Section V - Notes / Explanations Disclosed by State	
Line 82	Note 1 - Line 35 does not equal Line 76 because repayments were received, by check or by EFT, into Florida Housing's operating account and not yet transferred to BNYM. During the quarter, \$607,559.78 in
Line 83	receipts from the previous Quarter was transferred to BNY. Additionally, \$398,790.91 in repayments was collected in the current quarter, but not transferred to BNYM by quarter end. Treasury's security
Line 84	interest in the repayments is protected by the over \$1.3 million in expenses advanced by Florida Housing during the quarter. These amounts are expected to clear in the next quarter.
Line 85	
Line 86	Note 2 - Lines 7(d)-18(d) do not equal Line 39(g) because of \$2,909.63 returned by servicers to Florida Housing's operating account during the quarter. Because these are not yet in the BNY Mellon HHF account,
Line 87	they are not yet reflected on lines 7(d) - 18(d) or on line 79. The total is made up of one check each from two servicers.
Line 88	
Line 89	Note 3 - Lines 7(d)-18(d) do not equal cumulative assistance on the QPR by at total difference of \$2,909.63 because of funds returned by the servicers that had not been entered into the CounselorDirect system by
Line 90	quarter-end (\$0.00) offset by funds returned by servicers to Florida Housing's operating account (\$2,909.63).
Line 91	The entire difference relates to the MLRP program only.
Line 92	
Line 93	
Line 94	Note 4 - Line 39 does not equal Line 79 because of funds returned by servicers to Florida Housing's operating account rather than the BNY Program account, net of funds transferred to the BNY Program account:
Line 95	[39(f) vs 79(j) - (\$2,663.15) for the quarter and 39(g) vs 79(k) - \$2,909.63 program to date.]
Line 96	
Line 97	Note 5 - Line 39 does not equal the QPR because of timing differences. These timing differences [((\$25,433.75) for the quarter, and \$0.00 program to date) are funds returned by the
Line 98	servicers that had not been entered into the CounselorDirect system by quarter-end. These timing differences were solely the resolution of 4Q 2014 timing differences. None remained as of quarter end.
Line 99	
Line 100	Note 6 - Line 79 does not equal assistance on the QPR [Quarter (\$22,770.60); Program to date (\$2,909.63)]. This is due to timing differences between the return of funds by the servicers and entry to the
Line 101	CounselorDirect system (Quarter (\$25,433.75); Program to date \$0.00) and by funds returned by servicers to Florida Housing's operating account rather than the BNY program account
Line 102	(Quarter, net (\$2,663.15); Program to date \$2,909.63). These timing differences clear in the next quarter. Florida Housing is working with servicers to correct the returned funds as they occur.
Line 103	
Line 104	Note 7 - Line 76(k) does not equal Line 20(c) because payments on loans (satisfactions) were sent to directly to Florida Housing's operating account or were checks. Florida Housing does
Line 105	not have a mechanism to deposit checks to BNYM. Funds received in the current quarter had not yet been transferred to BNYM as of the date of the report (quarter end).
