Issued By:

FLORIDA HOUSING FINANCE CORPORATION

Issued: October 15, 2026

Due: November 13, 2026

SECTION ONE
INTRODUCTION

Florida Housing Finance Corporation (the Corporation) is authorized by section 420.507(48), F.S., to use up to 5% of its annual allocation of low-income housing tax credits (9% Housing Credits) to finance high-priority affordable housing developments, as determined by the Corporation and defined by the Board.

This RFA is open to Applicants proposing affordable, multifamily rental housing that is part of a formalized plan for community revitalization ("Revitalization Plan"). The Revitalization Plan must demonstrate a planned initiative in partnership with private and other public stakeholders to invest funding and other resources to rejuvenate the local community. The RFA will be open to Family Developments proposing new construction with a preference for a Development located within a Qualified Census Tract, pursuant to Section 42 of the Internal Revenue Code and the 2026 Qualified Allocation Plan.

A. 9% Housing Credits

Under this Request for Applications (RFA), the Corporation expects to offer an estimated $4,138,000 of 9% Housing Credits.

The Corporation is soliciting applications from qualified Applicants that commit to provide housing in accordance with the terms and conditions of this RFA, inclusive of all Exhibits, applicable laws, rules and regulations, and the Corporation's generally applicable construction and financial standards.

SECTION TWO
DEFINITIONS

Capitalized terms within this RFA shall have the meaning as set forth in this RFA, in Exhibit B, Rule Chapter 67-48, F.A.C. (effective August 13, 2026) and Rule Chapter 67-60, F.A.C., (effective October 23, 2024) or in applicable federal regulations.

SECTION THREE
PROCEDURES AND PROVISIONS

Unless otherwise stated within the RFA, the Application package, forms and other information related to this RFA may be found on the RFA Webpage at https://www.floridahousing.org/programs/developers-multifamily-programs/competitive/2026/2026-212 (also available by clicking here).

A. Submission Requirements

1. Application Deadline

The Application Deadline is **3:00 p.m., Eastern Time, on November 13, 2026**.

2. Completing the Application Package

a. Downloading and completing the documents provided by the Corporation

Download and complete the following documents found on the RFA Webpage:

(1) The Application/Development Cost Pro Forma (Exhibit A of the RFA);

(2) The Impact Scoring responses (Section Four, C. of Exhibit A of the RFA); and

(3) The Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019) in Excel ("Principals Disclosure Form"). If a Principals Disclosure Form was approved during the Advance Review Process, which is described in Section Four A.3.c. of the RFA, the stamped "Approved" Principals Disclosure Form should be used to satisfy this requirement.

The download process may take several minutes. Applicants should save these documents with a file name that is unique to the specific Application.

b. Creating the All Attachments Document

In addition to the documents described in a. above, the Application Package also includes one copy consisting of all of the applicable completed Attachments described in the RFA ("All Attachments Document").

Compile all of the attachments described in the RFA into one pdf file separated by pages labeling each Attachment to create the All Attachments Document. This may be accomplished by merging the documents using a computer program such as Adobe Acrobat Pro or by scanning all of the attachments together.

As described in Section Four, B.2., to be awarded 5 points, bookmark the pdf of the All Attachments Document before uploading. It is not necessary to bookmark the individual documents within the Application Package (e.g. the Exhibit A document or the Principals Disclosure Form). Acrobat Standard DC or Acrobat Pro DC are the programs required to create bookmarks.

Note: The Corporation has provided instructions on how to bookmark the Attachments as well as sample pages that may be used to separate the attachments on the RFA Webpage. If any of the attachments are not

applicable, the Applicant should insert a page stating “Not Applicable” behind the separation page.

3. Uploading the Application Package

To upload the Application Package described in 2.a. above:

a. Go to the RFA Webpage.

b. Click the link to login and upload the Application Package. Note: A username and password must be entered. If the Applicant has not previously created a username and password, the Applicant will need to create one prior to the upload process.

c. After successfully logging in, click “Upload Application Package.” Enter the Development Name and click “Browse” to locate the following completed saved documents:

(1) The Application (Exhibit A) in Excel format;

(2) The Principals Disclosure form in Excel format. (If the Applicant received an approved Principals Disclosure Form through the Advance Review Process, the approved form is what should be uploaded);

(3) The Impact Scoring description responses in Word format; and

(4) The All Attachments Document in a pdf format.

The average file size is 1.0 MB and may take a few minutes to upload. Larger files may take longer to upload. There is a file size limit of 15 MB, but this may be reduced without reducing the number of pages submitted. Examples of factors that affect file size include the resolution of the scanner or scanning the documents in color or as a graphic/picture.

d. After the documents are displayed in the Upload webpage, click “Upload Selected Files” to electronically submit the documents to the Corporation by the Application Deadline. Then the Uploaded Application (consisting of all documents comprising the Application Package described in c. above), and its assigned Response Number will be visible in the first column.

For scoring purposes, the Corporation will not consider any documentation beyond the Application Package that is uploaded as described above.

Note: If the Applicant clicks “Delete” prior to the Application Deadline, the Application will no longer be considered a Submitted Application and the Applicant will be required to upload the Application Package again in order for

these documents to be considered an Uploaded Application. This will generate a new Response Number.

4. Submitting the Application Fee

a. Application Fee

By the Application Deadline, provide to the Corporation the required non-refundable $3,000 Application fee, payable to Florida Housing Finance Corporation via check, money order, ACH, or wire transfer.

For purposes of the funding selection process, the Corporation shall not accept any Application withdrawal request that is submitted between 5:00 p.m., Eastern Time, on the last business day before the date the Review Committee meets to make its recommendations until after the Notice of Intended Decision is posted, and such Application shall be included in the funding selection process as if no withdrawal request had been submitted.

B. This RFA does not commit the Corporation to award any funding to any Applicant or to pay any costs incurred in the preparation or delivery of an Application.

C. The Corporation reserves the right to:

1. Waive Minor Irregularities; and

2. Accept or reject any or all Applications received as a result of this RFA.

D. Any interested party may submit any inquiry regarding this RFA in writing via e-mail at RFA_2026-212_Questions@floridahousing.org (also accessible by clicking here) with "Questions regarding RFA 2026-212" as the subject of the email. All inquiries are due by 5:00 p.m., Eastern Time, on October 22, 2026. Phone calls or written inquiries other than at the above e-mail address will not be accepted. Failure to file a protest within the time prescribed in Section 120.57(3), F.S., shall constitute a waiver of proceedings under Chapter 120, F.S.

F. By submitting this Application, including all applicable attachments thereto, each Applicant agrees to the terms and conditions outlined in the RFA and certifies that:

1. Public Records. Any material submitted in response to this RFA is a public record. Section 119.071(1)(b)2, F.S. authorizes the Corporation to exempt this material from disclosure requirements; however, the Corporation intends to post the Applications to the RFA Webpage sooner than 30 days after the Application Deadline.

2. Noninterference. The RFA has a Noninterference Period that is effective as of the Application Deadline through the time of the Board's final determination of the awards for the RFA. During the Noninterference Period, Applicants and their representatives are prohibited from contacting Board members or Corporation staff, unless it is Corporation legal staff, concerning their own or any other Applicant's Application in any attempt to influence the scoring or selection process. If an Applicant or its representative does contact a Board or non-legal Corporation staff member in violation of this section, the Board shall disqualify the Application.

3. Requirements. Proposed Developments funded under this RFA will be subject to the requirements of the RFA, inclusive of all Exhibits and all provisions of Rule Chapters 67-48, F.A.C., 67-60, F.A.C., and the Compliance requirements of Rule Chapter 67-53, F.A.C.

4. Modifications. Any modifications that occur to the Request for Application will be posted on the web site and may result in an extension of the deadline. It is the responsibility of the Applicant to check the website for any modifications prior to the Application Deadline.

   To the extent that a modification gives rise to a protest, failure to file a protest within the time prescribed in Section 120.57(3), F.S., shall constitute a waiver of proceedings under Chapter 120, F.S.

G. The Corporation expects to select one or more Applications to award the funding contemplated by this RFA. Any such Applications will be selected through the Corporation's review of each Application, considering the factors identified in this RFA.

SECTION FOUR
INFORMATION TO BE PROVIDED IN APPLICATION

Provided below are the instructions to be used in completing Exhibit A of this RFA. Unless stated otherwise, all information requested in the RFA pertains to the Development proposed in this Application upon completion of the work.

A. Exhibit A Items

1. Review of Application

During the Review Committee scoring process, the Corporation (i) may rely on the answers submitted by the Applicant in Exhibit A, the Impact Scoring responses, the Development Cost Pro Forma, and the Principals Disclosure Form; and (ii) may, but is not obligated to, review the substance of the documentation that is submitted as Attachments to the Application.

If it is determined that the Attachments do not meet the RFA requirements or the Applicant submitted materially incorrect information in the Application, the Corporation may take any or all of the following actions, even if the Application was not selected for funding, was deemed ineligible, or was withdrawn: deem the Application ineligible, rescind the award, and consider all Principals of the Applicant to have made a material misrepresentation subject to Section 420.518, F.S.

2. Demographic Commitment

Residents of the proposed Development must be Family (i.e. general population).

3. Applicant/Developer/Management Company/Contact Person

Per subsection 67-48.002(94), F.A.C., the Applicant, Developer(s) and all Principals of the Applicant and Developers that are not a natural person must be a legally formed entity as of the Application deadline.

a. Applicant Information

(1) State the name of the Applicant.

(2) The Applicant must be a legally formed entity [i.e., limited partnership, limited liability company, etc.] qualified to do business in the state of Florida as of the Application Deadline. Include, as **Attachment 1** to Exhibit A, evidence from the Florida Department of State, Division of Corporations, that the Applicant satisfies the foregoing requirements. Such evidence may be in the form of a certificate of status or other reasonably reliable information or documentation issued, published or made available by the Florida Department of State, Division of Corporations.

(3) Non-Profit Applicant Qualifications

Indicate whether the Applicant is applying as a Non-Profit. Applicants that meet the definition of Non-Profit will qualify for a lower administrative fee, as described in Item 5 of Exhibit C.

As described in Exhibit D, during credit underwriting, documentation must be submitted demonstrating (a) how the Non-Profit entity is materially and substantially participating in the predevelopment, management, and operation of the proposed Development throughout the compliance period, within the meaning of material participation as defined in 26 USC §469, 26 USC §42; and (b) the Non-Profit entity meets the IRS and Section 42 qualifications.

If the Applicant applies as a Non-Profit entity and meets the requirements outlined above to be considered a Non-Profit for purposes of this RFA, it must remain a Non-Profit entity and the Non-Profit entity must (i) receive at least 25% of the Developer's fee; and (ii) contractually ensure that it substantially and materially participates in the management and operation of the Development throughout the Compliance Period. Any Applicant that applies as a Non-Profit but is not considered a Non-Profit will still be eligible for funding as a For-Profit entity.

The Applicant's Non-Profit status will be verified during credit underwriting. If this cannot be verified, the Applicant will no longer be considered a Non-Profit Applicant.

b. Developer Information

(1) State the name of each Developer, including all co-Developers.

(2) Each Developer entity identified (that is not a natural person, Local Government, or Public Housing Authority) must be a legally formed entity qualified to do business in the state of Florida as of the Application

Deadline. For each stated Developer entity that is not a natural person, Local Government, or Public Housing Authority, provide, as **Attachment 3*** to Exhibit A, evidence from the Florida Department of State, Division of Corporations, that the Developer satisfies the foregoing requirements. Such evidence may be in the form of a certificate of status or other reasonably reliable information or documentation issued, published or made available by the Florida Department of State, Division of Corporations.

***Attachment 2** intentionally omitted in this RFA.

(3) Developer Experience Requirements and Funding Preference

(a) Required Developer Experience

A natural person Principal of at least one experienced Developer entity, which must be disclosed as a Principal of the Developer on the Principals of the Applicant and Developer(s) Disclosure Form, Rev. 05-2019, ("Principals Disclosure Form"), must have, since January 1, 2006 Completed at least one Affordable Rental Housing Development that consists of a total number of units no less than 50% of the total number of units in the proposed Development.

The individual meeting the Developer Experience requirements must be disclosed as a Principal of the Developer on the Principals Disclosure Form and must also remain with the Development for three years following the issuance of a final certificate of occupancy or, in the event a final certificate of occupancy is not routinely provided by the applicable jurisdiction, such other information evidencing completion of the Development which is deemed acceptable to the Corporation.

Provide the information in Exhibit A to meet the required Developer experience.

(b) Developer Experience Funding Preference

Applications that achieve at least 20 Developer Experience Points as outlined below will qualify for the Developer Experience Funding Preference.

Developer Experience points will not be applied towards the total score. Developer Experience points will only be used to determine whether the Application meets the Developer Experience Funding Preference.

To be eligible for this preference, the Application must achieve a minimum of 20 Developer Experience Points that must include a

minimum of 5 points in criteria (i) and a minimum of 5 points in criteria (ii).

Developer Experience Funding Preference must be met using either (A) the natural person Principal that meets the required Developer Experience described in (a) above and can meet all of the criteria; or (B) the natural person Principal that meets the required Developer Experience described in (a) above plus one additional natural person Principal of at least one experienced Developer entity that, between the two of them can meet all of the criteria.

If a second natural person Principal is used to meet the Developer Experience Funding Preference, that individual must also be disclosed as a Principal of the Developer on the Principals Disclosure Form and must also remain with the Development for three years following the issuance of a final certificate of occupancy or, in the event a final certificate of occupancy is not routinely provided by the applicable jurisdiction, such other information evidencing completion of the Development which is deemed acceptable to the Corporation.

When completing the information in (i) and (ii) below, the Applicant may also reference the Development(s) listed in the Required Developer Experience section in the General Information tab.

(i) Demonstration of successful completion of Affordable Rental Housing Developments

The Application will receive the points reflected in the chart below for the number of Affordable Rental Housing Developments that the Principal(s)* has Completed since January 1, 2006:

1-2 Developments	5 Points**
3-4 Developments	10 Points
5 Developments	15 Points

(ii) Demonstration of ownership in Affordable Rental Housing Developments

The Application will receive the points reflected in the chart below for the number of Completed and Stabilized Affordable Rental Housing Developments in which, since January 1, 2006, the Principal(s)* participated in ownership of other developments by serving as a Principal of the owner for the respective development:

1-2 Developments	5 Points**
3-4 Developments	10 Points
5 Developments	15 Points

*To demonstrate that the second natural person Principal provided in the "Developer Pref" tab is the experienced Principal associated with a listed development, Applicants must change the selection under each Development from Natural Person 1 to Natural Person 2 within Exhibit A. If both Natural Person Principals meet the experience with the listed development, Applicants may select Natural Person 1, Natural Person 2 or Both Natural Persons.

**To be eligible for this preference, the Applications must achieve a minimum of 5 points in criteria (i) and a minimum of 5 points in criteria (ii), plus at least 10 additional points using any other criteria described in this section (b).

(iii) Demonstration of Developer financial liquidity/capacity

The Application will receive 5 points if the amount of liquidity the Principal(s)* represents it has at the time of Application is $2,500,000 or more. Evidence of liquidity must be provided within 21 days after the issuance of the Invitation to Enter Credit Underwriting. Evidence of liquidity of the Principal(s)* will be verified by the credit underwriter and may include a copy of the most current bank statement(s) of the Principal(s)* or other appropriate documentation as determined by the credit underwriter.

*To demonstrate that the second natural person Principal provided in the "Developer Pref" tab is the experienced Principal associated with the stated liquidity amount, Applicants must change the selection under each Development from Natural Person 1 to Natural Person 2 within Exhibit A. If both Natural Person Principals are associated with the stated liquidity amount, Applicants may select Natural Person 1, Natural Person 2 or Both Natural Persons.

Note: Liquidity is one measure of financial capacity; at the time of underwriting, the credit underwriter will analyze the complete financial strength of the Principals of the Application. The credit underwriter may require a different level of liquidity and the above requirement in

no way implies underwriting criteria. The above figure is an initial, minimum threshold and in no way binds the credit underwriter from requiring more stringent liquidity needs based on their analysis.

Provide the information in Exhibit A to meet the Developer Experience Funding Preference, if applicable.

If the experience of a natural person Principal for a Developer entity listed in this Application was acquired from a previous affordable housing Developer entity, the natural person Principal must have also been a Principal of that previous Developer entity.

For definition of capitalized terms used in this section, refer to g. below.

(c) Requests for additional Corporation Funding for a recently funded Development

Applications that request additional Corporation funding due to sizing (e.g., Viability Loan Funding or similar), regardless of whether the request is via approval of the Board of Directors or application for funds through a competitive process will, if the future RFA so provides, result in a point reduction in the scoring of Developer experience in future Applications in which the Developer, Co-Developer or any Principal of the Developer(s) named in the Developer section of the Principals of the Applicant and Developer(s) Disclosure Form of the Application is named for purposes of satisfying the Developer experience requirement in the future Application.

c. Principals Disclosure for the Applicant and for each Developer

(1) Eligibility Requirements

To meet the submission requirements, upload the Principals of the Applicant and Developer(s) Disclosure Form (Form Rev. 05-2019) ("Principals Disclosure Form") as outlined in Section Three above.

To meet eligibility requirements, the Principals Disclosure Form must identify, pursuant to subsections 67-48.002(94), 67-48.0075(8) and 67-48.0075(9), F.A.C., the Principals of the Applicant and Developer(s) as of the Application Deadline. A Principals Disclosure Form should not include, for any organizational structure, any type of entity that is not specifically included in the Rule definition of Principals. Per subsection 67-48.002(94), F.A.C., any Principal other than a natural person must be a legally formed entity as of the Application deadline.

The investor limited partner of an Applicant limited partnership or the investor member of an Applicant limited liability company (or a placeholder for the investor) must be identified on the Principals Disclosure Form.

(2) Approval during Advance Review Process (5 Points)

Applicants will receive 5 points if the uploaded Principals Disclosure Form is stamped "Received" by the Corporation at least 14 Calendar Days prior to the Application Deadline AND stamped "Approved" prior to the Application Deadline.

To document these dates, the Corporation will stamp the Principals Disclosure Form on the date it is received and the date it is approved. If a Principals Disclosure Form has been approved, but the Applicant must change the form for any reason, the form may be edited and resubmitted for approval, but the form will receive a new stamp reflecting the date the Corporation received the revised form. Likewise, if a form is returned to the Applicant for correction, the Applicant may make corrections and resubmit the form, but the date of the resubmission will be reflected as the date received. If a Principals Disclosure Form is submitted for an RFA with a "Received" date that is within 14 Calendar Days of the Application Deadline, the Applicant will not be eligible for the 5 Advance Review points.

The Advance Review Process for Disclosure of Applicant and Developer Principals is available on the RFA Webpage and also includes samples which may assist the Applicant in completing the required Principals Disclosure Form.

Note: It is the sole responsibility of the Applicant to review the Advance Review Process procedures and to submit any Principals Disclosure Form for review in a timely manner in order to meet the Application Deadline.

(3) Designation of Priority 1 and 2 Applications

Applicants, Developers, and Principals of Applicants and Developers applying in this RFA are limited to a maximum of one Priority 1 Related Application submissions in this RFA.

Note: A joint venture between a Public Housing Authority ("PHA") (or an instrumentality of a PHA) and an Applicant Developer(s), does not affect one another's total Related Applications if the only connection is a joint venture between the Applicant or Developer and a PHA or instrumentality of a PHA. In this situation, the total number of Applications remain independent/autonomous of one another's Related Applications tally.

However, in all circumstances, PHAs, Applicants, Developers, and all associated Principals are still limited to only one Priority 1 Related Applications per entity or individual.

The Corporation will review the entire Application submission to determine whether more than the maximum number of Priority 1 Related Applications has been submitted.

If, during scoring, it is determined that the maximum set forth above was exceeded, all Applications affiliated with the Principals of the affected Applications will be deemed Priority 2. If, after awards are made, it is determined that the maximum set forth above was exceeded, the award(s) for the affected Applications will be rescinded and all Principals of the affected Applications may be subject to material misrepresentation, even if the Related Applications were not selected for funding, were deemed ineligible, or were withdrawn.

If no designation is made in Exhibit A, the Application will be considered a Priority 2 Application. There is no limit to the number of Priority 2 Applications that can be submitted.

(4) Material and non-material changes to the Applicant entity or Developer entity

(a) The name of the Applicant entity or Developer entity stated in the Application may be changed only by written request of an Applicant to Corporation staff and approval of the Corporation after the Applicant has been invited to enter credit underwriting.

(b) Prior to issuance of the Carryover Allocation Agreement, any change (materially or non-materially*) in the ownership structure of the named Applicant will require review and recommendation of the Corporation, as well as Board approval prior to the change. Once the Carryover Allocation Agreement has been executed by all parties, (i) replacement of the Applicant or a material* change in the ownership structure of the named Applicant will require Board approval prior to the change, and (ii) any non-material* change in the ownership structure of the named Applicant will require Corporation approval prior to the change. The Applicant entity may be changed without Board approval after a Final Cost Certification Package has been approved by the Corporation and the IRS Forms 8609 have been issued; however, the Corporation must still be notified in writing of the change. The Applicant must comply with Principal disclosure requirements outlined in Rule Chapter 67-48, F.A.C. for the duration of the Compliance Period. Changes to the Applicant entity (material or non-material*) prior to the execution of a Carryover Allocation Agreement or without Board

approval or Corporation approval, as applicable, prior to the approval of the Final Housing Credit Allocation and issuance of the IRS Forms 8609 may result in a disqualification from receiving funding and may be deemed a material misrepresentation Changes to the limited partner of an investor limited partnership or an investor member of a limited liability company owning the syndicating interest therein will not result in disqualification; however, if a change to the investor limited partner or investor member is made after the closing of the partnership agreement, the amended agreement reflecting the change must be provided to the Corporation. Changes to the officers or directors of a Public Housing Authority or a Non-Profit entity, regardless of when they occur, shall require Corporation approval. Any allowable replacement to the natural person Principals of a Public Housing Authority or officers and/or directors of a non-profit entity will apply to all preliminarily awarded Applications and Applications pending final Board action that include the Public Housing Authority or Non-Profit entity. An updated Principals Disclosure Form is required for all change requests.

*A material change shall mean 33.3% or more of the Applicant, a general partner of the Applicant, or a non-investor member of the Applicant, and a non-material change shall mean less than 33.3% of the Applicant, a general partner of the Applicant, or a non-investor member of the Applicant.

(c) The Principals of each Developer identified in the Application, including all co-Developers, may be changed only by written request of an Applicant to Corporation staff and approval of the Corporation after the Applicant has been Invited to Enter Credit Underwriting as outlined in Rule Chapter 67-48, F.A.C. In addition, any allowable replacement of an experienced Principal of a Developer entity must meet the experience requirements that were met by the original Principal.

d. Closing Deadlines and Future Funding Opportunity Implications

The Future Corresponding RFA (the next similar RFA that is issued after the deadlines described below have passed, such as RFA 2028-212 Housing Credit Financing to Provide Affordable Multifamily Rental Housing that is a Part of Local Revitalization Initiatives, may allow Applicants to submit a certain number of Priority 1 Applications. This number of Priority 1 Applications in the Future Corresponding RFA may be prohibited as described in (3) below if the Applicant does not meet the applicable deadlines as described in (1) or (2) below:

(1) If the Development has any HUD funding, (including but not limited to rental subsidy, development funding, or insured mortgage financing), either (A) the Credit Underwriting Report must be submitted to the

Corporation no later than 15 months after the issuance of the Invitation to Enter Credit Underwriting, AND evidence that the Financing Plan, Subsidy Layering Review Package, rental subsidy transfer documentation, or HUD firm commitment Application, or similar necessary documentation for the application process has been submitted to HUD or the Public Housing Authority, as applicable must be submitted to the Corporation no later than 12 months after the issuance of the Invitation to Enter Credit Underwriting; or (B) the deadline stated in (2) below must be met.

(2) If the Development does not meet the conditions in (1) above, the Applicant must close on the limited partnership agreement or limited liability company operating agreement, as applicable* and provide a copy of the recorded Notice of Commencement from the Official Records of the applicable jurisdiction(s) by the closing deadlines as set forth in the Invitation to Enter Credit Underwriting. This deadline is calculated based on 15 months after the issuance of the Invitation to Enter Credit Underwriting.

*To meet the LPA closing requirement, the following requirements must be met:

- The LPA must be executed by all parties on or before the deadline as set forth in the Invitation to Enter Credit Underwriting.
- The LPA must reflect the percentage interest and all capital contributions to be contributed by the Investor Member.
- At a minimum the closing of the first mortgage construction financing source must occur prior to or concurrently with the closing of the Limited Partnership Agreement.
- The 15% pay-in requirement as stated in Exhibit D of the RFA must be met. Dry closings or closing in escrow will not satisfy the LPA closing requirement.

(3) Prohibition on Submitting Priority 1 Applications in Future Corresponding RFA

Principals of the Applicant and Developer(s) of Applications awarded funding in this RFA will be prohibited from submitting any Priority 1 Applications in the Future Corresponding RFA if the Applicant requires an extension because it either (i) does not meet the applicable deadline described in (1) above and has not withdrawn within 180 Calendar Days of the issuance of the Invitation to Enter Credit Underwriting; or (ii) withdrew after 180 Calendar Days of the issuance of the Invitation to Enter Credit Underwriting.

If there is not a corresponding RFA for Housing Credit Financing to Provide Affordable Multifamily Rental Housing that is Part of Local Revitalization Initiatives issued in subsequent years, the reduction of Priority 1 Application submissions would apply to the next corresponding 9% Housing Credit Geographic RFA (such as RFA 2028-201, 2028-202, or 2028-203).

e. Management Company Information

Identify the Management Company and complete the prior experience section of Exhibit A for the Management Company demonstrating experience in the management of at least two Stabilized Affordable Rental Housing Developments for at least two years each, at least one of which consists of a total number of units no less than 50% of the total number of units in the proposed Development.

For definition of capitalized terms used in this section, refer to g. below.

f. Contact Person

(1) Enter the information for the required Authorized Principal Representative. The Authorized Principal Representative (a) must be a natural person Principal of the Applicant listed on the Principals Disclosure Form; (b) must have signature authority to bind the Applicant entity; (c) must sign the Applicant Certification and Acknowledgement section of Exhibit A; and (d) if funded, will be the recipient of all future documentation that requires a signature.

(2) A separate Operational Contact Person may be included, if desired. If provided, the Operational Contact Person will be the recipient of any general correspondence associated with the Development activities that does not require a signature. If an Operational Contact Person is not provided, the Authorized Principal Representative will be the recipient of any such documentation.

g. Terms Used in this Section

Affordable Rental Housing Development means that at least 50% of the total residential units in the development must be income and rent restricted at 120% AMI or below, which must be memorialized by a recorded Land Use Restriction Agreement, Extended Use Agreement, or other equivalent document.

(2) Completed

Completed development means (i) that the temporary or final certificate of occupancy has been issued for at least one unit in one of the residential apartment buildings within the development, or (ii) if

applicable, that at least one IRS Form 8609 has been issued for one of the residential apartment buildings within the development.

A Housing Credit development that contains multiple buildings is a single development regardless of the number of buildings within the development for which an IRS Form 8609 has been issued.

(3) Stabilized

Stabilized development means (i) that the development is Completed and (ii) that the development has reached and operated at an occupancy rate of 85% or more for at least three months.

4. General Proposed Development Information

a. State the name of the proposed Development.

b. Development Category – The proposed Development must consist entirely of new construction. Rehabilitation of existing units is not allowed.

c. Characteristics of Development

(1) Development Type

Select the Development Type for the proposed Development. For mixed-type Developments, indicate the type that will comprise the majority of the units in the Development.

- Garden Apartments (a building comprised of 1, 2 or 3 stories, with or without an elevator)
- Townhouses
- Mid-Rise, 4-stories (a building comprised of 4 stories and each residential building must have at least one elevator)
- Mid-Rise, 5 to 6-stories (a building comprised of 5 or 6 stories and each residential building must have at least one elevator)
- High-Rise (a building comprised of 7 or more stories and each residential building must have at least one elevator)

For purposes of determining the number of stories, each floor in the building(s) should be counted regardless of whether it will consist of retail, commercial, parking, utility, or residential.

(2) Enhanced Structural Systems ("ESS") Construction Qualifications

To qualify as "Enhanced Structural Systems Construction" or "ESS Construction" for purposes of the Total Development Cost Limitation test and the Leveraging calculation, the proposed Development must meet at least one of the specifications listed below.

These qualifying criteria specifically exclude face brick or brick veneer from qualifying as ESS Construction for purposes of this RFA unless the proposed Development otherwise meets the requirements below.

(a) ESS Construction qualifications based on Development Type

(1) High-Rise Development qualifications

Any new construction buildings with the Development Type of High-Rise (7 or more stories) shall qualify as "ESS Construction."

(2) Mid-Rise Development qualifications

Any new construction buildings with the Development Type of Mid-Rise (4, 5 or 6 story) that utilize an ESS Podium Structure shall qualify as "ESS Construction."

The term "ESS Podium Structure" shall mean a non-residential* support structure underneath the rental units constructed solely of concrete/masonry, steel, or some combination of concrete/masonry and steel together.

*The ESS Podium Structure must utilize at least 85% of the square footage for parking or non-commercial utility/ancillary building uses only. Up to 15% of the square footage can be used for other non-residential purposes.
The top surface of the podium itself shall be considered to be the floor of the lowest story of the building that contains residential, commercial or storage space (other than parking).

(b) ESS Construction qualifications based on construction materials

For all buildings, all of the following structural elements must consist of 100% poured concrete/masonry, 100% steel, or a combination adding up to 100% of concrete/masonry and steel, as verified during credit underwriting: all exterior walls and other external load-bearing elements, as well as the floor of the lowest story of the building that contains residential, commercial or storage space (other than parking), and any under-floor/under-ground supports for that lowest story's floor.

For the purposes of determining "ESS Construction," there is no requirement regarding the materials to be used in the roof of the building.

ESS units must be designated on the Unit Characteristic Chart described below. This will be verified during the credit underwriting process. If this cannot be verified the units will no longer be considered ESS Construction, and funding awarded under this RFA may be rescinded.

d. Unit Characteristic Chart

Complete the chart in Exhibit A of the RFA reflecting the appropriate breakdown reflecting the number of units within each of the Development Types or ESS/non-ESS Construction.

5. Location of Proposed Development

a. County

Indicate the county where the proposed Development will be located.

b. Address of the Development site

Provide the Address of the Development site. Indicate (1) the address number, street name, and name of city, and/or (2) the street name, closest designated intersection, and either name of city or unincorporated area of county. If the proposed Development consists of Scattered Sites, this information must be provided for each of the Scattered Sites.

c. Scattered Sites

State whether the Development consists of Scattered Sites. If the proposed Development consists of Scattered Sites, the following conditions must be met:

(1) For Developments located in a county other than Monroe County, a part of the boundary of each Scattered Site must be located within ½ mile of a part of the boundary of the Scattered Site with the most units. For Developments located in Monroe County, a part of the boundary of each

Scattered Site must be located within 20 miles of a part of the boundary of the Scattered Site with the most units;

(2) Site control and Ability to Proceed must be demonstrated in the Application for all Scattered Sites; and

(3) All Scattered Sites must be located within the same county.

d. Latitude/Longitude Coordinates

(1) Provide a Development Location Point stated in decimal degrees, rounded to at least the sixth decimal place. If the proposed Development consists of Scattered Sites, as of Application Deadline the Development Location Point must affirmatively be established on the site with the most units, as outlined in subsection 67-48.002(34), F.A.C., and latitude and longitude coordinates for each Scattered Site must also be provided.

(2) If the proposed Development consists of Scattered Sites, for each Scattered Site that is in addition to the Development Location Point information provided in (1) above, provide the latitude and longitude coordinates of one point located anywhere on the Scattered Site. The coordinates must be stated in decimal degrees and rounded to at least the sixth decimal place.

Note: 30.443900, -84.283960 is an example of decimal degrees format, represented to six decimal places.

e. Revitalization Qualifications

All Applications must demonstrate that the proposed Development is part of a Local Government Revitalization Plan with a preference that it is a Priority 1 Application. To qualify the properly completed Florida Housing Finance Corporation Local Government Verification That Development Is Part Of A Local Revitalization Plan form (Form Rev. 08-2020) must be submitted as **Attachment 5** demonstrating that the plan was adopted on or before January 1, 2026.

***Attachment 4** intentionally omitted in this RFA.

f. Proximity Requirements and Proximity Tiebreakers used in Funding Selection Process

The Application may earn proximity points based on the distance between the Development Location Point and the Bus or Rail Transit Service and the Community Services stated in Exhibit A. Proximity points are awarded according to the Transit and Community Service Scoring Charts outlined in Item 2 of Exhibit C. Proximity points will not be applied towards the total score. Proximity points will only be used to determine whether the Applicant meets the required

minimum proximity eligibility requirements and the preferences outlined in the chart below.

Minimum number of Transit Service Points

With the exception of Lee and Polk County, all Large County Applications must achieve a minimum number of Transit Service Points to be eligible for funding.

Lee and Polk County, as well as all Small and Medium County Applications will be deemed to have met the minimum number of Transit Service Points automatically.

Minimum number of Total Proximity Points

All Applications must achieve a minimum number of total proximity points to be eligible for funding.

Proximity Funding Preference Qualifications

All Applications may also qualify for the Proximity Funding Preference described in Section Five, B.4. of the RFA.

Application Qualifications	If Eligible for PHA or RD Proximity Point Boost, Required Minimum Transit Service Points that Must be Achieved to be Eligible for Funding	If NOT Eligible for PHA or RD Proximity Point Boost, Required Minimum Transit Service Points that Must be Achieved to be Eligible for Funding	Required Minimum Total Proximity Points that Must be Achieved to be Eligible for Funding	Minimum Total Proximity Points that Must be Achieved to Receive the Proximity Funding Preference
Lee and Polk County Applications	Qualifies Automatically	Qualifies Automatically	7.0	9.0 or more
All other Large County Applications	1.5	2.0	10.5	12.5 or more
Medium County Applications	Qualifies Automatically	Qualifies Automatically	7.0	9.0 or more
Small County Applications	Qualifies Automatically	Qualifies Automatically	4.0	6.0 or more

Awarding Proximity Points

The Application may earn proximity points through the following:

- Qualifying for the PHA Proximity Point Boost;
- Based on the distance between the Development Location Point and the Bus or Rail Transit Service; and

- Based on the distance between the Development Location Point and the Community Services.

(1) PHA Proximity Point Boost

(a) PHA Proximity Point Boost

An Application that involves a site(s) with an existing Declaration of Trust between a Public Housing Authority (PHA) and HUD will qualify to receive a 3-point boost toward its proximity score if the Applicant states that it qualifies and provides a letter from the PHA dated within 12 months of the Application Deadline certifying that the site(s) where all of the units in the proposed Development will be located has an existing Declaration of Trust between the PHA and HUD. The letter must be signed by the appropriate person authorized to make such a certification and must be provided as **Attachment 5** to Exhibit A. Note: This 3-point boost will not count toward meeting the Minimum Transit Services score.

(2) Transit Services (Maximum of 6 points)

Provide the location information for one of the remaining four Transit Services to achieve Proximity Points to use for calculating the Application's Transit Score. The Transit Service Scoring Charts, reflecting the methodology for calculating the points awarded based on the distances, are outlined in Exhibit C.

<u>Location of coordinates for Transit Services</u>

To receive proximity points for Transit Services, provide latitude and longitude coordinates for that service, stated in decimal degrees, rounded to at least the sixth decimal place, and the distance between the Development Location point and the coordinates for the service. The distances between the Development Location Point and the latitude and longitude coordinates for each service will be the basis for awarding proximity points.

For a Public Bus Stop, Public Bus Rapid Transit Stop, Public Bus Transfer Stop, and Rail Station, coordinates must represent the location where passengers may embark and disembark the bus or train.

(a) Public Bus Stop (Maximum 6 Points)

(i) This service is defined in Exhibit B and may be selected by all Applicants.

(ii) Each Public Bus Stop must meet the definition of Public Bus Stop as defined in Exhibit B. Each Public Bus Stop,

except for Sister Stops, must serve at least one unique route. Up to two of the selected Public Bus Stops may be Sister Stops as defined in Exhibit B.

or

(b) Public Bus Transfer Stop (Maximum 6 Points)

This service is defined in Exhibit B and may be selected by all Applicants.

or

(c) Public Bus Rapid Transit Stop (Maximum 6 Points)

This service is defined in Exhibit B and may be selected by all Applicants.

or

(d) Public Rail Station (Maximum 6 Points)

This service is defined in Exhibit B and may be selected by all Applicants.

(3) Community Services (Up to three Community Services may be selected, for a maximum 4 Points for each service)

The Community Services that are available to all Demographics are Grocery Store, Medical Facility, Pharmacy, and Public School.

Up to three Community Services may be selected, for a maximum 4 Points for each service. If all four Community Services are selected, the Corporation will only award points for the three Community Services that are closest to the Development Location Point based on the distance stated in Exhibit A, even if the service that is furthest from the Development Location Point would have achieved a higher point value. In the event that the two Community Services that are furthest from the Development Location Point have an equal distance, the Corporation will select the service that is listed higher on the Community Service chart in Exhibit A. Under no circumstance will the fourth service be considered for points, even if during the litigation process, one of the Community Services is determined to not qualify for proximity points.

Provide the service names, the service addresses, and distances for Community Services on which to base the Application's Community Services Score. The Community Service Scoring Charts, which reflect the methodology for calculating the points awarded based on the distances, are outlined in Exhibit C.

The distance between the Development Location Point and each Community Service must be calculated from a point that is on the doorway threshold of an exterior entrance that provides direct public access to the building where the service is located. If there is no exterior public entrance to the Community Service, then a point should be used that is at the exterior entrance doorway threshold that is the closest walking distance to the doorway threshold of the interior public entrance to the service. For a Pharmacy located within an enclosed shopping mall structure that does not have a direct public exterior entrance, the doorway threshold of the exterior public entrance to the enclosed shopping mall that provide the shortest walking distance to the doorway threshold of the interior entrance to the Pharmacy would be used.

Applicants may use the same location for the Grocery Store, Medical Facility and/or Pharmacy if the Grocery Store, Medical Facility and/or Pharmacy is housed at the same location.

(4) Scoring Proximity to Services (Transit and Community)

(a) Bus and Rail Transit Services

Applicants that wish to receive proximity points for Transit Services must provide latitude and longitude coordinates for that service, stated in decimal degrees, rounded to at least the sixth decimal place, and the distance between the Development Location Point and the coordinates for the service. The distances between the Development Location Point and the latitude and longitude coordinates for each service will be the basis for awarding proximity points. The method used to determine the latitude and longitude coordinates must conform to Rule 5J-17, F.A.C., formerly 61G17-6, F.A.C. All calculations shall be based on "WGS 84" and be grid distances. The horizontal positions shall be collected to meet sub-meter accuracy (no autonomous hand-held GPS units shall be used). Failure to provide the distance for any service will result in zero points for that service. The Transit and Community Service Scoring Charts reflecting the methodology for calculating the points awarded based on the distances are in Exhibit C.

(b) Community Services

Applicants that wish to receive proximity points for any community service must provide the name and address for that service, and the distance between the Development Location Point and the location for the service. The distances between the Development Location Point and the doorway threshold for each service will be the basis for awarding proximity points. The method used to determine the latitude and longitude

coordinates must conform to Rule 5J-17, F.A.C., formerly 61G17-6, F.A.C. All calculations shall be based on "WGS 84" and be grid distances. The horizontal positions shall be collected to meet sub-meter accuracy (no autonomous hand-held GPS units shall be used). Failure to provide the distance for any service will result in zero points for that service. The Transit and Community Service Scoring Charts reflecting the methodology for calculating the points awarded based on the distances are in Exhibit C.

6. Number of Units and Buildings

a. Number of Units

State the total number of units that will be in the proposed Development upon completion. As described in Rule Chapter 67-53, F.A.C., the total units include all Set-Aside Units, manager units and if applicable, market rate units.

(1) Minimum number of Set-Aside Units and Total Units

All proposed Developments must consist of a minimum of **total** units as set out in the chart below; however, if the Applicant is a for profit Applicant with a total set aside commitment that is less than 80% of the total units, the Development must have a minimum of 75 **Set-Aside** Units.

County	**Minimum number of <u>total</u> units**
Small and Medium Counties	30 **total** units
Pinellas County	50 **total** units
Miami-Dade County	All proposed Developments located in all areas of Miami-Dade County south of SW 224th Street must consist of a minimum of 100 **total** units. All proposed Developments located in all areas of Miami-Dade County north of SW 224th Street must consist of a minimum of 75 **total** units.
Broward, Duval, Hillsborough, Lee, Orange, Palm Beach, and Polk Counties	75 **total** units

(2) Maximum number of Total Units

There is no total unit limitation for proposed Developments.

Note: The total number of units stated in the Application may be increased, up to any applicable allowable limit, after the Applicant has been Invited to Enter Credit Underwriting, subject to written request of an Applicant to Corporation staff and approval of the Corporation.

b. If there are existing occupied residential units and if the Development is funded, a plan for relocation of existing tenants will be required to be provided to the Credit Underwriter, as outlined in Exhibit D.

c. Set-Aside Commitments

(1) Minimum Set-Aside Commitments per Section 42 of the IRC

Per Section 42 of the IRC, elect one of the following minimum set-aside commitments:

- 20% of the units at 50% or less of the Area Median Income (AMI)
- 40% of the units at 60% or less of the AMI
- Average Income Test

Note: Choosing the 20% at 50% AMI or less minimum set-aside will restrict ALL Set-Aside Units at 50% or less of the AMI. Applicants may select the 40% at 60% AMI or less minimum set-aside without committing to set aside any of the units at the 60% AMI level. For example, an Applicant may commit to set aside 40% at 50% AMI and this would also be considered 40% at 60% AMI or less.

The Average Income Test requires that (a) 40% or more of the residential units in the Development be both rent-restricted and occupied by individuals whose income does not exceed the imputed income limitation designated by the Applicant with respect to the respective unit, subject to the special rules relating to income limitation which (b) require the Applicant to designate the imputed income limitation of each unit taken into account under (a) above, such that the average of the imputed income limitations of all units designated by the Applicant shall not exceed 60% of the area median income. The designated imputed income limitation of any such unit shall be in 10% increments as follows: 20%, 30%, 40%, 50%, 60%, 70%, or 80% of the area median income.

(2) Set-Aside Commitments per Corporation Requirements

The Corporation has additional minimum set-aside requirements beyond those required by Section 42 of the IRC which must be reflected on the Total Set-Aside Breakdown Chart, as outlined below:

(a) Total Income Set-Aside Commitment

(i) For Applications that qualify as Non-Profit Applications

If Average Income Test is not selected, set aside a total of at least 80% of the Development's total units at 60% AMI or less.

If the Average Income Test is selected, set aside a total of at least 80% of the Development's total units at 80% AMI or less, but the Average AMI of the Qualifying Housing Credit Units* cannot exceed 60%.

(ii) For Applications that do not qualify as Non-Profit Applications

Applicants may commit to set aside less than 80% of the Development's total units at or below 60% AMI, if the proposed Development has a minimum of **75 Set-Aside Units**. If the Average Income Test is selected, the Average AMI of the Qualifying Housing Credit Units* cannot exceed 60%.

*The Average AMI of the Qualifying Housing Credit Units is further described in (3)(b) below.

(b) Extremely Low Income (ELI) Set-Aside Requirements

The proposed Development must set aside a required percentage of total units for ELI Households.

If the Average Income Test is not selected, the proposed Development must set aside at least 10% of total units for ELI Households. The requirement to set aside units for ELI Households refers to the ELI Area Median Income (AMI) level for the county where the proposed Development is located, as outlined on the chart below.

If the Average Income Test is selected, the proposed Development must set aside at least 15% of total units for ELI Households and the ELI AMI level will be 30%, regardless of county.

If the Set-Aside Breakdown Chart in Exhibit A reflects more than the applicable required percentage of the total units at the ELI AMI level for the county where the proposed Development is located, during the credit underwriting process the Credit Underwriter will determine

whether the Applicant's ELI Set-Aside unit commitment will need to be reduced by increasing the set aside units at AMI level(s) above the ELI level. Any such reduction in the ELI Set-Aside units would be no lower than the applicable required ELI Set-Aside percentage.

(c) Link Units for Persons with Special Needs

With the exception of Developments financed with HUD Section 811, a United States Department of Agriculture RD program, all Developments must commit to set aside the lesser of 50% of the ELI Set-Aside units provided in the Total Set-Aside Breakdown Chart in Exhibit A, rounded up, or 10% of the total units, rounded up as Link Units for Persons with Special Needs.

At least one member of each Link unit's household shall be referred by a Special Needs Household Referral Agency (Referral Agency) with which the owner executes a Link Memorandum of

Understanding (MOU) approved by the Corporation. The current list of designated Special Needs Household Referral Agencies for each county is published on the Corporation's Website under the Quick Links section at https://www.floridahousing.org/programs/special-needs-housing-overview/serving-special-needs (also accessible by clicking here). The owner must execute a Link Memorandum of Understanding (MOU) with at least one of the Special Needs Household Referral Agencies serving the Development's county. The deadline for the Corporation's approval of the fully executed Link MOU is outlined in Exhibit D.

Additional requirements for the Link Units for Persons with Special Needs are described in Exhibit E of the RFA.

(d) Tenant Selection Plan

Unless the Development meets an exception outlined in (i) below, a Tenant Selection Plan must be submitted to the Corporation for approval within 21 Calendar Days of the issuance of the Invitation to Enter Credit Underwriting. The Tenant Selection Plan must be approved by the Corporation prior to the completion of the final credit underwriting report.

(i) Exceptions to Tenant Selection Plan requirements

- Developments financed with HUD Section 811;
- Developments financed with a United States Department of Agriculture RD program.

All other Applications must achieve Corporation approval and, if required, HUD approval prior to the completion of the final credit underwriting report.

(ii) Achieving Corporation approval

To achieve approval by the Corporation, the Tenant Selection Plan must be submitted by the owner to the Corporation for approval within 21 Calendar Days of the issuance of the Invitation to Enter Credit Underwriting. Approval must be achieved prior to the completion of the final credit underwriting report.

The Tenant Selection Plan Guidelines and Tenant Selection Plan Checklist can be found on the webpage https://www.floridahousing.org/programs/developers-multifamily-programs/competitive (also available by

clicking here). Exhibit G of the RFA also describes requirements for tenant selection policies.

(iii) Achieving HUD approval, if required

In addition to the Corporation's approval, if HUD approval is required because a Development has a Housing Assistance Payment and/or an Annual Contributions Contract with HUD, HUD approval of the Tenant Selection Plan must be demonstrated to the Corporation prior to the completion of the final credit underwriting report.

HUD's approval process may take several months. Owners should send the Corporation-approved Tenant Selection Plan to the local HUD field office for approval as soon as possible to meet this requirement.

(3) Total Set-Aside Breakdown Chart

Complete the applicable Total Set-Aside Breakdown Chart provided in question 6.c.(3) of Exhibit A.

(a) Completing the Total Set-Aside Breakdown Chart if not committing to the Average Income Test

Indicate on the chart at 6.c.(3)(a) of Exhibit A the percentage of residential units, stated in whole numbers, to be set aside at each selected AMI level. If the Total Set-Aside Breakdown Chart reflects that either the Total Set-Aside Percentage or the ELI commitment does not meet the Set-Aside requirements, this Application will not be eligible for funding.

Methodology Used by the Corporation to Convert the Percentage of Total Units to Set-Aside Units and, if applicable, Market Rate Units

(i) First, calculate the number of Set-Aside Units for the lowest AMI level commitment.

The percentage associated with the lowest AMI level that the Applicant commits to will be multiplied by the total units, rounded up to the next whole unit. The result will be the number of Set-Aside Units at the lowest AMI level commitment.

(ii) Then, calculate the number of Set-Aside Units for the second lowest AMI level.

The percentage associated with the second lowest AMI level that the Applicant commits to will be first added to

the percentage associated with the lowest AMI level commitment. These percentages, added together, will be multiplied by the total units, rounded up to the next whole unit.

The number of units calculated in (i) above will be subtracted from the result to calculate the number of Set-Aside Units at the second lowest AMI level commitment.

(iii) Then, calculate the number of Set-Aside Units for each remaining AMI level, if applicable.

Starting with the third lowest AMI level remaining, the number of Set-Aside Units for each of the remaining AMI levels will be calculated using the same methodology described in (ii) above.

(iv) Finally, calculate market-rate units, if applicable

To calculate the number of market-rate units, the total number of Set-Aside Units will be subtracted from the total number of units.

(b) Completing the Total Set-Aside Breakdown Chart if committing to the Average Income Test

If committing to the Average Income Test, Applicants must indicate on the chart at 6.c.(3)(b) of Exhibit A the number of Set-Aside Units, stated in whole numbers, to be set aside at each selected AMI level.

The Corporation will verify that the number of units set aside at the ELI level meets the ELI minimum requirements by dividing the number of units that are set-aside at 30% AMI, or less, by the total number of units. The Corporation will also verify the overall Set-Aside Commitment of all units by adding all Set-Aside Units and then dividing this sum by the total number of units. Exhibit A provides a calculation of the Average AMI of the Qualifying Housing Credit Units using the methodology below.

Note: After entering the number of units into Exhibit A, the percentage of total units is calculated, which may reflect numbers represented with decimal places instead of whole numbers. This is acceptable for the Average Income Test calculation.

If the Total Set-Aside Breakdown Chart reflects that the Average AMI of the Qualifying Housing Credit Units exceeds 60%, and/or

if the number of Set-Aside Units set aside at 30% AMI, or less, is not equal to or greater than the required ELI commitment, and/or the overall Set-Aside Commitment requirement is not met, this Application will not be eligible for funding.

Calculation of the Average AMI of the Qualifying Housing Credit Units for the Average Income Test

(i) First, state the total number of Set-Aside Units at each AMI commitment.

(ii) Then, at each AMI commitment, multiply the number of Set-Aside Units by the AMI percentage (e.g., a commitment of 13 Set-Aside Units at 30% AMI would be calculated as follows: 13 x 0.30 = 3.9).

(iii) Repeat this calculation at each AMI level. Then add the results together.

(iv) Divide the number calculated in (iii) by the total number of Set-Aside Units stated in (i).

(v) This number must be equal to or less than 60% to meet the eligibility requirement. If the Average AMI of the Qualifying Housing Credit Units exceeds 60%, this Application will not be eligible for funding.

Where reasonably possible*, keep the unit mix consistent across each committed AMI level. * Such exceptions may include alternative distributions directed by the U.S. Department of Housing and Urban Development.

The above ELI and all other set-aside commitments must be taken into account during any pre-leasing and leasing activities.

d. Unit Mix

(1) Completing the Unit Mix Chart

Complete the Unit Mix Chart listing the total number of bedrooms per unit, the total number of bathrooms per unit (including half-baths, if applicable) and the total number of units per bedroom type. All units in the proposed Development must be listed, including all manager/employee units and all market rate units, if applicable. Units may have no more than four bedrooms.

Note: The number of ELI Set-Aside Units are proportionately distributed across the Unit Mix within Exhibit A.

(2) Unit Mix requirements

Not more than 25% of the total units in the Development may consist of Zero Bedroom units.

e. Number of Buildings

State the anticipated number of residential buildings.

The number of residential buildings stated in the Application may be changed only by written request of an Applicant to Corporation staff after the Applicant has been Invited to Enter Credit Underwriting.

f. Compliance Period

All Applicants are required to set aside the units for 50 years.

In submitting its Application, the Applicant knowingly, voluntarily and irrevocably commits to waive, and does hereby waive, for the duration of the 50-year set aside period the option to convert to market, including any option or right to submit a request for a qualified contract, after year 14, and any other option, right or process available to the Applicant to terminate (or that would result in the termination of) the 50-year set aside period at any time prior to the expiration of its full term.

Note: The Compliance Period commitment in this section includes the units set aside for the Demographic Commitments made in this RFA, which includes the commitments for Link Units and ELI Households. Although the percentage of units committed to must remain in effect for the entire Compliance Period, the particular units designated for the Demographic Commitment and AMI commitment must not be limited to the same units throughout the Compliance Period. Doing so may cause the Development to be in noncompliance.

7. Readiness to Proceed

a. Site Control

Demonstrate site control by providing, as **Attachment 6** to Exhibit A, the documentation required in Items (1), (2), and/or (3), as indicated below, demonstrating that the Applicant is a party to an eligible contract or lease for the subject property, or is the owner of the subject property. Such documentation must include all relevant intermediate contracts, agreements, assignments, options, conveyances, intermediate leases, and subleases. If the proposed Development consists of Scattered Sites, site control must be demonstrated for all of the Scattered Sites.

Note: The Corporation has no authority to, and will not, evaluate the validity or enforceability of any site control documentation.

(1) Eligible Contract

An eligible contract must meet all of the following conditions:

(a) It must have a term that does not expire before February 28, 2027, or that contains extension options exercisable by the purchaser and conditioned solely upon payment of additional monies which, if exercised, would extend the term to a date that is not earlier than February 28, 2027;

(b) It must specifically state that the buyer's remedy for default on the part of the seller includes or is specific performance;

(c) The Applicant must be the buyer unless there is an assignment of the eligible contract, signed by the assignor and the assignee, which assigns all of the buyer's rights, title and interests in the eligible contract to the Applicant; and

(d) The owner of the subject property must be the seller, or is a party to one or more intermediate contracts, agreements, assignments, options, or conveyances between or among the owner, the Applicant, or other parties, that have the effect of assigning the owner's right to sell the property to the seller. Any intermediate contract must meet the criteria for an eligible contract in (a) and (b) above.

(2) Proof of Ownership through a recorded document such as a Deed or Certificate of Title

The documentation must be recorded in the county in which the property is located and show the Applicant as the sole Grantee.

(b) If there is an existing HUD-imposed land use restriction document, such as Rental Assistance Demonstration (RAD) Use Agreement or a Declaration of Trust recorded on the subject property, the Applicant may provide an Option to Enter into a Ground Lease Agreement ("eligible agreement") between the

Applicant and the owner of the property. An eligible agreement must meet the following conditions:

(i) It must have a term that does not expire before February 28, 2027, or that contains extension options exercisable by the Applicant and conditioned solely upon payment of additional monies which, if exercised, would extend the term to a date that is not earlier than February 28, 2027;

(ii) The Applicant must be a party to the eligible agreement unless there is an assignment of the eligible agreement, signed by the assignor and the assignee, which assigns all of the lessor's rights, title and interests in the eligible agreement to the Applicant; and

a. Federal Requirements and State Building Code Requirements for all Developments

All proposed Developments must meet all federal requirements and state building code requirements, including the following, incorporating the most recent amendments, regulations and rules:

- Florida Accessibility Code for Building Construction as adopted pursuant to Section 553.503, F.S.;
- The Fair Housing Act as implemented by 24 CFR 100;

- Titles II and III of the Americans with Disabilities Act of 1990 as implemented by 28 CFR 35.

The above documents are available on the RFA Webpage.

*All Developments must comply with Section 504 of the Rehabilitation Act of 1973, as implemented by 24 CFR Part 8 ("Section 504 and its related regulations"). All Developments must meet accessibility standards of Section 504. Section 504 accessibility standards require a minimum of 5% of the total dwelling units, but not fewer than one unit, to be accessible for individuals with mobility impairments. An additional 2% of the total units, but not fewer than one unit, must be accessible for persons with hearing or vision impairments. All of the accessible units must be equally distributed among different unit sizes and Development types and must be dispersed on all accessible routes throughout the Development.

To the extent that a Development is not otherwise subject to Section 504 and its related regulations, the Development shall nevertheless comply with Section 504 and its related regulations as requirements of the Corporation funding program to the same extent as if the Development were subject to Section 504 and its related regulations in all respects. To that end, all Corporation funding shall be deemed "Federal financial assistance" within the meaning of that term as used in Section 504 and its related regulations for all Developments.

b. General Features

The following General Features must be provided for all proposed Developments:

To determine the required number of washers and dryers for the on-site laundry facility; divide the total number of the Development's units by 15, and then round the equation's total up to the nearest whole number;
    - At least one washing machine and one dryer shall be front loading that meets the accessibility standards of Section 504;

(2) In addition to the 5% mobility requirement outlined above, all Developments must provide reinforced walls for future installation of horizontal grab bars in place around each tub/shower and toilet, or a Corporation-approved alternative approach for grab bar installation. The installation of the grab bars must meet or exceed the 2010 ADA Standards for Accessible Design.

At the request of and at no charge to a resident household, the Development shall purchase and install grab bars around each tub/shower unit and toilet in the dwelling unit. The product specifications and installation must meet or exceed 2010 ADA Standards for Accessible Design. The Development shall inform a prospective resident that the Development, upon a resident household's request and at no charge to the household, will install grab bars around a dwelling unit's tub/shower unit and toilet, pursuant to the 2010 ADA Standards. At a minimum, the Development shall inform each prospective lessee by including language in the Development's written materials listing and describing the unit's features, as well as including the language in each household's lease.

10. Funding

a. Corporation Funding

Note: Under no circumstance will Corporation request amounts increase.

(1) 9% Housing Credits

(a) Housing Credit Request Amount

(i) State the amount of Housing Credits being requested.

The Eligible Housing Credit Request Amount will be based on the lesser of (A) the Applicant's Housing Credit Request Amount and (B) the Maximum Housing Credit Request Limit (as outlined in (2) below). If the Applicant states an amount that is greater than the amount the Applicant is eligible to request, the Corporation will reduce the amount down to the maximum amount the Applicant is eligible to request ("Eligible Housing Credit Request Amount").

(ii) Maximum Housing Credit Request Chart

The Housing Credit Request Amount cannot exceed the applicable County Category amount stated in the following chart:

County Category	Maximum Request Amounts
Small Counties	$1,944,030
Medium Counties	$2,800,000
Broward and Miami-Dade County	$3,800,000
Hillsborough, Orange, or Palm Beach County	$3,500,000
Duval or Pinellas County	$3,200,000
Lee or Polk County	$3,000,000

(b) Declaration as First Phase of a Multiphase Development

To declare this proposed Development as the first phase of a multiphase Development, the question in Exhibit A must be answered "Yes" and at least one building must be located within

the HUD-designated DDA or HUD-designated QCT stated in Exhibit A.

During the credit underwriting process, an opinion letter must be submitted to the Corporation by a licensed attorney that the Development meets the definition of a "multiphase project" as defined in the Federal Register related to the Statutorily Mandated Designation of Difficult Development Areas and Qualified Census Tracks for the applicable year. The letter must also include: (i) the name of the declared first phase Development and the Corporation-assigned Application number, (ii) the total number of phases and the projected Development name for each phase, (iii) the total number of buildings in each phase, (iv) the expected completion date for each phase, and (v) any other information as determined by the Corporation and stated in the Invitation to Enter Credit Underwriting.

To qualify for the basis boost, subsequent phases must meet the requirements in (c)(i) below.

(c) Basis Boost Qualifications

With regard to Housing Credits, HUD provides regulatory guidance on the effective date of Difficult Development Area (DDA) and Qualified Census Tract (QCT) lists for the purpose of determining whether a Development qualifies for an increase in eligible basis in accordance with Section 42(d)(5)(B) of the IRC. HUD's notice published on the webpage https://www.huduser.gov/portal/datasets/qct.html (also available by clicking here) governs the eligibility for a basis boost for the Development proposed in this RFA.

(i) Subsequent Phase of a Multiphase Development

For purposes of this RFA, a subsequent phase of a multiphase Development is one where the first phase was located within a HUD-designated DDA or HUD-designated QCT and appropriately identified as such, and received an award of Housing Credits ("initial award") in one of the following: (i) the 2011 Universal Application Cycle; (ii) a Request for Proposal or Request for Application ("RFP" or "RFA") issued in calendar year 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022, 2023, 2024, or 2025; or (iii) a 4% Housing Credit Application (awarded through a Corporation competitive RFA

process or a Non-Corporation Bond issuer's competitive application).

For the subsequent phase to be eligible for the basis boost, after the initial award met the DDA or QCT basis boost criteria, (A) the Applicant must have submitted an Application for Housing Credits in immediately consecutive years, per the HUD requirements, (B) the subsequent phase must have at least one building located within the boundary of the declared HUD-designated DDA or HUD-designated QCT which applied to the Development declared as the first phase by the first phase Applicant and (C) subsequently completes satisfactorily the requirement of paragraph 3.n. in Exhibit D.

If the proposed Development qualifies as a subsequent phase of a multiphase Development, indicate as such in Exhibit A and provide the Corporation-assigned Application number for the Development where the first phase was declared and awarded an allocation of Housing Credits.

The proposed Development's subsequent phase status will be confirmed during the credit underwriting process. If it is determined that the proposed Development does not meet the criteria to be designated a subsequent phase of a multiphase Development and the Housing Credit request was based on such contention, it will no longer be considered a subsequent phase of a multiphase Development.

(ii) HUD-designated Small Area DDA (SADDA)

A proposed Development will be eligible for the basis boost if located within a HUD-designated Small Area DDA (SADDA), as defined in Section 42(d)(5)(B)(iii), IRC. The SADDA designation will only apply to the building(s) located within the applicable SADDA Zip Code Tabulation Area (ZCTA) and only those building(s) will be eligible for the basis boost.

HUD has assigned a ZCTA number to each SADDA, available on the webpage https://www.huduser.gov/portal/datasets/qct.html (also available by clicking here). The applicable HUD

mapping software is available at https://www.huduser.gov/portal/sadda/sadda_qct.html (also available by clicking here).

To qualify, identify, in Exhibit A, the ZCTA number(s) for the proposed Development.

During credit underwriting and at the time of Final Cost Certification, if it is determined that there are buildings located outside of the applicable SADDA ZCTA, the Corporation reserves the right to reduce the Housing Credit Allocation if the eligible basis for the building(s) located in the applicable SADDA ZCTA is not sufficient to support the request amount.

(iii) HUD-designated Non-Metropolitan DDA

The proposed Development will be eligible for the basis boost if the Development county, as stated in Exhibit A, is located within a HUD-designated non-metropolitan DDA as defined in Section 42(d)(5)(B)(iii), IRC. The HUD-designated non-metropolitan DDAs are available on the webpage https://www.huduser.gov/portal/datasets/qct.html (also available by clicking here).

(iv) HUD-designated QCT

The proposed Development will be eligible for the basis boost and the QCT Preference in the Funding Selection Process if the entire Development is located, as of Application Deadline, within a HUD-designated QCT, as defined in Section 42(d)(5)(B)(ii), IRC, as amended and based on the current census, as determined by HUD.

The HUD-designated QCTs are available on the webpage https://www.huduser.gov/portal/datasets/qct.html (also available by clicking here).

To qualify, indicate the HUD-designated QCT census tract number.

The proposed Development's QCT status will be confirmed during the credit underwriting process. If it is determined that the proposed Development does not meet the criteria, it will no longer be considered a QCT. If the Application was selected

because it qualified for the QCT preference, the award may be rescinded.

(d) Housing Credit Equity Proposal

A Housing Credit equity proposal must be provided as **Attachment 7**. For purposes of this RFA, to be counted as a source, an equity proposal, regardless of whether the documentation is in the form of a commitment, proposal, term sheet or letter of intent, must meet the requirements set out below:

(i) If the Eligible Housing Credit Request Amount is less than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing and, the maximum amount of Housing Credit equity to be permitted in the Development Cost Pro Forma will be adjusted downward from the amount stated in the equity proposal. This adjusted maximum Housing Credit equity will be calculated by taking the total amount of equity to be provided to the proposed Development as stated in the equity proposal letter, dividing it by the credit allocation stated in the equity proposal and multiplying that quotient by the Applicant's Eligible Housing Credit Request Amount. If the Eligible Housing Credit Request Amount is greater than the anticipated amount of credit allocation stated in the equity proposal, the equity proposal will be considered a source of financing and the maximum amount of Housing Credit equity to be permitted in the Development Cost Pro Forma will be the amount stated in the equity proposal.

(ii) If syndicating/selling the Housing Credits, the Housing Credit equity proposal must meet the following criteria:

- Be executed by the equity provider;
- Include specific reference to the Applicant as the beneficiary of the equity proceeds;
- State the proposed amount of equity to be paid prior to construction completion;
- State the anticipated Housing Credit Request Amount;
- State the anticipated dollar amount of Housing Credit allocation to be purchased; and
- State the anticipated total amount of equity to be provided.

If the limited partnership agreement or limited liability company operating agreement has closed, the closed agreement must be provided. To be counted as a source of financing, the partnership agreement or operating agreement must meet the requirements above or submit separate documentation, signed by the equity provider, expressly stating any required criteria not provided in the agreement.

(iii) If not syndicating/selling the Housing Credits, the owner's commitment to provide equity must be provided. The commitment must include the following information and evidence of ability to fund must be provided as **Attachment 7** to the Application:

- The proposed amount of equity to be paid prior to construction completion;
- The anticipated Housing Credit Request Amount;
- The anticipated dollar amount of Housing Credit allocation to be purchased; and
- The anticipated total amount of equity to be provided.

Note: Exhibit D to the RFA outlines the documentation required to be submitted during credit underwriting demonstrating that the equity amount to be paid prior to or simultaneous with the closing of construction financing is at least 15% of the total proposed equity to be provided (the 15% criteria).

(2) Other Corporation Funding

If the Development has received funding from the Predevelopment Loan Program (PLP), the Corporation file number and amount of funding must be listed. Note: PLP funding cannot be used as a source of financing on the Construction/Rehab Analysis or the Permanent Analysis.

b. Non-Corporation Funding Proposals

Unless stated otherwise within this RFA, for funding, other than Corporation funding and deferred Developer Fee, to be counted as a source on the Development Cost Pro Forma, provide documentation of all financing proposals from both the construction and the permanent lender(s), equity proposals from the syndicator, and other sources of funding. The financing proposals must state whether they are for construction financing, permanent financing, or both, and all attachments and/or exhibits referenced in the proposal must be provided as **Attachment 8** to Exhibit A.

For purposes of the Application, the following will not be considered a source of financing: net operating income, capital contributions not documented in accordance with financing proposals that are not from a Regulated Mortgage Lender, fee waivers or any portion of any fees that are reimbursed by the local government. Additionally, fee waivers or any portion of any fees that are reimbursed by the local government cannot be considered as Development costs.

(1) Financing Proposal

Financing proposal documentation, regardless of whether the documentation is in the form of a commitment, proposal, term sheet, or letter of intent, must meet the following criteria.

Each financing proposal shall contain:

- Amount of the construction loan, if applicable;
- Amount of the permanent loan, if applicable;
- Specific reference to the Applicant as the borrower or direct recipient; and
- Signature of lender.

Note: Eligible Local Government financial commitments (i.e., grants and loans) can be considered a source of financing without meeting the requirements above if the Applicant provides the properly completed and executed Local Government Verification of Contribution Form (Form 03-2025), completes the Grant or Loan contribution portions of the chart on the form, dates the form within 12 months of the Application Deadline, and such grant and/or loan is effective at least through June 30, 2027. The Local Government Verification of Contribution form (Form 03-2025) is available on the RFA Webpage.

(2) Financing that has closed:

(a) If the financing has closed in the Applicant's name, provide a letter from the lender acknowledging that the loan has closed. The letter must also include the following information:

- Amount of the construction loan, if applicable;
- Amount of the permanent loan, if applicable; and
- Specific reference to the Applicant as the borrower/direct recipient/mortgagee.

(b) Except for HUD and RD funding, if the financing involves an assumption of debt not currently in the Applicant's name, as evidence that the lender approves of the proposal of assumption, provide a letter from the lender, dated within six

months of the Application Deadline, that includes the following information:

- Specifically references the Applicant as the assuming party;
- If a permanent loan, states the amount to be assumed; and
- If a construction loan, states the maximum amount of funding capacity.

If the debt being assumed is provided by HUD, provide a letter from HUD, dated within six months of the Application Deadline, confirming the funding source. The letter must include the following information:

- Name of existing development;
- Name of proposed Development;
- Loan balance;
- Acknowledgment that property is applying for Housing Credits; and
- Applicable HUD program.

If the debt being assumed is provided by RD, the Applicant is only required to provide the information described in Item 10.b.(1)(b) above.

(3) If the financing proposal is not from a Regulated Mortgage Lender in the business of making loans or a governmental entity, evidence of ability to fund must be provided. Evidence of ability to fund includes: (i) a copy of the lender's most current audited financial statements no more than 17 months old; or (ii) if the loan has already been funded, a copy of the note and recorded mortgage. The age of all financial statements is as of the Application Deadline. In evaluating ability to fund, the Corporation will consider the entity's unrestricted current assets typically used in the normal course of business. Assets considered restricted include, but are not limited to, pension funds, rental security deposits, and sinking funds. Financing proposals from lenders who cannot demonstrate ability to fund will not count as a source of financing. Financial statements must be included in the Application. Note: This provision does not apply to deferred Developer Fee.

In the case where the seller (or lessor) of the Development's property is providing a seller's or lessor's note (purchase money mortgage or equivalent) to help finance the Applicant's acquisition of the property, evidence of its ability to fund the amount of the note is not needed so long as the Application includes a letter from the seller or lessor that meets the financing proposal criteria outlined in (2)(a) above and the amount of the note is equal to or less than the purchase price of the property.

(4) If a financing proposal shows an amount less than the corresponding line item on the Development Cost Pro Forma, only the financing proposal amount will be considered as a funding source. However, if a financing proposal shows an amount greater than the corresponding line item on the Development Cost Pro Forma, up to the total amount of the financing proposal amount may be utilized as a funding source, if needed.

(5) The loan amount may be conditioned upon an appraisal or debt service coverage ratio or any other typical due diligence required during credit underwriting.

(6) Financing proposals may be conditioned upon the Applicant receiving the funding from the Corporation for which it is applying.

(7) If a financing proposal has a provision for holding back funds until certain conditions are met, the amount of the hold-back will not be counted as a source of construction financing unless it can be determined that the conditions for the release of the hold-back can be met prior to or simultaneous with the closing of the Development's permanent financing.

(8) Grant funds are contributions to the Development, other than equity, which carry no repayment provision or interest rate. A commitment for grant funds will be considered a commitment if the commitment is properly executed and, if applicable, evidence of ability to fund is provided.

c. Development Cost Pro Forma

All Applicants must complete the Development Cost Pro Forma listing the anticipated costs, the Detail/Explanation Sheet, if applicable, and the Construction or Rehab Analysis and Permanent Analysis listing the anticipated sources (both Corporation and non-Corporation funding). The sources must equal or exceed the uses. If a funding source is not considered, if the Applicant's funding Request Amount is adjusted downward, and/or if the anticipated costs or uses are adjusted upward, this may result in a funding shortfall. If the Application has a funding shortfall in either the Construction/Rehab and/or the Permanent Analysis of the Applicant's Development Cost Pro Forma, the amount of the adjustment(s), to the extent needed and possible, will be offset by increasing the deferred Developer Fee up to the maximum eligible amount as provided below. If it is demonstrated that an Applicant failed to disclose anticipated costs, the Applicant will be deemed ineligible if those undisclosed costs cause a funding shortfall.

The Development Cost Pro Forma must include all anticipated costs of the Development construction, rehabilitation and, if applicable, acquisition, including the Developer Fee and General Contractor fee, as outlined below.

Waived or reimbursed fees or charges are not considered costs to the Development and therefore, should not be included on the Development Cost Pro Forma. Note: deferred Developer Fees are not considered "waived fees."

Within the General Development Costs section of the Development Cost Pro Forma, there are line items for Professional Fees, Insurance(s), Local Government Fees & Taxes, FHFC Costs& Fees, and Tenant Relocation Costs. The following are examples of these costs:

- Professional Fees may include Accounting Fees, Appraisal, Architect's Fees, Capital Needs Assessment, Engineering Fees, Environmental Report, Green Building Certification/HERS Inspection Costs, Inspection Fees, Legal Fees, Market Study, Marketing/Advertising, Soil Test Report, Survey and Title Insurance & Recording Fees.
- Insurance(s) may include Builder's Risk Insurance.
- Local Government Fees & Taxes may include Building Permit, Impact Fees, Property Taxes and Utility Connection Fee.
- FHFC Costs & Fees may include the Corporation's fees such as Administrative Fee, Application Fee, Compliance Fee and PRL/Credit Underwriting Fees.

Developer Fee and General Contractor fee must be disclosed. In the event the Developer Fee and/or General Contractor fee are/is not disclosed on the Development Cost Pro Forma, the Corporation will assume that these fees will be the maximum allowable and will add the maximum amount(s) to Total Development Cost. If an Applicant lists a Developer Fee, General Contractor fee, contingency reserve or operating deficit reserve that exceeds the stated Application limits, the Corporation will adjust the fee to the maximum allowable.

All loans, grants, donations, syndication proceeds, etc., should be detailed in the Application as outlined above. The total of monetary funds determined to be in funding proposals must equal or exceed uses.

(1) Developer Fee

Each Developer Fee component listed in (a) and (b) below shall not exceed the respective amounts described below:

(a) Developer Fee on Acquisition Costs, is limited to 16% of the Total Acquisition Cost of Existing Development (excluding land) stated on the Development Cost Pro Forma in Column 3 of Item B, rounded down to the nearest dollar; and

(b) Developer Fee on Non-Acquisition Costs, is limited to 16% of the net amount after deducting Total Acquisition Cost of Existing Development (excluding land) (Column 3 of Item B)

from the Development Cost stated on the Development Cost Pro Forma in Column 3 of Item C, rounded down to the nearest dollar.

If the maximums stated in (a) or (b) are exceeded, the Corporation will adjust the amount down to the maximum allowed. Additionally, the Corporation may further adjust the Developer Fee on Acquisition Costs, and/or Developer Fee on Non-Acquisition Costs stated on the Development Cost Pro Forma and used to calculate the Developer Fee in Item D of the Development Cost Pro Forma. The conditions for such adjustments are stated below:

- If the amount of Developer Fee on Acquisition Costs is more than the amount allowed in (a) above, AND if the amount of Developer Fee on Non-Acquisition Costs is less than the amount allowed in (b) above, the Corporation will reduce the amount of Developer Fee on Acquisition Costs to the maximum allowed amount, and increase the amount of Developer Fee on Non-Acquisition Costs by the amount reduced in the Developer Fee on Acquisition Costs, up to the maximum allowed amount.

- If the amount of Developer Fee on Non-Acquisition Costs is more than the amount allowed in (b) above, AND if the amount of Developer Fee on Acquisition Costs is less than the amount allowed in (a) above, the Corporation will reduce the amount of Developer Fee on Non-Acquisition Costs to the maximum allowed amount, and increase the amount of Developer Fee on Acquisition Costs by the amount reduced in the Developer Fee on Non-Acquisition Costs, up to the maximum allowed amount.

The Corporation will allow up to 100% of the eligible Developer Fee to be deferred and used as a source on the Development Cost Pro Forma without the requirement to show evidence of ability to fund.

Consulting fees, if any, and any financial or other guarantees required for the financing must be paid out of the Developer Fee. Consulting fees include, but are not limited to, payments for Application consultants, construction management or supervision consultants, or local government consultants.

(2) General Contractor Fee

General Contractor fee shall be limited to 14% of actual construction cost. The maximum allowable General Contractor fee will be tested during the scoring of the Application by multiplying the actual construction cost by 14%, rounded down to the nearest dollar.

(3) Contingency Reserves

For Application purposes, the maximum hard and soft cost contingencies allowed cannot exceed (a) 5% of hard and soft costs for Development Categories of New Construction; or (b) 15% of hard costs and 5% of soft costs for Development Categories of Rehabilitation, with or without Acquisition, as further described in Rule Chapter 67-48, F.A.C. The determination of the contingency reserve is limited to the maximum stated percentage of total actual construction costs (hard costs) and general development costs (soft costs), as applicable.

(4) Operating Deficit Reserves

An operating deficit reserve can be included as part of Development Costs, but cannot be used in determining the maximum Developer Fee. Applicants may enter an operating deficit reserve amount that does not exceed $3,500 per unit on the Development Cost Pro Forma as part of the Application process. A reserve, including an operating deficit reserve, if necessary as determined by an equity provider, first mortgage lender, and/or the Credit Underwriter engaged by the Corporation in its reasonable discretion, will be required and sized in credit underwriting. If any reserve other than the permitted contingency reserve(s) or the maximum operating deficit reserve is identified and included in the Development Cost Pro Forma, the Corporation will reduce it to the maximum allowed during Application scoring.

In exchange for receiving funding from the Corporation, the Corporation reserves the authority to restrict the disposition of any funds remaining in any operating deficit reserve(s) after the term of the reserve's original purpose has terminated or is near termination. Authorized disposition uses are limited to payments towards any outstanding loan balances of the Development funded from the Corporation, any outstanding Corporation fees, any unpaid costs incurred in the completion of the Development (i.e., deferred Developer Fee), the Development's capital replacement reserve account (provided, however, that any operating deficit reserve funds deposited to the replacement reserve account will not replace, negate, or otherwise be considered an advance payment or pre-funding of the Applicant's obligation to periodically fund the replacement reserve account), the reimbursement of any loan(s) provided by a partner, member or guarantor as set forth in the Applicant's organizational agreement (i.e., operating or limited partnership agreement) whereby its final disposition remains under this same restriction. The actual direction of the disposition is at the Applicant's discretion so long as it is an option permitted by the Corporation. In no event, shall the payment of amounts to the

Applicant or the Developer from any operating deficit reserve established for the Development cause the Developer Fee or General Contractor fee to exceed the applicable percentage limitations provided for in this RFA.

d. Qualifying Financial Assistance Funding Preference

To qualify for the Qualifying Financial Assistance Preference, one of the following requirements must be met:

(1) Cash Funding equals at least 3% of the Applicant's Eligible Housing Credit Request Amount stated at 10.a. of Exhibit A

To qualify, Applicants must state the amount of cash loans, cash grants and/or equity ("Cash Funding") from Local Government entities (all of which, for purposes of this provision, will be considered to be "Qualifying Financial Assistance"), and provide the properly completed and executed Local Government Verification of Contribution Form (Form 03-2025) demonstrating a grant or loan contribution, as outlined in Item 10.b.(1) above. If the Qualifying Financial Assistance sources are equal to at least 3% of the Applicant's Eligible Housing Credit Request Amount (the annual amount stated at 10.a. of Exhibit A), the Applicant will receive a funding preference. If the Applicant qualifies for this funding preference and is awarded funding under this RFA, provide and maintain an amount equal to or greater than 3% of the Applicant's Eligible Housing Credit Request Amount within the permanent sources of financing.

The financing proposal documentation or other related support documentation for the Qualifying Financial Assistance must be provided in accordance with Item 10.b. above, and must meet all stated requirements to be counted as a permanent funding source in order to be considered Qualifying Financial Assistance. Any Qualifying Financial Assistance identified in this section must be included on the Development Cost Pro Forma and utilized for permanent funding as presented in the RFA if the Applicant is awarded funding under this RFA.

If a financing proposal shows an amount less than the corresponding line item at question 10.d. of Exhibit A, only the financing proposal amount will be considered Qualifying Financial Assistance. However, if a financing proposal shows an amount in excess of the corresponding line item at question 10.d. of Exhibit A, up to the total amount of the financing proposal amount may be utilized as Qualifying Financial Assistance, if needed. Qualifying Financial Assistance for which

acceptable funding proposals are not provided will not be counted as a source of funding or as Qualifying Financial Assistance.

(2) Donation of Land by a Local Government

To qualify, the Total Development Cost cannot consist of any land costs in excess of the allowable costs outlined below; the entire site must have been donated or will be donated from a Local Government to the Applicant; and, when submitted, the site control documentation must reflect one of the following:

- The eligible lease must reflect a Local Government as the Lessor and the Applicant as the Lessee, and the lease payments must equal $1,000a year or less.

Note: In-kind donations, waivers of any fees, and any funding from the Corporation are not considered Qualifying Financial Assistance, although they can be used to help reduce costs in the construction of the proposed Development.

e. Public Housing Authority and/or an instrumentality of a Public Housing Authority

Applicants may qualify for a TDC Multiplier used in the Total Development Cost Per Unit Base Limitation calculation described in Item 1 of Exhibit C of the RFA, and the PHA Multiplier used in the Leveraging Calculation described in Item 3 of Exhibit C if at least one of the following is met:

(1) The Applicant has either entered into a land lease with a Public Housing Authority on property where the proposed Development is to be located or the Applicant provided an Option to Enter into a Ground Lease Agreement on property where the proposed Development is to be located; AND the property has an existing Declaration of Trust between the Public Housing Authority and HUD and/or has a HUD RAD Transfer of Assistance Restrictive Covenant; or

(2) The Applicant is associated with a Public Housing Authority and/or an instrumentality of a Public Housing Authority in the ownership structure. The Applicant should state whether any Principals of the Applicant entity are a Public Housing Authority and/or an instrumentality of a Public

Note: For purposes of the Multiplier, the Public Housing Authority and/or instrumentality of a Public Housing Authority must not be disclosed as only the Investor Limited Partner of the Applicant or Investor Member of the Applicant.

If a Public Housing Authority has one of the above-described relationships with the Applicant, state the name of the Public Housing Authority.

Use the Addenda section of Exhibit A to provide any additional information or explanatory addendum for items described in the Application. Please specify the particular item to which the additional information or explanatory addendum applies.

C. Impact Scoring

The objective of the Impact Scoring is for the Applicant to identify and demonstrate the formalized plan for community revitalization initiatives ("Revitalization Plan" or "Plan") that is the driving force behind the proposed Development, as well as the formalized partnerships that will effectuate the community revitalization.

The Corporation recognizes the concept of community revitalization is driven at the local level and may be accomplished thorough different documentation mechanisms. It is assumed that a Revitalization Plan would contain or be connected to a project including the proposed Development.

The following Impact Scoring section allows for Applicants to provide detailed responses about the Development and the Revitalization Plan. Each response must address the specific criteria identified in the corresponding description. When scoring these responses, Florida Housing will only consider the written responses provided in Exhibit A. Responses will be evaluated based on the strength of information provided. When assigning points for each Impact Scoring section, only the text provided for that particular requirement will be considered.

Information in other Impact Scoring sections will not be considered. It is recommended to account for all criteria for each response, even if it requires repeating information in multiple Impact Scoring responses. There should be an Applicant response associated with each Impact item below. Applications must achieve at least 87.5% of the total amount of points available in the RFA to be eligible for funding.

As stated in the Applicant Certification and Acknowledgement Form, the Corporation reserves the right to verify any and all information provided in Applicants' responses during credit underwriting. If it is determined that the Applicant submitted materially incorrect information in the Application, the Application may be deemed ineligible, and/or the Corporation may rescind the award, and all Principals of the Applicant may be subject to material misrepresentation, even if the Application was not selected for funding, was deemed ineligible, or was withdrawn. If commitments made in the following Impact scoring sections are not fulfilled, this may, if the future RFA so provides result in a point reduction in the scoring of Developer experience in future Applications in which any Principal of the Applicant, Developer, or Co-Developer is listed as a Principal in the Developer section of the Principals of the Applicant and Developer(s) Disclosure Form of the future Application. Commitments made in response to Impact Scoring prompts may be included in the Land Use Restriction Agreement and/or the Extended Use Agreement.

1. The Community Revitalization Plan (Non-Scored item)

Local revitalization efforts are essential to the long-term growth and sustainability of communities. Local elected officials and community stakeholders work in tandem to create strategies that benefit individual neighborhoods, but also the larger community. These are not large-scale regional impact initiatives, but instead more localized targeted efforts to improve a specific community.

To allow the Corporation to evaluate the Revitalization Plan and its implementation and outcomes, as well as how the proposed Development aligns with it, Applicants must provide a link to the Plan or a copy of the Plan*, and a detailed description of the local adopted Plan/initiative, including:

- The identification of the local government's adopted or executed document(s) driving the local revitalization efforts;
- A description of improvements across key facets of the Plan;
- The specific types and amounts of public investment in the area that are part of the revitalization and the purposes of these investments (executed, committed, and planned);
- Examples of actions taken by the local government to advance the Plan, including activities that have or will lead to broader economic investment in the area;
- Outcomes reported by the local government that have changed the community and lives of the residents in the community;
- The public and private entities that were responsible for initiating and developing the local revitalization efforts; and
- Community involvement in planning the development of the housing and other aspects of the community revitalization, for example, neighborhood groups, small businesses.

*If providing a copy of the Plan, the copy must be legible and provided as **Attachment 9** to Exhibit A. If providing a link to the Plan, the link must be to the website of the local government that has adopted the Plan, and accessible to Corporation staff. If the copy is provided but illegible or if the link to the Plan is provided but either not accessible to staff or not on the website of the local government that has adopted the Plan, the Application will be ineligible.

Note: For ease of review, the description should include relevant references to the plan within the description.

The description is limited to no more than two typed pages. Note: Although the online Application system allows for more pages, any portion of the description that is beyond the maximum number of pages will not be considered.

2. Applicant and Developer Experience with Community Revitalization Initiatives and Plans (Maximum 20 Points):

Experience working with various public and private stakeholders around formalized local revitalization efforts is essential to the successful integration of affordable housing into the respective Plan or initiative.

For points, Applicants should describe the Applicant's experience in creating affordable rental housing that was aligned with or was expressly stated to be part of a local Revitalization Plan. This should include but is not limited to the following:

- A detailed list of developments (and locations) that the Principals of the Applicant and Developer entity(ies) have had a major role in the community revitalization efforts during the five years prior the Application submission deadline. The response should include examples of public funding awarded/received as a direct result of the development being part of a local Revitalization Plan or initiative;

- The Applicant and/or Developer's experience and role in working with Local Governments and other formal revitalization partners throughout the planning, development, lease up, and operations to respond to the intent and objectives of the revitalization;

- The Applicant and/or Developer's experience and approach with communicating and working with neighbors and the broader community, as well as residents currently in the community, and future residents of the development that may be impacted by the development. This may include residents displaced or adversely impacted during the construction of the development; and

- The Applicant's experience and approach in the day-to-day management of the developments referenced above to ensure that they are an integral part of sustaining the changes being brought to the area being revitalized.

The description is limited to no more than three typed pages. Note: Although the online Application system allows for more pages, any portion of the description that is beyond the maximum number of pages will not be considered.

3. How the Community Revitalization Plan or Initiative Benefits the Intended Residents of the Proposed Development (Maximum 30 Points)

Affordable housing developer and provider experience, community stakeholder involvement, and a clear localized Plan for revitalizing a community are all crucial to the success of a development and its residents. How each of these things interface and their connection is the catalyst for successful community revitalization efforts.

For points, Applicants should describe how the Community Revitalization Plan benefits the intended residents of the proposed Development. This should include but is not limited to the following:

- Describe how the creation of new affordable rental housing units meets the Plan's housing priorities. This may include the preservation or rehabilitation of existing affordable housing stock. The creation of new affordable housing is the primary objective; and

- Describe how the proposed Development is aligned with nearby resources that are also within the area's Revitalization Plan, for example workforce development centers, educational opportunities, green spaces and parks, new retail centers, healthcare and services facilities, parking, and civic buildings.

    - This response should reflect key and specific components of the Plan, such as:

        - other residential developments, business/commercial real estate development and revitalization;

        - infrastructure improvements, including transit;

        - other related activities undertaken, sponsored or encouraged by the unit of Local Government to improve the community.

    Note: This should be more than a listing of things nearby. It should describe how these resources benefit the future residents of the proposed Development.

- Describe partnerships that are/have been involved in planning the community's revitalization such as local governments, financial institutions, community groups, and any collaborative efforts including any needs assessments, etc. that were done in conjunction with the Plan.

The description is limited to no more than three typed pages. Note: Although the online Application system allows for more pages, any portion of the description that is beyond the maximum number of pages will not be considered.

4. Describe how the Proposed Development Enhances the Priorities of the Community Revitalization Plan. (Maximum 30 points)

Often housing is a driving force for community revitalization. Understanding this, Applicants are asked about how the proposed Development will serve residents beyond what is identified in the Revitalization Plan.

For points, Applicants should clearly identify the specific assets introduced by the proposed Development that promote resident growth, stability, and long-term

well-being within the community. The description should highlight initiatives that incorporate innovative models or practices that are part of the development.

- Describe models and practices, including formal partnerships and collaborative frameworks that support the residents of the proposed Development, such as formal partnerships with workforce development organizations, on-site healthcare clinics, or other integrated services within the proposed Development. Provide the specifics of the formal partnerships including each partner's role and contribution;

- Describe the non-residential components of the proposed Development, including space designed to accommodate community uses, resident services, supportive services, community-serving activities, commercial uses, or other services, amenities, or activities that contribute to the revitalization of the surrounding community;

- Describe the public-private partnerships associated with the proposed Development and how those collaborations enhance the priorities of the Plan and support community revitalization efforts.

The description is limited to no more than three typed pages. Note: Although the online Application system allows for more pages, any portion of the description that is beyond the maximum number of pages will not be considered.

B. Selection Process

1. Application Sorting Order

The highest scoring Applications will be determined by first sorting together all eligible Priority 1 Applications in the following order:

a. First, by the Application's eligibility for the QCT Preference (which is outlined in Section Four A.10.c.(iv) of the RFA) with Applications that qualify for the preference listed above Applications that do not qualify for the preference;

b. Next, by the Application's Leveraging Classification, applying the multipliers outlined in Item 3 of Exhibit C of the RFA (with Applications having the Leveraging Classification of A receiving the highest preference);

c. By the Application's eligibility for the Proximity Funding Preference (which is outlined in Section Four A.5.e. of the RFA) with Applications that qualify for the preference listed above Applications that do not qualify for the preference;

d. Next, by the Application's eligibility for the Qualifying Financial Assistance Preference (which is outlined in Section Four A.10.d. of the RFA) with Applications that qualify for the preference listed above Applications that do not qualify for the preference;

e. Next by the Developer Experience Funding Preference, which is outlined in Section Four, A.3.b.(3)(b) of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference);

f. Next, by the Application's eligibility for the Florida Job Creation Funding Preference which is outlined in Item 4 of Exhibit C of the RFA (with Applications that qualify for the preference listed above Applications that do not qualify for the preference); and

g Next, by lottery number, resulting in the lowest lottery number receiving preference.

This will then be repeated for Priority 2 Applications.

2. Funding

a. Funding Available

$4,138,000 of 9% Housing Credits is available.

b. Funding Test

Applications will be selected for funding only if there is enough Funding available to fully fund the Eligible Request Amount.

3. County Award Tally

As each Application is selected for tentative funding, the county where the proposed Development is located will have one Application credited towards the County Award Tally.

Throughout the selection process, the Corporation will prioritize eligible unfunded Priority 1 Applications that meet the Funding Test and are located within counties that have the lowest County Award Tally above other eligible unfunded Priority 1 Applications with a higher County Award Tally that also meet the Funding Test, even if the Priority 1 Applications with a higher County Award Tally are higher ranked, and above all Priority 2 Applications.

The Corporation will prioritize eligible unfunded Priority 2 Applications that meet the Funding Test and are located within counties that have the lowest County Award Tally above other eligible unfunded Priority 2 Applications with a higher County Award Tally that also meet the Funding Test, even if the Priority 1 Applications with a higher County Award Tally are higher ranked.

4. The Funding Selection Process

The highest-ranking eligible unfunded Priority 1 Application(s) will be selected for funding, subject to County Award Tally and the Funding Test.

If funding remains and none of the Priority 1 Applications can meet the Funding Test, the highest-ranking eligible unfunded Priority 2 Application(s) will be selected for funding, subject to County Award Tally and the Funding Test.

If none of the eligible unfunded Applications can meet the Funding Test, or if there are no eligible unfunded Applications, then no further Applications will be selected for funding and the remaining funding will be distributed as approved by the Board.

5. Returned Funding

Funding that becomes available after the Board takes action on the Committee's recommendation(s), due to an Applicant withdrawing, an Applicant declining its Invitation to Enter Credit Underwriting or the Applicant's inability to satisfy a requirement outlined in this RFA, and/or provisions outlined in Rule Chapter 67-48, F.A.C., will be distributed as approved by the Board.

The Authorized Principal Representative must review and execute this section.

1. The Applicant and all Financial Beneficiaries have read all applicable Corporation rules governing this RFA and have read the instructions for completing this RFA and will abide by the applicable Florida Statutes and the credit underwriting and program provisions outlined in Rule Chapter 67-48, F.A.C. The Applicant and all Financial Beneficiaries have read, understand and will comply with Section 42 of the Internal Revenue Code, as amended, and all related federal regulations.
2. The Applicant has reviewed section 67-48.004, F.A.C., and 67-21.027, F.A.C., and certifies to its eligibility to apply for the funding offered in this RFA.
3. The Applicant certifies that the proposed Development can be completed and operating within the development schedule and budget submitted to the Corporation.
4. The Applicant acknowledges and certifies that it will abide by all commitments, requirements, and due dates outlined in the RFA, inclusive of all exhibits. Failure to provide the required information by any stated deadlines may result in the withdrawal of the invitation to enter credit underwriting, unless an extension is approved by the Corporation.
5. By submitting the Application, the Applicant acknowledges and certifies that the proposed Development will meet all state building codes, including the Florida Accessibility Code for Building Construction, adopted pursuant to Section 553.503, F.S., the Fair Housing Act as implemented by 24 CFR Part 100, including the Affirmative Fair Housing Marketing Plan; Violence Against Women Act Reauthorization Act of 2013; Section 504 of the Rehabilitation Act of 1973 as outlined in Section Four, A.8. of the RFA; and the Americans with Disabilities Act of 1990 as implemented by 28 CFR Part 35, incorporating the most recent amendments, regulations and rules.

The Applicant further commits to actively seek tenants from public housing authority waiting lists and tenants who are participating in and/or have successfully completed the training provided by welfare to work or self-sufficiency type programs.
9. The success of an Applicant in being selected for funding is not an indication that the Applicant will receive a positive recommendation from the Credit Underwriter or that the Development Team's experience, past performance or financial capacity is satisfactory. The past performance record, financial capacity, and any and all other matters relating to the Development Team (which consists of Developer, Management Company, General Contractor, Architect, Attorney, and Accountant) will be reviewed during credit underwriting. 10. The Applicant's commitments will be included in an Extended Use Agreement for the Housing Credits, and must be maintained in order for the Development to remain in compliance, unless the Board approves a change.
11. The Applicant acknowledges that if commitments made in the Impact Scoring section of the Application are not fulfilled, this may, if the future RFA so provides, result in a point reduction in the scoring of Developer experience in future Applications in which any Principal of the Applicant, Developer, or Co-Developer is listed as a Principal in the Developer section of the Principals of the Applicant and Developer(s) Disclosure Form of the future Application.
12. The Applicant certifies that there are no agreements, other than the letter of intent provided with this Application, the Limited Partnership Agreement, or Operating Agreement, between the Applicant and the Housing Credit Syndicator/equity provider.

23. The undersigned is authorized to bind the Applicant entity to this certification and warranty of truthfulness and completeness of the Application.
24. The Applicant understands and acknowledges that Florida Housing may make all Applications in this RFA public sooner than 30 days after the Application Deadline.
25. The Corporation has included several warning messages throughout the Excel-based application to help alert an Applicant that there may be an issue with the data. This is a helpful guide but is not intended to be an all-inclusive list. Eligibility, points awarded, qualifications for goals, preferences, etc., are all solely determined by the criteria outlined in the RFA. If there are any inconsistencies between the Exhibit A and the RFA itself, such as formulas used in calculations or the warning messages, Applicants are instructed to rely solely on the RFA.
26. Withdrawing Applications:
    Applications may be withdrawn at any time up to 180 Calendar Days after the issuance of the Invitation to Enter Credit Underwriting without incurring penalties for missed closing deadlines.
    After 180 Calendar Days of the date of the Invitation to Enter Credit Underwriting, the withdrawal will cause the Application to be considered to not meet any closing deadlines. Any penalties within the RFA or Rules that are associated with missed closing deadlines, such as a reduction in number of Priority 1 Application submissions allowed in Future Corresponding RFA Cycle, will apply.

Under the penalties of perjury, I declare and certify that the Application for the proposed Development meets all applicable requirements of the RFA. I have read the foregoing and the information is true, correct and complete.

(1) Maximum Developer Fee based on Percentage of Development Cost as outlined in Rule 67-48, F.A.C.

(2) Maximum Developer Fee Amount based on Maximum Development Cost

The Corporation will calculate the Maximum Developer Fee for each proposed Development, then compare it to the proposed Development's stated Developer Fee. The Maximum Developer Fee Amount will be the sum of the maximum Developer Fee on non-Acquisition Costs calculated in (a) below and, if applicable, the maximum Developer Fee on Building Allocation portion of Acquisition Costs ("Building Allocation") as calculated in (b) below.

(a) Maximum Development Cost upon which a Developer Fee can be Earned when there are no Building Allocation Costs

(i) Hard Cost Factor Per Unit Chart plus estimate of Soft Costs Per Unit

The Non-Acquisition Costs for purposes of determining the maximum Developer Fee are calculated by first selecting the applicable hard cost factor for each unit in the chart below then incorporating an estimate of soft costs per unit.

Hard costs are defined as the total of the actual construction costs (includes the General Contractor Construction Contract and any construction costs to be incurred outside of the General Contractor Construction Contract), the General Contractor Fee and the approved Hard Cost Contingency. These costs are representative of what is normally reported on lines A1.3 and A1.4 in the Development Cost Pro Forma in the Application. The Hard Cost Factor per Unit amounts in the chart are not a limit of the actual hard costs allowed in each Development. Each Development's actual costs may exceed these amounts, but these are the maximums used in the Developer Fee calculation.

Measure	Hard Cost Factor per New Construction Unit				
	Garden Non-ESS*	Garden ESS*	Mid-Rise-Non-ESS*	Mid-Rise-ESS*	High-Rise*
Hard Cost Factor Per Unit for all counties except Broward, Miami-Dade and Palm Beach counties	$256,000	$284,000	$284,000	$311,000	$338,000
Hard Cost Factor Per Unit for Broward, Miami-Dade and Palm Beach counties	$284,000	$312,000	$312,000	$339,000	$366,000

* Garden includes all Development Types other than Mid-Rise and High-Rise; Non-Garden includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories) and High-Rise (7 or more stories); Mid-Rise includes Development Types of Mid-Rise with elevator (4 stories, 5 stories, or 6 stories); and High-Rise includes Development Type of High-Rise (7 or more stories). ESS means Enhanced Structural Systems Construction.

If there is only one unit type for the entire proposed Development, the number in the chart associated with the unit type is the Hard Cost Factor Per Unit for the Development.

If there are multiple unit types, the amount associated for each unique unit type is multiplied by the number of units for that unit type, added together, and then divided by the total number of units (i.e. pro rata distribution). The result of that calculation is the Hard Cost Factor Per Unit for the Development.

Incorporate an Estimate of Soft Costs Per Unit

The Hard Cost Factor Per Unit for the Development is then divided by 75% (resulting in a maximum of hard costs and soft costs per unit when calculating the Maximum Developer Fee, prior to Add-Ons, Multipliers, and Escalation Rate.)

(ii) Then add applicable per unit TDC Add-On(s) to the result of (i) above

None applicable to this RFA

(iii) Then divide the result of (ii) above by the applicable TDC Multiplier(s)

Non-Geographic TDC Multiplier – For Applications receiving funding from the Corporation which are directly generating expenses related to Build America, Buy America (BABA) costs, if applicable	89%
Non-Geographic TDC Multiplier – Any Applicant which (i) either has a land lease with a PHA for the proposed Development's location or the Applicant provided an Option to Enter into a Ground Lease Agreement on property where the proposed Development is to be located; AND the property which has a Declaration of Trust between the PHA and HUD; or (ii) has a PHA or an instrumentality of a PHA as a Principal	89%

Geographic TDC Multiplier – Developments located north of Plantation Key (i.e., north of Tavernier Creek) in the Florida Keys Area	65%
Geographic TDC Multiplier – Developments located south of Plantation Key (i.e., north of Tavernier Creek) in the Florida Keys Area	50%*

*If the proposed Development consists of Scattered Sites, the 50% TDC Multiplier applies only if all the sites are located south of Tavernier Creek.

(iv) Then multiply the result of (iii) above by the sum of 1 plus 6%, which represents the Escalation Factor

(v) Then multiply this result by the total number of units within the proposed Development to achieve the Maximum Development Cost upon which a Developer Fee can be Earned when there are no Building Allocation Costs ("**Maximum Non-Acquisition Development Cost for Developer Fee**").

To obtain the **Maximum Developer Fee Amount on non-Acquisition Costs**, multiply the result of (v) by the maximum Developer Fee percentage allowed in the RFA as described below:

- If the maximum Developer Fee percentage stated in the RFA is 16%, the result of the calculation above is then multiplied by 16%, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 18%, the result of the calculation above is then multiplied by 18%, rounded down to the nearest dollar.
- For Applicants requesting Tax-Exempt Bond Financing and 4% Housing Credits and committing to the Development Category of Rehabilitation, the Maximum Developer Fee Amount on non-Acquisition Costs will be determined by first taking the lesser of (a) 18% of total Development Costs (Total Development Costs excluding Developer Fee, land, and operating deficit reserves) or (b) the result of the three calculations below added together:

  (i) 9% of the Total Acquisition Cost of Existing Development, rounded down to the nearest dollar

  (ii) 18% of the Total General Development Cost, including Soft Cost Contingency and Financial costs, and

  (iii) 36% of the Total Actual Construction Costs, Hard Cost Contingency (hard costs) and then subtract the Maximum Developer Fee Amount on Building Allocation costs as presented below. The sum of (ii) and (iii) must be rounded down the nearest dollar.

- If the maximum Developer Fee percentage stated in the RFA is 21%, the result of the two calculations below are added together:
  - the result of the calculation is then multiplied by 16%, rounded down to the nearest dollar; AND
  - the result of the calculation is then multiplied by 5%, rounded down to the nearest dollar.

If there is no Building Allocation costs, this **Maximum Developer Fee Amount on non-Acquisition Costs** is also the **Development's Maximum Developer Fee**. If there is Building Allocation costs, the result of the fee calculation above is added to the result of the fee calculation below to determine the **Development's Maximum Developer Fee**.

(b) Maximum Developer Fee Amount on Building Allocation costs, if applicable

The Building Allocation costs are comprised of a Building Allocation plus Other building acquisition related costs of the existing Development, together are typically represented by line B. in the Development Cost Pro Forma in the Application. The maximum Building Allocation is a structured calculation. Start by taking the lesser of either the appraised value of the entire property or the actual property purchase price. The lowest land cost allocation is then subtracted from this amount. The lowest land cost allocation methodology is determined as follows:

(i) Appraised "as is" market value of the land, as if vacant;

(ii) Assessed value of the land as provided by the county property appraiser; or

(iii) Discount the value provided in the option (a) above to account for the LURA/EUA rent restrictions existing on the property. This is done by taking the lesser of the subject property's acquisition price, or the subject property's appraised "as is" restricted value and dividing this amount by the "as is" market value of the property as if unrestricted. The resulting discount factor is then multiplied by the value provided in option (a).

The lesser of the result of this maximum Building Allocation calculation or the Applicant's stated Building Allocation is then added to any other separate acquisition costs associated with the Building Allocation and this total is multiplied further based on the maximum Developer Fee percentage allowed in the RFA as described below to obtain the Maximum Developer Fee Amount on Building Allocation:

- If the maximum Developer Fee percentage stated in the RFA is 16%, the result of the calculation above is then multiplied by 16%, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 18%, the result of the calculation above is then multiplied by 18%, rounded down to the nearest dollar.
- For Applicants requesting Tax-Exempt Bond Financing and 4% Housing Credits and committing to the Development Category of Rehabilitation, 9% of the Total Acquisition Cost of Existing Development, rounded down to the nearest dollar.
- If the maximum Developer Fee percentage stated in the RFA is 21%, the result of the two calculations below are added together:
  - the result of the calculation is then multiplied by 16%, rounded down to the nearest dollar; AND
  - the result of the calculation is then multiplied by 5%, rounded down to the nearest dollar.

(3) Maximum TDC Component

The Maximum TDC Component equals the Maximum Non-Acquisition Development Cost for Developer Fee (as calculated in (2)(v) above) plus the maximum Developer Fee amount on non-acquisition costs (as calculated in (a) above) and then adding, if applicable, the maximum Developer Fee amount on Building Allocation (as calculated in (b) above). The Maximum TDC Component is unique to each Development and will not change once it is calculated. It will be used for calculations described in b. below. However, the maximum Developer Fee amount on Building Allocation costs, if applicable, can be updated at time of Final Cost Certification Application Package review when the Other building acquisition related costs of the existing Development have changed since credit underwriting. At no time will the proposed Developer Fee be allowed to exceed the total maximum Developer Fee.

b. Determining whether adjustments to the Developer Fee and the Total Development Cost of the proposed Development are needed during Credit Underwriting

The Total Development Cost of the proposed Development ("TDC of the proposed Development") is often adjusted during credit underwriting and Final Cost Certification process. The steps below are performed first during the credit underwriting process and then a similar process is completed during the Final Cost Certification process as presented in c. below. Any such adjustments that occurred during these processes may affect the maximum Developer Fee allowed for the proposed Development to fluctuate.

(1) First Review of the Developer Fee and the TDC of the proposed Development

To review the maximum Developer Fee for the proposed Development, the Corporation will first determine if the stated Developer Fee is in compliance with the percentage Developer Fee limit and then compare the results of the calculation in a. above to the Developer Fee stated by the Applicant.

If the maximum Developer Fee calculated by the percentage Developer Fee on stated Development Costs and the maximum Developer Fee calculated in a. above is equal to or greater than the proposed Development's stated Developer Fee, there will be no resulting deduction to the stated Developer Fee or the TDC of the proposed Development from this first review.

If this step creates a maximum Developer Fee that is less than the proposed Development's stated Developer Fee, the stated Developer Fee will be reduced to the maximum Developer Fee provided in this step, and the TDC of the proposed Development will be equally reduced to incorporate this mandated cost reduction.

(2) Second Review of the Developer Fee and the TDC of the proposed Development

The second review will compare the proposed Development's Maximum TDC Component and the Net TDC of the proposed Development for these limitation purposes.

Calculating the Net TDC of the proposed Development

The Net TDC of the proposed Development is determined by taking the TDC of the proposed Development (after any reduction in the initially stated Developer Fee as provided above) and deducting the following qualifying costs:

- the property acquisition price (building and land, which are subject to their own limits)
- demolition costs
- tenant relocation costs
- construction costs associated with the delivery of commercial/retail space, and
- any approved operating deficit reserves (ODR) that are part of the permanent phase (i.e., non-construction) financing for the Development which have not been included within the Developer fee.

Comparison of the Development's Maximum TDC Component and the Net TDC of the proposed Development

If the proposed Development's Maximum TDC Component is equal to or greater than the Net TDC of the proposed Development, the review of the Developer Fee is complete and no other reduction to the proposed Development's Developer Fee is required.

If the proposed Development's Maximum TDC Component is less than the Net TDC of the proposed Development, the maximum Developer Fee will be reduced by the lesser of:

(a) the actual amount that the Net TDC of the proposed Development exceeds the Maximum TDC Component,

(b) $750,000, or

(c) 25% of the Maximum Developer Fee calculated in a. above.

If the maximum Developer Fee calculated in this step is equal to or greater than the proposed Development's Developer Fee calculated in b.(1) above, there will be no resulting deduction to the proposed Development's Developer Fee after step b.(1) nor to the Net TDC of the proposed Development from this second review.

If this step causes the maximum Developer Fee to be less than the proposed Development's Developer Fee calculated in b.(1) above, the proposed Development's Developer Fee will be reduced to the maximum Developer Fee calculated in this step, and the Net TDC of the proposed Development will be equally reduced to incorporate the second mandated cost reduction.

This is the final review of the Developer Fee during credit underwriting.

c. Reviewing the Developer Fee and the Net TDC of the proposed Development stated in the Final Cost Certification Application Package ("FCCAP")

The Developer Fee and the Net TDC of the proposed Development may be further adjusted when the FCCAP is processed. Any such adjustments that occur with the FCCAP may cause the maximum Developer Fee allowed for the proposed Development to either increase, as described in (3) below, or decrease, as described in (2) and (4) below. Any increase or decrease to the proposed Development's Developer Fee will cause the Net TDC of the proposed Development to be equally increased or decreased, respectively.

Before each item below, the stated/updated Developer Fee will be tested to make sure it doesn't exceed the amount determined by multiplying the proposed Development's stated Development Costs by the maximum Developer Fee percentage, rounded down to the nearest dollar.

(1) First Review of the Developer Fee and the TDC of the proposed Development

Policy when the Developer Fee was <u>not reduced</u> by the process described in b. above

The proposed Development's Developer Fee initially presented in the FCCAP will be tested for compliance with the maximum Developer Fee percentage requirement.

(a) If the Net TDC of the proposed Development preliminarily stated in the FCCAP (after any Developer Fee compliance adjustments from above) is <u>less than</u> or equal to the Maximum TDC Component calculated in a. above, no adjustment to the proposed Development's Developer Fee will be required and there will not be a need for the second review.

(b) If the Net TDC of the proposed Development preliminarily stated in the FCCAP (after any Developer Fee compliance adjustments from above) is <u>greater than</u> the Maximum TDC Component calculated in a. above there will be a need for the second review process below.

Policy when the Developer Fee was <u>reduced</u> by the credit underwriting process described in b. above

(c) If the Net TDC of the proposed Development preliminarily stated in the FCCAP is <u>less than</u> or equal to the TDC reported in the final credit underwriting report, the calculations in b. above will be repeated using the Net TDC of the proposed Development preliminarily stated in the FCCAP. This may result in an increase to the final Developer Fee from the limit imposed at time of credit underwriting during steps b.(1)-(2).

(d) If the Net TDC of the proposed Development preliminarily stated in the FCCAP is <u>greater than</u> the Net TDC of the proposed Development reported in the final credit underwriting report, the Developer Fee stated in the FCCAP is initially capped at the maximum Developer Fee determined in b.(2) above. If the Developer Fee stated in the FCCAP is greater than the maximum Developer Fee determined in b.(2) above, the Developer Fee will be reduced to match the maximum Developer Fee and any reduction in the stated Developer Fee will have a corresponding reduction in the Net TDC of the proposed Development. There will be a need for the second review process below.

(2) Second Review of the Developer Fee and the TDC of the proposed Development

After the applicable step above in c.(1)(b) or c.(1)(d) is complete, the calculations described below will determine the final Developer Fee.

If the Net TDC of the proposed Development after step (1) above is greater than the Maximum TDC Factor calculated in a. above, the maximum Developer Fee determined in b.(2) above, will be reduced by the lesser of:

(i) the actual amount that the Net TDC of the proposed Development exceeds the Maximum TDC Factor,

(ii) $350,000, or

(iii) 10% of the Maximum Developer Fee calculated in (b) above.

If the maximum Developer Fee calculated in this step is equal to or greater than the Developer Fee stated in the FCCAP after c.(1) above, there will be no resulting deduction to the stated Developer Fee or the Net TDC of the proposed Development from this review.

If this step causes the maximum Developer Fee to be less than the Developer Fee stated in the FCCAP after c.(1) above, the stated Developer Fee will be reduced to the maximum Developer Fee calculated in this step, and the Net TDC of the proposed Development will be equally reduced to incorporate this cost reduction.

A template and training video regarding the Total Development Cost Per Unit Limitation have been made available. A link has been added to the RFA Webpage called "Total Development Cost Per Unit Limitation Information Used In RFAs". This link will take users to a new webpage with examples of this process, as well as a template, training video, and, for assistance after the review and evaluation process as explained in Section Three, F.2. of this RFA, contact information for available Florida Housing staff.

3. Leveraging Classification

All Priority 1 Applications will be classified as either Group A or Group B based on the amount of total Corporation funding per set-aside unit. The Corporation will calculate the total Corporation funding per set-aside unit for each Application as follows:

a. The Eligible Housing Credit Request Amount will be multiplied by 8.5; and

b. If the proposed Development is located in Broward County, the amount will be multiplied by 0.88; and

c. If the Applicant has either (i) entered into a land lease with a Public Housing Authority on property where the proposed Development is to be located or the Applicant provided an Option to Enter into a Ground Lease Agreement on property where the proposed Development is to be located; AND the property has an existing Declaration of Trust between the Public Housing Authority and HUD; or (ii) a PHA/instrumentality of a PHA as a Principal, the Application will qualify for the PHA Multiplier and the amount will also be multiplied by 0.93.

Note: More than one of the above may apply. For instance, if a., b., and c. apply, the Eligible Housing Credit Request will be multiplied by 8.5., then multiplied by 0.88 and then by 0.93.

d. If the Development consists of any new construction units, the total Corporation funding amount calculated above will also be multiplied by a Leveraging Factor. The Leveraging Factor is calculated as follows:

Development Leveraging Multipliers							
# of new construction units	NC Garden Non-ESS	NC Garden ESS	NC Mid-Rise Non-ESS	NC Mid-Rise ESS	NC High-Rise	NC Other Non-ESS	NC Other ESS
Combined Dev Type / ESSC Multipliers	x 1.0	x 0.93	x 0.97	x 0.9021	x 0.8835	x 1.0	x 0.93
Results of multiplication of each category							

To calculate the Leveraging Factor, the chart above will be used. The number of units for each category stated at 4.d. of Exhibit A will be multiplied by the applicable multiplier. The results of the multiplication will then be added together, then divided by the total number of units in the Development. The result of this calculation is the Leveraging Factor.

The Leveraging Factor is then multiplied by the total Corporation funding amount as calculated in a. – c. above. This result is the total Corporation funding amount used in e. below.

e. Calculation of Each Development's Larger Number of Bedrooms per Unit Multiplier

(1) First calculation

The percentage of units in the proposed Development with two or more bedrooms will be multiplied by 0.20. This product will then be subtracted from 100%.

(2) Determining the Development's Larger Number of Bedrooms per Unit Multiplier

The greater of the calculation in (1) or 0.90 is the Development's Larger Number of Bedrooms per Unit Multiplier.

The Development's Larger Number of Bedrooms per Unit Multiplier, rounded to the third decimal place, is then multiplied by the total Corporation funding amount as calculated in a. – d. above and used in f. below.

(3) Example

The Development consists of 100 units, with 40 units consisting of 2 or more bedrooms (40% of the units). The Corporation would multiply 40% x 20% = 8%. Then the Corporation would subtract 100% - 8% to get to 92% or 0.92. Because this calculation is more than 0.90, the Development's Larger Number of Bedrooms per Unit Multiplier is 0.92. 0.92 is then multiplied by the total Corporation funding amount as calculated in a. – d. above.

f. The total Corporation funding amount will then be divided by the number of Set-Aside Units, resulting in the total Corporation funding per Set-Aside Unit. This calculation is provided within the Exhibit A for each Application.

g. Assigning A/B Classifications

The Priority 1 Applications will be listed in ascending order beginning with the Priority 1 Application that has the lowest amount of total Corporation funding per set-aside unit and ending with the Priority 1 Application that has the highest amount of total Corporation funding per set-aside unit.

The total number of Priority 1 Applications on the List will be multiplied by 80% and the resulting figure will be rounded up to the next whole number. The calculated Corporation Funding Per Set-Aside Amount associated with this Application whose place on the list is equal to the resulting figure will be identified. Applications with calculated Corporation Funding Per Set-Aside amounts that are equal to or less than this amount will be classified as Group A. The remaining Priority 1 Applications will be classified as Group B.

This will then be repeated for all Priority 2 Applications.

4. Florida Job Creation Funding Preference

Each Application will be measured to determine whether it qualifies for the Florida Job Creation Funding Preference. To determine eligibility for the preference, the Corporation will calculate the Application's Florida Job Creation score, which will reflect the number of Florida jobs per $1 million of implied eligible housing credit equity. To qualify for the Florida Job Creation Funding Preference in Section Five of the RFA, all Applications must earn a Florida Job Creation score equal to or greater than the minimum requirement of 4.0.

Determination of the Florida Job Creation score will be based on the following information:

- The number of new construction units committed to by the Applicant (as stated by the Applicant in Exhibit A);
    - The applicable Florida job creation rate of 3.189 Florida Jobs per unit for proposed new construction units; and
- The Eligible Housing Credit Request Amount.

The score for the Florida Rate of Job Creation per $1 million of implied eligible housing credit equity will be measured using the following calculation:

> Number of new construction units x 3.189 Florida Jobs per unit x 1,000,000 / (the Eligible Housing Credit Request Amount x 8.5) = Florida Jobs per $1 million of Housing Credit Allocation.
>
> For example:
>
> Application A consists of 80 new construction units and has an Eligible Housing Credit Request Amount of $1,700,000.
>
> 80 x 3.189 x 1,000,000 /(1,700,000 x 8.5) = Florida Job Creation score of 17.66.

In the above example, the Application will qualify for the Job Creation Funding Preference because it has a Florida Job Creation score that is equal to or greater than the minimum required.

5. Fees

The Corporation and, if applicable, the Credit Underwriter shall collect via check or money order from the Applicant the following fees and charges in conjunction with this RFA. Failure to pay any fee shall cause the funding awarded to be withdrawn as outlined in the credit underwriting and program requirements outlined in Rule Chapter 67-48, F.A.C.

To ensure that the fees are processed for the correct Development, the following is strongly recommended: (i) whether paying by check, money order, ACH or wire transfer, include the Development Name and Application number with the payment; and (ii) a brief description of the fee.

a. Application Fee

All Applicants requesting funding in this RFA shall submit to the Corporation as a part of the Application submission a non-refundable Application fee of $3,000.

b. Credit Underwriting Fees

The following fees are not the fees that will be charged but are listed below for estimation purposes of completing the Development Cost Pro-Forma in the Application. The actual fees will be determined based on the current contract, including any addendum, for services between the Corporation and the Credit Underwriter(s) in effect at the time underwriting begins.

(1) Initial fee: $15,500

(2) Preliminary Recommendation Letter fee: $1,911

(3) Re-underwriting fee: $220 per hour, not to exceed $9,750.

If a Housing Credit Development involves Scattered Sites of units within a single market area, a single credit underwriting fee shall be charged. Any Housing Credit Development requiring further analysis by the Credit Underwriter pursuant to Section 42(m)(2) of the IRC will be subject to an hourly fee of $220. All credit underwriting fees shall be paid by the Applicant prior to the performance of the analysis by the Credit Underwriter.

(4) Extraordinary Services fee: $220 per hour.

(5) Credit Underwriting Extension Fees

Credit underwriting extension fees will be outlined in the Carryover Allocation Agreement.

(6) Capital Needs Assessment Review (if applicable): $2,536

c. Administrative Fees

With respect to the Housing Credit Program, each For-Profit Applicant shall submit to the Corporation a non-refundable administrative fee in the amount of 9% of the annual Housing Credit Allocation amount stated in the Preliminary Allocation. The administrative fee shall be 5.5% of the stated annual Housing Credit Allocation for Non-Profit Applicants. The administrative fee must be received by the Corporation as stated in the Preliminary Allocation.

d. Compliance Monitoring Fees

The following fees are not the fees that will be charged but are listed below for estimation purposes of completing the Development Cost Pro-Forma in the

Application. The actual fees and percentage increases will be determined based on the current contract, including any addendum, for services between the Corporation and the Compliance Monitor(s).

(1) Initial Allocation Fee

An Initial allocation compliance monitoring fee will be collected with the Preliminary Housing Credit Allocation or Carryover Allocation Agreement. This fee represents the first three years of compliance monitoring. The calculation is as follows:

(($12.21 x number of set-aside units) + a base fee of $3,900) x 3 years.

(2) Compliance Monitoring Fee

(a) All Developments other than RD – The annual fee to be comprised of a base fee of $325 per month + an additional fee per set-aside unit of $12.21 per year, subject toan automatic annual increase of 3% of the prior year's fee. Since fees for the full Housing Credit Extended Use Period will be collected at final allocation, the fee amount is discounted at a rate of 2% and based upon the payment stream from the Corporation to the monitoring agent.

(b) RD Developments - The annual fee is $450 per year. Since fees for the full Housing Credit Extended Use Period will be collected at final allocation, the fee amount is discounted at a rate of 2% and based upon the payment stream from the Corporation to the monitoring agent.

Note: Upon prepayment or repayment of the RD loan, the previously identified RD Development will be identified as a non-RD Development and the annual compliance monitoring fee will be adjusted accordingly. The compliance monitoring fee as described in (a) above for the remaining Housing Credit Extended Use Period will be due and payable in full upon billing sent directly to the Development.

(3) Follow-up Review - $220 per hour.

(4) Link Monitoring Fee: $1,000

e. Construction Inspection Fees

If a Development has a Housing Assistance Payment and/or an Annual Contributions Contract with HUD, HUD approval shall be demonstrated to the Corporation prior to the completion of the final credit underwriting report;

g. Provide confirmation that the owner will submit the fully executed Link MOU for the Corporation's approval within nine months of the Invitation to Enter Credit Underwriting, as described in Exhibit E;

h. Provide confirmation that all construction features committed to and proposed by the Applicant shall be located on the Development site;

i. Confirmation that, if the proposed Development meets the definition of Scattered Sites, all Scattered Sites requirements that were not required to be met in the Application will be met, including that all features and amenities

committed to and proposed by the Applicant that are not unit-specific shall be located on each of the Scattered Sites, or no more than 1/16 mile from the Scattered Site with the most units, or a combination of both. If the Applicant indicates that the proposed Development does not consist of Scattered Sites, but it is determined during credit underwriting that the proposed Development does meet the definition of Scattered Sites, all of the Scattered Sites requirements must have been met as of Application Deadline and, if all Scattered Sites requirements were not in place as of the Application Deadline, the Applicant's funding award will be rescinded;

j. Provide notification of the percentage of ownership of the Principals of the Applicant. Upon the Applicant's acceptance of the Invitation to Enter Credit Underwriting, the Corporation will return the Principals of the Applicant and Developer(s) Disclosure Form that was part of the Applicant's uploaded Application. k. Provide confirmation that the proposed equity amount to be paid prior to or simultaneous with the closing of construction financing is at least 15% of the total proposed equity to be provided (the 15% criteria), subject to the following:

(1) If syndicating/selling the Housing Credits, there are two exceptions to the preceding sentence. First, if there is a bridge loan proposal within the equity proposal that provides for bridge loan proceeds that equal at least 15% of the amount of total proposed equity to be provided prior to or simultaneous with closing of construction financing, the 15% criteria will be met. Second, if there is a separate bridge loan proposal from either the equity provider, any entity that is controlled directly or indirectly by the equity provider, or a subsidiary of the equity provider's parent holding company, and the proposal explicitly proposes an amount to be provided prior to or simultaneous with the closing of construction financing that equals at least 15% of the total proposed equity to be paid stated in the equity proposal, the 15% criteria is met. Bridge loan proposals that are not within the equity proposal, though, must meet the criteria previously stated for debt financing with the exception that evidence of ability to fund does not have to be provided. The Applicant may include the proposed amount of the bridge loan as equity proceeds on the Construction or Rehabilitation Analysis and on the Permanent Analysis (Note: this 15% criteria must be reflected in the limited partnership agreement or limited liability company operating agreement); or

(2) If not syndicating/selling the Housing Credits, proceeds from a bridge loan will not count toward meeting the 15% criteria;

l. If there are existing occupied units as of Application Deadline, provide to the Credit Underwriter a plan for relocation of existing tenants. The plan shall provide information regarding the relocation site; accommodations relevant to

the needs of the residents and length of time residents will be displaced; moving and storage of the contents of a resident's dwelling units; as well as the approach to inform and prepare the residents for the rehabilitation activities;

m. If the Applicant indicated that the proposed Development is the first phase of a multiphase Development, submit to the Corporation an opinion letter by a licensed attorney that the Development meets the definition of a "multiphase project" as defined in the Federal Register. The letter must also include: (a) the name of the declared first phase Development and the Corporation-assigned Application number, (b) the total number of phases and the projected Development name for each phase, (c) the total number of buildings in each phase, (d) the expected completion date for each phase, and (e) any other information as determined by the Corporation and stated in the Invitation to Enter Credit Underwriting;

n. If awarded Housing Credits, and if the Applicant indicated that the proposed Development is a subsequent phase of a multiphase Development, the Development's status as a subsequent phase will be verified in credit underwriting. If the Development does not qualify and the Applicant's Housing Credit request is based on such contention and, during the credit underwriting process it is determined that the proposed Development does not meet the criteria for such distinction, the Applicant's Housing Credit award may be rescinded;

o. Provide confirmation that the limited partnership agreement or limited liability operating agreement will comply with the operating deficit reserve requirement outlined in Section Four A.10.c.(4) of the RFA;

p. Applicants with sources of funding that are not from a Regulated Mortgage Lender must provide evidence of ability to fund:

Evidence of ability to fund includes: (i) a copy of the lender's most current audited financial statements no more than 17 months old; or (ii) if the loan has already been funded, a copy of the note and recorded mortgage. The age of all financial statements is as of the Application Deadline. In evaluating ability to fund, the Corporation will consider the entity's unrestricted current assets typically used in the normal course of business. Assets considered restricted include, but are not limited to, pension funds, rental security deposits, and sinking funds. Financing proposals from lenders who cannot demonstrate ability to fund will not count as a source of financing. Financial statements must be included in the Application. Note: This provision does not apply to deferred Developer Fee.

In the case where the seller (or lessor) of the Development's property is providing a seller's or lessor's note (purchase money mortgage or equivalent) to help finance the Applicant's acquisition of the property, evidence of its ability to fund the amount of the note is not needed so long as the Application includes a letter from the seller or lessor that meets the financing proposal criteria outlined

in (2)(a) above and the amount of the note is equal to or less than the purchase price of the property;

q. If the Applicant applied as a Non-Profit Applicant, provide the following:

(i) Demonstration of how the Non-Profit entity is materially and substantially participating in the predevelopment, management, and operation of the proposed Development throughout the compliance period, within the meaning of material participation as defined in 26 USC §469, 26 USC §42, by submitting the Executive Director Certification of Non-Profit Entity Material Participation form (Rev. 09-2022); and

(ii) Demonstration of Non-Profit entity qualifications

(A) The IRS determination letter* demonstrating that the Non-Profit is organized under Section 501(c)(3) or 501(c)(4) of the Internal Revenue Code; and

(B) The articles of incorporation demonstrating that one of the purposes of the Non-Profit entity is to foster low-income housing.

*In the event the Non-Profit entity is subject to a group exemption under the Internal Revenue Code, provide the IRS determination letter for the parent corporation, and the list of exempt entities from the IRS which includes the Non-Profit entity in this Application. If the list of exempt entities has not yet been issued by the IRS, provide a copy of the request from the parent corporation to the IRS requesting group exemption status for the Non-Profit entity named in this Application. The IRS determination letter for the parent corporation must meet the requirements of (ii)(A) above.

4. The Preliminary Recommendation Letter (PRL) for this Development will be due to the Corporation no later than 12 weeks after the Invitation to Enter Credit Underwriting has been issued. Pursuant to paragraph 67-48.0072(21)(c), F.A.C., the Applicant is responsible for providing the Credit Underwriter with the information necessary to complete the PRL. If the 12 week deadline cannot be met due to any delay caused by the Applicant, request an extension by submitting a written request and payment of the applicable processing fee to the Corporation;

5. The Applicant will submit the fully executed Link MOU for the Corporation's approval within nine months of the issuance of the Invitation to Enter Credit Underwriting, as described in Exhibit E;

6. The credit underwriting process must be complete within the timeframe outlined in Rule Chapter 67-48, F.A.C.;

7. By Certificate of Occupancy, the Applicant commits to participate in the statewide housing locator system, as required by the Corporation; and

8. The Credit Underwriter will provide an itemized list for additional documentation including, but not limited to, the following:

    a. Information outlined in Rule Chapter 67-48.0072, F.A.C.;

    b. The Construction Consultant engaged by the Corporation's credit underwriter must provide the properly completed and executed Americans with Disabilities Act Certification forms certifying that the design of the proposed Development and the completed Development includes the applicable accessibility, adaptability, Visitability and universal design features required by the Corporation and proposed by the Applicant. The Americans with Disabilities Act Certification forms (Rev. 02-20) are available on the RFA Webpage.

9. The Credit Underwriter will also verify information submitted by the Applicant, including, but not limited to the following:

    a. The Applicant's Non-Profit status, if applicable;

    b. Each Scattered Site meets the requirements of this RFA and Section 42 of the IRC, if applicable;

    c. The proposed Development's ability to meet the Enhanced Structural Systems Construction qualifications;

    d. Calculation of eligible basis which may cause a reduction in the Housing Credit Allocation. This may include review of the location of buildings and whether all buildings are eligible for the eligible basis boost, if applicable;

    e. Developments that have a Housing Assistance Payment and/or an Annual Contributions Contract with HUD, must demonstrate HUD approval within a Tenant Selection Plan for an owner-adopted preference or special admissions preference specifically for individuals or families who are referred by a designated Referral Agency serving the county where the Development is located;

    f. The proposed Development's first phase or subsequent phase's status; and

    g. Review of the Total Development Cost and its effect on the Total Development Cost Per Unit Limitation.

    If any of these cannot be verified, all funding awarded under this RFA may be reduced or may be rescinded if the award or the Application's eligibility status was based on such information, and/or the Applicant may be determined to have made a material misrepresentation.

10. For 9% Housing Credits, the Carryover Allocation Agreement will provide deadlines for additional documentation.

Exhibit E – Additional requirements for the Link Units for Persons with Special Needs

The Link to Permanent Housing Strategy (Link) enhances the ability of extremely low income (ELI) households with special needs to access and retain affordable rental housing in their communities. The Corporation requires Developers to provide a specified percentage of a Development's ELI Set-Aside units for special needs households receiving community-based supportive services who are referred by a designated supportive services agency in the community where the Development is located. All Link units must do the following:

I. Link Set-Aside Requirements

With the exception of Developments financed with HUD Section 811 or United States Department of Agriculture RD program, for the entire Compliance Period as specified in both the regulatory agreement and as stated in the RFA, the Development shall set aside the required percentage of the ELI Set-Aside units as Link Units for Persons with Special Needs. At least one member of each Link unit's household shall be referred by a Special Needs Household Referral Agency (Referral Agency) with which the owner executes a Link Memorandum of Understanding (MOU) approved by the Corporation.

II. Link Memorandum of Understanding (MOU)

The Corporation has established and maintains a list of supportive service agencies or organizations serving each county, each of which is designated as a Referral Agency. The current list of designated Special Needs Household Referral Agencies for each county is published on the Corporation's Website under the Quick Links section at https://www.floridahousing.org/programs/special-needs-housing-overview/serving-special-needs (also accessible by clicking here). These agencies are statewide, regional or local organizations that administer community-based supportive services to the populations served by Link.

The MOU is a formal agreement between the owner and a Referral Agency that specifies the intent of the Link Strategy and describes the roles and responsibilities of each party to the MOU. The MOU form to be executed shall be the version most recently provided on the Corporation's website at https://www.floridahousing.org/programs/developers-multifamily-programs/competitive/link-units-for-persons-with-special-needs-information (also accessible by clicking here).

A. The owner shall execute an MOU with at least one designated Referral Agency serving the county and intended population where the Development will be located and rent units to households referred by the Referral Agency with which the MOU is executed.

B. As stated in Exhibit D, within nine months of the issuance of the Invitation to Enter Credit Underwriting, submit the fully executed Link MOU for the Corporation's approval. If the owner is unable to meet the deadline, an extension may be requested from the Corporation, and a non-refundable processing fee of $5,000 shall be charged to the owner.

C. Prior to execution of the MOU, but not later than 10 Calendar Days before the deadline by which the fully-executed MOU shall be received by the Corporation, the MOU form stipulated in the applicable RFA shall be completed and reviewed by the owner and Referral Agency, and then submitted by the owner to the Corporation for review and preliminary approval.

D. After review and preliminary approval of the MOU by the Corporation, and no later than the deadline established in the Invitation to Enter Credit Underwriting, the owner shall provide one original fully-executed hard copy of the MOU to the Corporation. Once approved by the Corporation, the owner shall arrange for a copy of the approved MOU to be maintained on file at the site of the Development's records for compliance monitoring purposes.

E. When the owner is noncompliant because no Referral Agency that serves the county where the Development is located is available to execute an MOU, the noncompliance shall be held in a correction period status until the earlier of (i) approval by the Corporation of an MOU executed with a new Referral Agency, or (ii) the passage of 45 Calendar Days following placement of a Referral Agency that serves the Development's county onto the Corporation's Referral Agency list.

F. When a Referral Agency notifies the owner of its intent to terminate an MOU, the owner shall notify the Corporation of the MOU termination by email, at Link@floridahousing.org, within five Calendar Days of receiving the notification from the Referral Agency. The owner shall then select another Referral Agency for the Development's county and obtain approval from the Corporation for the MOU executed with the new Referral Agency no later than 45 Calendar Days after receipt of notification from the prior Referral Agency of its intent to terminate the MOU.

G. When an owner intends to terminate an MOU, the owner shall repeat the process outlined in all of the steps above to obtain approval from the Corporation for a new MOU executed with another Referral Agency before termination of the prior MOU may become effective.

H. The Corporation may require the owner to terminate an MOU with a Referral Agency if that partnership is not effective in meeting the intent of the Link Set-Aside Requirement. The owner shall execute another MOU with a new Referral Agency before terminating the MOU. The owner shall follow the process outlined in all of the steps above to obtain approval from the Corporation.

III. Tenant Selection and Preferences

A. Leasing Activity (Lease-up and Pre-leasing): During leasing activities, the owner shall make all units available for the intended Link households referred by the Referral Agency, until the Development's Link Set-Aside Requirement has been met. If the Development has not met its Link Set-Aside Requirement by the passing of 30 Calendar Days after the last unit is actually available for occupancy, the owner may lease the units to any eligible household.

B. Once the Development's leasing activity is completed, a vacant unit formerly occupied by a Link household shall be held open for intended households referred by the Referral Agency for a period of 30 Calendar Days starting from the date the vacated unit is suitable for occupancy and ready to lease. The owner shall notify the Referral Agency that a unit is available on or before the date that the vacated unit becomes suitable for occupancy and ready to lease, but no more than 30 Calendar Days before the unit is anticipated to be ready to lease. The vacated unit shall retain the Link classification until next occupied, at which time the classification of the new household shall be applied to the unit.

C. When the Development is an Acquisition/Rehabilitation Development that is occupied at the earlier of either loan closing or site acquisition, all units (at any AMI set-aside level) that become available and are suitable for occupancy and ready to lease shall be prioritized for intended households referred by the Referral Agency until the Link requirement has been met. For Developments with a Housing Assistance Payment contract and/or an Annual Contributions Contract with HUD: The waiting list section of the Tenant Selection Plan shall establish selection preferences or a section for special admissions specifically for individuals or families who are referred by a designated Referral Agency. The Tenant Selection Plan shall be submitted by the owner to the Corporation for review and preliminary approval before sending to HUD. HUD approval may take several months. HUD approval shall be demonstrated to the Corporation prior to the completion of the final credit underwriting report.

D. Owners that have a Housing Assistance Payment Contract and/or an Annual Contributions Contract with HUD shall maintain a separate waiting list for referred applicants and prioritize these individuals for any available Link units. During and after lease-up, Referral Agency referrals must be moved in first, regardless of chronological order of the general waiting list, until all Link units are occupied with Referral Agency referrals.

III. Notification of the Availability of Units for Referral of Intended Link Households

A. The owner shall meet with the chosen Referral Agency to review the Link roles and responsibilities of each party, the household income limitation and other eligibility criteria for tenancy, household move-in expenses and on-going monthly rental payments. The meeting shall be held no less than 45 Calendar Days before the anticipated commencement of any activities related to the leasing of any unit in the Development. The owner shall maintain documentation of the meeting with the Referral Agency and shall provide a copy for review by the Corporation upon its request.

B. Communication between the owner and the Referral Agency's designated contact person related to activities in this section shall be conducted via email. Activities that must be conducted by email are as follows:

1. Requests to develop MOU with Referral Agency;

2. Draft reviews of MOUs between the parties;

3. Final version of executed MOU;

4. Current contact information for the contact staff designated by the owner and Referral Agency and listed in the MOU;

5. Notifications of unit availability;

6. Number of Calendar Days unit will be held open for referrals;

7. Information about rental policies and eligibility criteria;

8. Outcome of referrals;

9. Notifications of issues or concerns that may adversely affect the tenancy of the household; and

10. Requests for termination of MOU.

C. The owner shall maintain a Link communication tracking log that documents: (i) the unit number of each offered unit; (ii) the date each unit was suitable for occupancy; (iii) the date of the email notice to the Referral Agency that each unit was available for rent to a Link household, including the dates of required follow up; (iv) date of response from Referral Agency, (v) Referral Agency response, (vi) outcome of referral, and (vii) number of days the unit was held open.

D. If an owner notifies a Referral Agency that a unit is available and the Referral Agency does not respond, the owner shall contact the Referral Agency at least three times, at intervals of no less than seven Calendar Days, during the 30-day period after the initial notice of unit availability was sent to the Referral Agency. The owner shall document all notification activity on its Link communication tracking log.

E. The owner shall notify the Referral Agency regarding the outcome of each referral within one business day after a determination is made regarding the household's eligibility to occupy the available unit.

F. If a referral does not result in occupancy by the referred household, the 30-day holding period shall continue to allow the Referral Agency the opportunity to refer another household. The owner shall follow up with the Referral Agency at intervals of no less than seven Calendar Days during the remainder of the 30-day holding period. The owner shall document all notification activity on its Link communication tracking log.

IV. Link Compliance Monitoring Documentation

A. The owner shall cause the following documentation to be maintained on file for compliance monitoring purposes. Such documents shall be made available for inspection by Corporation personnel or its monitoring agents at any reasonable time. The owner shall provide copies of such documents, either electronic or

paper, to the Corporation within three business days of any request by the Corporation for such copies.

1. A copy of all active MOU's approved by the Corporation;

2. A copy of all terminated MOU's. Terminated MOU's shall be retained for seven years beyond the period of tenancy for any household referred under the particular MOU;

3. A copy of any current correction period extensions granted by the Corporation; and

4. Email communication with the Referral Agency demonstrating timely notification regarding the availability of units for the intended Link household, outcome of each referral, and, when an available unit was not rented to a Link household, the number of days the available unit was held open for intended Link household.

B. The monthly Program Report submitted to the Corporation by the Development shall reflect the number of Link households residing in an ELI Set-Aside unit.

C. The Compliance Period committed to in the RFA also includes the units set aside for the Demographic Commitments, which includes the commitments for Link and ELI Households. The affordability period committed to in the RFA includes the units set aside for ELI Households. Although the percentage of units committed to must remain in effect for the entire Compliance Period, the units designated for the Demographic Commitment and AMI commitment must not be limited to the same units throughout the Compliance Period. Doing so may cause the Development to be in non-compliance with Section 42.

- The approach regarding a household's notification and appeal process and timeline if the household's application is rejected or determined ineligible.
- A description of reasonable accommodations or reasonable modifications for persons with disabilities, pursuant to Section 504 of the Rehabilitation Act of 1973. The description shall include accommodations that must be considered by the Development such as physical dwelling unit modifications for greater accessibility and use, as well as individualized assessments of mitigating factors related to a disability that adversely affected a household's credit, eviction, or criminal history. The description shall also include the process for requesting a reasonable accommodation, the determination approach, and decision-making timelines.

- A description of an applying household's or existing tenant's housing protections pursuant to the Violence Against Women Reauthorization Act of 2013 (VAWA). Tenant Selection Criteria for Extremely Low Income (ELI) Households

Screening criteria for ELI households

The Applicant must adhere to the following tenant selection criteria when evaluating the eligibility of a household applying for tenancy in a unit set aside for Extremely Low Income (ELI) Households:

- Credit History: The credit history related to medical expenses, cable and internet services will not be taken into consideration when conducting credit checks.
- Income Requirement Policy: The household monthly income must not be required to be more than two times the monthly rent. (e.g., If the monthly rent is $500, the household monthly income will not be required to exceed $1,000.)
- Evictions: The eviction history look-back period must not be more than 5 years. A household is permitted one eviction during the 5-year look-back period, unless the eviction was due to causing physical harm to development staff, tenants, or intentional property damage.

ELI Tenant Application Fees and Deposits

For Development with requirements for Link/Special Needs requirements

The Tenant Selection Plans must include a Preference in their Waiting List section. Owners must create a preference specifically for individuals or families who are referred by a Florida Housing-designated Special Needs Referral Agency. The Tenant Selection Plan must include the following language:

This Development has adopted a preference to house X number of units of the Extremely Low Income (ELI) units within the Development to be set aside for Persons with Special Needs as defined in 420.0004(13) Florida Statutes. These set aside units are known as Link units. These units shall be set aside specifically for individuals or families who are referred by a Florida Housing-designated Referral Agency. The Development must prioritize these referred individuals for an available Link unit.

- During and after lease-up, Referral Agency referrals must be moved in first, regardless of chronological order of the general waiting list, until all Link units are occupied with Referral Agency referrals.

- The Tenant Selection Plan shall be submitted by the Applicant to the Corporation for approval within 21 Calendar Days of the issuance of the Invitation to Enter Credit Underwriting.

Properties with HUD assistance, including Project-Based Assistance, Public Housing Agencies, and those administering Public Housing Programs

Properties that have contracts with HUD or Public Housing Authorities' rental assistance programs and also have the Florida Housing Link/Special Needs requirement must handle their waiting list to reflect both HUD and Florida Housing requirements. In order to do this, Florida Housing has determined that establishing an owner-adopted preference with a Florida Housing-designated Special Needs Referral Agency is the correct method for complying with Florida Housing and HUD requirements.

- The Waiting List section of the Tenant Selection Plan must include a preference for Special Needs households that are referred by a Florida Housing-designated Special Needs Household Referral Agency.
- HUD regulations require Tenant Selection Plans that implement preferences to have HUD approval. This is the case if there are new Plans in new properties, as well redevelopment, RAD conversions, or substantially rehabilitated properties.
- If a Development has an existing Tenant Selection Plan, Applicant must amend the Plan. Applicants are required to submit the amended Plan with the preferences to their account manager in the field office. The Plan must be sent to the Corporation for preliminary approval before sending to HUD.
