C. Fiscal years covered by the Plan: 2024-2025, 2025-2026, 2026-2027

D. Governance: The SHIP Program is established in accordance with Section 420.907-9079, Florida Statutes and Chapter 67-37, Florida Administrative Code. Cities and Counties must be in compliance with these applicable statutes, rules and any additional requirements as established through the Legislative process.

E. Local Housing Partnership: The SHIP Program encourages building active partnerships between government, lending institutions, builders and developers, not-for-profit and community-based housing providers and service organizations, providers of professional services related to affordable housing, advocates for low-income persons, real estate professionals, persons or entities that can provide housing or support services and lead agencies of the local continuums of care.

F. Leveraging: The Plan is intended to increase the availability of affordable residential units by combining local resources and cost saving measures into a local housing partnership and using public and private funds to reduce the cost of housing. SHIP funds may be leveraged with or used to supplement other Florida Housing Finance Corporation programs and to provide local match to obtain federal housing grants or programs.

G. Public Input: Public input was solicited through face-to-face meetings with housing providers, social service providers and local lenders and neighborhood associations. Public input was solicited through the local newspaper in the advertising of the Local Housing Assistance Plan and the Notice of Funding Availability.

H. Advertising and Outreach: SHIP funding availability shall be advertised in a newspaper of general circulation and periodicals serving ethnic and diverse neighborhoods, at least 30 days before the beginning of the application period. If no funding is available due to a waiting list, no notice of funding availability is required.

I. Waiting List/Priorities: A waiting list will be established when there are eligible applicants and no funding available for that strategy. Those households on the waiting list will be notified of their status. Applicants will be maintained in an order that is consistent with the time the application was submitted for review., as well as any established funding priorities as described in this plan.

The following ranking priority will be:

- Special Needs Households: Very Low, Low, Moderate
- Essential Services Personnel: Very Low, Low, Moderate
- After Special Needs and Essential Personnel, the following: Very Low, Low, Moderate

K. Support Services and Counseling: Support services are available from various sources. Available support services include, but are not limited to: Homeownership Counseling (Pre and Post), Credit Counseling, Tenant Counseling, Foreclosure Counseling and Transportation.

L. Purchase Price Limits: The sales price of new and existing units, which can be lower but may not exceed 90% of the average area purchase price established by the U.S. Treasury Department or as described above.

U.S. Treasury Department	
Local HFA Numbers	

Pinellas County has elected to use a lower purchase price limit. (See Housing Delivery Goals chart for maximum).

M. Income Limits, Rent Limits and Affordability: The Income and Rent Limits used in the SHIP Program are updated annually by the Department of Housing and Urban Development and posted at www.floridahousing.org.

"Affordable" means that monthly rents or mortgage payments including taxes and insurance do not exceed 30 percent of that amount which represents the percentage of the median annual gross income for the households as indicated in Sections 420.9071, F.S. However, it is not the intent to limit an individual household's ability to devote more than 30% of its income for housing, and housing for which a household devotes more than 30% of its income shall be deemed Affordable if the first institutional mortgage lender is satisfied that the household can afford mortgage payments in excess of the 30% benchmark and in the case of rental housing does not exceed those rental limits adjusted for bedroom size.

N. Welfare Transition Program: Should an eligible sponsor be used, a qualification system and selection criteria for applications for Awards to eligible sponsors shall be developed, which includes a description that demonstrates how eligible sponsors that employ personnel from the Welfare Transition Program will be given preference in the selection process.

O. Monitoring and First Right of Refusal: In the case of rental housing, the staff and any entity that has administrative authority for implementing the local housing assistance plan assisting rental developments shall annually monitor and determine tenant eligibility or, to the extent another governmental entity provides periodic monitoring and determination, a municipality, county, or local housing financing authority may rely on such monitoring and determination of tenant eligibility. However, any loan or grant in the original amount of \$10,000 or less shall not be subject to these annual monitoring and determination of tenant eligibility requirements. Tenant eligibility will be monitored annually for no less than 15 years or the

term of assistance whichever is longer unless as specified above. Eligible sponsors that offer rental housing for sale before 15 years or that have remaining mortgages funded under this program must give a first right of refusal to eligible nonprofit organizations for purchase at the current market value for continued occupancy by eligible persons.

- P. Administrative Budget:** A line-item budget is attached as Exhibit A. The city/county finds that the moneys deposited in the local housing assistance trust fund are necessary to administer and implement the local housing assistance plan.

Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, states: “A county or an eligible municipality may not exceed the 5 percent limitation on administrative costs, unless its governing body finds, by resolution, that 5 percent of the local housing distribution plus 5 percent of program income is insufficient to adequately pay the necessary costs of administering the local housing assistance plan.”

Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, further states: “The cost of administering the program may not exceed 10 percent of the local housing distribution plus 5 percent of program income deposited into the trust fund, except that small counties, as defined in s. 120.52(19), and eligible municipalities receiving a local housing distribution of up to \$350,000 may use up to 10 percent of program income for administrative costs.” The applicable local jurisdiction has adopted the above findings in the resolution attached as Exhibit E.

- Q. Program Administration:** Administration of the local housing assistance plan will be performed by:

Entity	Duties	Admin Fee Percentage
Local Government	Pinellas County	10%
