

Good afternoon Jean,

The first workshop for RFA 2024-215 Live Local Act Funding for Multifamily Developments near Military Installations was very informative, and although it appeared the Project that I am planning for Bay County checked all the boxes, I found the 5-mile radius may tie our hands. The parcel we are planning to donate to the eligible Developer is located in Callaway and is approximately 6-miles from the nearest Tyndall Air Force Base public access gate.

Since Florida Housing is still developing the criteria for this RFA, do you think it would be possible to consider an expanded radius? I'm very excited about this opportunity and would like to continue moving forward with the release of our RFA.

Thank you for your consideration.
