SECTION I. PROGRAM DETAILS:

A. Name of Local Government | Calhoun County
---|---
Does this LHAP contain an interlocal agreement? | No
If yes, name of other local government(s) | 

B. Purpose of the program:
- To meet the housing needs of the very low, low and moderate-income households;
- To expand production of and preserve affordable housing; and
- To further the housing element of the local government comprehensive plan specific to affordable housing.

D. Governance: The SHIP Program is established in accordance with Section 420.907-9079, Florida Statutes and Chapter 67-37, Florida Administrative Code. Cities and Counties must be in compliance with these applicable statutes, rules and any additional requirements as established through the Legislative process.

E. Local Housing Partnership: The SHIP Program encourages building active partnerships between government, lending institutions, builders and developers, not-for-profit and community-based housing providers and service organizations, providers of professional services related to affordable housing, advocates for low-income persons, real estate professionals, persons or entities that can provide housing or support services and lead agencies of the local continuums of care.

F. Leveraging: The Plan is intended to increase the availability of affordable residential units by combining local resources and cost saving measures into a local housing partnership and using public and private funds to reduce the cost of housing. SHIP funds may be leveraged with or used to supplement other Florida Housing Finance Corporation programs and to provide local match to obtain federal housing grants or programs.

G. Public Input: Public input was solicited through face to face meetings with housing providers, social service providers and local lenders and neighborhood associations. Public input was solicited through the local newspaper in the advertising of the Local Housing Assistance Plan and the Notice of Funding Availability.

H. Advertising and Outreach: SHIP funding availability shall be advertised in a newspaper of general circulation and periodicals serving ethnic and diverse neighborhoods, at least 30 days before the beginning of the application period. If no funding is available due to a waiting list, no notice of funding availability is required.

I. Waiting List/Priorities: A waiting list will be established when there are eligible applicants for strategies that no longer have funding available. Those households on the waiting list will be notified of their status. Applicants will be maintained in an order that is consistent with the time applications were submitted as well as any established funding priorities as described in this plan.
The following priorities for funding described/listed here apply to all strategies except Disaster Mitigation:

**Ranking Priority**
1. Special Needs Households
   a. Very Low
   b. Low
   c. Moderate
2. Essential Services Personnel
   a. Very Low
   b. Low
   c. Moderate
3. After Special Needs Set-asides and ESP goals are met:
   a. Very Low
   b. Low
   c. Moderate

**J. Discrimination:** In accordance with the provisions of ss.760.20-760.37, it is unlawful to discriminate on the basis of race, color, religion, sex, national origin, age, handicap, or marital status in the award application process for eligible housing.

**K. Support Services and Counseling:** Support services are available from various sources. Available support services may include but are not limited to: Homeownership Counseling (Pre and Post), Credit Counseling, Tenant Counseling, Foreclosure Counseling and Transportation.

**L. Purchase Price Limits:** The sales price or value of new or existing eligible housing may not exceed 90% of the average area purchase price in the statistical area in which the eligible housing is located. Such average area purchase price may be that calculated for any 12-month period beginning not earlier than the fourth calendar year prior to the year in which the award occurs. The sales price of new and existing units, which can be lower but may not exceed 90% of the median area purchase price established by the U.S. Treasury Department or as described above.

The methodology used is:

**M. Income Limits, Rent Limits and Affordability:** The Income and Rent Limits used in the SHIP Program are updated annually by the Department of Housing and Urban Development and posted at [www.floridahousing.org](http://www.floridahousing.org).

“Affordable” means that monthly rents or mortgage payments including taxes and insurance do not exceed 30 percent of that amount which represents the percentage of the median annual gross income for the households as indicated in Sections 420.9071, F.S. However, it is not the intent to limit an individual household’s ability to devote more than 30% of its income for housing, and housing for which a household devotes more than 30% of its income shall be deemed Affordable if the first institutional mortgage lender is satisfied that the household can afford mortgage payments in excess of the 30% benchmark and in the case of rental housing does not exceed those rental limits adjusted for bedroom size.
N. **Welfare Transition Program:** Should an eligible sponsor be used, a qualification system and selection criteria for applications for Awards to eligible sponsors shall be developed, which includes a description that demonstrates how eligible sponsors that employ personnel from the Welfare Transition Program will be given preference in the selection process.

O. **Monitoring and First Right of Refusal:** In the case of rental housing, the staff and any entity that has administrative authority for implementing the local housing assistance plan assisting rental developments shall annually monitor and determine tenant eligibility or, to the extent another governmental entity provides periodic monitoring and determination, a municipality, county or local housing financing authority may rely on such monitoring and determination of tenant eligibility. However, any loan or grant in the original amount of $10,000 or less shall not be subject to these annual monitoring and determination of tenant eligibility requirements. Tenant eligibility will be monitored annually for no less than 15 years or the term of assistance whichever is longer unless as specified above. Eligible sponsors that offer rental housing for sale before 15 years or that have remaining mortgages funded under this program must give a first right of refusal to eligible nonprofit organizations for purchase at the current market value for continued occupancy by eligible persons.

P. **Administrative Budget:** A line-item budget is attached as **Exhibit A.** Calhoun County finds that the moneys deposited in the local housing assistance trust fund are necessary to administer and implement the local housing assistance plan.

*Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, states:* “A county or an eligible municipality may not exceed the 5 percent limitation on administrative costs, unless its governing body finds, by resolution, that 5 percent of the local housing distribution plus 5 percent of program income is insufficient to adequately pay the necessary costs of administering the local housing assistance plan.”

*Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, further states:* “The cost of administering the program may not exceed 10 percent of the local housing distribution plus 5 percent of program income deposited into the trust fund, except that small counties, as defined in s. 120.52(19), and eligible municipalities receiving a local housing distribution of up to $350,000 may use up to 10 percent of program income for administrative costs.” The applicable local jurisdiction has adopted the above findings in the resolution attached as **Exhibit E.**

Q. **Program Administration:** Administration of the local housing assistance plan will be wholly performed and maintained by Calhoun County.

R. **Project Delivery Costs:** In addition to the administrative costs listed above, the County will charge a reasonable project delivery cost to cover inspections performed by non-County employees for rehabilitation projects. The fee will not exceed 5% and be no less than 2% of the contracted SHIP award and will be included in the amount of the recorded deferred payment loan agreement.

S. **Essential Service Personnel Definition:** For purpose of SHIP Funding, Calhoun County considers the following groups as Essential Services to our County: First Responders, Educators in K-12, Nurses, Skilled Building trades, Active Military, and National Guard stationed in the County.
T. Describe efforts to incorporate Green Building and Energy Saving products and processes:

The County will, when economically feasible, employ the following Green Building requirements on rehabilitation and emergency repairs:

1. Low or No-VOC paint for all interior walls (Low-VOC means 50 grams per liter or less for flat paint; 150 grams per liter or less for non-flat paint);
2. Low-flow water fixtures in bathrooms—Water Sense labeled products or the following specifications:
   a. Toilets: 1.6 gallons/flush or less,
   b. Faucets: 1.5 gallons/minute or less,
   c. Showerheads: 2.2 gallons/minute or less;
3. Energy Star qualified refrigerator;
4. Energy Star qualified exhaust fans in all bathrooms; and
5. Air conditioning: Minimum SEER of 14. Package units are allowed in one-bedroom units with a minimum of 11.7 SEER.

U. Describe efforts to meet the 20% Special Needs set-aside: Calhoun County’s application for SHIP assistance includes the statutory Special Needs definition and asks if any family member meets this definition. While typically up to 40% of SHIP applicants fall in this category in Calhoun County, the County will partner with social services agencies serving the designated special needs population to achieve the goal of the special needs set-aside.

V. Describe efforts to reduce homelessness: Calhoun County works diligently with local partners including the Calhoun County Sheriff’s Office, the Calhoun County Senior Citizens Association, Veteran’s Affairs, the Community Action program, and local churches to ensure that those that are homeless or on the verge of homelessness find shelter. Calhoun County has little instances of homeless persons within the County but when a need is identified, active communication between all partners assists these individuals. The SHIP program provides home repair assistance that helps keep homeowners in their homes, which also reduces the risk of becoming homeless.

RESOLUTION NO. 2019-18

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF CALHOUN COUNTY, FLORIDA APPROVING THE LOCAL HOUSING ASSISTANCE PLAN AS REQUIRED BY THE STATE HOUSING INITIATIVES PARTNERSHIP PROGRAM ACT, SUBSECTIONS 420.907-420.9079, FLORIDA STATUTES; AND RULE CHAPTER 67-37, FLORIDA ADMINISTRATIVE CODE; AUTHORIZING AND DIRECTING THE CHAIRMAN TO EXECUTE ANY NECESSARY DOCUMENTS AND CERTIFICATIONS NEEDED BY THE STATE; AUTHORIZING THE SUBMISSION OF THE LOCAL HOUSING ASSISTANCE PLAN FOR REVIEW AND APPROVAL BY THE FLORIDA HOUSING FINANCE CORPORATION; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the State of Florida enacted the William E. Sadowski Affordable Housing Act, Chapter 92317 of Florida Sessions Laws, allocating a portion of documentary stamp taxes on deeds to local governments for the development and maintenance of affordable housing; and

WHEREAS, the State Housing Initiatives Partnership (SHIP) Act, ss. 420.907-420.9079, Florida Statutes (1992), and Rule Chapter 67-37, Florida Administrative Code, requires local governments to develop a one- to three-year Local Housing Assistance Plan outlining how funds will be used; and

WHEREAS, the SHIP Act requires local governments to establish the maximum SHIP funds allowable for each strategy; and

WHEREAS, the SHIP Act further requires local governments to establish an average area purchase price for new and existing housing benefiting from awards made pursuant to the Act; The methodology and purchase prices used are defined in the attached Local Housing Assistance Plan; and

WHEREAS, as required by Section 420.9075, F.S., and Chapter 67-37 F.A.C, it is found that 5 percent of the local housing distribution plus 5 percent of program income is insufficient to adequately pay the necessary costs of administering the local housing assistance plan. The cost of administering the program may not exceed 10 percent of the local housing distribution plus 5% of program income deposited into the trust fund, except that small counties, as defined in s. 120.52(17), and eligible municipalities receiving a local housing distribution of up to $350,000 may use up to 10 percent of program income for administrative costs.
WHEREAS, the Calhoun County Board of County Commissioners has prepared a three-year Local Housing Assistance Plan for submission to the Florida Housing Finance Corporation; and

WHEREAS, the Commission finds that it is in the best interest of the public for Calhoun County to submit the Local Housing Assistance Plan for review and approval so as to qualify for said documentary stamp tax funds; and

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALHOUN COUNTY, FLORIDA that:

Section 1: The Board of County Commissioners of Calhoun County hereby approves the Local Housing Assistance Plan, as attached and incorporated hereto for submission to the Florida Housing Finance Corporation as required by ss. 420.907-420.9079, Florida Statutes, for fiscal years 2019-2020, 2020-2021 & 2021-2022.

Section 2: The Chairman is hereby designated and authorized to execute any documents and certifications required by the Florida Housing Finance Corporation as related to the Local Housing Assistance Plan, and to do all things necessary and proper to carry out the term and conditions of said program.
