# **Community Development Block Grant — Disaster Recovery to be used in Conjunction with Tax-Exempt Bonds and Non-Competitive Housing Credits in Counties Deemed Hurricane Sally Recovery Priorities**

**Issued By:**

**FLORIDA HOUSING FINANCE CORPORATION**

**Issued: February 5, 2024**

**Due: February 20, 2024**

## SECTION ONE INTRODUCTION

In September 2020, Hurricane Sally made landfall causing devastation in the Florida Panhandle. This Request for Applications (RFA) is open to Applicants proposing the construction of affordable housing utilizing Community Development Block Grant Disaster Recovery (CDBG-DR) funding for Developments in Hurricane Sally impacted counties and based on the available impact criteria and FEMA data. Florida was allocated CDBG-DR funding from the United States Department of Housing and Urban Development (HUD) for award under the Florida Department of Commerce Workforce Affordable Housing Construction Program. The proposed developments must help address the unmet need in the HUD-Designated Most Impacted and Distressed (“HUD-Designated MIDs”), or other areas impacted by the storms and deemed as a priority by the State that are not HUD MIDs (“State-Designated MIDs”).

- HUD-designated MIDs: Escambia and Santa Rosa
- State-designated MIDs: Okaloosa, Walton, Bay

### A. CDBG-DR Funding

Florida Housing Finance Corporation (the Corporation) expects to offer an estimated \$23,750,000 in funding for this RFA. The request amounts are outlined in Section 10 of this agenda.

\$19,000,000 is expected to be awarded to HUD-Designated MIDs. At least \$4,750,000 is expected to be awarded to State-Designated MIDs.

### B. Tax-Exempt Bonds and Non-Competitive Housing Credits (Housing Credit)

Applications of proposed Developments in Okaloosa, Santa Rosa, and Walton Counties must consist of a minimum of 10 units. If a proposed Development consists of 50 units or less, the Application is only eligible for CDBG-DR Funding and not Tax-Exempt Bond Financing or Non-Competitive Housing Credits. If a proposed Development in Okaloosa, Santa Rosa, and Walton Counties consists of at least 50 units, the Application may request either (i) CDBG-DR Funding only; or (ii) utilize Tax-Exempt Bond Financing and Non-Competitive Housing Credits in conjunction with the request for CDBG-DR funding.

Applicants of proposed Developments in Bay or Escambia County must request Tax-Exempt Bond Financing and Non-Competitive Housing Credits. The Applicant will NOT utilize the Non-Competitive Application Package to apply for (i) Corporation-issued MMRB and the Non-Competitive Housing Credits or (ii) Non-Competitive Housing Credits to be used with Non-Corporation-issued Tax-Exempt Bonds (i.e. issued by a Public Housing Authority (established under Chapter 421, F.S.), a County Housing Finance Authority (established pursuant to Section 159.604, F.S.), or a Local Government). Instead, the Applicant is required to apply for the MMRB and/or Housing Credits as a part of its Application for the CDBG-DR funding.

If, prior to the submission of the Applicant’s Application in response to this RFA, the Applicant submits or has already submitted a Non-Competitive Application for the Development proposed in this Application, such previous Non-Competitive Application will not be considered and the

Applicant will be required to request the Corporation-issued MMRB and/or Non-Competitive Housing Credits as a part of this Application request, as outlined above.

If the proposed Development is not selected for funding or if the Applicant's funding award is rescinded, and the Applicant still wishes to receive the MMRB and/or Non-Competitive Housing Credits, the Applicant will be required to submit a new Application for such funding using the Non-Competitive Application Package that is in effect at that time.

Proposed Developments are not eligible for any funding offered in this RFA if the Applicant has already closed on the Tax-Exempt Bond financing prior to the Application Deadline for this RFA. In addition, proposed Developments are not eligible to receive any funding awarded through this RFA if the Applicant closes on the Tax-Exempt Bond financing prior to the issuance of the preliminary commitment for funding awarded in this RFA. If the Bonds are closed between the Application Deadline and issuance of the preliminary commitment, the Applicant's award will be rescinded.

The Corporation is soliciting applications from qualified Applicants that commit to provide housing in accordance with the terms and conditions of this RFA, inclusive of all Exhibits, applicable laws, rules and regulations, and the Corporation's generally applicable construction and financial standards.

## **SECTION TWO DEFINITIONS**

### A. Submission Requirements

#### 1. Application Deadline

The Application Deadline is **3:00 p.m., Eastern Time, on February 20, 2024.**

#### 2. Completing the Application Package

##### a. Downloading and completing the documents provided by the Corporation

Download and complete the following documents found on the RFA Webpage:

- (1) The Application/Development Cost Pro Forma (Exhibit A of the RFA);  
and

- (2) The Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019) (“Principals Disclosure Form”). A Principals Disclosure Form that was approved during the Advance Review Process, which is described in Section Four A.3.c. of the RFA, may be used to satisfy this requirement.

The download process may take several minutes. Applicants should save these documents with a file name that is unique to the specific Application.

b. Creating the All Attachments Document

In addition to the documents described in a. above, the Application Package also includes one copy consisting of all of the applicable completed Attachments described in the RFA (“All Attachments Document”).

Compile all of the attachments described in the RFA into one pdf file separated by pages labeling each Attachment to create the All Attachments Document. This may be accomplished by merging the documents using a computer program such as Adobe Acrobat Pro or by scanning all of the attachments together.

As described in Section Four, B.2., to be awarded 5 points, bookmark the pdf of the All Attachments Document before uploading. It is not necessary to bookmark the individual documents within the Application Package (e.g. the Exhibit A document or the Principal Disclosure Form). Acrobat Standard DC or Acrobat Pro DC are the programs required to create bookmarks. Note: The Corporation has provided instructions on how to bookmark the Attachments as well as sample pages that may be used to separate the attachments on the RFA Webpage. If any of the attachments are not applicable, the Applicant should insert a page stating “Not Applicable” behind the separation page.

3. Uploading the Application Package

To upload the Application Package described in 2.a. above:

- a. Go to the RFA Webpage.
- b. Click the link to login and upload the Application Package. Note: A username and password must be entered. If the Applicant has not previously created a username and password, the Applicant will need to create one prior to the upload process.
- c. After successfully logging in, click “Upload Application Package.” Enter the Development Name and click “Browse” to locate the following completed documents saved on the Applicant’s computer:
  - (1) The Application (Exhibit A) in Excel format;

- (2) The Principals Disclosure form in Excel format. (If the Applicant received an approved Principals Disclosure Form through the Advance Review Process, the approved form is what should be uploaded);
- (3) The All Attachments Document in a pdf format.

The average file size is 1.0 MB and may take a few minutes to upload. Larger files may take longer to upload. There is a file size limit of 15 MB, but this may be reduced without reducing the number of pages submitted. Examples of factors that affect file size include the resolution of the scanner or scanning the documents in color or as a graphic/picture.

- d. After the documents are displayed in the Upload webpage, click “Upload Selected Files” to electronically submit the documents to the Corporation by the Application Deadline. Then the Uploaded Application (consisting of all four documents comprising the Application Package), and its assigned Response Number will be visible in the first column.

For scoring purposes, the Corporation will not consider any documentation beyond the Application Package that is uploaded as described above.

Note: If the Applicant clicks “Delete” prior to the Application Deadline, the Application will no longer be considered a Submitted Application and the Applicant will be required to upload the Application Package again in order for these documents to be considered an Uploaded Application. This will generate a new Response Number.

#### 4. Submitting the Application Fee

##### a. Application Fee

Failure to file a protest within the time prescribed in Section 120.57(3), Fla. Stat., shall constitute a waiver of proceedings under Chapter 120, Fla. Stat.
- F. By submitting this Application, including all applicable attachments thereto, each Applicant agrees to the terms and conditions outlined in the RFA and certifies that:

- (ii) For Applicants requesting Tax-Exempt Bond Financing and Non-Competitive Housing Credits

The Applicant entity shall be the recipient of the Housing Credits, and the borrowing entity for the loan(s) and, if applicable, the MMRB loan, and may only change as follows: Prior to loan closing, any change (materially or non-materially) in the ownership structure of the named Applicant will require review and recommendation of the Corporation, as well as Board approval prior to the change. After loan closing, (i) any material\* change will require review and recommendation of the Credit Underwriter, as well as approval of the Board prior to the change, and (ii) any non-material\* change will require Corporation approval prior to the change. Changes to the Applicant entity (material or non-material\*) without Board or Corporation approval, as applicable, may result in disqualification from receiving funding and may be deemed a material misrepresentation. The Applicant must comply with Principal disclosure requirements outlined in Exhibit H of the RFA and Rule Chapter 67-21, F.A.C. for the duration of the Compliance Period. Changes to the investor limited partner of an Applicant limited partnership or the investor-member of an Applicant limited liability company owning the syndicating interest therein will not result in disqualification; however, if a change to the investor limited partner or investor member is made after the closing of the partnership agreement, the amended agreement reflecting the change must be provided to the Corporation. Changes to the officers or directors of a Public Housing Authority or a non-profit entity, regardless of when they occur, will not result in disqualification; however, the change must be approved by the Corporation. Any allowable replacement to the natural person Principals of a Public Housing Authority or officers and/or directors of a non-profit entity will apply to all preliminarily awarded Applications and Applications pending final Board action that include the Public Housing Authority or non-profit entity.

\*A material change shall mean 33.3 percent or more of the Applicant, a general partner of the Applicant, or a non-investor member of the Applicant, and a non-material change shall mean less than 33.3 percent of the Applicant, a general partner of the Applicant, or a non-investor member of the Applicant.

- (c) The Principals of each Developer identified in the Application, including all co-Developers, may be changed only by written request of an Applicant to Corporation staff and approval of the Corporation after the Applicant has been invited to enter credit underwriting.

d. **General Management Company Information**

Identify the Management Company and complete the prior experience chart for the Management Company or a principal of Management Company demonstrating experience in the management of at least two affordable rental housing properties (i.e., properties funded through an affordable housing program such as Housing Credits, Tax-Exempt Bonds, HOME, SAIL, etc.), at least one of which consists of a total number of units no less than 50 percent of the total number of units in the proposed Development, for at least two years each. Note: The Management Company contact person identified in Exhibit A is not required to be the Principal of the Management Company identified in the Prior General Management Experience Chart.

e. **Contact Person**

- (1) Enter the information for the required Authorized Principal Representative. The Authorized Principal Representative (a) must be a natural person Principal of the Applicant listed on the Principal Disclosure Form; (b) must have signature authority to bind the Applicant entity; (c) must sign the Applicant Certification and Acknowledgement section of Exhibit A; and (d) if funded, will be the recipient of all future documentation that requires a signature.
- (2) A separate Operational Contact Person may be included, if desired. If provided, the Operational Contact Person will be the recipient of any general correspondence associated with the Development activities that does not require a signature. If an Operational Contact Person is not provided, the Authorized Principal Representative will be the recipient of any such documentation.

**4. General Proposed Development Information**

- a. State the name of the proposed Development.
- b. **Development Category**

The proposed Development must be 100 percent new construction. Rehabilitation of existing units is not allowed.

- c. **Characteristics of Development**

## (1) Development Type

Select the Development Type for the proposed Development. For mixed-type Developments, indicate the type that will comprise the majority of the units in the Development.

- Garden Apartments (a building comprised of 1, 2 or 3 stories, with or without an elevator)
- Duplexes
- Quadraplexes
- Townhouses
- Mid-Rise, 4-stories (a building comprised of 4 stories and each residential building must have at least one elevator)
- Mid-Rise, 5 to 6-stories (a building comprised of 5 or 6 stories and each residential building must have at least one elevator)
- High-Rise (a building comprised of 7 or more stories and each residential building must have at least one elevator)

For purposes of determining the number of stories, each floor in the building(s) should be counted regardless of whether it will consist of retail, commercial, parking, utility, or residential.

Note: Any dwelling unit that consists of more than one story, (e.g. Townhouse), is prohibited for Elderly Set-Aside Units. A residential building that consists of more than one story is not prohibited for Elderly Set-Aside Units if there is a minimum of one elevator per residential building provided for all Elderly Set-Aside Units that are located on a floor higher than the first floor.

Also, Group homes, Assisted Living Facilities, and other specialized licensed residential facilities, or units within a condominium complex are not eligible for funding in this RFA.

## (2) Enhanced Structural Systems (“ESS”) Construction Qualifications

To qualify as “Enhanced Structural Systems Construction” or “ESS Construction” for purposes of the Total Development Cost Limitation calculation and the Leveraging calculation, the proposed Development must meet at least one of the specifications listed below.

- (a) Any buildings with the Development Type of High-Rise (7 or more stories) shall qualify as “ESS Construction.”
- (b) All of the following structural elements must consist of 100 percent poured concrete/masonry, 100 percent steel, or a combination adding up to 100 percent of concrete/masonry and steel, as verified during credit underwriting: all exterior walls and other external load-bearing elements, as well as the floor of the lowest story of the building that

contains residential, commercial or storage space (other than parking), and any under-floor/under-ground supports for that lowest story's floor.

- (c) Any buildings with the Development Type of Mid-Rise (4, 5 or 6 story) that utilize a ESS Podium Structure shall qualify as "ESS Construction." New construction buildings of other Development Types that utilize a ESS Podium Structure must meet the requirements in (b) above in order to qualify as "ESS Construction." In this event, the top surface of the podium itself shall be considered to be the floor of the lowest story of the building that contains residential, commercial or storage space (other than parking).

For the purposes of determining "ESS Construction," there is no requirement regarding the materials to be used in the roof of the building.

The term "ESS Podium Structure" shall mean a non-residential support structure underneath the rental units constructed solely of concrete/masonry, steel, or some combination of concrete/masonry and steel together, and where said structure under the rental units must utilize at least 85 percent of the square footage for parking or non-commercial utility/ancillary building uses only. Up to 15 percent of the square footage can be used for other non-residential purposes.

These qualifying criteria specifically exclude face brick or brick veneer from qualifying as ESS Construction for purposes of this RFA unless the proposed Development otherwise meets the requirements in (a), (b), or (c) above.

ESS units must be designated on the Unit Characteristic Chart described below. This will be verified during the credit underwriting process. If this cannot be verified the units will no longer be considered ESS Construction, and funding awarded under this RFA may be rescinded.

- d. Unit Characteristic Chart

Complete the chart in Exhibit A of the RFA reflecting the appropriate breakdown reflecting the number of units within each of the Development Types or ESS/non-ESS Construction.

- e. Applicants must state whether construction has commenced as of Application Deadline. Note: If "Yes", all rules and regulations in 24 CFR Part 92, which includes cross-cutting Federal Regulations, will apply.

## 5. Location of Proposed Development

- a. Indicate the county where the proposed Development will be located.
- HUD-designated MIDs: Escambia and Santa Rosa

- o State-designated MIDs: Okaloosa, Walton, Bay
- b. Provide the Address of the Development site

Indicate (1) the address number, street name, and name of city, and/or (2) the street name, closest designated intersection, and either name of city or unincorporated area of county. If the proposed Development consists of Scattered Sites, this information must be provided for each of the Scattered Sites.

- c. State whether the Development consists of Scattered Sites.

If the proposed Development consists of Scattered Sites, the following conditions must be met:

- (1) A part of the boundary of each Scattered Site must be located within ½ mile of a part of the boundary of the Scattered Site with the most units;
- (2) Site control and Ability to Proceed must be demonstrated in the Application for all Scattered Sites; and
- (3) All Scattered Sites must be located within the same county.

- d. Latitude/Longitude Coordinates

- (1) Provide a Development Location Point stated in decimal degrees, rounded to at least the sixth decimal place. If the proposed Development consists of Scattered Sites, as of Application Deadline the Development Location Point must affirmatively be established on the site with the most units, as outlined in subsection 67-21.002, F.A.C., and latitude and longitude coordinates for each Scattered Site must also be provided.
- (2) If the proposed Development consists of Scattered Sites, for each Scattered Site that is in addition to the Development Location Point information provided in (1) above, provide the latitude and longitude coordinates of one point located anywhere on the Scattered Site. The coordinates must be stated in decimal degrees and rounded to at least the sixth decimal place.

Note: 30.443900, -84.283960 is an example of decimal degrees format, represented to six decimal places.

## **6. Number of Units and Buildings**

- a. State the total number of units that will be in the proposed Development upon completion.

Proposed Developments located in Bay or Escambia County must (i) consist of a minimum of 50 total units and a maximum of 300 total units; and (ii) request Tax-Exempt Bond Financing and Non-Competitive Housing Credits in conjunction with the request for CDBG-DR funding.

Applications of proposed Developments in Okaloosa, Santa Rosa, and Walton must consist of a minimum of 10 units. If a proposed Development in these counties consists of 50 units or less, the Application is only eligible for CDBG-DR Funding and not Tax-Exempt Bond Financing or Non-Competitive Housing Credits. If a proposed Development in these counties consists of at least 50 units, the Application has a maximum of 300 total units and may request either (i) CDBG-DR Funding only; or (ii) utilize Tax-Exempt Bond Financing and Non-Competitive Housing Credits in conjunction with the request for CDBG-DR funding.

The total units include all Set-Aside Units, Manager Units as described in Rule Chapter 67-53, F.A.C., and if applicable, market rate units.

Note: The total number of units stated in the Application may be increased, up to any applicable allowable limit, after the Applicant has been invited to enter into credit underwriting if the number of HOME-Assisted units required by HUD will still be met, subject to written request of an Applicant to Corporation staff and approval of the Corporation.

b. Occupied Units

If there are existing occupied units and if the Development is funded, a plan for relocation of existing tenants will be required to be provided to the Credit Underwriter, as outlined in Exhibit D.

c. Set-Aside Commitments

(1) Minimum Set-Aside Commitments per Section 42 of the IRC

If not requesting MMRB or local bonds with Non-Competitive Housing Credits, select "CDBG-DR only" as the set-aside commitment at question 6.c.(1) of Exhibit A.

For proposed Developments that are requesting MMRB or local bonds with Non-Competitive Housing Credits, per Section 42 of the IRC, elect one of the following minimum set-aside commitments:

- 20% of the units at 50% or less of the Area Median Income (AMI)
- 40% of the units at 60% or less of the AMI
- Average Income Test

Note: Choosing the 20 percent at 50 percent AMI or less minimum set-aside will restrict ALL Set-Aside Units at 50 percent or less of the AMI. Applicants may select the 40 percent at 60 percent AMI or less minimum set-aside without committing to set aside any of the units at the 60 percent AMI level. For example, an Applicant may commit to set aside 40 percent at 50 percent AMI and this would also be considered 40 percent at 60 percent AMI or less.

The Average Income Test requires that (a) forty percent or more of the residential units in the Development be both rent-restricted and occupied by

individuals whose income does not exceed the imputed income limitation designated by the Applicant with respect to the respective unit, subject to the special rules relating to income limitation which (b) require the Applicant to designate the imputed income limitation of each unit taken into account under (a) above, such that the average of the imputed income limitations of all units designated by the Applicant shall not exceed 60 percent of the area median income. The designated imputed income limitation of any such unit shall be in 10-percent increments as follows: 20 percent, 30 percent, 40 percent, 50 percent, 60 percent, 70 percent, or 80 percent of the area median income. The set-aside commitment for the Tax-Exempt Bonds will be 40 percent of the units at 60 percent or less of the AMI.

(2) **Set-Aside Commitments per Corporation Requirements – for all Applications**

The Corporation has additional minimum set-aside requirements which must be reflected on the Total Set-Aside Breakdown Chart, as outlined below:

(a) **Total Income Set-Aside Commitment**

- (i) Income Set-Aside Commitments for proposed Developments that are requesting CDBG-DR only and those that did not select the Average Income Test

100 percent of the units shall be rented to households (person or persons) with incomes at or below 60 percent of the Area Median Income (AMI).

- (ii) Income Set-Aside Commitments for proposed Developments that select the Average Income Test

If the Average Income Test is selected, 100 percent of the Development's total units must be set aside at 80 percent AMI or less, but the Average AMI of the Qualifying Housing Credit Units cannot exceed 60 percent.

\*The Average AMI of the Qualifying Housing Credit Units is further described in (3)(b) below.

(b) **Extremely Low Income (ELI) Set-Aside Units**

- (i) ELI Set-Aside Commitments for proposed Developments that are requesting CDBG-DR only and those that did not select the Average Income Test

At least 10 percent of the total units must be set aside to serve Extremely Low Income (ELI) Households. The requirement to set aside units for ELI Households refers to the ELI Area Median Income (AMI) level for the county where the proposed Development is located, as outlined on the ELI chart in the RFA.

- (ii) ELI Set-Aside Commitments for proposed Developments that select the Average Income Test

If the Average Income Test is selected, at least 15 percent of total units must be set aside to serve ELI Households. The ELI AMI level will be 30%, regardless of county.

If the Set-Aside Breakdown Chart reflects more than the applicable required percentage of the total units at the ELI AMI level for the county where the proposed Development is located, during the credit underwriting process the Credit Underwriter will determine whether the Applicant's ELI Set-Aside unit commitment will need to be reduced by increasing the set aside units at AMI level(s) above the ELI level.

- (c) Link Units for Persons with Special Needs

With the exception of Developments financed with HUD Section 811, a United States Department of Agriculture RD program ("USDA RD"), and Applicants that select the Elderly ALF Demographic Commitment, Applicants must commit to set aside 50 percent of the ELI Set-Aside units as Link Units for Persons with Special Needs.

At least one member of each Link unit's household shall be referred by a Special Needs Household Referral Agency (Referral Agency) with which the owner executes a Link Memorandum of Understanding (MOU) approved by the Corporation. The current list of designated Special Needs Household Referral Agencies for each county is published on the Corporation's Website under the Quick Links section at <https://www.floridahousing.org/programs/special-needs-housing-overview/serving-special-needs> (also accessible by clicking [here](#)). The owner must execute a Link Memorandum of Understanding (MOU) with at least one of the Special Needs Household Referral Agencies serving the Development's county. The deadline for the Corporation's approval of the fully executed Link MOU is outlined in Exhibit D.

For example, Application A consists of 107 total units, but did not commit to Average Income Test. 11 units, (10 percent of the total units, rounded up), must be set-aside as ELI Set-Aside units. Six of the ELI Set-Aside units (50 percent of the ELI Set-Aside units, rounded up), must be set-aside as Link Units for Persons with Special Needs.

In another example, an Applicant submits Application B, which consists of 106 total units, and commits to the Average Income Test. 16 units, (15 percent of the total units, rounded up), must be set-aside as ELI Set-Aside units. Eight of the ELI Set-Aside units (50 percent of the ELI Set-Aside units, rounded up), must be set-aside as Link Units for Persons with Special Needs.

Additional requirements for the Link Units for Persons with Special Needs are described in Exhibit E of the RFA.

(d) Tenant Selection Plan

Unless the Development meets an exception outlined in (i) below, a Tenant Selection Plan must be submitted to the Corporation for approval within 21 Calendar Days of the date of the invitation to enter credit underwriting. The Tenant Selection Plan must be approved by the Corporation and, if required, HUD prior to the completion of the final credit underwriting report.

(i) Exceptions to Tenant Selection Plan requirements

- Developments financed with HUD Section 811;
- Developments financed with a United States Department of Agriculture RD program; or
- Applicants that select the Elderly ALF Demographic Commitment.

All other Applications must achieve Corporation approval and, if required, HUD approval prior to the completion of the final credit underwriting report.

(ii) Achieving Corporation approval

To achieve approval by the Corporation, the Tenant Selection Plan must be submitted by the owner to the Corporation for approval within 21 Calendar Days of the date of the invitation to enter credit underwriting.

The Tenant Selection Plan Guidelines and Tenant Selection Plan Checklist can be found on the webpage <https://www.floridahousing.org/programs/developers-multifamily-programs/competitive> (also available by clicking [here](#)). Exhibit G of the RFA also describes requirements for tenant selection policies.

(iii) Achieving HUD approval, if required

In addition to the Corporation's approval, if HUD approval is required because a Development has a Housing Assistance Payment and/or an Annual Contributions Contract with HUD, HUD approval of the Tenant Selection Plan must be demonstrated to the Corporation prior to the completion of the final credit underwriting report.

HUD's approval process may take several months. Owner's should send the Corporation-approved Tenant Selection Plan to HUD for approval as soon as possible to meet this requirement.

(3) Total Set-Aside Breakdown Chart

Complete the applicable Total Set-Aside Breakdown Chart provided in question 6.c.(2) of Exhibit A.

(a) Completing the Total Set-Aside Breakdown Chart if not committing to the Average Income Test

Indicate on the chart at 6.c.(2)(a) of Exhibit A the percentage of residential units, stated in whole numbers, to be set aside at each selected AMI level for CDBG-DR chart, and if applicable, the Housing Credit chart. If the Total Set-Aside Breakdown Chart reflects that either the Total Set-Aside Percentage or the ELI commitment does not meet the Set-Aside requirements, this Application will not be eligible for funding. If applicable, the MMRB chart will populate automatically to reflect 40 percent of the units at 60 percent AMI because the Average Income Test does not apply to the separate tax-exempt bond set aside requirements under Section 142 of the IRC.

Note: Although there are three Total Set-Aside Breakdown Charts which allows Applicants to have different commitments for the different programs, the most restrictive commitment will be enforced.

Methodology Used by the Corporation to Convert the Percentage of Total Units to Set-Aside Units and, if applicable, Market Rate Units

(i) First, calculate of the number of Set-Aside Units for the lowest AMI level commitment.

The percentage associated with the lowest AMI level that the Applicant commits to will be multiplied by the total units, rounded up to the next whole unit. The result will be the number of Set-Aside Units at the lowest AMI level commitment.

(ii) Then, calculate the number of Set-Aside Units for the second lowest AMI level.

The percentage associated with the second lowest AMI level that the Applicant commits to will be first added to the percentage associated with the lowest AMI level commitment. These percentages, added together, will be multiplied by the total units, rounded up to the next whole unit.

The number of units calculated in (i) above will be subtracted from the result to calculate the number of Set-Aside Units at the second lowest AMI level commitment.

- (iii) Then, calculate the number of Set-Aside Units for each remaining AMI level, if applicable.

Starting with the third lowest AMI level remaining, the number of Set-Aside Units for each of the remaining AMI levels will be calculated using the same methodology described in (ii) above.

- (iv) Finally, calculate market-rate units, if applicable

To calculate the number of market-rate units, the total number of Set-Aside Units will be subtracted from the total number of units.

- (b) Completing the Total Set-Aside Breakdown Chart if committing to the Average Income Test

If committing to the Average Income Test, Applicants must indicate on the chart at 6.c.(2)(b) of Exhibit A the number of Set-Aside Units, stated in whole numbers, to be set aside at each selected AMI level.

The Corporation will verify that the number of units set aside at the ELI level meets the ELI minimum requirements by dividing the number of units that are set-aside at 30 percent AMI, or less, by the total number of units. The Corporation will also verify the overall Set-Aside Commitment of all units by adding all Set-Aside Units and then dividing this sum by the total number of units. Exhibit A provides a calculation of the Average AMI of the Qualifying Housing Credit Units using the methodology below.

Note: After entering the number of units into Exhibit A, the percentage of total units is calculated, which may reflect numbers represented with decimal places instead of whole numbers. This is acceptable for the Average Income Test calculation.

If the Total Set-Aside Breakdown Chart reflects that the Average AMI of the Qualifying Housing Credit Units exceeds 60 percent, and/or if the number of Set-Aside Units set aside at 30 percent AMI, or less, is not equal to or greater than the required ELI commitment, and/or the overall Set-Aside Commitment requirement is not met, this Application will not be eligible for funding.

Calculation of the Average AMI of the Qualifying Housing Credit Units for the Average Income Test

- (i) First, state the total number of Set-Aside Units at each AMI commitment.
- (ii) Then, at each AMI commitment, multiply the number of Set-Aside Units by the AMI percentage (e.g., a commitment of 13 Set-Aside Units at 30 percent AMI would be calculated as follows:  $13 \times 0.30 = 3.9$ ).
- (iii) Repeat this calculation at each AMI level. Then add the results together.
- (iv) Divide the number calculated in (iii) by the total number of Set-Aside Units stated in (i).
- (v) This number must be equal to or less than 60 percent to meet the eligibility requirement. If the Average AMI of the Qualifying Housing Credit Units exceeds 60 percent, this Application will not be eligible for funding.

Where reasonably possible, keep the unit mix consistent across each committed AMI level.

The above ELI and all other set-aside commitments must be taken into account during any pre-leasing and leasing activities.

d. Unit Mix

(1) Completing the Unit Mix Chart

Complete the Unit Mix Chart listing the total number of bedrooms per unit, the total number of bathrooms per unit (including half-baths, if applicable) and the total number of units per bedroom type. All units in the proposed Development must be listed, including all manager/employee units and all market rate units, if applicable. All units in the proposed Development must be listed, including all manager/employee units and all market rate units, if applicable. Units may have no more than four bedrooms.

Note: If the ELI Set-Aside units are not proportionally distributed across the unit mix, the Corporation will redistribute the ELI Set-Aside units as needed.

(2) Unit Mix requirements

- (a) If the Elderly Demographic Commitment is selected, at least 50 percent of the total units must be comprised of one bedroom or Zero Bedroom Units, and no more than 15 percent of the total units can be larger than two-bedroom units.
- (b) If the Family Demographic Commitment is selected, not more than 25 percent of the total units in the Development may consist of Zero Bedroom units.

e. Number of Buildings

State the anticipated number of residential buildings.

The number of residential buildings stated in the Application may be changed only by written request of an Applicant to Corporation staff after the Applicant has been invited to enter credit underwriting.

f. Compliance Period

All Applicants are required to set aside the units for 50 years.

In submitting its Application, the Applicant knowingly, voluntarily and irrevocably commit to waive, and do hereby waive, for the duration of the 50-year set aside period, the option to convert the Development to market rate, including any option or right to submit a request for a qualified contract, after year 14, and any other option, right or process available to the Applicant to terminate (or that would result in the termination of) the 50-year set aside period at any time prior to the expiration of its full term.

Demographic Commitments: The Compliance Period committed to in this section includes the units set aside for the Demographic Commitments made in this RFA, which includes the commitments for Link Units.

The Persons with Special Needs set-aside commitment must be maintained throughout the entire Compliance Period.

Although the percentage of units committed to must remain in effect for the entire Compliance Period, the particular units designated for the Demographic Commitment and AMI commitment must not be limited to the same units throughout the Compliance Period. Doing so may cause the Development to be in noncompliance.

**7. Readiness to Proceed**

a. Site Control

Demonstrate site control by providing, as **Attachment 6** to Exhibit A, the documentation required in Items (1), (2), and/or (3), as indicated below, demonstrating that it is a party to an eligible contract or lease, or is the owner of the subject property. Such documentation must include all relevant intermediate contracts, agreements, assignments, options, conveyances, intermediate leases, and subleases. If the proposed Development consists of Scattered Sites, site control must be demonstrated for all of the Scattered Sites.

Note: The Corporation has no authority to, and will not, evaluate the validity or enforceability of any site control documentation.

(1) Eligible Contract

An eligible contract must meet all of the following conditions:

- (a) It must have a term that does not expire before May 31, 2024 or that contains extension options exercisable by the purchaser and conditioned solely upon payment of additional monies which, if exercised, would extend the term to a date that is not earlier than May 31, 2024;
- (b) It must specifically state that the buyer’s remedy for default on the part of the seller includes or is specific performance;
- (c) The Applicant must be the buyer unless there is an assignment of the eligible contract, signed by the assignor and the assignee, which assigns all of the buyer's rights, title and interests in the eligible contract to the Applicant; and
- (d) The owner of the subject property must be the seller, or is a party to one or more intermediate contracts, agreements, assignments, options, or conveyances between or among the owner, the Applicant, or other parties, that have the effect of assigning the owner’s right to sell the property to the seller. Any intermediate contract must meet the criteria for an eligible contract in (a) and (b) above.

(2) Proof of Ownership through a recorded document such as a Deed or Certificate of Title

The documentation must be recorded in the county in which the property is located and show the Applicant as the sole Grantee.

(3) Lease

- (a) If providing a lease, the lease must have an unexpired term of at least 50 years after the Application Deadline and the lessee must be the Applicant. The owner of the subject property must be a party to the lease, or a party to one or more intermediate leases, subleases, agreements, or assignments, between or among the owner, the Applicant, or other parties, that have the effect of assigning the owner’s right to lease the property for at least 50 years to the lessee.
- (b) If there is an existing Declaration of Trust recorded on the subject property, the Applicant may provide an Option to Enter into a Ground Lease Agreement (“eligible agreement”) between the Applicant and the owner of the property. An eligible agreement must meet the following conditions:
  - (i) It must have a term that does not expire before May 31, 2024 or that contains extension options exercisable by the Applicant and conditioned solely upon payment of additional monies

which, if exercised, would extend the term to a date that is not earlier than May 31, 2024;

- (ii) The Applicant must be a party to the eligible agreement unless there is an assignment of the eligible agreement, signed by the assignor and the assignee, which assigns all of the lessor's rights, title and interests in the eligible agreement to the Applicant; and
- (iii) The owner of the subject property must be a party to the eligible agreement, or is a party to one or more intermediate contracts, agreements, assignments, options, or conveyances between or among the owner, the Applicant, or other parties, that have the effect of assigning the owner's right to lease the property to the lessor. Any intermediate agreement must meet the criteria for an eligible agreement in (i) and (ii) above.

b. Ability to Proceed

The Ability to Proceed forms demonstrating zoning, water, sewer/package treatment/septic tank are not required to be submitted until credit underwriting; however, one of the qualifications for the Previous Submission Funding Preference is to demonstrate the following Ability to Proceed elements as of Application Deadline, for the entire proposed Development site, including all Scattered Sites, if applicable, as outlined below by submitting these forms as part of the Application submission.

Florida Housing Ability to Proceed Verification forms are provided on the RFA Webpage. Note: The Applicant may include the Florida Housing Ability to Proceed Verification forms that were included in a previous RFA submission for the same proposed Development, provided (i) the form(s) used for this RFA are labeled Form Rev. 07-2022, (ii) the forms are dated within 12 months of the Application Deadline, (iii) none of the information entered on the form and certified to by the signatory has changed in any way, and (iv) the requirements outlined in this RFA are met. If the Applicant provides any prior version of the Florida Housing Ability to Proceed Verification form(s), the form(s) will not be considered.

- (1) Appropriate Zoning. Demonstrate that as of the Application Deadline the entire proposed Development site is appropriately zoned and consistent with local land use regulations regarding density and intended use or that the proposed Development site is legally non-conforming by providing, as **Attachment 7** to Exhibit A, the applicable properly completed and executed verification form:
  - (a) The Florida Housing Finance Corporation Local Government Verification that Development is Consistent with Zoning and Land Use Regulations form (Form Rev. 07-2022); or

- (b) The Florida Housing Finance Corporation Local Government Verification that Permits are Not Required for this Development form (Form Rev. 07-2022).
- (2) Availability of Water. Demonstrate that as of the Application Deadline water is available to the entire proposed Development site by providing as **Attachment 8** to Exhibit A:
- (a) The properly completed and executed Florida Housing Finance Corporation Verification of Availability of Infrastructure – Water form (Form Rev. 07-2022); or
  - (b) Documentation from the water service provider that contains the Development location and the number of units and is dated within 12 months of the Application Deadline. The documentation may not be signed by the Applicant, by any related parties of the Applicant, by any Principals or Financial Beneficiaries of the Applicant, or by any local elected officials.
- (3) Availability of Sewer. Demonstrate that as of the Application Deadline sewer capacity, package treatment or septic tank service is available to the entire proposed Development site by providing as **Attachment 9** to Exhibit A:
- (a) The properly completed and executed Florida Housing Finance Corporation Verification of Availability of Infrastructure – Sewer Capacity, Package Treatment, or Septic Tank form (Form Rev. 07-2022); or
  - (b) Documentation from the waste treatment service provider that contains the Development location, the number of units, and is dated within 12 months of the Application Deadline. The documentation may not be signed by the Applicant, by any related parties of the Applicant, by any Principals or Financial Beneficiaries of the Applicant, or by any local elected officials.

## 8. Construction Features

All units are expected to meet all requirements as outlined below. The quality of the construction features committed to by the Applicant is subject to approval of the Board of Directors.

All features and amenities committed to and proposed by the Applicant that are not unit-specific shall be located on each of the Scattered Sites, or no more than 1/16 mile from the Scattered Site with the most units, or a combination of both.

- a. Federal Requirements and State Building Code Requirements for all Developments

All proposed Developments must meet all federal requirements and state building code requirements, including the following, incorporating the most recent amendments, regulations and rules:

- Florida Accessibility Code for Building Construction as adopted pursuant to Section 553.503, Florida Statutes;
- The Fair Housing Act as implemented by 24 CFR 100;
- Section 504 of the Rehabilitation Act of 1973\*; and
- Titles II and III of the Americans with Disabilities Act of 1990 as implemented by 28 CFR 35.

The above documents are available on the RFA Webpage.

\*All Developments must comply with Section 504 of the Rehabilitation Act of 1973, as implemented by 24 CFR Part 8 (“Section 504 and its related regulations”). All Developments must meet accessibility standards of Section 504. **10. Funding**

a. Corporation Funding

(1) Total CDBG-DR Request Amount

The maximum CDBG-DR Loan Request Amount is limited to the lesser of the following:

- (a) \$7,000,000 per Development; or
- (b) Per unit limit based on bedrooms per unit:

Per Unit FHFC Maximum Subsidy Limits					
	0 BR	1BR	2 BR	3 BR	4BR

- (a) The Applicant must state the anticipated amount of Housing Credits it is requesting (“Applicant’s Housing Credit Request Amount”).

The 4% Housing Credit Request Amount is not subject to a request limit; however, if the Applicant states an amount that is not a whole dollar amount, the Corporation will round the amount down to a whole dollar amount.

- (b) Declaration as First Phase of a Multiphase Development

To declare this proposed Development as the first phase of a multiphase Development, the question in Exhibit A must be answered “Yes” and at least one building must be located within the HUD-designated DDA or HUD-designated QCT stated in Exhibit A.

During the credit underwriting process, an opinion letter must be submitted to the Corporation by a licensed attorney that the

Development meets the definition of a “multiphase project” as defined in the Federal Register related to the Statutorily Mandated Designation of Difficult Development Areas and Qualified Census Tracts for the applicable year. The letter must also include: (i) the name of the declared first phase Development and the Corporation-assigned Application number, (ii) the total number of phases and the projected Development name for each phase, (iii) the total number of buildings in each phase, (iv) the expected completion date for each phase, and (v) any other information as determined by the Corporation and stated in the invitation to enter credit underwriting.

To qualify for the basis boost, subsequent phases must meet the requirements in (c)(i) below.

(c) Basis Boost Qualifications

With regard to Housing Credits, HUD provides regulatory guidance on the effective date of Difficult Development Area (DDA) and Qualified Census Tract (QCT) lists for the purpose of determining whether a Development qualifies for an increase in eligible basis in accordance with Section 42(d)(5)(B) of the IRC. HUD’s notice published on the webpage <https://www.huduser.gov/portal/datasets/qct.html> (also available by clicking [here](#)) governs the eligibility for a basis boost for the Development proposed in this RFA.

(i) Complete application for Non-Corporation-Issued Tax-Exempt Bonds submitted in a previous year

The increase in eligible basis related to non-competitive housing credits is initially tied to the submission of a complete application to the bond-issuing agency.

If the Applicant is applying for Corporation-issued MMRB in this application, the HUD criteria used to determine eligibility will be the current calendar year criteria. If the Applicant is utilizing Non-Corporation-issued Tax-Exempt Bonds, the Corporation will need to utilize the qualifying criteria tied to when the complete application was submitted to the agency issuing the County HFA-issued Tax Exempt Bonds. If applicable, provide a response to the question asking for the calendar year of the County HFA-issued Tax Exempt Bond application (current year or prior year).

If the Applicant is requesting Non-Competitive Housing Credits that will be used with County HFA-issued Tax-Exempt Bonds and the Applicant indicates that the

proposed Development is eligible for the basis boost, during the credit underwriting process the Applicant will be required to provide a letter certifying the date the bond application was deemed complete, as outlined in Exhibit D.

(ii) Subsequent Phase of a Multiphase Development

For purposes of this RFA, a subsequent phase of a multiphase Development is one where the first phase was located within a HUD-designated DDA or HUD-designated QCT and appropriately identified as such, and received an award of Housing Credits (“initial award”) in one of the following: (i) the 2011 Universal Application Cycle, (ii) a Request for Proposal or Request for Application (“RFP” or “RFA”) issued in calendar year 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022 or (iii) a Non-Competitive Housing Credit Application (awarded through a Corporation competitive RFA process or a Non-Corporation Bond issuer’s competitive application).

For the subsequent phase to be eligible for the basis boost, after the initial award, (A) the Applicant must have submitted an Application for Housing Credits in immediately consecutive years, per the HUD requirements, (B) the 730-day period following the initial award must not end prior to the submission deadline for the Corporation’s competitive RFA or a Non-Corporation Bond issuer’s competitive application, per HUD’s requirements, and (C) the subsequent phase must have at least one building located within the boundary of the declared HUD-designated DDA or HUD-designated QCT which applied to the Development declared as the first phase by the first phase Applicant.

If the proposed Development qualifies as a subsequent phase of a multiphase Development, indicate as such in Exhibit A and provide the Corporation-assigned Application number for the Development where the first phase was declared and awarded an allocation of Housing Credits.

The proposed Development’s subsequent phase status will be confirmed during the credit underwriting process. If it is determined that the proposed Development does not meet the criteria to be designated a subsequent phase of a multiphase Development and the Housing Credit request was based on such contention, it will no longer be considered a subsequent phase of a multiphase Development.

## (iii) HUD-designated Small Area DDA (SADDA)

A proposed Development will be eligible for the basis boost if located within a HUD-designated Small Area DDA (SADDA), as defined in Section 42(d)(5)(B)(iii), IRC. The SADDA designation will only apply to the building(s) located within the applicable SADDA Zip Code Tabulation Area (ZCTA) and only those building(s) will be eligible for the basis boost.

HUD has assigned a ZCTA number to each SADDA, available on the webpage

<https://www.huduser.gov/portal/datasets/qct.html> (also available by clicking [here](#)). The applicable HUD mapping software is available at

[https://www.huduser.gov/portal/sadda/sadda\\_qct.html](https://www.huduser.gov/portal/sadda/sadda_qct.html) (also available by clicking [here](#)).

To qualify, identify, in Exhibit A, the ZCTA number(s) for the proposed Development.

During credit underwriting and at the time of Final Cost Certification, if it is determined that there are buildings located outside of the applicable SADDA ZCTA, the Corporation reserves the right to reduce the Housing Credit Allocation if the eligible basis for the building(s) located in the applicable SADDA ZCTA is not sufficient to support the request amount.

## (iv) HUD-designated Non-Metropolitan DDA

The proposed Development will be eligible for the basis boost if the Development county, as stated in Exhibit A, is located within a HUD-designated non-metropolitan DDA as defined in Section 42(d)(5)(B)(iii), IRC. The HUD-designated non-metropolitan DDAs are available on the webpage <https://www.huduser.gov/portal/datasets/qct.html> (also available by clicking [here](#)).

## (v) HUD-designated QCT

The proposed Development will be eligible for the basis boost if the entire Development is located, as of Application Deadline, within a HUD-designated QCT, as defined in Section 42(d)(5)(B)(ii), IRC, as amended and based on the current census, as determined by HUD.

The HUD-designated QCTs are available on the webpage <https://www.huduser.gov/portal/datasets/qct.html> (also available by clicking [here](#)).

To qualify, indicate the HUD-designated QCT census tract number.

(d) Housing Credit Equity Proposal

A Housing Credit equity proposal must be provided as **Attachment 10**. For purposes of this RFA, to be counted as a source, an equity proposal, regardless of whether the documentation is in the form of a commitment, proposal, term sheet or letter of intent, must meet the requirements set out below:

- (i) If the Eligible Housing Credit Request Amount is less than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing and the maximum amount of Housing Credit equity to be permitted in the Development Cost Pro Forma will be adjusted downward from the amount stated in the equity proposal. This adjusted maximum Housing Credit equity will be calculated by taking the total amount of equity to be provided to the proposed Development as stated in the equity proposal letter, dividing it by the credit allocation stated in the equity proposal and multiplying that quotient by the Applicant's Eligible Housing Credit Request Amount. If the Eligible Housing Credit Request Amount is greater than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing and the maximum amount of Housing Credit equity to be permitted in the Development Cost Pro Forma will be the amount stated in the equity proposal.
- (ii) If syndicating/selling the Housing Credits, the Housing Credit equity proposal must meet the following criteria:
- Be executed by the equity provider;
  - Include specific reference to the Applicant as the beneficiary of the equity proceeds;
  - State the proposed amount of equity to be paid prior to construction completion;
  - State the anticipated Housing Credit Request Amount;
  - State the anticipated dollar amount of Housing Credit allocation to be purchased; and

If the limited partnership agreement or limited liability company operating agreement has closed, the closed agreement must be provided. To be counted as a source of financing, the partnership agreement or operating agreement must meet the requirements above or submit separate documentation, signed by the equity provider, expressly stating any required criteria not provided in the agreement.

- (iii) If not syndicating/selling the Housing Credits, the owner's commitment to provide equity must be provided. The commitment must include the following information and evidence of ability to fund must be provided as **Attachment 10** to the Application:

There is no requirement to include any documentation regarding the MMRB in the Application. The necessary documentation that will be required after the Applicant is invited to enter credit underwriting is outlined in Exhibit D.

- (b) County HFA-issued Tax-Exempt Bonds

- (i) Provide, as **Attachment 11** to Exhibit A, a letter, executed by the chair or vice chair of the governing body, mayor, or deputy mayor, city manager or assistant city manager, county manager/administrator/coordinator or assistant county manager/administrator/coordinator, executive director or

Applicants are not eligible to apply for any funding offered in this RFA if the Applicant has already closed on the Tax-Exempt Bond financing prior to the Application Deadline for this RFA. In addition, proposed Developments are not eligible to receive any funding awarded through this RFA if the Applicant closes on the Tax-Exempt Bond financing prior to the issuance of the preliminary commitment. As part of the Applicant's acceptance of the invitation to enter credit underwriting (i.e., the preliminary commitment), the Applicant will be required to confirm that the Bonds have not closed. If the Bonds are closed between the Application Deadline and issuance of the preliminary commitment, the Applicant's award will be rescinded.

- (i) Include the funding amount at the USDA RD 538 Financing line item on the Development Cost Pro Forma (Construction/Rehab Analysis and/or Permanent Analysis); and
  - (ii) Provide the letter sent to the Applicant by an RD 538 approved lender certifying that the lender is prepared to make a loan consistent with the program requirements through the Section 538 Guaranteed Rural Rental Housing (“538”) Loan Program as **Attachment 12** to Exhibit A. The U.S. Department of Agriculture, Rural Development (RD), list of Section 538

Guaranteed Rural Rental Housing approved lenders is available on the RFA Webpage.

As outlined in Exhibit D, the Section 538 Selection letter from RD must be provided during credit underwriting.

(2) Non-Corporation Funding Proposals

Unless stated otherwise within this RFA, for funding, other than Corporation funding and deferred Developer Fee, to be counted as a source on the Development Cost Pro Forma, provide documentation of all financing proposals from both the construction and the permanent lender(s), equity proposals from the syndicator, and other sources of funding. The financing proposals must state whether they are for construction financing, permanent financing, or both, and all attachments and/or exhibits referenced in the proposal must be provided as **Attachment 13** to Exhibit A.

For purposes of the Application, the following will not be considered a source of financing: net operating income, capital contributions not documented in accordance with financing proposals that are not from a Regulated Mortgage Lender, fee waivers or any portion of any fees that are reimbursed by the local government. Additionally, fee waivers or any portion of any fees that are reimbursed by the local government cannot be considered as Development costs.

(a) Financing Proposal

Financing proposal documentation, regardless of whether the documentation is in the form of a commitment, proposal, term sheet, or letter of intent, must meet the following criteria.

Each financing proposal shall contain:

- Amount of the construction loan, if applicable;
- Amount of the permanent loan, if applicable;
- Specific reference to the Applicant as the borrower or direct recipient; and
- Signature of lender.

Note: Eligible Local Government financial commitments (i.e., grants and loans) can be considered a source of financing without meeting the requirements above if the Applicant provides the properly completed and executed Local Government Verification of Contribution – Grant Form (Form 07-2022) and/or the Local Government Verification of Contribution – Loan Form (Form 07-2022) and such grant and/or loan is effective at least through June 30, 2023. A loan with a forgiveness provision (and no accrued interest charges) requiring approval of the Local Government can

be treated as a loan or a grant, for scoring purposes. Either the "Loan" or the "Grant" verification forms can be used. The grant and loan forms (Form 07-2022) are available on the RFA Webpage. If the loan form is used for a loan with forgiveness provision (and no accrued interest charges), the space for entering the net present value of the loan is not applicable to this RFA and will not be considered.

(b) Financing that has closed:

(i) For any financing other than Tax-Exempt Bond financing\*, if the financing has closed in the Applicant's name, provide a letter from the lender acknowledging that the loan has closed. The letter must also include the following information:

- Amount of the construction loan, if applicable;
- Amount of the permanent loan, if applicable; and
- Specific reference to the Applicant as the borrower/direct recipient/mortgagee.

\*As stated in Section One and Section Four A.10.a. of the RFA, proposed Developments are not eligible to apply for any funding offered in this RFA if the Applicant has already closed on the Tax-Exempt Bond financing prior to the Application Deadline for this RFA. In addition, proposed Developments are not eligible to receive any funding awarded through this RFA if the Applicant closes on the Tax-Exempt Bond financing prior to the issuance of the preliminary commitment for the SAIL funding. As part of the Applicant's acceptance of the invitation to enter credit underwriting (i.e., the preliminary commitment), the Applicant will be required to confirm that the Bonds have not closed. If the Bonds are closed between the Application Deadline and issuance of the preliminary commitment, the Applicant's award will be rescinded.

(ii) Except for HUD and RD funding, if the financing involves an assumption of debt not currently in the Applicant's name, as evidence that the lender approves of the proposal of assumption, provide a letter from the lender, dated within six months of the Application Deadline, that includes the following information:

- Specifically references the Applicant as the assuming party;
- If a permanent loan, states the amount to be assumed; and
- If a construction loan, states the maximum amount of funding capacity.

If the debt being assumed is provided by HUD, provide a letter from HUD, dated within six months of the Application Deadline, confirming the funding source. The letter must include the following information:

- Name of existing development;
- Name of proposed Development;
- Loan balance;

- Acknowledgment that property is applying for Housing Credits; and
- Applicable HUD program.

If the debt being assumed is provided by RD, the Applicant is only required to provide the information described in Item 10.b.(1)(b) above.

- (c) If the financing proposal is not from a Regulated Mortgage Lender in the business of making loans or a governmental entity, evidence of ability to fund must be provided. Evidence of ability to fund includes: (i) a copy of the lender's most current audited financial statements no more than 17 months old; or (ii) if the loan has already been funded, a copy of the note and recorded mortgage. The age of all financial statements is as of the Application Deadline. In evaluating ability to fund, the Corporation will consider the entity's unrestricted current assets typically used in the normal course of business. Assets considered restricted include, but are not limited to, pension funds, rental security deposits, and sinking funds. Financing proposals from lenders who cannot demonstrate ability to fund will not count as a source of financing. Financial statements must be included in the Application. Note: This provision does not apply to deferred Developer Fee.

In the case where the seller (or lessor) of the Development's property is providing a seller's or lessor's note (purchase money mortgage or equivalent) to help finance the Applicant's acquisition of the property, evidence of its ability to fund the amount of the note is not needed so long as the Application includes a letter from the seller or lessor that meets the financing proposal criteria outlined in (2)(a) above and the amount of the note is equal to or less than the purchase price of the property.

- (d) If a financing proposal shows an amount less than the corresponding line item on the Development Cost Pro Forma, only the financing proposal amount will be considered as a funding source. However, if a financing proposal shows an amount greater than the corresponding line item on the Development Cost Pro Forma, up to the total amount of the financing proposal amount may be utilized as a funding source, if needed.
- (e) The loan amount may be conditioned upon an appraisal or debt service coverage ratio or any other typical due diligence required during credit underwriting.
- (f) Financing proposals may be conditioned upon the Applicant receiving the funding from the Corporation for which it is applying.
- (g) If a financing proposal has a provision for holding back funds until certain conditions are met, the amount of the hold-back will not be

counted as a source of construction financing unless it can be determined that the conditions for the release of the hold-back can be met prior to or simultaneous with the closing of the Development's permanent financing.

- (h) Grant funds are contributions to the Development, other than equity, which carry no repayment provision or interest rate. A commitment for grant funds will be considered a commitment if the commitment is properly executed and, if applicable, evidence of ability to fund is provided.

c. Development Cost Pro Forma

All Applicants must complete the Development Cost Pro Forma listing the anticipated expenses or uses, the Detail/Explanation Sheet, if applicable, and the Construction or Rehab Analysis and Permanent Analysis listing the anticipated sources (both Corporation and non-Corporation funding). The sources must equal or exceed the uses. If a funding source is not considered and/or if the Applicant's funding Request Amount is adjusted downward, this may result in a funding shortfall. If the Application has a funding shortfall in either the Construction/Rehab and/or the Permanent Analysis of the Applicant's Development Cost Pro Forma, the amount of the adjustment(s), to the extent needed and possible, will be offset by increasing the deferred Developer Fee up to the maximum eligible amount as provided below.

The Development Cost Pro Forma must include all anticipated costs of the Development construction and, if applicable, acquisition, including the Developer Fee and General Contractor fee, as outlined below. Waived or reimbursed fees or charges are not considered costs to the Development and therefore, should not be included on the Development Cost Pro Forma. Note: deferred Developer Fees are not considered "waived fees."

Developer Fee and General Contractor fee must be disclosed. In the event the Developer Fee and/or General Contractor fee are/is not disclosed on the Development Cost Pro Forma, the Corporation will assume that these fees will be the maximum allowable and will add the maximum amount(s) to Total Development Cost. If an Applicant lists a Developer Fee, General Contractor fee, or contingency reserve that exceeds the stated Application limits, the Corporation will adjust the fee to the maximum allowable. As stated below, Applicants may not enter any amounts pertaining to operating deficit reserves. The Corporation will not consider any operating deficit reserves listed on the Development Cost Pro Forma.

Unless stated otherwise in this RFA, except for deferred Developer Fee, the Application requires complete information on all sources of Development funding and the proposed uses of those funds. All loans, grants, donations, syndication proceeds, etc., should be detailed in the Application as outlined above. The total of monetary funds determined to be in funding proposals must equal or exceed uses.

## (1) Developer Fee

Each Developer Fee component listed in (a) and (b) below shall not exceed the respective amounts described below:

- (a) For Applicants requesting CDBG-DR only
- (i) Developer Fee on Acquisition Costs, is limited to 16 percent of the Total Acquisition Cost of Existing Development (excluding land) stated on the Development Cost Pro Forma in Column 3 of Item B, rounded down to the nearest dollar; and
  - (ii) Developer Fee on Non-Acquisition Costs, is limited to 16 percent of the net amount after deducting Total Acquisition Cost of Existing Development (excluding land) (Column 3 of Item B) from the Development Cost stated on the Development Cost Pro Forma in Column 3 of Item C, rounded down to the nearest dollar.
- (b) For Applicants requesting Tax-Exempt Bond Financing and Non-Competitive Housing Credits
- (i) Developer Fee on Acquisition Costs, is limited to 18 percent of the Total Acquisition Cost of Existing Development (excluding land) stated on the Development Cost Pro Forma in Column 3 of Item B, rounded down to the nearest dollar; and
  - (ii) Developer Fee on Non-Acquisition Costs, is limited to 18 percent of the net amount after deducting Total Acquisition Cost of Existing Development (excluding land) (Column 3 of Item B) from the Development Cost stated on the Development Cost Pro Forma in Column 3 of Item C, rounded down to the nearest dollar.

If the maximums stated in (a) or (b) are exceeded, the Corporation will adjust the amount down to the maximum allowed. Additionally, the Corporation may further adjust the Developer Fee on Acquisition Costs, and/or Developer Fee on Non-Acquisition Costs stated on the Development Cost Pro Forma and used to calculate the Developer Fee in Item D of the Development Cost Pro Forma. The conditions for such adjustments are stated below:

- If the amount of Developer Fee on Acquisition Costs is more than the amount allowed in (a) above, AND if the amount of Developer Fee on Non-Acquisition Costs is less than the amount allowed in (b) above, the Corporation will reduce the amount of Developer Fee on Acquisition Costs to the maximum allowed amount, and increase

the amount of Developer Fee on Non-Acquisition Costs by the amount reduced in the Developer Fee on Acquisition Costs, up to the maximum allowed amount.

- If the amount of Developer Fee on Non-Acquisition Costs is more than the amount allowed in (b) above, AND if the amount of Developer Fee on Acquisition Costs is less than the amount allowed in (a) above, the Corporation will reduce the amount of Developer Fee on Non-Acquisition Costs to the maximum allowed amount, and increase the amount of Developer Fee on Acquisition Costs by the amount reduced in the Developer Fee on Non-Acquisition Costs, up to the maximum allowed amount.

The Corporation will allow up to 100 percent of the eligible Developer Fee to be deferred and used as a source on the Development Cost Pro Forma without the requirement to show evidence of ability to fund.

Consulting fees, if any, and any financial or other guarantees required for the financing must be paid out of the Developer Fee. Consulting fees include, but are not limited to, payments for Application consultants, construction management or supervision consultants, or local government consultants.

(2) General Contractor Fee

General Contractor fee shall be limited to 14 percent of actual construction cost. The maximum allowable General Contractor fee will be tested during the scoring of the Application by multiplying the actual construction cost by 14 percent, rounded down to the nearest dollar.

(3) Contingency Reserves

For Application purposes, the maximum hard and soft cost contingencies allowed cannot exceed 5 percent of hard and soft costs, as further described in Rule Chapters 67-21, F.A.C. The determination of the contingency reserve is limited to the maximum stated percentage of total actual construction costs (hard costs) and general development costs (soft costs), as applicable.

(4) Operating Deficit Reserves

An operating deficit reserve can be included as part of Development Costs, but cannot be used in determining the maximum Developer Fee. Applicants may enter an operating deficit reserve amount that does not exceed \$3,500 per unit on the Development Cost Pro Forma as part of the Application process. A reserve, including an operating deficit reserve, if necessary as determined by an equity provider, first mortgage lender, and/or the Credit Underwriter engaged by the Corporation in its reasonable discretion, will be required and sized in credit underwriting. If any reserve

other than the permitted contingency reserve(s) or the maximum operating deficit reserve is identified and included in the Development Cost Pro Forma, the Corporation will reduce it to the maximum allowed during Application scoring.

In exchange for receiving funding from the Corporation, the Corporation reserves the authority to restrict the disposition of any funds remaining in any operating deficit reserve(s) after the term of the reserve's original purpose has terminated or is near termination. Authorized disposition uses are limited to payments towards any outstanding loan balances of the Development funded from the Corporation, any outstanding Corporation fees, any unpaid costs incurred in the completion of the Development (i.e., deferred Developer Fee), the Development's capital replacement reserve account (provided, however, that any operating deficit reserve funds deposited to the replacement reserve account will not replace, negate, or otherwise be considered an advance payment or pre-funding of the Applicant's obligation to periodically fund the replacement reserve account), the reimbursement of any loan(s) provided by a partner, member or guarantor as set forth in the Applicant's organizational agreement (i.e., operating or limited partnership agreement) whereby its final disposition remains under this same restriction. The actual direction of the disposition is at the Applicant's discretion so long as it is an option permitted by the Corporation. In no event, shall the payment of amounts to the Applicant or the Developer from any operating deficit reserve established for the Development cause the Developer Fee or General Contractor fee to exceed the applicable percentage limitations provided for in this RFA.

d. Public Housing Authority and/or an instrumentality of a Public Housing Authority

Applicants may qualify for an "Add-On Bonus" used in the Leveraging Calculation described in Item 3 of Exhibit C if at least one of the following is met:

- (1) The Applicant has either entered into a land lease with a Public Housing Authority on property where the proposed Development is to be located or the Applicant provided an Option to Enter into a Ground Lease Agreement on property where the proposed Development is to be located; AND the property has an existing Declaration of Trust between the Public Housing Authority and HUD; or
- (2) The Applicant is associated with a Public Housing Authority and/or an instrumentality of a Public Housing Authority in the ownership structure. The Applicant should state whether any Principals of the Applicant entity are a Public Housing Authority and/or an instrumentality of a Public Housing Authority and the Public Housing Authority and/or instrumentality of a Public Housing Authority must be reflected on the Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019).

Note: For purposes of the “Add-On Bonus”, the Public Housing Authority and/or instrumentality of a Public Housing Authority must not be disclosed as only the Investor Limited Partner of the Applicant or Investor Member of the Applicant.

If a Public Housing Authority has one of the above-described relationships with the Applicant, state the name of the Public Housing Authority.

## 11. Uniform Relocation Act

The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) is government-wide legislation which establishes minimum standards for federally-funded programs or projects requiring the acquisition of real property or displacement of persons from the homes, businesses, or farms as a direct result of: Acquisition, Rehabilitation or Demolition. A General Information Notice (GIN) should be issued to all occupants at such time there exists the following:

For land proposed for acquisition that may have occupied residential dwellings, compliance begins at the GIN issuance. Successful Applicants will be required to provide the issued GIN within 21 Calendar Days of the invitation to enter credit underwriting as outlined in Exhibit D. This must be done prior to execution of the contract or proposed lease (with a minimum 50-year term) or may be attached as an addendum to the contract or proposed lease (with a minimum

50-year term). A copy of the required notice and confirmation of the current owner's/seller's receipt of notice must be provided.

- (3) If the Applicant is a public (government) Applicant, respond to all applicable remaining questions in this relocation section.

## **B. Selection Process**

### **1. Application Sorting Order**

The highest scoring Applications will be determined by first sorting together all eligible Applications from highest score to lowest score, with any scores that are tied separated in the following order:

- a. First, preference will be given to Applications that qualify for the Federal Funding Experience Preference which is outlined in Section Four, A.3.b.(4) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- b. Next, by the Previous Submission Funding Preference, which is outlined in Section Four, A.3.c.(3) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- c. Next, by the Application's Leveraging Classification, applying the multipliers outlined in Item 3 of Exhibit C of the RFA (with Applications having the Classification of A listed above Applications having the Classification of B);
- d. Next, preference will be given to Applications that qualify for the Florida Job Creation Funding Preference which is outlined in Item 4 of Exhibit C (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- e. Finally, by lottery number, with Applications that have a lower lottery number listed above Applications with a higher lottery number.

### **2. County Award Tally**

As each Application is selected for tentative funding, the county where the proposed Development is located will have one Application credited towards the County Award Tally. The Corporation will prioritize eligible unfunded Applications that meet the Funding Test and are located within counties that have the lowest County Award Tally above other eligible unfunded Applications with a higher County Award Tally that also meet the Funding Test, even if the Applications with a higher County Award Tally are higher ranked.

### **3. Funding Test**

Florida Housing Finance Corporation (the Corporation) expects to have an estimated \$23,750,000 in CDBG-DR funding available for award.

- \$19,000,000 will be made available to fund HUD-Designated MID: Escambia and Santa Rosa

- \$4,750,000 at least will be made available to fund State-Designated MID: Okaloosa, Walton, Bay

Funding Test means that Applications proposing Developments in HUD-Designated MID will be selected for funding only if there is enough CDBG-DR funding available within the HUD-Designated MID Funding to fully fund the Eligible CDBG-DR Request Amount, and Applications proposing Developments in State-Designated MID will be selected for funding only if there is enough CDBG-DR funding available within the State-Designated MID Funding to fully fund the Eligible CDBG-DR Request Amount.

#### **4. Selection Process**

- Eligible Applications of proposed Developments in the HUD-Designated MID of Escambia and Santa Rosa would be selected first, subject to the County Award Tally and Funding Test.
- If there are no Applications in Escambia and Santa Rosa that meet the Funding Test, the remaining HUD-Designated MID funding will be added to the State-Designated MID funding, and Applications of proposed Developments in the State-Designated MID of Bay, Okaloosa, and Walton will be selected for funding, subject to the County Award Tally and Funding Test.
- Remaining Funding

If funding remains and no eligible unfunded Applications can be fully funded, no further Applications will be considered for funding and any remaining funding will be distributed as approved by the Board.

#### **5. Returned Funding**

Funding that becomes available after the Board takes action on the Committee's recommendation(s), due to an Applicant withdrawing, an Applicant declining its invitation to enter credit underwriting or the Applicant's inability to satisfy a requirement outlined in this RFA, and/or provisions outlined in Rule Chapter 67-21, F.A.C., will be distributed as approved by the Board.

### **SECTION SIX AWARD PROCESS**

Committee members shall independently evaluate and score their assigned portions of the submitted Applications, consulting with non-committee Corporation staff and legal counsel as necessary and appropriate.

The Committee shall conduct at least one public meeting during which the Committee members may discuss their evaluations, select Applicants to be considered for award, and make any adjustments deemed necessary to best serve the interests of the Corporation's mission. The Committee will list the Applications deemed eligible for funding in order applying the funding selection criteria outlined in Section Five above and develop a recommendation or series of recommendations to the Board.

The Board may use the Applications, the Committee's scoring, any other information or recommendation provided by the Committee or staff, and any other information the Board deems relevant in its selection of Applicants to whom to award funding. Notwithstanding an award by the Board pursuant to this RFA, funding will be subject to a positive recommendation from the Credit Underwriter based on criteria outlined in the credit underwriting provisions in Exhibit H of the RFA, and Rule Chapter 67-21, F.A.C.

The Corporation shall provide notice of its decision, or intended decision, for this RFA on the Corporation's Website the day of the applicable Board vote. After posting, an unsuccessful Applicant may file a notice of protest and a formal written protest in accordance with Section 120.57(3), Fla. Stat., et. Al. Failure to file a protest within the time prescribed in Section 120.57(3), Fla. Stat., et. Al. shall constitute a waiver of proceedings under Chapter 120, Fla. Stat.

After the Board's decision to select Applicants for funding in this RFA has become final action, the Corporation shall offer all Applicants within the funding range an invitation to enter credit underwriting. The Corporation shall select the Credit Underwriter for each Development.

**Exhibit C – Additional Information**

## 1. Total Development Cost Limitation Test

There is a maximum Developer Fee that can be earned which is tailored for the characteristics of each Development.

## a. Overview

(1) Maximum Developer Fee based on Percentage of Development Cost as outlined in Rule 67-21, F.A.C. and/or 67-48, F.A.C.

(2) Maximum Developer Fee Amount based on Maximum Development Cost

The Corporation will calculate the Maximum Developer Fee for each proposed Development, then compare it to the proposed Development's stated Developer Fee. The Maximum Developer Fee Amount will be the sum of the maximum Developer Fee on non-Acquisition Costs calculated in (a) below and, if applicable, the maximum Developer Fee on Building Allocation portion of Acquisition Costs ("Building Allocation") as calculated in (b) below.

(a) Maximum Development Cost upon which a Developer Fee can be Earned when there are no Building Allocation Costs

(i) Hard Cost Factor Per Unit Chart plus estimate of Soft Costs Per Unit

The Non-Acquisition Costs for purposes of determining the maximum Developer Fee are calculated by first selecting the applicable hard cost factor for each unit in the chart below then incorporating an estimate of soft costs per unit.

Hard costs are defined as the total of the actual construction costs (includes the General Contractor Construction Contract and any construction costs to be incurred outside of the General Contractor Construction Contract), the General Contractor Fee and the approved Hard Cost Contingency. These costs are representative of what is normally reported on lines A1.3 and A1.4 in the Development Cost Pro Forma in the Application. The Hard Cost Factor per Unit amounts in the chart are not a limit of the actual hard costs allowed in each Development. Each Development's actual costs may exceed these amounts, but these are the maximums used in the Developer Fee calculation.

Measure	Hard Cost Factor per New Construction Unit					Hard Cost Factor per Rehabilitation Units	
	Garden Non-ESS*	Garden ESS*	Mid-Rise-Non-ESS*	Mid-Rise-ESS*	High-Rise*	Garden*	Non-Garden*
Hard Cost Factor Per Unit for all counties except Broward, Miami-Dade and Palm Beach counties	\$220,000	\$240,000	\$240,000	\$270,000	\$290,000	\$100,000	\$130,000
Hard Cost Factor Per Unit for Broward, Miami-Dade and Palm Beach counties	\$240,000	\$260,000	\$260,000	\$290,000	\$310,000	\$110,000	\$140,000

\* Garden includes all Development Types other than Mid-Rise and High-Rise; Non-Garden includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories) and High-Rise (7 or more stories); Mid-Rise includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories); and High-Rise includes Development Type of High-Rise (7 or more stories). ESS means Enhanced Structural Systems Construction.

If there is only one unit type for the entire proposed Development, the number in the chart associated with the unit type is the Hard Cost Factor Per Unit for the Development.

If there are multiple unit types, the amount associated for each unique unit type is multiplied by the number of units for that unit type, added together, and then divided by the total number of units (i.e. pro rata distribution). The result of that calculation is the Hard Cost Factor Per Unit for the Development.

**Incorporate an Estimate of Soft Costs Per Unit**

The Hard Cost Factor Per Unit for the Development is then divided by 75 percent (resulting in a maximum of hard costs and soft costs per unit when calculating the Maximum Developer Fee, prior to Add-Ons, Multipliers, and Escalation Rate.)

- (ii) Then add applicable per unit TDC Add-On(s) to the result of (i) above

PHA Add-On for means (i) Applicants that either have a land lease with a PHA for the proposed Development's location or the Applicant provided an Option to Enter into a Ground Lease Agreement on property where the proposed Development is to be located; AND the property which has a Declaration of Trust between the PHA and HUD; or (ii) Applicants that have a PHA/instrumentality of a PHA as a Principal	\$7,500 of additional per unit costs will be added to the above Maximum TDC Per Unit to Applications that qualify for the PHA Add-On
TDC Add-on for All Applicants due to known expenses related to tax-exempt bond transactions	\$7,500 of additional per unit costs will be added to the above Maximum TDC Per Unit

(iii) Then divide the result of (ii) above by the applicable TDC Multiplier(s)

Geographic TDC Multiplier – Developments located north of Plantation Key (i.e., north of Tavernier Creek) in the Florida Keys Area	65%
Geographic TDC Multiplier – Developments located south of Plantation Key (i.e., north of Tavernier Creek) in the Florida Keys Area	50%*

\*If the proposed Development consists of Scattered Sites, the 50% TDC Multiplier applies only if all the sites are located south of Tavernier Creek.

(iv) Then multiply the result of (iii) above by the sum of 1 plus 6 percent, which represents the Escalation Factor

(v) Then multiply this result by the total number of units within the proposed Development to achieve the Maximum Development Cost upon which a Developer Fee can be Earned when there are no Building Allocation Costs (“**Maximum Non-Acquisition Development Cost for Developer Fee**”).

To obtain the **Maximum Developer Fee Amount on non-Acquisition Costs**, multiply the result of (v) by the maximum Developer Fee percentage allowed in the RFA as described below:

- If the maximum Developer Fee percentage stated in the RFA is 16 percent, the result of the calculation above is then multiplied by 16 percent, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 18 percent, the result of the calculation above is then multiplied by 18 percent, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 21 percent, the result of the two calculations below are added together:
  - the result of the calculation is then multiplied by 16 percent, rounded down to the nearest dollar; AND
  - the result of the calculation is then multiplied by 5 percent, rounded down to the nearest dollar.

If there is no Building Allocation costs, this **Maximum Developer Fee Amount on non-Acquisition Costs** is also the **Development’s Maximum Developer Fee**. If there is Building Allocation costs, the result of the fee calculation above is added to the result of the fee calculation below to determine the **Development’s Maximum Developer Fee**.

(b) Maximum Developer Fee Amount on Building Allocation costs, if applicable

The Building Allocation costs are comprised of a Building Allocation plus Other building acquisition related costs of the existing Development, together are typically represented by line B. in the Development Cost Pro Forma in the Application. The maximum Building Allocation is a

structured calculation. Start by taking the lesser of either the appraised value of the entire property or the actual property purchase price. The lowest land cost allocation is then subtracted from this amount. The lowest land cost allocation methodology is determined as follows:

- (i) Appraised “as is” market value of the land, as if vacant;
- (i) Assessed value of the land as provided by the county property appraiser; or
- (iii) Discount the value provided in the option (a) above to account for the LURA/EUA rent restrictions existing on the property. This is done by taking the lesser of the subject property’s acquisition price, or the subject property’s appraised “as is” restricted value and dividing this amount by the “as is” market value of the property as if unrestricted. The resulting discount factor is then multiplied by the value provided in option (a).

The lesser of the result of this maximum Building Allocation calculation or the Applicant’s stated Building Allocation is then added to any other separate acquisition costs associated with the Building Allocation and this total is multiplied further based on the maximum Developer Fee percentage allowed in the RFA as described below to obtain the Maximum Developer Fee Amount on Building Allocation:

- If the maximum Developer Fee percentage stated in the RFA is 16 percent, the result of the calculation above is then multiplied by 16 percent, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 18 percent, the result of the calculation above is then multiplied by 18 percent, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 21 percent, the result of the two calculations below are added together:
  - the result of the calculation is then multiplied by 16 percent, rounded down to the nearest dollar; AND
  - the result of the calculation is then multiplied by 5 percent, rounded down to the nearest dollar.

(3) Maximum TDC Component

The Maximum TDC Component equals the Maximum Non-Acquisition Development Cost for Developer Fee (as calculated in (2)(v) above) plus the maximum Developer Fee amount on non-acquisition costs (as calculated in (a) above) and then adding, if applicable, the maximum Developer Fee amount on Building Allocation (as calculated in (b) above). The Maximum TDC Component is unique to each Development and will not change once it is calculated. It will be used for calculations described in b. below. However, the maximum Developer Fee amount on Building Allocation costs, if applicable, can be

updated at time of Final Cost Certification Application Package review when the Other building acquisition related costs of the existing Development have changed since credit underwriting. At no time will the proposed Developer Fee be allowed to exceed the total maximum Developer Fee.

- b. Determining whether adjustments to the Developer Fee and the Total Development Cost of the proposed Development are needed during Credit Underwriting

The Total Development Cost of the proposed Development (“TDC of the Proposed Development”) is often adjusted during credit underwriting and Final Cost Certification process. The steps below are performed first during the credit underwriting process and then a similar process is completed during the Final Cost Certification process as presented in c. below. Any such adjustments that occurred during these processes may affect the maximum Developer Fee allowed for the proposed Development to fluctuate.

- (1) First Review of the Developer Fee and the TDC of the Proposed Development

To review the maximum Developer Fee for the proposed Development, the Corporation will first determine if the stated Developer Fee is in compliance with the percentage Developer Fee limit and then compare the results of the calculation in a. above to the Developer Fee stated by the Applicant.

If the maximum Developer Fee calculated by the percentage Developer Fee on stated Development Costs and the maximum Developer Fee calculated in a. above is equal to or greater than the proposed Development’s stated Developer Fee, there will be no resulting deduction to the stated Developer Fee or the TDC of the Proposed Development from this first review.

If this step creates a maximum Developer Fee that is less than the proposed Development’s stated Developer Fee, the stated Developer Fee will be reduced to the maximum Developer Fee provided in this step, and the TDC of the Proposed Development will be equally reduced to incorporate this mandated cost reduction.

- (2) Second Review of the Developer Fee and the TDC of the Proposed Development

The second review will compare the proposed Development’s Maximum TDC Component and the Net TDC of the Proposed Development for these limitation purposes.

*Calculating the Net TDC of the Proposed Development*

The Net TDC of the Proposed Development is determined by taking the TDC of the Proposed Development (after any reduction in the initially stated Developer Fee as provided above) and deducting the following qualifying costs:

- the property acquisition price (building and land, which are subject to their own limits)
- demolition costs
- tenant relocation costs
- construction costs associated with the delivery of commercial/retail space, and

- any approved operating deficit reserves (ODR) that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee.

*Comparison of the Development's Maximum TDC Component and the Net TDC of the Proposed Development*

If the proposed Development's Maximum TDC Component is equal to or greater than the Net TDC of the Proposed Development, the review of the Developer Fee is complete and no other reduction to the proposed Development's Developer Fee is required.

If the proposed Development's Maximum TDC Component is less than the Net TDC of the Proposed Development, the maximum Developer Fee will be reduced by the lesser of:

- the actual amount that the Net TDC of the Proposed Development exceeds the Maximum TDC Component,
- \$750,000, or
- 25 percent of the Maximum Developer Fee calculated in a. above.

If the maximum Developer Fee calculated in this step is equal to or greater than the proposed Development's Developer Fee calculated in b.(1) above, there will be no resulting deduction to the proposed Development's Developer Fee after step b.(1) nor to the Net TDC of the Proposed Development from this second review.

If this step causes the maximum Developer Fee to be less than the proposed Development's Developer Fee calculated in b.(1) above, the proposed Development's Developer Fee will be reduced to the maximum Developer Fee calculated in this step, and the Net TDC of the Proposed Development will be equally reduced to incorporate the second mandated cost reduction.

This is the final review of the Developer Fee during credit underwriting.

- Reviewing the Developer Fee and the Net TDC of the Proposed Development stated in the Final Cost Certification Application Package ("FCCAP")

The Developer Fee and the Net TDC of the Proposed Development may be further adjusted when the FCCAP is processed. Any such adjustments that occur with the FCCAP may cause the maximum Developer Fee allowed for the proposed Development to either increase, as described in (3) below, or decrease, as described in (2) and (4) below. Any increase or decrease to the proposed Development's Developer Fee will cause the Net TDC of the Proposed Development to be equally increased or decreased, respectively.

Before each item below, the stated/updated Developer Fee will be tested to make sure it doesn't exceed the amount determined by multiplying the proposed Development's stated Development Costs by the maximum Developer Fee percentage, rounded down to the nearest dollar and then tested for compliance with the total maximum Developer Fee.

## (1) First Review of the Developer Fee and the TDC of the Proposed Development

*Policy when the Developer Fee was not reduced by the credit underwriting process described in b. above*

The proposed Development's Developer Fee initially presented in the FCCAP will be tested for compliance with the maximum Developer Fee percentage requirement.

- (a) If the Net TDC of the Proposed Development preliminarily stated in the FCCAP (after any Developer Fee compliance adjustments from above) is less than or equal to the Maximum TDC Component calculated in a. above, no adjustment to the proposed Development's Developer Fee will be required and there will not be a need for the second review.
- (b) If the Net TDC of the Proposed Development preliminarily stated in the FCCAP (after any Developer Fee compliance adjustments from above) is greater than the Maximum TDC Component calculated in a. above there will be a need for the second review process below.

*Policy when the Developer Fee was reduced by the credit underwriting process described in b. above*

- (c) If the Net TDC of the Proposed Development preliminarily stated in the FCCAP is less than the Net TDC reported in the final credit underwriting report, the calculations in b. above will be repeated using the Net TDC of the Proposed Development preliminarily stated in the FCCAP. This may result in an increase to the final Developer Fee from the limit imposed at time of credit underwriting during steps b.(1)-(2).
- (d) If the Net TDC of the Proposed Development preliminarily stated in the FCCAP is equal to or greater than the Net TDC of the Proposed Development reported in the final credit underwriting report, the Developer Fee stated in the FCCAP is initially capped at the maximum Developer Fee determined in b.(2) above. If the Developer Fee stated in the FCCAP is greater than the maximum Developer Fee determined in b.(2) above, the Developer Fee will be reduced to match the maximum Developer Fee and any reduction in the stated Developer Fee will have a corresponding reduction in the Net TDC of the Proposed Development. If the resulting Net TDC of the Proposed Development consequently stated in the FCCAP is greater than the Net TDC of the Proposed Development reported in the final credit underwriting report, there will be a need for the second review process below. If the resulting Net TDC of the Proposed Development consequently stated in the FCCAP is equal to or less than the Net TDC of the Proposed Development reported in the final credit underwriting report, there will not be a need for any further review.

## (2) Second Review of the Developer Fee and the TDC of the Proposed Development

After the applicable step above in c.(1)(b) or c.(1)(d) is complete, the calculations described below will determine the final Developer Fee.

If the Net TDC of the Proposed Development after step (1) above is greater than the Maximum TDC Component calculated in a. above, the maximum Developer Fee determined in b.(2) above, will be reduced by the lesser of:

- (i) the actual amount that the Net TDC of the Proposed Development exceeds the Maximum TDC Component,
- (ii) \$350,000, or
- (iii) 10 percent of the Maximum Developer Fee calculated in (b) above.

If the maximum Developer Fee calculated in this step is equal to or greater than the Developer Fee stated in the FCCAP after c.(1) above, there will be no resulting deduction to the stated Developer Fee or the Net TDC of the Proposed Development from this review.

If this step causes the maximum Developer Fee to be less than the Developer Fee stated in the FCCAP after c.(1) above, the stated Developer Fee will be reduced to the maximum Developer Fee calculated in this step, and the Net TDC of the Proposed Development will be equally reduced to incorporate this cost reduction.

A template and training video regarding the Total Development Cost Per Unit Limitation have been made available. A link has been added to the RFA Webpage called "Total Development Cost Per Unit Limitation Information Used In RFAs". This link will take users to a new webpage with examples of this process, as well as a template, training video, and, for assistance after the review and evaluation process as explained in Section Three, F.2. of this RFA, contact information for available Florida Housing staff.

**2. Transit and Community Service Scoring Charts – intentionally omitted in this RFA**

**3. Leveraging Classification**

Each eligible Application will be assigned as either Group A or Group B, based on the Eligible CDBG-DR Base Loan Funding amount relative to all other Application's CDBG-DR Base Loan Funding amount using the following methodology.

The CDBG-DR Base Loan Funding amount is calculated only using the Applicant's Eligible CDBG-DR Request. The ELI Funding Amount, MMRB, and Non-Competitive Housing Credit funding, if applicable, will all be excluded from the following leveraging calculation.

- a. If the Development qualifies for a Housing Credit basis boost, the Eligible CDBG-DR Base Loan Request Amount will be multiplied by 1.15; and
- b. If the Applicant has either (i) entered into a land lease with a Public Housing Authority on property where the proposed Development is to be located or the Applicant provided an Option to Enter into a Ground Lease Agreement on property where the proposed Development is to be located; AND the property has an existing Declaration of Trust between the Public Housing Authority and HUD; or (ii) a PHA/instrumentality of a PHA as a Principal, the Application will qualify for the PHA Multiplier and the amount will also be multiplied by 0.93.

Note: More than one of the above may apply. For instance, if a. and b. apply, the Eligible CDBG-DR Base Loan Request will be multiplied by 1.15, then multiplied by 0.93.

- c. If the Development consists of any new construction units, the total Corporation funding amount calculated above will also be multiplied by a Leveraging Factor. The Leveraging Factor is calculated as follows:

Development Leveraging Multipliers							
# of new construction units	NC Garden Non-ESS	NC Garden ESS	NC Mid-Rise Non-ESS	NC Mid-Rise ESS	NC High-Rise	NC Other Non-ESS	NC Other ESS
Combined Dev Type / ESSC Multipliers	x 0.92	x 0.8004	x 0.85	x 0.7395	x 0.7134	x 1.0	x 0.87
Results of multiplication of each category							

To calculate the Leveraging Factor, the chart above will be used. The number of units for each category stated at 4.e. of Exhibit A will be multiplied by the applicable multiplier. The results of the multiplication will then be added together, then divided by the total number of units in the Development. The result of this calculation is the Leveraging Factor.

The Leveraging Factor is then multiplied by the total Corporation funding amount as calculated in a. – b. above. This result is the total Corporation funding amount used in d. below.

- d. The total Corporation funding amount will then be divided by the number of Set-Aside Units, resulting in the total Corporation funding per Set-Aside Unit.
- e. The Applications will be listed in ascending order beginning with the Application that has the lowest amount of total Corporation CDBG-DR funding per Set-Aside Unit and ending with the Application that has the highest amount. If any Applications have identical total Corporation funding per set-aside unit amounts, the Applications will be further sorted using lottery number, with the HIGHEST (worst) lottery number being listed first.

The total number of Applications on the list will be multiplied by will be multiplied by 80 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the "A/B Cut-Off"). A line will be drawn below the Application whose place on the list is equal to the A/B Cut-Off. Applications above the A/B Cut-Off will be classified as Group A and Applications below the A/B Cut-Off will be classified as Group B.

#### 4. Florida Job Creation Funding Preference

Each Application will be measured to determine whether it qualifies for the Florida Job Creation Funding Preference. To determine eligibility for the preference, the Corporation will calculate the Application's Florida Job Creation score, which will reflect the number of Florida jobs per \$1 million of CDBG-DR funding. To qualify for the Florida Job Creation Funding Preference in Section Five of the RFA, all Applications must earn a Florida Job Creation score equal to or greater than the minimum requirement of 9.55.

Determination of the Florida Job Creation score will be based on the following information:

- The number of new construction units committed to by the Applicant (as stated by the Applicant in Exhibit A);
- The applicable Florida job creation rate for the type of units:
- Rate of 2.944 Florida Jobs per unit for proposed new construction units; and
- The Eligible CDBG-DR Request Amount.

The score for the Florida Rate of Job Creation per \$1 million of CDBG-DR funding will be measured using one of the following calculations:

Number of new construction units x 2.944 Florida Jobs per unit x 1,000,000 / (the CDBG-DR Request Amount x 9.0) = Florida Jobs per \$1 million of CDBG-DR funding.

For example:

Application A consists of 25 new construction units and has an Eligible CDBG-DR Request Amount of \$3,700,000.

$25 \times 2.944 \times 1,000,000 / 3,700,000 \times 9.0 =$  Florida Job Creation score of 19.89.

In above example, the Application will qualify for the Job Creation Funding Preference because it has a Florida Job Creation score that is equal to or greater than the minimum required.

#### 5. Fees

The Corporation and, if applicable, the Credit Underwriter shall collect via check or money order from the Applicant the following fees and charges in conjunction with this RFA. Failure to pay any fee shall cause the funding awarded to be withdrawn as outlined in the credit underwriting and program requirements outlined in this RFA and Rule Chapter 67-21, F.A.C.

All fees set forth below, except for Compliance Monitoring Fees and Loan Servicing Fees, are part of Development Cost and can be included in the Development Cost Pro Forma and paid with loan proceeds.

- a. Application Fee

All Applicants requesting funding in this RFA shall submit to the Corporation as a part of the Application submission a non-refundable Application fee of \$3,000.

b. TEFRA Fee

Applicants awarded Corporation-issued MMRB shall submit a non-refundable TEFRA fee to the Corporation in the amount of \$1,000 within seven Calendar Days of the date of the invitation to enter Credit Underwriting. This fee shall be applied to the actual cost of publishing required newspaper advertisements and Florida Administrative Register notices of TEFRA Hearings. If the actual cost of the required publishing exceeds \$1,000, Applicant shall be invoiced for the difference. If a Local Public Fact Finding Hearing is requested, the Applicant shall be responsible for payment of any fees incurred by the Corporation. If the first TEFRA approval period has expired and a second TEFRA notice and hearing are required, Applicant is responsible for all costs associated with the additional TEFRA process.

c. Credit Underwriting Fees

The following fees are not the fees that will be charged but are listed below for estimation purposes of completing the Development Cost Pro-Forma in the Application. The actual fees will be determined based on the current contract, including any addendum, for services between the Corporation and the Credit Underwriter(s) in effect at the time underwriting begins.

(2) Re-underwriting fee: \$198 per hour, not to exceed \$8,715.

If a Housing Credit Development involves Scattered Sites of units within a single market area, a single credit underwriting fee shall be charged. Any Housing Credit Development requiring further analysis by the Credit Underwriter pursuant to Section 42(m)(2) of the IRC will be subject to an hourly fee of \$198. All credit underwriting fees shall be paid by the Applicant prior to the performance of the analysis by the Credit Underwriter.

(3) Extraordinary Services fee: \$198 per hour.

(4) Credit Underwriting Extension Fees

Credit underwriting extension fees are outlined in Exhibit H.

d. Administrative Fees

With respect to the Housing Credit Program, each for-profit Applicant shall submit to the Corporation a non-refundable administrative fee in the amount of 9 percent of the annual Housing Credit Allocation amount stated in the Preliminary Allocation. The administrative fee shall be 5.5 percent of the stated annual Housing Credit Allocation for Non-Profit Applicants. The administrative fee must be received by the Corporation as stated in the Preliminary Allocation. In the event the Final Housing Credit Allocation amount exceeds the annual Housing Credit Allocation amount stated in the Preliminary Determination, the Applicant is responsible for paying the applicable administrative fee on the excess amount before IRS Forms 8609 are issued for the Development.

e. Compliance Monitoring Fees

The following fees are not the fees that will be charged but are listed below for estimation purposes of completing the Development Cost Pro-Forma in the Application. The actual fees and percentage increases will be determined based on the current contract, including any addendum, for services between the Corporation and the Compliance Monitor(s).

## **Exhibit E – Additional requirements for the Link Units for Persons with Special Needs**

The Link to Permanent Housing Strategy (Link) enhances the ability of extremely low income (ELI) households with special needs to access and retain affordable rental housing in their communities. The Corporation requires Developers to provide a specified percentage of a Development's ELI Set-Aside units for special needs households receiving community-based supportive services who are referred by a designated supportive services agency in the community where the Development is located. All Link units must do the following:

### **I. Link Set-Aside Requirements**

With the exception of Developments financed with HUD Section 811 or United States Department of Agriculture RD program, and Applicants that select the Elderly ALF Demographic Commitment, for the entire Compliance Period as specified in both the regulatory agreement and as stated in the RFA, the Development shall set aside the required percentage of the ELI Set-Aside units as Link Units for Persons with Special Needs. At least one member of each Link unit's household shall be referred by a Special Needs Household Referral Agency (Referral Agency) with which the owner executes a Link Memorandum of Understanding (MOU) approved by the Corporation.

### **II. Link Memorandum of Understanding (MOU)**

The Corporation has established and maintains a list of supportive service agencies or organizations serving each county, each of which is designated as a Referral Agency. The current list of designated Special Needs Household Referral Agencies for each county is published on the Corporation's Website under the Quick Links section at <https://www.floridahousing.org/programs/special-needs-housing-overview/serving-special-needs> (also accessible by clicking [here](#)). These agencies are statewide, regional or local organizations that administer community-based supportive services to the populations served by Link.

The MOU is a formal agreement between the owner and a Referral Agency that specifies the intent of the Link Strategy and describes the roles and responsibilities of each party to the MOU. The MOU form to be executed shall be the version most recently provided on the Corporation's website at <https://www.floridahousing.org/programs/developers-multifamily-programs/competitive/link-units-for-persons-with-special-needs-information> (also accessible by clicking [here](#)).

- A. The owner shall execute an MOU with at least one designated Referral Agency serving the county and intended population where the Development will be located and rent units to households referred by the Referral Agency with which the MOU is executed.
- B. As stated in Exhibit D, within nine months of the date of the invitation to enter credit underwriting, submit the fully executed Link MOU for the Corporation's approval. If the owner is unable to meet the deadline, an extension may be requested from the Corporation, and a non-refundable processing fee of \$5,000 shall be charged to the owner.

- C. Prior to execution of the MOU, but not later than 10 Calendar Days before the deadline by which the fully-executed MOU shall be received by the Corporation, the MOU form stipulated in the applicable RFA shall be completed and reviewed by the owner and Referral Agency, and then submitted by the owner to the Corporation for review and preliminary approval.
- D. For Developments with a Housing Assistance Payment contract and/or an Annual Contributions Contract with HUD: The waiting list section of the Tenant Selection Plan shall establish selection preferences or a section for special admissions specifically for individuals or families who are referred by a designated Referral Agency. The Tenant Selection Plan shall be submitted by the owner to the Corporation for review and preliminary approval before sending to HUD. HUD approval may take several months. HUD approval shall be demonstrated to the Corporation prior to the completion of the final credit underwriting report.
- E. Owners that have a Housing Assistance Payment Contract and/or an Annual Contributions Contract with HUD shall maintain a separate waiting list for referred applicants and prioritize these individuals for any available Link units. During and after lease-up, Referral Agency referrals must be moved in first, regardless of chronological order of the general waiting list, until all Link units are occupied with Referral Agency referrals.
- F. After review and preliminary approval of the MOU by the Corporation, and no later than the deadline established in the invitation to enter into credit underwriting, the owner shall provide one original fully-executed hard copy of the MOU to the Corporation. Once approved by the Corporation, the owner shall arrange for a copy of the approved MOU to be maintained on file at the site of the Development's records for compliance monitoring purposes.
- G. When the owner is noncompliant because no Referral Agency that serves the county where the Development is located is available to execute an MOU, the noncompliance shall be held in a correction period status until the earlier of (i) approval by the Corporation of an MOU executed with a new Referral Agency, or (ii) the passage of 45 Calendar Days following placement of a Referral Agency that serves the Development's county onto the Corporation's Referral Agency list.
- H. When a Referral Agency notifies the owner of its intent to terminate an MOU, the owner shall notify the Corporation of the MOU termination by email, at [Link@floridahousing.org](mailto:Link@floridahousing.org), within five Calendar Days of receiving the notification from the Referral Agency. The owner shall then select another Referral Agency for the Development's county and obtain approval from the Corporation for the MOU executed with the new Referral Agency no later than 45 Calendar Days after receipt of notification from the prior Referral Agency of its intent to terminate the MOU.
- I. When an owner intends to terminate an MOU, the owner shall repeat the process outlined in all of the steps above to obtain approval from the Corporation for a new MOU executed with another Referral Agency before termination of the prior MOU may become effective.

- J. The Corporation may require the owner to terminate an MOU with a Referral Agency if that partnership is not effective in meeting the intent of the Link Set-Aside Requirement. The owner shall execute another MOU with a new Referral Agency before terminating the MOU. The owner shall follow the process outlined in all of the steps above to obtain approval from the Corporation.

### III. Notification of the Availability of Units for Referral of Intended Link Households

- A. The owner shall meet with the chosen Referral Agency to review the Link roles and responsibilities of each party, the household income limitation and other eligibility criteria for tenancy, household move-in expenses and on-going monthly rental payments. The meeting shall be held no less than 45 Calendar Days before the anticipated commencement of any activities related to the leasing of any unit in the Development. The owner shall maintain documentation of the meeting with the Referral Agency and shall provide a copy for review by the Corporation upon its request.
- B. Leasing Activity (Lease-up and Pre-leasing): During leasing activities, the owner shall make all units available for the intended Link households referred by the Referral Agency, until the Development's Link Set-Aside Requirement has been met. If the Development has not met its Link Set-Aside Requirement by the passing of 30 Calendar Days after the last unit is actually available for occupancy, the owner may lease the units to any eligible household. To the extent that an ELI-unit requirement coincides with a Link Set-Aside Requirement, for a period not to exceed nine months, a failure to meet the ELI-unit requirement shall not cause noncompliance during the lease-up or 30 Calendar Day hold period.
- C. Once the Development's leasing activity is completed, a vacant unit formerly occupied by a Link household shall be held open for intended households referred by the Referral Agency for a period of 30 Calendar Days starting from the date the vacated unit is suitable for occupancy and ready to lease. The owner shall notify the Referral Agency that a unit is available on or before the date that the vacated unit becomes suitable for occupancy and ready to lease, but no more than 30 Calendar Days before the unit is anticipated to be ready to lease. The vacated unit shall retain the Link classification until next occupied, at which time the classification of the new household shall be applied to the unit.
- D. When the Development is an Acquisition/Rehabilitation Development that is occupied at the earlier of either loan closing or the site acquisition or the date of the Carryover Allocation Agreement, all units (at any AMI set-aside level) that become available and are suitable for occupancy and ready to lease shall be prioritized for intended households referred by the Referral Agency until the Link requirement has been met.
- E. Communication between the owner and the Referral Agency's designated contact person related to activities in this section shall be conducted via email. Activities that must be conducted by email are as follows:
1. Requests to develop MOU with Referral Agency;
  2. Draft reviews of MOUs between the parties;

3. Final version of executed MOU;
  4. Current contact information for the contact staff designated by the owner and Referral Agency and listed in the MOU;
  5. Notifications of unit availability;
  6. Number of Calendar Days unit will be held open for referrals;
  7. Information about rental policies and eligibility criteria;
  8. Outcome of referrals;
  9. Notifications of issues or concerns that may adversely affect the tenancy of the household; and
  10. Requests for termination of MOU.
- F. The owner shall maintain a Link communication tracking log that documents: (i) the unit number of each offered unit; (ii) the date each unit was suitable for occupancy; (iii) the date of the email notice to the Referral Agency that each unit was available for rent to a Link household, including the dates of required follow up; (iv) date of response from Referral Agency, (v) Referral Agency response, (vi) outcome of referral, and (vii) number of days the unit was held open.
- G. If an owner notifies a Referral Agency that a unit is available and the Referral Agency does not respond, the owner shall contact the Referral Agency at least three times, at intervals of no less than seven Calendar Days, during the 30-day period after the initial notice of unit availability was sent to the Referral Agency. The owner shall document all notification activity on its Link communication tracking log.
- H. The owner shall notify the Referral Agency regarding the outcome of each referral within one business day after a determination is made regarding the household's eligibility to occupy the available unit.
- I. If a referral does not result in occupancy by the referred household, the 30-day holding period shall continue to allow the Referral Agency the opportunity to refer another household. The owner shall follow up with the Referral Agency at intervals of no less than seven Calendar Days during the remainder of the 30-day holding period. The owner shall document all notification activity on its Link communication tracking log.

#### **IV. Link Compliance Monitoring Documentation**

- A. The owner shall cause the following documentation to be maintained on file for compliance monitoring purposes. Such documents shall be made available for inspection by Corporation personnel or its monitoring agents at any reasonable time. The owner shall provide copies of such documents, either electronic or paper, to the Corporation within three business days of any request by the Corporation for such copies.

1. A copy of all active MOUs approved by the Corporation;
  2. A copy of all terminated MOUs. Terminated MOUs shall be retained for seven years beyond the period of tenancy for any household referred under the particular MOU;
  3. A copy of any current correction period extensions granted by the Corporation; and
  4. Email communication with the Referral Agency demonstrating timely notification regarding the availability of units for the intended Link household, outcome of each referral, and, when an available unit was not rented to a Link household, the number of days the available unit was held open for intended Link household.
- B. The monthly Program Report submitted to the Corporation by the Development shall reflect the number of Link households residing in an ELI Set-Aside unit.
- C. The Compliance Period committed to in the RFA also includes the units set aside for the Demographic Commitments, which includes the commitments for Link and ELI Households. The affordability period committed to in the RFA includes the units set aside for ELI Households. Although the percentage of units committed to must remain in effect for the entire Compliance Period, the units designated for the Demographic Commitment and AMI commitment must not be limited to the same units throughout the Compliance Period. Doing so may cause the Development to be in non-compliance with Section 42.

**Exhibit F – intentionally omitted**

## Exhibit G - Tenant Selection Requirements

A written Tenant Selection Plan must be provided that reflects the requirements described in this Exhibit which addresses the following:

- Federal Accessibility Requirements
- Tenant Selection Criteria for All Households
- Tenant Selection Criteria for Extremely Low Income (ELI) Household

### Federal Accessibility Requirements

The Tenant Selection Plan must include a statement that the Development meets the following accessibility federal requirements, incorporating the most recent amendments, regulations, and rules:

- The Fair Housing Act as implemented by 24 CFR 100
- Section 504 of the Rehabilitation Act of 1973
- Titles II and III of the Americans with Disabilities Act of 1990 as implemented by 28 CFR 35

### Tenant Selection Criteria for All Households

#### *Screening criteria for all households*

The Applicant must adhere to the following tenant selection criteria when evaluating the eligibility of all households applying for tenancy:

- Arrest Record: The arrest record of a household member will not be considered when determining any household's application for tenancy.
- Rental Assistance: For households with publicly funded rental assistance, the income requirement will be based on the household's paid portion of the rent.

#### *Application for Tenancy*

Applicant must include and prominently place the following information in the Development's application for tenancy packet that is provided to all interested households:

- The tenant selection approach and criteria used to evaluate and determine a household's application for tenancy. The criteria under which a household was screened and evaluated, as well as the determination, must be included in each tenant household's file.
- The approach regarding a household's notification and appeal process and timeline if the household's application is rejected or determined ineligible.
- A description of reasonable accommodations or reasonable modifications for persons with disabilities, pursuant to Section 504 of the Rehabilitation Act of 1973. The description shall include accommodations that must be considered by the Development such as physical dwelling unit modifications for greater accessibility and use, as well as individualized assessments of mitigating factors related to a disability that adversely affected a household's credit, eviction, or criminal history. The description shall also include the process for requesting a reasonable accommodation, the determination approach, and decision-making timelines.

- A description of an applying household's or existing tenant's housing protections pursuant to the Violence Against Women Reauthorization Act of 2013 (VAWA). The description will include that applying households may request that the Development conduct an individualized assessment of mitigating factors related to being a victim of domestic violence, dating violence, sexual assault, and stalking that adversely affected the household's credit, eviction, or criminal history.

#### *Notification of Rejection or Ineligibility for Tenancy*

The Applicant must, at a minimum, notify any household that their application for tenancy was rejected or determined ineligible through a documented process such as a written letter or email to the address provided by the household.

- The notification will be provided to a household within 5 business days from the day the determination is made.
- The notice must include information regarding:
  - The reasons a household's application for tenancy was rejected or determined ineligible.
  - A household's right to appeal the Development's decision, as well as complete instructions regarding how a household may appeal the decision.

#### Tenant Selection Criteria for Extremely Low Income (ELI) Households

##### *Screening criteria for ELI households*

The Applicant must adhere to the following tenant selection criteria when evaluating the eligibility of a household applying for tenancy in a unit set aside for Extremely Low Income (ELI) Households:

- Credit History: The credit history related to medical expenses, cable and internet services will not be taken into consideration when conducting credit checks.
- Income Requirement Policy: The household monthly income must not be required to be more than two times the monthly rent. (e.g., If the monthly rent is \$500, the household monthly income will not be required to exceed \$1,000.)
- Evictions: The eviction history look-back period must not be more than 5 years. A household is permitted one eviction during the 5-year look-back period, unless the eviction was due to causing physical harm to development staff, tenants, or intentional property damage.

##### *ELI Tenant Application Fees and Deposits*

The Applicant must adhere to the following tenant application fees and deposits requirements for a household applying for tenancy in a unit set aside for extremely low-income households:

- It is prohibited to charge a fee to a household that is applying for tenancy in a unit that is set aside for extremely low-income households for the purposes of reserving or holding a unit.
- The application for tenancy fee will be no more than \$35 per adult in a household.
- A security deposit for new tenant households will be not more than the amount of one month's rent.

*For Development with requirements for Link/Special Needs requirements*

The Tenant Selection Plans must include a Preference in their Waiting List section. Owners must create a preference specifically for individuals or families who are referred by a Florida Housing-designated Special Needs Referral Agency. The Tenant Selection Plan must include the following language:

*This Development has adopted a preference to house X number of units of the Extremely Low Income (ELI) units within the Development to be set aside for Persons with Special Needs as defined in 420.0004(13) Florida Statutes. These set aside units are known as Link units. These units shall be set aside specifically for individuals or families who are referred by a Florida Housing-designated Referral Agency. The Development must prioritize these referred individuals for an available Link unit.*

- During and after lease-up, Referral Agency referrals must be moved in first, regardless of chronological order of the general waiting list, until all Link units are occupied with Referral Agency referrals.
- The Tenant Selection Plan shall be submitted by the Applicant to the Corporation for approval within 21 Calendar Days of the date of the invitation to enter credit underwriting.

*Properties with HUD assistance, including Project-Based Assistance, Public Housing Agencies, and those administering Public Housing Programs*

Properties that have contracts with HUD or Public Housing Authorities' rental assistance programs and also have the Florida Housing Link/Special Needs requirement must handle their waiting list to reflect both HUD and Florida Housing requirements. In order to do this, Florida Housing has determined that establishing an owner-adopted preference with a Florida Housing-designated Special Needs Referral Agency is the correct method for complying with Florida Housing and HUD requirements.

- The Waiting List section of the Tenant Selection Plan must include a preference for Special Needs households that are referred by a Florida Housing-designated Special Needs Household Referral Agency.
- HUD regulations require Tenant Selection Plans that implement preferences to have HUD approval. This is the case if there are new Plans in new properties, as well redevelopment, RAD conversions, or substantially rehabilitated properties.
- If a Development has an existing Tenant Selection Plan, Applicant must amend the Plan. Applicants are required to submit the amended Plan with the preferences to their account manager in the field office. The Plan must be sent to the Corporation for preliminary approval before sending to HUD.

## Exhibit H –Credit Underwriting and CDBG-DR Program Requirements

### 1. General Requirements

- a. Applications shall be limited to one submission per subject property. Two or more Applications, submitted in this RFA process, that have the same demographic commitment and one or more of the same Financial Beneficiaries, will be considered submissions for the same Development site if any of the following is true:

- (1) Any part of any of the property sites is contiguous with any part of any of the other property sites, or
- (2) Any of the property sites are divided by a street or easement, or
- (3) It is readily apparent from the Applications, proximity, chain of title, or other information available to the Corporation that the properties are part of a common or related scheme of development.

If two or more Applications are considered to be submissions for the same Development site, the Corporation will reject all such Applications, even if the Applicant withdraws enough Applications so that only one Application would otherwise be eligible. If discovered after the Board approves the Review Committee's recommendations, any tentative funding or allocation for the Application and any other Application submitted by the same Applicant and any Affiliate of the Applicant will be withdrawn.

- b. An Applicant shall be ineligible for funding or allocation in any program administered by the Corporation for a period of time as determined in (c) below if:

- (1) The Board determines that the Applicant or any Principal, Financial Beneficiary, or Affiliate of the Applicant has made a material misrepresentation or engaged in fraudulent actions in connection with any Application for a Corporation program. - (b) Has been excluded from federal or Florida procurement programs for any reason,
- (c) Has been convicted of a felony in connection with any Corporation program, or
- (d) Has offered or given consideration with respect to a local contribution as set forth in subsection (g) below.

- (2) Before any such determination can be final or effective, the Corporation must serve an administrative complaint that affords reasonable notice to the Applicant of the facts or conduct that warrant the intended action, specifies a

proposed duration of ineligibility, and advises the Applicant of the opportunity to request a proceeding pursuant to Sections 120.569 and 120.57, F.S. Upon service of such complaint, all pending transactions under any program administered by the Corporation involving the Applicant, or any Principal, Financial Beneficiary or Affiliate of the Applicant shall be suspended until a final order is issued or the administrative complaint is dismissed.

- (3) The administrative complaint will include a proposed duration of ineligibility, which may be either a specific period of time or permanent in nature. With regard to establishing the duration, the Board shall consider the facts and circumstances, inclusive of each Applicant's compliance history, the type of misrepresentation or fraud committed, and the degree of harm to the Corporation's programs that has been or may be done.

c. The following items as identified by the Applicant in the Application must be maintained and cannot be changed by the Applicant after the applicable submission, unless provided otherwise below:

- (1) Name of Applicant entity; notwithstanding the foregoing, the name of the Applicant entity may be changed only by written request of an Applicant to Corporation staff and approval of the Corporation after the Applicant has been invited to enter credit underwriting. With regard to said approval, the Board shall consider the facts and circumstances of each Applicant's request, inclusive of validity and consistency of Application documentation;
- (2) Principals of each Developer, including all co-Developers; notwithstanding the foregoing, the Principals of the Developer(s) may be changed only by written request of an Applicant to Corporation staff and approval of the Corporation after the Applicant has been invited to enter credit underwriting. With regard to said approval, the Board shall consider the facts and circumstances of each Applicant's request, inclusive of validity and consistency of Application documentation;
- (3) Applicant applying as a Non-Profit or for-profit organization;
- (4) Site for the Development; notwithstanding the foregoing, after the Applicant has been invited to enter credit underwriting and subject to written request of an Applicant to Corporation staff and approval of the Corporation, the site for the Development may be increased or decreased. In addition, if the increase of the site is such that the proposed Development now meets the definition of a Scattered Site, then the Applicant shall be required to provide such Scattered Sites information and meet all Scattered Sites requirements as required by Corporation staff. With regard to said approval, the Corporation shall consider the facts and circumstances of each Applicant's request, inclusive of validity and consistency of Application documentation;
- (5) Development Category;

- (6) Development Type; notwithstanding the foregoing, the Development Type may be changed only by written request of an Applicant to Corporation staff and approval of the Corporation after the Applicant has been invited to enter credit underwriting. With regard to said approval, the Corporation shall consider the facts and circumstances of each Applicant's request, inclusive of validity and consistency of Application documentation;
  - (7) Demographic Commitment;
  - (8) Total number of units; notwithstanding the foregoing, the total number of units may be increased after the Applicant has been invited to enter credit underwriting, subject to written request of an Applicant to Corporation staff and approval of the Corporation. With regard to said approval, the Corporation shall consider the facts and circumstances, inclusive of each Applicant's request, in evaluating whether the changes made are prejudicial to the Development or to the market to be served by the Development;
  - (9) The Total Set-Aside Percentage as stated in the total set-aside breakdown chart for the program(s) applied for in the Set-Aside Commitment section of the Application; and
  - (10) Funding Request Amount, exclusive of adjustments by the Corporation as outlined in this RFA.
- d. A Development will be withdrawn from funding and any outstanding commitments for funds will be rescinded if, at any time, the Board determines that the Applicant's Development or Development team is no longer the Development or Development team described in the Application or to the Credit Underwriter, and the changes made are prejudicial to the Development or to the market to be served by the Development.
  - e. If an Applicant or Developer or any Principal, Affiliate or Financial Beneficiary of an Applicant or a Developer has any existing Developments participating in any Corporation programs that remain in non-compliance with Section 42 of the IRC, Title 67, F.A.C., any competitive solicitations, or applicable loan documents, and any applicable cure period granted for correcting such non-compliance has ended as of the time of submission of the Application or at the time of issuance of a credit underwriting report, the requested allocation will, upon a determination by the Board that such non-compliance substantially increases the likelihood that such Applicant or Developer will not be able to produce quality affordable housing, be denied and the Applicant or Developer and the Affiliates of the Applicant or Developer will be prohibited from new participation in any of the Corporation's programs until such time as all of their existing Developments participating in any Corporation programs are in compliance.
  - f. The name of the Development provided in the Application may not be changed or altered after submission of the Application during the history of the Development with the Corporation unless the change is requested in writing and approved in writing by the Corporation. The Corporation shall consider the facts and circumstances of each Applicant's request and any credit underwriting report, if available, prior to determining whether to grant such request.

- g. If an Applicant or any Affiliate of an Applicant has offered or given consideration, other than the consideration to provide affordable housing, with respect to a local contribution and this is discovered prior to Board approval of the Review Committee's recommendations, the Corporation shall reject the Application and any other Application submitted by the same Applicant and any Affiliate of the Applicant. If discovered after the Board approves the Review Committee's recommendations, any tentative funding or allocation for the Application and any other Application submitted by the same Applicant and any Affiliate of the Applicant will be withdrawn. Such Applicant and any of such Applicant's Affiliates will be ineligible for funding or allocation in any program administered by the Corporation in accordance with 2.b. above.
- h. Total Development Cost includes the following:
- (1) The cost of acquiring real property and any buildings thereon, including payment for options, deposits, or contracts to purchase properties, of which the total cost cannot exceed the appraised value of the real property as determined in the credit underwriting process;
  - (2) The cost of site preparation, demolition, and development;
  - (3) Fees in connection with the planning, execution, and financing of the Development, such as those of architects, engineers, attorneys, accountants, Developer fee, and the Corporation;

  - (8) Allowances for contingency reserves and reserves for any anticipated operating reserves as recommended by the Credit Underwriter and, if applicable, any rent-restabilization reserves required by a Regulated Mortgage Lender or government entity related to the potential loss of funding from the Development's contracted federal rental assistance program. Any funded rent-restabilization reserve not utilized for said purpose must be retained for the sole benefit of the Development; and
  - (9) The cost of such other items, including relocation costs, indemnity and surety bonds, and premiums on insurance for the Development.
- i. In determining the income standards of Eligible Persons for the applicable programs, the Corporation shall take into account the following factors:

- (1) Requirements mandated by federal law;
  - (2) Variations in circumstances in the different areas of the state;
  - (3) Whether the determination is for rental housing; and
  - (4) The need for family size adjustments to accomplish the purposes set forth in this RFA.
- j. Financial Beneficiary and Affiliate, as defined in this RFA, do not include third party lenders, third party management agents or companies, third party service providers, Housing Credit Syndicators, credit enhancers regulated by a state or federal agency, or contractors whose total fees are within the limit described in this RFA.

  - (d) If any of the entities identified in paragraph (c) above are a trust or a non-profit, the Applicant must disclose all of the Principals of the trust or a non-profit (fourth principal disclosure level), all of whom must be natural persons.
- m. Disclosure of the Principals of each Developer must comply with the following: (a) The Applicant must disclose all of the Principals of the Developer (first principal disclosure level); and (b) The Applicant must disclose all of the Principals of all the entities identified in paragraph (a) above (second principal disclosure level).
3. CDBG-DR General Program Procedures and Restrictions:

Selection for CDBG-DR Program participation is contingent upon fund availability at the conclusion of the appeals process as set forth in Rule 67-60.009, F.A.C.

4. Credit Underwriting Procedures for CDBG-DR Loan:

Credit underwriting is a de novo review of all information supplied, received or discovered during or after the RFA scoring and funding preference process, prior to the closing on funding. The success of an Applicant in being selected for funding is not an indication that the Applicant will receive a positive recommendation from the Credit Underwriter or that the Development team's experience, past performance or financial capacity is satisfactory. The credit underwriting review shall include a comprehensive analysis of the Applicant, the real estate, the economics of the Development, the ability of the Applicant and the Development team to proceed, the evidence of need for affordable housing in order to determine that the Development meets the 2018 State of Florida Action Plan for Disaster Recovery Workforce Housing program requirements and determine a recommended CDBG-DR forgivable loan amount, if any. Corporation funding will be based on appraisals of comparable developments, cost benefit analysis, and other documents evidencing justification of costs. As part of the credit underwriting review, the Credit Underwriter will consider the applicable provisions of the RFA.

- a. At the completion of all litigation and approval by the Board of all recommended orders with regard to this RFA process, the Corporation shall offer all Applicants within the funding range an invitation to enter credit underwriting. The Corporation shall select the Credit Underwriter for each Development.
- b. The invitation to enter credit underwriting constitutes a preliminary commitment.
- c. A response to the invitation to enter credit underwriting must be received by the Corporation and the Credit Underwriter not later than seven Calendar Days after the date of the invitation. For any invitation to enter credit underwriting that is offered to an Applicant after Board approval of the list of eligible Applications that is sorted from highest funding preference to lowest, where the Applicant's response is to decline to enter credit underwriting, the result shall be the removal of the Application from the list of eligible Applications for this RFA and any other funding where that list of eligible Applications will be used.
- d. If the invitation to enter credit underwriting is accepted:
  - (1) All Applicants shall submit the credit underwriting fee to the Credit Underwriter within seven Calendar Days of the date of the invitation to enter credit underwriting. In addition, if requested by the Corporation, Applicants shall submit IRS Tax Information Authorization Form 8821 for all Financial Beneficiaries within 14 Calendar Days of the date of the invitation.
  - (2) Failure to submit the required credit underwriting fee by the specified deadline shall result in withdrawal of the invitation.
  - (3) The loan must close within the timeframe set out in 4.y. below.

- e. The Credit Underwriter shall review all information in the Application and subsequently provided during the credit underwriting process, including information relative to the Applicant, Developer and General Contractor, as well as other members of the Development team. The Credit Underwriter shall also request and review such other information as it deems appropriate to determine whether or not to provide a positive recommendation in connection with a proposed Development.
- f. In determining whether or not to provide a positive recommendation in connection with a proposed Development, the Credit Underwriter will consider the prior and recent performance history of the Applicant, Developer, any Financial Beneficiary of the Applicant or Developer, and the General Contractor in connection with any other affordable housing development. The performance history shall consider instances involving a foreclosure, deed in lieu of foreclosure, financial arrearage, or other event of material default in connection with any affordable housing development or the documents governing financing or operation of any such development.
  - (1) Unless the Credit Underwriter determines that mitigating factors exist, or that underwriting conditions can be imposed, sufficient to mitigate or offset the risk, the existence of the following shall result in a negative recommendation of the proposed Development by the Credit Underwriter:
    - (a) Considering all affordable housing developments in which any party named above has been involved, if:
      - (i) During the period prior to August 1, 2010, 5 percent or more of that party's developments have been the subject of a foreclosure or deed in lieu of foreclosure, or in financial arrearage or other material default and such arrearage or material default remained uncured for a period of 60 days or more, or
      - (ii) During the period beginning on or after August 1, 2010, any of that party's developments have been the subject of a foreclosure or deed in lieu of foreclosure, or in financial arrearage or other material default and such arrearage or material default is uncured at the present or, if cured, remained uncured for a period of 60 days or more.
    - (b) Mitigating factors to be considered by the Credit Underwriter, to the extent such information is reasonably available and verifiable, shall include the extent to which the party funded the operations of the development from that party's own funds in an attempt to keep the development afloat, the election by a party to forego financial participation in a development in an attempt to keep the development afloat, the party's satisfactory performance history over the last 10 years in connection with that party's affordable housing developments, and any other extenuating circumstances deemed relevant by the Credit

Underwriter in connection with the party's involvement in a development.

- (2) A negative recommendation may also result from the review of:
- (a) An Applicant, Developer, any Financial Beneficiary of the Applicant or Developer, and the General Contractor in connection with any other affordable housing development,
  - (b) Financial capacity of an Applicant, Developer, any Financial Beneficiary of the Applicant or Developer and the General Contractor, or
  - (c) Any other relevant matters relating to an Applicant, Developer, any Financial Beneficiary of the Applicant or Developer, and the General Contractor if, in the Credit Underwriter's opinion, one or more members of the Development team do not possess the ability to proceed.
- g. The Credit Underwriter shall report any inconsistencies or discrepancies or changes made to the Applicant's Application during credit underwriting.
  - h. The Applicant will be responsible for all fees in connection with the documentation submitted to the Credit Underwriter.
  - i. If the Credit Underwriter determines that special expertise is required to review information submitted to the Credit Underwriter which is beyond the scope of the Credit Underwriter's expertise, the fee for such services shall be borne by the Applicant.
  - j. A full or self-contained appraisal as defined by the Uniform Standards of Professional Appraisal Practice and a separate market study shall be ordered by the Credit Underwriter, at the Applicant's expense, from an appraiser qualified for the geographic area and development type not later than completion of credit underwriting. The Credit Underwriter shall review the appraisal to properly evaluate the development property's financial feasibility. With the exception of Land Acquisition Program Funding, appraisals which have been ordered and submitted by a Regulated Mortgage Lender and which meet the above requirements and are acceptable to the Credit Underwriter may be used instead of the appraisal referenced above. The market study must be completed by a disinterested party who is approved by the Credit Underwriter. The Credit Underwriter shall consider the market study, the Development's financial impact on Developments in the area previously funded by the Corporation, and other documentation when making its recommendation of whether to approve or disapprove a CDBG-DR loan. The Credit Underwriter shall also review the appraisal and other market documentation to determine if the market exists to support both the demographic and income restriction set-asides committed to within the Application.
  - k. The minimum debt service coverage shall be 1.10x for the CDBG-DR loan, including all superior mortgages. However, if the Applicant defers at least 35 percent of its Developer fee for at least six months following construction completion, the minimum debt service coverage shall be 1.00x for the CDBG-DR loan, including all superior

mortgages. The maximum debt service coverage shall be 1.50x for the CDBG-DR loan, including all superior mortgages. In extenuating circumstances, such as when the Development has deep or short term subsidy, the debt service coverage may exceed 1.50x if the Credit Underwriter's favorable recommendation is supported by the projected cash flow analysis. Developments receiving first mortgage funding from the United States Department of Agriculture Rural Development (RD) are not required to meet the debt service coverage standards if RD is providing rental assistance and has acknowledged that rents will be set at an amount sufficient to pay all operating expenses, replacement reserve requirements and debt service on the first and second mortgages.

- I. The Corporation's assigned Credit Underwriter shall require a guaranteed maximum price construction contract, which may include change orders for changes in cost or changes in the scope of work, or both, if all parties agree, and shall order, at the Applicant's sole expense, and review the Development's costs.
- m. In addition to operating expenses, the Credit Underwriter must include an estimate for replacement reserves and operating expense reserves deemed appropriate by the Credit Underwriter when calculating the final net operating income available to service the debt. A minimum amount of \$300 per unit per annum must be used for all Developments.

The initial replacement reserve will have limitations on the ability to be drawn upon. New Construction shall not be allowed to draw during the first five years or until the establishment of a minimum balance equal to the accumulation of five years of replacement reserves per unit.

- n. The Credit Underwriter may request additional information during the underwriting process, such as the following:
  - (1) For credit enhancers, audited financial statements for their most recent fiscal year ended, if published; otherwise the previous year's audited statements will be provided until the current statements are published or credit underwriting is complete. The audited statements may be waived if the credit enhancer is rated at least "A-" by Moody's, Standard and Poor's or Fitch.
  - (2) For the Applicant, general partner(s), and guarantors, audited financial statements or financial statements compiled or reviewed by a licensed Certified Public Accountant for the most recent fiscal year ended, credit check, banking and trade references, and deposit verifications. If financial statements that are either audited, compiled or reviewed by a licensed Certified Public Accountant are not available, unaudited financial statements prepared within the last 90 days and reviewed by the Credit Underwriter in accordance with Part IIIA, Sections 401 through 408 and 410, of Fannie Mae's Multifamily Selling and Servicing Guide, in effect as of June 10, 2015, which is available on the RFA Website, and the two most recent years' tax returns. If any of the applicable entities are newly formed (less than 18 months in existence as of the date that credit underwriting information is requested), a copy of any and all tax returns

with related supporting notes and schedules. The financial statements and information provided for review should be in satisfactory form and shall be reviewed in accordance with the terms and conditions required in this RFA. When referring to the Multifamily Selling and Servicing Guide, any references to “Lender” means the “Corporation-assigned Credit Underwriter” and any references to “Fannie Mae” means “Florida Housing Finance Corporation.”

- (3) For the General Contractor, audited financial statements or financial statements compiled or reviewed by a licensed Certified Public Accountant for the most recent fiscal year ended, credit check, banking and trade references, and deposit verifications. The audited or compiled statements may be waived if a payment and performance bond equal to 100 percent of the total construction cost whose terms do not adversely affect the Corporation’s interest, and is issued in the name of the General Contractor by a company rated at least “A-” by AMBest & Co.
- o. The general partner(s) (individual and entity) or manager(s)/managing member(s) (individual and entity), as applicable, of the Applicant shall provide a guarantee for completion of construction. In addition, one or more entities or individuals (other than a general partner or manger/managing member) having an ownership interest, either directly or indirectly, in the Applicant or in the general partner or managing member of the Applicant shall be required to provide guarantees or personal guarantees, as applicable, for completion of construction as recommended by the Credit Underwriter or as otherwise required by the Corporation. The Credit Underwriter shall consider the following when determining the need for construction completion guarantees:
- (1) Liquidity of the guarantor(s).
  - (2) Applicant’s, Developer and General Contractor’s history in successfully completing Developments of similar nature.
  - (3) The past performance of the Applicant, Developer, General Contractor or any other guarantee provider in developing or constructing Development financed by the Corporation or its predecessor.
  - (4) Percentage of Corporation’s funds utilized compared to Total Development Cost.
- p. For all Developments, the Developer fee and General Contractor’s fee shall be limited to the following:
- (1) For Applicants requesting CDBG-DR only, the Developer fee limit shall be 16 percent of Development Cost, excluding land and operating deficit reserves. For Applicants requesting Tax-Exempt Bond Financing and Non-Competitive Housing Credits, the Developer fee limit shall be 18 percent of Development Cost, excluding land and operating deficit reserves.
  - (2) The General Contractor’s fee shall be limited to a maximum of 14 percent of the actual construction cost.

- q. The General Contractor must meet the following conditions:
- (1) Employ a Development superintendent and charge the costs of such employment to the general requirements line item of the General Contractor's budget;
  - (2) Charge the costs of the Development construction trailer, if needed, and other overhead to the general requirements line item of the General Contractor's budget;
  - (3) Secure building permits, issued in the name of the General Contractor;
  - (4) Secure a payment and performance bond whose terms do not adversely affect the Corporation's interest (or approved alternate security for General Contractor's performance, such as a letter of credit), issued in the name of the General Contractor, from a company rated at least "A-" by AMBest & Co.;
  - (5) Ensure that none of the General Contractor duties to manage and control the construction of the Development are subcontracted;
  - (6) Ensure that no construction or inspection work is performed by the General Contractor, with the following exceptions:
    - a. The General Contractor may perform its duties to manage and control the construction of the Development; and
    - b. The General Contractor may self-perform work of a de minimis amount, defined for purposes of this sub-subparagraph as the lesser of \$350,000 or 5 percent of the construction contract
  - (7) Unless otherwise approved by the Corporation for a specific Development, ensure that not more than 20 percent of the construction cost, not to include the General Contractor fee or pass-through fees paid by the General Contractor, is subcontracted to any one entity or any group of entities that have common ownership or are Affiliates of any other subcontractor, with the exception of a subcontractor (or any group of entities that have common ownership or are Affiliates of any other subcontractor):
    - a. Contracted to deliver the building shell of a building of less than five (5) stories which may not have more than 25 percent of the construction cost in a subcontract, unless otherwise approved by the Corporation for a specific Development; or
    - b. Contracted to deliver the building shell of a building of at least five (5) stories which may not have more than 31 percent of the construction cost in a subcontract, unless otherwise approved by the Corporation for a specific Development;

With regard to said approval, the Corporation shall require an analysis from the Credit Underwriter and consider the facts and circumstances of each Applicant's request, inclusive of construction costs and the General Contractor's fee. For purposes of subparagraph 7., "Affiliate" has the meaning given in subsection 67-21.002(5), F.A.C., except that the term "Applicant" therein shall mean "subcontractor"; and,

- (8) Ensure that no construction cost is subcontracted to any entity that has common ownership or is affiliated with the General Contractor unless otherwise approved by the Board for a specific Development. With regard to said approval, the Board shall consider the facts and circumstances of each Applicant's request, inclusive of construction costs and ownership interests in the Development.
- r. The Credit Underwriter shall require an operating deficit guarantee, to be released upon achievement of a 1.15x debt service coverage for the combined permanent first mortgage and CDBG-DR loan, as determined by the Corporation or its agent, and 90 percent occupancy, and 90 percent of the gross potential rental income, net of utility allowances, if applicable, for a period equal to 12 consecutive months, all as certified by an independent Certified Public Accountant. The calculation of the debt service coverage ratio shall be made by the Corporation or its agent. Notwithstanding the above, the operating deficit guarantee shall not terminate earlier than three years following the final certificate of occupancy. An operating deficit guarantee, to be released upon achievement of 1.00 debt service coverage for a minimum of six consecutive months for the combined permanent first mortgage and CDBG-DR loan will be required for Developments receiving first mortgage funding from the United States Department of Agriculture Rural Development (RD) if RD is providing rental assistance and has acknowledged that rents will be set at an amount sufficient to pay all operating expenses, replacement reserve requirements and debt service on the CDBG-DR loan and all superior mortgages.
- s. Contingency reserves which total no more than 5 percent of total actual construction costs (hard costs) and total general development costs (soft costs) for Developments where 50 percent or more of the units are new construction may be included within the Total Development Cost for Application and underwriting purposes. Contingency reserves shall not be paid from CDBG-DR funds.
- t. The Credit Underwriter will review and determine if the number of loans and construction commitments of the Applicant and its Principals will impede its ability to proceed with the successful development of each proposed Corporation-funded Development.
- u. The firm loan commitment must be issued by the date of the Board of Directors meeting immediately following twelve (12) months after the Applicant is invited to enter credit underwriting. Unless an extension is approved by the Board, failure to achieve issuance of a firm loan commitment by the specified deadline shall result in withdrawal of the preliminary commitment. Applicants may request one (1) extension of up to six (6) months to secure a firm loan commitment. All extension requests must be submitted in

writing to the program administrator and contain the specific reasons for requesting the extension and shall detail the time frame to achieve a firm loan commitment. In determining whether to grant an extension, the Board shall consider the facts and circumstances of the Applicant's request, inclusive of the responsiveness of the Development team and its ability to deliver the Development timely. The Corporation shall charge a nonrefundable extension fee of one (1) percent of each loan amount if the request to extend the credit underwriting and firm loan commitment process beyond the initial deadline is approved. If an approved extension is utilized, Applicants must pay the extension fee not later than seven (7) Calendar Days after the Board approves the extension of the original deadline. If, by the end of the extension period, the Applicant has not received a firm loan commitment, then the preliminary commitment shall be withdrawn.

- v. If the Credit Underwriter requires additional clarifying materials in the course of the underwriting process, the Credit Underwriter shall request same from the Applicant and shall specify deadlines for the submission of same. Failure to submit required information by the specified deadline, unless a written extension of time has been approved by the Corporation, shall result in withdrawal of the preliminary commitment or the invitation to enter credit underwriting, or both, as applicable. In determining whether to grant an extension, the Corporation shall consider the facts and circumstances of the Applicant's request, inclusive of the responsiveness of the Development team and its ability to deliver the Department timely. If the Corporation's decision is to deny the Applicant's request for an extension, then prior to the withdrawal of the preliminary commitment or the invitation to enter credit underwriting, or both, as applicable, the Board shall consider the facts and circumstances of the Applicant's request, the Corporation's denial, and any credit underwriting report, if available, and make a determination of whether to grant the requested extension.
- w. The Credit Underwriter shall complete its analysis and submit a written draft report and recommendation to the Corporation. Upon receipt, the Corporation shall provide to the Applicant the section of the written draft report consisting of supporting information and schedules. The Applicant shall review and provide written comments to the Corporation and Credit Underwriter within 48 hours of receipt. After the 48 hour period, the Corporation shall provide to the Credit Underwriter comments on the draft report and, as applicable, on the Applicant's comments. Then, the Credit Underwriter shall review and incorporate, if deemed appropriate, the Corporation's and Applicant's comments and release the revised report to the Corporation and the Applicant. Any additional comments from the Applicant shall be received by the Corporation and the Credit Underwriter within 72 hours of receipt of the revised report. Then, the Credit Underwriter will provide a final report, which will address comments made by the Applicant, to the Corporation.
- x. The Credit Underwriter's loan recommendations will be sent to the Board for approval. The Corporation shall issue a firm loan commitment within seven Calendar Days after approval of the Credit Underwriter's recommendation for funding by the Board.

- y. This loan and other mortgage loans related to the Development must close by the date of the Board of Directors meeting immediately following 180 Calendar Days of the firm loan commitment(s). Unless an extension is approved by the Board, failure to close the loan(s) by the specified deadline outlined above shall result in the firm loan commitment(s) being deemed void and the funds shall be de-obligated. Applicants may request one (1) extension of the loan closing deadline outlined above for a term of up to 90 Calendar Days. All extension requests must be submitted in writing to the program administrator and contain the specific reasons for requesting an extension and shall detail the time frame to close the loan. The Board shall consider the facts and circumstances of each Applicant's request, inclusive of the Applicant's ability to close within the extension term and any credit underwriting report, prior to determining whether to grant the requested extension. The Corporation shall charge an extension fee of one (1) percent of each Corporation loan amount if the Board approves the request to extend the loan closing deadline beyond the applicable period outlined above. If an approved extension is utilized, Applicants must pay the extension fee not later than seven (7) Calendar Days after the Board approves the request to extend the original loan closing deadline. In the event the Corporation loan(s) does not close by the end of the extension period, the firm loan commitment(s) shall be deemed void and the funds shall be de-obligated.
  - z. Prior to any loan closing:
    - (1) The Applicant must provide evidence of all necessary consents or required signatures from first mortgagees or subordinate mortgagees to the Corporation and its counsel, and
    - (2) The Credit Underwriter must have received all items necessary to release its letter confirming that all closing contingencies have been met, including the finalized sources and uses of funds and Draw schedule.
5. Terms and Conditions of CDBG-DR Loan:
- a. For Priority I Applications, the CDBG-DR funding associated with the land acquisition costs will be awarded to the designated Land Owner and the remaining funding will be awarded to the Applicant. The designated Land Owner and the Applicant will each enter into separate CDBG-DR loans with the terms and conditions outlined below. The closing of the Land Owner loan and Applicant loan will be contemporaneous.
  - b. The proceeds of the CDBG-DR loan shall be used for Developments which provide affordable, safe and sanitary multifamily rental housing units.
  - c. The CDBG-DR loan may be in a first, second, or other subordinated lien position. For purposes of this RFA, mortgages securing a letter of credit as credit enhancement for the bonds financing the first mortgage shall be considered a contingent liability and part of the first mortgage lien, provided that the Applicant's counsel furnishes an opinion regarding the contingent nature of such mortgage satisfactory to the Corporation and its counsel.

- d. The CDBG-DR loan shall be non-amortizing and shall have an interest rate of zero percent per annum. The loan will not require payment for as long as the proposed Development remains in Compliance. The loan will be forgiven after 20 years.
- e. The amount of any superior mortgages combined with the CDBG-DR mortgage shall be less than the appraised value of the Development. Any debt service reserve requirement associated with a superior mortgage shall be excluded from the amount of the superior mortgage for purposes of this calculation.

By the date that is 151 Calendar Days after the Applicant's fiscal year end of each year of the CDBG-DR loan term, the Applicant shall provide the Corporation's servicer with audited financial statements and the fully completed and executed annual reporting form, Financial Reporting Form SR-1. However, this certification requirement will be waived until 151 Calendar Days after the Applicant's fiscal year end following the fiscal year within which the first unit is occupied. The SR-1 form, Rev. 01-23, which is available on the Corporation's Website <http://www.floridahousing.org/PropertyOwnersAndManagers/Forms> (also accessible by clicking [here](#)), shall be submitted to the Corporation's servicer in both PDF format and in electronic form as a Microsoft Excel spreadsheet. The audited financial statements are to be prepared in accordance with accounting principles generally accepted in the United States of America and audited in accordance with auditing standards generally accepted in the United States of America for the 12 month fiscal year period just ended and shall include:

- (1) Comparative Balance Sheet with prior year and current year balances;
- (2) Statement of revenue and expenses;
- (3) Statement of changes in fund balances or equity;
- (4) Statement of cash flows; and
- (5) Notes to financial statements.

The financial statements referenced above should also be accompanied by a certification of the Applicant as to the accuracy of such financial statements. A late fee of \$500 will be assessed by the Corporation for failure to submit the required audited financial statements and certification by 151 Calendar Days after the Applicant's fiscal year end of each year of the CDBG-DR loan term. Failure to submit the required audited financial statements and certification by 151 Calendar Days after the Applicant's fiscal year end of each year of the CDBG-DR loan term shall constitute an event of default on the CDBG-DR loan. The Applicant shall furnish to the Corporation or its servicer, unaudited statements, certified by the Applicant's principal financial or accounting officer, covering such financial matters as the Corporation or its servicer may reasonably request, including without limitation, monthly statements with respect to the Development.

- f. After acceleration, the Note shall bear interest at the default interest rate from the due date until paid.

- g. The final billing for the purpose of payoff of the CDBG-DR loan shall also include a billing for compliance fees to cover monitoring of CDBG-DR Program requirements beyond the maturity date of the Note. Such fees shall be computed by determining the present value of the annual compliance monitoring fee for the number of years for which the Development will have a set-aside for persons or households beyond the repayment date. The present value discount rate shall be 2 percent per annum. Such amount shall be reduced by the amount of any compliance monitoring fees for other programs collected by the Corporation for the Development for that period, provided:
- (1) The compliance monitoring fee covers some or all of the period following the anticipated CDBG-DR loan repayment date; and
  - (2) The Development has substantially equivalent set-asides for persons or households mandated through another Corporation program for which the compliance monitoring fee was collected.
- h. The CDBG-DR loans shall be serviced either directly by the Corporation or by the servicer on behalf of the Corporation.
- i. The Corporation shall monitor compliance of all terms and conditions of the CDBG-DR loan and shall require that certain terms and conditions be embodied in the Land Use Restriction Agreement and recorded in the public records of the county wherein the Development is located. Violation of any material term or condition of the documents evidencing or securing the CDBG-DR loan shall constitute a default during the term of the CDBG-DR loan. The Corporation shall take appropriate legal action to effect compliance if a violation of any material term or condition relative to the set-asides of units is discovered during the course of compliance monitoring or by any other means.
- j. The Corporation shall require adequate insurance to be maintained on the Development as determined by the first mortgage lender, the Corporation, or the Corporation's servicer, sufficient to meet the standards established in the Florida Housing Finance Corporation (FHFC) Insurance Guide (and as amended from time to time). The most recently published FHFC Insurance Guide is available on the Corporation's Website <http://www.floridahousing.org/owners-and-managers/compliance/forms> (also accessible by clicking [here](#)).
- k. The CDBG-DR loan term shall be for a period of not more than 20 years. The term of the loan may exceed 20 years if the lien of the Corporation's encumbrance is subordinate to the lien of another mortgagee, in which case the term may be made coterminous with the longest term of the superior loan.
- l. After accepting a preliminary commitment, the Applicant or Land Owner shall not refinance, increase the principal amount, or alter any terms or conditions of any mortgage superior or inferior to the CDBG-DR mortgage without prior approval of the Corporation's Board of Directors. However, an Applicant or Land Owner may reduce the interest rate on any superior or inferior mortgage loan without the Board's permission, provided that no other terms of the loan are changed. The Corporation must be notified in writing of any such change.

Following construction completion, the Board shall deny requests to increase the amount of any superior mortgage, unless the criteria outlined below are met, the original combined loan to value ratio for the superior mortgage and the CDBG-DR mortgage is maintained or improved, and a proportionate amount of the increase in the superior mortgage is used to reduce the outstanding CDBG-DR loan balance. To calculate the proportionate amount of the increase in the superior mortgage which must be paid toward the reduction of the CDBG-DR loan balance, the following calculation shall be used: divide the amount of the original CDBG-DR mortgage by the combined amount of the original CDBG-DR mortgage and the original superior mortgage; then multiply the quotient by the amount of the increase in the superior mortgage from the current balance. For example, if the amount of the original CDBG-DR mortgage is \$2,000,000, the original superior mortgage is \$4,400,000, with a current balance of \$3,000,000, a proposed new superior mortgage of \$5,000,000, then the amount of the increase in the superior mortgage would be \$2,000,000, and the proportionate amount of the increase in the superior mortgage which must be paid toward the reduction of the CDBG-DR loan balance would be \$625,000. This \$625,000 would be applied first to accrued interest and then to principal.

- m. All CDBG-DR loans shall be in conformance with applicable federal and state statutes, including the Fair Housing Act (Title VIII of the Civil Rights Act of 1968, as amended) including the Affirmative Fair Marketing Plan, Titles II and III of the Americans with Disabilities Act of 1990 as implemented by 28 CFR Part 35, Section 504 of the Rehabilitation Act of 1973, as implemented by 24 CFR Part 8 (“Section 504 and its related regulations”), and The Violence Against Women Reauthorization Act of 2013. These provisions are available on the RFA Website. To the extent that a CDBG-DR Development is not otherwise subject to Section 504 and its related regulations, the CDBG-DR Development shall nevertheless comply with Section 504 and its related regulations as requirements of the CDBG-DR Program to the same extent as if the CDBG-DR Development were subject to Section 504 and its related regulations in all respects. To that end, for purposes of the CDBG-DR Program, CDBG-DR funding shall be deemed “Federal financial assistance” within the meaning of that term as used in Section 504 and its related regulations for all CDBG-DR Developments.
- n. Rent restrictions for Housing Credits are determined in accordance with Section 42(g)(2) of the IRC using Multifamily Tax Subsidy Program (MTSP) income limits published by HUD; affordable rents for CDBG-DR are determined in a manner consistent with Section 42(g)(2) of the IRC using CDBG income limits published by HUD. The gross monthly rent shall not exceed 30 percent of the imputed income limitation applicable to such unit as committed to by the Applicant in its Application. The 2019 Florida Housing Income and Rent Limits for each program can be accessed on the Corporation’s website <https://www.floridahousing.org/owners-and-managers/compliance/rent-limits> (also accessible by clicking [here](#)). When a household occupying a unit satisfies the restrictions for both programs, the applicable income limit and rent limit are those are the most restrictive (lowest amount).
- o. The documents creating, evidencing or securing each CDBG-DR loan must provide that any violation of the terms and conditions described in this RFA constitutes a default

under the CDBG-DR loan documents allowing the Corporation to accelerate its loan and to seek foreclosure as well as any other remedies legally available to it.

- p. A failure to pay any principal or interest due under the terms of this section shall constitute a default on the CDBG-DR loan.
- q. Failure of the Applicant to provide the Corporation and its servicer with the Form SR-1 shall constitute a default on the CDBG-DR loan.
- r. The Compliance Period for a CDBG-DR Development shall be, at a minimum, the HUD affordability period requires units to be set aside for 20 years. Priority I Applications must remain affordable into Perpetuity. The Corporation is adding 30 years of an extended affordability period to the HUD affordability period for Priority II and Priority III Applications, for a total affordability period of 50 years for Priority II and Priority III Application. The set-aside requirements apply to the total number of residential units in the Development beginning on the later of the first day on which any residential unit in the Development is occupied or the CDBG-DR loan closing date. For a period of 12 months beginning on the CDBG-DR loan closing date (the “transition period”), the failure to satisfy the set-aside requirements shall not cause noncompliance.
- s. Unless and until a guarantor’s obligations for an Applicant’s CDBG-DR loan are terminated as approved in writing by the Corporation or its servicer, each guarantor shall furnish to the Corporation or its servicer financial statements as provided in paragraphs (1) through (3) below as the Corporation or its servicer may reasonably request.
  - (1) The audited financial statements are to be prepared in accordance with accounting principles generally accepted in the United States of America and audited in accordance with auditing standards generally accepted in the United States of America for the 12 month fiscal year period just ended and shall include:
    - (a) Comparative Balance Sheet with prior year and current year balances;
    - (b) Statement of revenue and expenses;
    - (c) Statement of changes in fund balances or equity;
    - (d) Statement of cash flows; and
    - (e) Notes to financial statements.

The financial statements referenced above should also be accompanied by a certification of the guarantor(s) as to the accuracy of such financial statements; or

- (2) If an audited financial statement has not been prepared, a federal income tax return filed for the most recently completed year; or

- (3) For individual guarantors, if an audited financial statement is not available a financial statement certified as true and complete without qualification by such guarantor and a copy of the most recently filed individual federal income tax return.

6. Sale, Transfer or Refinancing of a CDBG-DR Development or Land:

- a. Any sale, conveyance, assignment, or other transfer of interest or the grant of a security interest in all or any part of the title to the Development or land other than a superior mortgage shall be subject to the Corporation's prior written approval. The Board shall consider the facts and circumstances of each Applicant's request and any credit underwriting report, if available, prior to determining whether to grant such request.

In addition to any related professional fees, the Corporation shall charge a non-refundable assumption fee as outlined in the most current competitive solicitation.

- c. If the CDBG-DR loan is not assumed since the buyer does not meet the criteria for assumption of the CDBG-DR loan, the CDBG-DR loan (principal and any outstanding interest) shall be repaid from the proceeds of the sale in the following order of priority:
  - (1) First mortgage debt service, first mortgage fees;
  - (2) CDBG-DR compliance and loan servicing fees;
  - (3) An amount equal to the present value of the compliance monitoring fee for the periods for which the Development will have a set-aside for persons or households beyond the repayment date. The present value discount rate shall be 2 percent per annum. Such amount shall be reduced by the amount of any compliance monitoring fees collected by the Corporation for the Development for that period, provided:

  - (b) A certification from the Applicant or Land Owner that the purchase price reported is the actual price paid for the Development or land, as supported by a copy of the final executed purchase and sale agreement, and that no other consideration passed between the parties, as supported by a draft and final closing statement, and that the Development Cash Flow reported to the Corporation during the term of the CDBG-DR loan was true and accurate;
  - (c) A certification from the Applicant that there are no Development funds available to repay the CDBG-DR loan, including any interest due, and the Applicant knows of no source from which funds could or would be forthcoming to pay the CDBG-DR loan; and
  - (d) A certification from the Applicant or Land Owner detailing the information needed to determine the final billing for CDBG-DR loan interest. Such certification shall require submission of financial statements and other documents that may be required by the Corporation and its servicer.

Further, the Board shall limit any approved extension to a minimum term which makes the Development feasible and which does not exceed an industry standard term.

The Corporation will recommend that the Board deny requests to increase the amount of any superior mortgage, unless the criteria outlined in Item e. above are met, the original combined loan to value ratio for the superior mortgage and the CDBG-DR mortgage is maintained or improved, and a proportionate amount of the increase in the superior mortgage is used to reduce the outstanding CDBG-DR loan balance.
