Identify the Management Company and complete the prior experience chart for the Management Company or a principal of Management Company demonstrating experience in the management of at least two affordable rental housing properties (i.e., properties funded through an affordable housing program such as Housing Credits, Tax-Exempt Bonds, HOME, SAIL, etc.), at least one of which consists of a total number of units no less than 50 percent of the total number of units in the proposed Development, for at least two years each. Note: The Management Company contact person identified in Exhibit A is not required to be the Principal of the Management Company identified in the Prior General Management Experience Chart.

e. Contact Person

- (1) Enter the information for the required Authorized Principal Representative. The Authorized Principal Representative (a) must be a natural person Principal of the Applicant listed on the Principal Disclosure Form; (b) must have signature authority to bind the Applicant entity; (c) must sign the Applicant Certification and Acknowledgement section of Exhibit A; and (d) if funded, will be the recipient of all future documentation that requires a signature.
- (2) A separate Operational Contact Person may be included, if desired. If provided, the Operational Contact Person will be the recipient of any general correspondence associated with the Development activities that does not require a signature. If an Operational Contact Person is not provided, the Authorized Principal Representative will be the recipient of any such documentation.

4. General Proposed Development Information

- a. State the name of the proposed Development.
- b. Development Category/ Rental Assistance (RA) Level
 - (1) Select one of the following Development Categories:
 - New Construction*
 - Rehabilitation**
 - Acquisition and Rehabilitation**

*Self-Sourced Applicants must commit to the New Construction Development Category.

**For purposes of SAIL funding, this includes Substantial Rehabilitation.

If the proposed Development consists of acquisition and Rehabilitation, with or without new construction (where the applicable new construction is for the building of units which will total less than 50 percent of the proposed Development's total unit count), and the Applicant is not requesting Corporation funding related to the acquisition, the Applicant should select Rehabilitation as the Development Category. However, the acquisition costs and sources must still be reflected on the Development Cost Pro Forma.

- (2) The proposed Development must meet the Development Category requirements for the applicable Development Category as listed below:
 - (a) New Construction

If committing to the Development Category of New Construction, the proposed Development must consist entirely of new construction. Rehabilitation of existing units is not allowed.

Applications that qualify for the Development Category of New Construction will qualify for the Development Subcategory of Redevelopment (with or without Acquisition) through the following:

- (i) The Development must meet the definition of Redevelopment in Rule Chapter 67-48.002, F.A.C.; and
- (ii) State the year built and the total number of units that will receive PBRA and/or ACC if the proposed Development is funded in Exhibit A;
- (iii) Provide, as **Attachment 4** to Exhibit A, a Rental Assistance Qualification Letter from HUD or RD, dated within 12 months of the Application Deadline, which includes the following information:
 - Name of the Development*;
 - Address of the Development;
 - Year built**;
 - Total number of units that will receive PBRA and/or ACC if the proposed Development is funded;
 - Total number of units that currently have or are receiving PBRA and/or ACC. If none, the total number of units that originally received PBRA; and
 - The HUD or RD program currently associated with the existing development. If none, the HUD or RD program originally associated with the existing development.

*For purposes of this provision, the Name of the Development may be the name at the time of the PBRA and/or ACC award.

** The Development must have been built at least 30 years prior to the Application Deadline to meet the definition of Redevelopment.

(b) Rehabilitation (with or without Acquisition)

- (i) The proposed Development may consist of either (A) 100 percent Rehabilitation; or (B) a combination of new construction and Rehabilitation if less than 50 percent of the total new units are new construction;
- (ii) The proposed Development must meet the definitions of both Rehabilitation and Substantial Rehabilitation in Rule 67-48.002, F.A.C.; and
- (iii) Rehabilitation expenses within one 24-month period for the building(s) being rehabilitated must meet the criteria for both items below:

- (A) The estimated total amount of rehabilitation expenses must be equal to or greater than 20 percent of the adjusted basis of the acquired building; and
- (B) The qualified basis of the estimated total amount of rehabilitation expenses per low-income unit must be greater than or equal to \$40,000.

The Corporation performs a calculation to verify these criteria are met and displays the results within Exhibit A using the values within the Development Cost Pro Forma as identified below. The calculations are determined as follows:

Calculation information for (A) above:

To calculate the estimated total amount of rehabilitation expenses: Begin with the eligible Development Cost (Column 1, Item C), subtract eligible Total Acquisition Costs of Existing Development excluding land (Column 1, Item B), add eligible Developer Fee on Non-Acquisition Costs (Column 1, found within Item D, subject to RFA limits).

Note: Regardless of the number buildings in the proposed Development, the calculation at time of application will be based on the Development as a whole. Rehabilitation expenses are amounts chargeable to the capital account related to the rehabilitation of a building which are exclusive of the costs associated with the acquisition of the building.

To calculate the adjusted basis of the acquired building:

Begin with eligible Total Acquisition Costs of Existing Development excluding land (Column 1, Item B), add eligible Developer Fee on Acquisition Costs (Column 1, found within Item D). However, if the first line item in Column 1, Item B (Acquisition Cost of Existing Development, excluding land, Existing Building(s)) is zero, then the adjusted basis of the building shall also be zero.

Calculation information for (B) above:

Calculate the estimated total amount of rehabilitation expenses as described in the above calculation information for (A) above.

For proposed Developments that qualify for a basis boost:

The qualified basis is determined by multiplying the estimated total amount of rehabilitation expenses calculated above by 1.3, then multiplying the result by the Total Set-Aside Percentage.

The result is divided by the number of Set-Aside Units. The resulting amount is the qualified basis of the estimated rehabilitation expenses per low-income unit.

For proposed Developments that do not qualify for a basis boost:

The qualified basis is determined by multiplying the estimated total amount of rehabilitation expenses calculated above by the Total Set-Aside Percentage. The result is divided by the number of Set-Aside Units. The resulting amount is the qualified basis of the estimated rehabilitation expenses per low-income unit.

(3) Rental Assistance (RA) Level Classification

(a) Rental Assistance Qualification Letter

- (i) New Construction Developments that qualify for the Development Subcategory of Redevelopment (with or without Acquisition)

The Rental Assistance Qualification Letter is required of all New Construction Developments that qualify for the Development Subcategory of Redevelopment (with or without Acquisition) as stated in the requirements above.

- (ii) Development Category of New Construction or Rehabilitation, with or without Acquisition

The Rental Assistance Qualification Letter is not an eligibility requirement for proposed Developments with the Development Category of New Construction or Rehabilitation, with or without Acquisition; however, in order to be classified as an RA Level other than RA Level 6, state the total number of units that will receive PBRA, ACC, and/or other form of federal long-term rental assistance if the proposed Development is funded and provide the Rental Assistance Qualification Letter as **Attachment 4**, which must meet the following requirements:

The Rental Assistance Qualification Letter must be a letter from a designated administrator of a federal program that provides long-term rental assistance. The rental assistance provided must be tied to the proposed Development and its units and be for a minimum of 20 years from the date the Development's units are placed in service*. The letter must include the following information and be dated within 12 months of the Application Deadline:

- Name of the proposed Development;

- Address of the proposed Development;
- Total number of units that will receive PBRA, ACC, and/or other form of federal long-term rental assistance if the proposed Development is funded;
- The federal program associated with the rental assistance; and
- A statement that the committed rental assistance will be reserved and available for use by the proposed Development by the time the units are placed in service and committed for a minimum of 20 years upon the units being placed in service*.

*This may be subject to congressional appropriation and continuation of the rental assistance program. For developments documenting the commitment of RD rental assistance, the minimum 20-year commitment term from the date the Development's units are placed in service is not applicable.

All funded Applications will be held to the number of RA Units stated in the Rental Assistance Qualification Letter provided by the Applicant. This requirement will apply throughout the compliance period, subject to congressional appropriation and continuation of the rental assistance program.

(b) Calculating the Rental Assistance (RA) Level

The total number of units that will receive rental assistance (i.e., PBRA and/or ACC and, in the case of New Construction and Rehabilitation, other forms of federal long-term rental assistance) will be the basis of the Applicant's RA Level Classification. The Corporation will divide the RA Units by the total units, resulting in a Percentage of Total Units that are RA Units. Using the Rental Assistance Level Classification Chart below, the Corporation will determine the RA Level associated with both the Percentage of Total Units and the number of RA Units. The best rating of these two levels will be assigned as the Application's RA Level Classification.

Rental Assistance Level Classification Chart			
Rental Assistance Level	Percentage of Total Units that will receive Rental Assistance		Number of RA Units that will receive Rental Assistance
Level 1	All units (with the exception of up to 2 units)	or	At least 100 RA Units and greater than 50% of the total units
Level 2	Greater than 90.00%	or	At least 90 RA Units but less than 100 RA Units and greater than 50% of the total units
Level 3	Greater than 75.00%, equal to or less than 90.00%	or	At least 75 RA Units but less than 90 RA Units and greater than 50% of the total units
Level 4	Greater than 50.00%, equal to or less than 75.00%		N/A
Level 5	Greater than 10.00%, equal to or less than 50.00%		N/A
Level 6*	10.00% or less of the total units receive rental assistance		N/A

*Applications will be classified RA Level 6 if 10.00% or less of the total units will receive rental assistance or if the Applicant fails to meet the criteria outlined above.

c. Characteristics of Development

(1) Development Type

Select the Development Type for the proposed Development. For mixed-type Developments, indicate the type that will comprise the majority of the units in the Development.

- Garden Apartments (a building comprised of 1, 2 or 3 stories, with or without an elevator)
- Townhouses
- Mid-Rise, 4-stories (a building comprised of 4 stories and each residential building must have at least one elevator)
- Mid-Rise, 5 to 6-stories (a building comprised of 5 or 6 stories and each residential building must have at least one elevator)
- High-Rise (a building comprised of 7 or more stories and each residential building must have at least one elevator)

For purposes of determining the number of stories, each floor in the building(s) should be counted regardless of whether it will consist of retail, commercial, parking, utility, or residential.

Note: Any dwelling unit that consists of more than one story, (e.g. Townhouse), is prohibited for Elderly Set-Aside Units. A residential building that consists of more than one story is not prohibited for Elderly Set-Aside Units if there is a minimum of one elevator per residential building provided for all Elderly Set-Aside Units that are located on a floor higher than the first floor.

Also, Group homes, Assisted Living Facilities, and other specialized licensed residential facilities, or units within a condominium complex are not eligible for funding in this RFA.

(2) Enhanced Structural Systems (“ESS”) Construction Qualifications

To qualify as “Enhanced Structural Systems Construction” or “ESS Construction” for purposes of the Total Development Cost Limitation calculation and the Leveraging calculation, the proposed Development must meet at least one of the specifications listed below.

- (a) Any new construction buildings with the Development Type of High-Rise (7 or more stories) shall qualify as “ESS Construction.”
- (b) For all new construction buildings, and as of the Application Deadline for all existing buildings proposed for rehabilitation, as applicable, all of the following structural elements must consist of 100 percent poured concrete/masonry, 100 percent steel, or a combination adding up to 100 percent of concrete/masonry and steel, as verified during credit underwriting: all exterior walls and other external load-bearing

elements, as well as the floor of the lowest story of the building that contains residential, commercial or storage space (other than parking), and any under-floor/under-ground supports for that lowest story's floor.

Additionally, if the proposed work includes rehabilitation of any structural elements listed above, the structural elements must also meet the above requirements after completion of the rehabilitation work.

- (c) Any new construction buildings with the Development Type of Mid-Rise (4, 5 or 6 story) that utilize a ESS Podium Structure shall qualify as "ESS Construction." New construction buildings of other Development Types that utilize a ESS Podium Structure must meet the requirements in (b) above in order to qualify as "ESS Construction." In this event, the top surface of the podium itself shall be considered to be the floor of the lowest story of the building that contains residential, commercial or storage space (other than parking).

For the purposes of determining "ESS Construction," there is no requirement regarding the materials to be used in the roof of the building.

The term "ESS Podium Structure" shall mean a non-residential support structure underneath the rental units constructed solely of concrete/masonry, steel, or some combination of concrete/masonry and steel together, and where said structure under the rental units must utilize at least 85 percent of the square footage for parking or non-commercial utility/ancillary building uses only. Up to 15 percent of the square footage can be used for other non-residential purposes.

These qualifying criteria specifically exclude face brick or brick veneer from qualifying as ESS Construction for purposes of this RFA unless the proposed Development otherwise meets the requirements in (a), (b), or (c) above.

ESS units must be designated on the Unit Characteristic Chart described below. This will be verified during the credit underwriting process. If this cannot be verified the units will no longer be considered ESS Construction, and funding awarded under this RFA may be rescinded.

- d. Unit Characteristic Chart

Complete the chart in Exhibit A of the RFA reflecting the appropriate breakdown reflecting the number of units within each of the Development Categories, Development Types, or ESS/non-ESS Construction.

5. Location of Proposed Development

- a. Indicate the county where the proposed Development will be located.

Large, Medium and Small County Geographic Categories

b. Provide the Address of the Development site

Indicate (1) the address number, street name, and name of city, and/or (2) the street name, closest designated intersection, and either name of city or unincorporated area of county. If the proposed Development consists of Scattered Sites, this information must be provided for each of the Scattered Sites.

c. State whether the Development consists of Scattered Sites.

If the proposed Development consists of Scattered Sites, the following conditions must be met:

- (1) For Developments located in a county other than Monroe County, a part of the boundary of each Scattered Site must be located within ½ mile of a part of the boundary of the Scattered Site with the most units. For Developments located in Monroe County, a part of the boundary of each Scattered Site must be located within 20 miles of a part of the boundary of the Scattered Site with the most units;
- (2) Site control and Ability to Proceed must be demonstrated in the Application for all Scattered Sites; and
- (3) All Scattered Sites must be located within the same county.

d. Latitude/Longitude Coordinates

- (1) Provide a Development Location Point stated in decimal degrees, rounded to at least the sixth decimal place. If the proposed Development consists of Scattered Sites, as of Application Deadline the Development Location Point must affirmatively be established on the site with the most units, as outlined in subsection 67-48.002(34), F.A.C., and latitude and longitude coordinates for each Scattered Site must also be provided.

- (2) If the proposed Development consists of Scattered Sites, for each Scattered Site that is in addition to the Development Location Point information provided in (1) above, provide the latitude and longitude coordinates of one point located anywhere on the Scattered Site. The coordinates must be stated in decimal degrees and rounded to at least the sixth decimal place.

Note: 30.443900, -84.283960 is an example of decimal degrees format, represented to six decimal places.

e. Proximity Requirements and Proximity Tiebreakers used in Funding Selection Process

The Application may earn proximity points based on the distance between the Development Location Point and the Bus or Rail Transit Service (if Private Transportation is not selected at question 5.e.(2)(a) of Exhibit A) and the Community Services stated in Exhibit A. Proximity points are awarded according to the Transit and Community Service Scoring Charts outlined in Item 2 of Exhibit C. Proximity points will not be applied towards the total score. Proximity points will only be used to determine whether the Applicant meets the required minimum proximity eligibility requirements and the preferences outlined in the chart below.

Minimum number of Transit Service Points

All Large County Applications must achieve a minimum number of Transit Service Points to be eligible for funding.

Small and Medium County Applications will be deemed to have met the minimum number of Transit Service Points automatically.

Minimum number of Total Proximity Points

All Applications must achieve a minimum number of total proximity points to be eligible for funding.

Proximity Funding Preference Qualifications

All Applications may also qualify for the Proximity Funding Preference described in Section Five, B.4. of the RFA.

Application Qualifications	If Eligible for PHA or RD Proximity Point Boost, Required Minimum Transit Service Points that Must be Achieved to be Eligible for Funding	If NOT Eligible for PHA or RD Proximity Point Boost, Required Minimum Transit Service Points that Must be Achieved to be Eligible for Funding	Required Minimum Total Proximity Points that Must be Achieved to be Eligible for Funding	Minimum Total Proximity Points that Must be Achieved to Receive the Proximity Funding Preference
Large County Application	1.5	2.0	10.5	12.5 or more
Medium County Application	Qualifies Automatically	Qualifies Automatically	7.0	9.0 or more
Small County Application	Qualifies Automatically	Qualifies Automatically	4.0	6.0 or more

Awarding Proximity Points

The Application may earn proximity points through the following:

- Qualifying for the PHA Proximity Point Boost or the RD 515 Proximity Point Boost;
- Providing private transportation or based on the distance between the Development Location Point and the Bus or Rail Transit Service; and
- Based on the distance between the Development Location Point and the Community Services.

(1) PHA or RD 515 Proximity Point Boost

(a) PHA Proximity Point Boost

An Application that involves a site(s) with an existing Declaration of Trust between a Public Housing Authority (PHA) and HUD will qualify to receive a 3-point boost toward its proximity score if the Applicant states that it qualifies and provides a letter from the PHA dated within 12 months of the Application Deadline certifying that the site(s) where all of the units in the proposed Development will be located has an existing Declaration of Trust between the PHA and HUD. The letter must be signed by the appropriate person authorized to make such a certification and must be provided as **Attachment 5** to Exhibit A. Note: This 3-point boost will not count toward meeting the Minimum Transit Services score.

or

(b) RD 515 Proximity Point Boost

An Application that involves property that is currently assisted with RD 515 funding will qualify to receive a 3-point boost toward its proximity score if the Applicant demonstrates RD 515 funding as outlined in Section Four A.10. of the RFA, and either (i) selects the Development Category of Rehabilitation; or (ii) qualifies for the Development Subcategory of Redevelopment, with or without Acquisition. Note: This 3-point boost will not count toward meeting the Minimum Transit Services score.

(c) All Large County Applications that qualify for either the PHA Proximity Point Boost or the RD 515 Proximity Point Boost will be required to achieve at least 1.5 Transit Service Points. All other Large County Applications will be required to achieve at least 2.0 Transit Service Points.

(2) Transit Services (Maximum of 6 points)

Select Private Transportation or provide the location information for one of the remaining four Transit Services to achieve Proximity Points to use for calculating the Application's Transit Score. The Transit Service Scoring Charts, reflecting the methodology for calculating the points awarded based on the distances, are outlined in Exhibit C.

Location of coordinates for Transit Services

To receive proximity points for Transit Services other than Private Transportation, provide latitude and longitude coordinates for that service, stated in decimal degrees, rounded to at least the sixth decimal place, and the distance between the Development Location point and the coordinates for the service. The distances between the Development Location Point and the latitude and longitude coordinates for each service will be the basis for awarding proximity points.

For a Public Bus Stop, Public Bus Rapid Transit Stop, Public Bus Transfer Stop, and Rail Station, coordinates must represent the location where passengers may embark and disembark the bus or train.

(a) Private Transportation (2 Points)

This service is defined in Exhibit B and may be selected only if the Applicant selected the Elderly (ALF or Non-ALF) Demographic Commitment.

or

(b) Public Bus Stop (Maximum 6 Points)

(i) This service is defined in Exhibit B and may be selected by all Applicants.

(ii) Each Public Bus Stop must meet the definition of Public Bus Stop as defined in Exhibit B. Each Public Bus Stop, except for Sister Stops, must serve at least one unique route. Up to two of the selected Public Bus Stops may be Sister Stops as defined in Exhibit B.

or

(c) Public Bus Transfer Stop (Maximum 6 Points)

This service is defined in Exhibit B and may be selected by all Applicants.

or

(d) Public Bus Rapid Transit Stop (Maximum 6 Points)

This service is defined in Exhibit B and may be selected by all Applicants.

or

- (e) Public Rail Station (Maximum 6 Points)

This service is defined in Exhibit B and may be selected by all Applicants.

- (3) Community Services (Up to three Community Services may be selected, for a maximum 4 Points for each service)

The Community Services that are available to all Demographics are Grocery Store, Medical Facility, Pharmacy, and Public School.

Up to three Community Services may be selected, for a maximum 4 Points for each service. If all four Community Services are selected, the Corporation will only award points for the three Community Services that are closest to the Development Location Point based on the distance stated in Exhibit A, even if the service that is furthest from the Development Location Point would have achieved a higher point value. In the event that the two Community Services that are furthest from the Development Location Point have an equal distance, the Corporation will select the service that is listed higher on the Community Service chart in Exhibit A. Under no circumstance will the fourth service be considered for points, even if during the litigation process, one of the Community Services is determined to not qualify for proximity points.

Provide the location information and distances for Community Services on which to base the Application's Community Services Score. The Community Service Scoring Charts, which reflect the methodology for calculating the points awarded based on the distances, are outlined in Exhibit C.

The distance between the Development Location Point and each Community Service must be calculated from a point that is on the doorway threshold of an exterior entrance that provides direct public access to the building where the service is located. If there is no exterior public entrance to the Community Service, then a point should be used that is at the exterior entrance doorway threshold that is the closest walking distance to the doorway threshold of the interior public entrance to the service. For a Pharmacy located within an enclosed shopping mall structure that does not have a direct public exterior entrance, the doorway threshold of the exterior public entrance to the enclosed shopping mall that provide the shortest walking distance to the doorway threshold of the interior entrance to the Pharmacy would be used.

Applicants may use the same location for the Grocery Store, Medical Facility and/or Pharmacy if the Grocery Store, Medical Facility and/or Pharmacy is housed at the same location.

- (4) Scoring Proximity to Services (Transit and Community)

(a) Private Transportation

Applicants that selected the Elderly (ALF or Non-ALF) Demographic Commitment and wish to provide Private Transportation as the Transit Service must select “Yes” at question 5.e.(2)(a) of Exhibit A to be eligible to receive 2 points.

(b) Bus and Rail Transit Services

Applicants that wish to receive proximity points for Transit Services other than Private Transportation must provide latitude and longitude coordinates for that service, stated in decimal degrees, rounded to at least the sixth decimal place, and the distance between the Development Location Point and the coordinates for the service. The distances between the Development Location Point and the latitude and longitude coordinates for each service will be the basis for awarding proximity points. The method used to determine the latitude and longitude coordinates must conform to Rule 5J-17, F.A.C., formerly 61G17-6, F.A.C. All calculations shall be based on “WGS 84” and be grid distances. The horizontal positions shall be collected to meet sub-meter accuracy (no autonomous hand-held GPS units shall be used). Failure to provide the distance for any service will result in zero points for that service. The Transit and Community Service Scoring Charts reflecting the methodology for calculating the points awarded based on the distances are in Exhibit C.

(c) Community Services

Applicants that wish to receive proximity points for any community service must provide the name and address for that service, and the distance between the Development Location Point and the location for the service. The distances between the Development Location Point and the doorway threshold for each service will be the basis for awarding proximity points. The method used to determine the latitude and longitude coordinates must conform to Rule 5J-17, F.A.C., formerly 61G17-6, F.A.C. All calculations shall be based on “WGS 84” and be grid distances. The horizontal positions shall be collected to meet sub-meter accuracy (no autonomous hand-held GPS units shall be used). Failure to provide the distance for any service will result in zero points for that service. The Transit and Community Service Scoring Charts reflecting the methodology for calculating the points awarded based on the distances are in Exhibit C.

f. Mandatory Distance Requirement

To be eligible for funding, Applications must qualify for the Mandatory Distance Requirement. Applications may qualify automatically as outlined below. Applications that are not eligible for the automatic qualification will only qualify if the distance between the Development Location Point, (and the latitude and longitude coordinates

provided for any Scattered Sites, if applicable), and the coordinates for the other properties identified on the _____, 2023 FHFC Development Proximity List (the List) that serve the same demographic group as the proposed Development meets the Mandatory Distance Requirement as outlined in (2) below. The List is available on the RFA Webpage. Applications that do not qualify for the Mandatory Distance Requirement under (1) or (2) below will not be eligible for funding.

- (1) Applications Eligible for the Automatic Qualification for the Mandatory Distance Requirement
 - (a) The Applicant selected the Rehabilitation Development Category (with or without Acquisition), the proposed Development involves the Rehabilitation of an existing, occupied residential rental property in operation as of the Application Deadline, and the proposed Development meets all of the following criteria: (i) the Applicant commits to set aside 30 percent of the total units as ELI Set-Aside units on the Total Set-Aside Breakdown Chart, and (ii) the proposed Development is classified as RA Level 1 or RA Level 2; or
 - (b) The Applicant qualifies for the Development Subcategory of Redevelopment (with or without Acquisition) and the proposed Development meets all of the following criteria: (i) the Applicant commits to set aside 30 percent of the total units as ELI Set-Aside units on the Total Set-Aside Breakdown Chart, (ii) the proposed Development is classified as RA Level 1 or RA Level 2, and (iii) the Percentage of Total Units that will have Rental Assistance is greater than 75 percent;
 - (c) The proposed Development is located in a Large County.
- (2) Applications not eligible for the automatic qualification for the Mandatory Distance Requirement will qualify for the Mandatory Distance Requirement if the distance between the latitude and longitude coordinates provided for the Development Location Point, and any Scattered Sites, if applicable, to the coordinates for the other properties identified on the List that serve the same demographic group as the proposed Development meet the following distance requirements:

	Distance between the proposed Development and Developments on the List if proposed Development is <u>is</u> an LDA Development	Distance between the proposed Development and Developments on the List if proposed Development is <u>not</u> an LDA Development; AND the Development on the Proximity List has <u>at least</u> 31 Total Units	Distance between the proposed Development and Developments on the List if proposed Development is <u>not</u> an LDA Development; AND the Development on the Proximity List has <u>less than</u> 31 Total Units

All Medium Counties	5 miles	1.0 miles	N/A
---------------------	---------	-----------	-----

The List and mapping software displaying both the Proximity List properties on the list and the Mandatory Distance Requirement buffers described in the chart above are available on the RFA Webpage.

An Applicant may disregard any Development(s) on the List that serves the same demographic group as the proposed Development if the proposed Development and any Development(s) on the List have one or more of the same Financial Beneficiaries and meet at least one of the following criteria: (i) they are contiguous or are divided by a street, and/or (ii) they are divided by a prior phase of the proposed Development. If this provision applies to the proposed Development, Identify the Development(s) on the List that it wishes to disregard.

g. Limited Development Areas (LDA)

(1) A proposed Development will be designated as an LDA Development if:

- (a) It is located in a county or an area of a county that is associated with the LDA area in the chart below;
- (b) The Applicant selected the applicable Demographic Commitment that is associated with the LDA area in the chart below; and
- (c) Any portion of the proposed Development is within the boundaries of the area designated as an LDA. The boundaries for the Limited Development Areas, effective May 1, 2023 are reflected on the RFA Webpage and in the chart below.

Limited Development Area (LDA) Chart

County	Demographic Category	Area
Franklin	Family and Elderly	Entire County*

* A link to the Multifamily Mapping Application reflecting this can be found on RFA Webpage.

(2) For an LDA Development to be deemed eligible for funding, it must meet all of the following LDA Development Conditions. The conditions are:

- (a) The Applicant demonstrated its commitment to set aside 30 percent of the total units as ELI Set-Aside units on the Total Set-Aside Breakdown Chart; and
- (b) The proposed Development is classified as RA Level 1 or RA Level 2; and

- (c) The Percentage of Total Units that will have Rental Assistance is greater than 75 percent.
 - (d) The proposed Development consists of a total of 250 units or less. (Note: the total number of units is further restricted by the Elderly Demographic provisions if the Applicant selected the Elderly Demographic Commitment (ALF or Non-ALF).
- h. Confirmation that the proposed Development is not located in a known flood zone or wetland area

All successful Applicants that are awarded NHTF Funding for 22% Units will be required to comply with the HUD environmental requirements as provided in 24 CFR 93.301(f)(1) and (2).

- Mapping software from the National Wetlands Inventory can be found at the webpage <https://www.fws.gov/wetlands/> (which is also available [here](#)).
- Mapping software from the FEMA Flood Map Service Center can be found at the webpage <https://msc.fema.gov/portal/home> (which is also available [here](#)).

The Development's location within a flood zone or wetland area is subject to further verification in credit underwriting.

Note: Applicants will not be charged a fee for the environmental review.

Applicants that are not eligible for NHTF Funding whether due to requirements such as the HUD environmental requirements as provided in 24 CFR 93.301(f)(1) and (2), or due to a depletion of NHTF Funding available may instead be awarded an equivalent amount of funding through Home Investment Partnerships Program (HOME) From The American Rescue Plan Act (HOME-ARP). Although the HUD environmental requirements provided in 24 CFR 93.301(f)(1) and (2) do not apply; however, all HOME-ARP requirements would apply such as how the units must be used for Qualifying Populations, the HUD environmental requirements provided in 24 CFR Part 92 and 24 CFR Part 58, AND Davis-Bacon requirements apply, if there are at least twelve 22% Units.

6. Number of Units and Buildings

- a. State the total number of units that will be in the proposed Development upon completion.

Note: All Buildings must consist of at least five units per building. This will be confirmed in credit underwriting.

All proposed Developments must consist of a minimum of 30 total units. The total units include all Set-Aside Units, Manager Units as described in Rule Chapter 67-53, F.A.C., and if applicable, market rate units. The maximum total number of units, if applicable, is limited as follows:

- (1) Elderly Non-ALF Developments
 - (a) There is no total unit limitation for proposed Developments with the Development Category of Rehabilitation, with or without Acquisition, of an existing, occupied housing facility that is operating as housing for older persons as set forth in the Federal Fair Housing Act as of the Application Deadline.
 - (b) Proposed Developments that do not meet the conditions in (a) above that are located in Miami-Dade County and Broward County may consist of up to 200 total units. Proposed Developments that do not meet the conditions in (a) above that are located in all other counties may consist of up to 160 total units.
- (2) Elderly ALF Developments may consist of up to 125 total units.
- (3) Family Developments
 - (a) Proposed Developments with a Development Category of New Construction that are requesting Corporation-issued MMRB cannot exceed a maximum of 300 total units.
 - (b) There is no total unit limitation for proposed Developments with the Development Category of Rehabilitation, with or without Acquisition.

Note: The total number of units stated in the Application may be increased, up to any applicable allowable limit, after the Applicant has been invited to enter into credit underwriting, subject to written request of an Applicant to Corporation staff and approval of the Corporation.

- b. If the Development Category is Rehabilitation, with or without Acquisition, indicate whether there are any existing units on the Development site as of Application Deadline, and if so, the occupancy status of such units.

Regardless of the Development Category, if there are existing occupied units and if the Development is funded, a plan for relocation of existing tenants will be required to be provided to the Credit Underwriter, as outlined in Exhibit D.

- c. Set-Aside Commitments

- (1) Minimum Set-Aside Commitments per Section 42 of the IRC

Per Section 42 of the IRC, elect one of the following minimum set-aside commitments:

- 20% of the units at 50% or less of the Area Median Income (AMI)
- 40% of the units at 60% or less of the AMI
- Average Income Test

Note: Choosing the 20 percent at 50 percent AMI or less minimum set-aside will restrict ALL Set-Aside Units at 50 percent or less of the AMI. Applicants may select the 40 percent at 60 percent AMI or less minimum set-aside without committing to set aside any of the units at the 60 percent AMI level. For example, an Applicant may commit to set aside 40 percent at 50 percent AMI and this would also be considered 40 percent at 60 percent AMI or less.

The Average Income Test requires that (a) forty percent or more of the residential units in the Development be both rent-restricted and occupied by individuals whose income does not exceed the imputed income limitation designated by the Applicant with respect to the respective unit, subject to the special rules relating to income limitation which (b) require the Applicant to designate the imputed income limitation of each unit taken into account under (a) above, such that the average of the imputed income limitations of all units designated by the Applicant shall not exceed 60 percent of the area median income. The designated imputed income limitation of any such unit shall be in 10-percent increments as follows: 20 percent, 30 percent, 40 percent, 50 percent, 60 percent, 70 percent, or 80 percent of the area median income. The set-aside commitment for the Tax-Exempt Bonds will be 40 percent of the units at 60 percent or less of the AMI.

(2) Set-Aside Commitments per Corporation Requirements

The Corporation has additional minimum set-aside requirements beyond those required by Section 42 of the IRC which must be reflected on the Total Set-Aside Breakdown Chart, as outlined below:

(a) Total Income Set-Aside Commitment

- (i) Proposed Developments with a Demographic Commitment of Family or Elderly Non-ALF, or Applications that do not qualify as Non-Profit Applications and select the Demographic Commitment of Elderly ALF

If the Average Income Test is not selected, set aside a total of at least 80 percent of the Development's total units at 60 percent AMI or less.

If the Average Income Test is selected, set aside a total of at least 80 percent of the Development's total units at 80 percent AMI or less, but the Average AMI of the Qualifying Housing Credit Units* cannot exceed 60 percent.

- (ii) Proposed Applications that qualify as Non-Profit Applications with a Demographic Commitment of Elderly ALF

If the Average Income Test is not selected, set aside a total of at least 50 percent of the Development's total units at 60 percent AMI or less.

If the Average Income Test is selected, set aside a total of at least 50 percent of the Development's total units at 80 percent AMI or less, but the Average AMI of the Qualifying Housing Credit Units* cannot exceed 60 percent.

*The Average AMI of the Qualifying Housing Credit Units is further described in (3)(b) below.

(b) Extremely Low Income (ELI) and Below 50 Percent AMI Set-Aside Units

(i) ELI Set-Aside Unit Requirements for proposed Developments from Non-Self-Sourced Applicants

Non-Self-Sourced Applicants are required to set aside a required percentage of total units for Extremely Low Income (ELI) Households and meet all Link requirements stated below. Such Applicants will be eligible for ELI Funding.

If the Average Income Test is not selected, the Applicant must set aside at least 10 percent of total units for ELI Households. The requirement to set aside units for ELI Households refers to the ELI AMI level for the county where the proposed Development is located, as outlined on the chart below. 50 percent of the ELI Set-Aside Units must meet the Link Unit requirements.

If the Average Income Test is selected, the Applicant must set aside at least 15 percent of total units for ELI Households. The ELI AMI level will be 30 percent, regardless of county. Applicants will be eligible for ELI funding. 50 percent of the ELI Set-Aside Units must meet the Link Unit requirements.

(ii) Set-Aside Unit Requirements for Self-Sourced Applicants that did not select the Average Income Test

If the Average Income Test is not selected, the Applicant must set aside at least five percent of the total units below 50 percent AMI. None of these units are required to be set aside for ELI Households; however, the Applicant will qualify for ELI Funding if units are set aside for ELI Households ("ELI Set-Aside Units"). The requirement to set aside units for ELI Households refers to the ELI AMI level for the county where the proposed Development is located, as outlined on the chart below. 50 percent of the units that are set aside below 50 percent AMI must meet the Link Unit requirements.

Examples of the above requirement for Self-Sourced Applicants that did not select the Average Income Test:

Development A is located in a county which has an ELI AMI level of 30 percent. The Applicant sets aside five percent of the total units at 45 percent AMI and 95 percent of the total units at or above 50 percent AMI. The units set aside at 45 percent AMI will satisfy the requirement to set aside at least five percent of the total units below 50 percent AMI. 50 percent of these units must meet the Link Unit requirements. The proposed Development is not eligible for ELI Funding.

Development B is located in a county which has an ELI AMI level of 40 percent. The Applicant sets aside five percent of the total units at 40 percent AMI and 95 percent of the total units at or above 50 percent AMI. The units set aside at 40 percent AMI will satisfy the requirement to set aside at least five percent of the total units below 50 percent AMI. 50 percent of these units must meet the Link Unit requirements. Additionally, because the county ELI level is 40 percent, these same units will be considered ELI Set-Aside Units and will be eligible for ELI Funding.

Development C is located in a county which has an ELI AMI level of 40 percent. The Applicant sets aside five percent of the total units at 50 percent AMI and 95 percent of the total units at AMI levels above 50 percent AMI. The proposed Development will not be eligible for funding because the Applicant failed to meet the requirement to set aside at least five percent of the total units below 50 percent AMI.

(iii) Set-Aside Unit Requirements for Self-Sourced Applicants that did select the Average Income Test

If the Average Income Test is selected, the Applicant must set aside at least five percent of the total units below 50 percent AMI. Applicants will only qualify for ELI Funding if units are set aside for ELI Households at 30 percent AMI or below (“ELI Set-Aside Units”), in addition to the five percent of the total units set aside below 50 percent AMI. 50 percent of the units that are set aside below 50 percent AMI must meet the Link Unit requirements.

Examples of the above requirement for Self-Sourced Applicants that selected the Average Income Test:

A Self-Sourced Applicant submits Development D and sets aside five percent of the total units at 30 percent AMI and 95 percent of the total units at or above 50 percent AMI. The units set aside at 30 percent AMI will satisfy the requirement to set aside at least five percent of the total units below 50 percent AMI. 50

percent of these units must meet the Link Unit requirements. However, these ELI Set-Aside Units are not eligible for ELI Funding. Applicants will only qualify for ELI Funding if the Applicant commits to ELI Set-Aside Units that are in addition to the five percent of the total units required to be below 50 percent AMI.

A Self-Sourced Applicant submits Development E and sets aside five percent of the total units at 30 percent AMI, five percent of the total units at 40 percent AMI, and 90 percent of the total units at or above 50 percent AMI. The units set aside at 40 percent AMI will satisfy the requirement to set aside at least five percent of the total units below 50 percent AMI. Additionally, the units set aside at 30 percent AMI will be considered ELI Set-Aside Units and will be eligible for ELI Funding. 50 percent of all of the units that are set aside below 50 percent AMI must meet the Link Unit requirements.

A Self-Sourced Applicant submits Development F and sets aside five percent of the total units at 50 percent AMI and 95 percent of the total units at or above 50 percent AMI. The proposed Development will not be eligible for funding because the Applicant failed to meet the requirement to set aside at least five percent of the total units below 50 percent AMI.

(iv) ELI Funding Amounts

All Non-Self-Sourced Applicants and all Self-Sourced Applicants that do not commit to the Average Income Test are eligible for ELI funding for each ELI Set-Aside unit, not to exceed the lesser of (i) \$750,000; or (ii) the maximum amount based on the ELI Set-Aside per unit limits for 10 percent of the total units, as further outlined in Section Four A.10.a.(1)(b) of the RFA. All Self-Sourced Applicants that commit to the Average Income Test are eligible for ELI funding for each ELI Set-Aside unit that is in addition to the five percent of the total units below 50 percent AMI, not to exceed the lesser of (i) \$750,000; or (ii) the maximum amount based on the ELI Set-Aside per unit limits for 10 percent of the total units, as further outlined in Section Four A.10.a.(1)(b) of the RFA.

The following chart sets out the ELI Area Median Income (AMI) for each County and the maximum ELI funding amounts per eligible ELI Set-Aside unit. If the Unit Mix stated by the Applicant is adjusted during the credit underwriting process, the ELI funding amount may be decreased, but under no circumstances shall it be increased.

(c) Link Units for Persons with Special Needs

With the exception of Developments financed with HUD Section 811, a United States Department of Agriculture RD program (“USDA RD”), and Applicants that select the Elderly ALF Demographic Commitment, the following requirements apply:

- All Non-Self-Sourced Applicants must commit to set aside 50 percent of the ELI Set-Aside units as Link Units for Persons with Special Needs.

- All Self-Sourced Applicants must commit to set aside 50 percent of all of the units that are set aside below 50 percent AMI as Link Units for Persons with Special Needs.

At least one member of each Link unit's household shall be referred by a Special Needs Household Referral Agency (Referral Agency) with which the owner executes a Link Memorandum of Understanding (MOU) approved by the Corporation. The current list of designated Special Needs Household Referral Agencies for each county is published on the Corporation's Website under the Quick Links section at <https://www.floridahousing.org/programs/special-needs-housing-overview/serving-special-needs> (also accessible by clicking [here](#)). The owner must execute a Link Memorandum of Understanding (MOU) with at least one of the Special Needs Household Referral Agencies serving the Development's county. The deadline for the Corporation's approval of the fully executed Link MOU is outlined in Exhibit D.

Additional requirements for the Link Units for Persons with Special Needs are described in Exhibit E of the RFA.

(d) Tenant Selection Plan

Unless the Development meets an exception outlined in (i) below, a Tenant Selection Plan must be submitted to the Corporation for approval within 21 Calendar Days of the date of the invitation to enter credit underwriting. The Tenant Selection Plan must be approved by the Corporation and, if required, HUD prior to the completion of the final credit underwriting report.

(i) Exceptions to Tenant Selection Plan requirements

- Developments financed with HUD Section 811;
- Developments financed with a United States Department of Agriculture RD program; or
- Applicants that select the Elderly ALF Demographic Commitment.

All other Applications must achieve Corporation approval and, if required, HUD approval prior to the completion of the final credit underwriting report.

(ii) Achieving Corporation approval

To achieve approval by the Corporation, the Tenant Selection Plan must be submitted by the owner to the Corporation for approval within 21 Calendar Days of the date of the invitation to enter credit underwriting.

The Tenant Selection Plan Guidelines and Tenant Selection Plan Checklist can be found on the webpage <https://www.floridahousing.org/programs/developers-multifamily-programs/competitive> (also available by clicking [here](#)). Exhibit G of the RFA also describes requirements for tenant selection policies.

(iii) Achieving HUD approval, if required

In addition to the Corporation's approval, if HUD approval is required because a Development has a Housing Assistance Payment and/or an Annual Contributions Contract with HUD, HUD approval of the Tenant Selection Plan must be demonstrated to the Corporation prior to the completion of the final credit underwriting report.

HUD's approval process may take several months. Owner's should send the Corporation-approved Tenant Selection Plan to HUD for approval as soon as possible to meet this requirement.

(e) 22% Units

All non-Self-Sourced Applicants that select the Development Category of New Construction and all Self-Sourced Applicants that commit to 22% Units are required to set aside a certain number of units that meet the requirements stated below.

All non-Self-Sourced Applicants that select the Development Category of New Construction and all Self-Sourced Applicants that commit to 22% Units will be awarded forgivable NHTF or HOME-ARP loan funding to subsidize additional deep targeted units for Persons with Special Needs (22% Units) at 22% AMI as further described in Section One, Section Four, A.10.a.(4) and Exhibit I of the RFA.

The 22% Units will be in addition to the requirement to set aside ELI Set-Aside units and Link Units for Persons with Special Needs as calculated in (b) above. The number of units that must be set aside as 22% Units is based on the County Size.

- (i) If the proposed Development is located in a Large County, five units that were committed to serving 60% AMI (or higher if an adequate amount of 60 percent units are not available) will be deemed 22% Units;
- (ii) If the proposed Development is located in a Small or Medium County, three units that were committed to serving 60% AMI

(or higher if an adequate amount of 60 percent units are not available) will be deemed 22% Units.

- (iii) 22% Units will be committed to serving 22% AMI;
- (iv) 22% Units must be set aside as Link units for Persons with Special Needs who are referred by a Corporation-designated Special Needs Household Referral Agency;
- (v) After 30 years, all of the 22% Units may convert to serve residents at or below 60 percent AMI; and
- (vi) For purposes of the Average Income Test, 22% Units will be treated as 60 percent AMI units.

Note: Applicants will be invited to enter credit underwriting and will be expected to complete the credit underwriting process, including Board approval of the credit underwriting report, and execute a written agreement within twelve months of the date of the invitation to enter into credit underwriting.

(f) Examples of the Requirements Above

- (i) Application A is a New Construction Development in a Medium County that consists of 107 total units and did not commit to Average Income. The Applicant does not qualify as a Self-Sourced Applicant.

In this example, 11 units, (10 percent of the total units, rounded up), must be set-aside as ELI Set-Aside units. ELI Funding will be made available for these ELI Set-Aside Units, up to the lesser of the amount listed in the chart at 6.d.(2)(b) above, or \$750,000. Six of the ELI Set-Aside units (50 percent of the ELI Set-Aside units, rounded up), must be set-aside as Link Units for Persons with Special Needs. In addition, because the Applicant is a New Construction Development, three units will be set aside as 22% Units and qualify for NHTF or HOME-ARP Funding as outlined in Exhibit I of this RFA.

- (ii) Application B is a New Construction Development in a Large County that consists of 106 total units. The Applicant committed to the Average Income Test. The Applicant does not qualify as a Self-Sourced Applicant.

In this example, 16 units, (15 percent of the total units, rounded up), must be set-aside as ELI Set-Aside units. ELI Funding will be made available for 11 of the ELI Set-Aside Units, (10 percent of the total units, rounded up), up to the lesser of the amount listed in the chart at 6.d.(2)(b) above, or \$750,000. Eight of the

ELI Set-Aside units (50 percent of the ELI Set-Aside units, rounded up), must be set-aside as Link Units for Persons with Special Needs. In addition, because the Applicant is a New Construction Development, five units will be set aside as 22% Units and qualify for NHTF or HOME-ARP Funding as outlined in Exhibit I of this RFA.

- (iii) Application C is a New Construction Development in a Large County that consists of 105 total units. The Applicant committed to the Average Income Test but did not commit to any ELI Set-Aside Units. The Applicant qualifies as a Self-Sourced Applicant and committed to provide 22% Units.

In this example, 6 units, (5 percent of the total units, rounded up), must be set aside below 50 percent AMI. The Applicant will not qualify for ELI Funding. In addition, because the Applicant committed to provide 22% Units, five units will be set aside as 22% Units and qualify for NHTF or HOME-ARP Funding as outlined in Exhibit I of this RFA.

- (iv) Application D is a New Construction Development in a Large County that consists of 104 total units. The county ELI level is 35% AMI. The Applicant did not commit to the Average Income Test. The Applicant qualifies as a Self-Sourced Applicant but did not commit to provide 22% Units.

In this example, 6 units, (5 percent of the total units, rounded up), must be set-aside below 50 percent AMI. If those units are set aside at or below 35 percent AMI, they will be considered ELI Set Aside Units and ELI Funding will be made available for all six ELI Set-Aside Units, up to the lesser of the amount listed in the chart at 6.d.(2)(b) above, or \$750,000. Half of the ELI Set-Aside Units are required to be set-aside as Link Units for Persons with Special Needs. In addition, because the Applicant did not commit to provide 22% Units, it will not qualify for NHTF or HOME-ARP Funding.

Complete the applicable Total Set-Aside Breakdown Chart provided in question 6.c.(2) of Exhibit A.

- (a) Completing the Total Set-Aside Breakdown Chart if not committing to the Average Income Test

Indicate on the chart at 6.c.(2)(a) of Exhibit A the percentage of residential units, stated in whole numbers, to be set aside at each selected AMI level for both the Housing Credit and SAIL charts. If the Total Set-Aside Breakdown Chart reflects that either the Total Set-Aside

Percentage or the ELI commitment does not meet the Set-Aside requirements, this Application will not be eligible for funding. The MMRB chart will populate automatically to reflect 40 of the units at 60 percent AMI because the Average Income Test does not apply to the separate tax-exempt bond set aside requirements under Section 142 of the IRC.

Note: Although there are three Total Set-Aside Breakdown Charts which allows Applicants to have different commitments for the different programs, the most restrictive commitment will be enforced.

Additionally, because the number of 22% Units may be adjusted downward and recalculated after awards are made, Applicants should not represent any 22% Units in this chart.

Methodology Used by the Corporation to Convert the Percentage of Total Units to Set-Aside Units and, if applicable, Market Rate Units

- (i) First, calculate of the number of Set-Aside Units for the lowest AMI level commitment.

The percentage associated with the lowest AMI level that the Applicant commits to will be multiplied by the total units, rounded up to the next whole unit. The result will be the number of Set-Aside Units at the lowest AMI level commitment.

- (ii) Then, calculate the number of Set-Aside Units for the second lowest AMI level.

The percentage associated with the second lowest AMI level that the Applicant commits to will be first added to the percentage associated with the lowest AMI level commitment. These percentages, added together, will be multiplied by the total units, rounded up to the next whole unit.

The number of units calculated in (i) above will be subtracted from the result to calculate the number of Set-Aside Units at the second lowest AMI level commitment.

- (iii) Then, calculate the number of Set-Aside Units for each remaining AMI level, if applicable.

Starting with the third lowest AMI level remaining, the number of Set-Aside Units for each of the remaining AMI levels will be calculated using the same methodology described in (ii) above.

- (iv) Finally, calculate market-rate units, if applicable

To calculate the number of market-rate units, the total number of Set-Aside Units will be subtracted from the total number of units.

- (b) Completing the Total Set-Aside Breakdown Chart if committing to the Average Income Test

If committing to the Average Income Test, Applicants must indicate on the chart at 6.c.(2)(b) of Exhibit A the number of Set-Aside Units, stated in whole numbers, to be set aside at each selected AMI level.

Note: Because 22% Units are set aside for 30 years, and because they may be adjusted downward and recalculated after awards are made, Applicants should not represent any 22% Units in this chart.

The Corporation will verify that the number of units set aside at the ELI level meets the ELI minimum requirements by dividing the number of units that are set-aside at 30 percent AMI, or less, by the total number of units. The Corporation will also verify the overall Set-Aside Commitment of all units by adding all Set-Aside Units and then dividing this sum by the total number of units. Exhibit A provides a calculation of the Average AMI of the Qualifying Housing Credit Units using the methodology below.

Note: After entering the number of units into Exhibit A, the percentage of total units is calculated, which may reflect numbers represented with decimal places instead of whole numbers. This is acceptable for the Average Income Test calculation.

If the Total Set-Aside Breakdown Chart reflects that the Average AMI of the Qualifying Housing Credit Units exceeds 60 percent, and/or if the number of Set-Aside Units set aside at 30 percent AMI, or less, is not equal to or greater than the required ELI commitment, and/or the overall Set-Aside Commitment requirement is not met, this Application will not be eligible for funding.

Calculation of the Average AMI of the Qualifying Housing Credit Units for the Average Income Test

- (i) First, state the total number of Set-Aside Units at each AMI commitment.
- (ii) Then, at each AMI commitment, multiply the number of Set-Aside Units by the AMI percentage (e.g., a commitment of 13 Set-Aside Units at 30 percent AMI would be calculated as follows: $13 \times 0.30 = 3.9$).
- (iii) Repeat this calculation at each AMI level. Then add the results together.

- (iv) Divide the number calculated in (iii) by the total number of Set-Aside Units stated in (i).
- (v) This number must be equal to or less than 60 percent to meet the eligibility requirement. If the Average AMI of the Qualifying Housing Credit Units exceeds 60 percent, this Application will not be eligible for funding.

Where reasonably possible, keep the unit mix consistent across each committed AMI level.

The above ELI and all other set-aside commitments must be taken into account during any pre-leasing and leasing activities.

(c) 22% Units

All non-Self-Sourced Applicants that select the Development Category of New Construction and all Self-Sourced Applicants that commits to 22% Units will be awarded forgivable NHTF or HOME-ARP loan funding to subsidize additional deep targeted units for Persons with Special Needs (22% Units) at 22% AMI as further described in Section One, Section Four, A.10.a.(4) and Exhibit I of the RFA. The 22% Units will be in addition to the requirement to set aside ELI Set-Aside units and Link Units for Persons with Special Needs as calculated above.

d. Unit Mix

(1) Completing the Unit Mix Chart

Complete the Unit Mix Chart listing the total number of bedrooms per unit, the total number of bathrooms per unit (including half-baths, if applicable) and the total number of units per bedroom type. All units in the proposed Development must be listed, including all manager/employee units and all market rate units, if applicable. All units in the proposed Development must be listed, including all manager/employee units and all market rate units, if applicable. Units may have no more than four bedrooms.

If additional space is required, enter the information in the Addenda. Note: If the ELI Set-Aside units are not proportionally distributed across the unit mix, the Corporation will redistribute the ELI Set-Aside units as needed. This may cause a reduction to the ELI Amount as further outlined in 10.a.(2)(b) of the RFA.

(2) Unit Mix requirements for Elderly Developments

- (a) If the Elderly Non-ALF Demographic Commitment is selected and the Development Category of Rehabilitation, with or without Acquisition, is selected, at least 40 percent of the total units must be comprised of one bedroom or Zero Bedroom Units, and no more than 20 percent of the total units can be larger than two bedroom units.

- (b) If the Elderly Non-ALF Demographic Commitment is selected and the Development Category of New Construction is selected, at least 50 percent of the total units must be comprised of one bedroom or Zero Bedroom Units, and no more than 15 percent of the total units can be larger than two bedroom units.
- (c) If the Elderly ALF Demographic Commitment is selected, at least 90 percent of the total units must be comprised of units no larger than one bedroom and the sharing of a unit by two or more unaffiliated residents cannot be a condition of occupancy.
- (3) If the Family Demographic Commitment is selected and the Development Category of New Construction is selected, not more than 25 percent of the total units in the Development may consist of Zero Bedroom units.

e. Number of Buildings

State the anticipated number of residential buildings.

Note: All Buildings must consist of at least five units per building. This will be confirmed in credit underwriting.

The number of residential buildings stated in the Application may be changed only by written request of an Applicant to Corporation staff after the Applicant has been invited to enter credit underwriting.

f. Compliance Period

All Applicants are required to set aside the units for 50 years.

(1) Self-Sourced Applicants (Maximum of 4 Points)

Four points will be awarded to Self-Sourced Applicants that commit to all of the following requirements:

- (a) The Extended Use Agreement for the development will NOT terminate if the Corporation is unable to present a qualified contract to the Owner during the one-year period set forth in Rule 67-48.0031, F.A.C.;
- (b) After the one-year period, and repayment of the SAIL loan, the Extended Use Agreement may be amended to reflect the Owner may convert 60 percent AMI set-aside units to units set aside for households with income at the lesser of 90 percent of market rent (subject to a market study conducted in accordance with the requirements of Rule 67-48, F.A.C.) or 120 percent AMI; and

(c) The owner will implement the set-aside conversion to the next available unit, thereby agreeing not to utilize the amended Extended Use Agreement as pretext for lease nonrenewal of exiting residents.

(2) Non-Self-Sourced Applicants

Non-Self-Sourced Applicants knowingly, voluntarily and irrevocably commit to waive, and do hereby waive, for the duration of the 50-year set aside period, the option to convert the Development to market rate, including any option or right to submit a request for a qualified contract, after year 14, and any other option, right or process available to the Applicant to terminate (or that would result in the termination of) the 50-year set aside period at any time prior to the expiration of its full term.

(3) Demographic Commitments

The Compliance Period committed to in this section includes the units set aside for the Demographic Commitments made in this RFA, which includes the commitments for Link Units and ELI Households, and the 22% Units, if applicable.

(4) Income Set-Aside Commitments

If the Applicant did not commit to the Average Income Test, after 15 years all of the ELI Set-Aside Units may convert to serve residents at or below 60 percent AMI, and, if the 22% Units are **not** stated in Total Set-Aside Breakdown Chart, after 30 years, all of the 22% Units may convert to serve residents at or below 60 percent AMI. After year 15 the ELI Set-Aside units may convert to 60 percent AMI; however, the Persons with Special Needs set-aside commitment must be maintained throughout the entire Compliance Period.

If the Applicant committed to the Average Income Test and if the 22% Units are **not** stated in Total Set-Aside Breakdown Chart, after 30 years, all of the 22% Units may convert to serve residents at or below 60 percent AMI; however, the Link Persons with Special Needs set-aside commitment must be maintained throughout the entire Compliance Period.

Although the percentage of units committed to must remain in effect for the entire Compliance Period, the particular units designated for the Demographic Commitment and AMI commitment must not be limited to the same units throughout the Compliance Period. Doing so may cause the Development to be in noncompliance.

7. Readiness to Proceed

Site Control

Demonstrate site control by providing, as **Attachment 6** to Exhibit A, the documentation required in Items (1), (2), and/or (3), as indicated below, demonstrating that it is a party to an eligible contract or lease, or is the owner of the subject property. Such documentation must include all relevant intermediate contracts, agreements, assignments, options, conveyances, intermediate leases, and subleases. If the proposed Development consists of Scattered Sites, site control must be demonstrated for all of the Scattered Sites.

- (2) It must specifically state that the buyer's remedy for default on the part of the seller includes or is specific performance;

- (4) The owner of the subject property must be the seller, or is a party to one or more intermediate contracts, agreements, assignments, options, or conveyances between or among the owner, the Applicant, or other parties, that have the effect of assigning the owner's right to sell the property to the seller. Any intermediate contract must meet the criteria for an eligible contract in (a) and (b) above.

b. Proof of Ownership through a recorded document such as a Deed or Certificate of Title

The documentation must be recorded in the county in which the property is located and show the Applicant as the sole Grantee.

c. Lease -

- (1) If providing a lease, the lease must have an unexpired term of at least 50 years after the Application Deadline and the lessee must be the Applicant. If the proposed Development consists of rehabilitation, the proposed Development’s ability to provide all construction features will be confirmed as outlined in Exhibit F. The quality of the construction features committed to by the Applicant is subject to approval of the Board of Directors.

All features and amenities committed to and proposed by the Applicant that are not unit-specific shall be located on each of the Scattered Sites, or no more than 1/16 mile from the Scattered Site with the most units, or a combination of both.

c. Required Accessibility Features, regardless of the age of the Development

Federal and state law and building code regulations requires that programs, activities, and facilities be readily accessible to and usable by persons with disabilities. These issues may include, but are not limited to, an apartment maintenance emergency, security or safety concern, or a health risk incident in their apartment or on the property. The management's assistance will include a 24/7 approach to receiving residents' requests for assistance that will include a formal written process for relevant property management staff to effectively assess and provide assistance for each request.

This assistance may include staff:

- visiting or coordinating a visit to a resident’s apartment to address an urgent maintenance issue;
- responding to a resident being locked out of their apartment;
- contacting on-site security or the police to address a concern;
- providing contact information to the resident and directing or making calls on a resident’s behalf to appropriate community-based emergency services or related resources to address an urgent health risk incident;
- calling the resident’s informal emergency contact; or
- addressing a resident’s urgent concern about another resident.

Property management staff shall be on site at least 8 hours daily, but the 24-hour support approach may include contracted services or technology to assist the management in meeting this commitment, if these methods adequately address the intent of this service. The Development’s owner and/or designated property management entity shall develop and implement policies and procedures for staff to immediately receive and handle a resident’s call and assess the call based on a resident’s request and/or need.

At a minimum, residents shall be informed by the property management, at move-in and via a written notice(s)/instructions provided to each resident and displayed in the Development’s common or public areas, that staff are available to receive resident calls at all times. These notices shall also provide contact information and direction to first contact the community-based emergency services if they have health or safety risk concerns.

- (2) Applicants who select the Elderly ALF Demographic Commitment must also provide the following resident programs:
- (a) Medication Administration
- The Applicant or its Management Company shall provide, pursuant to ALF licensure requirements, staff to administer medications in accordance with a health care provider’s order or prescription label.
- (b) Services for Persons with Alzheimer’s Disease and Other Related Disorders

- (3) Applicants who select the Elderly (ALF or Non-ALF) Demographic, must provide at least three of the resident programs outlined below:
- (a) Adult Literacy

The Applicant or its Management Company must make available, at no cost to the resident, literacy tutor(s) who will provide weekly literacy lessons to residents in private space on-site. Various literacy programming can be offered that strengthens participants' reading, writing skills, and comprehension, but at a minimum, these must include English proficiency and basic reading education.

Training must be held between the hours of 8:00 a.m. and 7:00 p.m. and electronic media, if used, must be used in conjunction with live instruction. If the Development consists of Scattered Sites, this resident program must be provided on the Scattered Site with the most units.

(b) Computer Training

The Applicant or its Management Company shall make available computer and internet training classes (basic and/or advanced level depending on the needs and requests of the residents). The training classes must be provided at least once a week, at no cost to the resident, in a dedicated space on site. Training must be held between the hours of 8:00 a.m. and 7:00 p.m., and electronic media, if used, must be used in conjunction with live instruction. If the Development consists of Scattered Sites, this resident program must be provided on the Scattered Site with the most units.

(c) Daily Activities

The Applicant or its Management Company must provide on-site supervised, structured activities, at no cost to the resident, at least five days per week which must be offered between the hours of 8:00 a.m. and 7:00 p.m. If the Development consists of Scattered Sites, this resident program must be provided on the Scattered Site with the most units.

(d) Assistance with Light Housekeeping, Grocery Shopping and/or Laundry

The Applicant or its Management Company must provide residents with a list of qualified service providers for (a) light housekeeping, and/or (b) grocery shopping, and/or (c) laundry and will coordinate, at no cost to the resident, the scheduling of services. (e) Resident Assurance Check-In Program

Provide and use an established system for checking in with each resident on a pre-determined basis not less than once per day, at no cost to the resident. Residents may opt out of this program with a written certification that they choose not to participate.

10. Funding

a. Corporation Funding

(1) Total SAIL Request Amount

Total SAIL Request Amount is the Base Loan Amount plus ELI Amount as described below. The SAIL loan shall be non-amortizing and shall have an interest rate of 1 percent per annum. The terms and conditions of the SAIL loan are further outlined in Rule Chapter 67-48, F.A.C. The portion of the SAIL loan that is attributable to the ELI Funding is a forgivable loan.

(a) SAIL Base Loan Request Amount

State the amount of the SAIL Base funding being requested in Exhibit A and on the Development Cost Pro Forma.

(i) The SAIL Base Request Amount is limited to the lesser of the following:

Self-Sourced Applicants are limited to a maximum SAIL request limit of \$41,000 per unit; however, this may be further reduced if Permanent Sources that Cause Reduction in Maximum SAIL Request Amounts of Self-Sourced Applicants are provided*. All other Applicants are limited to a maximum SAIL request limit of \$95,000 per unit;

- \$11,000,000 per Development that is located in a Large County, and has a Development Category of New Construction;
- \$9,500,000 per Development that is located in a Medium County, and has a Development Category of New Construction;
- \$8,000,000 per Development that is located in a Small County, and has a Development Category of New Construction;
- \$8,000,000 per Development if the Development Category is Rehabilitation (with or without Acquisition);
- A maximum of 25 percent of Total Development Cost if less than five percent of the total units are ELI Set-Aside Units, or 35 percent of Total Development Cost if at least five percent of the total units are ELI Set-Aside Units as explained in (c) below.

*As further explained in Section Four, A.10.b.(2)(i) below, if a Self-Sourced Applicant demonstrates Permanent Sources that Cause Reduction in Maximum SAIL Request Amounts of Self-Sourced Applicants, such funding will not be considered self-sourced financing

and said funding will be divided by the total number of units. The result of this will be deducted from the maximum per unit SAIL request (\$41,000). For example: If a Self-Sourced Applicant is proposing a Development consisting of 100 total units and includes \$1,000,000 in permanent financing from a government entity, the maximum per unit SAIL Request will be reduced from \$41,000 per unit to \$31,000 per unit ($\$1,000,000 / 100 = \$10,000$. $\$41,000 - \$10,000 = \$31,000$).

(ii) Minimum SAIL Loan Request Amount

Applicants with a proposed Development located in Miami-Dade County, including Self-Sourced Applicants with a proposed Development located in Miami-Dade County, must have an Eligible SAIL Base Request Amount of at least \$3,000,000.

In the event of a discrepancy between the amount shown in this section and that shown elsewhere within the Application, the amount shown in this section shall be deemed to be the Applicant's SAIL Base Request Amount.

(b) ELI Funding Amount

State the ELI Funding amount requested. The ELI amount cannot exceed the lesser of (i) \$750,000; or (ii) the maximum amount based on the ELI Set-Aside per unit limits, as outlined in Section Four, A.6. above, for 10 percent of the total units. If the amount is not a whole dollar amount, the Corporation will round the amount down to a whole dollar amount.

If the ELI amount that is greater than the amount for which the Applicant is eligible, the Corporation will reduce the amount to the maximum eligible amount, as outlined immediately below, within the priority sequence provided in (c) below.

For each proposed ELI Set-Aside unit, the proposed Development must take a unit that would otherwise be at 60 percent AMI or higher and restrict it as an ELI Set-Aside unit. The number of ELI Set-Aside Units are proportionately distributed across the Unit Mix within Exhibit A and the maximum ELI funding amount per eligible ELI Set-Aside unit the proposed Development is eligible to receive is calculated automatically within Exhibit A based on the information listed by the Applicant on the Unit Mix chart.

(c) Additional Information regarding the Applicant's Total SAIL Request Amount

(i) Maximum Total SAIL Request as a Percentage of Eligible Total Development Cost

During scoring, some costs stated on the Development Cost Pro Forma may be reduced if the stated amount exceeds the allowed amount. This would also cause a reduction to the Total Development Cost stated on the Development Cost Pro Forma.

The resulting Total Development Cost, as adjusted if applicable, will be deemed to be the Applicant's Eligible Total Development Cost.

For Applicants that commit at least five percent of the total units as ELI Set-Aside Units, the combined total of (a) the Applicant's Eligible SAIL Request Amount and (b) the Applicant's Eligible ELI Request Amount cannot exceed 35 percent of the Eligible Total Development Cost. For Applicants that commit less than five percent of the total units as ELI Set-Aside Units, the combined total of (a) the Applicant's Eligible SAIL Request Amount and, if applicable, (b) the Applicant's Eligible ELI Request Amount cannot exceed 25 percent of the Eligible Total Development Cost.

Any necessary adjustments needed to bring the total of these loans within the applicable percent maximum will be made during the scoring process, as well as during the credit underwriting process. Adjustments will be made first to reduce the SAIL Request Amount, if necessary, to meet both the per unit and per Development limitations provided in (a) above, secondly to reduce the ELI amount, if necessary, to fall within the maximum qualifying amount as provided in (b) above, and then lastly to reduce the SAIL Request Amount, as adjusted if applicable, to meet the applicable percent of Total Development Cost limitation test. The resulting SAIL Request Amount, as adjusted if applicable, will be deemed to be the Applicant's Eligible SAIL Request Amount. The resulting ELI Request Amount, as adjusted if applicable, will be deemed to be the Applicant's Eligible ELI Request Amount.

(ii) Additional adjustments, if applicable

If the Applicant states a SAIL Request Amount and/or ELI Request Amount that is greater than the amount the Applicant is eligible to request, the Corporation will reduce the amount down to the maximum amount the Applicant is eligible to request.

Applicants with a proposed Development located in Miami-Dade County must have an Eligible SAIL Request Amount of at least \$3,000,000. Should any of the adjustments outlined herein result in the Applicant's Eligible SAIL Request Amount

falling below the minimum \$3,000,000 amount, such Application will no longer be eligible to be considered for funding under this RFA.

(2) Non-Competitive Housing Credits

- (a) The Applicant must state the anticipated amount of Housing Credits it is requesting (“Applicant’s Housing Credit Request Amount”).

The 4% Housing Credit Request Amount is not subject to a request limit; however, if the Applicant states an amount that is not a whole dollar amount, the Corporation will round the amount down to a whole dollar amount.

- (b) Declaration as First Phase of a Multiphase Development

To declare this proposed Development as the first phase of a multiphase Development, the question in Exhibit A must be answered “Yes” and at least one building must be located within the HUD-designated DDA or HUD-designated QCT stated in Exhibit A.

During the credit underwriting process, an opinion letter must be submitted to the Corporation by a licensed attorney that the Development meets the definition of a “multiphase project” as defined in the Federal Register related to the Statutorily Mandated Designation of Difficult Development Areas and Qualified Census Tracts for the applicable year. The letter must also include: (i) the name of the declared first phase Development and the Corporation-assigned Application number, (ii) the total number of phases and the projected Development name for each phase, (iii) the total number of buildings in each phase, (iv) the expected completion date for each phase, and (v) any other information as determined by the Corporation and stated in the invitation to enter credit underwriting.

To qualify for the basis boost, subsequent phases must meet the requirements in (c)(i) below.

- (c) Basis Boost Qualifications

With regard to Housing Credits, HUD provides regulatory guidance on the effective date of Difficult Development Area (DDA) and Qualified Census Tract (QCT) lists for the purpose of determining whether a Development qualifies for an increase in eligible basis in accordance with Section 42(d)(5)(B) of the IRC. HUD’s notice published on the webpage <https://www.huduser.gov/portal/datasets/qct.html> (also available by clicking [here](#)) governs the eligibility for a basis boost for the Development proposed in this RFA.

If the Applicant is requesting 4% Housing Credit that will be used with County HFA-issued Tax-Exempt Bonds and the Applicant indicates that the proposed Development is eligible for the basis boost, during the credit underwriting process the Applicant will be required to provide a letter certifying the date the bond application was deemed complete, as outlined in Exhibit D.

- (i) Complete application for Non-Corporation-Issued Tax-Exempt Bonds submitted in a previous year

The increase in eligible basis related to non-competitive housing credits is initially tied to the submission of a complete application to the bond-issuing agency.

If the Applicant is applying for Corporation-issued MMRB in this application, the HUD criteria used to determine eligibility will be the current calendar year criteria. If the Applicant is utilizing Non-Corporation-issued Tax-Exempt Bonds, the Corporation will need to utilize the qualifying criteria tied to when the complete application was submitted to the agency issuing the County HFA-issued Tax Exempt Bonds. If applicable, provide a response to the question asking for the calendar year of the County HFA-issued Tax Exempt Bond application (current year or prior year).

If the Applicant is requesting Non-Competitive Housing Credits that will be used with County HFA-issued Tax-Exempt Bonds and the Applicant indicates that the proposed Development is eligible for the basis boost, during the credit underwriting process the Applicant will be required to provide a letter certifying the date the bond application was deemed complete, as outlined in Exhibit D.

- (ii) Subsequent Phase of a Multiphase Development

For purposes of this RFA, a subsequent phase of a multiphase Development is one where the first phase was located within a HUD-designated DDA or HUD-designated QCT and appropriately identified as such, and received an award of Housing Credits (“initial award”) in one of the following: (i) the 2011 Universal Application Cycle; (ii) a Request for Proposal or Request for Application (“RFP” or “RFA”) issued in calendar year 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022, or 2023; or (iii) a Non-Competitive Housing Credit Application (awarded through a Corporation competitive RFA process or a Non-Corporation Bond issuer’s competitive application).

For the subsequent phase to be eligible for the basis boost, after the initial award, (A) the Applicant must have submitted an Application for Housing Credits in immediately consecutive years, per the HUD requirements, (B) the 730-day period following the initial award must not end prior to the submission deadline for the Corporation's competitive RFA or a Non-Corporation Bond issuer's competitive application, per HUD's requirements, and (C) the subsequent phase must have at least one building located within the boundary of the declared HUD-designated DDA or HUD-designated QCT which applied to the Development declared as the first phase by the first phase Applicant.

If the proposed Development qualifies as a subsequent phase of a multiphase Development, indicate as such in Exhibit A and provide the Corporation-assigned Application number for the Development where the first phase was declared and awarded an allocation of Housing Credits.

The proposed Development's subsequent phase status will be confirmed during the credit underwriting process. If it is determined that the proposed Development does not meet the criteria to be designated a subsequent phase of a multiphase Development and the Housing Credit request was based on such contention, it will no longer be considered a subsequent phase of a multiphase Development and the Applicant's Competitive Housing Credit award may be rescinded.

(iii) HUD-designated Small Area DDA (SADDA)

A proposed Development will be eligible for the basis boost if located within a HUD-designated Small Area DDA (SADDA), as defined in Section 42(d)(5)(B)(iii), IRC. The SADDA designation will only apply to the building(s) located within the applicable SADDA Zip Code Tabulation Area (ZCTA) and only those building(s) will be eligible for the basis boost.

HUD has assigned a ZCTA number to each SADDA, available on the webpage

<https://www.huduser.gov/portal/datasets/qct.html> (also available by clicking [here](#)). The applicable HUD mapping software is available at

https://www.huduser.gov/portal/sadda/sadda_qct.html (also available by clicking [here](#)).

To qualify, identify, in Exhibit A, the ZCTA number(s) for the proposed Development.

During credit underwriting and at the time of Final Cost Certification, if it is determined that there are buildings located outside of the applicable SADDA ZCTA, the Corporation reserves the right to reduce the Housing Credit Allocation if the eligible basis for the building(s) located in the applicable SADDA ZCTA is not sufficient to support the request amount.

(iv) HUD-designated Non-Metropolitan DDA

The proposed Development will be eligible for the basis boost if the Development county, as stated in Exhibit A, is located within a HUD-designated non-metropolitan DDA as defined in Section 42(d)(5)(B)(iii), IRC. The 2021 HUD-designated non-metropolitan DDAs are available on the webpage <https://www.huduser.gov/portal/datasets/qct.html> (also available by clicking [here](#)).

(v) HUD-designated QCT

The proposed Development will be eligible for the basis boost if the entire Development is located, as of Application Deadline, within a HUD-designated QCT, as defined in Section 42(d)(5)(B)(ii), IRC, as amended and based on the current census, as determined by HUD.

The HUD-designated QCTs are available on the webpage <https://www.huduser.gov/portal/datasets/qct.html> (also available by clicking [here](#)).

To qualify, indicate the HUD-designated QCT census tract number.

(d) Housing Credit Equity Proposal

A Housing Credit equity proposal must be provided as **Attachment 7**. For purposes of this RFA, to be counted as a source, an equity proposal, regardless of whether the documentation is in the form of a commitment, proposal, term sheet or letter of intent, must meet the requirements set out below:

- (i) If the Eligible Housing Credit Request Amount is less than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing and the maximum amount of Housing Credit equity to

be permitted in the Development Cost Pro Forma will be adjusted downward from the amount stated in the equity proposal. This adjusted maximum Housing Credit equity will be calculated by taking the total amount of equity to be provided to the proposed Development as stated in the equity proposal letter, dividing it by the credit allocation stated in the equity proposal and multiplying that quotient by the Applicant's Eligible Housing Credit Request Amount. If the Eligible Housing Credit Request Amount is greater than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing and the maximum amount of Housing Credit equity to be permitted in the Development Cost Pro Forma will be the amount stated in the equity proposal.

- (ii) If syndicating/selling the Housing Credits, the Housing Credit equity proposal must meet the following criteria:
- Be executed by the equity provider;
 - Include specific reference to the Applicant as the beneficiary of the equity proceeds;
 - State the proposed amount of equity to be paid prior to construction completion;
 - State the anticipated Housing Credit Request Amount;
 - State the anticipated dollar amount of Housing Credit allocation to be purchased; and
 - State the anticipated total amount of equity to be provided.

If the limited partnership agreement or limited liability company operating agreement has closed, the closed agreement must be provided. To be counted as a source of financing, the partnership agreement or operating agreement must meet the requirements above or submit separate documentation, signed by the equity provider, expressly stating any required criteria not provided in the agreement.

- (iii) If not syndicating/selling the Housing Credits, the owner's commitment to provide equity must be provided. The commitment must include the following information and evidence of ability to fund must be provided as **Attachment 7** to the Application:
- The proposed amount of equity to be paid prior to construction completion;
 - The anticipated Housing Credit Request Amount;
 - The anticipated dollar amount of Housing Credit allocation to be purchased; and

- The anticipated total amount of equity to be provided.

Note: Exhibit D to the RFA outlines the documentation required to be submitted during credit underwriting demonstrating that the equity amount to be paid prior to or simultaneous with the closing of construction financing is at least 15 percent of the total proposed equity to be provided (the 15 percent criteria).

(3) Tax Exempt Bonds

(a) Corporation-Issued MMRB

State the amount of Corporation-Issued MMRB being requested. The MMRB Request amount must be in increments of \$5,000. The Corporation will make any necessary adjustment by rounding up to the nearest \$5,000.

There is no requirement to include any documentation regarding the MMRB in the Application. The necessary documentation that will be required after the Applicant is invited to enter credit underwriting is outlined in Exhibit D.

(b) County HFA-issued Tax-Exempt Bonds

(i) Provide, as **Attachment 8** to Exhibit A, a letter, executed by the chair or vice chair of the governing body, mayor, or deputy mayor, city manager or assistant city manager, county manager/administrator/coordinator or assistant county manager/administrator/coordinator, executive director or assistant executive director, or by an individual occupying a position reasonably equivalent to any of the foregoing, as applicable, of the entity issuing the Tax-Exempt Bonds, that (a) confirms that the Applicant has submitted an application for Tax-Exempt Bonds for the Development proposed in this RFA, (b) states the amount of the Applicant's Bond request, and (c) confirms that the closing on the Bonds has not occurred and will not occur prior to the Application Deadline for this RFA; and

(ii) The Applicant must include the anticipated amount of such Bond financing on the Construction/Rehab Analysis and the Permanent Analysis.

There is no requirement to include any other documentation regarding the County HFA-issued Tax-Exempt Bonds in the Application beyond what is required at **Attachment 8**. The necessary documentation will be required after the Applicant is invited to enter credit underwriting, as outlined in Exhibit D to the RFA.

Applicants are not eligible to apply for any funding offered in this RFA if the Applicant has already closed on the Tax-Exempt Bond financing prior to the Application Deadline for this RFA. In addition, proposed Developments are not eligible to receive any funding awarded through this RFA if the Applicant closes on the Tax-Exempt Bond financing prior to the issuance of the preliminary commitment. As part of the Applicant's acceptance of the invitation to enter credit underwriting (i.e., the preliminary commitment), the Applicant will be required to confirm that the Bonds have not closed. If the Bonds are closed between the Application Deadline and issuance of the SAIL preliminary commitment, the Applicant's award will be rescinded.

(4) NHTF or HOME-ARP Loan Funding

Non-Self-Sourced Applicants that commit to the Development Category of New Construction and Self-Sourced Applicants that commit to optional 22% Units are eligible for NHTF or HOME-ARP Funding for each 22% Unit as outlined in Section Four, A.6.c.(2)(e) of the RFA.

The NHTF or HOME-ARP loan shall be a forgivable loan with an interest rate of 0 percent for 30 years. The terms and conditions of the NHTF loans are further outlined in Exhibit I of the RFA. The terms and conditions of the HOME-ARP loans are further outlined in Exhibit J of the RFA.

Because NHTF and HOME-ARP Funding award amounts are calculated after Applications are selected for funding, NHTF and HOME-ARP Funding will not be counted as a source of funding on the Development Cost Pro Forma.

(5) Other Corporation Funding

If the Development has received funding from the Predevelopment Loan Program (PLP), the Corporation file number and amount of funding must be listed. Note: PLP funding cannot be used as a source of financing on the Construction/Rehab Analysis or the Permanent Analysis.

b. Non-Corporation Funding

(1) If the proposed Development will be assisted with funding under the United States Department of Agriculture RD 515 Program and/or RD 538 Program, the following information must be provided:

- (a) Indicate the applicable RD Program(s) in Exhibit A.
- (b) For a proposed Development that is assisted with funding from RD 515, include the following:

- (i) Include the funding amount at the USDA RD 515 Financing line item on the Development Cost Pro Forma (Construction/Rehab Analysis and/or Permanent Analysis), and
- (ii) Provide a letter from RD, dated within six months of the Application Deadline, as **Attachment 9** to Exhibit A, confirming the funding source as outlined below:
 - (A) For proposed Developments that either (i) committed to the Development Category of Rehabilitation (with or without Acquisition); or (ii) qualified for the Development Subcategory of Redevelopment (with or without Acquisition), the RD letter must include the following information:
 - Name of existing development;
 - Name of proposed Development;
 - Current RD Loan balance;
 - Acknowledgment that property is applying for Housing Credits; and
 - Acknowledgment that property will remain in the USDA/RD 515 loan portfolio.

or

 - (B) For proposed Developments with the Development Category of New Construction, the RD letter must include the following information:
 - Name of Proposed Development;
 - Name of Applicant as borrower or direct recipient;
 - RD Loan amount; and
 - Acknowledgment that property is applying for Housing Credits.
- (c) If the proposed Development will be assisted with funding under the RD 538 Program, include the following:
 - (i) Include the funding amount at the USDA RD 538 Financing line item on the Development Cost Pro Forma (Construction/Rehab Analysis and/or Permanent Analysis); and
 - (ii) Provide the letter sent to the Applicant by an RD 538 approved lender certifying that the lender is prepared to make a loan consistent with the program requirements through the Section

538 Guaranteed Rural Rental Housing (“538”) Loan Program as **Attachment 9** to Exhibit A. The U.S. Department of Agriculture, Rural Development (RD), list of Section 538 Guaranteed Rural Rental Housing approved lenders is available on the RFA Webpage.

As outlined in Exhibit D, the Section 538 Selection letter from RD must be provided during credit underwriting.

(2) Non-Corporation Funding Proposals

Unless stated otherwise within this RFA, for funding, other than Corporation funding and deferred Developer Fee, to be counted as a source on the Development Cost Pro Forma, provide documentation of all financing proposals from both the construction and the permanent lender(s), equity proposals from the syndicator, and other sources of funding. The financing proposals must state whether they are for construction financing, permanent financing, or both, and all attachments and/or exhibits referenced in the proposal must be provided as **Attachment 10** to Exhibit A. Self-Sourced Applicants must provide the Self-Sourced Financing Commitment Verification form (Rev. 11-19). Additional considerations for Self-Sourced Applicants are set forth in (i), below.

For purposes of the Application, the following will not be considered a source of financing: net operating income, capital contributions not documented in accordance with financing proposals that are not from a Regulated Mortgage Lender, fee waivers or any portion of any fees that are reimbursed by the local government. Additionally, fee waivers or any portion of any fees that are reimbursed by the local government cannot be considered as Development costs.

(a) Financing Proposal

Financing proposal documentation, regardless of whether the documentation is in the form of a commitment, proposal, term sheet, or letter of intent, must meet the following criteria.

Each financing proposal shall contain:

- Amount of the construction loan, if applicable;
- Amount of the permanent loan, if applicable;
- Specific reference to the Applicant as the borrower or direct recipient; and
- Signature of lender.

Note: Eligible Local Government financial commitments (i.e., grants and loans) can be considered a source of financing without meeting the requirements above if the Applicant provides the properly completed and executed Local Government Verification of

Contribution – Grant Form (Form 07-2022) and/or the Local Government Verification of Contribution – Loan Form (Form 07-2022) and such grant and/or loan is effective at least through December 31, 2023. A loan with a forgiveness provision (and no accrued interest charges) requiring approval of the Local Government can be treated as a loan or a grant. Either the "Loan" or the "Grant" verification forms can be used. The grant and loan forms (Form 07-2022) are available on the RFA Webpage. If the loan form is used for a loan with forgiveness provision (and no accrued interest charges), the space for entering the net present value of the loan is not applicable to this RFA and will not be considered.

- (b) Financing that has closed:
- (i) For any financing other than Tax-Exempt Bond financing*, if the financing has closed in the Applicant's name, provide a letter from the lender acknowledging that the loan has closed. The letter must also include the following information:
- Amount of the construction loan, if applicable;
 - Amount of the permanent loan, if applicable; and
 - Specific reference to the Applicant as the borrower/direct recipient/mortgagee.
- *As stated in Section One and Section Four A.10.a. of the RFA, proposed Developments are not eligible to apply for any funding offered in this RFA if the Applicant has already closed on the Tax-Exempt Bond financing prior to the Application Deadline for this RFA. In addition, proposed Developments are not eligible to receive any funding awarded through this RFA if the Applicant closes on the Tax-Exempt Bond financing prior to the issuance of the preliminary commitment for the SAIL funding. As part of the Applicant's acceptance of the invitation to enter credit underwriting (i.e., the preliminary commitment), the Applicant will be required to confirm that the Bonds have not closed. If the Bonds are closed between the Application Deadline and issuance of the preliminary commitment, the Applicant's award will be rescinded.
- (ii) Except for HUD and RD funding, if the financing involves an assumption of debt not currently in the Applicant's name, as evidence that the lender approves of the proposal of assumption, provide a letter from the lender, dated within six months of the Application Deadline, that includes the following information:
- Specifically references the Applicant as the assuming party;
 - If a permanent loan, states the amount to be assumed; and
 - If a construction loan, states the maximum amount of funding capacity.

If the debt being assumed is provided by HUD, provide a letter from HUD, dated within six months of the Application

Deadline, confirming the funding source. The letter must include the following information:

- Name of existing development;
- Name of proposed Development;
- Loan balance;
- Acknowledgment that property is applying for Housing Credits; and
- Applicable HUD program.

If the debt being assumed is provided by RD, the Applicant is only required to provide the information described in Item 10.b.(1)(b) above.

- (c) If the financing proposal is not from a Regulated Mortgage Lender in the business of making loans or a governmental entity, evidence of ability to fund must be provided, with one exception. Self-Sourced Applicants that provide the Self-Sourced Financing Commitment Verification form (Rev. 11-19) behind **Attachment 10** will be required to provide the evidence of ability to fund that source of financing during credit underwriting. If a Self-Sourced Applicant includes any other financing proposal that is not from a Regulated Mortgage Lender in the business of making loans or a governmental entity, it will follow the same requirements as Non-Self-Sourced Applicants, and the evidence of ability to fund must be provided.

Evidence of ability to fund includes: (i) a copy of the lender's most current audited financial statements no more than 17 months old; or (ii) if the loan has already been funded, a copy of the note and recorded mortgage. The age of all financial statements is as of the Application Deadline. In evaluating ability to fund, the Corporation will consider the entity's unrestricted current assets typically used in the normal course of business. Assets considered restricted include, but are not limited to, pension funds, rental security deposits, and sinking funds. Financing proposals from lenders who cannot demonstrate ability to fund will not count as a source of financing. Financial statements must be included in the Application. Note: This provision does not apply to deferred Developer Fee.

In the case where the seller (or lessor) of the Development's property is providing a seller's or lessor's note (purchase money mortgage or equivalent) to help finance the Applicant's acquisition of the property, evidence of its ability to fund the amount of the note is not needed so long as the Application includes a letter from the seller or lessor that meets the financing proposal criteria outlined in (2)(a) above and the amount of the note is equal to or less than the purchase price of the property.

- (d) If a financing proposal shows an amount less than the corresponding line item on the Development Cost Pro Forma, only the financing proposal amount will be considered as a funding source. However, if a financing proposal shows an amount greater than the corresponding line item on the Development Cost Pro Forma, up to the total amount of the financing proposal amount may be utilized as a funding source, if needed.
- (e) The loan amount may be conditioned upon an appraisal or debt service coverage ratio or any other typical due diligence required during credit underwriting.
- (f) Financing proposals may be conditioned upon the Applicant receiving the funding from the Corporation for which it is applying.
- (g) If a financing proposal has a provision for holding back funds until certain conditions are met, the amount of the hold-back will not be counted as a source of construction financing unless it can be determined that the conditions for the release of the hold-back can be met prior to or simultaneous with the closing of the Development's permanent financing.
- (h) Grant funds are contributions to the Development, other than equity, which carry no repayment provision or interest rate. A commitment for grant funds will be considered a commitment if the commitment is properly executed and, if applicable, evidence of ability to fund is provided.
- (i) Demonstration of permanent source(s) of financing from Self-Sourced Applicants (**Maximum of 2 points**)

All Self-Sourced Applicants must include the Self-Sourced Financing Commitment Verification form (Rev. 11-19) as **Attachment 10** demonstrating self-sourced financing on the form in an amount that is at least half of the Applicant's eligible SAIL Request Amount (excluding the ELI Funding) or \$1,000,000, whichever is greater.

Possible points Awarded

Self-Sourced Applicants may be awarded points in the Application if contributing higher percentages of self-sourced financing than the minimum.

Self-Sourced Applicants that demonstrate an amount that is at least 75 percent of the Applicant's eligible SAIL Request Amount (excluding the ELI Funding) will be awarded one additional point. Self-Sourced Applicants that demonstrate an amount that is 100 percent of the Applicant's eligible SAIL Request Amount (excluding the ELI Funding) will be awarded two additional points.

During credit underwriting, the self-sourced financing must demonstrate evidence of ability to fund the amount stated on the Self-Sourced Financing Commitment Verification form as described in (c) above.

Permanent Sources that Cause Reduction in Maximum SAIL Request Amounts of Self-Sourced Applicants are not considered self-sourced financing. In addition, deferred Developer Fee cannot be used to qualify as a self-sourced funding source for Self-Sourced Applicant.

Self-sourced financing will be funded and dispersed pro rata along with SAIL funding. The self-sourced financing must be subordinate to the SAIL loan. For example: The Self-Sourced Applicant demonstrates the ability to fund a subordinate bond purchase (e.g., a Tranche B loan, subordinate to all other financing). Self-Sourced permanent financing sources must be identified on the Development Cost Pro Forma and labeled as either “Self-Sourced: Bond-Financing” or “Self-Sourced: Non-Bond-Financing” using the drop-down option available. Self-Sourced financing proposals must be provided in **Attachment 10**, in accordance with the requirements of subsection (c), above.

If a Self-Sourced Applicant demonstrates Permanent Sources that Cause Reduction in Maximum SAIL Request Amounts of Self-Sourced Applicants, the funding will be divided by the total number of units. The result of this will be deducted from the maximum per unit SAIL request (\$41,000). For example: If a Self-Sourced Applicant is proposing a Development consisting of 100 total units and includes \$1,000,000 in permanent financing from a government entity, the maximum per unit SAIL Request will be reduced from \$41,000 per unit to \$31,000 per unit ($\$1,000,000 / 100 = \$10,000$. $\$41,000 - \$10,000 = \$31,000$).

c. Development Cost Pro Forma

All Applicants must complete the Development Cost Pro Forma listing the anticipated expenses or uses, the Detail/Explanation Sheet, if applicable, and the Construction or Rehab Analysis and Permanent Analysis listing the anticipated sources (both Corporation and non-Corporation funding). The sources must equal or exceed the uses. If a funding source is not considered and/or if the Applicant’s funding Request Amount is adjusted downward, this may result in a funding shortfall. If the Application has a funding shortfall in either the Construction/Rehab and/or the Permanent Analysis of the Applicant’s Development Cost Pro Forma, the amount of the adjustment(s), to the extent needed and possible, will be offset by increasing the deferred Developer Fee up to the maximum eligible amount as provided below.

The Development Cost Pro Forma must include all anticipated costs of the Development construction, rehabilitation and, if applicable, acquisition, including the Developer Fee and General Contractor fee, as outlined below. Waived or

reimbursed fees or charges are not considered costs to the Development and therefore, should not be included on the Development Cost Pro Forma. Note: deferred Developer Fees are not considered “waived fees.”

Within the General Development Costs section of the Development Cost Pro Forma, there are line items for Professional Fees, Insurance(s), Local Government Fees & Taxes, FHFC Costs& Fees, and Tenant Relocation Costs. The following are examples of these costs:

- Professional Fees may include Accounting Fees, Appraisal, Architect’s Fees, Capital Needs Assessment, Engineering Fees, Environmental Report, Green Building Certification/HERS Inspection Costs, Inspection Fees, Legal Fees, Market Study, Marketing/Advertising, Soil Test Report, Survey and Title Insurance & Recording Fees.
- Insurance(s) may include Builder’s Risk Insurance.
- Local Government Fees & Taxes may include Building Permit, Impact Fees, Property Taxes and Utility Connection Fee.
- FHFC Costs & Fees may include the Corporation’s fees such as Administrative Fee, Application Fee, Compliance Fee and PRL/Credit Underwriting Fees.

Developer Fee and General Contractor fee must be disclosed. In the event the Developer Fee and/or General Contractor fee are/is not disclosed on the Development Cost Pro Forma, the Corporation will assume that these fees will be the maximum allowable and will add the maximum amount(s) to Total Development Cost. If an Applicant lists a Developer Fee, General Contractor fee, contingency reserve or operating deficit reserve that exceeds the stated Application limits, the Corporation will adjust the fee to the maximum allowable.

All loans, grants, donations, syndication proceeds, etc., should be detailed in the Application as outlined above. The total of monetary funds determined to be in funding proposals must equal or exceed uses.

(1) Developer Fee

Each Developer Fee component listed in (a) and (b) below shall not exceed the respective amounts described below:

- (a) Developer Fee on Acquisition Costs, is limited to 18 percent of the Total Acquisition Cost of Existing Development (excluding land) stated on the Development Cost Pro Forma in Column 3 of Item B, rounded down to the nearest dollar; and
- (b) Developer Fee on Non-Acquisition Costs, is limited to 18 percent of the net amount after deducting Total Acquisition Cost of Existing Development (excluding land) (Column 3 of Item B) from the Development Cost stated on the Development Cost Pro Forma in Column 3 of Item C, rounded down to the nearest dollar.

If the maximums stated in (a) or (b) are exceeded, the Corporation will adjust the amount down to the maximum allowed. Additionally, the Corporation may further adjust the Developer Fee on Acquisition Costs, and/or Developer Fee on Non-Acquisition Costs stated on the Development Cost Pro Forma and used to calculate the Developer Fee in Item D of the Development Cost Pro Forma. The conditions for such adjustments are stated below:

- If the amount of Developer Fee on Acquisition Costs is more than the amount allowed in (a) above, AND if the amount of Developer Fee on Non-Acquisition Costs is less than the amount allowed in (b) above, the Corporation will reduce the amount of Developer Fee on Acquisition Costs to the maximum allowed amount, and increase the amount of Developer Fee on Non-Acquisition Costs by the amount reduced in the Developer Fee on Acquisition Costs, up to the maximum allowed amount.
- If the amount of Developer Fee on Non-Acquisition Costs is more than the amount allowed in (b) above, AND if the amount of Developer Fee on Acquisition Costs is less than the amount allowed in (a) above, the Corporation will reduce the amount of Developer Fee on Non-Acquisition Costs to the maximum allowed amount, and increase the amount of Developer Fee on Acquisition Costs by the amount reduced in the Developer Fee on Non-Acquisition Costs, up to the maximum allowed amount.

The Corporation will allow up to 100 percent of the eligible Developer Fee to be deferred and used as a source on the Development Cost Pro Forma without the requirement to show evidence of ability to fund; however, deferred Developer Fee may not be used as self-sourced funding.

Consulting fees, if any, and any financial or other guarantees required for the financing must be paid out of the Developer Fee. Consulting fees include, but are not limited to, payments for Application consultants, construction management or supervision consultants, or local government consultants.

(2) General Contractor Fee

General Contractor fee shall be limited to 14 percent of actual construction cost. The maximum allowable General Contractor fee will be tested during the scoring of the Application by multiplying the actual construction cost by 14 percent, rounded down to the nearest dollar.

(3) Contingency Reserves

For Application purposes, the maximum hard and soft cost contingencies allowed cannot exceed (a) 5 percent of hard and soft costs for

Development Categories of New Construction; or (b) 15 percent of hard costs and 5 percent of soft costs for Development Categories of Rehabilitation, with or without Acquisition, as further described in Rule Chapters 67-21, F.A.C. and 67-48, F.A.C. The determination of the contingency reserve is limited to the maximum stated percentage of total actual construction costs (hard costs) and general development costs (soft costs), as applicable.

(4) Operating Deficit Reserves

An operating deficit reserve can be included as part of Development Costs, but cannot be used in determining the maximum Developer Fee. Applicants may enter an operating deficit reserve amount that does not exceed \$3,500 per unit on the Development Cost Pro Forma as part of the Application process. A reserve, including an operating deficit reserve, if necessary as determined by an equity provider, first mortgage lender, and/or the Credit Underwriter engaged by the Corporation in its reasonable discretion, will be required and sized in credit underwriting. If any reserve other than the permitted contingency reserve(s) or the maximum operating deficit reserve is identified and included in the Development Cost Pro Forma, the Corporation will reduce it to the maximum allowed during Application scoring.

In exchange for receiving funding from the Corporation, the Corporation reserves the authority to restrict the disposition of any funds remaining in any operating deficit reserve(s) after the term of the reserve's original purpose has terminated or is near termination. Authorized disposition uses are limited to payments towards any outstanding loan balances of the Development funded from the Corporation, any outstanding Corporation fees, any unpaid costs incurred in the completion of the Development (i.e., deferred Developer Fee), the Development's capital replacement reserve account (provided, however, that any operating deficit reserve funds deposited to the replacement reserve account will not replace, negate, or otherwise be considered an advance payment or pre-funding of the Applicant's obligation to periodically fund the replacement reserve account), the reimbursement of any loan(s) provided by a partner, member or guarantor as set forth in the Applicant's organizational agreement (i.e., operating or limited partnership agreement) whereby its final disposition remains under this same restriction. The actual direction of the disposition is at the Applicant's discretion so long as it is an option permitted by the Corporation. In no event, shall the payment of amounts to the Applicant or the Developer from any operating deficit reserve established for the Development cause the Developer Fee or General Contractor fee to exceed the applicable percentage limitations provided for in this RFA.

- d. Public Housing Authority and/or an instrumentality of a Public Housing Authority

Applicants may qualify for an “Add-On Bonus” used in the Total Development Cost Per Unit Base Limitation calculation described in Item 1 of Exhibit C of the RFA, and the PHA Add-On used in the Leveraging Calculation described in Item 3 of Exhibit C if at least one of the following is met:

- (1) The Applicant has either entered into a land lease with a Public Housing Authority on property where the proposed Development is to be located or the Applicant provided an Option to Enter into a Ground Lease Agreement on property where the proposed Development is to be located; AND the property has an existing Declaration of Trust between the Public Housing Authority and HUD; or
- (2) The Applicant is associated with a Public Housing Authority and/or an instrumentality of a Public Housing Authority in the ownership structure. The Applicant should state whether any Principals of the Applicant entity are a Public Housing Authority and/or an instrumentality of a Public Housing Authority and the Public Housing Authority and/or instrumentality of a Public Housing Authority must be reflected on the Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019).

Note: For purposes of the “Add-On Bonus”, the Public Housing Authority and/or instrumentality of a Public Housing Authority must not be disclosed as only the Investor Limited Partner of the Applicant or Investor Member of the Applicant.

If a Public Housing Authority has one of the above-described relationships with the Applicant, state the name of the Public Housing Authority.

- (3) HUD Choice Neighborhoods Implementation Grant Goal

There is a goal to fund one Priority I Application that qualifies for the HUD Choice Neighborhoods Implementation Grant Goal. To qualify, all of the following must be met:

- The Application must be a Priority I Application;
- The Applicant must confirm that the Application meets the goal at question 10.d.(3) in Exhibit A; and
- During the credit underwriting process, the Applicant must demonstrate HUD Choice Neighborhoods Implementation Grant funding.

If any of these requirements are not met, the Applicant will not qualify for the goal and, if the proposed Development was funded to meet the goal, funding awarded under this RFA may be rescinded.

11. Local Government Contributions

- a. Applicants Eligible for Automatic Five Points

With the exception of Applicants of proposed Developments located in Miami-Dade County, Applicants that selected and qualified for the Development Category of Rehabilitation, with or without Acquisition, will automatically receive the maximum of five points without any requirement to demonstrate a Local Government contribution.

b. Applicants Not Eligible for Automatic Five Points

- (1) In order for Applicants of proposed Developments located in Miami-Dade County, regardless of Development Category, to receive the maximum of five points, provide evidence of at least \$250,000 in Local Government committed funding (i.e. grants and/or loans and/or fee waivers) that is effective as of the Application Deadline and is in effect at least through December 31, 2023. Fee deferrals cannot be counted towards the \$250,000 requirement. Applicants of proposed Developments located in Miami-Dade County with less than \$250,000 in committed funds from the Local Government will receive zero Local Government contribution points.
- (2) In order for Applicants of proposed Developments located in counties other than Miami-Dade County that selected the Development Category of New Construction to receive the maximum of five points, provide evidence of a Local Government grant, loan, fee waiver and/or fee deferral that is effective as of the Application Deadline, is in effect at least through December 31, 2023, and has a value whose dollar amount is equal to or greater than the amount listed on the County Contribution List for All Counties Other than Miami-Dade County (set out below) for the county in which the proposed Development will be located. Applicants of proposed Developments located in counties other than Miami-Dade County that do not have the necessary contribution values to achieve maximum points will be scored on a pro-rata basis.

The only Local Government contributions that will be considered for Applicants of proposed Developments located in counties other than Miami-Dade County for the purpose of scoring are:

- Monetary grants
- Loans with the exception of USDA RD funds
- A one-year or more deferral of a fee beyond the date that it is routinely due
- Waiver of fees

c. Evidence of the Local Government Contribution

As evidence of the Local Government contribution, provide the properly completed and executed Local Government Verification of Contribution Form(s) (Form Rev. 07-2022) as **Attachment 11** to Exhibit A. The following Local Government Contribution forms (Form Rev. 07-2022) are available at the RFA Webpage:

- Local Government Verification of Contribution - Loan Form

- Local Government Verification of Contribution - Grant Form
- Local Government Verification of Contribution - Fee Waiver Form
- Local Government Verification of Contribution - Fee Deferral Form

The face amount and/or the contribution value of amount of the Local Government contribution stated on the applicable form(s) must be a precise dollar amount and cannot include words such as estimated, up to, maximum of, not to exceed, etc.

A loan with a forgiveness provision (and no accrued interest charges) requiring approval of the Local Government can be treated as a loan or a grant. Either the "Loan" or the "Grant" verification forms can be used. If the loan form is used for a loan with forgiveness provision (and no accrued interest charges), the space for entering the net present value of the loan is not applicable to this RFA and will not be considered.

Funds administered by the Local Government, including federal funds and SHIP funds, may be included in the contribution as long as the appropriate verification form is provided. For purposes of this RFA, USDA-RD funds will NOT count as a Local Government contribution.

The contribution may not be included as an expense on the Development Cost Pro Forma nor may it be considered part of Development Cost for purposes of calculating Housing Credit basis or Developer's fee. The exception to the previous sentence is deferred Local Government fees, which may be shown on the Development Cost Pro Forma.

For a contribution consisting of a loan or deferred fee to be considered complete and eligible for points, the Local Government Verification form must reflect both the total amount of the loan or deferred fee and the value (difference between the face amount and the net present value of the payment streams) of the loan or deferred fee. Calculate the net present value of the payments using the discount rate of 6.76 percent.

NOTE: Applications of proposed Developments located in Miami-Dade County are not required to reflect the value (difference between the face amount and the net present value of the payment streams) on any Local Government Verification forms.

NOTE: Neither the payment stream for the present value calculations (if contribution consists of a loan or deferred fee) nor the calculations by which the total amount of each waiver is determined (if contribution consists of a fee waiver) are required to be attached to the certification form or otherwise included in the Application in order for the certification form to be considered for points.

In order to be eligible to be considered for points as a Local Government contribution, the contribution must:

- Be in effect as of Application Deadline;
- Be effective at least through December 31, 2023;
- Be dedicated solely for the proposed Development;

- Provide a tangible economic benefit that results in a quantifiable cost reduction and must be given specifically to the proposed Development because the Development will provide affordable housing; and
- State, federal, or Local Government funds initially obtained by or derived from a Local Government qualify as a Local Governmental contribution even though the funds are directly administered by an intermediary such as a housing finance authority, a community reinvestment corporation, or a state-certified Community Housing Development Organization, provided that they otherwise meet the requirements set forth in this RFA, including those relating to the executed verification form.

Local Government contributions that are ineligible to be considered for points include:

- Contributions that are not specifically made for the benefit of affordable housing but are instead of general benefit to the area in which the Development is located;
- The fact that no impact fees or other such fees are levied by a local jurisdiction for ANY type of development does not constitute a Local Government contribution. If such fees are levied by the local jurisdiction but the nature of the proposed Development exempts it (e.g., typically, a Rehabilitation Development is not subject to impact fees), for purposes of this RFA, no Local Government contribution exists and no points will be awarded;
- The absence of interest on a loan or the absence of interest payments until a specific date does not constitute a deferral or waiver of fees;
- Local Government contributions that have not received final approval;
- A contribution from an Applicant or Developer or Principal, Affiliate or Financial Beneficiary of an Applicant or a Developer;
- A contribution from a PHA;
- HOPE VI funds; and
- A contribution of any portion of the Applicant's site below market value.

Applications of proposed Developments located in counties other than Miami-Dade County are required to reflect both the total amount of the loan or deferred fee and the value (difference between the face amount and the net present value of the payment streams) of the loan or deferred fee on the Local Government Verification form. To calculate the value of a Local Government contribution below market interest rate loan or fee deferral:

- Calculate the net present value of the payments due to the Local Government. For a loan, this includes any balloon payment of principal due on a non-amortizing or non-fully amortizing loan. For a fee deferral, this includes the amount of the fee due at the end of the deferral period.
- Calculate the net present value of the loan payments using the discount rate.
- Subtract the net present value of the loan payments from the original loan principal amount. The remaining amount is the value of the Local Government contribution.

Example: If the discount rate is assumed to be 6.76 percent and the Local Government will provide a fully-amortizing \$50,000 loan with payments due monthly based on a 0.0 percent interest rate for the initial 60 months, then 2.5 percent for the next 60 months, and then 3.5 percent for the remaining term, the contribution is calculated as follows:

Calculate the monthly principal and interest payments of the \$50,000 loan at 0.0 percent (\$277.78).

Calculate the net present value of the stream of the monthly payments over 15 years (180 months) using a 6.76 percent discount rate (\$33,840.00).

Subtract the net present value amount from the original principal loan amount to arrive at the value of the contribution ($\$50,000 - \$33,840.00 = \$16,160.00$ value).

Example: If the discount rate is assumed to be 6.76 percent and the Local Government will provide a \$50,000 loan with interest-only payments due monthly based on a 0.0 percent interest rate for the initial 60 months, then 2.5 percent for the next 60 months, and then 3.5 percent for the remaining term and principal due at maturity, the contribution is calculated as follows:

Calculate the monthly interest-only payments of the \$50,000 loan at 0.0 percent for the initial 60 months (\$0.00), then 2.5 percent for the next 60 months (\$104.17), and then 3.5 percent for the remaining term (\$145.83 per month).

Calculate the net present value of the stream of the monthly payments over 15 years (180 months) and principal due at maturity, using a 6.76 percent discount rate (\$25,741.70).

Subtract the net present value amount from the original principal loan amount to arrive at the value of the contribution ($\$50,000.00 - \$25,741.70 = \$24,258.30$ value).

Example: A Development is to be located in Sarasota County and has achieved a Local Government contribution valued at \$37,500. The County Contribution List states that a Development to be located in Sarasota County must obtain contributions valued at \$50,000 to achieve 5 points. Therefore, in this example, the Development would receive 3.75 points ($(\$37,500 / \$50,000) \times 5$).

NOTE: Points will be rounded to two decimal places (3.345 rounded up to 3.35 and 3.3449 rounded down to 3.34).

12. Uniform Relocation Act

The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) is government-wide legislation which establishes minimum standards for federally-funded programs or projects requiring the acquisition of real property or displacement of persons from the homes, businesses, or farms as a direct result of: Acquisition, Rehabilitation or Demolition. Applicants should be prepared to familiarize themselves with URA & Section 104(d) statues and regulations at 49 CFR 24 (URA), 24 CFR 42 (104(d)), 24 CFR 570 (CDBG) and Section 414 of the Stafford Act.

The URA is triggered at site identification or intended use of federal funds.

A General Information Notice (GIN) should be issued to all occupants at such time there exists the following:

- Documented legal intent of a project triggered by project pre-application/application, AND
- Site identification.

For land proposed for acquisition that may have occupied residential dwellings, compliance begins at the GIN issuance. Successful Applicants will be required to provide the issued GIN within 21 Calendar Days of the invitation to enter credit underwriting as outlined in Exhibit D. The questions in Exhibit A must be answered and the following required Uniform Relocation Act information must be obtained prior to application deadline. The information must be provided to the Corporation with the GIN if the Applicant is successful as outlined below:

a. Occupied Units

At question 11.a. of Exhibit A, select "Yes" if any units are occupied as of the Application Deadline.

b. Tenant Relocation Information for Existing Properties

At question 11.b.(1) through (4) of Exhibit A, answer all applicable questions.

- (1) State how many total units exist as of the Application Deadline in the proposed Development.
- (2) State how many units are occupied as of the Application Deadline.
- (3) State whether or not permanent relocation (displacement) is anticipated during or after the construction period. If "Yes", state how many units are affected.
- (4) State whether or not temporary relocation of any tenants will be required. If "Yes", state how many tenants will require temporary relocation.

Successful Applicants will be required to provide the following information within 21 Calendar Days of the invitation to enter credit underwriting as outlined in Exhibit D:

- (5) Within 21 Calendar Days of the invitation to enter credit underwriting, provide a list of all units occupied as of Application Deadline and tenant income certifications. The income of persons and households who, as of the Application Deadline, are occupying a unit that will receive assistance must be provided to determine whether they are income eligible. For all units that are occupied as of the Application Deadline, provide a summary list of all residents and income certifications for those residents in occupied units that will be assisted units. If, as of the Application Deadline, the existing residents and/or Development is/are participating in a federally subsidized program (such as Project-based Section 8, Section 8 Existing or Section 8 Voucher Programs), the residents' income certification forms required for that program may be used to meet this requirement.

- (6) Within 21 Calendar Days of the invitation to enter credit underwriting, provide a brief description of how the Development will meet the set-aside requirements. The description must indicate whether, as of the Application Deadline, the existing residents are eligible residents, or whether the residents will be evicted and replaced with income eligible residents in order to meet the set-aside requirements committed to in this Application.
- (7) Within 21 Calendar Days of the invitation to enter credit underwriting, provide a description of how the cost of relocation will be covered. Detail how the temporary and permanent relocation will be handled.

c. Uniform Relocation Act Acquisition Information

In addition to answering the questions in Exhibit A, successful Applicants will be required to provide the following information within 21 Calendar Days of the invitation to enter credit underwriting:

- (1) If the Applicant owns the Development site (i.e., holds a deed or currently has a lease with a minimum 50-year term), provide a narrative describing the acquisition. This narrative must describe how, when, and from whom the property was acquired and whether or not the property was vacant when acquired.
- (2) If the Applicant is a private company and is acquiring the property or will have a lease with a minimum 50-year term for the property, the Applicant (buyer) must provide the seller with a notice that the buyer does not have the power of eminent domain to obtain the property and a determination of market value will estimate the value of the property. This must be done prior to execution of the contract or proposed lease (with a minimum 50-year term) or may be attached as an addendum to the contract or proposed lease (with a minimum 50-year term). A copy of the required notice and confirmation of the current owner's/seller's receipt of notice must be provided.
- (3) If the Applicant is a public (government) Applicant, respond to all applicable remaining questions in this relocation section.
- (4) Eminent Domain:
 - (a) If the buyer has the power of eminent domain, the buyer must notify the seller in writing that it has such power and the determination of market value for the property is being waived. Provide a copy of the required notice.
 - (b) If the Applicant is a public (government) Applicant and does not have the power of eminent domain, provide the following: (i) notice of interest, (ii) determination of fair market value, (iii) appraisal of the property, and (iv) written offer of just compensation which includes a statement of just value, property description, and identification of buildings. Provide all required documentation.

The GIN and accompanying information set forth above will be required only after the Application is selected for funding, as outlined in Exhibit D and also in Item 6 of Exhibit C.

B. Additional Information

1. Verifying Application Fee Payment

To ensure that the Application Fee is processed for the correct online Application, the following is **strongly recommended**: (i) provide the Application Fee at least 48 hours prior to the Application Deadline; and (ii) whether paying by check, money order, ACH or wire transfer, include the Development Name, RFA number with the payment.

Applications will only be selected for funding if there is enough SAIL funding available in both the applicable SAIL Geographic Category (SAIL Geographic Funding Test) and the SAIL Demographic Category (SAIL Demographic Funding Test) to fund the Applicant's Total SAIL Request Amount (i.e., the Applicant's Eligible SAIL Request Amount plus the Applicant's Eligible ELI Request Amount).

SAIL Geographic Funding Test refers to the availability of SAIL funding for Large County, Medium County, and Small County Applications to fully fund the Applicant's Total SAIL Request Amount.

SAIL Demographic Funding Test refers to the funding available for Elderly Applications (i.e., Applications with the Demographic of Elderly (ALF or Non-ALF) and Family Applications (i.e., Applications with the Demographic of Family) to fully fund the Applicant's Total SAIL Request Amount.

SAIL funds tentatively awarded to an Application will be deducted from the funds available within the applicable SAIL Geographic Category and the applicable SAIL Demographic Category. An Application will not be selected unless both the SAIL Geographic Funding Test and the SAIL Demographic Funding Test are met.

(1) Additional criteria considered for Family Developments to meet the SAIL Demographic Funding Test

(a) Non-Self-Sourced Family Applications

\$33,770,979 of the Family Funding will be reserved for Applicants that select the Family Demographic Commitment but do not qualify as Self-Sourced Applicants (“Non-Self-Sourced Applicant Family Funding”).

In addition to the SAIL Geographic Funding Test and SAIL Demographic Funding Test criteria stated above, in order for a Non-Self-Sourced Family Application to be selected for funding, there must be enough SAIL funding available in the Non-Self-Sourced Applicant Family Funding to fund the Applicant’s Total SAIL Request Amount (i.e., the Applicant’s Eligible SAIL Request Amount plus the Applicant’s Eligible ELI Request Amount).

(b) Self-Sourced Family Applications

Up to a maximum of \$33,770,979 of the Family Funding will be reserved for Applicants that qualify as Self-Sourced Applicants (“Self-Sourced Applicant Family Funding”).

In addition to the SAIL Geographic Funding Test and SAIL Demographic Funding Test criteria stated above, in order for a Self-Sourced Application to be selected for funding, there must be enough SAIL funding available in the Self-Sourced Applicant Family Funding to fund the Applicant’s Total SAIL Request Amount (i.e., the Applicant’s Eligible SAIL Request Amount plus the Applicant’s Eligible ELI Request Amount).

The Self-Sourced Applicant Family Funding and Non-Self-Sourced Applicant Family Funding will remain part of the SAIL Demographic Funding Test until the Family Funding Merge described below.

(2) Family Funding Merge

At any time during the selection process, it is determined that either (i) none of the remaining eligible unfunded Non-Self Sourced Family Applications can meet the Demographic Funding Test; or (ii) none of the remaining eligible unfunded Self-Sourced Applications can meet the Demographic Funding Test, all remaining Self-Sourced Applicant Family Funding and Non-Self-Sourced Applicant Family Funding will be merged (“Family Funding Merge”).

After the Family Funding Merge, no further Self-Sourced Applications will be funded. Non-Self-Sourced Family Applications will be considered to meet the Demographic Funding Test if there is enough SAIL funding available in the SAIL Demographic Category (SAIL Demographic Funding Test) to fund the Applicant's Total SAIL Request Amount (i.e., the Applicant's Eligible SAIL Request Amount plus the Applicant's Eligible ELI Request Amount).

2. County Award Tally

As each Application is selected for tentative funding, the county where the proposed Development is located will have one Application credited towards the County Award Tally.

Throughout the selection process, the Corporation will prioritize eligible unfunded Priority 1 Applications that meet the Funding Test and are located within counties that have the lowest County Award Tally above other eligible unfunded Priority 1 Applications with a higher County Award Tally that also meet the Funding Test, even if the Priority 1 Applications with a higher County Award Tally are higher ranked, and above all Priority 2 Applications.

The Corporation will prioritize eligible unfunded Priority 2 Applications that meet the Funding Test and are located within counties that have the lowest County Award Tally above other eligible unfunded Priority 2 Applications with a higher County Award Tally that also meet the Funding Test, even if the Priority 1 Applications with a higher County Award Tally are higher ranked.

The highest scoring Applications will be determined by first sorting together all eligible Priority 1 Applications from highest score to lowest score, with any scores that are tied separated in the following order. This will then be repeated for Priority 2 Applications:

- a. First, by the Application's Leveraging Classification, applying the multipliers outlined in Item 3 of Exhibit C of the RFA (with Applications having the Leveraging Level of 1 receiving the highest preference);
- b. By the Application's eligibility for the Proximity Funding Preference (which is outlined in Section Four A.5.e. of the RFA) with Applications that qualify for the preference listed above Applications that do not qualify for the preference;
- c. By the Application's eligibility for the Florida Job Creation Funding Preference which is outlined in Item 4 of Exhibit C of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference); and

Exhibit C – Additional Information

1. Total Development Cost Limitation Test

There is a maximum Developer Fee that can be earned which is tailored for the characteristics of each Development.

a. Overview

(1) Maximum Developer Fee based on Percentage of Development Cost as outlined in Rule 67-21, F.A.C. and/or 67-48, F.A.C.

(2) Maximum Developer Fee Amount based on Maximum Development Cost

The Corporation will calculate the Maximum Developer Fee for each proposed Development, then compare it to the proposed Development's stated Developer Fee. The Maximum Developer Fee Amount will be the sum of the maximum Developer Fee on non-Acquisition Costs calculated in (a) below and, if applicable, the maximum Developer Fee on Building Allocation portion of Acquisition Costs ("Building Allocation") as calculated in (b) below.

(a) Maximum Development Cost upon which a Developer Fee can be Earned when there are no Building Allocation Costs

(i) Hard Cost Factor Per Unit Chart plus estimate of Soft Costs Per Unit

The Non-Acquisition Costs for purposes of determining the maximum Developer Fee are calculated by first selecting the applicable hard cost factor for each unit in the chart below then incorporating an estimate of soft costs per unit.

Hard costs are defined as the total of the actual construction costs (includes the General Contractor Construction Contract and any construction costs to be incurred outside of the General Contractor Construction Contract), the General Contractor Fee and the approved Hard Cost Contingency. These costs are representative of what is normally reported on lines A1.3 and A1.4 in the Development Cost Pro Forma in the Application. The Hard Cost Factor per Unit amounts in the chart are not a limit of the actual hard costs allowed in each Development. Each Development's actual costs may exceed these amounts, but these are the maximums used in the Developer Fee calculation.

Measure	Hard Cost Factor per New Construction Unit					Hard Cost Factor per Rehabilitation Units	
	Garden Non-ESS*	Garden ESS*	Mid-Rise-Non-ESS*	Mid-Rise-ESS*	High-Rise*	Garden*	Non-Garden*
Hard Cost Factor Per Unit for all counties except Broward, Miami-Dade and Palm Beach counties	\$220,000	\$240,000	\$240,000	\$270,000	\$290,000	\$100,000	\$130,000
Hard Cost Factor Per Unit for Broward, Miami-Dade and Palm Beach counties	\$240,000	\$260,000	\$260,000	\$290,000	\$310,000	\$110,000	\$140,000

* Garden includes all Development Types other than Mid-Rise and High-Rise; Non-Garden includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories) and High-Rise (7 or more stories); Mid-Rise includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories); and High-Rise includes Development Type of High-Rise (7 or more stories). ESS means Enhanced Structural Systems Construction.

If there is only one unit type for the entire proposed Development, the number in the chart associated with the unit type is the Hard Cost Factor Per Unit for the Development.

If there are multiple unit types, the amount associated for each unique unit type is multiplied by the number of units for that unit type, added together, and then divided by the total number of units (i.e. pro rata distribution). The result of that calculation is the Hard Cost Factor Per Unit for the Development.

Incorporate an Estimate of Soft Costs Per Unit

The Hard Cost Factor Per Unit for the Development is then divided by 75 percent (resulting in a maximum of hard costs and soft costs per unit when calculating the Maximum Developer Fee, prior to Add-Ons, Multipliers, and Escalation Rate.)

- (ii) Then add applicable per unit TDC Add-On(s) to the result of (i) above

PHA Add-On for means (i) Applicants that either have a land lease with a PHA for the proposed Development's location or the Applicant provided an Option to Enter into a Ground Lease Agreement on property where the proposed Development is to be located; AND the property which has a Declaration of Trust between the PHA and HUD; or (ii) Applicants that have a PHA/instrumentality of a PHA as a Principal	\$7,500 of additional per unit costs will be added to the above Maximum TDC Per Unit to Applications that qualify for the PHA Add-On
TDC Add-on for All Applicants due to known expenses related to tax-exempt bond transactions	\$7,500 of additional per unit costs will be added to the above Maximum TDC Per Unit

(iii) Then divide the result of (ii) above by the applicable TDC Multiplier(s)

Non-Geographic TDC Multiplier – Elderly-ALF Developments	95%
Non-Geographic TDC Multiplier – Homeless Demographic	90%
Non-Geographic TDC Multiplier – Demographic Commitment of either Persons with a Disabling Condition or Persons with Developmental Disabilities	90%
Non-Geographic TDC Multiplier – All Developments that consist of 50 total units or less and not located in the Florida Keys Area (<i>reserved for Homeless Demographic serving PDC or PDD</i>)	90%
Non-Geographic TDC Multiplier – All Developments that consist of more than 50 total units, but not more than 80 total units and not located in the Florida Keys Area (<i>reserved for Homeless Demographic serving PDC or PDD</i>)	95%
Geographic TDC Multiplier – Developments located north of Plantation Key (i.e., north of Tavernier Creek) in the Florida Keys Area	65%
Geographic TDC Multiplier – Developments located south of Plantation Key (i.e., north of Tavernier Creek) in the Florida Keys Area	50%*

*If the proposed Development consists of Scattered Sites, the 50% TDC Multiplier applies only if all the sites are located south of Tavernier Creek.

- (iv) Then multiply the result of (iii) above by the sum of 1 plus 6 percent, which represents the Escalation Factor
- (v) Then multiply this result by the total number of units within the proposed Development to achieve the Maximum Development Cost upon which a Developer Fee can be Earned when there are no Building Allocation Costs (“**Maximum Non-Acquisition Development Cost for Developer Fee**”).

To obtain the **Maximum Developer Fee Amount on non-Acquisition Costs**, multiply the result of (v) by the maximum Developer Fee percentage allowed in the RFA as described below:

- If the maximum Developer Fee percentage stated in the RFA is 16 percent, the result of the calculation above is then multiplied by 16 percent, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 18 percent, the result of the calculation above is then multiplied by 18 percent, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 21 percent, the result of the two calculations below are added together:
 - the result of the calculation is then multiplied by 16 percent, rounded down to the nearest dollar; AND
 - the result of the calculation is then multiplied by 5 percent, rounded down to the nearest dollar.

If there is no Building Allocation costs, this **Maximum Developer Fee Amount on non-Acquisition Costs** is also the **Development's Maximum Developer Fee**. If there is Building Allocation costs, the result of the fee calculation above is added to the result of the fee calculation below to determine the **Development's Maximum Developer Fee**.

- (b) Maximum Developer Fee Amount on Building Allocation costs, if applicable

The Building Allocation costs are comprised of a Building Allocation plus Other building acquisition related costs of the existing Development, together are typically represented by line B. in the Development Cost Pro Forma in the Application. The maximum Building Allocation is a structured calculation. Start by taking the lesser of either the appraised value of the entire property or the actual property purchase price. The lowest land cost allocation is then subtracted from this amount. The lowest land cost allocation methodology is determined as follows:

- (i) Appraised "as is" market value of the land, as if vacant;
- (i) Assessed value of the land as provided by the county property appraiser; or
- (iii) Discount the value provided in the option (a) above to account for the LURA/EUA rent restrictions existing on the property. This is done by taking the lesser of the subject property's acquisition price, or the subject property's appraised "as is" restricted value and dividing this amount by the "as is" market value of the property as if unrestricted. The resulting discount factor is then multiplied by the value provided in option (a).

The lesser of the result of this maximum Building Allocation calculation or the Applicant's stated Building Allocation is then added to any other separate acquisition costs associated with the Building Allocation and this total is multiplied further based on the maximum Developer Fee percentage allowed in the RFA as described below to obtain the Maximum Developer Fee Amount on Building Allocation:

- If the maximum Developer Fee percentage stated in the RFA is 16 percent, the result of the calculation above is then multiplied by 16 percent, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 18 percent, the result of the calculation above is then multiplied by 18 percent, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 21 percent, the result of the two calculations below are added together:
 - the result of the calculation is then multiplied by 16 percent, rounded down to the nearest dollar; AND
 - the result of the calculation is then multiplied by 5 percent, rounded down to the nearest dollar.

(3) Maximum TDC Component

The Maximum TDC Component equals the Maximum Non-Acquisition Development Cost for Developer Fee (as calculated in (2)(v) above) plus the maximum Developer Fee amount on non-acquisition costs (as calculated in (a) above) and then adding, if applicable, the maximum Developer Fee amount on Building Allocation (as calculated in (b) above). The Maximum TDC Component is unique to each Development and will not change once it is calculated. It will be used for calculations described in b. below. However, the maximum Developer Fee amount on Building Allocation costs, if applicable, can be updated at time of Final Cost Certification Application Package review when the Other building acquisition related costs of the existing Development have changed since credit underwriting.

b. Determining whether adjustments to the Developer Fee and the Total Development Cost of the proposed Development are needed during Credit Underwriting

The Total Development Cost of the proposed Development (“TDC of the Proposed Development”) is often adjusted during credit underwriting and Final Cost Certification process. The steps below are performed first during the credit underwriting process and then a similar process is completed during the Final Cost Certification process as presented in c. below. Any such adjustments that occurred during these processes may affect the maximum Developer Fee allowed for the proposed Development to fluctuate.

(1) First Review of the Developer Fee and the TDC of the Proposed Development

To review the maximum Developer Fee for the proposed Development, the Corporation will first determine if the stated Developer Fee is in compliance with the percentage Developer Fee limit and then compare the results of the calculation in a. above to the Developer Fee stated by the Applicant.

If the maximum Developer Fee calculated by the percentage Developer Fee on stated Development Costs and the maximum Developer Fee calculated in a. above is equal to or greater than the proposed Development’s stated Developer Fee, there will be no resulting deduction to the stated Developer Fee or the TDC of the Proposed Development from this first review.

If this step creates a maximum Developer Fee that is less than the proposed Development’s stated Developer Fee, the stated Developer Fee will be reduced to the maximum Developer Fee provided in this step, and the TDC of the Proposed Development will be equally reduced to incorporate this mandated cost reduction.

(2) Second Review of the Developer Fee and the TDC of the Proposed Development

The second review will compare the proposed Development’s Maximum TDC Component and the Net TDC of the Proposed Development for these limitation purposes.

Calculating the Net TDC of the Proposed Development

The Net TDC of the Proposed Development is determined by taking the TDC of the Proposed Development (after any reduction in the initially stated Developer Fee as provided above) and deducting the following qualifying costs:

- the property acquisition price (building and land, which are subject to their own limits)
- demolition costs
- tenant relocation costs
- construction costs associated with the delivery of commercial/retail space, and
- any approved operating deficit reserves (ODR) that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee.

Comparison of the Development's Maximum TDC Component and the Net TDC of the Proposed Development

If the proposed Development's Maximum TDC Component is equal to or greater than the Net TDC of the Proposed Development, the review of the Developer Fee is complete and no other reduction to the proposed Development's Developer Fee is required.

If the proposed Development's Maximum TDC Component is less than the Net TDC of the Proposed Development, the maximum Developer Fee will be reduced by the lesser of:

- (a) the actual amount that the Net TDC of the Proposed Development exceeds the Maximum TDC Component,
- (b) \$750,000, or
- (c) 25 percent of the Maximum Developer Fee calculated in a. above.

If the maximum Developer Fee calculated in this step is equal to or greater than the proposed Development's Developer Fee calculated in b.(1) above, there will be no resulting deduction to the proposed Development's Developer Fee after step b.(1) nor to the Net TDC of the Proposed Development from this second review.

If this step causes the maximum Developer Fee to be less than the proposed Development's Developer Fee calculated in b.(1) above, the proposed Development's Developer Fee will be reduced to the maximum Developer Fee calculated in this step, and the Net TDC of the Proposed Development will be equally reduced to incorporate the second mandated cost reduction.

This is the final review of the Developer Fee during credit underwriting.

- c. Reviewing the Developer Fee and the Net TDC of the Proposed Development stated in the Final Cost Certification Application Package ("FCCAP")

The Developer Fee and the Net TDC of the Proposed Development may be further adjusted when the FCCAP is processed. Any such adjustments that occur with the FCCAP may cause the maximum Developer Fee allowed for the proposed Development to either increase, as described in (3) below, or decrease, as described in (2) and (4) below. Any increase or decrease to the proposed Development's Developer Fee will cause the Net TDC of the Proposed Development to be equally increased or decreased, respectively.

Before each item below, the stated/updated Developer Fee will be tested to make sure it doesn't exceed the amount determined by multiplying the proposed Development's stated Development Costs by the maximum Developer Fee percentage, rounded down to the nearest dollar.

(1) First Review of the Developer Fee and the TDC of the Proposed Development

Policy when the Developer Fee was not reduced by the process described in b. above

The proposed Development's Developer Fee initially presented in the FCCAP will be tested for compliance with the maximum Developer Fee percentage requirement.

- (a) If the Net TDC of the Proposed Development preliminarily stated in the FCCAP (after any Developer Fee compliance adjustments from above) is less than or equal to the Maximum TDC Component calculated in a. above, no adjustment to the proposed Development's Developer Fee will be required and there will not be a need for the second review.
- (b) If the Net TDC of the Proposed Development preliminarily stated in the FCCAP (after any Developer Fee compliance adjustments from above) is greater than the Maximum TDC Component calculated in a. above there will be a need for the second review process below.

Policy when the Developer Fee was reduced by the credit underwriting process described in b. above

- (c) If the Net TDC of the Proposed Development preliminarily stated in the FCCAP is less than the TDC reported in the final credit underwriting report, the calculations in b. above will be repeated using the Net TDC of the Proposed Development preliminarily stated in the FCCAP. This may result in an increase to the final Developer Fee from the limit imposed at time of credit underwriting during steps b.(1)-(2).
- (d) If the Net TDC of the Proposed Development preliminarily stated in the FCCAP is greater than the Net TDC of the Proposed Development reported in the final credit underwriting report, the Developer Fee stated in the FCCAP is initially capped at the maximum Developer Fee determined in b.(2) above. If the Developer Fee stated in the FCCAP is greater than the maximum Developer Fee determined in b.(2) above, the Developer Fee will be reduced to match the maximum Developer Fee and any reduction in the stated Developer Fee will have a

corresponding reduction in the Net TDC of the Proposed Development. There will be a need for the second review process below.

(2) Second Review of the Developer Fee and the TDC of the Proposed Development

After the applicable step above in c.(1)(b) or c.(1)(d) is complete, the calculations described below will determine the final Developer Fee.

If the Net TDC of the Proposed Development after step (1) above is greater than the Maximum TDC Factor calculated in a. above, the maximum Developer Fee determined in b.(2) above, will be reduced by the lesser of:

- (i) the actual amount that the Net TDC of the Proposed Development exceeds the Maximum TDC Factor,
- (ii) \$350,000, or
- (iii) 10 percent of the Maximum Developer Fee calculated in (b) above.

If the maximum Developer Fee calculated in this step is equal to or greater than the Developer Fee stated in the FCCAP after c.(1) above, there will be no resulting deduction to the stated Developer Fee or the Net TDC of the Proposed Development from this review.

If this step causes the maximum Developer Fee to be less than the Developer Fee stated in the FCCAP after c.(1) above, the stated Developer Fee will be reduced to the maximum Developer Fee calculated in this step, and the Net TDC of the Proposed Development will be equally reduced to incorporate this cost reduction.

A template and training video regarding the Total Development Cost Per Unit Limitation have been made available. A link has been added to the RFA Webpage called “Total Development Cost Per Unit Limitation Information Used In RFAs”. This link will take users to a new webpage with examples of this process, as well as a template, training video, and, for assistance after the review and evaluation process as explained in Section Three, F.2. of this RFA, contact information for available Florida Housing staff.**2. 3. Leveraging Classification

Each Priority 1 Application will be assigned a Leveraging Level 1 – 5, with 1 being the best score, based on the total Corporation SAIL Funding amount per Set-Aside Unit relative to all other Priority 1 Application’s total Corporation SAIL Funding amount using the following methodology.

The total Corporation SAIL Funding amount is calculated only using the Applicant’s Eligible SAIL Base Loan Request. ELI funding, MMRB, and Non-Competitive Housing Credit funding, if applicable, will all be excluded from the following leveraging calculation.

- a. If the Development qualifies for a Housing Credit basis boost, the Eligible SAIL Base Loan Request Amount will be multiplied by 1.15; and
- b. If the proposed Development is located in Broward County, the amount will be multiplied by 0.88; and
- c. If the Applicant has either (i) entered into a land lease with a Public Housing Authority on property where the proposed Development is to be located or the Applicant provided an Option to Enter into a Ground Lease Agreement on property where the proposed Development is to be located; AND the property has an existing Declaration of Trust between the Public Housing Authority and HUD; or (ii) a PHA/instrumentality of a PHA as a Principal, the Application will qualify for the PHA Multiplier and the amount will also be multiplied by 0.93.

Note: More than one of the above may apply. For instance, if a. and b. and c. apply and the Development qualifies for the basis boost, the Eligible SAIL Request will be multiplied by 1.15, then multiplied by 0.88 and then by 0.93.

- d. If the Development consists of any new construction units, the total Corporation funding amount calculated above will also be multiplied by a Leveraging Factor. The Leveraging Factor is calculated as follows:

Development Leveraging Multipliers							
# of new construction units	NC Garden Non-ESS	NC Garden ESS	NC Mid-Rise Non-ESS	NC Mid-Rise ESS	NC High-Rise	NC Other Non-ESS	NC Other ESS
	Combined Dev Type / ESSC Multipliers	x 0.92	x 0.8004	x 0.85	x 0.7395	x 0.7134	x 1.0

Results of multiplication of each category							
--	--	--	--	--	--	--	--

To calculate the Leveraging Factor, the chart above will be used. The number of units for each category stated at 4.d. of Exhibit A will be multiplied by the applicable multiplier. The results of the multiplication will then be added together, then divided by the total number of units in the Development. The result of this calculation is the Leveraging Factor.

The Leveraging Factor is then multiplied by the total Corporation funding amount as calculated in a. – c. above. This result is the total Corporation funding amount used in e. below.

- e. The total Corporation funding amount will then be divided by the number of Set-Aside Units, resulting in the total Corporation funding per Set-Aside Unit.
- f. All Applications will be divided into six lists: (i) the Priority 1 Applications with the Development Category of Rehabilitation or Acquisition and Rehabilitation (“Priority 1 Rehabilitation List”); (ii) the Priority 1 Applications submitted by Self-Sourced Applicants (“Priority 1 Self-Sourced Applicants List”); and (iii) all remaining Priority 1 Applications proposing New Construction (“Priority 1 New Construction List”); (iv) the Priority 2 Applications with the Development Category of Rehabilitation or and Acquisition and Rehabilitation (“Priority 2 Rehabilitation List”); (v) the Priority 2 Applications submitted by Self-Sourced Applicants (“Priority 2 Self-Sourced Applicants List”); and (vi) all remaining Priority 2 Applications proposing New Construction (“Priority 2 New Construction List”).

- (1) The Priority 1 New Construction List will be compiled as follows:

The Applications on the Priority 1 New Construction List will be listed in ascending order beginning with the Application that has the lowest amount of total Corporation SAIL funding per Set-Aside Unit and ending with the Application that has the highest amount. If any Applications have identical total Corporation funding per set-aside unit amounts, the Applications will be further sorted using lottery number, with the HIGHEST (worst) lottery number being listed first.

The total number of Applications on the list will be multiplied by 10 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the “First Leveraging Level Cut-Off”). A line will be drawn below the Application whose place on the list is equal to the First Leveraging Level Cut-Off. If any Applications have identical total Corporation SAIL funding per set-aside unit amounts, the Applications will be further sorted using lottery number, with the HIGHEST (worst) lottery number being listed first.

Applications above the First Leveraging Level Cut-Off will be classified as Leveraging Level 1.

The total number of Applications on the list will be multiplied by 30 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the “Second Leveraging Level Cut-Off”). A line will be drawn below the Application whose place on the list is equal to the Second Leveraging Level Cut-Off.

Applications above the Second Leveraging Level Cut-Off, that are not in Leveraging Level 1 will be classified as Leveraging Level 2. Applications below the Second Leveraging Level Cut-Off will continue with this same process until all eligible Applications have been assigned to one of five leveraging levels (Leveraging Level 1 representing the top 10 percent, Leveraging Level 2 representing the top 30 percent that are not Leveraging Level 1; Leveraging Level 3 representing the top 50 percent that are not Leveraging Level 1 or 2; Leveraging Level 4 representing the top 70 percent that are not Leveraging Level 1, 2 or 3; and Leveraging Level 5 remaining Applications).

- (2) The Applications on the remaining lists described in f. above will also be classified as Leveraging Levels 1 - 5 using the same manner as the Priority 1 New Construction List.

4. Florida Job Creation Funding Preference

Each Application will be measured to determine whether it qualifies for the Florida Job Creation Funding Preference. To determine eligibility for the preference, the Corporation will calculate the Application’s Florida Job Creation score, which will reflect the number of Florida jobs per \$1,000,000 of SAIL funding. To qualify for the Florida Job Creation Funding Preference in Section Five of the RFA, all Applications must earn a Florida Job Creation score equal to or greater than the minimum requirement of 15.50.

Determination of the Florida Job Creation score will be based on the following information:

- The number of new construction and rehabilitation units committed to by the Applicant (as stated by the Applicant in Exhibit A of the RFA);
- The applicable Florida job creation rate for the type of units:
 - Rate of 2.944 Florida Jobs per unit for proposed new construction units;
 - Rate of 1.494 Florida Jobs per unit for proposed rehabilitation units; and
- The Eligible SAIL Base Loan Request Amount (ELI funding will not be included).

The score for the Florida Rate of Job Creation per \$1,000,000 of SAIL funding will be measured using one of the following calculations:

- a. Developments consisting of only new construction units:

Number of new construction units x 2.944 Florida Jobs per unit x 1,000,000 / the Eligible SAIL Base Loan Request Amount = Florida Jobs per \$1,000,000 of SAIL funding.

For example:

Application A consists of 70 new construction units and has an Eligible SAIL Request Amount of \$4,900,000.

$70 \times 2.944 \times 1,000,000 / 4,900,000 =$ Florida Job Creation score of 42.06.

- b. Developments consisting of only rehabilitation units:

Number of rehabilitation units x 1.494 Florida Jobs per unit x 1,000,000 / the Eligible SAIL Base Loan Request Amount = Florida Jobs per \$1,000,000 of SAIL funding.

For example:

Application B consists of 70 rehabilitation units and has an Eligible SAIL Request Amount of \$4,900,000.

$70 \times 1.494 \times 1,000,000 / 4,900,000 =$ Florida Job Creation score of 21.34.

- c. Developments consisting of both new construction and rehabilitation units:

(Number of new construction units x 2.944 Florida Jobs per unit + Number of rehabilitation units x 1.494 Florida Jobs per unit) x 1,000,000 / the Eligible SAIL Base Loan Request Amount = Florida Jobs per \$1,000,000 of SAIL funding.

For example:

Application C consists of 50 new construction units and 20 rehabilitation units and has an Eligible SAIL Base Loan Request Amount of \$4,900,000.

$(50 \times 2.944 + 20 \times 1.494) \times 1,000,000 / 4,900,000 =$ Florida Job Creation score of 36.14.

In above examples, all Applications will qualify for the Job Creation Funding Preference because each has a Florida Job Creation score that is equal to or greater than the minimum required.

5. Fees

Exhibit E – Additional requirements for the Link Units for Persons with Special Needs

The Link to Permanent Housing Strategy (Link) enhances the ability of extremely low income (ELI) households with special needs to access and retain affordable rental housing in their communities. The Corporation requires Developers to provide a specified percentage of a Development's ELI Set-Aside units for special needs households receiving community-based supportive services who are referred by a designated supportive services agency in the community where the Development is located. All Link units must do the following:

I. Link Set-Aside Requirements

With the exception of Developments financed with HUD Section 811 or United States Department of Agriculture RD program, and Applicants that select the Elderly ALF Demographic Commitment, for the entire Compliance Period as specified in both the regulatory agreement and as stated in the RFA, the Development shall set aside the required percentage of the ELI Set-Aside units as Link Units for Persons with Special Needs. At least one member of each Link unit's household shall be referred by a Special Needs Household Referral Agency (Referral Agency) with which the owner executes a Link Memorandum of Understanding (MOU) approved by the Corporation.

II. Link Memorandum of Understanding (MOU)

The Corporation has established and maintains a list of supportive service agencies or organizations serving each county, each of which is designated as a Referral Agency. The current list of designated Special Needs Household Referral Agencies for each county is published on the Corporation's Website under the Quick Links section at <https://www.floridahousing.org/programs/special-needs-housing-overview/serving-special-needs> (also accessible by clicking [here](#)). These agencies are statewide, regional or local organizations that administer community-based supportive services to the populations served by Link.

The MOU is a formal agreement between the owner and a Referral Agency that specifies the intent of the Link Strategy and describes the roles and responsibilities of each party to the MOU. The MOU form to be executed shall be the version most recently provided on the Corporation's website at <https://www.floridahousing.org/programs/developers-multifamily-programs/competitive/link-units-for-persons-with-special-needs-information> (also accessible by clicking [here](#)).

- A. The owner shall execute an MOU with at least one designated Referral Agency serving the county and intended population where the Development will be located and rent units to households referred by the Referral Agency with which the MOU is executed.
- B. As stated in Exhibit D, within nine months of the date of the invitation to enter credit underwriting, submit the fully executed Link MOU for the Corporation's approval. If the owner is unable to meet the deadline, an extension may be requested from the Corporation, and a non-refundable processing fee of \$5,000 shall be charged to the owner.

- C. Prior to execution of the MOU, but not later than 10 Calendar Days before the deadline by which the fully-executed MOU shall be received by the Corporation, the MOU form stipulated in the applicable RFA shall be completed and reviewed by the owner and Referral Agency, and then submitted by the owner to the Corporation for review and preliminary approval.
- D. For Developments with a Housing Assistance Payment contract and/or an Annual Contributions Contract with HUD: The waiting list section of the Tenant Selection Plan shall establish selection preferences or a section for special admissions specifically for individuals or families who are referred by a designated Referral Agency. The Tenant Selection Plan shall be submitted by the owner to the Corporation for review and preliminary approval before sending to HUD. HUD approval may take several months. HUD approval shall be demonstrated to the Corporation prior to the completion of the final credit underwriting report.
- E. Owners that have a Housing Assistance Payment Contract and/or an Annual Contributions Contract with HUD shall maintain a separate waiting list for referred applicants and prioritize these individuals for any available Link units. During and after lease-up, Referral Agency referrals must be moved in first, regardless of chronological order of the general waiting list, until all Link units are occupied with Referral Agency referrals.
- F. After review and preliminary approval of the MOU by the Corporation, and no later than the deadline established in the invitation to enter into credit underwriting, the owner shall provide one original fully-executed hard copy of the MOU to the Corporation. Once approved by the Corporation, the owner shall arrange for a copy of the approved MOU to be maintained on file at the site of the Development's records for compliance monitoring purposes.
- G. When the owner is noncompliant because no Referral Agency that serves the county where the Development is located is available to execute an MOU, the noncompliance shall be held in a correction period status until the earlier of (i) approval by the Corporation of an MOU executed with a new Referral Agency, or (ii) the passage of 45 Calendar Days following placement of a Referral Agency that serves the Development's county onto the Corporation's Referral Agency list.
- H. When a Referral Agency notifies the owner of its intent to terminate an MOU, the owner shall notify the Corporation of the MOU termination by email, at Link@floridahousing.org, within five Calendar Days of receiving the notification from the Referral Agency. The owner shall then select another Referral Agency for the Development's county and obtain approval from the Corporation for the MOU executed with the new Referral Agency no later than 45 Calendar Days after receipt of notification from the prior Referral Agency of its intent to terminate the MOU.
- I. When an owner intends to terminate an MOU, the owner shall repeat the process outlined in all of the steps above to obtain approval from the Corporation for a new MOU executed with another Referral Agency before termination of the prior MOU may become effective.

- J. The Corporation may require the owner to terminate an MOU with a Referral Agency if that partnership is not effective in meeting the intent of the Link Set-Aside Requirement. The owner shall execute another MOU with a new Referral Agency before terminating the MOU. The owner shall follow the process outlined in all of the steps above to obtain approval from the Corporation.

III. Notification of the Availability of Units for Referral of Intended Link Households

- A. The owner shall meet with the chosen Referral Agency to review the Link roles and responsibilities of each party, the household income limitation and other eligibility criteria for tenancy, household move-in expenses and on-going monthly rental payments. The meeting shall be held no less than 45 Calendar Days before the anticipated commencement of any activities related to the leasing of any unit in the Development. The owner shall maintain documentation of the meeting with the Referral Agency and shall provide a copy for review by the Corporation upon its request.
- B. Leasing Activity (Lease-up and Pre-leasing): During leasing activities, the owner shall make all units available for the intended Link households referred by the Referral Agency, until the Development's Link Set-Aside Requirement has been met. If the Development has not met its Link Set-Aside Requirement by the passing of 30 Calendar Days after the last unit is actually available for occupancy, the owner may lease the units to any eligible household. To the extent that an ELI-unit requirement coincides with a Link Set-Aside Requirement, for a period not to exceed nine months, a failure to meet the ELI-unit requirement shall not cause noncompliance during the lease-up or 30 Calendar Day hold period.
- C. Once the Development's leasing activity is completed, a vacant unit formerly occupied by a Link household shall be held open for intended households referred by the Referral Agency for a period of 30 Calendar Days starting from the date the vacated unit is suitable for occupancy and ready to lease. The owner shall notify the Referral Agency that a unit is available on or before the date that the vacated unit becomes suitable for occupancy and ready to lease, but no more than 30 Calendar Days before the unit is anticipated to be ready to lease. The vacated unit shall retain the Link classification until next occupied, at which time the classification of the new household shall be applied to the unit.
- D. When the Development is an Acquisition/Rehabilitation Development that is occupied at the earlier of either loan closing or site acquisition, all units (at any AMI set-aside level) that become available and are suitable for occupancy and ready to lease shall be prioritized for intended households referred by the Referral Agency until the Link requirement has been met.
- E. Communication between the owner and the Referral Agency's designated contact person related to activities in this section shall be conducted via email. Activities that must be conducted by email are as follows:
1. Requests to develop MOU with Referral Agency;
 2. Draft reviews of MOUs between the parties;

3. Final version of executed MOU;
 4. Current contact information for the contact staff designated by the owner and Referral Agency and listed in the MOU;
 5. Notifications of unit availability;
 6. Number of Calendar Days unit will be held open for referrals;
 7. Information about rental policies and eligibility criteria;
 8. Outcome of referrals;
 9. Notifications of issues or concerns that may adversely affect the tenancy of the household; and
 10. Requests for termination of MOU.
- F. The owner shall maintain a Link communication tracking log that documents: (i) the unit number of each offered unit; (ii) the date each unit was suitable for occupancy; (iii) the date of the email notice to the Referral Agency that each unit was available for rent to a Link household, including the dates of required follow up; (iv) date of response from Referral Agency, (v) Referral Agency response, (vi) outcome of referral, and (vii) number of days the unit was held open.
- G. If an owner notifies a Referral Agency that a unit is available and the Referral Agency does not respond, the owner shall contact the Referral Agency at least three times, at intervals of no less than seven Calendar Days, during the 30-day period after the initial notice of unit availability was sent to the Referral Agency. The owner shall document all notification activity on its Link communication tracking log.
- H. The owner shall notify the Referral Agency regarding the outcome of each referral within one business day after a determination is made regarding the household's eligibility to occupy the available unit.
- I. If a referral does not result in occupancy by the referred household, the 30-day holding period shall continue to allow the Referral Agency the opportunity to refer another household. The owner shall follow up with the Referral Agency at intervals of no less than seven Calendar Days during the remainder of the 30-day holding period. The owner shall document all notification activity on its Link communication tracking log.

IV. Link Compliance Monitoring Documentation

- A. The owner shall cause the following documentation to be maintained on file for compliance monitoring purposes. Such documents shall be made available for inspection by Corporation personnel or its monitoring agents at any reasonable time. The owner shall provide copies of such documents, either electronic or paper, to the Corporation within three business days of any request by the Corporation for such copies.

1. A copy of all active MOUs approved by the Corporation;
 2. A copy of all terminated MOUs. Terminated MOUs shall be retained for seven years beyond the period of tenancy for any household referred under the particular MOU;
 3. A copy of any current correction period extensions granted by the Corporation; and
 4. Email communication with the Referral Agency demonstrating timely notification regarding the availability of units for the intended Link household, outcome of each referral, and, when an available unit was not rented to a Link household, the number of days the available unit was held open for intended Link household.
- B. The monthly Program Report submitted to the Corporation by the Development shall reflect the number of Link households residing in an ELI Set-Aside unit.
- C. The Compliance Period committed to in the RFA also includes the units set aside for the Demographic Commitments, which includes the commitments for Link and ELI Households. The affordability period committed to in the RFA includes the units set aside for ELI Households. Although the percentage of units committed to must remain in effect for the entire Compliance Period, the units designated for the Demographic Commitment and AMI commitment must not be limited to the same units throughout the Compliance Period. Doing so may cause the Development to be in non-compliance with Section 42.

Exhibit F - Rehabilitation Scoping Process with a Capital Needs Assessment

The following is the procedure by which the scope of the rehabilitation will be determined for Applicants rehabilitating units as part of the proposed Application. This may include those with the Development Category of New Construction if the plan includes rehabilitation of at least one existing unit.

The Flowchart attached to this Exhibit has been designed to graphically illustrate the steps described below.

1. The Pre-Application Stage (Steps 1-2)

Prior to submitting an Application, Applicants should conduct appropriate due diligence to determine whether it is physically and financially feasible to comply with the minimum requirements contained in Section Four A.8., for proposed Developments with at least one rehabilitation unit. Applicants receiving a preliminary award who are found (through the Capital Needs Assessment and Rehabilitation scoping process further described below) to be unable to meet all of the requirements of Section Four A.8.a. and c. with the sources available for the Rehabilitation will have their preliminary award of funding rescinded.

At the time of Application, Applicants proposing any rehabilitation of units will be required to certify that the contemplated budget and available sources are adequate to meet all requirements outlined in Section Four A.8. of this RFA.

2. The Capital Needs Assessment (CNA) Stage (Steps 3-7)

- a. Once the invitation to Credit Underwriting has been accepted, all Developments with at least one rehabilitation unit shall have a CNA prepared. This may include those with the Development Category of New Construction if the plan includes rehabilitation of at least one existing unit. Due to closing deadlines outlined in Rule Chapters 67-21 and 67-48, F.A.C., the CNA process will run concurrently with the Credit Underwriting process (which includes the market study and PRL, if applicable).
- b. Upon receipt of the credit underwriting fee(s) and the CNA review fee, the Credit Underwriter shall obtain quotes for the CNA, and invoice the Applicant. The CNA shall be ordered by the Credit Underwriter no later than 7 Calendar Days after receiving the CNA fee deposit. The choice of the CNA provider will be left solely up to the Credit Underwriter, and shall be chosen from the Corporation's approved list of qualified providers.
- c. Once the CNA has been ordered, the CNA provider will contact the Applicant to obtain basic information regarding the current physical condition of the property. The Applicant (or designee) shall answer the CNA provider's request for information within 7 Calendar Days of receipt. Further, a physical inspection of the property shall be scheduled to take place between the CNA provider, the Applicant (or designee), the Corporation (if desired) and the Credit Underwriter (if desired), no later than 30 Calendar Days from the ordering of the CNA. No less than 7 Calendar Days prior to the physical inspection, the Applicant shall ensure that original construction plans, if

available, and a history of major repair expenditures covering at least the most recent 5 years, have been delivered to the CNA provider.

- d. At a minimum, the CNA provider will:
- (1) Review available documentation from the original construction and previous rehabilitations and current or planned improvements to the greatest extent possible:
 - Site survey;
 - Appraisals;
 - As-built drawings or record drawings;
 - Previous accessibility surveys;
 - Planned Capital Improvements;
 - Planned maintenance or replacement;
 - Previous reports on Property condition;
 - Existing Physical Deficiencies and pending work;
 - Warranties for construction products, appliances and equipment;
 - Preventative maintenance requirements;
 - Operations and maintenance plans;
 - Maintenance reports and contracts; and
 - Previous repairs, improvements or replacements.
 - (2) Make all appropriate inquiries to obtain and review any relevant information relating to the Property from the local governmental agencies and departments having jurisdiction over the Property. Documentation should include, to the greatest extent possible:
 - Certificates of Occupancy;
 - Inspection records and certificates;
 - Reports of existing building / fire code violations;
 - Reports of existing regulatory, health or zoning violations; and
 - Documentation of ongoing or pending litigation on Physical Conditions of the Property.
 - (3) Interview Applicant's point of contact and/or maintenance staff via a Pre-Site Visit questionnaire (Appendix E of the CNA Guide) to acquire information about preceding or pending repairs, replacements and their costs, level of preventive maintenance exercised;
 - (4) Conduct a review of the expected useful life of all equipment and building components using the Corporation's Estimated Useful Life Tables (Appendix F of the CNA Guide);
 - (5) Physically inspect the property via visual observation unless specified otherwise;

- (6) Develop a 15-year replacement reserve table to be used in Credit Underwriting and post-rehabilitation asset management in the prescribed format indicated in Appendix K of the CNA Guide;
 - (7) Review the Corporation requirements in Section Four A.8. of the RFA; and
 - (8) Consider the Applicant's scope of work preferences. (Note: The CNA provider will use his/her professional judgement in the appropriateness of items included in the Applicant's scope.)
- e. At a minimum, the physical inspection will include:
- (1) All vacant and out-of-service units;
 - (2) At least 25% of all occupied units;
 - (3) All units set aside to meet Section 504 of the Rehabilitation Act of 1973, as outlined in Section Four, A.8.a. of the RFA;
 - (4) At least one unit in each building;
 - (5) At least one unit of each bedroom-size configuration;
 - (6) All common areas; and
 - (7) For scattered sites, at least one unit from each site, but no less than the percentages specified above.
- f. The CNA provider will independently evaluate every aspect of the property including basic development information, evaluation of the Corporation's required construction features (if present), site conditions, building components and systems, amenities and program features and hazardous materials and conditions as indicated in Appendix A of the CNA Guide. The CNA provider should document representative conditions with photographs as prescribed in the CNA Guide and use reasonable efforts to document typical conditions present including material physical deficiencies, if any.
- g. The CNA provider shall also identify any known or observed deficiencies with the property, considering both individual units and common areas. The CNA provider should separately list in the CNA any existing conditions which threaten the life and safety of residents. Immediate needs of this nature should be brought to the attention of the property management, the Credit Underwriter, and the Corporation through the CNA report.
- h. The CNA provider shall conduct an accessibility survey using the format prescribed in Appendix B of the CNA Guide and the FHFC Accessibility requirements outlined in Sections Four A.8.a. and c. of the RFA.
- i. After the inspection and evaluation is complete, the CNA provider will deliver a CNA report to the Credit Underwriter and the Corporation. - (4) A list of and associated costs of **immediate** repair items, critical repair items, deferred maintenance items for needs to be addressed in less than 12 months from the completion of the CNA, required accessibility items, and other items required by Section Four A.8 of the RFA, in a format prescribed in Appendix J of the CNA Guide;
- (5) A list and associated costs of all long-term physical needs between years 1 and 15 from completion of the CNA in a format prescribed in Appendix K of the CNA Guide. The cost estimate will include both current replacement cost and inflation adjusted replacement costs using a 3% annual inflation factor;
- (6) An estimate of the “reserves necessary for replacements”;
- (7) An estimate of the cost of rehabilitation based on one or more of the following sources:
 - (a) Applicant or Owner provided unit costs;
 - (b) Owner’s historical experience costs;
 - (c) Consultant’s cost database or cost files;
 - (d) Commercially available cost information or published commercial data;
 - (e) Third-party cost information from contractors, vendors, or suppliers; and/or
 - (f) Other qualified sources that the Corporation determines appropriate.
- (8) An executive summary as described in section 3.3 of the CNA Guide:

 - (18) Certification of the CNA provider's qualifications and acknowledgments of who prepared the report, when the report was prepared, and for whom the report was prepared.
- j. The CNA provider will confirm that it is **physically** feasible to meet the requirements of Sections Four A.8.a. and A.8.c. of the RFA within the contemplated budget, and provide an estimated cost for meeting those requirements.
 - k. The CNA provider will opine as to the physical and financial feasibility of the inclusion of full-size ranges and ovens in all rehabilitation units. The CNA provider shall include supporting documentation (plan sketch with dimensions, photographs, etc.) that support their conclusion.
 - l. The CNA provider will opine as to the physical and financial feasibility of all of the Green Features required in Section Four A.8.d. of the RFA.
 - m. Where appropriate, the CNA provider will comment on the proportions of physical needs that have resulted from accumulated deferred maintenance, and from ordinary use and decline of a properly maintained property. If, in the CNA provider's expert opinion, the deterioration of the property has been accelerated by poor management practices, that information must be disclosed to the Credit Underwriter and the Corporation.
 - n. The CNA provider will also comment on whether rehabilitation of a particular feature ordinarily requires relocation of the tenant.
3. The Scoping Stage (Steps 8-11)
- a. The CNA provider will complete a draft of the Rehabilitation Scope of Work spreadsheet, utilizing the information gathered from steps 3-7 above and each Rehabilitation Scope of Work must include the measures listed below. The Rehabilitation Scope of Work spreadsheet (rev. 05-2020) is attached to this Exhibit.

 - (3) The replacement of any component of the building or site with an effective remaining useful life, according to the Corporation's Estimated Useful Life Tables (Appendix F of the CNA Guide, of less than 5 years. The CNA will be used to determine which components meet this criterion.
 - (4) The replacement of any component of the building or site with an effective remaining useful life, according to the Corporation's Estimated Useful Life Tables (Appendix F of the CNA Guide, of less than 15 years, if determined appropriate for this rehabilitation and if there is remaining funding available. The CNA will be used to determine which components meet this criterion.
 - (5) Substantially the same scope of work in all units of the same type.
 - (6) Compliance with this Exhibit, the requirements of the applicable RFA, the Florida Administrative Code, and any other Florida Housing guidance upon completion of work.
 - (7) Compliance with applicable Florida building code and local fire code regulations, as well as FHA and ADA requirements upon completion of work.
 - (8) Compliance with all applicable Florida Housing accessibility requirements upon completion of work.
 - (9) Compliance with Uniform Physical Condition Standards (UPCS) upon completion of work.
- b. The CNA Provider will populate the Scope of Rehabilitation Worksheet with the measures identified in the CNA in the following order:
- (1) All Immediate needs noted in the CNA including all deficiencies which threaten health and life safety (Immediate Needs in the template), needs required to conform with applicable Florida building code and local fire code regulations, as well as FHA and ADA requirements;
 - (2) All Critical needs noted in the CNA (Critical Needs in the template);
 - (3) All work required to meet FHFC accessibility requirements (Accessibility Requirement in the worksheet);
 - (4) Any item required in the applicable RFA, or promised by the Applicant at the time of Application (RFA Requirement in the worksheet);
 - (5) Any component of the building or site with an effective remaining useful life of less than 5 years (5 yr Need in the worksheet);

 - (3) Mechanical, electrical, and plumbing systems;
 - (4) Unit improvements including fixtures and finishes;
 - (5) Common area improvements; and
 - (6) Other improvements.
 - d. Once the CNA report is completed by the CNA provider, the report will be sent to the Credit Underwriter and the Corporation, with the draft Rehabilitation Scope of Work spreadsheet, as soon as practicable, but no later than 30 days after the completion of the site inspection.
 - e. Upon receipt of the CNA report and draft Scope of Work, the Credit Underwriter will forward the documents to the Applicant. The Applicant shall then have a 14 Calendar Day review period in which the Applicant may provide addition information and comment on the draft Scope of Work.
 - f. Upon the close of the Applicant's 14 Calendar Day review and comment period, the Credit Underwriter shall have a 7 Calendar Day review period in which the Credit Underwriter may craft opinions and recommendations to the Corporation regarding the Applicant's comments on the draft Scope of Work. At the end of this 7 Calendar Day period, the Credit Underwriter shall submit the CNA report, the draft Scope of Work, the Applicant's comments (on the draft scope) and the Credit Underwriter's opinions and recommendations to the Corporation.
 - g. The Corporation shall review the material provided by the Credit Underwriter to first determine that all of the requirements of Sections Four A.8.a. and c. have been met within available sources for the proposed Rehabilitation of the Development. If the Corporation determines the above requirements cannot be met with available sources, the preliminary award will be rescinded.
4. Credit Underwriting and Beyond (Steps 12–15)
 - a. If the Corporation determines that all of the requirements of Sections Four A.8.a. and c. can be met, and that there are no other issues that would disqualify the Applicant, then the Credit Underwriting process may proceed.

- b. During the Credit Underwriting process, the Corporation will review and approve the final Scope of Work for the project.
- c. Once the Corporation has approved the final Scope of Work for the Development, the Applicant shall develop construction plans and the schedule of values for the Development. These construction plans shall be submitted to the Corporation for review and approval during the credit underwriting process.
- d. As with any funding, the Corporation will conduct a final inspection to verify that all work in the approved Scope of Work has been completed, including delivery of all required features, amenities and measures needed to meet the Corporation's Housing Accessibility Standards.

Exhibit G - Tenant Selection Requirements

A written Tenant Selection Plan must be provided that reflects the requirements described in this Exhibit G.

Tenant Selection Criteria for Extremely Low Income (ELI) Household

Screening criteria for ELI households

The Applicant must adhere to the following tenant selection criteria when evaluating the eligibility of a household applying for tenancy in a unit set aside for Extremely Low Income (ELI) Households:

- Credit History: The credit history related to medical expenses, cable and internet services will not be taken into consideration when conducting credit checks.
- Income Requirement Policy: The household monthly income must not be required to be more than two times the monthly rent. (e.g., If the monthly rent is \$500, the household monthly income will not be required to exceed \$1,000.)
- Evictions: The eviction history look-back period must not be more than 5 years. A household is permitted one eviction during the 5-year look-back period, unless the eviction was due to causing physical harm to development staff, tenants, or intentional property damage.

Tenant application fees and deposits for ELI households

The Applicant must adhere to the following tenant application fees and deposits requirements for a household applying for tenancy in a unit set aside for extremely low income households:

- It is prohibited to charge a fee to a household that is applying for tenancy in a unit that is set aside for extremely low-income households for the purposes of reserving or holding a unit.
- The application for tenancy fee will be no more than \$35 per adult in a household.
- A security deposit for new tenant households will be not more than the amount of one month's rent.

For Development with requirements for Link/Special Needs requirements

The Tenant Selection Plans must include a Preference in their Waiting List section. Owners must create a preference specifically for individuals or families who are referred by a Florida Housing-designated Special Needs Referral Agency. The Tenant Selection Plan must include the following language:

This Development has adopted a preference to house X number of units of the Extremely Low Income (ELI) units within the Development to be set aside for Persons with Special Needs as defined in 420.0004(13) Florida Statutes. These set aside units are known as Link units. These units shall be set aside specifically for individuals or families who are referred by a Florida Housing-designated Referral Agency. The Development must prioritize these referred individuals for an available Link unit.

During and after lease-up, Referral Agency referrals must be moved in first, regardless of chronological order of the general waiting list, until all Link units are occupied with Referral Agency referrals.

- The Tenant Selection Plan shall be submitted by the Applicant to the Corporation for approval within 21 Calendar Days of the date of the invitation to enter credit underwriting.

Properties with HUD assistance, including Project-Based Assistance, Public Housing Agencies, and those administering Public Housing Programs

Properties that have contracts with HUD or Public Housing Authorities' rental assistance programs and also have the Florida Housing Link/Special Needs requirement must handle their waiting list to reflect both HUD and Florida Housing requirements. In order to do this, Florida Housing has determined that establishing an owner-adopted preference with a Florida Housing-designated Special Needs Referral Agency is the correct method for complying with Florida Housing and HUD requirements.

- The Waiting List section of the Tenant Selection Plan must include a preference for Special Needs households that are referred by a Florida Housing-designated Special Needs Household Referral Agency.
- HUD regulations require Tenant Selection Plans that implement preferences to have HUD approval. This is the case if there are new Plans in new properties, as well redevelopment, RAD conversions, or substantially rehabilitated properties.
- If a Development has an existing Tenant Selection Plan, Applicant must amend the Plan. Applicants are required to submit the amended Plan with the preferences to their account manager in the field office. The Plan must be sent to the Corporation for preliminary approval before sending to HUD.

Additional Tenant Selection Criteria for All Households

Screening criteria for all households

The Applicant must adhere to the following tenant selection criteria when evaluating the eligibility of all households applying for tenancy:

- Arrest Record: The arrest record of a household member will not be considered when determining any household's application for tenancy.
- Rental Assistance: For households with publicly funded rental assistance, the income requirement will be based on the household's paid portion of the rent.

Application for Tenancy

Applicant must provide to all interested households a tenancy packet for the Development that includes and prominently places the following information:

- The tenant selection approach and criteria used to evaluate and determine a household's application for tenancy. The criteria under which a household was screened and evaluated, as well as the determination, must be included in each tenant household's file.
- The approach regarding a household's notification and appeal process and timeline if the household's application is rejected or determined ineligible.
- A description of reasonable accommodations or reasonable modifications for persons with disabilities, pursuant to Section 504 of the Rehabilitation Act of 1973. The description shall include accommodations that must be considered by the Development such as physical dwelling unit modifications for greater accessibility and use, as well as individualized assessments of mitigating factors related to a disability that adversely affected a household's credit, eviction, or criminal history. The description shall also include the process for requesting a reasonable accommodation, the determination approach, and decision-making timelines.
- A description of an applying household's or existing tenant's housing protections pursuant to the Violence Against Women Reauthorization Act of 2013 (VAWA). The description will include that applying households may request the Development to conduct an individualized assessment of mitigating factors related to being a victim of domestic violence, dating violence, sexual assault, and stalking that adversely affected the household's credit, eviction, or criminal history.

Notification of Rejection or Ineligibility for Tenancy

The Tenant Selection Plan must describe the process for notification of rejection and ineligibility. The policy must include the following:

- The notification of any household that their application for tenancy was rejected or determined ineligible through a documented process such as a written letter or email to the address provided by the household.
- The notification will be provided to a household within 5 business days from the day the determination is made.
- The notice must include information regarding:
 - The reasons a household's application for tenancy was rejected or determined ineligible.
 - A household's right to appeal the Development's decision, as well as complete instructions regarding how a household may appeal the decision.

Federal Accessibility Requirements

The Tenant Selection Plan must include a statement that the Development meets the following accessibility federal requirements, incorporating the most recent amendments, regulations, and rules:

- The Fair Housing Act as implemented by 24 CFR 100
- Section 504 of the Rehabilitation Act of 1973
- Titles II and III of the Americans with Disabilities Act of 1990 as implemented by 28 CFR 35

Exhibit H – intentionally omitted

Exhibit I – Credit Underwriting Procedures for the NHTF Forgivable Loan

The applicable credit underwriting, program requirements and loan terms and conditions are outlined in Rule Chapter 67-48, F.A.C., for the SAIL loan, and in Rule Chapter 67-21, F.A.C., for the Non-Competitive Housing Credits and, if applicable, the Corporation-issued MMRB loan.

The applicable credit underwriting, program requirements and loan terms and conditions for the NHTF Loan are outlined below.

1. Credit Underwriting Procedures for the NHTF Loan

- a. The invitation to enter credit underwriting constitutes a preliminary commitment for the NHTF Loan.
- b. The credit underwriting for the NHTF Loan will be accomplished along with the credit underwriting for the SAIL Loan. The Credit Underwriter may request additional information at any time during the credit underwriting process for the NHTF Loan.
- c. The Credit Underwriter’s loan recommendations for the NHTF Loan will be sent to the Board for approval at the time the SAIL Loan recommendation(s) are sent.
- d. A firm loan commitment for the NHTF Loan will be issued at the time the firm loan commitment(s) for the SAIL Loan is issued.
- e. The NHTF Loan must close by the deadlines outlined in Rule Chapter 67-48, F.A.C., for the SAIL Loan.
- f. Each Development that is awarded a forgivable NHTF loan shall have the final amount of NHTF loan sized based on the following criteria:
 - (1) The initial amount will be based on providing five units if the proposed Development is located in a Large County and three units if the proposed Development is located in a Small or Medium County. Whereas the 22% Units can float throughout the Development and are not tied to any specific bedroom count, the intended households to be served would most likely align with the smaller bedroom count units, like Zero or one-bedroom units. The amount for each of these units shall equal the NHTF Set-Aside per unit minimums that are dependent upon the county where the proposed Development is located, as outlined on the chart below.

NHTF Set-Aside per unit minimums:

County	NHTF Request per Unit	County	NHTF Request per Unit	County	NHTF Request per Unit
Alachua	\$223,000	Hardee	\$165,300	Okaloosa	\$239,400
Baker	\$221,100	Hendry	\$165,300	Okeechobee	\$165,300
Bay	\$204,700	Hernando	\$223,800	Orange	\$225,700

- (2) If there is NHTF Loan pool funding remaining, then each of the Applications with NHTF Funding will be awarded a pro rata amount of the remaining NHTF loan pool, up to the NHTF Set-Aside per unit Maximum Limits, which are dependent upon the county where the proposed Development is located and the construction type of the proposed Development, as outlined in the chart below. If each of those Applications is awarded the NHTF Set-Aside per unit limit and there is NHTF Loan pool funding remaining, the remaining NHTF Loan pool will be distributed as approved by the Board.

NHTF Set-Aside per unit Maximum Limits

Maximum Subsidy Limits– New Construction Only		
Construction Type	Miami-Dade, Broward, Palm Beach Counties	Remainder of Florida
Garden – Non-ESS	N/A	260,000
Garden – Concrete	\$295,000	\$275,000
Mid-Rise – Non-ESS	N/A	\$275,000
Mid-Rise – Concrete	\$315,000	\$290,000
High-Rise	\$370,000	\$335,000
Add this factor to the all above limits if a development is subject to the requirements of the Davis-Bacon Act		\$5,000

*N/A means the Construction Type is not allowed or is inappropriate for the location.

- (3) If there is not enough NHTF Loan pool funding to provide the NHTF Set-Aside per unit minimums for each Large County Application awarded NHTF Funding to provide five 22% Units and each Small or Medium County Application awarded NHTF Funding to provide three 22% Units, then one 22% Unit will be removed in the sequence below until the total amount of NHTF funding awarded no longer exceeds the NHTF loan pool. If following this sequence creates an amount of total NHTF awards equal to the NHTF loan pool, then the process is completed. If following this sequence creates an amount of total NHTF awards less than the NHTF Loan pool, then a pro rata increase will be awarded as provided in (2) above.
- (a) The Proposed Development from the Small County with the highest amount of NHTF Funding per unit amount, and if two Small Counties are tied with the highest amount of NHTF Funding per unit amount, then the last one selected;
 - (b) The Proposed Development from the Small County with the next highest amount of NHTF Funding per unit amount, and if two Small Counties are tied with the next highest amount of NHTF Funding per unit amount, then the last one selected;
 - (c) The Proposed Development from the Small County with the smallest amount of NHTF Funding per unit amount, and if two Small Counties are tied with the smallest amount of NHTF Funding per unit amount, then the last one selected;
 - (d) Repeating this same sequence with the Medium County first, then Large County Applications that were awarded NHTF Funding.

2. Terms and Conditions of the NHTF Loan

NHTF Loans will be subject to the credit underwriting provisions outlined in Section 1 above and the loan provisions outlined below:

- a. The terms and conditions of the NHTF Loan shall be as follows:
 - (1) The NHTF Loan may be in a first, second, or other subordinated lien position;
 - (2) The NHTF Loan shall:
 - (a) Have the amount based on the funding requirements set forth in this RFA; and
 - (b) Be non-amortizing at 0 percent simple interest per annum over the life of the NHTF Loan, with the principal forgivable at maturity provided the units for which the NHTF Loan amount is awarded are targeted as 22% Units for the first 30 years of the Compliance Period. The minimum term of the NHTF Loan is 30 years; and
 - (c) Up to 33.33 percent of the NHTF award can be used as an operating deficit reserve for operations associated with deeper income targeting for the 22% Units over 30 years.
 - (3) Any sale, conveyance, assignment, or other transfer of interest or the grant of a security interest in all or any part of the title to the Development other than a superior mortgage shall be subject to the Corporation's prior written approval. The Board shall consider the facts and circumstances of each Applicant's request and any credit underwriting report, if available, prior to determining whether to grant such request;
 - (4) The NHTF Loan shall be serviced either directly by the Corporation or by the Corporation's servicer on behalf of the Corporation;
 - (5) The Corporation and the Corporation's servicer shall monitor compliance of all terms and conditions of the loan and shall require that certain terms and conditions be embodied in the Land Use Restriction Agreement and recorded in the public records of the county wherein the Development is located. Violation of any material term or condition of the documents evidencing or securing the loan shall constitute a default during the term of the loan if not appropriately cured. The Corporation shall take appropriate legal action to effect compliance if a violation of any material term or condition relative to the set-aside of units for 22% Units is discovered during the course of compliance monitoring or by any other means;
 - (6) Rent controls for the 22 percent AMI units for which the NHTF Loan is issued shall be restricted at the level applicable for federal Housing Credits;
 - (7) The documents creating, evidencing or securing each NHTF Loan must provide that any violation of the terms and conditions described in this Exhibit to the

RFA constitutes a default under the NHTF Loan documents allowing the Corporation to accelerate its loan and to seek foreclosure as well as any other remedies legally available to it; and

- (8) The Compliance Period committed to in this RFA includes the units set aside at 22 percent AMI as 22% Units. After 30 years, all of the 22% Units may convert to serve residents at or below 60 percent AMI; however, the Persons with Special Needs set-aside commitment must be maintained throughout the entire affordability period.
- b. The NHTF Loan shall be assumable upon sale or transfer of the Development if the following conditions are met:
- (1) The proposed transferee meets all specific Applicant identity criteria which were required as conditions of the original loan;
 - (2) The proposed transferee agrees to maintain all ELI Set-Asides and other requirements of the NHTF Loan for the period originally specified or longer; and
 - (3) The proposed transferee and release of transferor receives a favorable recommendation from the Credit Underwriter and approval by the Board of Directors of the Corporation.

All assumption requests must be submitted in writing to the Director of Special Assets and contain the specific details of the transfer and assumption. In addition to any related professional fees, the Corporation shall charge a non-refundable assumption fee as outlined in this RFA.

- c. NHTF Loan construction disbursements and permanent loan servicing shall be based on the following:
- (1) NHTF Loan proceeds shall be disbursed during the construction phase in an amount per Draw which does not exceed the ratio of the NHTF Loan to the Total Development Cost, unless approved by the Credit Underwriter;
 - (2) Ten (10) business days prior to each Draw, the Applicant shall supply the Corporation's servicer, as agent for the Corporation, with a written request executed by the Applicant for a Draw. The request shall set forth the amount to be paid and shall be accompanied by documentation specified by the Corporation's servicer including claims for labor and materials to date of the last inspection;
 - (3) The Corporation and its servicer shall review the request for a Draw, and the servicer shall provide the Corporation with approval of the request or an alternative recommendation, after the title insurer provides an endorsement to the policy of title insurance updating the policy to the date of the current Draw and increasing the insurance coverage to an amount equal to the sum of all prior Draws and the current Draw;

- (4) The Corporation shall disburse construction Draws through Automated Clearing House (ACH). The Applicant may request disbursement of construction Draws via a wire transfer. The Applicant will be charged a fee of \$10 for each wire transfer requested. This charge will be netted against the Draw amount;
- (5) The Corporation shall elect to withhold any Draw or portion of any Draw, notwithstanding any documentation submitted by the Applicant in connection with the request for a Draw, if:
 - (a) The Corporation or the Corporation's servicer determines at any time that the actual cost budget or progress of construction differs from that as shown on the loan documents; or
 - (b) The percentage of progress of construction of the improvements differs from that shown on the request for a Draw;
- (6) The servicer may request submission of revised construction budgets;
- (7) Based on the Applicant's progress of construction, if the Corporation determines that further analysis by the Credit Underwriter is required prior to the release of the final Draw, the Applicant shall pay to the Credit Underwriter a fee based on an hourly rate determined pursuant to the contract between the Corporation and the Credit Underwriter; and
- (8) Retainage in the amount of 10 percent per Draw shall be held by the servicer during construction until the Development is 50 percent complete. At 50 percent completion, no additional retainage shall be held from the remaining Draws. Release of funds held by the Corporation's servicer as retainage shall occur pursuant to the NHTF Loan Agreement.

3. Additional 22% Unit Requirements

Applicants will be required to comply with the following requirements and provide the following information:

a. General Information Notice

In accordance with the Uniform Relocation Act (URA), as part of 24 CFR Part 92, a Development receiving NHTF funds must provide a notice to all tenants informing them of their rights under the URA in accordance with Chapter 2 of the HUD Handbook 1378*. The proper manner of notice is provided in this Handbook. A copy of each General Information Notice must be provided to each tenant, not just tenants in 22% Units. By the due date outlined in the invitation to enter credit underwriting, the Applicant must provide to the Corporation a copy of each General Information Notice for each occupied unit. Each notice must include proof of delivery by certified letter or by signed copy of the notice when hand delivered.

b. Certification of Consistency with the Consolidated Plan

During the credit underwriting process, the Applicant will be required to provide evidence demonstrating that the proposed Development is consistent with the applicable Consolidated Plan. Developments located in entitlement jurisdictions should request a certification of consistency letter from the appropriate authorities in that jurisdiction (typically, the community development staff). Developments located in non-entitlement jurisdictions (e.g. small non-entitlement cities or unincorporated areas of counties) should request a certification of consistency letter from the state. To request a certification of consistency letter from the state (or if you are not sure which Consolidated Plan applies to the location of your proposed HOME Development), please contact:

c. Other Federal Requirements

(1) Federal Labor Requirements (Davis-Bacon)

Owners of a building or buildings which consist of 12 or more HOME-Assisted Units which are to be constructed or redeveloped by the same contractor under a single contract (including Scattered Site Developments) must comply with the Federal Labor Standards requirements as identified in 24 CFR Part 92 and Rule Chapter 67-48, F.A.C.

Federal Labor Standards require that all persons working on the site be paid an hourly rate not less than the minimum rate specified in the Wage Determination issued by HUD for each particular property. The owner will be required to submit to the Corporation, or its representative servicer, payroll reports and certifications to verify wage payments. Conformance with Labor Standards will be monitored during the construction/redevelopment period in conjunction with the draw inspections by the consulting engineer/architect engaged by the underwriter/servicer. If the Development contains 12 or more HOME-Assisted Units to be redeveloped or constructed under a single contract, the Corporation will require, prior to the start of construction, certification by the Applicant that it has been advised by the Corporation of its responsibilities and obligations regarding the federal labor and wage requirements and that it agrees to comply with the guidelines.

(2) HUD Environmental Requirements

All Applicants awarded NHTF Funding will be required to comply with the HUD environmental requirements as provided in 24 CFR 93.301(f)(1) and (2). Applicants that qualify as Non-Profit Applicants will not be charged a fee for the environmental review.

All Applicants awarded HOME-ARP funds will be required to comply with the HUD environmental requirements as provided in 24 CFR Part 92 and 24 CFR Part 58.

(3) Debarment and Suspension

Owners and contractors are prohibited from employing, awarding contracts, or funding any contractors or subcontractors that have been debarred, suspended, proposed for debarment or placed on ineligibility status by HUD. In addition, any owners who are debarred, suspended, proposed for debarment, or ineligible will be ineligible for funding. Therefore, a certification must be executed by the contractor for compliance with debarment and suspension regulations. During the credit underwriting process the Applicant will be required to provide the executed certification form*.

(4) Lead Based Paint

If the Development was built before 1978, Lead Based Paint Regulations may apply. See 24 CFR Part 35 for exemptions. During the credit underwriting process, the Applicant must certify that it understands the requirements of the current HUD lead based paint regulations as identified in 24 CFR Part 92 and Rule Chapter 67-48, F.A.C.

If the Applicant is purchasing the property and the Development was built before 1978, provide a copy of the executed Disclosure of Information on Lead Based Paint and Lead Based Paint Hazards form*, signed by both the buyer and the seller.

(5) Section 3

The Section 3 program requires recipients of HUD funding to direct employment, training, and contracting opportunities to low-income individuals and the businesses that employ these persons within their community. Section 3 is a provision of the HUD Act of 1968 and is found at 12 U.S.C. 1701u. The regulations are found at 24 CFR Part 75.

Applicants are to ensure “to the greatest extent feasible,” when certain HUD funds are used to assist housing and community development projects, preference for construction-related training, jobs, and contracting opportunities go to low- and very-low income people and to businesses that are owned by low- and very-low income persons or businesses that hire them.

(6) Flood

The Applicant shall comply with the mandatory flood insurance purchase requirements of Section 102 of the Flood Disaster Protection Act of 1973, as amended by the National Flood Insurance Reform Act of 1994, 42 USC 4012a, as applicable.

(7) Historic Preservation

The Applicant shall comply with the Historic Preservation requirements set forth in the National Historic Preservation Act of 1966, as amended, codified in title 54 of the United States Code, as applicable. In general, this requires concurrence from the State Historic Preservation Officer for all rehabilitation and demolition of historic properties that are fifty years old or older or that are included on a Federal, state, or local historic property list.

*Documents can be found on the RFA Webpage.

Exhibit J – Additional Information for the HOME-ARP Loan

The applicable credit underwriting, program requirements and loan terms and conditions for the HOME-ARP Loan are outlined below.

1. Credit Underwriting Procedures for the HOME-ARP Loan

- a. The invitation to enter credit underwriting constitutes a preliminary commitment for the HOME-ARP Loan.
- b. The credit underwriting for the HOME-ARP Loan will be accomplished along with the credit underwriting for the NHTF Loan. The Credit Underwriter may request additional information at any time during the credit underwriting process for the HOME-ARP Loan.
- c. The Credit Underwriter's loan recommendations for the HOME-ARP Loan will be sent to the Board for approval at the time the Active Award recommendation(s) are sent.
- d. A firm loan commitment for the HOME-ARP Loan will be issued at the time the firm loan commitment(s) for the NHTF Loan is issued. The firm loan commitment must be issued within 12 months of the Applicant's acceptance to enter credit underwriting, which may be automatically extended to the next scheduled meeting of the Board of Directors that is after the 12 month deadline. Unless an extension is approved by the Corporation in writing, failure to achieve issuance of a firm loan commitment by the specified deadline shall result in withdrawal of the preliminary commitment. Applicants may request one extension of up to six months, which may be automatically extended to the next scheduled meeting of the Board of Directors that is after the six month extension deadline, to secure a firm loan commitment. All extension requests must be submitted in writing to the program administrator and contain the specific reasons for requesting the extension and shall detail the time frame to achieve a firm loan commitment. In determining whether to grant an extension, the Corporation shall consider the facts and circumstances of the Applicant's request, inclusive of the responsiveness of the Development team and its ability to deliver the Development timely. The Corporation shall charge a non-refundable extension fee of one percent of each loan amount if the request to extend the credit underwriting and firm loan commitment process beyond the initial 12 month deadline is approved. If an approved extension is utilized, Applicants must pay the extension fee not later than seven Calendar Days after the original 12 month deadline. If, by the end of the extension period, the Applicant has not received a firm loan commitment, then the preliminary commitment shall be withdrawn.
- e. The HOME-ARP Loan must close within 120 Calendar Days of the date of the firm loan commitment(s). These deadlines may be automatically extended to the next scheduled meeting of the Board of Directors that is after the 120 Calendar Days deadline. Unless an extension is approved by the Board, failure to close the loan(s) by the specified deadline outlined above shall result in the firm loan commitment(s) being deemed void and the funds shall be de-obligated. Applicants may request one extension of the loan closing deadline outlined above for a term of up to 90 Calendar Days, which may be

automatically extended to the next scheduled meeting of the Board of Directors that is after the 90 Calendar Day extension deadline. All extension requests must be submitted in writing to the program administrator and contain the specific reasons for requesting an extension and shall detail the time frame to close the loan. The Board shall consider the facts and circumstances of each Applicant's request, inclusive of the Applicant's ability to close within the extension term and any credit underwriting report, prior to determining whether to grant the requested extension. The Corporation shall charge an extension fee of one percent of each Corporation loan amount if the Board approves the request to extend the loan closing deadline beyond the 120 Calendar Day period outlined above. If an approved extension is utilized, Applicants must pay the extension fee not later than seven Calendar Days after the original loan closing deadline. In the event the Corporation loan(s) does not close by the end of the extension period, the firm loan commitment(s) shall be deemed void and the funds shall be de-obligated.

The minimum term of the HOME-ARP Loan is 30 years.
 - (3) Any sale, conveyance, assignment, or other transfer of interest or the grant of a security interest in all or any part of the title to the Development other than a superior mortgage shall be subject to the Corporation's prior written approval. The Board shall consider the facts and circumstances of each Applicant's request and any credit underwriting report, if available, prior to determining whether to grant such request;
 - (4) The HOME-ARP Loan shall be serviced either directly by the Corporation or by the Corporation's servicer on behalf of the Corporation;
 - (5) The Corporation and the Corporation's servicer shall monitor compliance of all terms and conditions of the loan and shall require that certain terms and conditions be embodied in the Land Use Restriction Agreement and recorded in

the public records of the county wherein the Development is located. Violation of any material term or condition of the documents evidencing or securing the loan shall constitute a default during the term of the loan if not appropriately cured. The Corporation shall take appropriate legal action to effect compliance if a violation of any material term or condition relative to the set-aside of units for HOME-ARP Units is discovered during the course of compliance monitoring or by any other means;

- (6) Rent controls for the HOME-ARP Units shall be restricted at the level applicable per Section Four, A.2.a.(3) of this RFA;

 - (3) The proposed transferee and release of transferor receives a favorable recommendation from the Credit Underwriter and approval by the Board of Directors of the Corporation.

All assumption requests must be submitted in writing to the Director of Special Assets and contain the specific details of the transfer and assumption. In addition to any related professional fees, the Corporation shall charge a non-refundable assumption fee as outlined in this RFA.

- c. HOME-ARP Loan construction disbursements and permanent loan servicing shall be based on the following:

- (1) HOME-ARP Loan proceeds shall be disbursed during the construction phase in an amount per Draw which does not exceed the ratio of the HOME-ARP Loan to the Total Development Cost, unless approved by the Credit Underwriter;
- (2) Ten (10) business days prior to each Draw, the Applicant shall supply the Corporation's servicer, as agent for the Corporation, with a written request executed by the Applicant for a Draw. The request shall set forth the amount to be paid and shall be accompanied by documentation specified by the Corporation's servicer including claims for labor and materials to date of the last inspection;
- (3) The Corporation and its servicer shall review the request for a Draw, and the servicer shall provide the Corporation with approval of the request or an alternative recommendation, after the title insurer provides an endorsement to the policy of title insurance updating the policy to the date of the current Draw and increasing the insurance coverage to an amount equal to the sum of all prior Draws and the current Draw;
- (4) The Corporation shall disburse construction Draws through Automated Clearing House (ACH). The Applicant may request disbursement of construction Draws via a wire transfer. The Applicant will be charged a fee of \$10 for each wire transfer requested. This charge will be netted against the Draw amount;
- (5) The Corporation shall elect to withhold any Draw or portion of any Draw, notwithstanding any documentation submitted by the Applicant in connection with the request for a Draw, if:

- (6) The servicer may request submission of revised construction budgets;
- (7) Based on the Applicant's progress of construction, if the Corporation determines that further analysis by the Credit Underwriter is required prior to the release of the final Draw, the Applicant shall pay to the Credit Underwriter a fee based on an hourly rate determined pursuant to the contract between the Corporation and the Credit Underwriter; and
- (8) Retainage in the amount of 10 percent per Draw shall be held by the servicer during construction until the Development is 50 percent complete. At 50 percent completion, no additional retainage shall be held from the remaining Draws. Release of funds held by the Corporation's servicer as retainage shall occur pursuant to the HOME-ARP Loan Agreement.

3. Additional HOME-ARP Unit Requirements

Applicants will be required to comply with the following requirements and provide the following information:

a. General Information Notice

In accordance with the Uniform Relocation Act (URA), as part of 24 CFR Part 92, a Development receiving HOME-ARP funds must provide a notice to all tenants informing them of their rights under the URA in accordance with Chapter 2 of the HUD Handbook 1378*. The proper manner of notice is provided in this Handbook. A copy of each General Information Notice must be provided to each tenant, not just tenants in HOME-ARP Units.
