

REQUEST FOR APPLICATIONS

**RFA 2026-103 HOUSING CREDIT AND SAIL FINANCING TO
DEVELOP HOUSING FOR HOMELESS PERSONS**

Issued By:

FLORIDA HOUSING FINANCE CORPORATION

Issued: November 4, 2025

Due: January 20, 2026

SECTION ONE INTRODUCTION

This Request for Applications (RFA) is open to Non-Profit Applicants proposing the development of housing for Homeless Households as defined in Exhibit B of this RFA, that also include a portion of units for Persons with Special Needs, located in the Medium and Large Counties.

The intent of this RFA is to help communities address the significant need for housing for Homeless Households or individuals living in more restrictive settings due to the lack of stable housing and coordinated access to appropriate community-based healthcare and supportive services. This RFA proposes to utilize 9% Housing Credits in conjunction with State Apartment Incentive Loan (SAIL) funding, and Home Investment Partnerships Program funding provided through the American Rescue Plan (HOME-ARP).

A. 9% Housing Credits

The Corporation expects to offer an estimated \$6,100,000 of 9% Housing Credits available to proposed Developments under this RFA.

B. SAIL:

The Corporation expects to offer an estimated \$12,500,000 of SAIL available to proposed Developments under this RFA. A portion of this funding may be used as an Extremely Low Income (ELI) Loan for ELI Set-Aside Units as further described in Section Four, A.10.a.(2)(b) of the RFA. The portion of the SAIL loan that is attributable to the ELI Funding is a forgivable loan.

C. Home Investment Partnerships Program (HOME) From The American Rescue Plan Act (HOME-ARP)

All Applicants must commit to four 22% Units as described in Section Four, A.6.c.(2)(c) of this RFA. \$3,157,295 in forgivable HOME-ARP funding will be made available for all required 22% Units.

All HOME-ARP requirements would apply such as how the units must be used for Qualifying Populations, the HUD environmental requirements provided in 24 CFR Part 92 and 24 CFR Part 58, AND Davis-Bacon requirements apply, if there are at least twelve 22% Units.

The terms and conditions of HOME-ARP are further described in Exhibit H of the RFA.

The Corporation's objective is to ensure that, to the extent possible, financing to develop housing to serve Homeless households is provided across the state. To this end, the Corporation has divided the state into four regions with paired regions having relatively equal Homeless populations, based on the Homeless household counts outlined in the 2025 Statewide Rental Market Study, ensuring that all counties that are part of one regional Homeless Continuum of Care are located in the same region. The Corporation's approach is to target financing to each region over time. The regions are: Central Florida Region, North Florida Region, Tampa Bay Region and South Region, and the counties associated with these Regions can be found in Section Four, A.5.a. of the RFA. This RFA includes a goal to fund at least one Homeless Development in the Central Region and Tampa Bay Region, with a preference to fund at

least one Homeless Development in a Large County and at least one Homeless Development in a Medium County. The Large and Medium counties within each region are listed on the chart in Section Four, A.5.a of the RFA. This goal and preference are further outlined in Section Five B of the RFA.

The Corporation is soliciting applications from qualified Applicants that commit to provide housing in accordance with the terms and conditions of this RFA, inclusive of all Exhibits to this RFA, applicable laws, rules and regulations, and the Corporation's generally applicable construction and financial standards.

SECTION TWO DEFINITIONS

Capitalized terms within this RFA shall have the meaning as set forth in this RFA, in Exhibit B, Rule Chapter 67-48, F.A.C. (effective July 2025) and Rule Chapter 67-60, F.A.C., (effective October 23, 2024), or in applicable federal regulations.

SECTION THREE PROCEDURES AND PROVISIONS

Unless otherwise stated within the RFA, the Application package, forms and other information related to this RFA may be found on the RFA Webpage at <https://www.floridahousing.org/programs/developers-multifamily-programs/competitive/2026/2026-103> (also available by clicking [here](#)).

A. Submission Requirements

1. Application Deadline

The Application Deadline is **3:00 p.m., Eastern Time, on January 20, 2026.**

2. Completing the Application Package

a. Downloading and completing the documents provided by the Corporation

Download and complete the following documents found on the RFA Webpage:

- (1) The Application/Development Cost Pro Forma (Exhibit A of the RFA);
- (2) The Impact Scoring responses (Section Four, C. of Exhibit A of the RFA);
- (3) The Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019) in Excel ("Principals Disclosure Form"). If a Principals Disclosure Form was approved during the Advance Review Process, which is described in Section Four A.3.c. of the RFA, the stamped "Approved" Principals Disclosure Form should be used to satisfy this requirement.

The download process may take several minutes. Applicants should save these documents with a file name that is unique to the specific Application.

b. Creating the All Attachments Document

In addition to the documents described in a. above, the Application Package also includes one copy consisting of all of the applicable completed Attachments described in the RFA (“All Attachments Document”).

Compile all of the attachments described in the RFA into one pdf file separated by pages labeling each Attachment to create the All Attachments Document. This may be accomplished by merging the documents using a computer program such as Adobe Acrobat Pro or by scanning all of the attachments together.

As described in Section Four, B.2., to be awarded 5 points, bookmark the pdf of the All Attachments Document before uploading. It is not necessary to bookmark the individual documents within the Application Package (e.g. the Exhibit A document or the Principals Disclosure Form). Acrobat Standard DC or Acrobat Pro DC are the programs required to create bookmarks.

Note: The Corporation has provided instructions on how to bookmark the Attachments as well as sample pages that may be used to separate the attachments on the RFA Webpage. If any of the attachments are not applicable, the Applicant should insert a page stating “Not Applicable” behind the separation page.

3. Uploading the Application Package

To upload the Application Package described in 2.a. above:

- a. Go to the RFA Webpage.
- b. Click the link to login and upload the Application Package. Note: A username and password must be entered. If the Applicant has not previously created a username and password, the Applicant will need to create one prior to the upload process.
- c. After successfully logging in, click “Upload Application Package.” Enter the Development Name and click “Browse” to locate the following completed saved documents:
 - (1) The Application (Exhibit A) in Excel format;
 - (2) The Principals Disclosure form in Excel format. (If the Applicant received an approved Principals Disclosure Form through the Advance Review Process, the approved form is what should be uploaded);
 - (3) The Impact Scoring description responses in Word format; and
 - (4) The All Attachments Document in a pdf format.

The average file size is 1.0 MB and may take a few minutes to upload. Larger files may take longer to upload. There is a file size limit of 15 MB, but this may be reduced without reducing the number of pages submitted. Examples of factors that affect file size include the resolution of the scanner or scanning the documents in color or as a graphic/picture.

- d. After the documents are displayed in the Upload webpage, click “Upload Selected Files” to electronically submit the documents to the Corporation by the Application Deadline. Then the Uploaded Application (consisting of all four documents comprising the Application Package), and its assigned Response Number will be visible in the first column.

For scoring purposes, the Corporation will not consider any documentation beyond the Application Package that is uploaded as described above.

Note: If the Applicant clicks “Delete” prior to the Application Deadline, the Application will no longer be considered a Submitted Application and the Applicant will be required to upload the Application Package again in order for these documents to be considered an Uploaded Application. This will generate a new Response Number.

4. Submitting the Application Fee

a. Application Fee

By the Application Deadline, provide to the Corporation the required non-refundable \$3,000 Application fee, payable to Florida Housing Finance Corporation via check, money order, ACH, or wire transfer.

To ensure that the Application Fee is processed for the correct online Application, the following is ***strongly recommended***: (i) whether paying by check, money order, ACH or wire transfer, include the Development Name, RFA number with the payment; and (ii) if paying by wire, include the Federal Reference Number, or if paying by ACH, include the Trace Number at question B.1 of Exhibit A.

Pursuant to subsection 67-60.004(2), F.A.C., any Applicant may request withdrawal of its Application from a competitive solicitation by filing a written notice of withdrawal with the Corporation Clerk. Any funding or allocation that becomes available after such withdrawal is accepted shall be treated as Returned Funding and disposed of according to Section Five B. of the RFA.

- B. This RFA does not commit the Corporation to award any funding to any Applicant or to pay any costs incurred in the preparation or delivery of an Application.
- C. The Corporation reserves the right to:

- E. Any person who wishes to protest the specifications of this RFA must file a protest in compliance with Section 120.57(3), F.S., and Rule Chapter 28-110, F.A.C. Failure to file a protest within the time prescribed in Section 120.57(3), F.S., shall constitute a waiver of proceedings under Chapter 120, F.S.
- F. By submitting this Application, including all applicable attachments thereto, each Applicant agrees to the terms and conditions outlined in the RFA and certifies that:
 - 1. Public Records. Any material submitted in response to this RFA is a public record. Section 119.071(1)(b)2, F.S. authorizes the Corporation to exempt this material from disclosure requirements; however, the Corporation intends to post the Applications to the RFA Webpage sooner than 30 days after the Application Deadline.

2. **Noninterference.** The RFA has a Noninterference Period that is effective as of the Application Deadline through the time of the Board's final determination of the awards for the RFA. During the Noninterference Period, Applicants and their representatives are prohibited from contacting Board members or Corporation staff, unless it is Corporation legal staff, concerning their own or any other Applicant's Application in any attempt to influence the scoring or selection process. To the extent that a modification gives rise to a protest, failure to file a protest within the time prescribed in Section 120.57(3), F.S., shall constitute a waiver of proceedings under Chapter 120, F.S.

- G. The Corporation expects to select one or more Applications to award the funding contemplated by this RFA. Any such Applications will be selected through the Corporation's review of each Application, considering the factors identified in this RFA.

SECTION FOUR INFORMATION TO BE PROVIDED IN APPLICATION

Provided below are the instructions to be used in completing Exhibit A of this RFA. Unless stated otherwise, all information requested in the RFA pertains to the Development proposed in this Application upon completion of the work.

A. Exhibit A Items

1. Review of Application

During the Review Committee scoring process, the Corporation (i) may rely on the answers submitted by the Applicant in Exhibit A [and the Narrative Response Form](#), the Development Cost Pro Forma, and the Principals Disclosure Form; and (ii) may, but is not obligated to, review the substance of the documentation that is submitted as Attachments to the Application.

If it is determined that the Attachments do not meet the RFA requirements or the Applicant submitted materially incorrect information in the Application, the Corporation may take any or all of the following actions, even if the Application was not selected for funding, was deemed ineligible, or was withdrawn: deem the Application ineligible, rescind the award, and consider all Principals of the Applicant to have made a material misrepresentation subject to Section 420.518, F.S.

2. Homeless Individuals and Families Demographic Commitment

a. Demographic Commitment

Applicants will be required to make the following set-aside commitments for a minimum of 50 years:

At least 50 percent of the total units for Homeless individuals and families as defined in Exhibit B of this RFA;

AND

At least 20 percent of the total units for Persons with Special Needs as defined in Section 420.0004(13), F.S., (which may be the same units set aside for Homeless individuals and families).

b. Interest Rate of SAIL Loan

(1) Applicants that commit to set aside at least 50 percent, but less than 80 percent, of the total units for Homeless individuals and families will qualify for a SAIL loan with an interest rate of 0 percent for the percentage of units that are set aside for Homeless individuals and families, and an interest rate of 1 percent for the remaining units. For example, a set-aside commitment of 60 percent of the units for Homeless Households will have 60 percent at 0 percent and 40 percent at 1.0 percent, for a blended overall interest rate of 0.40 percent.

(2) Applicants that commit to set aside at least 80 percent of the total units for Homeless individuals and families will qualify for a SAIL loan with an interest rate of 0 percent.

Applicants should check the box demonstrating the appropriate percentage of total units for the proposed Development's demographic commitment. If neither box is selected by the Applicant, it will be assumed that the Applicant is committing to set aside at least 50 percent, but less than 80 percent, of the total units for Homeless individuals and families.

The portion of the SAIL loan that is attributable to the ELI Funding is a forgivable loan.

c. For the Corporation to better understand the property proposed, Applicants must check the box or boxes at question 2.c. of Exhibit A that specify the defined Persons with Special Needs population(s) who the Applicant proposes to serve:

- (1) Adult persons requiring independent living services in order to maintain housing or develop independent living skills and who have a Disabling Condition that currently impairs or is likely to impair their physical mobility;
- (2) Persons receiving benefits under the Social Security Disability Insurance (SSDI) program or the Supplemental Security Income (SSI) program or from veterans' disability benefits;

Due to the likelihood that residents of the subpopulations described in (1) and (2) above may have Mobility Impairments, Applicants that select (1) and/or (2) above must, at a minimum, meet the accessibility, adaptability, universal design and visitability features requirements outlined in Section Four A.8.c.(1) of the RFA (“Level 1 Accessibility Requirements”).

- (3) Adult persons requiring independent living services in order to maintain housing or develop independent living skills and who have a Disabling Condition that neither currently impairs nor is likely to impair their physical mobility, such as persons with a mental illness;
- (4) Young adults formerly in foster care who are eligible for services under Sections 39.6251 and/or 409.1451, F.S.; and/or
- (5) Survivors of domestic violence as defined in Section 741.28, F.S.

Because residents of the subpopulations described in (3), (4), and (5) above are less likely to have Mobility Impairments, Applicants that select (3) and/or (4) and/or (5) above and that do not also select (1) and/or (2) above must at a minimum meet the accessibility, adaptability, universal design and visitability features requirements outlined in Section Four A.8.c.(2) of the RFA (“Level 2 Accessibility Requirements”).

3. Applicant/Developer/Management Company/Contact Person

Per subsection 67-48.002(94), F.A.C., the Applicant, Developer(s) and all Principals of the Applicant and Developers that are not a natural person must be a legally formed entity as of the Application deadline.

a. Applicant Information

- (1) State the name of the Applicant.
- (2) The Applicant must be a legally formed entity [i.e., limited partnership, limited liability company, etc.] qualified to do business in the state of Florida as of the Application Deadline. Include, as **Attachment 1** to Exhibit A, evidence from the Florida Department of State, Division of Corporations, that the Applicant satisfies the foregoing requirements. Such evidence may be in the form of a certificate of status or other reasonably reliable information or documentation issued, published or made available by the Florida Department of State, Division of Corporations.

The Corporation is aware of the May 1st deadline for filing the annual report with the Division of Corporations and will accept a Certificate of Good Standing for the Applicant that reflects an expiration date of December 31 of either the current year or previous year (2025 or 2026).

(3) Non-Profit Applicant Qualifications

Only Non-Profit Applicants are eligible for funding.

To qualify as a Non-Profit Applicant for purposes of this RFA, the Applicant must demonstrate that it meets the definition of Non-Profit as set out in Exhibit B by providing the required information stated in (a) and (b) below.

*The Applicant may submit a Corporation-approved Executive Director Certification of Non-Profit Entity Qualifications Form (Rev. **In the event the Non-Profit entity is subject to a group exemption under the Internal Revenue Code, provide the IRS determination letter for the parent corporation, and the list of exempt entities from the IRS which includes the Non-Profit entity in this Application. If the list of exempt entities has not yet been issued by the IRS, provide a copy of

the request from the parent corporation to the IRS requesting group exemption status for the Non-Profit entity named in this Application. The IRS determination letter for the parent corporation must meet the requirements of Section Four, A.3.a.(3)(b)(ii) above.

The Applicant must remain a Non-Profit entity and the Non-Profit entity must (i) receive at least 25 percent of the Developer's fee, exclusive of the portion of the Developer Fee that will fund the Operating Deficit Reserve; and (ii) contractually ensure that it substantially and materially participates in the management and operation of the Development throughout the Compliance Period.

(4) Non-Profit Advance Review Process (10 Points)

The Non-Profit Application Package outlined in (3)(b) above may be submitted to the Corporation prior to the Application Deadline. The Corporation will review the Non-Profit Application Package and, if the above requirements are met, will stamp the Executive Director Certification of Non-Profit Entity Qualifications Form (Rev. If the Non-Profit Application Package is not complete when submitted, or if any required information is not provided, the Applicant will be notified and may submit the corrected form and/or additional required information, but the date of the resubmission will be reflected as the date received. If an Executive Director Certification of Non-Profit Entity Qualifications Form is submitted for an RFA with a "Received" date that is within 14 Calendar Days of the Application Deadline, the Applicant will not be eligible for the 10 Advance Review points. In order to allow for adequate time for review, Applicants are strongly encouraged to send the Non-Profit Application Package to the email address FHFC_NonProfit_AdvanceReview@floridahousing.org (also available by clicking [here](#)) at least eight weeks prior to the Application Deadline.

The Executive Director Certification of Non-Profit Entity Qualifications Form (Rev. [date of either 10-2021 or 11-2025](#)) is specific to non-profit entities. (5) Pre-Application Meeting or Experience Incentive (10 Points)

Pre-planning increases the likelihood that Applicants are structuring their proposed Developments and partnerships to be successful, not just in terms of submitting an Application and being awarded funding, but in providing high quality Permanent Supportive Housing through the entire Compliance Period. Having a pre-application meeting with the Corporation to answer questions about the Proposed Development will encourage Applicants to prepare early to respond to the Application.

Alternatively, Non-Profit Applicants that meet the Non-Profit Experience Requirements may receive 10 points without the need to hold a Pre-Application Meeting. However, the Pre-Application Meeting or Experience form must be received by the Corporation in the same time frame set forth for the Pre-Application meeting.

b. Developer Information

- (1) State the name of each Developer, including all co-Developers.
- (2) Each Developer entity identified (that is not a natural person, Local Government, or Public Housing Authority) must be a legally formed entity qualified to do business in the state of Florida as of the Application Deadline. For each stated Developer entity that is not a natural person, Local Government, or Public Housing Authority, provide, as **Attachment 4** to Exhibit A, evidence from the Florida Department of State, Division of Corporations, that the Developer satisfies the foregoing requirements. Such evidence may be in the form of a certificate of status or other reasonably reliable information or documentation issued, published or made available by the Florida Department of State, Division of Corporations.

The Corporation is aware of the May 1st deadline for filing the annual report with the Division of Corporations and will accept a Certificate of Good Standing for the Developer(s) that reflects an expiration date of December 31 of either the current year or previous year (2025 or 2026).

(3) Developer Experience

(a) Required Developer Experience

A natural person Principal of at least one experienced Developer entity, which must be disclosed as a Principal of the Developer on the Principals of the Applicant and Developer(s) Disclosure Form, Rev. 05-2019, ("Principals Disclosure Form"), must have, since January 1, 2006, Completed at least three Affordable Rental Housing Developments, at least one of which was Completed since January 1, 2016. At least one of the three Completed developments must consist of a total number of units no less than 50 percent of the total number of units in the proposed Development.

The individual meeting the Developer Experience requirements must be disclosed as a Principal of the Developer on the Principal Disclosure Form and must remain with the Development until the release of the operating deficit guarantee set forth in subsection 67-48.0072(18), F.A.C.

Provide the information in Exhibit A to meet the required Developer experience.

For purposes of this provision, Completed development means (i) that the temporary or final certificate of occupancy has been issued for at least one unit in one of the residential apartment buildings within the development, or (ii) if applicable, that at least one IRS Form 8609 has been issued for one of the residential apartment buildings within the development. As used in this section, a Housing Credit development that contains multiple buildings is a single development regardless of the number of buildings within the development for which an IRS Form 8609 has been issued. Additionally, Affordable Rental Housing Development means that at least at least 50 percent of the total residential units in the development must be income and rent restricted at 120% AMI or below, which must be memorialized by a recorded Land Use Restriction Agreement, Extended Use Agreement, or other equivalent document.

If the experience of a natural person Principal for a Developer entity listed in this Application was acquired from a previous affordable housing Developer entity, the natural person Principal must have also been a Principal of that previous Developer entity.

(b) Requests for additional Corporation Funding for a recently funded Development

Applications that request additional Corporation funding due to sizing (e.g., Viability Loan Funding or similar), regardless of whether the request is via approval of the Board of Directors or application for funds

through a competitive process will, if the future RFA so provides, result in a point reduction in the scoring of Developer experience in future Applications in which the Developer, Co-Developer or any Principal of the Developer(s) named in the Developer section of the Principals of the Applicant and Developer(s) Disclosure Form of the Application is named for purposes of satisfying the Developer experience requirement in the future Application.

c. Principals Disclosure for the Applicant and for each Developer

(1) Eligibility Requirements

To meet the submission requirements, upload the Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019) ("Principals Disclosure Form") as outlined in Section Three above.

To meet eligibility requirements, the Principals Disclosure Form must identify, pursuant to subsections 67-48.002(94), 67-48.0075(8) and 67-48.0075(9), F.A.C., the Principals of the Applicant and Developer(s) as of the Application Deadline. A Principals Disclosure Form should not include, for any organizational structure, any type of entity that is not specifically included in the Rule definition of Principals. Per subsection 67-48.002(94), F.A.C., any Principal other than a natural person must be a legally formed entity as of the Application deadline.

If the Applicant is requesting Housing Credits, the investor limited partner of an Applicant limited partnership or the investor member of an Applicant limited liability company (or a placeholder for the investor) must be identified on the Principals Disclosure Form.

(2) Approval during Advance Review Process (5 Points)

Applicants will receive 5 points if the uploaded Principals Disclosure Form is stamped "Received" by the Corporation at least 14 Calendar Days prior to the Application Deadline AND stamped "Approved" prior to the Application Deadline.

To document these dates, the Corporation will stamp the Principals Disclosure Form on the date it is received and the date it is approved. If a Principals Disclosure Form has been approved, but the Applicant must change the form for any reason, the form may be edited and resubmitted for approval, but the form will receive a new stamp reflecting the date the Corporation received the revised form. Likewise, if a form is returned to the Applicant for correction, the Applicant may make corrections and resubmit the form, but the date of the resubmission will be reflected as the date received. If a Principals Disclosure Form is submitted for an RFA with a "Received" date that is within 14 Calendar Days of the Application Deadline, the Applicant will not be eligible for the 5 Advance Review points.

The Advance Review Process for Disclosure of Applicant and Developer Principals is available on the RFA Webpage and also includes samples which may assist the Applicant in completing the required Principals Disclosure Form.

Note: It is the sole responsibility of the Applicant to review the Advance Review Process procedures and to submit any Principals Disclosure Form for review in a timely manner in order to meet the Application Deadline.

(3) Designation of Priority 1 and 2 Applications

Applicants, Developers, and Principals of Applicants and Developers in this RFA are limited to two Priority 1 Application submissions in this RFA if at least one of the two Priority 1 Applications have more than one Developer, but only one Developer within that Application meets the Developer Experience Requirements described in 3.b.(3)(a) above. All other Principals of Applications in this RFA are limited to one Priority 1 Application submission in this RFA; however, Principals of Applications submitted in previous RFAs may have further limitations on the number of Priority 1 Applications to be submitted in this RFA. The 2025/2026 Priority 1 Application Limitation Chart outlining such limitations is available on the RFA Webpage.

Each Inexperienced Developer entity (an entity that does not meet the Developer Experience Requirements described in 3.b.(3)(a) above) may be a co-Developer in a maximum of one Priority 1 Application.

Note: A joint venture between a Public Housing Authority (“PHA”) (or an instrumentality of a PHA) and an Applicant or Developer(s), does not affect one another’s total Related Applications if the only connection is a joint venture between the Applicant or Developer and a PHA or instrumentality of a PHA. In this situation, the total number of Applications remain independent/autonomous of one another’s Related Applications tally.

However, in all circumstances, PHAs, Applicants, Developers, and all associated Principals are still subject to the Priority 1 Application limitations per entity or individual, or as further limited per the 2025/2026 Priority 1 Application Limitation Chart.

The Corporation will review the entire Application submission to determine whether the Applicant has submitted more than the allowed number of Priority 1 Related Applications.

If, during scoring, it is determined that the maximum set forth above was exceeded, all Applications affiliated with the Principals of the affected Applications will be deemed Priority 2. If, after awards are made, it is determined that the maximum set forth above was exceeded, the award(s) for the affected Applications will be rescinded and all Principals of the affected Applications may be subject to material misrepresentation, even if the Related Applications were not selected for funding, were deemed ineligible, or were withdrawn.

If no designation is made in Exhibit A, the Application will be considered a Priority 2 Application. There is no limit to the number of Priority 2 Applications that can be submitted.

- (4) Material and non-material changes to the Applicant entity or Developer entity
- (a) The name of the Applicant entity or Developer entity stated in the Application may be changed only by written request of an Applicant to Corporation staff and approval of the Corporation after the Applicant has been invited to enter credit underwriting.
 - (b) Prior to loan closing, any change (materially or non-materially*) in the ownership structure of the named Applicant will require review and recommendation of the Corporation, as well as Board approval prior to the change. After loan closing, (i) any material* change will require review and approval of the Credit Underwriter, as well as approval of the Board prior to the change, and (ii) any non-material* change will require review and approval of the Corporation prior to the change. Changes to the Applicant entity (material or non-material*) prior to the loan closing or without Board or Corporation approval, as applicable, after the loan closing may result in disqualification from receiving funding and may be deemed a material misrepresentation. The Applicant must comply with Principal disclosure requirements outlined in Rule Chapter 67-48, F.A.C. for the duration of the Compliance Period. Changes to the limited partner of an investor limited partnership or an investor member of a limited liability company owning the syndicating interest therein will not result in disqualification; however, if a change to the investor limited partner or investor member is made after the closing of the partnership agreement, the amended agreement reflecting the change must be provided to the Corporation. Changes to the officers or directors of a Public Housing Authority or a Non-Profit entity, regardless of when they occur, shall require Corporation approval. Any allowable replacement to the natural person Principals of a Public Housing Authority or officers and/or directors of a non-profit entity will apply to all preliminarily awarded Applications and Applications pending final Board action that include the Public Housing Authority or Non-Profit entity. An updated Principals of the Applicant and Developer(s) Disclosure Form is required for all change requests.

*A material change shall mean 33.3 percent or more of the Applicant, a general partner of the Applicant, or a non-investor member of the Applicant, and a non-material change shall mean less than 33.3 percent of the Applicant, a general partner of the Applicant, or a non-investor member of the Applicant.
 - (c) The Principals of each Developer identified in the Application, including all co-Developers, may be changed only by written request of an

Applicant to Corporation staff and approval of the Corporation after the Applicant has been invited to enter credit underwriting as outlined in Rule Chapter 67-48, F.A.C.

d. Closing Deadlines and Future Funding Opportunity Implications

- (1) The Future Corresponding RFA (the next similar RFA that is issued after the closing deadlines stated below have passed, such as RFA 2028 Housing Credit and SAIL Financing to Develop Housing for Homeless Persons) may allow Applicants to submit a certain number of Priority 1 Applications. This number of Priority 1 Applications in the Future Corresponding RFA may be reduced as described below if the Applicant does not meet the applicable deadlines below:
 - (a) If the Development has any HUD funding, (including but not limited to rental subsidy, development funding, or insured mortgage financing), either (A) the Corporation firm commitment must be issued no later than 12 months after the issuance of the Invitation to Enter Credit Underwriting, and the Applicant must, within 90 days of receipt of the Corporation firm commitment, submit evidence to the Corporation that the Financing Plan, Subsidy Layering Review Package, rental subsidy transfer documentation, or HUD firm commitment Application, or similar necessary documentation for the application process has been submitted to HUD or the Public Housing Authority, as applicable; or (B) the deadline stated in (2) below must be met.
 - (b) If the Development does not meet the conditions in (a) above, the Applicant must close on the SAIL funding by the closing deadline as set forth in Rule Chapter 67-48, F.A.C. This deadline is calculated as the date of the Board of Directors meeting immediately following 12 months after the issuance of the Invitation to Enter Credit Underwriting, plus the date of the Board of Directors meeting immediately following 180 days Calendar Day period after the original expected date of the firm loan commitment.
- (2) Prohibition on Submitting Priority 1 Applications in Future Corresponding RFA
Principals of the Applicant and Developer(s) of Applications awarded funding in this RFA will be prohibited from submitting any Priority 1 Applications in the Future Corresponding RFA if the Applicant requires an extension because it either (i) does not meet the applicable deadline described in (1) above and has not withdrawn within 180 Calendar Days of the issuance of the Invitation to Enter Credit Underwriting; or (ii) withdrew after 180 Calendar Days of the issuance of the Invitation to Enter Credit Underwriting.

e. Management Company Information

Identify the Management Company and provide the requested contact information.

f. Community-Based Board of Directors Requirement

The Applicant must commit to structuring the Board of Directors affiliated with each Non-Profit that is part of the Applicant Entity with a majority (at least 50 percent, plus one) individuals that are Non-Related Board Members to: (1) Any tenants or applicants for tenancy; (2) Any compensated management or staff of the Non-Profit; or (3) Any other members of the Board. Non-Related Board Members means that these Board members and the Board Chair must not be related to, in a guardian role of, or in any way be a significant other of the groups listed above.

The Board and Property Manager shall not allow persons who are legally or informally related to current residents of or applicants for tenancy at the Development to be employees or volunteers in positions that make decisions related to the Development's operations, tenant application and selection, or coordination or provision of supportive services.

Each Non-Profit entity must have bylaws that facilitate and ensure objective and experienced governance of the Non-Profit. The structure and operation of the Non-Profit, including both day-to-day administration and Board functions, may not be overseen by membership driven decisions.

The Applicant must answer the question in Exhibit A demonstrating that it meets this requirement.

4. General Proposed Development Information

- a. State the name of the proposed Development.
- b. Development Category

The proposed Development must consist entirely of new construction. Rehabilitation of existing units, buildings, and/or conversion of non-residential space into residential space is not allowed.

Notwithstanding the forgoing, in accordance with subsection 67-48.023(1), F.A.C., if the proposed Development site or any part thereof is subject to any Land Use Restriction Agreement or Extended Use Agreement, or both, in conjunction with any Corporation affordable housing financing intended to foster the development or maintenance of affordable housing, the proposed Development will be eligible for funding if the LURA or EUA, or both, is for an existing building or buildings, originally constructed at least 15 years prior to the Application Deadline and encumbers less than 20 units on the proposed Development site, and the proposed Development that is the subject of this RFA consists entirely of new construction and is in addition to the existing units.

NOTE: None of the following are eligible for funding under this RFA: Group homes, Assisted Living Facilities, and other specialized licensed residential facilities, or units within a condominium complex.

- c. Characteristics of Development

(1) Development Type

Select the Development Type for the proposed Development. For mixed-type Developments, indicate the type that will comprise the majority of the units in the Development.

- Garden Apartments (a building comprised of 1, 2 or 3 stories, with or without an elevator)
- Duplexes, Triplexes, and Quadraplexes
- Mid-Rise, 4-stories (a building comprised of 4 stories and each residential building must have at least one elevator)
- Mid-Rise, 5 to 6-stories (a building comprised of 5 or 6 stories and each residential building must have at least one elevator)
- High-Rise (a building comprised of 7 or more stories and each residential building must have at least one elevator)

For purposes of determining the number of stories, each floor in the building(s) should be counted regardless of whether it will consist of retail, commercial, parking, utility, or residential.

Note: Any dwelling unit that consists of more than one story, (e.g. Townhouse), is prohibited.

Also, Group homes, Assisted Living Facilities, and other specialized licensed residential facilities, or units within a condominium complex are not eligible for funding in this RFA.

(2) Enhanced Structural Systems (“ESS”) Construction Qualifications

To qualify as “Enhanced Structural Systems Construction” or “ESS Construction” for purposes of the Total Development Cost Limitation test and the Leveraging calculation, the proposed Development must meet at least one of the specifications listed below.

These qualifying criteria specifically exclude face brick or brick veneer from qualifying as ESS Construction for purposes of this RFA unless the proposed Development otherwise meets the requirements below.

(a) ESS Construction qualifications based on Development Type

(1) High-Rise Development qualifications

Any new construction buildings with the Development Type of High-Rise (7 or more stories) shall qualify as “ESS Construction.”

(2) Mid-Rise Development qualifications

Any new construction buildings with the Development Type of Mid-Rise (4, 5 or 6 story) that utilize an ESS Podium Structure shall qualify as “ESS Construction.”

The term “ESS Podium Structure” shall mean a non-residential* support structure underneath the rental units constructed solely of concrete/masonry, steel, or some combination of concrete/masonry and steel together.

*The ESS Podium Structure must utilize at least 85 percent of the square footage for parking or non-commercial utility/ancillary building uses only. Up to 15 percent of the square footage can be used for other non-residential purposes. The top surface of the podium itself shall be considered to be the floor of the lowest story of the building that contains residential, commercial or storage space (other than parking).

(b) ESS Construction qualifications based on construction materials

For all new construction buildings, all of the following structural elements must consist of 100 percent poured concrete/masonry, 100 percent steel, or a combination adding up to 100 percent of concrete/masonry and steel, as verified during credit underwriting: all exterior walls and other external load-bearing elements, as well as the floor of the lowest story of the building that contains residential, commercial or storage space (other than parking), and any under-floor/under-ground supports for that lowest story's floor.

For the purposes of determining "ESS Construction," there is no requirement regarding the materials to be used in the roof of the building.

ESS units must be designated on the Unit Characteristic Chart described below. This will be verified during the credit underwriting process. If this cannot be verified the units will no longer be considered ESS Construction, and funding awarded under this RFA may be rescinded.

d. Unit Characteristic Chart

Complete the chart in Exhibit A of the RFA reflecting the appropriate breakdown reflecting the number of units within each of the Development Categories, Development Types, or ESS/non-ESS Construction.

5. Location of Proposed Development

a. County and Regions

Indicate the county where the proposed Development will be located. The eligible counties and the associated Homeless Development Regions are listed below.

Homeless Development Regional Chart

Region	Large Counties	Medium Counties
Central	Orange, Polk	Brevard, Flagler, Highlands, Indian River, Martin, Osceola, Seminole, St. Lucie, Volusia
North	Duval	Alachua, Bay, Clay, Escambia, Leon, Marion, Nassau, Okaloosa, St. Johns, Santa Rosa
South	Broward, Miami-Dade, Palm Beach	Collier
Tampa Bay	Hillsborough, Lee, Pinellas	Charlotte, Citrus, Hernando, Lake, Manatee, Pasco, Sarasota, Sumter

Note: This RFA includes a goal to fund at least one Homeless Development in the Central Region and Tampa Bay Region, with a preference to fund at least one Homeless Development in a Large County and at least one Homeless Development in a Medium County.

b. Address of the Development site

Provide the Address of the Development site. Indicate (1) the address number, street name, and name of city, and/or (2) the street name, closest designated intersection, and either name of city or unincorporated area of county. If the proposed Development consists of Scattered Sites, this information must be provided for each of the Scattered Sites. Note: Developments are limited to three Scattered Sites.

c. Scattered Sites

State whether the Development consists of Scattered Sites.

If the proposed Development consists of Scattered Sites, the following conditions must be met:

- (1) Developments are limited to three Scattered Sites;
- (2) A part of the boundary of each Scattered Site must be located within ½ mile of a part of the boundary of the Scattered Site with the most units;
- (3) Site control and Ability to Proceed must be demonstrated in the Application for all Scattered Sites; and
- (4) All Scattered Sites must be located within the same county.

d. Latitude/Longitude Coordinates

- (1) Provide a Development Location Point stated in decimal degrees, rounded to at least the sixth decimal place. If the proposed Development consists of Scattered Sites, as of Application Deadline the Development Location Point must affirmatively be established on the site with the most units, as outlined in subsection 67-48.002(34), F.A.C., and latitude and longitude coordinates for each Scattered Site must also be provided.
- (2) If the proposed Development consists of Scattered Sites, for each Scattered Site that is in addition to the Development Location Point information provided in (1) above, provide the latitude and longitude coordinates of one point located anywhere on the Scattered Site. The coordinates must be stated in decimal degrees and rounded to at least the sixth decimal place.

Note: 30.443900, -84.283960 is an example of decimal degrees format, represented to six decimal places.

6. Number of Units and Buildings

- a. State the total number of units that will be in the proposed Development upon completion. As described in Rule Chapter 67-53, F.A.C., the total units include all Set-Aside Units, manager units and if applicable, market rate units.

Medium County Applications must have a minimum of 30 units.

Large County Applications must have a minimum of 50 units.

Note: The total number of units stated in the Application may be increased, up to any applicable allowable limit, after the Applicant has been invited to enter into credit underwriting, subject to written request of an Applicant to Corporation staff and approval of the Corporation.

- b. If there are existing occupied units and if the Development is funded, a plan for relocation of existing tenants will be required to be provided to the Credit Underwriter, as outlined in Exhibit D.

- c. Set-Aside Commitments

(1) Minimum Set-Aside Commitments per Section 42 of the IRC

Per Section 42 of the IRC, elect one of the following minimum set-aside commitments:

- 20% of the units at 50% or less of the Area Median Income (AMI)
- 40% of the units at 60% or less of the AMI
- Average Income Test

Note: Choosing the 20 percent at 50 percent AMI or less minimum set-aside will restrict ALL Set-Aside Units at 50 percent or less of the AMI. Applicants may select the 40 percent at 60 percent AMI or less minimum set-aside without committing to set aside any of the units at the 60 percent AMI level. For example, an Applicant may commit to set aside 40 percent at 50 percent AMI and this would also be considered 40 percent at 60 percent AMI or less.

The Average Income Test requires that (a) forty percent or more of the residential units in the Development be both rent-restricted and occupied by individuals whose income does not exceed the imputed income limitation designated by the Applicant with respect to the respective unit, subject to the special rules relating to income limitation which (b) require the Applicant to designate the imputed income limitation of each unit taken into account under (a) above, such that the average of the imputed income limitations of all units designated by the Applicant shall not exceed 60 percent of the area median income. The designated imputed income limitation of any such unit shall be in 10-percent increments as follows: 20 percent, 30 percent, 40 percent, 50 percent, 60 percent, 70 percent, or 80 percent of the area median income.

(2) Set-Aside Commitments per Corporation Requirements

The Corporation has additional minimum set-aside requirements beyond those required by Section 42 of the IRC which must be reflected on the Total Set-Aside Breakdown Chart, as outlined below:

(a) Total Income Set-Aside Commitment

- (i) If the Average Income Test is not selected, set aside a total of at least 80 percent of the Development's total units at 60 percent AMI or less; or
- (ii) If the Average Income Test is selected, set aside a total of at least 80 percent of the Development's total units at 80 percent AMI or less, but the Average AMI of the Qualifying Housing Credit Units* cannot exceed 60 percent.

*The Average AMI of the Qualifying Housing Credit Units is further described in (3)(b) below.

(b) Extremely Low Income (ELI) Set-Aside Requirements

The proposed Development must set aside a required percentage of total units for ELI Households.

- (i) If the Average Income Test is selected, at least 20 percent of total units must be set aside to serve Extremely Low Income (ELI) Households. The ELI AMI level will be 30%, regardless of county. **The Applicant is not eligible for ELI Funding.**
- (ii) If the Average Income Test is not selected, at least 15 percent of the total units in the proposed Development must be set aside to serve ELI Households at the ELI Area Median Income (AMI) level for the county where the proposed Development is located, as outlined on the chart below. One-third of the required ELI Set-Aside units, (i.e., five percent of the total units), are eligible for ELI Funding up to the maximum ELI request amounts outlined in the RFA as further outlined in Section Four A.10.a.(2)(b) of the RFA.

The following chart sets out the ELI Area Median Income (AMI) for each County and the maximum ELI Funding amounts per eligible ELI Set-Aside unit. If the Unit Mix stated by the Applicant is adjusted during the credit underwriting process, the ELI Funding amount may be decreased, but under no circumstances shall it be increased.

If the Set-Aside Breakdown Chart reflects more than the applicable required percentage of the total units at the ELI AMI level for the county where the

proposed Development is located, during the credit underwriting process the Credit Underwriter will determine whether the Applicant's ELI Set-Aside unit commitment will need to be reduced by increasing the set aside units at AMI level(s) above the ELI level. Any such reduction in the ELI Set-Aside units would be no lower than the applicable required ELI Set-Aside percentage.

Applicants that committed to the Average Income Test will not be eligible to receive ELI Funding.

The portion of the SAIL loan that is attributable to the ELI Units is a forgivable loan.

(c) Required 22% Units

All Applicants are required to subsidize four deep targeted units for Persons with Special Needs (22% Units) at 22 percent AMI

- The four 22% Units will be committed to serving 22 percent AMI;
- The four 22% Units are in addition to the requirement to set aside ELI Set-Aside units as calculated in (b) above;
- The four 22% Units will be eligible for forgivable HOME-ARP loan funding as outlined in Section Four, A.10.a.(3), Exhibit H of the RFA.
- After 30 years, the four 22% Units may convert to serve residents at or below 60 percent AMI; and
- For purposes of the Average Income Test, the four 22% Units will be treated as 60 percent AMI units.

(d) Tenant Selection Plan

Unless the Development meets an exception outlined in (i) below, a Tenant Selection Plan must be submitted to the Corporation for approval within 21 Calendar Days of the date of the Invitation to Enter Credit Underwriting. The Tenant Selection Plan must be approved by the Corporation prior to the completion of the final credit underwriting report.

(i) Exceptions to Tenant Selection Plan requirements

- Developments financed with HUD Section 811; or
- Developments financed with a United States Department of Agriculture RD program.

All other Applications must achieve Corporation approval and, if required, HUD approval prior to the completion of the final credit underwriting report.

(ii) Achieving Corporation approval

To achieve approval by the Corporation, the Tenant Selection Plan must be submitted by the owner to the Corporation for approval within 21 Calendar Days of the date of the Invitation to

Enter Credit Underwriting. Approval must be achieved prior to the completion of the final credit underwriting report.

The Tenant Selection Plan Guidelines and Tenant Selection Plan Checklist can be found on the webpage

<https://www.floridahousing.org/programs/developers-multifamily-programs/competitive> (also available by clicking [here](#)). Exhibit G of the RFA also describes requirements for tenant selection policies.

- (iii) Achieving HUD approval, if required

In addition to the Corporation's approval, if HUD approval is required because a Development has a Housing Assistance Payment and/or an Annual Contributions Contract with HUD, HUD approval of the Tenant Selection Plan must be demonstrated to the Corporation prior to the completion of the final credit underwriting report.

HUD's approval process may take several months. Owners should send the Corporation-approved Tenant Selection Plan to the local HUD field office for approval as soon as possible to meet this requirement.

(3) Total Set-Aside Breakdown Chart

Complete the applicable Total Set-Aside Breakdown Chart provided in question 6.c.(3) of Exhibit A.

- (a) Completing the Total Set-Aside Breakdown Chart if not committing to the Average Income Test

Indicate on the chart at 6.c. of Exhibit A the percentage of residential units, stated in whole numbers, to be set aside at each selected AMI level for both the Housing Credit and SAIL charts. If the Total Set-Aside Breakdown Chart reflects that either the Total Set-Aside Percentage or the ELI commitment does not meet the Set-Aside requirements, this Application will not be eligible for funding.

Methodology Used by the Corporation to Convert the Percentage of Total Units to Set-Aside Units and, if applicable, Market Rate Units

- (i) First, calculate of the number of Set-Aside Units for the lowest AMI level commitment.

The percentage associated with the lowest AMI level that the Applicant commits to will be multiplied by the total units, rounded up to the next whole unit. The result will be the number of Set-Aside Units at the lowest AMI level commitment.

- (ii) Then, calculate the number of Set-Aside Units for the second lowest AMI level.

The percentage associated with the second lowest AMI level that the Applicant commits to will be first added to the percentage associated with the lowest AMI level commitment. These percentages, added together, will be multiplied by the total units, rounded up to the next whole unit.

The number of units calculated in (i) above will be subtracted from the result to calculate the number of Set-Aside Units at the second lowest AMI level commitment.

- (iii) Then, calculate the number of Set-Aside Units for each remaining AMI level, if applicable.

Starting with the third lowest AMI level remaining, the number of Set-Aside Units for each of the remaining AMI levels will be calculated using the same methodology described in (ii) above.

- (iv) Finally, calculate market-rate units, if applicable

To calculate the number of market-rate units, the total number of Set-Aside Units will be subtracted from the total number of units.

- (b) Completing the Total Set-Aside Breakdown Chart if committing to the Average Income Test

If committing to the Average Income Test, Applicants must indicate on the chart at 6.c. of Exhibit A the number of Set-Aside Units, stated in whole numbers, to be set aside at each selected AMI level.

Note: Because 22% Units are set aside for 30 years, and because they may be adjusted downward and recalculated after awards are made, Applicants should not represent any 22% Units in this chart.

The Corporation will verify that the number of units set aside at the ELI level meets the ELI minimum requirements by dividing the number of units that are set-aside at 30 percent AMI, or less, by the total number of units. The Corporation will also verify the overall Set-Aside Commitment of all units by adding all Set-Aside Units and then dividing this sum by the total number of units. Exhibit A provides a calculation of the Average AMI of the Qualifying Housing Credit Units using the methodology below.

Note: After entering the number of units into Exhibit A, the percentage of total units is calculated, which may reflect numbers represented with

decimal places instead of whole numbers. This is acceptable for the Average Income Test calculation.

If the Total Set-Aside Breakdown Chart reflects that the Average AMI of the Qualifying Housing Credit Units exceeds 60 percent, and/or if the number of Set-Aside Units set aside at 30 percent AMI, or less, is not equal to or greater than the required ELI commitment, and/or the overall Set-Aside Commitment requirement is not met, this Application will not be eligible for funding.

Calculation of the Average AMI of the Qualifying Housing Credit Units for the Average Income Test

- (i) First, state the total number of Set-Aside Units at each AMI commitment.
- (ii) Then, at each AMI commitment, multiply the number of Set-Aside Units by the AMI percentage (e.g., a commitment of 13 Set-Aside Units at 30 percent AMI would be calculated as follows: $13 \times 0.30 = 3.9$).
- (iii) Repeat this calculation at each AMI level. Then add the results together.
- (iv) Divide the number calculated in (iii) by the total number of Set-Aside Units stated in (i).
- (v) This number must be equal to or less than 60 percent to meet the eligibility requirement. If the Average AMI of the Qualifying Housing Credit Units exceeds 60 percent, this Application will not be eligible for funding.

Where reasonably possible, keep the unit mix consistent across each committed AMI level.

The above ELI and all other set-aside commitments must be taken into account during any pre-leasing and leasing activities.

d. Unit Mix

(1) Completing the Unit Mix Chart

Complete the Unit Mix Chart listing the total number of bedrooms per unit, the total number of bathrooms per unit (including half-baths, if applicable) and the total number of units per bedroom type. All units in the proposed Development must be listed, including all manager/employee units and all market rate units, if applicable. Units may have no more than three bedrooms.

The following restrictions apply:

- Units must consist of Zero*, one, two, or three-bedrooms only;
- At least 15 percent of the total units, rounded up, must be one-bedroom units;
- No more than 50 percent of the total units, rounded up, may be Zero Bedroom Units*; and
- No more than 40 percent of the total units, rounded up, may be three-bedroom units.

*Zero Bedroom Units are defined in Section 67-48.002 F.A.C.

Note: The number of ELI Set-Aside Units are proportionately distributed across the Unit Mix within Exhibit A and the maximum ELI Funding amount per eligible ELI Set-Aside unit the proposed Development is eligible to receive is calculated automatically within Exhibit A based on the information listed by the Applicant on the Unit Mix chart as further outlined in Section Four A.10.a.(2)(b) of this RFA.

e. Number of Buildings

State the anticipated number of residential buildings.

The number of residential buildings stated in the Application may be changed only by written request of an Applicant to Corporation staff after the Applicant has been invited to enter credit underwriting.

f. Compliance Period

All Applicants are required to set aside the units for 50 years. Applicants that wish to qualify for an exemption from ad valorem tax pursuant to subsection 196.1978(4), F.S. may also choose to commit to an additional minimum 49-year extended affordability period, for a total affordability period of 99 years ("Perpetuity"), which will only be applied to the SAIL and Bond LURAs, as applicable.

- (1) Applicants must irrevocably commit to the demographic commitment selected at 2.a. of Exhibit A for a minimum of 50 years.
- (2) Applicants must irrevocably commit to the Persons with Special Needs population(s) demographic commitment selected at question 2.c. of Exhibit A for a minimum of 15 years. After the initial 15 years, the Applicant may submit a request to the Corporation that allows the Applicant to commit to a different population(s) demographic commitment provided at 2.c. of Exhibit A if the appropriate Level 1 or Level 2 Accessibility Requirements are met at the Development for the population(s).

- (3) Applicants must irrevocably commit to the income set-aside commitments for a minimum of 50 years, with one exception.

If the Applicant did not commit to the Average Income Test, after 15 years all of the ELI Set-Aside Units that were associated with the ELI Funding may convert to serve residents at or below 60 percent AMI and, if the 22% Units are **not** stated in Total Set-Aside Breakdown Chart, after 30 years, all of the 22% Units may convert to serve residents at or below 60 percent AMI.

If the Applicant committed to the Average Income Test, the ELI Set-Aside Units must remain at 30 percent AMI or less throughout the entire Compliance Period. If the 22% Units are **not** stated in Total Set-Aside Breakdown Chart, after 30 years, all of the 22% Units may convert to serve residents at or below 60 percent AMI.

These commitments will also be reflected in the Extended Use Agreement and the Land Use Restriction Agreement. In submitting its Application, the Applicant knowingly, voluntarily and irrevocably commits to waive, and does hereby waive, for the duration of the 50-year set aside period the option to convert to market, including any option or right to submit a request for a qualified contract, after year 14, and any other option, right or process available to the Applicant to terminate (or that would result in the termination of) the 50-year set aside period at any time prior to the expiration of its full term.

Note: Although the percentage of units committed to must remain in effect for the entire Compliance Period, the particular units designated for the Demographic Commitment and AMI commitment must not be limited to the same units throughout the Compliance Period. Doing so may cause the Development to be in noncompliance.

7. Readiness to Proceed

a. Site Control

Demonstrate site control by providing, as **Attachment 6*** to Exhibit A, the documentation required in Items (1), (2), and/or (3), as indicated below, demonstrating that it is a party to an eligible contract or lease, or is the owner of the subject property. The documentation must be recorded in the county in which the property is located and show the Applicant as the sole Grantee.

(3) Lease

- (a) If providing a lease, the lease must have an unexpired term of at least 50 years after the Application Deadline and the lessee must be the Applicant. The owner of the subject property must be a party to the lease, or a party to one or more intermediate leases, subleases, agreements, or assignments, between or among the owner, the Applicant, or other parties, that have the effect of assigning the owner's right to lease the property for at least 50 years to the lessee.
- (b) If there is an existing Declaration of Trust recorded on the subject property, the Applicant may provide an Option to Enter into a Ground Lease Agreement ("eligible agreement") between the Applicant and the owner of the property. An eligible agreement must meet the following conditions:

- (i) It must have a term that does not expire before April 30, 2026 or that contains extension options exercisable by the Applicant and conditioned solely upon payment of additional monies which, if exercised, would extend the term to a date that is not earlier than April 30, 2026;
- (ii) The Applicant must be a party to the eligible agreement unless there is an assignment of the eligible agreement, signed by the assignor and the assignee, which assigns all of the lessor's rights, title and interests in the eligible agreement to the Applicant; and

Water, sewer, electricity and roads must be available to the entire proposed Development site, including all Scattered Sites.

(3) Environmental Site Assessment

A Phase I Environmental Site Assessment (ESA), and if required or recommended, a Phase II ESA, must have been performed for the entire proposed Development site, including all Scattered Sites.

The 2010 ADA Standard for Accessible Design can be found at <http://www.ada.gov/regs2010/2010ADASTandards/2010ADASTandards.htm> (also accessible by clicking [here](#)).

(3) Accessibility Preference

- (a) Accessibility Preference Qualifications for Level 1

Applicants that commit to the Demographic Categories that require Level 1 Accessibility Requirements will qualify for the Accessibility Preference used in the funding selection process if the Applicant

commits to the following higher accessibility requirements instead of those required in (1) above:

- (i) Set aside a minimum of 25 percent of the total units, rounded up, as fully accessible units in accordance with the 2010 ADA Standards for Accessible Design. These fully accessible units must (A) be on an accessible route and provide mobility features that comply with the residential dwelling units provision of the 2010 ADA Standards for Accessible Design; and (B) be equally distributed among different unit sizes and Development types and must be dispersed on all accessible routes throughout the Development; and

The units that are accessible to persons with visual and hearing impairments shall comply with the communication features described for Residential Dwelling units with Communication Features in the 2010 ADA Standards for Accessible Design. These units are in

addition to the number of units required for mobility impaired persons.

 - Operates all life safety systems, such as emergency lighting, exit signage, and fire alarm systems;
 - Operates all lights, HVAC and other electrical appliances in the community room/dedicated space throughout the duration of a power outage.
- Emergency Generators shall comply with 2702.1.1 through 2702.2.18 of the Florida Building Code;
- The generator(s) must be maintained and tested in accordance with the Florida Fire Prevention Code;
- The generator(s) and system must be installed, serviced, and tested with a certified vendor; and
- The Applicant must maintain an executed written contract with the certified vendor to service and test the generator(s) and system at least annually.

9. Housing Stability Services and Access to Community-Based Services Coordination Experience

The provision of community-based Services Coordination will be the responsibility of the Applicant, but may be in conjunction with public and/or private partnerships as approved by the Corporation in credit underwriting. All proposed Developments will be required to assist interested residents with the coordination of their community-based services. The purpose is to assist each resident to become aware of, access and/or maintain adequate and appropriate community-based services and resources. It is not the intent for this resident service to take the place of Services Coordination already provided for a resident by a program and/or agency as part of their supportive services plan. The focus shall be to assist residents not receiving community-based Services Coordination by another program and/or agency, as well as to assist those residents who need additional assistance with coordination of community-based services.

The approved provider of this service must have a minimum of five years' experience administering and providing supportive services including outreach, information and referral services, benefits counseling, community-based services planning and coordination, and/or other related supportive services. Such experience must demonstrate that the supportive services listed above have been oriented to the needs and preferences of each intended resident in assisting them to access services related to health care, independent activities of daily living, employment, income and housing. The provider of this resident service shall also provide, at credit underwriting, information demonstrating its mission, qualifications,

experience, agreements and/or contracts with state and federal supportive services programs, professional staffing and experience in serving the intended residents described in question 2.c. and question C.1. of Exhibit A.

Community-based Services Coordination shall be offered and made available on-site and at no charge to the residents initially and regularly, and resident participation shall be voluntary. If the proposed Development consists of Scattered Sites, the community-based Services Coordination shall be equally available to residents of each unit on each Scattered Site. Resident participation shall not be a requirement for new or continued residency. The Applicant shall commit to submit a Resident Community-Based Service Coordination Plan at credit underwriting. The Resident Community-Based Service Coordination Plan shall adhere to guidelines developed by the Corporation, in conjunction with state agencies, or their designee(s), that administer publicly funded supportive services for the intended residents.

Property management and resident community-based Services Coordination should not be the responsibility of the same staff persons; the functions must be entirely separate.

One of the following must be met.

- a. Applicants that do not meet the requirement described in b. below may partner with a provider of supportive services that includes Resident Community Based Services Coordination for the intended Demographic. A Non-Profit, within the Applicant entity, that meets the qualifications to provide Resident Community Based Services Coordination, pursuant to this RFA, may partner with the Applicant to provide the Development's Resident Community Based Services Coordination. The Applicant must provide the properly completed and executed Florida Housing Finance Corporation Resident Community-Based Services Coordination Provider Or Principal Of Resident Community-Based Services Coordination Provider Certification form (Form Rev. 10-2021) *, as **Attachment 7**. This form must be signed by the Authorized Principal Representative.

OR

- b. At least one natural person Principal of a Non-Profit entity within the Applicant entity structure must have experience owning and operating a minimum of two Permanent Rental or Permanent Supportive Housing developments that serve the intended Demographic and that provide a Resident Community Based Services Coordination. To meet this requirement, Applicants will be required to list the properties in Exhibit A, and there must be a combined total number of units within the properties that equals no less than 50 percent of the total number of units in the proposed Development.

Note: In credit underwriting, the provider must demonstrate it has been in business and performing Services Coordination for at least five consecutive years before the date of Application submission, and the Applicant must provide the legal contract demonstrating the partnership with the service provider.

*Forms are available on the RFA Website.

10. Funding

a. Corporation Funding

(1) 9% Housing Credits

(a) Housing Credit Request Amount

(i) State the amount of Housing Credits being requested.

The Eligible Housing Credit Request Amount will be based on the lesser of (A) the Applicant's Housing Credit Request Amount and (B) the Maximum Housing Credit Request Limit (as outlined below). If the Applicant states an amount that is greater than the amount the Applicant is eligible to request, the Corporation will reduce the amount down to the maximum amount the Applicant is eligible to request ("Eligible Housing Credit Request Amount").

(ii) Maximum Housing Credit Request Chart

The Housing Credit Request Amount cannot exceed the applicable County Category amount stated in the following chart:

County Category*	Eligible Housing Credit Request Limit
Medium County	\$2,800,000
Large County	\$3,300,000

(iii) All proposed Developments in this RFA qualify for the basis boost. If the proposed Development that is subject to this RFA also qualifies for the HUD-designated basis boost and is a multiphase Development, Applicants may declare this Development a first phase or subsequent phase by providing the information required in (b) or (c) below.

(b) Declaration as First Phase of a Multiphase Development

To declare this proposed Development as the first phase of a multiphase Development, the question in Exhibit A must be answered "Yes" and at least one building must be located within the HUD-designated DDA or HUD-designated QCT stated in Exhibit A.

During the credit underwriting process, an opinion letter must be submitted to the Corporation by a licensed attorney that the

Development meets the definition of a “multiphase project” as defined in the Federal Register related to the Statutorily Mandated Designation of Difficult Development Areas and Qualified Census Tracks for the applicable year. The letter must also include: (i) the name of the declared first phase Development and the Corporation-assigned Application number, (ii) the total number of phases and the projected Development name for each phase, (iii) the total number of buildings in each phase, (iv) the expected completion date for each phase, and (v) any other information as determined by the Corporation and stated in the Invitation to Enter Credit Underwriting.

(c) Basis Boost Qualifications

With regard to Housing Credits, HUD provides regulatory guidance on the effective date of Difficult Development Area (DDA) and Qualified Census Tract (QCT) lists for the purpose of determining whether a Development qualifies for an increase in eligible basis in accordance with Section 42(d)(5)(B) of the IRC. HUD’s notice published on the webpage <https://www.huduser.gov/portal/datasets/qct.html> (also available by clicking [here](#)) governs the eligibility for a basis boost for the Development proposed in this RFA.

(i) Subsequent Phase of a Multiphase Development

For purposes of this RFA, a subsequent phase of a multiphase Development is one where the first phase was located within a HUD-designated DDA or HUD-designated QCT and appropriately identified as such, and received an award of Housing Credits (“initial award”) in one of the following: (i) the 2011 Universal Application Cycle; (ii) a Request for Proposal or Request for Application (“RFP” or “RFA”) issued in calendar year 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022, 2023, 2024 or 2025; or (iii) a 4% Housing Credit Application (awarded through a Corporation competitive RFA process or a Non-Competitive Application for Corporation-issued MMRB, or a Non-Corporation Bond issuer’s competitive application).

For the phase to qualify as a subsequent phase, after the initial award, (A) the Applicant must have submitted an Application for Housing Credits in immediately consecutive years, per the HUD requirements, (B) the subsequent phase must have at least one building located within the boundary of the declared HUD-designated DDA or HUD-designated QCT which applied to the Development declared as the first phase by the first phase Applicant and

(C) subsequently completes satisfactorily the requirement of paragraph 3.n. in Exhibit D.

If the proposed Development qualifies as a subsequent phase of a multiphase Development, indicate as such in Exhibit A and provide the Corporation-assigned Application number for the Development where the first phase was declared and awarded an allocation of Housing Credits.

The proposed Development's subsequent phase status will be confirmed during the credit underwriting process. If it is determined that the proposed Development does not meet the criteria to be designated a subsequent phase of a multiphase Development, it will no longer be considered a subsequent phase of a multiphase Development.

(ii) HUD-designated Small Area DDA (SADDA)

A proposed Development may qualify as a first phase and be eligible for the basis boost in subsequent RFAs if the proposed Development is located within a HUD-designated Small Area DDA (SADDA), as defined in Section 42(d)(5)(B)(iii), IRC. The SADDA designation will only apply to the building(s) located within the applicable SADDA Zip Code Tabulation Area (ZCTA) and only those building(s) will be eligible for the basis boost.

HUD has assigned a ZCTA number to each SADDA, available on the webpage

<https://www.huduser.gov/portal/datasets/qct.html> (also available by clicking [here](#)). The applicable HUD mapping software is available at

https://www.huduser.gov/portal/sadda/sadda_qct.html (also available by clicking [here](#)).

To qualify, identify, in Exhibit A, the ZCTA number(s) for the proposed Development.

During credit underwriting and at the time of Final Cost Certification, if it is determined that there are buildings located outside of the applicable SADDA ZCTA, the Corporation reserves the right to reduce the Housing Credit Allocation if the eligible basis for the building(s) located in the applicable SADDA ZCTA is not sufficient to support the request amount.

(iii) HUD-designated Non-Metropolitan DDA

A proposed Development may qualify as a first phase and be eligible for the basis boost in subsequent RFAs if the Development county, as stated in Exhibit A, is located within a HUD-designated non-metropolitan DDA as defined in Section 42(d)(5)(B)(iii), IRC. The HUD-designated non-metropolitan DDAs are available on the webpage <https://www.huduser.gov/portal/datasets/qct.html> (also available by clicking [here](#)).

(iv) HUD-designated QCT

A proposed Development may qualify as a first phase and be eligible for the basis boost in subsequent RFAs if the entire Development is located, as of Application Deadline, within a HUD-designated QCT, as defined in Section 42(d)(5)(B)(ii), IRC, as amended and based on the current census, as determined by HUD.

The HUD-designated QCTs are available on the webpage <https://www.huduser.gov/portal/datasets/qct.html> (also available by clicking [here](#)).

To qualify, indicate the HUD-designated QCT census tract number.

(v) Demographic Basis Boost

If the Development is not located in a HUD-designated DDA (Non-Metropolitan DDA or Small Area DDA) or a QCT as provided above, the Application will qualify for a 30% basis boost as authorized by the Housing and Economic Recovery Act of 2008 and the Corporation's most recently authorized Qualified Allocation Plan.

(d) Housing Credit Equity Proposal

A Housing Credit equity proposal must be provided as **Attachment 8**. For purposes of this RFA, to be counted as a source, an equity proposal, regardless of whether the documentation is in the form of a commitment, proposal, term sheet or letter of intent, must meet the requirements set out below:

- (i) If the Eligible Housing Credit Request Amount is less than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing and, the maximum amount of Housing Credit equity to be permitted in the Development Cost Pro Forma will be

adjusted downward from the amount stated in the equity proposal. This adjusted maximum Housing Credit equity will be calculated by taking the total amount of equity to be provided to the proposed Development as stated in the equity proposal letter, dividing it by the credit allocation stated in the equity proposal and multiplying that quotient by the Applicant's Eligible Housing Credit Request Amount. If the Eligible Housing Credit Request Amount is greater than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing and the maximum amount of Housing Credit equity to be permitted in the Development Cost Pro Forma will be the amount stated in the equity proposal.

- (ii) If syndicating/selling the Housing Credits, the Housing Credit equity proposal must meet the following criteria:
- Be executed by the equity provider;
 - Include specific reference to the Applicant as the beneficiary of the equity proceeds;
 - State the proposed amount of equity to be paid prior to construction completion;
 - State the anticipated Housing Credit Request Amount;
 - State the anticipated dollar amount of Housing Credit allocation to be purchased; and
 - State the anticipated total amount of equity to be provided.

If the limited partnership agreement or limited liability company operating agreement has closed, the closed agreement must be provided. To be counted as a source of financing, the partnership agreement or operating agreement must meet the requirements above or submit separate documentation, signed by the equity provider, expressly stating any required criteria not provided in the agreement.

- (iii) If not syndicating/selling the Housing Credits, the owner's commitment to provide equity must be provided. The commitment must include the following information and evidence of ability to fund must be provided as **Attachment 8** to the Application:
- The proposed amount of equity to be paid prior to construction completion;
 - The anticipated Housing Credit Request Amount;
 - The anticipated dollar amount of Housing Credit allocation to be purchased; and
 - The anticipated total amount of equity to be provided.

Note: Exhibit D to the RFA outlines the documentation required to be submitted during credit underwriting demonstrating that the equity amount to be paid prior to or simultaneous with the closing of construction financing is at least 15 percent of the total proposed equity to be provided (the 15 percent criteria).

(2) Total SAIL Request Amount

Total SAIL Request Amount is the Base Loan Amount plus ELI Amount as described below.

The SAIL loan shall be non-amortizing with an interest rate as outlined in Section Four A.2.a.(2) of the RFA. The terms and conditions of the SAIL loan are further outlined in Rule Chapter 67-48, F.A.C. The portion of the SAIL loan that is attributable to the ELI Funding shall be non-amortizing at 0 percent simple interest per annum, with the principal forgivable at maturity.

The SAIL Base Loan Amount and ELI Funding Amount are each further described below.

(a) SAIL Base Loan Request Amount

State the amount of the SAIL Base funding being requested in Exhibit A and on the Development Cost Pro Forma.

The SAIL Base Request Amount is limited to \$115,000 per unit; however, the SAIL Base Request Amount plus the ELI Request Amount is limited to the lesser of the following:

- (i) \$6,250,000; or
- (ii) 35 percent of the Total Development Cost (which includes the ELI Amount).

(b) ELI Amount

Applicants that committed to the Average Income Test will not be eligible to receive ELI Funding.

All other Applications are eligible for ELI Funding for the required ELI Set-Aside units, not to exceed the lesser of (i) \$1,000,000; or (ii) the maximum amount based on the ELI Set-Aside per unit limits, as outlined in Section Four, A.6. above, for five percent of the total units.

The ELI Funding the proposed Development is eligible to receive should be stated in Exhibit A, as well as on the Construction/Rehab and Permanent Analysis. Note: Applicants are limited to a total SAIL Request (SAIL plus ELI Funding) that cannot exceed \$6,250,000. Applicants not requesting the maximum amount of ELI Funding will still

be required to set aside 15 percent of the total units in the proposed Development to serve Extremely Low Income Households. If the Applicant lists an amount of ELI Funding that is greater than the amount for which the Applicant is eligible, the Corporation will reduce the amount to the maximum eligible amount, as outlined immediately below, within the priority sequence provided in (c) below.

The ELI Funding will be limited to an amount not to exceed the ELI Set-Aside per unit limits that are dependent upon the proposed Development's unit mix and the county where the proposed Development is located, as outlined on the chart at Section Four, A.6. above. For each proposed ELI Set-Aside unit, the proposed Development must take a unit that would otherwise be at 60 percent AMI or higher and restrict it as an ELI Set-Aside unit. The number of ELI Set-Aside Units are proportionately distributed across the Unit Mix within Exhibit A and the maximum ELI Funding amount per eligible ELI Set-Aside unit the proposed Development is eligible to receive is calculated automatically within Exhibit A based on the information listed by the Applicant on the Unit Mix chart.

(c) Additional adjustments, if applicable

During the scoring process, if the SAIL Base Request Amount and/or ELI Request Amount is greater than the amount the Applicant is eligible to request, the Corporation will reduce the amount down to the maximum amount the Applicant is eligible to request. The resulting SAIL Base Request Amount, as adjusted if applicable, will be deemed to be the Applicant's Eligible SAIL Base Request Amount. The resulting ELI Request Amount, as adjusted if applicable, will be deemed to be the Applicant's Eligible ELI Request Amount. In the event of a discrepancy between the amount shown in this section and that shown elsewhere within the Application, the amount shown in this section shall be deemed to be the Applicant's SAIL Request Amount.

(3) HOME-ARP Loan Funding

Applicants are eligible for HOME-ARP Funding for four required 22% Units using the process outlined in Exhibit H of the RFA.

The HOME-ARP loan shall be a forgivable loan with an interest rate of 0 percent for 30 years. The terms and conditions of the HOME-ARP loans are further outlined in Exhibit H of the RFA.

This funding will be included as HOME-ARP on the Development Cost Pro Forma for scoring purposes. Because HOME-ARP Funding award amounts are calculated after Applications are selected for funding, Applicants are cautioned that this amount may be adjusted further in credit underwriting as outlined in Exhibit H of the RFA.

(4) Other Corporation Funding

If the Development has received funding from the Predevelopment Loan Program (PLP), the Corporation file number and amount of funding must be listed. Note: PLP funding cannot be used as a source of financing on the Construction/Rehab Analysis or the Permanent Analysis.

b. Non-Corporation Funding

Unless stated otherwise within this RFA, for funding, other than Corporation funding and deferred Developer Fee, to be counted as a source on the Development Cost Pro Forma, provide documentation of all financing proposals from both the construction and the permanent lender(s), equity proposals from the syndicator, and other sources of funding. The financing proposals must state whether they are for construction financing, permanent financing, or both, and all attachments and/or exhibits referenced in the proposal must be provided as **Attachment 11*** to Exhibit A.

*Attachments 9 and 10 are intentionally omitted in this RFA.

For purposes of the Application, the following will not be considered a source of financing: net operating income, capital contributions not documented in accordance with financing proposals that are not from a Regulated Mortgage Lender, fee waivers or any portion of any fees that are reimbursed by the local government. Additionally, fee waivers or any portion of any fees that are reimbursed by the local government cannot be considered as Development costs.

(1) Financing Proposal

Financing proposal documentation, regardless of whether the documentation is in the form of a commitment, proposal, term sheet, or letter of intent, must meet the following criteria.

Each financing proposal shall contain:

- Amount of the construction loan, if applicable;
- Amount of the permanent loan, if applicable;
- Specific reference to the Applicant as the borrower or direct recipient; and
- Signature of lender.

Note: Eligible Local Government financial commitments (i.e., grants and loans) can be considered a source of financing without meeting the requirements above if the Applicant provides the properly completed and executed Local Government Verification of Contribution Form (Form 03-2025), completes the Grant or Loan contribution portions of the chart on the form, dates the form within 12 months of the Application Deadline, and such grant and/or loan is effective at least through June 30, 2026. The Local Government contribution form (Form 03-2025) is available on the RFA Webpage.

(2) Financing that has closed:

- (a) If the financing has closed in the Applicant's name, provide a letter from the lender acknowledging that the loan has closed. The letter must also include the following information:
- Amount of the construction loan, if applicable;
 - Amount of the permanent loan, if applicable; and
 - Specific reference to the Applicant as the borrower/direct recipient/mortgagee.
- (b) If the financing involves an assumption of debt not currently in the Applicant's name, as evidence that the lender approves of the proposal of assumption, provide a letter from the lender, dated within six months of the Application Deadline, that includes the following information:
- Specifically references the Applicant as the assuming party;
 - If a permanent loan, states the amount to be assumed; and
 - If a construction loan, states the maximum amount of funding capacity.

- (3) If the financing proposal is not from a Regulated Mortgage Lender in the business of making loans or a governmental entity, evidence of ability to fund must be provided. Evidence of ability to fund includes: (i) a copy of the lender's most current audited financial statements no more than 17 months old; or (ii) if the loan has already been funded, a copy of the note and recorded mortgage. The age of all financial statements is as of the Application Deadline. In evaluating ability to fund, the Corporation will consider the entity's unrestricted current assets typically used in the normal course of business. Assets considered restricted include, but are not limited to, pension funds, rental security deposits, and sinking funds. Financing proposals from lenders who cannot demonstrate ability to fund will not count as a source of financing. Financial statements must be included in the Application. Note: This provision does not apply to deferred Developer Fee.

In the case where the seller (or lessor) of the Development's property is providing a seller's or lessor's note (purchase money mortgage or equivalent) to help finance the Applicant's acquisition of the property, evidence of its ability to fund the amount of the note is not needed so long as the Application includes a letter from the seller or lessor that meets the financing proposal criteria outlined in (2)(a) above and the amount of the note is equal to or less than the purchase price of the property.

- (a) If a financing proposal shows an amount less than the corresponding line item on the Development Cost Pro Forma, only the financing proposal amount will be considered as a funding source. However, if a financing proposal shows an amount greater than the corresponding line item on the Development Cost Pro Forma, up to the total amount of

the financing proposal amount may be utilized as a funding source, if needed.

- (b) The loan amount may be conditioned upon an appraisal or debt service coverage ratio or any other typical due diligence required during credit underwriting.
- (c) Financing proposals may be conditioned upon the Applicant receiving the funding from the Corporation for which it is applying.
- (d) If a financing proposal has a provision for holding back funds until certain conditions are met, the amount of the hold-back will not be counted as a source of construction financing unless it can be determined that the conditions for the release of the hold-back can be met prior to or simultaneous with the closing of the Development's permanent financing.
- (e) Grant funds are contributions to the Development, other than equity, which carry no repayment provision or interest rate. A commitment for grant funds will be considered a commitment if the commitment is properly executed and, if applicable, evidence of ability to fund is provided.

c. Development Cost Pro Forma

All Applicants must complete the Development Cost Pro Forma listing the anticipated costs, the Detail/Explanation Sheet, if applicable, and the Construction or Rehab Analysis and Permanent Analysis listing the anticipated sources (both Corporation and non-Corporation funding). The sources must equal or exceed the uses. If a funding source is not considered, if the Applicant's funding Request Amount is adjusted downward, and/or if the anticipated costs or uses are adjusted upward, this may result in a funding shortfall. If the Application has a funding shortfall in either the Construction/Rehab and/or the Permanent Analysis of the Applicant's Development Cost Pro Forma, the amount of the adjustment(s), to the extent needed and possible, will be offset by increasing the deferred Developer Fee up to the maximum eligible amount as provided below. If it is demonstrated that an Applicant failed to disclose anticipated costs, the Applicant will be deemed ineligible if those undisclosed costs cause a funding shortfall.

The Development Cost Pro Forma must include all anticipated costs of the Development construction, and, if applicable, acquisition, including the Developer Fee and General Contractor fee, as outlined below. Waived or reimbursed fees or charges are not considered costs to the Development and therefore, should not be included on the Development Cost Pro Forma. Note: deferred Developer Fees are not considered "waived fees."

Within the General Development Costs section of the Development Cost Pro Forma, there are line items for Professional Fees, Insurance(s), Local Government

Fees & Taxes, FHFC Costs& Fees, and Tenant Relocation Costs. The following are examples of these costs:

- Professional Fees may include Accounting Fees, Appraisal, Architect's Fees, Capital Needs Assessment, Engineering Fees, Environmental Report, Green Building Certification/HERS Inspection Costs, Inspection Fees, Legal Fees, Market Study, Marketing/Advertising, Soil Test Report, Survey and Title Insurance & Recording Fees.
- Insurance(s) may include Builder's Risk Insurance.
- Local Government Fees & Taxes may include Building Permit, Impact Fees, Property Taxes and Utility Connection Fee.
- FHFC Costs & Fees may include the Corporation's fees such as Administrative Fee, Application Fee, Compliance Fee and PRL/Credit Underwriting Fees.

Developer Fee and General Contractor fee must be disclosed. In the event the Developer Fee and/or General Contractor fee are/is not disclosed on the Development Cost Pro Forma, the Corporation will assume that these fees will be the maximum allowable and will add the maximum amount(s) to Total Development Cost. If an Applicant lists a Developer Fee, General Contractor fee, contingency reserve or operating deficit reserve that exceeds the stated Application limits, the Corporation will adjust the fee to the maximum allowable.

Unless stated otherwise in this RFA, except for deferred Developer Fee, the Application requires complete information on all sources of Development funding and the proposed uses of those funds. All loans, grants, donations, syndication proceeds, etc., should be detailed in the Application as outlined above. The total of monetary funds determined to be in funding proposals must equal or exceed uses.

(1) Developer Fee

Each Developer Fee component listed in (a) and (b) below shall not exceed the respective amounts described below:

- (a) Developer Fee on Acquisition Costs, is limited to 21 percent* of the Total Acquisition Cost of Existing Development (excluding land) stated on the Development Cost Pro Forma in Column 3 of Item B, rounded down to the nearest dollar; and
- (b) Developer Fee on Non-Acquisition Costs, is limited to 21 percent* of the net amount after deducting Total Acquisition Cost of Existing Development (excluding land) (Column 3 of Item B) from the Development Cost stated on the Development Cost Pro Forma in Column 3 of Item C, rounded down to the nearest dollar.

If the maximums stated in (a) or (b) are exceeded, the Corporation will adjust the amount down to the maximum allowed. Additionally, the Corporation may further adjust the Developer Fee on Acquisition Costs,

and/or Developer Fee on Non-Acquisition Costs stated on the Development Cost Pro Forma and used to calculate the Developer Fee in Item D of the Development Cost Pro Forma. The conditions for such adjustments are stated below:

- If the amount of Developer Fee on Acquisition Costs is more than the amount allowed in (a) above, AND if the amount of Developer Fee on Non-Acquisition Costs is less than the amount allowed in (b) above, the Corporation will reduce the amount of Developer Fee on Acquisition Costs to the maximum allowed amount, and increase the amount of Developer Fee on Non-Acquisition Costs by the amount reduced in the Developer Fee on Acquisition Costs, up to the maximum allowed amount.
- If the amount of Developer Fee on Non-Acquisition Costs is more than the amount allowed in (b) above, AND if the amount of Developer Fee on Acquisition Costs is less than the amount allowed in (a) above, the Corporation will reduce the amount of Developer Fee on Non-Acquisition Costs to the maximum allowed amount, and increase the amount of Developer Fee on Acquisition Costs by the amount reduced in the Developer Fee on Non-Acquisition Costs, up to the maximum allowed amount.

*The Developer Fee is limited to 16 percent of the Development Cost; however, the Corporation will allow Applicants to provide a Developer Fee up to 21 percent of the Development Cost to be stated on the Development Cost Pro Forma, with up to 5 percent of the Development Cost placed in an operating deficit reserve account to be held by the Corporation or its servicer. This portion of the total Developer Fee is referred to as the operating deficit reserve proportion. The operating deficit reserve portion will be verified and sized during credit underwriting. Any disbursements from said operating deficit reserve account shall be reviewed and approved by the Corporation or its servicer. Upon the expiration of the Compliance Period, any remaining balance may be drawn to pay down any outstanding Corporation debt on the proposed Development. If there is no Corporation loan debt on the proposed Development at the end of the Compliance Period, then any remaining balance in said operating deficit reserve account shall be placed in a replacement reserve account for the proposed Development. In no event shall the remaining balance in said operating deficit reserve account be paid to the Developer.

The Corporation will allow up to 100 percent of the eligible Developer Fee to be deferred and used as a source on the Development Cost Pro Forma without the requirement to show evidence of ability to fund.

Consulting fees, if any, and any financial or other guarantees required for the financing must be paid out of the Developer Fee. Consulting fees include, but are not limited to, payments for Application consultants,

construction management or supervision consultants, or local government consultants.

(2) General Contractor Fee

General Contractor fee shall be limited to 14 percent of actual construction cost. The maximum allowable General Contractor fee will be tested during the scoring of the Application by multiplying the actual construction cost by 14 percent, rounded down to the nearest dollar.

(3) Contingency Reserves

For Application purposes, the maximum hard and soft cost contingencies allowed cannot exceed 5 percent of hard and soft costs, as further described in Rule Chapter 67-48, F.A.C. The determination of the contingency reserve is limited to the maximum stated percentage of total actual construction costs (hard costs) and general development costs (soft costs), as applicable.

(4) Operating Deficit Reserves

An operating deficit reserve can be included as part of Total Development Costs, but cannot be used in determining the maximum Developer Fee (i.e., be a part of Development Costs). Applicants may enter an operating deficit reserve amount that does not exceed \$3,500 per unit on the Development Cost Pro Forma as part of the Application process. A reserve, including an operating deficit reserve, if necessary as determined by an equity provider, first mortgage lender, and/or the Credit Underwriter engaged by the Corporation in its reasonable discretion, will be required and sized in credit underwriting. If any reserve other than the permitted contingency reserve(s) or the maximum operating deficit reserve and the Developer Fee subset, if applicable, is identified and included in the Development Cost Pro Forma, the Corporation will reduce it to the maximum allowed during Application scoring.

Permitted costs related to supportive services are not considered operating expenses for the purpose of drawing down operating subsidy reserve.

In exchange for receiving funding from the Corporation, the Corporation reserves the authority to restrict the disposition of any funds remaining in any operating deficit reserve(s) after the term of the reserve's original purpose has terminated or is near termination. Authorized disposition uses are limited to payments towards any outstanding loan balances of the Development funded from the Corporation, any outstanding Corporation fees, any unpaid costs incurred in the completion of the Development (i.e., deferred Developer Fee), the Development's capital replacement reserve account (provided, however, that any operating deficit reserve funds deposited to the replacement reserve account will not replace, negate, or otherwise be considered an advance payment or pre-funding of the

The actual direction of the disposition is at the Applicant's discretion so long as it is an option permitted by the Corporation. In no event, shall the payment of amounts to the Applicant or the Developer from any operating deficit reserve established for the Development cause the Developer Fee or General Contractor fee to exceed the applicable percentage limitations provided for in this RFA.

If the acceptance to an Invitation to Enter Credit Underwriting occurs after the Application Deadline and before the Review Committee Meeting for this RFA, the proposed Development will be considered ineligible for funding in this RFA. If the acceptance to an Invitation to Enter Credit Underwriting occurs after the Review Committee Meeting for this RFA, the proposed Development will be considered ineligible for funding in this RFA and any funding awarded in this RFA will be rescinded and considered Returned Funding.

**** Verification of no recent de-obligations

An Application will be deemed ineligible to be considered for funding if, as of the close of business the day before the Committee meets to make a recommendation to the Board, an Applicant or Developer or Principal, Affiliate or Financial Beneficiary of the Applicant or Developer has received an award of any funding from any RFA issued by Florida Housing Finance Corporation but such funding has been de-obligated by the Florida Housing Finance Corporation Board of Directors within the ten years prior to this RFA Application Deadline, with the exception of de-obligations that resulted from the termination of the Multifamily Energy Retrofit Program (MERP) funding awarded through RFA 2015-115.

* Applications must achieve at least 87.5 percent of the total points available in the RFA to be eligible for funding ($150 \times 0.875 = 131.25$, rounded up to 132).

B. Selection Process

1. Goals

- a. A goal to fund one Application located in the Central Region.
- b. A goal to fund one Application located in the Tampa Bay Region.

Regions are described in Section One of the RFA.

There is also a preference to fund one Application in a Medium County and one Application in a Large County. County Sizes are described in Section Four, A.5.b. of the RFA.

2. Funding Available

Applications will be selected for funding only if there is enough HC Funding available to fully fund the Eligible HC Request Amount for the applicable county size and also enough SAIL funding available to fully fund the Eligible Total SAIL Request ("Funding Tests").

- a. 9% Housing Credits: \$6,100,000
 - (1) \$2,800,000 in Medium Counties
 - (2) \$3,300,000 in Large Counties
- b. SAIL: \$12,500,000

- c. Applicants will be awarded HOME-ARP Funding using the process outlined in Exhibit H of the RFA.

3. Application Sorting Order

The highest scoring Applications will be determined by sorting together all eligible Priority 1 Applications in the following order:

- a. First, by Operating Permanent Supportive Housing Experience Points Preference described in Section Four, C. of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- b. Next, by the Involvement in the Local Homeless Resources Network Points Preference described in Section Four, C. of the RFA;
- c. Next, by the Accessibility Preference described in Section Four, A.8.c. of the RFA;
- d. Next by the Rental Assistance History Preference described in Section Four, A.10.f. of the RFA;
- e. Next by the Supportive Services Funding History Preference described in Section Four, A.10.g. of the RFA;
- f. Next, by the Application's eligibility for the Qualifying Financial Assistance Funding Preference as described in Section Four, A.10.d. of the RFA, (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- g. Next, by the Application's Leveraging Classification, with Applications having an A above those with a B, as described in Item 2 of Exhibit C (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);
- h. Next, by the Application's eligibility for the Florida Job Creation Funding Preference which is outlined in Item 3 of Exhibit C of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference); and
- i. By lottery number, resulting in the lowest lottery number receiving preference.

This same sorting order will then be applied to all Priority 2 Applications.

4. County Award Tally

As each Application is selected for tentative funding, the county where the proposed Development is located will have one Application credited towards the County Award Tally.

Throughout the selection process, the Corporation will prioritize eligible unfunded Priority 1 Applications that meet the Funding Test and are located within counties that have the lowest County Award Tally above other eligible unfunded Priority 1 Applications with a higher County

Award Tally that also meet the Funding Test, even if the Priority 1 Applications with a higher County Award Tally are higher ranked, and above all Priority 2 Applications.

The Corporation will prioritize eligible unfunded Priority 2 Applications that meet the Funding Test and are located within counties that have the lowest County Award Tally above other eligible unfunded Priority 2 Applications with a higher County Award Tally that also meet the Funding Test, even if the Priority 2 Applications with a higher County Award Tally are higher ranked.

Note: Because Volusia County was awarded in RFA 2025-108 Housing Credit And SAIL Financing For Homeless Housing Developments Located In Medium And Large Counties and because other Central and Tampa Bay Region Counties have not been awarded in RFA 2025-103 or RFA 2025-108, Volusia County will begin the selection process with one Application credited towards the County Award Tally.

5. The Funding Selection Process

a. First Application selected for funding

The first Application selected for funding will be the highest-ranking eligible Priority 1 Application proposing a Development that is located in the Central Region or Tampa Bay Region.

b. Second Application selected for funding

(1) *If the Application that was selected for funding in a. above met the Medium County and Central Region Funding Goals*

If the Application that was selected for funding in a. above met the Medium County and Central Region Funding Goals, the second Application selected for funding will be a Large County Priority 1 Application in the Tampa Bay Region.

If the goal could not be met because there are no eligible Large County Priority 1 Applications in the Tampa Bay Region, the second Application selected for funding will be a Medium County Priority 1 Application in the Tampa Bay Region.

If the goal could not be met because there are no Priority 1 Applications located in the Tampa Bay Region, the second Application selected for funding will be a Large County Priority 2 Application in the Tampa Bay Region.

If the goal could not be met because there are no eligible Large County Priority 2 Applications in the Tampa Bay Region, the second Application selected for funding will be a Medium County Priority 2 Application in the Tampa Bay Region.

- (2) *If the Application that was selected for funding in a. above met the Medium County and Tampa Bay Region Funding Goals*

If the Application that was selected for funding in a. above met the Medium County and Tampa Bay Region Funding Goals, the second Application selected for funding will be a Large County Priority 1 Application in the Central Region.

If the goal could not be met because there are no eligible Large County Priority 1 Applications in the Central Region, the second Application selected for funding will be a Medium County Priority 1 Application in the Central Region.

If the goal could not be met because there are no Priority 1 Applications located in the Central Region, the second Application selected for funding will be a Large County Priority 2 Application in the Central Region.

If the goal could not be met because there are no eligible Large County Priority 2 Applications in the Central Region, the second Application selected for funding will be a Medium County Priority 2 Application in the Central Region.

- (3) *If the Application that was selected for funding in a. above met the Large County and Central Region Funding Goals*

If the Application that was selected for funding in a. above met the Large County and Central Region Funding Goals, the second Application selected for funding will be a Medium County Priority 1 Application in the Tampa Bay Region.

If the goal could not be met because there are no eligible Medium County Priority 1 Applications in the Tampa Bay Region, the second Application selected for funding will be a Large County Priority 1 Application in the Tampa Bay Region.

If the goal could not be met because there are no Priority 1 Applications located in the Tampa Bay Region, the second Application selected for funding will be a Medium County Priority 2 Application in the Tampa Bay Region.

If the goal could not be met because there are no eligible Medium County Priority 2 Applications in the Tampa Bay Region, the second Application selected for funding will be a Large County Priority 2 Application in the Tampa Bay Region.

- (4) *If the Application that was selected for funding in a. above met the Large County and Tampa Bay Region Funding Goals*

If the Application that was selected for funding in a. above met the Large County and Tampa Bay Region Funding Goals, the second Application selected for funding will be a Medium County Priority 1 Application in the Central Region.

If the goal could not be met because there are no eligible Medium County Priority 1 Applications in the Central Region, the second Application selected for funding will be a Large County Priority 1 Application in the Central Region.

If the goal could not be met because there are no Priority 1 Applications located in the Central Region, the second Application selected for funding will be a Medium County Priority 2 Application in the Central Region.

If the goal could not be met because there are no eligible Medium County Priority 2 Applications in the Central Region, the second Application selected for funding will be a Large County Priority 2 Application in the Central Region.

c. Remaining Funding

If funding remains after selecting two Applications as outlined above, or if funding remains because there were not two Priority 1 Applications that could be funded as outlined above, then the highest ranking eligible unfunded Priority 1 Applications will be selected for funding, regardless of the Homeless Development Region and the County size, subject to the County Award Tally and the Funding Tests.

If funding remains after selecting all Priority 1 Applications that could be funded as outlined above, then the highest ranking eligible unfunded Priority 2 Applications will be selected for funding, regardless of the Homeless Development Region and the County size, subject to the County Award Tally and the Funding Tests.

If no eligible unfunded Applications can meet the Funding Tests, then no further Applications will be selected for funding and the remaining Housing Credits and SAIL funding will be distributed as approved by the Board.

6. Returned Funding

Funding that becomes available after the Board takes action on the Committee's recommendation(s), due to an Applicant withdrawing, an Applicant declining its Invitation to Enter Credit Underwriting or the Applicant's inability to satisfy a requirement outlined in this RFA, and/or provisions outlined in Rule Chapter 67-48, F.A.C., will be distributed as approved by the Board.

**SECTION SIX
AWARD PROCESS**

Committee members shall independently evaluate and score their assigned portions of the submitted Applications, consulting with non-committee Corporation staff and legal counsel as necessary and appropriate.

The Committee shall conduct at least one public meeting during which the Committee members may discuss their evaluations, select Applicants to be considered for award, and make any adjustments deemed necessary to best serve the interests of the Corporation's mission. The Committee will list the

Applications deemed eligible for funding in order applying the funding selection criteria outlined in Section Five above and develop a recommendation or series of recommendations to the Board.

The Board may use the Applications, the Committee's scoring, any other information or recommendation provided by the Committee or staff, and any other information the Board deems relevant in its selection of Applicants to whom to award funding. Notwithstanding an award by the Board pursuant to this RFA, funding will be subject to a positive recommendation from the Credit Underwriter based on criteria outlined in the credit underwriting provisions in Exhibits H and I of the RFA, and Rule Chapter 67-48, F.A.C.

The Corporation shall provide notice of its decision, or intended decision, for this RFA on the Corporation's Website the day of the applicable Board vote. After posting, an unsuccessful Applicant may file a notice of protest and a formal written protest in accordance with Section 120.57(3), Fla. Stat., et. al. Failure to file a protest within the time prescribed in Section 120.57(3), Fla. Stat., et. al. shall constitute a waiver of proceedings under Chapter 120, Fla. Stat.

After the Board's decision to select Applicants for funding in this RFA has become final action, the Corporation shall offer all Applicants within the funding range an Invitation to Enter Credit Underwriting. The Corporation shall select the Credit Underwriter for each Development.

Exhibit C – Additional Information

1. Total Development Cost Limitation Test

There is a maximum Developer Fee that can be earned which is tailored for the characteristics of each Development.

a. Overview

(1) Maximum Developer Fee based on Percentage of Development Cost as outlined in Rule 67-21, F.A.C. and/or 67-48, F.A.C.

(2) Maximum Developer Fee Amount based on Maximum Development Cost

The Corporation will calculate the Maximum Developer Fee for each proposed Development, then compare it to the proposed Development's stated Developer Fee. The Maximum Developer Fee Amount will be the sum of the maximum Developer Fee on non-Acquisition Costs calculated in (a) below and, if applicable, the maximum Developer Fee on Building Allocation portion of Acquisition Costs ("Building Allocation") as calculated in (b) below.

(a) Maximum Development Cost upon which a Developer Fee can be Earned when there are no Building Allocation Costs

(i) Hard Cost Factor Per Unit Chart plus estimate of Soft Costs Per Unit

The Non-Acquisition Costs for purposes of determining the maximum Developer Fee are calculated by first selecting the applicable hard cost factor for each unit in the chart below then incorporating an estimate of soft costs per unit.

Hard costs are defined as the total of the actual construction costs (includes the General Contractor Construction Contract and any construction costs to be incurred outside of the General Contractor Construction Contract), the General Contractor Fee and the approved Hard Cost Contingency. These costs are representative of what is normally reported on lines A1.3 and A1.4 in the Development Cost Pro Forma in the Application. The Hard Cost Factor per Unit amounts in the chart are not a limit of the actual hard costs allowed in each Development. Each Development's actual costs may exceed these amounts, but these are the maximums used in the Developer Fee calculation.

Measure	Hard Cost Factor per New Construction Unit				
	Garden Non-ESS*	Garden ESS*	Mid-Rise-Non-ESS*	Mid-Rise-ESS*	High-Rise*
Hard Cost Factor Per Unit for all counties except Broward, Miami-Dade and Palm Beach counties	\$247,000	\$275,000	\$275,000	\$302,000	\$330,000
Hard Cost Factor Per Unit for Broward, Miami-Dade and Palm Beach counties	\$275,000	\$300,000	\$300,000	\$330,000	\$355,000

* Garden includes all Development Types other than Mid-Rise and High-Rise; Non-Garden includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories) and High-Rise (7 or more stories); Mid-Rise includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories); and High-Rise includes Development Type of High-Rise (7 or more stories). ESS means Enhanced Structural Systems Construction.

If there is only one unit type for the entire proposed Development, the number in the chart associated with the unit type is the Hard Cost Factor Per Unit for the Development.

If there are multiple unit types, the amount associated for each unique unit type is multiplied by the number of units for that unit type, added together, and then divided by the total number of units (i.e. pro rata distribution). The result of that calculation is the Hard Cost Factor Per Unit for the Development.

Incorporate an Estimate of Soft Costs Per Unit

The Hard Cost Factor Per Unit for the Development is then divided by 75 percent (resulting in a maximum of hard costs and soft costs per unit when calculating the Maximum Developer Fee, prior to Add-Ons, Multipliers, and Escalation Rate.)

- (ii) Then divide the result of (ii) above by the applicable TDC Multiplier(s)

Non-Geographic TDC Multiplier – Homeless Demographic	85%
Non-Geographic TDC Multiplier – All Developments that consist of 50 total units or less	85%
Non-Geographic TDC Multiplier – All Developments that consist of more than 50 total units, but not more than 80 total units	90%
Non-Geographic TDC Multiplier – For Applications receiving funding from the Corporation which are directly generating expenses related to Build America, Buy America (BABA) costs, if applicable	89%
Non-Geographic TDC Multiplier – Any Applicant which (i) either has a land lease with a PHA for the proposed Development's location or the Applicant provided an Option to Enter into a Ground Lease Agreement on property where the proposed Development is to be located; AND the property which has a Declaration of Trust between the PHA and HUD; or (ii) has a PHA or an instrumentality of a PHA as a Principal	89%

Non-Geographic TDC Multiplier – For Applications that do not qualify for the PHA Multiplier and are receiving funding from the Corporation which are directly generating expenses related to Davis-Bacon costs, if applicable	89%
---	-----

- (iv) Then multiply the result of (iii) above by the sum of 1 plus 6 percent, which represents the Escalation Factor
- (v) Then multiply this result by the total number of units within the proposed Development to achieve the Maximum Development Cost upon which a Developer Fee can be Earned when there are no Building Allocation Costs (“**Maximum Non-Acquisition Development Cost for Developer Fee**”).

To obtain the **Maximum Developer Fee Amount on non-Acquisition Costs**, multiply the result of (v) by the maximum Developer Fee percentage allowed in the RFA as described below:

- If the maximum Developer Fee percentage stated in the RFA is 16 percent, the result of the calculation above is then multiplied by 16 percent, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 18 percent, the result of the calculation above is then multiplied by 18 percent, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 21 percent, the result of the two calculations below are added together:
 - the result of the calculation is then multiplied by 16 percent, rounded down to the nearest dollar; AND
 - the result of the calculation is then multiplied by 5 percent, rounded down to the nearest dollar.

If there is no Building Allocation costs, this **Maximum Developer Fee Amount on non-Acquisition Costs** is also the **Development’s Maximum Developer Fee**. If there is Building Allocation costs, the result of the fee calculation above is added to the result of the fee calculation below to determine the **Development’s Maximum Developer Fee**.

- (b) Maximum Developer Fee Amount on Building Allocation costs, if applicable

The Building Allocation costs are comprised of a Building Allocation plus Other building acquisition related costs of the existing Development, together are typically represented by line B. in the Development Cost Pro Forma in the Application. The maximum Building Allocation is a structured calculation. Start by taking the lesser of either the appraised value of the entire property or the actual property purchase price. The lowest land cost allocation is then subtracted from this amount. The lowest land cost allocation methodology is determined as follows:

- (i) Appraised “as is” market value of the land, as if vacant;

- (i) Assessed value of the land as provided by the county property appraiser; or
- (iii) Discount the value provided in the option (a) above to account for the LURA/EUA rent restrictions existing on the property. This is done by taking the lesser of the subject property's acquisition price, or the subject property's appraised "as is" restricted value and dividing this amount by the "as is" market value of the property as if unrestricted. The resulting discount factor is then multiplied by the value provided in option (a).

The lesser of the result of this maximum Building Allocation calculation or the Applicant's stated Building Allocation is then added to any other separate acquisition costs associated with the Building Allocation and this total is multiplied further based on the maximum Developer Fee percentage allowed in the RFA as described below to obtain the Maximum Developer Fee Amount on Building Allocation:

- If the maximum Developer Fee percentage stated in the RFA is 16 percent, the result of the calculation above is then multiplied by 16 percent, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 18 percent, the result of the calculation above is then multiplied by 18 percent, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 21 percent, the result of the two calculations below are added together:
 - the result of the calculation is then multiplied by 16 percent, rounded down to the nearest dollar; AND
 - the result of the calculation is then multiplied by 5 percent, rounded down to the nearest dollar.

(3) Maximum TDC Component

The Maximum TDC Component equals the Maximum Non-Acquisition Development Cost for Developer Fee (as calculated in (2)(v) above) plus the maximum Developer Fee amount on non-acquisition costs (as calculated in (a) above) and then adding, if applicable, the maximum Developer Fee amount on Building Allocation (as calculated in (b) above). The Maximum TDC Component is unique to each Development and will not change once it is calculated. It will be used for calculations described in b. below. However, the maximum Developer Fee amount on Building Allocation costs, if applicable, can be updated at time of Final Cost Certification Application Package review when the Other building acquisition related costs of the existing Development have changed since credit underwriting. At no time will the proposed Developer Fee be allowed to exceed the total maximum Developer Fee.

- b. Determining whether adjustments to the Developer Fee and the Total Development Cost of the proposed Development are needed during Credit Underwriting

The Total Development Cost of the proposed Development (“TDC of the Proposed Development”) is often adjusted during credit underwriting and Final Cost Certification process. The steps below are performed first during the credit underwriting process and then a similar process is completed during the Final Cost Certification process as presented in c. below. Any such adjustments that occurred during these processes may affect the maximum Developer Fee allowed for the proposed Development to fluctuate.

(1) First Review of the Developer Fee and the TDC of the Proposed Development

To review the maximum Developer Fee for the proposed Development, the Corporation will first determine if the stated Developer Fee is in compliance with the percentage Developer Fee limit and then compare the results of the calculation in a. above to the Developer Fee stated by the Applicant.

If the maximum Developer Fee calculated by the percentage Developer Fee on stated Development Costs and the maximum Developer Fee calculated in a. above is equal to or greater than the proposed Development’s stated Developer Fee, there will be no resulting deduction to the stated Developer Fee or the TDC of the Proposed Development from this first review.

If this step creates a maximum Developer Fee that is less than the proposed Development’s stated Developer Fee, the stated Developer Fee will be reduced to the maximum Developer Fee provided in this step, and the TDC of the Proposed Development will be equally reduced to incorporate this mandated cost reduction.

(2) Second Review of the Developer Fee and the TDC of the Proposed Development

The second review will compare the proposed Development’s Maximum TDC Component and the Net TDC of the Proposed Development for these limitation purposes.

Calculating the Net TDC of the Proposed Development

The Net TDC of the Proposed Development is determined by taking the TDC of the Proposed Development (after any reduction in the initially stated Developer Fee as provided above) and deducting the following qualifying costs:

- the property acquisition price (building and land, which are subject to their own limits)
- demolition costs
- tenant relocation costs
- construction costs associated with the delivery of commercial/retail space, and
- any approved operating deficit reserves (ODR) that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee.

Comparison of the Development's Maximum TDC Component and the Net TDC of the Proposed Development

If the proposed Development's Maximum TDC Component is equal to or greater than the Net TDC of the Proposed Development, the review of the Developer Fee is complete and no other reduction to the proposed Development's Developer Fee is required.

If the proposed Development's Maximum TDC Component is less than the Net TDC of the Proposed Development, the maximum Developer Fee will be reduced by the lesser of:

- (a) the actual amount that the Net TDC of the Proposed Development exceeds the Maximum TDC Component,
- (b) \$750,000, or
- (c) 25 percent of the Maximum Developer Fee calculated in a. above.

If the maximum Developer Fee calculated in this step is equal to or greater than the proposed Development's Developer Fee calculated in b.(1) above, there will be no resulting deduction to the proposed Development's Developer Fee after step b.(1) nor to the Net TDC of the Proposed Development from this second review.

If this step causes the maximum Developer Fee to be less than the proposed Development's Developer Fee calculated in b.(1) above, the proposed Development's Developer Fee will be reduced to the maximum Developer Fee calculated in this step, and the Net TDC of the Proposed Development will be equally reduced to incorporate the second mandated cost reduction.

This is the final review of the Developer Fee during credit underwriting.

- c. Reviewing the Developer Fee and the Net TDC of the Proposed Development stated in the Final Cost Certification Application Package ("FCCAP")

The Developer Fee and the Net TDC of the Proposed Development may be further adjusted when the FCCAP is processed. Any such adjustments that occur with the FCCAP may cause the maximum Developer Fee allowed for the proposed Development to either increase, as described in (3) below, or decrease, as described in (2) and (4) below. Any increase or decrease to the proposed Development's Developer Fee will cause the Net TDC of the Proposed Development to be equally increased or decreased, respectively.

Before each item below, the stated/updated Developer Fee will be tested to make sure it doesn't exceed the amount determined by multiplying the proposed Development's stated Development Costs by the maximum Developer Fee percentage, rounded down to the nearest dollar.

(1) First Review of the Developer Fee and the TDC of the Proposed Development

Policy when the Developer Fee was not reduced by the process described in b. above

The proposed Development's Developer Fee initially presented in the FCCAP will be tested for compliance with the maximum Developer Fee percentage requirement.

- (a) If the Net TDC of the Proposed Development preliminarily stated in the FCCAP (after any Developer Fee compliance adjustments from above) is less than or equal to the Maximum TDC Component calculated in a. above, no adjustment to the proposed Development's Developer Fee will be required and there will not be a need for the second review.
- (b) If the Net TDC of the Proposed Development preliminarily stated in the FCCAP (after any Developer Fee compliance adjustments from above) is greater than the Maximum TDC Component calculated in a. above there will be a need for the second review process below.

Policy when the Developer Fee was reduced by the credit underwriting process described in b. above

- (c) If the Net TDC of the Proposed Development preliminarily stated in the FCCAP is less than or equal to the TDC reported in the final credit underwriting report, the calculations in b. above will be repeated using the Net TDC of the Proposed Development preliminarily stated in the FCCAP. This may result in an increase to the final Developer Fee from the limit imposed at time of credit underwriting during steps b.(1)-(2).
- (d) If the Net TDC of the Proposed Development preliminarily stated in the FCCAP is greater than the Net TDC of the Proposed Development reported in the final credit underwriting report, the Developer Fee stated in the FCCAP is initially capped at the maximum Developer Fee determined in b.(2) above. If the Developer Fee stated in the FCCAP is greater than the maximum Developer Fee determined in b.(2) above, the Developer Fee will be reduced to match the maximum Developer Fee and any reduction in the stated Developer Fee will have a corresponding reduction in the Net TDC of the Proposed Development. There will be a need for the second review process below.

(2) Second Review of the Developer Fee and the TDC of the Proposed Development

After the applicable step above in c.(1)(b) or c.(1)(d) is complete, the calculations described below will determine the final Developer Fee.

If the Net TDC of the Proposed Development after step (1) above is greater than the Maximum TDC Factor calculated in a. above, the maximum Developer Fee determined in b.(2) above, will be reduced by the lesser of:

- (i) the actual amount that the Net TDC of the Proposed Development exceeds the Maximum TDC Factor,
- (ii) \$350,000, or

(iii) 10 percent of the Maximum Developer Fee calculated in (b) above.

If the maximum Developer Fee calculated in this step is equal to or greater than the Developer Fee stated in the FCCAP after c.(1) above, there will be no resulting deduction to the stated Developer Fee or the Net TDC of the Proposed Development from this review.

If this step causes the maximum Developer Fee to be less than the Developer Fee stated in the FCCAP after c.(1) above, the stated Developer Fee will be reduced to the maximum Developer Fee calculated in this step, and the Net TDC of the Proposed Development will be equally reduced to incorporate this cost reduction.

A template and training video regarding the Total Development Cost Per Unit Limitation have been made available. A link has been added to the RFA Webpage called "Total Development Cost Per Unit Limitation Information Used In RFAs". This link will take users to a new webpage with examples of this process, as well as a template, training video, and, for assistance after the review and evaluation process as explained in Section Three, F.2. of this RFA, contact information for available Florida Housing staff.

2. Leveraging Classification

Each Application's Leveraging Classification will be determined as follows:

All Priority 1 Applications will be ranked based on the amount of total Corporation funding per set-aside unit. The Corporation will calculate the total Corporation funding per set-aside unit for each Application as follows:

- a. The Eligible Housing Credit Request Amount will be multiplied by 8.5, then added to the Eligible SAIL Base Request Amount, (exclusive of ELI Funding); and
- b. If the proposed Development is located in Broward County, the amount will be multiplied by 0.88; and
- c. If the Applicant has either (i) entered into a land lease with a Public Housing Authority on property where the proposed Development is to be located or the Applicant provided an Option to Enter into a Ground Lease Agreement on property where the proposed Development is to be located; AND the property has an existing Declaration of Trust between the Public Housing Authority and HUD; or (ii) a PHA/instrumentality of a PHA as a Principal, the Application will qualify for the PHA Multiplier and the amount will also be multiplied by 0.93.

Note: More than one of the above may apply. For instance, if a., b., and c. apply, the Eligible Housing Credit Request will be multiplied by 8.5., then added to the Eligible SAIL Base Request Amount, then multiplied by 0.88 and then by 0.93.

- d. The total Corporation funding amount calculated above will also be multiplied by a Leveraging Factor. The Leveraging Factor is calculated as follows:

Development Leveraging Multipliers							
# of new construction units	NC Garden Non-ESS	NC Garden ESS	NC Mid-Rise Non-ESS	NC Mid-Rise ESS	NC High-Rise	NC Other Non-ESS	NC Other ESS
Combined Dev Type / ESSC Multipliers	x 1.0	x 0.93	x 0.97	x 0.9021	x 0.8835	x 1.0	x 0.93
Results of multiplication of each category							

To calculate the Leveraging Factor, the chart above will be used. The number of units for each category stated at 4.d. of Exhibit A will be multiplied by the applicable multiplier. The results of the multiplication will then be added together, then divided by the total number of units in the Development. The result of this calculation is the Leveraging Factor.

The Leveraging Factor is then multiplied by the total Corporation funding amount as calculated in a. – c. above. This result is the total Corporation funding amount used in e. below.

- e. The total Corporation funding amount will then be divided by the number of Set-Aside Units, resulting in the total Corporation funding per Set-Aside Unit.
- f. Assigning A/B Classification

The Priority 1 Applications will be listed in ascending order beginning with the Application that has the lowest amount of total Corporation funding per set-aside unit and ending with the Application that has the highest amount of total Corporation funding per set-aside unit. If any Applications have identical total Corporation funding per set-aside unit amounts, the Applications will be further sorted using lottery number, with the HIGHEST (worst) lottery number being listed first.

The total number of Priority 1 Applications on the list will be multiplied by 80 percent and the resulting figure will be rounded up to the next whole number (the resulting figure after rounding will be referred to as the “First Cut-Off”). A line will be drawn below the Application whose place on the list is equal to the First Cut-Off. The calculated Corporation Funding Per Set-Aside Amount associated with this Application

will be multiplied by 1.05. Any Priority 1 Applications with a Corporation Funding Per Set-Aside Amount that is equal to or less than this result will be classified as Group A. Priority 1 Applications with a Corporation Funding Per Set-Aside Amount that is greater than this amount will be classified as Group B.

This will be repeated for any Priority 2 Applications as necessary.

If the Applicant's SAIL Request Amount or Housing Credit Request Amount is adjusted by the Corporation during the scoring process, the adjusted amount will be used for this calculation.

3. Florida Job Creation Funding Preference

Each Application will be measured to determine whether it qualifies for the Florida Job Creation Funding Preference. To determine eligibility for the preference, the Corporation will calculate the Application's Florida Job Creation score, which will reflect the number of Florida jobs per \$1 million of implied eligible housing credit equity and SAIL funding. To qualify for the Florida Job Creation Funding Preference in Section Five of the RFA, all Applications must earn a Florida Job Creation score equal to or greater than the minimum requirement of 2.47.

Determination of the Florida Job Creation score will be based on the following information:

- The number of units committed to by the Applicant (as stated by the Applicant in Exhibit A);
- The rate of 2.823 Florida Jobs per unit; and
- The Eligible Housing Credit Request Amount
- The Eligible SAIL Base Request Amount (exclusive of ELI).

The score for the Florida Rate of Job Creation per \$1 million of implied eligible housing credit equity and SAIL funding will be measured using the following calculation: Number of new construction units x 2.823 Florida Jobs per unit x 1,000,000 / (the Eligible Housing Credit Request Amount x 8.5 + total SAIL funding amount) = Florida Jobs per \$1 million of implied eligible housing credit equity and SAIL funding.

For example: Application A consists of 80 new construction units and has an Eligible Housing Credit Request Amount of \$1,650,000 and a total SAIL Base request amount (exclusive of ELI) of \$4,000,000.

$80 \times 2.823 \times 1,000,000 / (\$4,000,000 + \$1,650,000 \times 8.5) = \text{Florida Job Creation score of } 12.53.$

In above example, the Application will qualify for the Job Creation Funding Preference because it has a Florida Job Creation score that is equal to or greater than the minimum required.

4. Fees

First, if there is a bridge loan proposal within the equity proposal that provides for bridge loan proceeds that equal at least 15 percent of the amount of total proposed equity to be provided prior to or simultaneous with closing of construction financing, the 15 percent criteria will be met. Second, if there is a separate bridge loan proposal from either the equity provider, any entity that is controlled directly or indirectly by the equity provider, or a subsidiary of the equity provider's parent holding company, and the proposal explicitly proposes an amount to be provided prior to or simultaneous with the closing of construction financing that equals at least 15 percent of the total proposed equity to be paid stated in the equity proposal, the 15 percent criteria is met. Bridge loan proposals that are not within the equity proposal, though, must meet the criteria previously stated for debt financing with the exception that evidence of ability to fund does not have to be provided. The Applicant may include the proposed amount of the bridge loan as equity proceeds on the Construction or Rehabilitation Analysis and on the Permanent Analysis (Note: this 15 percent criteria must be reflected in the limited partnership agreement or limited liability company operating agreement); or
 - (2) If not syndicating/selling the Housing Credits, proceeds from a bridge loan will not count toward meeting the 15 percent criteria;

The plan shall provide information regarding the relocation site; accommodations relevant to the needs of the residents and length of time residents will be displaced; moving and storage of the contents of a resident's dwelling units; as well as the approach to inform and prepare the residents for the rehabilitation activities;

Exhibit E – Intentionally Omitted

Exhibit F – Intentionally Omitted

Exhibit G - Tenant Selection Requirements

A written Tenant Selection Plan must be provided that reflects the requirements described in this Exhibit which addresses the following:

- Federal Accessibility Requirements
 - Tenant Selection Criteria for All Households
- Tenant Selection Criteria for Extremely Low Income (ELI) Household
Federal Accessibility Requirements

The Tenant Selection Plan must include a statement that the Development meets the following accessibility federal requirements, incorporating the most recent amendments, regulations, and rules:

- The Fair Housing Act as implemented by 24 CFR 100
- Section 504 of the Rehabilitation Act of 1973
- Titles II and III of the Americans with Disabilities Act of 1990 as implemented by 28 CFR 35

Tenant Selection Criteria for All Households

Screening criteria for all households

The Applicant must adhere to the following tenant selection criteria when evaluating the eligibility of all households applying for tenancy:

- Arrest Record: The arrest record of a household member will not be considered when determining any household's application for tenancy.
- Rental Assistance: For households with publicly funded rental assistance, the income requirement will be based on the household's paid portion of the rent.

Application for Tenancy

Applicant must include and prominently place the following information in the Development's application for tenancy packet that is provided to all interested households:

- The tenant selection approach and criteria used to evaluate and determine a household's application for tenancy. The criteria under which a household was screened and evaluated, as well as the determination, must be included in each tenant household's file.
- The approach regarding a household's notification and appeal process and timeline if the household's application is rejected or determined ineligible.
- A description of reasonable accommodations or reasonable modifications for persons with disabilities, pursuant to Section 504 of the Rehabilitation Act of 1973. The description shall include accommodations that must be considered by the Development such as physical dwelling unit modifications for greater accessibility and use, as well as individualized assessments of mitigating factors related to a disability that adversely affected a household's credit, eviction, or criminal history. The description shall also include the process for requesting a reasonable accommodation, the determination approach, and decision-making timelines.

- A description of an applying household's or existing tenant's housing protections pursuant to the Violence Against Women Reauthorization Act of 2013 (VAWA). The description will include that applying households may request that the Development conduct an individualized assessment of mitigating factors related to being a victim of domestic violence, dating violence, sexual assault, and stalking that adversely affected the household's credit, eviction, or criminal history.

Notification of Rejection or Ineligibility for Tenancy

The Applicant must, at a minimum, notify any household that their application for tenancy was rejected or determined ineligible through a documented process such as a written letter or email to the address provided by the household.

 - The reasons a household's application for tenancy was rejected or determined ineligible.
 - A household's right to appeal the Development's decision, as well as complete instructions regarding how a household may appeal the decision.

Tenant Selection Criteria for Extremely Low Income (ELI) Households

Screening criteria for ELI households

The Applicant must adhere to the following tenant selection criteria when evaluating the eligibility of a household applying for tenancy in a unit set aside for Extremely Low Income (ELI) Households:

- Credit History: The credit history related to medical expenses, cable and internet services will not be taken into consideration when conducting credit checks.
- Income Requirement Policy: The household monthly income must not be required to be more than two times the monthly rent. (e.g., If the monthly rent is \$500, the household monthly income will not be required to exceed \$1,000.)
- Evictions: The eviction history look-back period must not be more than 5 years. A household is permitted one eviction during the 5-year look-back period, unless the eviction was due to causing physical harm to development staff, tenants, or intentional property damage.

ELI Tenant Application Fees and Deposits

The Applicant must adhere to the following tenant application fees and deposits requirements for a household applying for tenancy in a unit set aside for extremely low-income households:

- It is prohibited to charge a fee to a household that is applying for tenancy in a unit that is set aside for extremely low-income households for the purposes of reserving or holding a unit.
- The application for tenancy fee will be no more than \$35 per adult in a household.

For Development with requirements for Link/Special Needs requirements

The Tenant Selection Plans must include a Preference in their Waiting List section. Owners must create a preference specifically for individuals or families who are referred by a Florida Housing-designated Special Needs Referral Agency. The Tenant Selection Plan must include the following language:

This Development has adopted a preference to house X number of units of the Extremely Low Income (ELI) units within the Development to be set aside for Persons with Special Needs as defined in 420.0004(13) Florida Statutes. These set aside units are known as Link units. These units shall be set aside specifically for individuals or families who are referred by a Florida Housing-designated Referral Agency. The Development must prioritize these referred individuals for an available Link unit.

- During and after lease-up, Referral Agency referrals must be moved in first, regardless of chronological order of the general waiting list, until all Link units are occupied with Referral Agency referrals.
- The Tenant Selection Plan shall be submitted by the Applicant to the Corporation for approval within 21 Calendar Days of the date of the Invitation to Enter Credit Underwriting.

Properties with HUD assistance, including Project-Based Assistance, Public Housing Agencies, and those administering Public Housing Programs

Properties that have contracts with HUD or Public Housing Authorities' rental assistance programs and also have the Florida Housing Link/Special Needs requirement must handle their waiting list to reflect both HUD and Florida Housing requirements. In order to do this, Florida Housing has determined that establishing an owner-adopted preference with a Florida Housing-designated Special Needs Referral Agency is the correct method for complying with Florida Housing and HUD requirements.

- The Waiting List section of the Tenant Selection Plan must include a preference for Special Needs households that are referred by a Florida Housing-designated Special Needs Household Referral Agency.
- HUD regulations require Tenant Selection Plans that implement preferences to have HUD approval. This is the case if there are new Plans in new properties, as well redevelopment, RAD conversions, or substantially rehabilitated properties.
- If a Development has an existing Tenant Selection Plan, Applicant must amend the Plan. Applicants are required to submit the amended Plan with the preferences to their account manager in the field office. The Plan must be sent to the Corporation for preliminary approval before sending to HUD.

- (2) If there is HOME-ARP Loan pool funding remaining, then each of the Applications with HOME-ARP Funding will be awarded a pro rata amount of the remaining HOME-ARP loan pool, up to the HOME-ARP Set-Aside per unit Maximum Limits, which are dependent upon the county where the proposed Development is located and the construction type of the proposed Development, as outlined in the chart below. If each of those Applications is awarded the HOME-ARP Set-Aside per unit limit and there is HOME-ARP Loan pool funding remaining, the remaining HOME-ARP Loan pool will be distributed as approved by the Board.

- (3) If there is not enough HOME-ARP Loan pool funding to provide the HOME-ARP Set-Aside per unit minimums to provide four 22% Units, then one 22% Unit will be removed in the sequence below until the total amount of HOME-ARP funding awarded no longer exceeds the HOME-ARP loan pool. If following this sequence creates an amount of total HOME-ARP awards equal to the HOME-ARP loan pool, then the process is completed. If following this sequence creates an amount of total HOME-ARP awards less than the HOME-ARP Loan pool, then a pro rata increase will be awarded as provided in (2) above.
 - (a) The Proposed Development from the Medium County with the highest amount of HOME-ARP Funding per unit amount, and if two Medium Counties are tied with the highest amount of HOME-ARP Funding per unit amount, then the last one selected;
 - (b) The Proposed Development from the Medium County with the next highest amount of HOME-ARP Funding per unit amount, and if two Medium Counties are tied with the next highest amount of HOME-ARP Funding per unit amount, then the last one selected;
 - (c) The Proposed Development from the Medium County with the smallest amount of HOME-ARP Funding per unit amount, and if two Medium Counties are tied with the smallest amount of HOME-ARP Funding per unit amount, then the last one selected;
 - (d) Repeating this same sequence with the Large County Applications that were awarded HOME-ARP Funding.

2. Terms and Conditions of the HOME-ARP Loan

HOME-ARP Loans will be subject to the credit underwriting provisions outlined in Section 1 above and the loan provisions outlined below:

 - (4) The HOME-ARP Loan shall be serviced either directly by the Corporation or by the Corporation's servicer on behalf of the Corporation;
 - (5) The Corporation and the Corporation's servicer shall monitor compliance of all terms and conditions of the loan and shall require that certain terms and conditions be embodied in the Land Use Restriction Agreement and recorded in the public records of the county wherein the Development is located. Violation of any material term or condition of the documents evidencing or securing the loan shall constitute a default during the term of the loan if not appropriately cured. The Corporation shall take appropriate legal action to effect compliance if a violation of any material term or condition relative to the set-aside of units for HOME-ARP Units is discovered during the course of compliance monitoring or by any other means;
 - (6) The documents creating, evidencing or securing each HOME-ARP Loan must provide that any violation of the terms and conditions described in this Exhibit to the RFA constitutes a default under the HOME-ARP Loan documents allowing the Corporation to accelerate its loan and to seek foreclosure as well as any other remedies legally available to it; and
 - (7) The Compliance Period committed to in this RFA includes the HOME-ARP Units. After 30 years, all of the HOME-ARP Units may convert to serve residents at or below 60 percent AMI; however, the Persons with Special Needs set-aside commitment must be maintained throughout the entire affordability period.

The request shall set forth the amount to be paid and shall be accompanied by documentation specified by the Corporation's servicer including claims for labor and materials to date of the last inspection;
 - (3) The Corporation and its servicer shall review the request for a Draw, and the servicer shall provide the Corporation with approval of the request or an alternative recommendation, after the title insurer provides an endorsement to the policy of title insurance updating the policy to the date of the current Draw and increasing the insurance coverage to an amount equal to the sum of all prior Draws and the current Draw;

- (8) Retainage in the amount of 10 percent per Draw shall be held by the servicer during construction until the Development is 50 percent complete. At 50 percent completion, no additional retainage shall be held from the remaining Draws. Release of funds held by the Corporation's servicer as retainage shall occur pursuant to the HOME-ARP Loan Agreement.

3. Additional HOME-ARP Unit Requirements

Applicants will be required to comply with the following requirements and provide the following information:

a. General Information Notice

In accordance with the Uniform Relocation Act (URA), as part of 24 CFR Part 92, a Development receiving HOME-ARP funds must provide a notice to all tenants informing them of their rights under the URA in accordance with Chapter 2 of the HUD Handbook 1378*. The proper manner of notice is provided in this Handbook. A copy of each General Information Notice must be provided to each tenant, not just tenants in HOME-ARP Units. By the due date outlined in the Invitation to Enter Credit Underwriting, the Applicant must provide to the Corporation a copy of each General Information Notice for each occupied unit. Each notice must include proof of delivery by certified letter or by signed copy of the notice when hand delivered.

b. Certification of Consistency with the Consolidated Plan

During the credit underwriting process, the Applicant will be required to provide evidence demonstrating that the proposed Development is consistent with the applicable Consolidated Plan. Developments located in non-entitlement jurisdictions (e.g. small non-entitlement cities or unincorporated areas of counties) should request a certification of consistency letter from the state. To request a certification of consistency letter from the state (or if you are not sure which Consolidated Plan applies to the location of your proposed HOME Development), please contact:

Florida Housing Finance Corporation

c. Other Federal Requirements

(1) Federal Labor Requirements

Owners of a building or buildings which consist of 12 or more HOME-Assisted Units which are to be constructed or redeveloped by the same contractor under a single contract (including Scattered Site Developments) must comply with the Federal Labor Standards requirements as identified in 24 CFR Part 92 and Rule

Chapter 67-48, F.A.C.

Federal Labor Standards require that all persons working on the site be paid an hourly rate not less than the minimum rate specified in the Wage Determination issued by HUD for each particular property. The owner will be required to submit to the Corporation, or its representative servicer, payroll reports and certifications to verify wage payments. Conformance with Labor Standards will be monitored during the construction/redevelopment period in conjunction with the draw inspections by the consulting engineer/architect engaged by the underwriter/servicer.

If the Development contains 12 or more HOME-Assisted Units to be redeveloped or constructed under a single contract, the Corporation will require, prior to the start of construction, certification by the Applicant that it has been advised by the Corporation of its responsibilities and obligations regarding the federal labor and wage requirements and that it agrees to comply with the guidelines.

(2) HUD Environmental Requirements

All Applicants awarded HOME-ARP Funding will be required to comply with the HUD environmental requirements as provided in 24 CFR Part 92 and 24 CFR Part 58. In addition, any owners who are debarred, suspended, proposed for debarment, or ineligible will be ineligible for funding. Therefore, a certification must be executed by the contractor for compliance with debarment and suspension regulations. During the credit underwriting process the Applicant will be required to provide the executed certification form*.

(4) Lead Based Paint

If the Development was built before 1978, Lead Based Paint Regulations may apply. See 24 CFR Part 35 for exemptions. During the credit underwriting process, the Applicant must certify that it understands the requirements of the current HUD lead based paint regulations as identified in 24 CFR Part 92 and Rule Chapter 67-48, F.A.C.

If the Applicant is purchasing the property and the Development was built before 1978, provide a copy of the executed Disclosure of Information on Lead Based Paint and Lead Based Paint Hazards form*, signed by both the buyer and the seller.

(5) Section 3

The Section 3 program requires recipients of HUD funding to direct employment, training, and contracting opportunities to low-income individuals and the businesses that employ these persons within their community. Section 3 is a provision of the HUD Act of 1968 and is found at 12 U.S.C. 1701u. The regulations are found at 24 CFR Part 75.

Applicants are to ensure “to the greatest extent feasible,” when certain HUD funds are used to assist housing and community development projects, preference for construction-related training, jobs, and contracting opportunities go to low- and very-low income people and to businesses that are owned by low- and very-low income persons or businesses that hire them.

(6) Flood

The Applicant shall comply with the mandatory flood insurance purchase requirements of Section 102 of the Flood Disaster Protection Act of 1973, as amended by the National Flood Insurance Reform Act of 1994, 42 USC 4012a, as applicable.

(7) Historic Preservation

The Applicant shall comply with the Historic Preservation requirements set forth in the National Historic Preservation Act of 1966, as amended, codified in title 54 of the United States Code, as applicable. In general, this requires concurrence from the State Historic Preservation Officer for all rehabilitation and demolition of historic properties that are fifty years old or older or that are included on a Federal, state, or local historic property list.
