

FLORIDA HOUSING FINANCE CORPORATION

2nd Modification of Request for Applications (RFA) 2026-106 Financing to Develop Housing for Persons with Disabling Conditions/Developmental Disabilities

Pursuant to Rule 67-60.005, F.A.C., Modification of Terms of Competitive Solicitations, Florida Housing hereby modifies Section Four, A.1. of the RFA as follows:

1. Review of Application

During the Review Committee scoring process, the Corporation (i) may rely on the answers submitted by the Applicant in Exhibit A [and the Narrative Response Form](#), the Development Cost Pro Forma, and the Principals Disclosure Form; and (ii) may, but is not obligated to, review the substance of the documentation that is submitted as Attachments to the Application.

If it is determined that the Attachments do not meet the RFA requirements or the Applicant submitted materially incorrect information in the Application, the Corporation may take any or all of the following actions, even if the Application was not selected for funding, was deemed ineligible, or was withdrawn: deem the Application ineligible, rescind the award, and consider all Principals of the Applicant to have made a material misrepresentation subject to Section 420.518, F.S.

Pursuant to Rule 67-60.005, F.A.C., Modification of Terms of Competitive Solicitations, Florida Housing hereby modifies Section Four, A.2.c. of the RFA as follows:

- c. For the Corporation to better understand the property proposed, Applicants that select the Persons with a Disabling Condition Demographic Commitment must check the box or boxes at question 2.[bc](#). of Exhibit A that specify the defined persons with a Disabling Condition population(s) who the Applicant proposes to serve:

- (1) Adult persons requiring independent living services in order to maintain housing or develop independent living skills and who have a Disabling Condition that currently impairs or is likely to impair their physical mobility; and/or
- (2) Persons receiving benefits under the Social Security Disability Insurance (SSDI) program or the Supplemental Security Income (SSI) program or from veterans' disability benefits; and/or
- (3) Adult persons requiring independent living services in order to maintain housing or develop independent living skills and who have a Disabling Condition that neither currently impairs nor is likely to impair their physical mobility, such as persons with a mental illness.

Due to the likelihood that some or all residents of the subpopulations described in (1) and (2) above will have Mobility Impairments now or later in their lives, Applicants that select either (1) and/or (2) above must at a minimum meet the accessibility, adaptability, universal design and visitability features requirements outlined in Section Four A.8.c.(1) of the RFA, ("Level 1 Accessibility Requirements").

Because residents of the subpopulation described in (3) above are less likely to have Mobility Impairments, Applicants that select (3) above and that do not also select (1) and/or (2) above must at a minimum meet the accessibility, adaptability, universal design and visitability features requirements outlined in Section Four A.8.c.(2) of the RFA, ("Level 2 Accessibility Requirements").
