Hi Marisa,

I have a few questions/comments:

Page 18, definition of Concrete Podium Structure. Why are we prohibited from putting apartments in the ground floor? Since those would be the only apartments to actually be inside a concrete structure, it seems like an improvement over having all units inside the woodframe structure (perched atop the podium).

Page 57, County's Award Tally. In RFA 2017-103, you began with three counties having an Award Tally of 1. Those were the Counties that received Homeless 9% funding in 2016. Aren't you going to do the same thing this year (with respect to last year's winners Sarasota, Seminole, and Duval)?

Thanks, Shawn
