If yes, name of other local government(s)	N/A

B. Purpose of the program:

- To meet the housing needs of the very low, low and moderate-income households.
- To expand production of and preserve affordable housing; and
- To further the housing element of the local government comprehensive plan specific to affordable housing.

C. Fiscal years covered by the Plan: 2022-2023, 2023-2024, 2024-2025

D. Governance: The SHIP Program is established in accordance with Section 420.907-9079, Florida Statutes and Chapter 67-37, Florida Administrative Code. Cities and Counties must be in compliance with these applicable statutes, rules and any additional requirements as established through the Legislative process.

E. Local Housing Partnership: The SHIP Program encourages building active partnerships between government, lending institutions, builders and developers, not-for-profit and community-based housing providers and service organizations, providers of professional services related to affordable housing, advocates for low-income persons, real estate professionals, persons or entities that can provide housing or support services and lead agencies of the local continuums of care.

F. Leveraging: The Plan is intended to increase the availability of affordable residential units by combining local resources and cost saving measures into a local housing partnership and using public and private funds to reduce the cost of housing. SHIP funds may be leveraged with or used to supplement other Florida Housing Finance Corporation programs and to provide local match to obtain federal housing grants or programs.

G. Public Input: Public input was solicited through face-to-face meetings with housing providers, social service providers and local lenders and neighborhood associations. Public input was solicited through the local newspaper in the advertising of the Local Housing Assistance Plan and the Notice of Funding Availability.

H. Advertising and Outreach: SHIP funding availability shall be advertised in a newspaper of general circulation and periodicals serving ethnic and diverse neighborhoods, at least 30 days before the beginning of the application period. If no funding is available due to a waiting list, no notice of funding availability is required.

I. Waiting List/Priorities: A waiting list will be established when there are eligible applicants for strategies that no longer have funding available. Those households on the waiting list will be notified of their status. Applicants will be maintained in an order that is consistent with the time completed applications were submitted as well as any established funding priorities as described in this plan.

The following priorities for funding (very low income, Special Needs, etc.) described/listed here apply to all strategies unless otherwise stated in an individual strategy in Section II:

Once there is a list of eligible applicants, they will be ranked giving priority to households qualifying as Special Needs (420.0004 (13), F.S.) then elderly in the Moderate Housing Rehabilitation and Replacement Housing strategies.

- J. **Discrimination:** In accordance with the provisions of ss.760.20-760.37, it is unlawful to discriminate based on race, color, religion, sex, national origin, age, handicap, or marital status in the award application process for eligible housing.
- K. **Support Services and Counseling:** Support services are available from various sources. Available support services may include but are not limited to: Homeownership Counseling (Pre and Post), Credit Counseling, Tenant Counseling, Foreclosure Counseling and Transportation.
- L. **Purchase Price Limits:** The sales price or value of new or existing eligible housing may not exceed 90% of the average area purchase price in the statistical area in which the eligible housing is located. Such average area purchase price may be that calculated for any 12-month period beginning not earlier than the fourth calendar year prior to the year in which the award occurs. The sales price of new and existing units, which can be lower but may not exceed 90% of the average area purchase price established by the U.S. Treasury Department or as described above.

Local HFA Numbers	

- M. **Income Limits, Rent Limits and Affordability:** The Income and Rent Limits used in the SHIP Program are updated annually by the Department of Housing and Urban Development and posted at www.floridahousing.org.

“Affordable” means that monthly rents or mortgage payments including taxes and insurance do not exceed 30 percent of that amount which represents the percentage of the median annual gross income for the households as indicated in Sections 420.9071, F.S. However, it is not the intent to limit an individual household’s ability to devote more than 30% of its income for housing, and housing for which a household devotes more than 30% of its income shall be deemed Affordable if the first institutional mortgage lender is satisfied that the household can afford mortgage payments in excess of the 30% benchmark and in the case of rental housing does not exceed those rental limits adjusted for bedroom size.

- N. **Welfare Transition Program:** Should an eligible sponsor be used, a qualification system and selection criteria for applications for Awards to eligible sponsors shall be developed, which includes a description that demonstrates how eligible sponsors that employ personnel from the Welfare Transition Program will be given preference in the selection process.
- O. **Monitoring and First Right of Refusal:** In the case of rental housing, the staff and any entity that has administrative authority for implementing the local housing assistance plan assisting rental developments shall annually monitor and determine tenant eligibility or, to the extent another governmental entity provides periodic monitoring and determination, a municipality, county or local housing financing authority may rely on such monitoring and determination of tenant eligibility. However, any loan or grant in the original amount of \$10,000 or less shall not be subject to these annual monitoring and determination of tenant eligibility requirements.

Tenant eligibility will be monitored annually for no less than 15 years or the term of assistance whichever is longer unless as specified above. Eligible sponsors that offer rental housing for sale before 15 years or that have remaining mortgages funded under this program must give a first right of refusal to eligible nonprofit organizations for purchase at the current market value for continued occupancy by eligible persons.

- P. Administrative Budget:** A line-item budget is attached as Exhibit A. The city/county finds that the moneys deposited in the local housing assistance trust fund are necessary to administer and implement the local housing assistance plan.

Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, states: “A county or an eligible municipality may not exceed the 5 percent limitation on administrative costs, unless its governing body finds, by resolution, that 5 percent of the local housing distribution plus 5 percent of program income is insufficient to adequately pay the necessary costs of administering the local housing assistance plan.”

Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, further states: “The cost of administering the program may not exceed 10 percent of the local housing distribution plus 5 percent of program income deposited into the trust fund, except those small counties, as defined in s. 120.52(19), and eligible municipalities receiving a local housing distribution of up to \$350,000 may use up to 10 percent of program income for administrative costs.” The applicable local jurisdiction has adopted the above findings in the resolution attached as Exhibit E.

- Q. Program Administration:** Administration of the local housing assistance plan will be performed by: The Emerald Coast Regional Council (ECRC). The administrative services provided shall include, but are not limited to, the following:

5. Repayment: None required as long as the loan is in good standing.
6. Default: If the property is sold before the lien expires, the outstanding balance of the loan is due and payable. If the title is transferred, or if the house is no longer the primary residence of the applicant, the outstanding balance of the loan is due and payable, with the following exception: If the applicant passes away and ownership transfers to an income eligible heir who is going to make the house their primary residence, the loan will be extended to them. If the title is transferred to an eligible heir who is not going to reside in the house or a non-eligible heir, the outstanding balance of the loan is due and payable in full.

If a superior mortgage holder forecloses on the home, the county will make an effort to collect the funds through the legal process if it is determined that adequate funds may be available to justify pursuing a repayment.

- d. Recipient Selection Criteria: Assistance will be provided on a first qualified, first served basis. This means the application is complete and income eligibility is verified, the house is determined eligible for repair, and the Home Care and Maintenance Class has been successfully completed. The family must provide proof of property ownership. Life estates are recognized as proof of ownership. The county's Home Care and Maintenance Class must be successfully completed unless the applicant is unable to attend the class, in which case the applicant will be provided the study materials.

Priority will be given to applicants with Special Needs and then the elderly.

- e. Sponsor Selection Criteria: N/A
- f. If any of these occur, the outstanding balance will be due and payable. Subordination of Liens may only be requested if the dwelling unit is being refinanced, in which the interest rate will be reduced, therefore reducing the monthly payments and there is no cash back or payoff of any additional debt. In cases where the qualifying homeowner dies during the loan term, a SHIP eligible heir who will occupy the home as a primary residence may assume the loan. If the legal heir is not SHIP eligible or chooses not to occupy the home, the outstanding balance of the loan will be due and payable. If a superior mortgage holder forecloses on the home, the county will make an effort to recapture funds through the legal process if it is determined that adequate funds may be available to justify pursuing a recapture.
7. Recipient/Tenant Selection Criteria: Assistance will be provided on a first qualified (the application is complete and income eligibility is verified), first served basis when funding is available, and preference will be given to first time homebuyers with rehabilitation. Buyers across the community may obtain assistance, with some buyers working towards qualification with Habitat for Humanity. Habitat for Humanity will recommend their qualified applicants to the SHIP Administrator. The applicant must also meet the definition of a first-time homebuyer: someone who has not owned a home within the past three (3) years immediately preceding the SHIP assisted purchase. An applicant who has lost their home as a result of a divorce within the last three (3) years meets the first-time homebuyer definition. Additionally, a domestic violence survivor qualifies as a first-time homebuyer.
8. Sponsor Selection Criteria: N/A.
9. Owner financing is not allowable. Completion of the Homebuyer Education Class is mandatory prior to closing. Mobile or modular homes built after June of 1994 are eligible. Permanent first mortgage financing is provided through financial institutions without County guarantee, thereby leveraging a significant volume of private sector financing. Existing dwellings must meet minimum housing code standards, or the applicant, as evidenced through an independent home inspection prior to down payment assistance funds being released, must provide escrow for repairs. An applicant assisted under this strategy is ineligible to receive additional funding for Owner Occupied Rehabilitation during the twelve (12) year lien period.
